CHILDREN SUBMITS EQUALITY

SEVEN PEOPLE KILLED HUNDRED WOUNDED IN DISORDER AT LEIPSIG

NEGRO MAN KILLED WOMAN WOUNDED HUSBAND MISSING

IRA BEAL SOUGHT BY OFFICERS AFTER DOUBLE SHOOTING

MOVIE PROPRIETOR IS SLAIN BY BULLETS

Wife of Missing Negro Wounded Twice in Fight; Was at Home of Victim

BERLIN, June 7.—Seven persons were killed and more than one hundred wounded in yesterday's disorders at Leipzig. It is announced in special dispatches from that city today. The dead include one policeman and the head watchman, while there are fifteen policemen among the wounded, 37 of whom are in a serious condition.

The demonstration was in protest against the Ruhr occupation and the insufficiency of unemployment benefits. Some twenty thousand persons, it is said, took part. Order was completely restored last evening.

When demonstrators gathered under the auspices of the trades unionists and the socialists in five huge assemblies in the central parts of the town. The demonstration was the climax of a number of minor parades and open air meetings which had occurred during the two days previous.

Toward the close of these gatherings it is stated, a crowd of the youthful, unruly elements, suspected of including some communists, began stirring up provocation against the police and the trades union leaders who were preserving order.

The police declare that when they tried to suppress this counter demonstration shot was fired at the crowd and the police then resorted to the use of blackjacks. This brought a shower of stones and bits of glass from the disturbers who in turn began using blackjacks and knives.

After vainly trying to disperse the crowd by shooting into the air the police shot directly at the rioters.

HEAR EVIDENCE TO SUPPORT MOTION IN FORT WORTH CASES

FORT WORTH, June 7.—The entire morning of the trial of J. W. Caruth and L. C. Reynolds Jr. for the murder of Josephine Beal was devoted to introduction of testimony by defense in the effort to sustain their motion that the indictment be quashed. The motion was supported by evidence to the effect that the Beal woman was there.

When Beal emerged from the back door and started running through the back yard, according to the woman's testimony, she was shot. She then returned to the house and shot at her twice through a window. Both bullets took effect in her.

After looting at his wife twice through the window, he disappeared and still missing Thursday afternoon.

The bullets extracted from the Beal woman's leg were a caliber different from the one which was used in the shooting as was done with an automatic.

REPORT TERRORISM PREVAILS IN UPPER SILESIA DISTRICT

BERLIN, June 7.—Terrorism prevails in the Upper Silesian district, north and east of Liegnitz, where a number of outlaw strikes have broken out among the arm laborers, according to newspaper dispatches from Breslau.

The local Anstatter local correspondent reports that in the Silesian district bands of from 300 to 400 men each are going about the country using clubs to chase from the fields those laborers who are willing to work. Disturbances also are reported at Jauer. The socialist farm laborers' association plans to call a general strike today unless negotiations can be started, according to the correspondent.

A dispatch to the Berliner Tageblatt asserts that communistic agitators are attempting to convert the wave of outlaw strikes into a political movement. The writer says organized labor continues to oppose the strikes, but that a collision between union workers and the police occurred at the Julien foundries near Bobrek, when the Unionists tried to prevent a mass meeting.

RECORD FOR WOMEN IN DANCE MARATHONS BROKEN AT ST. LOUIS

ST. LOUIS, June 7.—The continuous dance record for women, 123 hours, was shattered today when Miss Hilda Johnson, 18 years old, of St. Louis county, passed that mark. This afternoon she was wearing the 16th hour in the national dance marathon and granting a sandwich from a table on the sidelines, remarked "I'm still going strong."

RETAIL PRICE FOR FOOD IS INCREASED IN FIFTEEN CITIES

WASHINGTON, June 7.—Increases in the retail cost of food for the month from April 15 to May 15 in 15 out of 21 cities ranging from four per cent to less than one-half of one per cent, were reported today by the bureau of labor statistics.

Five cities showed decreases of 94 per cent or less.

NEW GERMAN OFFER ON REPARATIONS IS IN HANDS OF ALLIES

PROVIDES SYSTEM OF ANNUITIES OVER BILLION PER YEAR

MAKES NO MENTION OF THE POLITICAL SITUATION

Does Not Refer to Conditions Under Which Nation is Prepared to Pay

BERLIN, June 7.—Germany's new reparations offer, which was handed to the "entente" and United States governments this afternoon, purports a system of annuities estimated to total 1,200,000,000 marks annually if an international loan is not available for immediate capital payments.

The annuities would become effective in 1925 and the total amount would depend wholly on the degree of Germany's economic recovery. The memorandum declares an inevitable regular and practical solution of the reparations problem is the early convocation of a general conference to which Germany would be invited on an equal basis.

The document is brief and wholly devoted to elucidation of the mooted points on which the creditor nations had requested amplifying statements. It makes no mention of the political situation, the Ruhr occupation or the handing on of the passive resistance and indulges in no recriminations. Neither does it refer to the conditions under which Germany is prepared to carry out the payment of the annuities.

Reaffirm Good Will

The memorandum reaffirms Germany's good will and readiness to accept reparations obligations and asserts the conviction that the entire problem should be submitted to an impartial inquiry, the verdict of which it requests be accepted by the German government.

As a guarantee for the annuities the German government pledges the total value of its industrial capacity and shipping and the gold obligations assumed by banking and private real estate. This is estimated to amount to 500,000,000 marks. The additional 700,000,000 of the annuity total would be raised by increased customs duties, a tax of luxury and the creation of a government monopoly in tobacco and spirits.

Text of Note.

The text of the note says: "After full and careful consideration Germany has stated her sincere belief as to the manner in which to make payment for reparations. The German government would not be able to accept the plan which is the real solution any nearer if for the sake of temporary alleviation of its political difficulties it were to promise more than in its judgment the German people can with the utmost effort perform."

The note further states that Germany's capacity is one of fact on which different opinions can be held, and the German government admits the difficulty of arriving at any secure estimate in the present conditions. For this reason it has already offered to accept the decision of an impartial international body as to the amount and method of payment.

Body of Negro Found HANGING TO TREE AND RIDDLED WITH BULLETS

PAIM BEACH, FLA., June 7.—The body of Henry Smith, negro, riddled with bullets, was found today hanging to a tree on Paim Beach island. The body was reported of having shot and killed Policeman J. N. Smith, a native of Stanton, Va., Sunday morning.

The negro was a native of the Bahamas Islands. The body was found by a delivery man for a local ice company, whose Simmons had been employed. A coroner's jury returned a verdict that the negro came to his death at the hands of parties unknown.

ALÉXANDER HOWAT IS HELD ON CHARGE FILED BY WOMAN

PITTSBURGH, June 7.—Alexander Howat, deposed leader of the Kansas United Mine Workers, who has been in Pittsburgh for several months, was held today on a serious charge preferred by Mrs. Inga Sorenson of Chicago in behalf of her six-year-old son, Judge James de Wolf. Howat was held for a hearing. Howat denied the charge.

Mrs. Sorenson, who has been here furthering a movement for the organization of "hobos" lived in the hotel where Howat was quartered. She appeared in moral court against him. Judge de Wolf, who is listening to her statement and hearing Howat say he was innocent and at the proper time would prove his innocence, said he would in court. Howat was held on moral court. Howat was held on moral court. Howat was held on moral court.

TWO MEN ATTEMPT TO ROB SALESMAN NEAR SWEETWATER

SWEETWATER, June 7.—Two men were attempting to hold up a salesman near Sweetwater today. The men were shot and wounded. The salesman escaped with his goods.

TEXAS NEWSPAPER MEN MEETING IN GALVESTON

GALVESTON, June 7.—Several hundred editors and publishers of Texas newspapers were assembled here today for the opening sessions of the forty-fourth annual convention of the Texas Press Association, which will continue through Saturday.

The response to Mayor Harris' welcome was given by J. Felton Lane of Hearne, Texas.

President Chestnut's annual address was on the morning program.

RAILROADS AUTHORIZED TO MAKE NEW RATES

WASHINGTON, June 7.—Railroads operating north and south lines west of the Mississippi river were authorized today by an interstate commerce commission decision to make rates between St. Louis, Memphis, Vicksburg and other Mississippi river crossing points, including New Orleans, without regard to the long and short haul clause of the interstate commerce act.

EXPECT RELEASE OF CAPTIVES BY SUNDAY

TSAO CHWANG, June 7.—Negotiations for the release of eight foreigners held by Chinese bandits on Taot-suku mountain are believed to have reached their final stage and it is confidently predicted here that all will be free before next Sunday.

ADD GOLDEN GATE TO ACTIVITIES OF CONFIDENCE MEN

SAN FRANCISCO, June 7.—To the Chicago office and the San Francisco Perry building, often sold by confidence men to unsuspecting strangers, add the Golden Gate.

Joe Welch, who never had seen the famous entrance to San Francisco harbor, paid two gentlemen \$250 yesterday to obtain a contract, with a guaranteed profit of \$1,000 for re-riding it.

LATE REPORTS FROM DAMSITE INDICATE DAMAGE MAY RESULT

GOVERNOR ASKS FOR PRAYERS IN FIGHTING WEEVIL

COLUMBIA, S. C., June 7.—Governor McLeod today called upon the people of South Carolina to unite next Sunday in asking divine aid in their battle against the boll weevil.

Declaring his belief that the cotton pest and other evils had been sent "as a judgment on our people not only for their sins, but as a means of bringing them back to Him," the chief executive in a proclamation designated Sunday as a day of fasting and prayer to God for deliverance from the ravages of the boll weevil, in such way as may seem wise to Him.

Unconfirmed reports Thursday afternoon indicated that the situation at the irrigated damsite might be more threatening than was at first supposed.

The two electrically-operated gates at the storage dam are still open, releasing the water which, flowing down the river, is thought to be causing some trouble at the diversion dam. A wide opening has been left in the diversion dam to keep the water from accumulating during the construction period and it was reported Thursday that dynamite was being used, presumably to widen this opening and facilitate the releasing of the water. The report, however, could not be confirmed at this time, and efforts to reach the diversion dam camp by telephone were unavailing.

Practically all engineers of the district and construction company were at the scene Thursday. At local offices the view was taken that the additional rise could be handled readily at the storage dam, but would probably result in some damage at the diversion dam, where construction work is at a stage not adapted to floods.

If M. Campbell, mail clerk on the north bound Wichita Valley, was told at Memphis that dynamite had been used at the diversion dam; however, parties at Dundee could not confirm the report.

An earlier report of the situation at the damsite appears on page 3 of today's Times.

WISCONSIN LOWER HOUSE FOR REPEAL OF STATE DRY LAW

MADISON, WIS., June 7.—The Wisconsin assembly today voted 48 to 42 to repeal the Nevenson law, the state prohibition law, which has been in effect since 1911. The bill which met defeat in the senate today.

Assemblyman Matheson, Janesville city leader, warned against repeal. Before it can become a law it must pass both houses. The bill which met defeat in the senate today.

Assemblyman Matheson, Janesville city leader, warned against repeal. Before it can become a law it must pass both houses. The bill which met defeat in the senate today.

SMILE OF WOMAN BANDIT MAY LEAD TO EARLY CAPTURE

CHICAGO, June 7.—Police squads early today are checking over habits of cabarets, restaurants and other places of gay night life in an effort to trace the girl slayer of Robert C. Tesmer, wealthy insurance man. Tesmer, returning home with his wife late Tuesday night was shot down by the girl after she and a male companion had held up and robbed the couple.

On the slim possibility that the smile which the girl wore as she slew Tesmer, might furnish a solution of her identity, a separate search was ordered today for the wife of an escaped convict from Joliet. She always has been known to the police by her peculiar and ineffable smile and was seen Tuesday near the Tesmer home.

Mrs. Tesmer told the authorities she could never forget the holdup and the peculiar smile on the girl's face as she calmly directed the holdup.

YOUNG MAN KILLED TWO BADLY INJURED IN AUTO ACCIDENT

WACO, June 7.—One young man was killed and two were badly injured when the car in which they were riding collided with a street car here this morning. J. D. Tuttle was killed. W. J. Pierson had his leg badly cut and Miss Esther Griffith received severe cuts and bruises.

The car, which was demolished, was occupied by a number of boys and girls. According to witnesses the car in which they were riding was running on the street car tracks. Young Tuttle, who was driving, was thrown from the car and killed. Pierson and Griffith were badly injured.

When the fatal accident occurred the children were on their way to a church in the neighborhood, where they had planned to go on a picnic.

At the hospital where the two more seriously injured were taken it was stated that the injuries were probably not fatal.

JOHN PHILLIP SOUSA DIRECTS ALL BANDS PLAYING IN UNISON

IS FEATURE OF SHRINE PROGRAM AT WASHINGTON THURSDAY

HISTORICAL PAGEANT IS TO BE STAGED AT NIGHT

Spectacle Brilliant in Coloring Furnished in Parade Wednesday Evening

WASHINGTON, June 7.—Another day of crowded activities for the Shrine delegations attending their annual convention here preceded the historical pageant and parade along Pennsylvania avenue tonight as probably the crowning event of the conclave.

A concert at the American League park by the massed bands of all the temples led by Noble John Phillip Sousa was one of the feature events on the day's program. There also were additional air service, cavalry and field artillery stunts on the card for the entertainment of the visitors. Social functions included a dinner to the new imperial pontifical C. V. Dykeman, elevated to that office by the imperial council yesterday. The council was holding its final session today.

The historical pageant along the "road to Mecca" and through the "Garden of Allah" in front of the White House tonight is to be followed by "The Dance of the Sultans." With a section of Pennsylvania avenue from the capital to the White House allotted to each of the state delegations, thousands are expected to join in the dance over the long expanse of the avenue. Musicians from the bands of the Tripoli and El Jebel temples of Milwaukee and Denver will be broadcast not only on the avenue, but throughout the city.

The apparatus has been installed to throw it by radio over the entire breadth of the country. It was said to have residents of every state join in the dance as signifying a "nation in step." The dance is scheduled to begin at 10:30 p. m. eastern time.

A spectacle brilliant in coloring was furnished in the parade of uniforms and regalia last night. For four hours President and Mrs. Harding reviewed the procession from the stand in front of the White House. The parade, which started at the capital, had passed the presidential stand.

The only new temple to be granted a charter by the imperial council was the All of Sacramento (Calif.). Eight others had asked for recognition but the council found their qualifications incomplete.

Officers of the imperial council said the granting of additional charters this year was deemed inadvisable in view of a general reorganization throughout the country. The applications rejected today, they said, are expected to be made again next year.

President Harding was made an honorary member of the imperial temple by unanimous vote.

TEN ADDITIONAL SUBJECTS ARE PRESENTED TO THE LEGISLATURE IN MESSAGE THURSDAY MORNING

AUSTIN, June 7.—Ten additional subjects and a number of local measures were submitted to the legislature on consideration today by Governor Neff in a special message. Included in the list of subjects are a draft bill, checks and motor vehicle regulations and state literacy commission.

Other topics submitted were: Teaching and federal contribution in schools.

Equalizing taxes so that each dollar's worth of property will bear proportionate part of the tax burden.

Permanent improvements at state university.

Changing name of insurance and banking department.

Making it a criminal offense for any person engaged in transportation or manufacture of intoxicating liquors to possess fire arms or deadly weapons.

Amendments to agricultural financing pool act passed by last session.

DAILY AVERAGE OIL PRODUCTION SHOWS 32,900 BARREL GAIN

TOTAL IS 2,034,960 COMPARED WITH 2,002,060 PRECEDING WEEK.

NORTH TEXAS DISTRICT GAINS 1,150 BARRELS

No Changes in Crude Oil Prices Are Reported For Week Ending June 5.

ADDITIONAL REDUCTIONS IN APPROPRIATION BILL

AUSTIN, June 7.—Additional reductions of \$47,000 were made on the departmental appropriation bill by the House today. The bill, which was passed by the House on June 5, provides for a total of \$127,000 in reductions. The largest item was \$40,000 for printing.

In line with the government's message, the new bills were offered as follows:

By Clark, regulating truck and heavy machinery, which had \$12,000 cut out. The largest item reduced was \$40,000 for printing.

THOUSAND DELEGATES ARE EXPECTED AT CONVENTION OF CHRISTIAN ENDEAVOR

PHILADELPHIA, June 7.—The second day of the state Christian Endeavor convention in session in Sherman saw more delegates arrive, and the 1,000 mark is expected to be reached by noon today.

Early morning quiet hour exercises were held at each of the college dormitories, and the main session was opened at the First Baptist church with a rousing song service led by Mrs. T. J. Hubbard of Fort Worth.

On the slim possibility that the smile which the girl wore as she slew Tesmer, might furnish a solution of her identity, a separate search was ordered today for the wife of an escaped convict from Joliet. She always has been known to the police by her peculiar and ineffable smile and was seen Tuesday near the Tesmer home.

Mrs. Tesmer told the authorities she could never forget the holdup and the peculiar smile on the girl's face as she calmly directed the holdup.

LIQUOR QUESTION AGAIN CROPS OUT IN BRITISH HOUSE

LONDON, June 7.—The question of the Volstead act and the carrying out of the prohibition act in waters cropped out again in a quarrel between the British and American governments today when a dispatch from the United States government was received in London. Prime Minister Baldwin referred to the answers he had given yesterday. He feared it was not possible, he added, to discuss by question and answer the extent to which interference by one state with the merchant ships of another was in accordance with international law and with the practice and comity of nations.

"In this country, speaking generally," he said, "our interference with foreign ships is promoted only with considerations of health and safety of life."

The whole question, he remarked, could be discussed in connection with the foreign office vote.

Let's Swap!

The Martins thought of moving the lease of their apartment held them down.

They planned on moving further east.

But had a flat up north which they had leased.

The Martins wrote an ad. The Gleasons read: "We'll simply swap apartments!" so they said.

FLAQUE OF 17-YEAR LOCUSTS HAS ARRIVED

NEW YORK, June 7.—A plague of 17-year locusts has arrived according to reports from New York and New Jersey.

Dr. George E. Engelhardt of the department of natural science of the Brooklyn museum, un molested by the pests since 1904, fruit growers are rushing preparations to save their crops from the visitation.

No great permanent damage will be done, according to Dr. Engelhardt, but this year's supply of fruit probably will be short.

NEW YORK, June 7.—Jacob Schiff, 84, charged with appropriating \$10,000 of wounded war veterans' relief money, was sentenced from six months to three years in the penitentiary when he pleaded guilty to the charges today.

ABILENE, June 7.—Professor P. C. Castfield, for eight years superintendent of the Abilene public schools, prior to 1900, died at Dallas this morning, according to a telegram received here.

NEW YORK, June 7.—James Foley, 18 year old messenger for the brokerage house of C. W. Clegg, was arrested today on a charge of stealing \$101,000 in bonds which he reported on Tuesday he had lost.

NEW YORK, June 7.—Jacob Schiff, 84, charged with appropriating \$10,000 of wounded war veterans' relief money, was sentenced from six months to three years in the penitentiary when he pleaded guilty to the charges today.

DISTRICT GOVERNOR OF ROTARY SPEAKS AT LOCAL LUNCHEON

John Singleton of Waco, Texas, district governor of the Texas Rotary district, was the chief speaker Thursday at the weekly luncheon of the local Rotary club.

Mr. Singleton was here on route to Quannah, where he will deliver the charter to the newly organized Rotary club there on Thursday evening.

Prizes for the student loan fund activities of this and other Rotary clubs was voted by the district governor in his talk.

Dr. J. W. Cantwell, new superintendent of schools, responded to an invitation to address the club by telling his hopes of being of real service here.

Young people today are growing up to be more responsible than ever before. It is the duty of the young men and women of today to be more responsible than ever before.

SHOTS FIRED AND STONES THROWN IN TRACTION STRIKE

SCHENECTADY, N. Y., June 7.—Riots in which shots were fired and stones thrown marked the traction strike here early today.

Cars were abandoned in the streets by their crews when bombarded by stones. Rescue crews attempted in vain to take two stalled cars, with every window broken back to the barns.

The violence was attributed to strike breakers and their guards by Mayor Whitely.

THREE DAYS INSTITUTE IS BEING HELD BY BAPTISTS. A three days institute of the association auxiliary of the Baptist church is being held here.

NEW GERMAN OFFER IN HANDS OF ALLIES

(Continued from page 5a.) of payment. Germany can give no stronger proof than this of her determination to discharge her reparations obligations.

The German government also is ready to supply all available information necessary for making a reliable judgment of Germany's capacity to pay.

LONDON, June 7.—The new German reparations note which ambassador St. Hamer will present to Lord Curzon this afternoon is considered offering a distinct advance over the previous note but is expected to be disappointing to the French.

BRUSSELS, June 7.—It is generally agreed that the conference of French and Belgian ministers was noteworthy in at least two respects.

ST. LOUIS, June 7.—Thomas Alexander Theobald, 81 years old, paymaster in the union army under General Sherman in the civil war, is dead at his home here.

TWO ABILENE MEN DIE ON WEDNESDAY NIGHT

ABILENE, June 7.—John Stegall, 41, for 30 years a citizen of Abilene, was stricken with acute indigestion, while down town at 11 o'clock last night and died in a few minutes.

AMONG NEW MEMBERS ADMITTED TO THE FRATERNITY. Sixteen candidates were admitted into the Fraternity Council No. 25 at a meeting held in the Odd Fellows hall Wednesday evening.

MANAGUA, NICARAGUA, June 7.—The Nicaraguan government is sending troops to the Honduran frontier fearing that the revolutionists reported active there will cross the border.

DAYTON, OHIO, June 7.—A twisted mass of blackened wreckage, the army dirigible TC-4, was seen at the base of the dirigible today by at the base of a steel masonry tower at Wilbur Wright field.

DAWKINSVILLE, MISSISSIPPI, June 7.—A military board of investigation headed by Major Harold H. Strauss, McCook field, commander of the ill-fated C-3 which burned at San Antonio, Texas, last year, has been appointed to determine the cause of the accident.

SAVE IT WITH ICE

Pure Crystal Ice

Ice from our plant is made from water that grades very high in purity test as shown by an examination made in the past few days by the city chemist. Below is a copy of the report.

CITY OF WICHITA FALLS
May 31, 1923

Wichita Ice Co.,
City,
Gentlemen:

The samples of water taken from your plant on Thursday of last week were tested in the City Laboratory with the following results:

Sample No. 1 (Raw Water)
Total bacterial count per cubic centimeter 73
Gas from bacillus coli—48 hr. incubation None

Sample No. 2 (Distilled Water)
Total bacterial count per cubic centimeter 26
Gas from bacillus coli—48 hr. incubation None

The U. S. Public Health Service says that the total bacterial count should be below 100 per c. c. and there should be no gas from Bacillus Coli. Both of these samples meet these requirements.

Respectfully,
A. H. DOUGLAS,
City Chemist

The purity of the water as shown by this test shows that Pure Crystal Ice may be used in summer drinks and in the serving of food on your table. Our salesmen-drivers will make prompt and courteous delivery to your home of any quantity you desire in machine cut, accurate blocks.

OPEN FLOOD GATES AT STORAGE DAM AS SHARP RISE COMES

WATER REACHES 45 FOOT LEVEL WHEN OUTLETS ARE OPENED.

CONTINUES TO CLIMB FOR SEVERAL HOURS

Would Have Reached 50-Foot Level If Outlet Gates Had Not Been Opened.

Water would be approximately 45 feet deep in the storage lake—a rise of 13 feet within 18 days—if all that has flowed into the big tank had been allowed to remain.

The water reached a stage of 45 feet Wednesday, and two of the bronze gates were opened. They were still open Thursday and it was planned to continue releasing the water until it was down to the 40-foot level.

The water was released for several hours without lowering the level, owing to additional water from the head of the stream. The depth of the water had become such that

the operations of the bridge were hampered to some extent. No damage of any nature resulted from the rise, the outlet water being released at the diversion dam through the temporary spillway. At Wichita Falls Thursday the river's level was higher than for some months.

JOHNSON SPEAKER AT MEETING BURKBURNETT CHAMBER OF COMMERCE

BURKBURNETT, TEXAS, June 7. H. F. Johnson was the principal speaker at a meeting of the Burk Burnett chamber of commerce held last night at the Y. M. C. A. building. A banquet was served to those present consisting of practically every business man in the city. Superintendent White of the Fairview school was present and made an address on the value of the organization to both the city and the rural district. A number of teams were organized for the drive to secure new members for 1923 and they were very active in making the canvass Wednesday following the meeting. The budget covering the needs of the organization for the coming year was read at the meeting and the amount which will have to be raised was estimated to be not less than \$7,000.00.

SANGER.—This town in Denton county has ordered special election on July 1 to vote on the proposal of a \$50,000 bond issue for a new sewer system.

Prominent Citizen Signs Boys' Bird Pledge Honor Roll, With Sixteen "Other" Youngsters

A prominent citizen of Wichita Falls was one of the first to sign the Mr. Bralley's and The Times' Bird Pledge Wednesday. He asked that his name not be published. "I don't kill birds," he laughed, "but I'm going to help you with the boys."

However, sixteen "other" youngsters came in during the day and added themselves to the Bird Pledge Honor Roll, and are proud that they are among the class that respects the right of a song bird to live.

Most of them are boys who have not been among the "bird killing" class anyway, and simply want to register their protest to other boys who haven't "got straight" on the matter. But one little fellow may easily be representative of several others.

"I want to sign," he informed the first dignitary he met at the court house.

er out, and the first dignitary sensed that the last thing the youngster wanted to do was to cry. Mr. Bralley saw the tears, too, and his questions were brief. The boy's answers were brief, too, and he was game to the last. The words were perfectly steady, but two or three or four more tears came right straight out from wide-open eyes and trickled down his cheek. Mr. Bralley added his name to the list.

"Wouldn't you like to know what's behind them tears?"

"Son," said Mr. Bralley kindly, "when you know a muck about boys as I do, you'll be glad you don't always have to know what's behind their tears. Sometimes they can fight it out better by themselves."

The honor roll for Thursday follows: Moulton B. Harrison, Jack Miller Jr., Russell Feltz, Buster Williams, Jesse Hudson, Monroe Kitzberg, Carl Holder, Wilbur Ferguson, Mark Franklin, Carlton Cochran, George Little, William Adams, Lenley Stone.

"Bill Dollar" Talks to Physician Assuring Him That He Is a Friend; Joins In Singing Popular Melody

(Copyright, 1922, F. W. Mosart) "Well, Bill Dollar, I'm glad to see you," said a prominent Wichita Falls physician yesterday as this city's most famous worker came to visit him in the regular course of business. "I have heard a great deal about you and have been anxious to meet you, for you are doing a great work."

"I have no hesitancy about taking you by the hand for I am a good friend of yours. Every dollar I have has been made in Wichita Falls, and every dollar I spend is spent in Wichita Falls. That is why you are a welcome caller, and you may rest assured that I will help to keep you in our city."

"What you are here, Bill, I want to read you part of a letter that I received from a mail order house and my answer to them. If I were the only one who received a letter of this kind small harm would be done, but I feel sure that many others have received the same request. Maybe some of them have sent your brothers away to work for the other communities. The letter said in closing: 'If there is any reason why you do not buy from us, please give your reasons in the enclosed stamped envelope and we will strive to remove the cause.'"

"Now, Bill, here is what I wrote to those fellows. 'Your letter of recent date asking why I have not traded with you for a long time, received, and as you ask me to tell you frankly why, I will give you a few reasons. 'First, I am in business in this community and am looking to Wichita Falls with its varied resources for my support. I cannot ask the merchants of Wichita Falls for their support if I do not give them mine. 'Second, in looking over my books I fail to find the names of any members of your company, which reminds me that none of your officials have ever given me a penny of patronage. Why is this? Am I too far away or have some of you needed a physician, or are they afraid of the mail order plan when it comes to the practice of medicine? I can certainly give as good satisfaction by mail as your house can, and will appreciate a call from any member of your company when in need of medical services. 'Then, in looking over the lists for the improvement of our roads and local betterments, I have failed to find the names of any members of your company down to assist in putting our roads, needed improvements. Also, I fail to find your names as a contributor on our charities.'"

ity list where help is to be given to the needy. In fact, in all of the movements for the betterment of Wichita Falls where our community has needed the untiring efforts of her spirited citizens, I have failed to find your name among the list of contributing merchants. Your name is on the list, but you have not found where you have paid a city license to do a mercantile business in competition with our home merchants.

"That is why I have never given you any business, nor do I ever expect that I will."

"I've enjoyed your visit, 'Bill,'" said the doctor, "and would like to have you remain with me, but I want you to come and meet another good Wichita Falls merchant who wants to hear your story."

Soon "Bill" found himself in a drawer with a lot of other "Bills," and the one next to him said, "Why, Wichita Falls 'Bill,' you look as nice and clean as can be compared with my dirty look. It is evident that you don't travel as far east of town. I'm sick and tired of traveling from place to place, but I hope that I won't have to leave this city for I like it here."

"The man who spent me in this store said to the man who took me, 'Here's a Pittsburgh Bill, and I hope he'll never get back there again. I've looked all through your stores, and comparing quality and prices, you are far ahead of the stores in other sections of the country, and I am going to spend every dollar that I can right here in Wichita Falls.'"

"So," said Pittsburgh Bill to Wichita Falls Bill, "I expect to meet you quite often in the different places of business in this city. It seems to me that where people have such a wonderful city with such fine stores and reasonable prices that they never would want to spend their money in any other city."

"All of you Bill Dollars stand up while we sing one verse of that popular song, 'Boasting for Wichita Falls.'"

"Now let's all get together before out of town we try. For civility what we make it. And if we holler back there, it will keep other folks from coming here. And make it worse for you."

VANDALS DISMANTLE BARBOT'S PLANE AND HE ABANDONS FLIGHT

PAULSBORO, N. J., June 7 (AP)—George Barbot, French pilot of the "Silver" airplane, announced today that he had temporarily abandoned his flights in this country. Although his machine suffered little damage, vandals further dismantled the flying marvel Barbot had brought to this country.

The airplane met its accident yesterday when the motor stalled in the face of a strong gust of wind. Barbot lost control and before he could regain the "Silver" struck a tree and ended the experimental flight. Barbot surveyed the tiny craft and saw only the left wing had been damaged. Then he said he would take his "Silver" back to New York, make necessary repairs and continue his flights. The Frenchman had not counted on the work of vandals. The wings were cut and parts taken from the motor. After scrutinizing the work of the vandals he said he would no longer be able to use his craft.

HOWARD AND HANN ARE INDICTED FOR ALLEGED MURDER

BARSTOW, TEXAS, June 7 (AP)—F. W. Howard and W. E. Hann, who were arrested in Los Angeles six weeks ago after a four-year chase and returned to Texas, were indicted here yesterday for alleged murder and robbery with the killing of N. V. Dierckx, El Paso service car driver. The latter's body was buried in the sands of the desert. District court is in session and the two will likely be tried at this time.

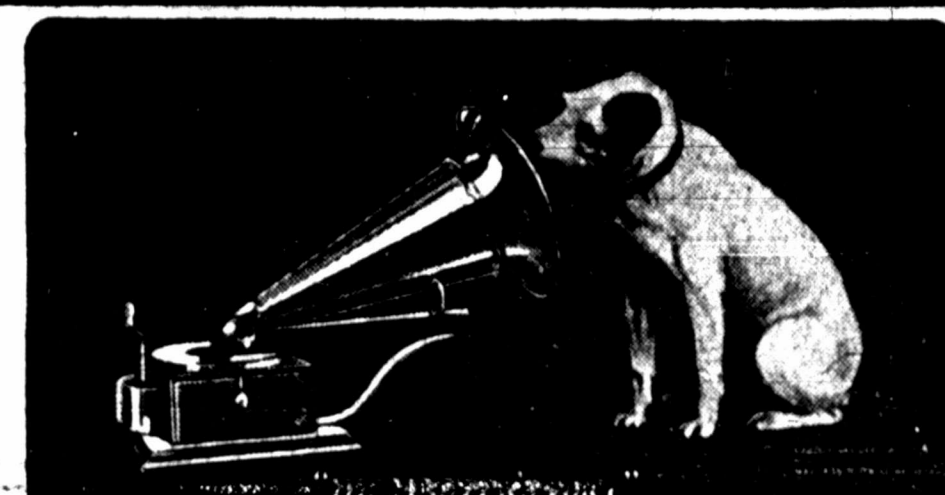

Judge Has Case Similar to That Before Solomon

CHICAGO, June 7 (AP)—A parallel to the case which King Solomon was called upon to decide faces a Chicago judge today. It precisely the same claim made by the two women before Solomon in Biblical times, the two women here say they gave birth to the same child.

The child, a girl five years old, who both call Leona, is being claimed by the mother of Mrs. Nicholas Leza, wife of a prosperous druggist, to prevent the other "mother" from taking her.

Mrs. Leza says she can furnish positive proof that the girl was born to her in Chicago. The other "mother," Mrs. Julia Waggoner, says she has a birth record certifying that the child was born to her in Poland and that she gave her to Mrs. Leza three months ago to keep for her during the child's life when she was unable to take care of the baby herself. Today Mrs. Waggoner plans to institute habeas corpus proceedings to have Leona brought into court and the case settled by legal authority. She has charged that the child's life has been threatened when she attempted to take her back. Mrs. Leza says she will never relinquish Leona. Mrs. Waggoner says she came to America four years ago. She told a pitiful story of the sudden death of her husband recently, how she was caught without funds and how she had been desperate, she permitted Leona to be taken to Mrs. Leza's home on the advice of her physician. Dr. DuVal, eye, ear, nose, throat. Glasses fitted, 815 Scott-ave.—adv.

Dry, Dull Hair Made Glossy and Beautiful By Olive Oil Shampoo

Tens of thousands of women now have beautiful hair that was once dry, full, brittle. They have learned that olive oil must be used in the shampoo to leave hair soft and gleaming. You can prove this on your own hair. For you can use a delightful olive oil shampoo cheaply, at home. Get a bottle of PALMOLIVE SHAMPOO at any drug or department store. Follow the simple directions. You will be more surprised than anyone at the rapid improvement in your hair. For this gentle shampoo brings the loveliest softness and sheen to your hair.

GIRLS! MAKE A LEMON CREAM TO BEAUTIFY SKIN

Mix the juice of two lemons with three ounces of Orchard White, which any drugist will supply for a few cents, shake well in a bottle, and you have a whole quarter-pint of the most wonderful skin softener and complexion beautifier. Massage this sweetly fragrant lemon cream into the face, neck, arms and hands, then shortly note the youthful beauty, softness and whiteness of your skin.
Famous star beauties use this harmless lemon cream to bring that velvety, clear, rosy-white complexion, free from freckles, sunburn and tan bluish because it doesn't irritate.

ASK YOUR NEIGHBOR

Women Tell Each Other How They Have Been Helped by Lydia E. Pinkham's Vegetable Compound

Perryburg, O.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pain in my back and legs, and I can't remember how long I suffered, but it was very bad. I was talking with a lady I met on a car, and I told her how I was suffering. She said she had been just like I was with pain and nervous troubles, and she said the Vegetable Compound, and she said she certainly recommended it for it is good. Whenever I see any woman who is sick I try to get her to take Lydia E. Pinkham's Vegetable Compound. —Mrs. ADA PIERCE, Route 3, Perryburg, Ohio.

It is nearly every neighborhood in every town and city in this country that the women who have been helped by Lydia E. Pinkham's Vegetable Compound are in the habit of talking to their neighbors and they also pleasure in passing the good word along to other women. —Mrs. L. E. PIERCE, Route 3, Perryburg, Ohio.

Not For Faces Only

While Palmolive was perfected for washing and beautifying faces, the smooth, creamy, profuse lather is the greatest of all luxuries. The modest price prevents this luxury from being an extravagance. At 10c a cake all can afford Palmolive for every toilet purpose.

Palma and Olive Oils — nothing else — give nature's green color in Palmolive Soap.

Palma and Olive Oils produce 25-cent quality for 10c

PALMOLIVE

What kind of songs have the greatest influence in the home, and what are the most effective for good or bad in the home education of children?

If you can write what you think to good purpose, you may win a big prize: a \$500 allowance on a piano, a \$500 on a phonograph, or one of ten smaller prizes.

They are being offered in connection with the national "Better Homes" contest through the cooperation of the Music Industries Chamber of Commerce, and anyone wishing to enter the contest, which is open to everybody without restriction, may get all the information from any local music store.

More about the contest follows: Anyone is eligible. The contestant writes out a statement, of not more than 50 words, setting forth his opinion as to the value of the contest to everybody without restriction, together with a list of 10 best selections for home music, in support of this statement. Terms of the contest can be learned at any music store.

James John Davis, secretary of labor and a member of the National Council of the "Better Homes" movement, said: "I would so develop music in the community that I would have a musical instrument of some kind in every child's home, and I would have every child taught to sing, play and know music."

The prizes for the contest have been offered through the cooperation of the Music Industries Chamber of Commerce. The first prize is a \$500 allowance on a piano; second prize, a \$200 allowance on a phonograph. There are ten smaller prizes.

Statements from all contestants must have been received by Home Music Contest, 223 Spring street, New York, N. Y., not later than July 1.

The committee on awards are the following: Mrs. John F. Lyons, president, National Federation of Music Clubs; Mrs. M. E. Oberlander, music chairman, General Federation of Women's Clubs; Kenneth A. Clark, bureau of community music, community service; C. M. Tremaine, director, National Bureau for the Advancement of Music.

Personal Mention

Will Strawa of Tonkawa, N. M., visited friends here en route home from Corsicana.

Mr. and Mrs. J. A. Raley have returned from attending the Golden Jubilee celebration at T. C. U. in Fort Worth.

Miss Walker Riddle, Mrs. H. D. Lewis, and Miss Iva Willis have returned from Denton, where they attended the Murray-Davis wedding. Miss WILSON DAVIS has been a member of the Austin faculty here for several years.

Mr. and Mrs. R. E. Shepherd have returned from Fort Worth where they attended the Christian church convention and the T. C. U. jubilee. Mrs. H. D. Lewis also attended the T. C. U. jubilee and commencement.

Mr. and Mrs. W. R. Stanford of Graham were in Wichita Falls Thursday.

Ell Willis is expected home today from State University at Austin.

Mrs. R. D. Sharpe has returned from a visit with relatives in Culbertson county.

Mrs. R. C. Hatchitt of Lockhart, Texas, is visiting Mr. and Mrs. Joe B. Hatchitt.

Mrs. C. H. Featherstone and daughter, Miss Mary Elizabeth, and Miss Laura Johnson left Wednesday for Los Angeles and other California points to spend the summer.

Miss Annabel Farguhar is in Nevada for a short visit with friends.

D. W. Wiley and son, Don, are expected home this week from

Rochester, Minn., where Don has been under the care of Mayo Bros. for some time. While there they had to amputate Don's leg, this being the second operation. The boy was hurt while playing ball at a junior high school. He very much improved since the operation, it is stated, and is expected to get along nicely.

Mrs. C. H. Reid and Mrs. I. O. Landon accompanied Mrs. G. W. Works home to Fort Worth and will remain over Sunday.

Miss Deane Hanley has returned from a visit with relatives in Tampa, Florida.

Miss Arlee Thomas, of Taylor, is the guest of her brother and sister, Mr. and Mrs. C. E. Thomas.

Miss Maxine Pope is visiting Miss Deulah Ladd, in Vernon, for a few days. She is expected home this week.

Mr. and Mrs. A. Zundelwitz are leaving this week for Los Angeles for the summer.

D. W. Wiley Jr., son of Mr. and Mrs. D. W. Wiley is at home from Kemper Military School where he graduated this year with honors.

Mr. and Mrs. Arthur Nash left Wednesday for an overland trip to Joplin, Mo., where they will attend old home week, which begins there Sunday.

Mr. and Mrs. Carol Reid Pope came in Monday from Norman, Ok., where they finished the term's college work recently. They are visiting Mr. and Mrs. J. Pat Pope for a few days. Mr. Pope expecting to leave within a day or two for Oklahoma, where Mrs. Pope will join him later.

Women Tell Each Other How They Have Been Helped by Lydia E. Pinkham's Vegetable Compound

Perryburg, O.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pain in my back and legs, and I can't remember how long I suffered, but it was very bad. I was talking with a lady I met on a car, and I told her how I was suffering. She said she had been just like I was with pain and nervous troubles, and she said the Vegetable Compound, and she said she certainly recommended it for it is good. Whenever I see any woman who is sick I try to get her to take Lydia E. Pinkham's Vegetable Compound. —Mrs. ADA PIERCE, Route 3, Perryburg, Ohio.

It is nearly every neighborhood in every town and city in this country that the women who have been helped by Lydia E. Pinkham's Vegetable Compound are in the habit of talking to their neighbors and they also pleasure in passing the good word along to other women. —Mrs. L. E. PIERCE, Route 3, Perryburg, Ohio.

Charlie Items

Much rain has fallen in the Charlie county the past few days. Heavy winds and severe electrical storms accompanied the rains. The weather is still cloudy and unsettled.

Crops are looking fine, but on account of so much rain and the scarcity of farm labor farmers are behind with their work.

Baseball. The Charlie baseball team played against the South Methodist team of Wichita Falls Sunday afternoon. The Charlie boys won the game, the score being 3 to 4 in their favor.

Minutrel Show. A negro minstrel show was given at the Methodist church Saturday night by some of the boys of Thornberry. The fun-loving audience was very delightfully entertained.

Party Monday Night. Honoring Miss Mary Tinney and Miss Lorraine Pitts of Floradale and Miss George Pitts of Birmingham, Ala., Mr. and Mrs. C. E. Gannell entertained by giving a party at their home Monday night. The evening was made enjoyable with music and games.

Personal Mention. C. L. Wolf went to Wichita Falls Monday.

Mrs. J. C. Luttrell visited Mrs. Winningham Sunday afternoon.

E. P. Hains and children went to Wichita Falls Sunday to visit Mrs. Hains, who was taken there for treatment a few days ago.

Mrs. Frank Bevering and little daughter, Aileen, of Hearstette, who have been the guests of relatives here the past few days, have returned home.

W. W. Barger and family went to Petrolia Sunday afternoon.

Mrs. Raugh and children of Ranger, who visited relatives here last Sunday, have returned home.

William McCameron and family of Thornberry visited relatives here Sunday.

The Tangle

Do I have to ask you, Leslie, the flared, "when I shall send a few flowers to a friend who is very ill it is my money and my friend, you know?"

"Not at all, not at all, Jack, but neither must you find fault with me as you did a moment ago because I paid back my numerous obligations to friends who had entertained me since my marriage with a few luncheons."

"But almost 60. Leslie! Couldn't you have them to tea or something cheaper?"

"I almost did, did not read the bill carefully, Jack, or you would have seen that I did give seven teas and only four luncheons. I gave as modest luncheons as I could possibly do and the hotel took 10 per cent off the bill. If you will look at the florist bill again, I think you will find that any one of my luncheons did not cost as much as your 116 basket of flowers."

"I am not in the habit, Leslie, of having my expenditures criticized."

"Neither am I, Jack."

"Well, why don't you go somewhere else? I am quite sure that the hotel is the most expensive place in town."

"Simply because I haven't any money and there is no other place in town where I can sign the check and put the tip for the waiter on the bill."

Jack deliberately took his bill book out of his pocket and, with a cold gray expression on his face and a look that was pretty grim, said, "Allow me," and handed me \$10.

"Beg pardon, do you mean this for the bill? I use it to pay your florist bill that came this morning?"

"—D— was Jack's only answer as he put on his coat and hat and banged the front door.

IRISHLAND CELEBRATES

Miss Mattie May Ireland gave her baby sister, Agnes, a surprise birthday party Wednesday afternoon in celebration of her eighth birthday, at the home on Mississippi avenue. The little girls played about 30 minutes, when bright colored lollipops were distributed, after which they played a while longer and were then permitted to take their chance with a grand bag, from which each selected a pretty gift. Later they all marched into the dining room where the birthday cake centered the table. The little hostess had arranged the cake very prettily, with eight tiny yellow candles around the edge to represent the coming year, and seven tiny red ones in the center for the year past. When they were blown out with good wishes for the honoree the cake was served with fruit punch to the following: Violet King, Lenate Breadthour, Melba Baumgartner, Bartine and Arline Crook, Amelia Klein, Lenate Hunt, Le Patra Duncan, Ray King, Marcell Hays, Jewel Dean Pharris, Cleo Shipley, Cinderella Glenn, Laura Lou Hoyas and Opal Gattin.

Child-birth

Here is a wonderful message to all expectant mothers!

When the Little One arrives, you can have that moment more free from suffering than you have ever known. The Little One's Mother's Friend is a wonderful medicine, and it is the only one that is safe for both mother and child. It is the only one that is safe for both mother and child. It is the only one that is safe for both mother and child.

FOUR PE NUMBER RESULT

LARGEST FEASIBLE CONTRIBUTION SAYS HARDING OF COURT

BEST THING UNITED STATES CAN DO TO STABILIZE CIVILIZATION.

NOTHING SURRENDERED DECLARES PRESIDENT

Replies to Communication From Bishop Thomas F. Gallor, Of Tennessee.

WASHINGTON, June 7. (AP)—President Harding declared in a letter made public here today, that by accepting membership in the world court the United States "may make its largest feasible contribution to the stabilization of civilization while at the same time surrendering nothing of the advantages and independence" now enjoyed by the American people.

The president's letter was addressed to Bishop Thomas F. Gallor of Tennessee, head of the National Council of the Protestant Episcopal Church, who had written to assure the president that there were many thousands of members who deem it a matter of honor that in some way the American nation should contribute its influence to rehabilitate the countries of Europe.

"You know we are all human enough to have the feeling that the man who agrees with us in the broad minded and really intelligent person," the president wrote in reply. "Not many days ago I made the observation to a president of the United States, and yet adhere to the idea that it was possible for our country to maintain an attitude of isolation and aloofness in the world."

"It is my concern first that there shall be an effective recognition of this fact and that those who because of their positions are earliest compelled to realize this situation, may be assured the understanding and sympathetic support of the great intelligent public opinion of our country."

FOUR PERSONS DEAD, NUMBER INJURED AS RESULT HEAT WAVE

CHICAGO, June 7. (AP)—Lightning killed four persons and possibly a fifth, a number were injured and two deaths were attributed indirectly to the heat wave which preceded violent thunder, electric and rain storms in widely separated parts of the country yesterday.

Near Newton Falls, Ohio, Nicholas Cavolich was killed when lightning set fire to his barn. His wife, who was in the building with him at the time, has not been found. William Maxwell, a lineman, was struck by a bolt and died instantly at Coshocton, Ohio. Two of his fellow workmen were injured.

Two farmers were killed by lightning near Muskogee, Oklahoma, and the other at Burlington, Kan. Heat prostrations in New York and other parts of the country were numerous. At Cleveland a woman fainted and fell out a second story window to her death.

WACO NEWSPAPER MAN TAKES MANAGEMENT OF FORD TEXAS CAMPAIGN

WACO, June 7. (AP)—Clyde Essex, Waco newspaper man, announced today that he has taken over active management of a campaign in Texas for Henry Ford for president.

Essex, according to his statement is the man who formed the American can party with a cash capital of \$2 cents, the party rolling over 100,000 votes. He expects, with ample financial backing and the Ford organization to instruct the delegates to vote for the Detroit manufacturer.

A active campaign will begin in two months, declares Mr. Essex, with headquarters in Fort Worth and Waco.

Crete Is Relieved Of Famous Bandit By American Girl

ATHENS, June 7. (AP)—Thanks to an American girl—Miss Margaret Robinson of Grand Rapids—Crete has been relieved of the presence of the famous Greek bandit Barbounis, who has terrorized the island for 15 years. Every kind of crime and outrage has been attributed to this outlaw and his 30 followers and repeated efforts to capture the band have resulted disastrously for the islanders.

When Miss Robinson, a graduate of Mt. Holyoke College, arrived two months ago as the representative of the near east, she found that Barbounis was interfering with the distribution of refugees among the villages. She kept an eye on the famous outlaw to ask whether he would abandon his tactics if she arranged amnesty for him, and suggested that he ask the Athens government for permission to join the army on the Turkish frontier.

HIT BY PITCHED BALL ST. LOUIS YOUTH DIES

ST. LOUIS, MO., June 7. (AP)—The Arlington won their ball game from the Mount Pleasant yesterday afternoon, 1 to 1, but it cost the life of Charles Olsander, 14 years old, second baseman for the victors.

The teams were playing an elimination game in the public school grounds in the fifth inning, when Olsander was hit by a pitched ball in the head with a pitched ball. He died several hours later at a hospital from a fractured skull.

SCRAP HEAP MADE OF FARMER-LABOR OFFICIAL MACHINE

POLITICAL ORGANIZATION IS DISCARDED BY GOVERNOR WALTON.

PLANS TO COOPERATE WITH RANK AND FILE

Says Every Farmer and Union Laborer Will Have Voice and Vote in Movement.

OKLAHOMA CITY, OKLA., June 7. (AP)—The farmer-labor reconstruction league of Oklahoma, whose banner was carried to an overwhelming victory in last year's state elections, lay in the scrap heap today, discarded by Governor J. C. Walton for a farm-labor medium of his own devising.

Looking ahead for new fields of political conquest for the farmer and labor elements of the state the governor yesterday junked the old machine. And in its stead he constructed a new means for contact with the rank and file who elected him.

In turning away from the leaders of the reconstruction league, who since the inception of the organization two years ago have put themselves forward as the spokesmen of the farmer-labor groups, Governor Walton summoned a conference of the executives of the leading farmer and union labor organizations, whom he declared were the democratically elected and "authorized" representatives of the individual farmers and workers of Oklahoma.

Meeting June 18, the governor will meet the executives at the capitol on June 18 to discuss plans for political action. Pointing out that heretofore the

SEARCH FOR KING BENJAMIN IS ON; CHARGE ASSAULT

ST. JOSEPH, MICH., June 7. (AP)—The search for "King" Benjamin Farnell is on in earnest.

Armed with a warrant charging the missing House of David leader with a statutory offense against a 16-year-old girl, the Berrien county sheriff's office raided Farnell's residence at the Benton Harbor colony and failing to find him there, extended the search to other places in and out of the state where it is believed Farnell may have sought refuge.

Clara Baumford Rubel, former member of the cult and inmate of Shiloh made the complaint on which the warrant was issued by Circuit Judge Charles E. White. She charges a series of assaults by Farnell over a period of three years, the first, when she was 13 years old. The charges are brought within the statute of limitations by an alleged assault in October, 1919.

UTILIZERS AND TOLLERS OF OKLAHOMA HAVE BEEN ONLY PARTY ORGANIZED

Back of the executive's move was a struggle between the two opposing groups in his advisory family. Leaders of the reconstruction league have tied for the governor's ear with others who have warned against the council of the leagues. And, too, discussion has been evident in the farm-labor ranks several prominent union and farmer chiefs objecting to the policies of those officers in power in the reconstruction league.

GAS COMPANY PLANS 50-CENT CHARGE IN ADDITION TO METER

WANTS TO COLLECT "READY TO SERVE" RATE OF HALF DOLLAR A MONTH.

CITIES AFFECTED ARE PLANNING TO CONTEST

Would Cost \$40,000 Annually Here, It is Estimated; Officials Attend Meeting.

Burton Stoyan and E. M. Mann returned Wednesday night from Dallas where they represented the city at a called session of the League of Texas Municipalities. The meeting was one of a series that is being held to discuss the natural gas situation of towns being served by the Municipal Gas Company.

"If the gas company is successful in the plan to enforce the 'ready-to-serve' charge and increase their rate in Wichita Falls along with four other north Texas cities, it will mean an increase of approximately \$40,000 a year in the cost of natural gas here," Burton Stoyan, commissioner of public utilities, said Thursday morning in discussing the meeting.

C. E. McKinney, president of the Municipal Gas Company announced at the meeting Wednesday that on September 1, the date when the present contract expires, that his company would ask for a 50 cent "ready-to-serve" charge. In his talk Mr. McKinney gave the following report as an example of one of the least desirable investments of his company and stated that his report showed that the cost of gas here is \$10.00 here during the year 1932.

Twelve representatives of the cities interested in the controversy held an executive session following the meeting and perfected a permanent organization. Plans for combating the proposed increase were made at the meeting. Commissioner Stoyan and City Attorney Mann will give a detailed report of the session at the meeting of the city council Monday. It is expected that this city will join with the other municipalities in an effort to hold the present contract.

2 OF GRANDSTAND BOXES ARE TAKEN THURSDAY MORNING

Two of the 300 grandstand boxes which will be rented for the 1932 and 1934 seasons for \$100, were taken early Thursday morning by E. Verschoyle of the Texas-Oklahoma fair announced.

E. A. Gray Jr. and E. J. Bean were the first to reserve their boxes. The \$10,000 which it is expected to realize from the sale of boxes will be used to finance the grandstand. The boxes will have six seats each.

It is expected to dispose of the boxes within a short time, and a systematic campaign will be waged.

HALF MILLION TO BE ADDED TO TAX ROLL BY CHECKING

It is estimated that the tax rolls of the county will have added to them approximately a half million dollars in valuations as a result of the check which is being made by the county tax assessor on automobiles in the county.

If the present average continues the number of automobiles which were not reported for taxation will approach the 4,000 mark. There are more than 12,000 automobiles in the county which will make the average of those unreported about 30 per cent.

WORKER INJURED BY FALLING GLASS AT WINDOW PLANT

H. De Halle, 1207 Grant, a glass worker in the Wichita Window Glass Factory was painfully injured Thursday morning when he was struck by a falling glass while he was at work in the factory.

He was rushed to General Hospital for medical attention. He is suffering from severe cuts about the head and body but his condition is not considered serious.

Frighten Parrot Soloist
SHERMAN—Quondola, parrot soloist of the Sherman municipal band, was frightened from a part of his number on the program of the first open concert of the season. While the bird was carrying his share of a popular song, the audience became interested and rushed to the platform. The bird became scared and stopped his singing.

CHAMBERLAIN'S COLIC AND DIARRHOEA REMEDY

Taken in a little sweetened water. Never fails.

Just Apply This Paste and the Hair Will Vanish

(Beauty Secret)
The tedious use of a detacher that injures any woman's hair, is a thing of the past. The new hair remover, which is a little of the powdered Chamberlain's, with some water, then applied to the hair, will remove it in five or three minutes. When the hair is removed, every trace of hair will be gone. It is a true hair remover. It is not a depilatory. It does not attack the skin. It is the most sensitive skin, but it gives results, so that you get real beauty.

WASHOUT DELAYS 5 TRAINS ON DENVER, SANDSTORM HERE

The southbound Fort Worth and Denver train due here at 3:35 p. m. was reported indefinitely delayed Thursday afternoon as a result of a damaged bridge over the Canadian river in the Amarillo district. The storm which swept the territory north and east of the city was also responsible for damaged bridge on the Northwestern line near Leedy, Oklahoma.

A little before noon a black cloud gathered north and east of here. When it crossed the river the populace of Wichita Falls witnessed a mass of red sand bearing down upon the city. During the few minutes that the storm existed it was impossible to see objects two blocks away.

Soon the clouds began to break, and a driving rain fell for a short time. The storm, for a while, looked threatening, but by 5 o'clock Thursday afternoon the clouds had entirely cleared away, and the sun shone as bright as ever.

\$2,000,000 DROP IN CITY VALUATIONS IS NOW INDICATED

EQUALIZATION BOARD COMPLETES ITS WORK LATE WEDNESDAY

WILL MEET JUNE 21 TO HEAR PROTESTS

Values Expected to Be Above \$22,000,000 As Compared With \$24,000,000 in 1932.

Indications are that the city will lose approximately \$2,000,000 in tax valuations for 1933 taxes as compared with 1932. This report followed the final session of the board of equalization when it completed work Wednesday night. The board adjourned until June 21 when it will hear complaints from property owners.

In 1932 the city tax roll amounted to approximately \$24,000,000 and the tax rate was 1.55. While an exact estimate could not be made Wednesday morning, it is believed that valuations for the current year will run slightly above \$22,000,000. According to figures compiled in the office of the city clerk, with a valuation of \$22,000,000 a tax rate of

\$1.47 or \$1.50 will be possible. Valuations have absolutely reached the rock bottom, according to city officials; the loss this year represents the final reduction of values which were inflated during the boom. With values at this figure, it will be necessary to collect at least 50 per cent of the total assessments in order to keep the city out of financial straits. It is said in recent years only about 50 per cent of the taxes have been collected without suit.

MAY SURVIVE DOSE OF POISON TAKEN AFTER QUARREL

Mrs. Jackie Bowman who was taken to General Hospital Wednesday afternoon suffering from an overdose of a solution of bichloride of mercury, is reported by physicians to be somewhat improved and some hope is held for her recovery.

Mrs. Bowman was picked up on the street late Wednesday afternoon in a dazed condition. She was taken to the city hall and became violently ill while she was being questioned by officers. Upon close questioning she admitted that she had taken poison and told officers where the evidence would be found. She was taken immediately to General Hospital, where she has been in a serious condition since that time. An examination of her room and

effects at the Coleman hotel revealed a note written to a local man in which she spoke in the most alarming terms of her association with the man. "I cannot stay here any longer knowing that I have got a friend on my back," the note said. Near the note, on a dressing table was found a bottle of bichloride of mercury tablets and a half glass of bichloride of mercury solution. A tin on the glass led officers to believe that about one-quarter glass of the solution had been drunk. The woman told officers that two tablets had been dissolved in the glass of cocaine.

According to hotel authorities the woman registered here two days ago with her address as "city." She told officers that her home was in Fort Worth and that her mother lived in Dallas. A telegram was sent her mother at the address contained in the note.

The man to whom the note was addressed told officers that he had quarreled with the woman Wednesday but did not realize that she had taken their trouble so seriously. He called at the hospital Wednesday night to see her.

DEATHS

Mrs. G. A. Richards, aged 63, died at the home of her son, T. A. Richards, 405 Lamar street, at 2 p. m. Wednesday. Funeral services were held from the Methodist church at 10 o'clock Thursday morning.

Mrs. G. A. Richards, aged 63, died at the home of her son, T. A. Richards, 405 Lamar street, at 2 p. m. Wednesday. Funeral services were held from the Methodist church at 10 o'clock Thursday morning. The body was forwarded to Sulphur Springs by Merkle-Lynn Undertaking Company for burial.

son, T. A. Richards and four daughters, Mrs. E. W. Shaw, Mrs. J. M. Hooper, and Mrs. W. M. White, of this city, and Mrs. G. A. Bargin of Sulphur Springs.

Inspect Livestock
MCKINNEY—Collin county livestock men have just made an inspection tour of the county as guests of the Collin county livestock association. Problems of livestock raising were considered.

HEAL SKIN DISEASES

Buck's Gas Electric Ranges

COOKS WHILE YOU PLAY

COOKS WHILE YOU PLAY

THE RANGE WHICH TAKES THE LABOR OUT OF COOKING

No range ever devised by man's ingenuity has done so much towards eliminating the drudgery incident to the preparation of daily food than the Buck's Electric.

SOME POINTS OF SUPERIORITY

1. Tested 10 years, yet absolutely new.
2. Requires no wiring, just attach at lamp socket.
3. Perfectly automatic. Starts your cooking by the clock.
4. Costs no more than one stove, yet gives service of two.
5. Compact, fits small or large kitchens.
6. Eliminates heat in hot weather.
7. Food cannot shrink, scorch or burn.
8. Five years ahead of any other stove.

Mr. Orebaugh, Buck's factory representative is now demonstrating these wonderful Gas Electric Ranges in our west front window. Call this week and see the food while it is cooking.

WHICH IS YOUR CREDIT RATING?

No matter how much credit business you do, you are sure to have a credit rating. Your Credit Rating is the result of your own actions so govern your actions so that your credit rating will be good.

GOOD

The persons who have good credit ratings mail their checks early so that their bills are paid promptly. They usually have a bank account and keep books on it so that no checks are ever sent back. They watch their charges and if they know they will not be able to take care of their bills when due they reduce the number of their purchases in accordance. They are the people who get credit when they ask for it. They are the people who feel good when the merchant says O. K. on the charge. Your financial status is by no means your credit rating, as the laboring man who pays his bills promptly has a better credit rating than the man who lives in the fine home and owns large automobiles, but does not pay his bills promptly. They are the people that get help when their opportunity comes and need money for its realization.

BAD

The persons who wait until the last minute to mail their checks for bills that are overdue, and then in many instances those checks are returned, are bound to have bad Credit Ratings. It is so easy to buy on credit that their account becomes so large in such a short space of time that they are unable to take care of it, they stop trading with that particular merchant and make an attempt to open an account at another store. They find this impossible for their rating from the first store has been mailed to every member of the Retail Merchants Association and they are rated delinquent. Many people who have abused their credit have been refused money when an opportunity presented itself simply because of that bad Credit Rating. Talk to yourself, you know whether you are abusing the merchant who trusts you with his merchandise.

TEXAS COMPANY'S WELL IN SWASTIKA FIELD SHOWING UP

MORGAN, TEXAS, June 7.—The Texas Company will have an excellent well in the Swastika field, according to all who saw the rich core taken Wednesday morning. The sand was found at a depth of 1,380 feet and was drilled into two feet. Cable tools will be installed before the well is brought in. Locations in less than 400 yards north of the discovery well and in its offset to Richardson No. 1 of the American Refining Company, where cable tools are being rigged up on a short derrick.

The Swastika Oil Syndicate has spudded in its offset well to give for these of the American Refining Company and the Texas Company. Hobbs and Barclay of Wichita Falls are drilling today and the core which will offset the wells of the Eagle Creek Oil Company and the Shamrock Oil Company.

Clark and others are rigging up their second derrick just south of Richardson No. 2-A. The Shamrock Oil Company has spudded in its Richardson No. 1, 400 yards southeast of the discovery well and has a derrick completed for a second well east of the one now drilling.

Richardson No. 2-A is now on the edge of the field. The location is in the southwest corner of block 2, 49, T. 8 N. & L. survey, is the most interesting test going down in southwest Archer county. It is likely to occupy a prominent position in oil news from Archer county. The contract is in the hands of the Jinks Drilling Company.

PANHANDLE-ROCK ISLAND INSTITUTE AT AMARILLO

AMARILLO, June 7.—Several officials of the Rock Island railway were here today at the opening of the Panhandle-Rock Island line's agricultural and community life institute which will carry out a three-day program, closing Saturday night with the crowning of the "Panhandle Beauty Queen." A feature of the institute is the opening of the "Beauty Contest" which will give a banquet with farmers as their guests. The institute is one of a series being held along the Rock Island line.

Take Calotabs for the liver. Beware of imitations. Demand the genuine in 10c and 25c packages bearing above trade mark.

CORNS Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freeson" on an aching corn, instantly that corn's stony hurting then shortly you lift it right off with fingers. Try it! Your druggist sells a tiny bottle of "Freeson" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, with the utmost without soreness or irritation.—Adv.

WICHITAN ELECTED ONE OF VICE PRESIDENTS OF AUTOMOBILE ASSOCIATION

C. H. VERESCHOYLE

C. H. Vereschoyle has received notice of his election as one of the vice-presidents of the American Automobile Association. The election was held at the twenty-first annual convention of the association held recently at a hotel in New York City. Mr. Vereschoyle enjoys the distinction of being the only Texas man elected to an office in the association.

DELMAR TEST 3 MILES NORTH OF ARCHER CITY DRILLING AT 870 FEET

The Delmar Oil Company's No. 5, block 11, H. Coraine survey, is drilling at 870 feet, and expects to drill into the sand at 1,015 feet. Much acreage has been acquired in the Delmar field recently. The well is three miles north of Archer City. Flowers Brothers' test on block 14, Jefferson County School lands survey, is drilling at 1,275 feet. The sand encountered at 1,170 feet proved unproductive.

AMERICAN SMITH NO. 1 IS FISHING AT 2,000 FEET

McLEAN, TEXAS, June 7.—The Smith No. 1 of the American Oil & Refining Company, located one mile north of the city of Alameda, which was abandoned several months ago, is now being drilled and cleaned. All formations of the well are proving most favorable. A showing of oil was encountered at a depth of 1,760 feet. The test will be drilled to 2,000 feet.

PONY EXPRESS RIDER OF PIONEER DAYS IS DEAD

MIDLAND, June 7.—John S. Hyatt, one of the last pony express riders of pioneer days, was buried here today. He died yesterday, 84 years of age.

DON CHANDLER KILLED, C. G. CUMMINGS HELD

NEWPHILL, TEXAS, June 7.—Don Chandler, 70, an employee of the Maund Lumber Company, was shot to death here yesterday and C. G. Cummings, another employee of the company, surrendered to Sheriff E. W. Nations immediately following the killing. Cummings is being held in jail here. It is understood that two loads of buckshot took effect in Chandler's breast and that death was instantaneous.

EMPEROR SIMMONS OF KNIGHTS KAMELIA TO SPEAK AT BEAUMONT

BEAUMONT, June 7.—Emperor William Joseph Simmons of the Ku Klux Klan, who was to have addressed Klansmen here tonight, is reported to have been delayed and will speak to the local Klan on June 22. It is announced National Chapter 1,000, which has been in conference with local Klansmen here today, Emperor Simmons proposed visit here to be in connection with organization of the Kamekia in this city.

Harold Mackebey returned Thursday from College Station, Texas, where he has been attending A. and M. College as a freshman for the past term.

Mrs. R. T. Holman left Thursday for Dallas where she was called to the bedside of her mother.

City Health Officials Urge Vigorous Fight to Destroy Fly, Menace Increased By Rains

Dr. Arden W. Douglas, city health officer, announced Thursday that his department would at once start the summer campaign against the house fly. Every effort will be made by the department to eliminate filth, garbage, and decaying vegetation which furnish breeding places for the fly.

In appealing to citizens to aid in the campaign to reduce the fly nuisance, Dr. Douglas said: "The recent rains followed by the hot weather have created conditions very favorable for the breeding of flies. Every pile of filth, garbage or decaying vegetation, where fly eggs are commonly deposited, now contains sufficient moisture, when together with the heat, to insure the hatching of the larvae."

To destroy the larvae, all such possible breeding places immediately means countless millions fewer flies during the summer months, and a valuable protection to the health of the public from fly-borne diseases.

Everything possible should be done about one's premises to prevent fly breeding. Garbage should be kept in a fly tight container, manure from the cow lot should be placed in a fly tight box or sprinkled with lime until it can be removed; piles of grass or weeds should not be allowed to decay; tin cans should be kept clean and dry.

Viron Norris, a graduate of the local high school, returned Wednesday night from A. and M. College at College Station, Texas, where he has been attending school.

Casey Poole is the guest of his brother, Guy Poole, of the Tethona country for a few days, having returned from Denton where he has been attending school.

MANUEL MARTINEZ WILL BE SENTENCED TO HANG

NOGALER, ARIZ., June 7.—Manuel Martinez, saved from the gallows May 25 by a writ of habeas corpus, was resented today by Superior Judge Marsteller to hang Friday, August 15, for the murder of Postmaster J. Frank Pearson, slain in the Ruby bandit raid in August, 1921. The state supreme court in an opinion handed down last Saturday quashed the writ of habeas corpus and ordered Martinez brought back to the gallows.

1402 SCOTT AVENUE PHONE 5674-5725

3 COMPLETIONS AT ELECTRA THURSDAY, ONE WIDENS FIELD

Kruger & Pelt of this city have brought in a nice well on their lease in section 12 Waggoner lands, south of Electra, for probably 150 barrels from the 1700 foot pay. The well shows a slight extension to the 1700 foot sand to the horizon. Mansfield and associates, located in section 12 Burnett land, Electra, completed their No. 13 well for 49 barrels from the 1500 foot pay. The Empire Fuel & Gas Company is preparing to drill in and complete No. 4 Waggoner in the 1500 foot pay. From present indications it will make one of the best wells drilled in this section. The hole is bracing full of fluid.

YOU'LL WIN THE FIGHT AGAINST CONSTIPATION WITH KELLOGG'S BRAN!

It is wonderful proof for every constipation sufferer to know that Kellogg's Bran guarantees permanent relief if it is eaten regularly—because it is ALL BRAN! Two tablespoons each day; as much with each meal in chronic cases—taken consistently—will work health wonders, driving out toxic poisons, freeing affected organs and allowing nature to eliminate the waste in its own way!

Think what this means to health when you know that constipation is responsible for a large majority of the most dreaded human ailments; that, in milder form, it is responsible for sick headaches, biliousness, nausea, sour breath, pimples, etc.

Get a package of Kellogg's Bran today and fight against constipation and what it leads to. Free your family from its ravages; free yourself from its grip! Within a week you will be surprised at the improvement.

Kellogg's Bran is not only a permanent relief from constipation, but it is a health food, containing mineral salts as well as other vital food elements that are a necessity to human life.

But Kellogg's Bran as a cereal, or sprinkled on or mix it with either hot or cold cereals because it is ready to eat. It is delicious cooked with hot cereals. And, you have missed much if you do not know the delights of bran muffins, bran raisin bread, bran bread, etc.

Leading hotels, clubs and restaurants serve Kellogg's Bran in individual packages. All grocers sell Kellogg's Bran.

MANY CUSTOMERS PATRONIZE CITY'S SWIMMING PLACE

Patronage at the municipal club house swimming pool is increasing daily, according to Chas. Busenberg, city park superintendent. The pool was opened to the public Sunday and a large crowd of bathers took advantage of the opening day. Patronage has increased steadily during the week. Mr. Busenberg said: "The pool will be kept clean, the water will be changed often and only the better class of patronage will be catered to, according to the announcement."

MANUEL MARTINEZ WILL BE SENTENCED TO HANG
