ACCIDENTS NOTED

Blizzard Brings First '71 Moisture

You should never make definite plans on weekends in the Texas Panhandle.

That we submit as the moral from last weekend's blizzard, which turned things topsy-turvy, stranding some Friona folks in Amarillo and Lubbock, and leaving some visitors from out-of-town stranded here.

Our friend and former Star editor Dave McReynolds, now publisher for the StarStar, found himself stranded here on Sunday. He finally got off to Stratford at noon Monday, faced with the prospects of burning some midnight oil in order to make his deadlines this week.

The people who used the blizzard to good advantage were the Pollett girls basketball team. The team had edged Meadow for the class B regional title, and then were stranded in Lubbock over the weekend.

Finally, on Tuesday, and still in Lubbock, the team decided to head for Austin and the state tournament, rather than worry about getting back home.

It was hard to believe that the weather could change from such a beautiful day on Friday to the blizzard-type weather we had by Saturday night.

However, Bob Rietmayer turned weatherman on Friday at the junior livestock show, and said he fully expected it to happen.

During Friday's "heat wave," Bob told us "I've been connected with the steer judging for nine years, and we haven't had a decent day for the show yet." At the time, we couldn't see how things could change so drastically, but we're here to report that Bob, just like the Lazbuddie showmen, still has his record intact.

Our congratulations to everyone who had anything to do with the livestock show. It was one of the best we've had. The buyers are to be commended, for coming in spite of the chilly weather.

O. F. Lange showed us a clipping this week that told how a jar was discovered in a brick column at a lumberyard in Llano, which was placed there 42 years earlier by his father, B. Lange, the lumberyard manager.

The jar contained several interesting items, including the notation that Lange had been manager of the yard since 1891, and was 68 at the time the jar was placed in the brick column (in 1929).

A company magazine contained an example of humor for that era, and we thought it worthy of repeating:

"Once heard a mother utter, 'Daughter, go and shut the shutter.' 'Shutter's shut,' the daughter uttered. 'I can't shut it any further.'"
 "The quick brown fox jumped over the lazy dog's back."

It isn't a very profound statement, but it has its uses.

Within a single sentence of no great length, it contains every letter of the alphabet. To spell it out on the typewriter or teleprinter permits a fast check on the condition of all the characters.

But there's a new one making the rounds: "A quick movement of the enemy would jeopardize gunboats."

Ah, how times change! One must put aside simple pastoral things and become martial, even in testing a machine. (From the Chattanooga Times).

Interest Sought In ACS Chapter

A meeting to organize a Farmer County chapter of the American Cancer Society will be held on Monday, March 1 at 7:30 p.m. in the meeting room at the old bank building.

A. L. (Jake) Outland is in charge of the meeting, and he urges everyone interested in the American Cancer Society to attend the meeting.

Dan Harris, who is field representative for the ACS, from Lubbock, will speak to those attending, and assist them in setting up a county chapter.

The ACS has estimated that 15,800 people will die in Texas alone this year from cancer.

By midweek, just the larger chunks of ice were left as reminders of the area's snowstorm and blizzard of Saturday night and Sunday, which had things at a virtual standstill for some 36 hours.

Through traffic was halted from midnight on Saturday until about noon Monday, following the biggest snowfall of the year, and what was called the worst blizzard in seven years. Actually, as far as stranding people, the blizzard wasn't as bad as the late blow received last March. However, this one hung on much longer than the one in 1970, which struck suddenly and stranded motorists all over the Panhandle.

LARGE SNOWMAN. . . Wayne Wallace, Yale Canfield and Billy Gipsen built this giant snowman at 507 Woodland on Monday. The trio said that the hardest part was digging the hole for the snowman's body, which apparently is beneath the surface.

Mills sustained several broken bones and lacerations from the wreck. He was brought to Farmer County Community Hospital. An attempt to transfer Mills to Amarillo succeeded only as far as Hereford on Sunday, due to the blizzard conditions and covered highway.

On Monday, Mills was picked up by helicopter in Hereford, and taken to Amarillo, where he was in critical condition at press time.

In another accident, a truck driven by Aubrey Knox of San Gabriel, Calif., struck and killed six cattle on the Running Water Draw bridge near Bovina.

Santa Fe Railway officials said that an estimated 200 cattle had been killed between Canyon and Clovis by Santa Fe trains, as the cattle wandered onto the railroad seeking high ground.

Some 70 cattle apparently suffocated during the storm on the Doug Frye place southeast of Friona. Numerous reports of missing cattle were heard. Many cattlemen said it was fortunate that the sun came out as soon as it did. This prevented more cattle deaths, they said. An estimated seven inches of snow was received in Friona. The storm-like wind which accompanied the snow caused it to drift, thus ruining much of the potential moisture worth of the snow.

The snow accounted for an estimated .9 inch of moisture in Friona, which was the most moisture received here at one time since mid-October. School was closed in Friona on Monday, as the day began with the city buried beneath the huge drifts, which blocked many streets and driveways.

City and county maintainers were pressed into service, and with the sun shining on Monday and the temperature reaching 38 degrees, the melting process began. Tuesday's night was 50 degrees, and by nightfall, much of the snow was gone except where it had been piled, or where it had drifted.

Car-Pedestrian Wreck Kills Local Resident

Ralph W. King, 29, of 710 Grand, was killed in a car-pedestrian accident 4.6 miles southeast of Friona last Thursday.

King apparently was killed instantly when he was struck by a car driven by Chloe Ford Ferguson, about 5:20 Thursday. Investigating officers said the victim apparently ran in front of the car, and the driver had no time to stop. Wind and sand were blowing at the time of the accident, probably obliterating King's vision.

King had parked the truck he

was driving and gone across the road. He was returning to the vehicle at the time of the accident. Officers said King was knocked 102 feet from the point of impact.

Patrolmen Jack Walker and Bob Dorris of Friona investigated.

King was survived by his wife, Susan, three daughters and two sons. Funeral services were conducted Monday in Rainier, Md., which was his home.

He was employed by Farmer County Pump Co. in Friona.

Water Project Is Making Headway

The multi-million dollar Running Water Draw Watershed Project is nearing the stage where a construction date could be set, according to Herb Evans, District Conservationist for the Farmer County SCD.

With only two easements to be cleared and with the sponsoring local organizations working on these, the construction contract could be assigned as early as the 1972 fiscal year.

The three floodwater retarding structures will have annual estimated benefits of \$136,000. This is not including the aesthetic and monetary benefits they will generate as potential recreational areas.

Clovis has already begun recreation area development around the lake site in New Mexico. Early planning stages are underway for recreation development of the Lazbuddie lake site. The Bovina site is not well suited for recreational or agricultural use because of its small size, Evans says.

However, if Lazbuddie and Clovis develop their lake sites for recreation, everyone in Farmer County will have water recreation facilities within easy driving distance. People in surrounding areas would also use these areas which will bring outside money into the area.

The impounded water in these lakes will only be about eight feet above the Ogalla formation or water bearing strata. It is expected that approximately 3,600 feet of additional recoverable water will enter the Ogalla formation as a result of the installation of the structures.

Most of this recharge water will remain in the area and will

MUTUAL ADMIRATION. . . Mike Windham of Lazbuddie gets a smooch from his Dorset lamb, which won first place in the "other breeds" category of the Farmer County Junior Livestock Show last weekend. Windham did right well for himself, winning another trophy in the barrow division with the reserve championship with his champion Poland China entry. For complete show results and other pictures, see inside pages.

STOCK SHOW RESULTS

Steer Title Claimed By Farwell 4-H Lass

The 1971 championship results in the Farmer County Junior Livestock Show were almost a "re-run" of 1968, as far as the steer and barrow winners were concerned.

Rick Seaton, veteran Lazbuddie showman, made history by claiming his fourth grand champion in the barrow division and the 11th consecutive for Lazbuddie.

And Carrie Haseloff won the grand champion trophy in the steer division for Farwell and the Haseloff family once again.

It sent the steer trophy to Farwell for the fourth time in five years—and third time for the Haseloffs.

Back in 1968, Seaton won the barrow show, and Mike Haseloff exhibited the grand champion steer. This year, Mike had the reserve champion, but sister Carrie kept the title in the family.

Seaton took the barrow title with a 228-pound Duroc. It was the first time since 1958 for a Duroc to be named grand champion in the county show, and the fourth time in all. Seaton had made county stock show history by winning back-to-back titles in 1966, 1967, and 1968. He won titles with crossbred barrows for three straight years.

Miss Haseloff, a member of the Farwell 4-H Club, won with an 849-pound Hereford Steer which was earlier named first place animal in the medium heavyweight division. Mike's steer was second in the same class, and his steer was brought out to join in judging for reserve champion after the other medium heavyweight was tapped for grand champion.

The champion steer was purchased in the auction sale following the show for \$1.00 per pound, by the Farwell Championship Club. The organization also was successful bidder on the reserve champion animal, at 80 cents per pound.

Seaton's champion barrow brought \$2.20 per pound, and was purchased by State Line Irrigation Company of Littlefield.

Mike Windham of Lazbuddie, who exhibited the reserve champion barrow, a Poland China, sold his animal to Lazbuddie Farm Supply for \$1.70 per pound.

Lazbuddie showmen dominated the barrow and sheep shows, as they have come to be expected to do. They exhibited four breed champions in the barrow show and had three of the five first place lambs.

Lamb winners from Lazbuddie were Jesse Mendez, fine wool, Mark Barnes, Southdown,

and Mike Windham, other breeds. Larry Johnston, Friona, had the champion crossbred lamb, and Hugh Rogers of Bovina had the champion medium wool animal.

The Friday portion of the show was conducted in ideal weather, but the steer show and auction sale on Saturday were in chilly weather.

The animals brought good prices at the auction, which had a total of a near-record \$40,965.

Showmanship awards were presented to Mark Barnes of Lazbuddie in the sheep division; Gary Green of Farwell for barrows, and Don Fortenberry of Friona, steers.

Only One Name Filed

Next Wednesday, March 3, is the deadline for filing for two local races, and with the deadline just a week away, only one person has filed for one of the six seats which are to be filled in the April 3 election.

Troy Young has filed for one of the six spots to be filled on the Friona City Council, and no one has filed as yet for either of the two spots on the Friona School Board.

On the city council, terms of Marion Fite, James Procter and Leland Hutson are expiring. In

addition, voters will elect one man for the remaining one year on the term of Robert Neelley, who has moved from the city.

On the school board, terms of Dr. Paul Spring and Louis Welch are expiring, and both men have indicated a preference not to run for re-election. Both are finishing their second terms on the board.

Forms are available at the Friona City administration office for the council spots, and in Superintendent Alton Farr's office for the school board spots.

GRAND CHAMPION. . . Rick Seaton of Lazbuddie made history with his fourth grand champion barrow at the county's Junior Livestock show last Friday. Seaton won with a 220-pound Duroc. (See complete results inside)

SNOW SCENE. . . An example of the yards in Friona the past Monday morning is this one at the Roy Daniel home at 1002 Sixth Street. Shrubs and greenery are completely covered with snow, and the yard was about seven or eight inches deep, which was typical.

(Continued On Page 9)

Sale Total Is High

The auction sale for the Farmer County Jr. Livestock show rung the bell once again with a total of \$40,965 in premiums for the young showmen.

The local show's sale annually ranks right up with the biggest shows in terms of the auction totals.

AT FIRST BAPTIST

Well-Known Musician To Appear In Friona

Felix E. Snipes, of Atlanta, Georgia, will be the music director and soloist for the Evangelistic Crusade beginning in First Baptist Church of Friona on March 7. He will join the guest minister, John Tierney of Greenville, N.C. in leading First Baptist Church in eight days of evangelistic emphasis. Snipes is beginning his twelfth year in full time evangelistic music. Almost eight of those years he spent as Music and Platform Director for Dr. John Haggai and Evangelism International. In this capacity he directed the platform activities and the mass choirs for their great City-Wide Crusades throughout America and many foreign countries. He was also in charge of the advance and set-up work for the Crusades and helped in the administration of the office staff, the missionary program, the development program and the International Training Center for Evangelism in Switzerland. Snipes possesses a rich baritone solo voice and a unique ability to get congregations to join in the "Sing-Along Time" of each service in which everyone joins in singing the old familiar songs of the church. However, it is probably as a

dynamic choir director that Felix Snipes has become best known. His ability to take a group of inexperienced singers or a group of singers representing the many denominations and churches cooperating in a City-Wide Crusade and mold them into a professional sounding choir has seldom been equaled. Through his recent City-Wide Crusades in Indonesia, Lebanon, India, England and Portugal, Snipes has introduced to the choirs and musicians of these countries the Evangelistic Choir hymn-arrangements for which he has become so well known in his Crusades. In addition to his own Choir arrangements, Singpiration, Inc., the world's largest religious music publishing organization, has exemplified the missionary spirit in granting to Snipes the permission to share their vast library of Choir arrangements with the mission fields he has visited.

Each night of the Crusade here in First Baptist Church, Snipes will feature the Crusade Choir in one of his special arrangements. The Choirs will rehearse with him for forty-five (45) minutes before each service during the Crusade. These rehearsals will be at 6:45 p.m. each night in the auditorium at 6th and Summit. All singers are urged to sign up to sing in the Crusade Choir and to be present for each rehearsal.

Services are at 10:27 a.m. and 7:27 p.m. each day, Monday through Friday, and 10:50 a.m. and 7:00 p.m. on Sunday, March 7-14. Nursery facilities are provided for those with small children.

Charles Broadhurst, pastor of First Baptist Church, says, "We cordially invite people of all faiths and those of no particular faith to take advantage of this wonderful opportunity to hear the thrilling music and inspiring messages by these two men of international reputation."

Felix E. Snipes

From Around The Country

COTTAGE GROVE, ORE., SENTINEL: "...robberies that have been aimed at collecting huge sums of dynamite indicate the laws controlling this deadly explosive need some rapid overhaul. There is much concern about passing new laws today to protect the consumer, the shopper, and heaven knows who else. How about passing some new laws governing the sale of dynamite? These new laws might well be the difference between life and death for hundreds of people in our state and nation."

Mr. R. J. "Russ" O'Connor, writing in "Motor West" magazine reported, "Admittedly, there are those in government service who act as if they were appointed rather than appointed they unilaterally identify public needs and develop seemingly almost divine solutions with little or no regard for cost or public views."

CARDS OF THANKS

I wish to express my most sincere appreciation to neighbors and friends for their many deeds of kindness since my accident.

I especially want to thank the doctors, nurses and other members of the Parmer County Community Hospital staff for the wonderful care I received there.

Every prayer, card, letter, flower, visit or other deed done in my behalf has made my hospitalization and convalescence easier to bear.

We wish to express our most sincere appreciation to neighbors and friends for the many deeds of kindness done for us during recent weeks.

Your cards, letters, food, flowers, visits, prayers, calls and other expressions of concern have meant so very much to us.

Mr. and Mrs. Eddie Hall

Words are inadequate to express the appreciation we feel for the many things which have been done for us since the death of our husband and father.

Every flower, card, letter, call, dish of food, visit and other expression of sympathy will long be remembered.

Mrs. Ralph King and children

WELCOME TO FRIONA

This week we welcome the Hilton Wilson family to Friona. Wilson is manager for the Garrison and Nelson farms, and also has farming and cattle interests in Gaines County. The Wilsons came here from Seagraves, and are at home at 1616 W. Ninth in Friona. The daughters are D'Ann, 13, and Rhonda, 16. They are members of the Nazarene church.

County 4-H's Attend Show

Six 4-H youngsters attended the Southwestern International Livestock Show in El Paso, this week. Bruce Kaltwasser, Carrie Haseloff, Mark Haseloff and Joe Haseloff showed steers, while Danny Clark and Mike Windham showed barrows and lambs.

Bruce showed his lightweight Angus steer to 4th place. The steer sold for 50¢/lb. in the premium sale. Joe's mediumweight crossbred steer was 15th and Mark's lightweight steer was 12th.

In the barrow show, Mike showed the 8th lightweight Hampshire barrow. Danny had the 7th place crossbred barrow and the 11th place Poland China.

Most of the animals were brought back for the county show.

Fire Dept. Happenings

The Friona Volunteer Fire Department was called to the Black area last Friday, to extinguish three fires on the railroad's right-of-way.

No monetary loss was involved, but the Friona firemen extinguished the fires as a precautionary measure.

Fire Chief Ralph Shirley and Assistant Chief Glenn E. Reeve, Jr., assisted in getting Alfred Mills, an accident victim, transferred from the Friona hospital to Hereford during Sunday's blizzard.

TOP SHOWMEN... Two of the showmanship winners in the livestock show are presented here. At the left is Don Fortenberry, Friona, winner in the steer division, Mark Barnes of Lazbuddie won in the sheep division. Not shown was Gary Green of Farwell, who won in the barrow show.

TODDLING TOGS—A whimsical hobby horse applique adorns this comfortable cotton knit suit for young toddlers. The two-piece outfit comes with boxer-styled pants, double-buttoned shoulders, and a snap-fastened crotch. By Carter's.

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER ONE ON THE BALLOT (SJR 15)
Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 24, of the Texas Constitution, be amended to read as follows:

"Section 24. (1) The State Ethics Commission is created as an agency of the State. The commission consists of nine members. Three members shall be appointed by the Chief Justice of the Supreme Court of Texas with the advice and consent of the Associate Justices serving on the Court, three members shall be appointed by the Presiding Judge of the Court of Criminal Appeals of Texas with the advice and consent of the other Judges serving on the Court, and three members shall be appointed by the Chairman of the State Judicial Qualifications Commission with the advice and consent of the other members of the commission, of each group of three appointees no more than two shall be attorneys engaged in the active practice of law. In addition thereto there shall be two ex officio members, one from the House of Representatives and one from the Senate to be elected on the first day of each Regular Session of the Legislature by a majority of the membership of each House for a term ending on the first day of the next Regular Session.

(2) With the exception of the initial appointees, each member shall hold office for a term of six (6) years and until his successor is appointed and has qualified. In making the initial appointments, each appointing officer shall designate one (1) appointee to serve a term of two (2) years, one (1) appointee to serve a term of four (4) years, and one (1) appointee to serve a term of six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. The membership shall designate one of its members to serve as chairman for a period of two (2) years.

(3) The members of the commission shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.

(4) The commission shall recommend the compensation, per diem, and mileage allowance of members of the Legislature, and may recommend the salary of the Speaker of the House of Representatives and the Lieutenant Governor

at an amount higher than that of other members notwithstanding any provisions to the contrary of Article IV, Section 17, of the Texas Constitution.

(5) The commission shall promulgate rules of ethics to govern the conduct of all legislators, legislative officers and all officeholders, appointive or elective, of any office, department, district agency, commission, board or any governmental unit or branch established by or under the authority of the constitution and laws of the State of Texas and all persons who shall use any privilege of the floor in either House of the Legislature. The Texas State Ethics Commission shall further promulgate rules providing that each member of the Legislature and each of the hereinabove named officeholders upon election and any appointee to any of these offices shall file with the State Ethics Commission a statement under oath setting out a complete financial statement in detail within 10 days after being elected or receiving an appointment. This information shall be privileged information to the State Ethics Commission and shall be used only by them to determine if there exists a conflict of interests or if there is or has been a violation of any of the rules of ethics promulgated by the Texas State Ethics Commission or any laws of the State of Texas. The Legislature shall enact statutes dealing with unauthorized disclosure or misuse of said privileged information.

(6) The commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet in Austin at least once each year to review existing rules of ethics, legislative compensation rates, mileage allowances and per diem rates, and to make any changes deemed necessary.

(7) All rules of ethics, compensation rates, mileage allowances or per diem rates currently in force, as well as all changes and recommendations by the State Ethics Commission shall be promulgated before the convening of any session of the Legislature by filing a certified copy of the proclamation with the Secretary of State.

(a) Each rule of ethics or change thereof made by the commission shall take effect on the 15th day of the legislative session following the proclamation unless disapproved before that day by resolution of either House of the Legislature.

(b) All rates of compensation, mileage allowances or per diem rates and all changes and recommendations made by the commission thereof shall not take effect until approved section by section by resolution of both Houses of the Legislature.

(c) All votes on these resolutions or parts thereof shall show the individual votes in the respective journals of both Houses.

(8) The commission shall investigate any alleged violation of any rule of ethics promulgated by it and report its findings to the appropriate State agency, official, legislative body, grand jury or district attorney.

(9) Until otherwise provided by the commission each member of the Legislature shall receive from the public treasury an annual salary of Four Thousand, Eight Hundred Dollars (\$4,800) per year and per diem not exceeding Twelve Dollars (\$12) per day for the first 120 days only of each Regular Session and for 30 days of each Special Session of the Legislature. No Regular Session shall be of longer duration than 140 days. In addition to the per diem, the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and fifty cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter established; no member to be entitled to mileage for any extra session that may be called within one day after adjournment of the Regular or Called session.

(10) The commission is further authorized to recommend to each Legislature changes which will update, improve, and effect economy in the legislative process.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 18th day of May, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to create a State Ethics Commission empowered to set rules of ethics for members of the Legislature, State officers and legislative officers, to investigate violations thereof, and to recommend compensation for members of the Legislature and the Lieutenant Governor and recommend improvements and economy in the legislative process."

Medium Wool

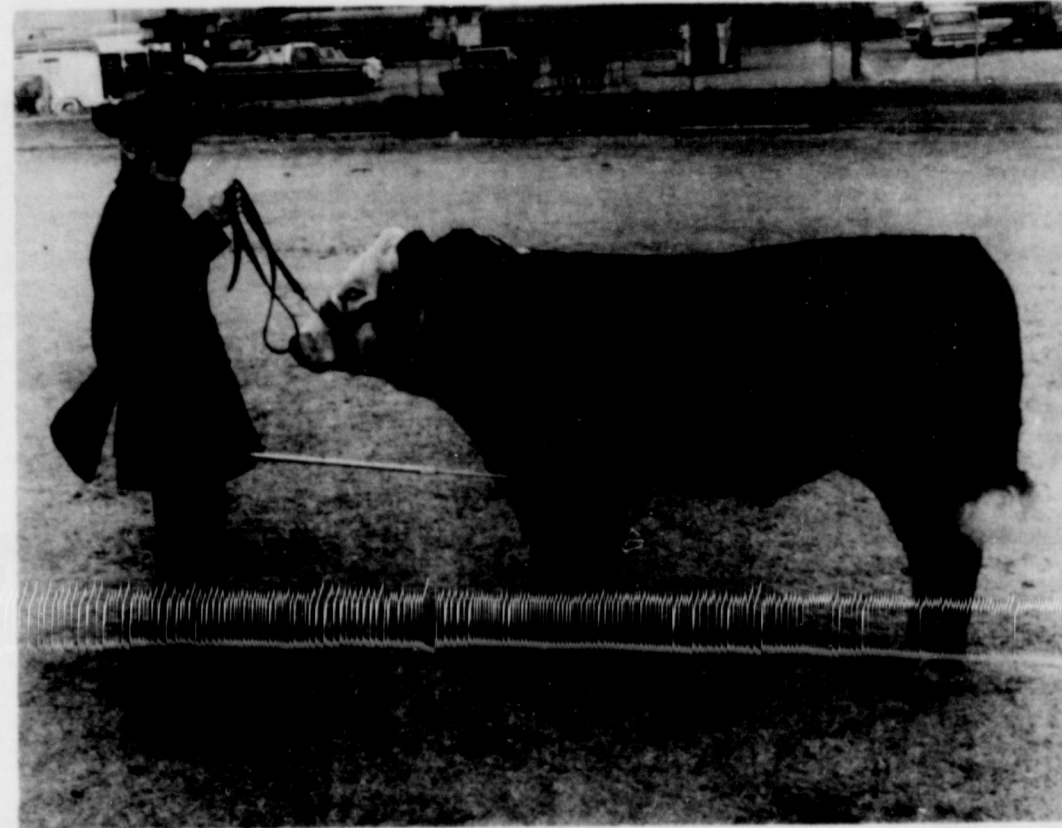

1. Hugh Rogers, Bovina; 2. & 3. Mark Barnes, Lazbuddie; 4. Randy Kirkpatrick, Bovina; 5. Lori D. Norton, Farwell; 6. Mary Beth Bennett, Friona; 7. Penny Norton, Farwell; 8. Terry Sherrill, Bovina; 9. Lori D. Norton.

Other Breeds

1. & 2. Mike Windham, Lazbuddie; 3. Mark Foster, Lazbuddie.

BROTHER & SISTER WIN. . . It was a brother and sister act for the grand and reserve champions of the steer show at the Parmer County Jr. Livestock Show last Saturday. Carrie Haseloff had the grand champion steer, an 849-pound Hereford. Brother Mike exhibited the reserve champion. It gave the Haseloff family their third grand champion, and the fourth for Farwell exhibitors in the county show in the past five years.

FRIONA WINNER. . . Larry Sanders poses with his steer which won first place in the mediumweight division of the steer show. Sanders' steer, an 840-pounder, was purchased by Bovina Feeders at a premium price of 80 cents per pound.

Tomorrow's Housekeeping

I used to have a *thing* about entertaining. I actually discouraged friends from dropping by, (they had to call and warn me, first,) and anything as major as a party I put off forever.

Why? I didn't want visitors unless my house was positively gleaming—not a speck of dirt anywhere, the silver out and shining, fresh flowers, polished floors, the works! What I wanted, only a full staff of servants could have produced —yet the only person around to polish the silver was me!

Finally, I devised some tricks to create the *illusion* of polish and gleam. It's only a surface illusion, but it keeps people thinking I'm some sort of housekeeping genius.

Quickie bathroom cleanup: I keep a spray bottle filled with one part Tomorrow's Lestoil, 8 parts water hidden behind the window curtain. On the guest alert, I spray tub, sink—even smudges on the floor—and wipe them clean in a flash with a used bath towel. Then I throw all used towels in the hamper, whip out guest towels and guest soap and my bathroom's ready for the Queen of Sheba.

Know how to keep your silver bright and ready to display at any moment? Keep it tightly tied in plastic bags. Air can't get in so silver stays bright for ages.

To give wood floors and furniture instant gleam, put a few drops of lemon oil on a soft cloth. Slide it over furniture, then push it around floors with a mop. This won't produce a hard, protective surface but it does give a gleaming wood effect, plus the fresh smell of lemon oil.

Fresh flowers add a special look, but they're expensive and sometimes unavailable. Consider investing in some really good fakes. A big bunch of red felt poppies stuck in a clay pot can be kept in a closet and hauled out whenever company's coming.

Nothing signals a messy house like grimy woodwork. With straight Lestoil on a dampened sponge you can quickly eliminate obvious fingerprints on doors and frames in one sweep with no second-round rinse off. (It's the one all-purpose cleaner with a grease solvent, that's why.)

At Home In Parmer County

By Janice Fant
County HD Agent

A big change is taking place in the home sewing scene. What sewing early homemakers did out of necessity, you the modern homemaker now does of your own choosing.

According to pattern company estimates, almost 44 million homesewers make 500 million garments a year. These homemakers spend \$2 billion on fabrics and \$400 million to purchase 2 million new sewing machines annually.

There are many reasons for the home sewing boom. Economy is an important one as the woman who sews at home can save 60 to 70 percent on most garments she makes.

Although economy is a strong incentive, many of you have other reasons for sewing at home.

Clothing made at home is of better quality. For those family members that are hard to fit, the clothing is more satisfactory. And today's simpler fashions make the sewing job easier, with more individuality possible.

One of the most compelling reasons, however, is psychological. With more leisure time, you may find sewing a satisfying outlet for self-expression and creativity.

LEFTOVERS--Thin slices of day-old bread spread with softened butter, then sprinkled with Parmesan cheese and toasted until crisp make an excellent accompaniment for soups or salads.

The USDA March Plentiful Foods List features citrus fruits and juices and peanuts.

Others include pork, canned peaches, prunes, potatoes and eggs.

If you haven't tried Broiled Grapefruit, you'll be surprised at how the heat mellows the flavor. It's easy to prepare, too. Just sprinkle each grapefruit half with sugar and a dash of spice--cinnamon, mace or nutmeg. Then dot with bits of butter or margarine and broil 10 to 15 minutes with the broiler rack set 3 to 4 inches from the heat.

When the grapefruit halves are just slightly browned and heated through, serve them hot. You may also want to try Baking the grapefruit halves for 15 minutes in an oven set at 400 degrees.

Bookmobile Schedule

Thursday, February 25--Okla. Lane, 9-10 a.m.; Rhea Community, 10:45-11:45 a.m.; Friona #1, 1-1:30 p.m.; and Black, 1:45-2:45 p.m.

Friday, February 26--Hub, 8:45-9:45 a.m.; White's Elevator, 10-11 a.m.; Lazbuddie, 12-1 p.m.; and Clay's Corner, 1:15-2:15 p.m.

Saturday, February 27--Farwell, 8:45-11:45 a.m.; Friona #11, 1-4 p.m.

Hospital Notes

Admissions:

Nettie Charles, Bovina; Pauline Wines, Bovina; Custodias Madrigal, Bovina; Alice Lewis, Bovina; Gay Stokes, Friona; Donna Higgins, Portales, N.M.; Gabrielle Valasquez, Friona; Sandra Clayton, Bovina; Dana Berend, Friona; Marsha Landrum, Texico, N.M.; Grace Jones, Farwell; Joe Scott Menefee, Friona; Lloyd Rector, Friona; Mrs. Rex Bracken, Friona; Mrs. Jerry London, Friona; Clemente Lopez, Bovina; Mrs. Kenneth Stephens, Summerfield; Glenda Thigpen, Texico, N.M.

year. Current mortgages market conditions enabled the Federal program to be increased without a net increase in budget costs, he said.

FOOD EXPENDITURES--Consumer expenditures for food in the 70's decade could go up by as much as 70%, including meals at home and away. This compares with 50% increase in the 1970's.

Dismissals:

Ava Woodson, Pauline Wines, Elva D. Matlock, Mrs. Fred Goldsmith and baby, Gay Stokes, Donna Higgins, Custodias Madrigal, Brian Keith Osborn, Alice Mildred Lewis, Marsha Landrum, Dana Berend, Gabrielle Velasquez, Lloyd Rector, Pedro Foster, Grace Jones, Mrs. Freddie Walker, Raye Jene London, Mrs. James Clayton and baby, and Clemente Lopez.

Patients In Hospital:

Mrs. Rex Bracken and baby, Nettie Charles, Grace Dane, Ruby Dixon, Joe Scott Menefee, Curtis Miller, Margaret Powell, Margarita Ramirez, Mrs. Kenneth Stephens and baby, Mrs. Billy Thigpen and baby and Janet Sue Walker.

Why not double or triple quantity when preparing favorite dishes? Then, you can eat one portion for dinner that day -- and freeze the rest for dinner a week or two later.

WHAT'S AHEAD FOR GRAIN SORGHUM--That's what the 7th biennial Grain Sorghum Research and Utilization Conference is all about. It will be held March 2-4 at the KOKO Inn in Lubbock. There is something on the program for every person interested in the grain sorghum industry. It is sponsored by the Grain Sorghum Producers Association and Texas A&M and Texas Tech Universities.

SCREW WORM ALERT--The first 1971 screw worm case in the southwest has been confirmed. It was found in Hidalgo County on Feb. 8. Stockmen are advised to keep a close check on their livestock and collect samples when worms are found in wounds. Samples should be sent immediately to the Mission Lab for identification. Warmer

weather has increased fly activities in areas just south of the Rio Grande River.

TEXAS CALF CROP UP--Calves born on Texas farms and ranches during 1970 totaled 5,378,000 head, up 2 percent from 1969. The increased calf crop, says the Texas Crop and Livestock Reporting Service, was due primarily to the greater number of cows since the calf crop percentage remained stable, 88 percent compared to 89 for '69. Cows and heifers 2 years and older numbered 6,118,000 head, up 3 percent.

RURAL HOUSING FUNDS INCREASED--Secretary of Agriculture Clifford M. Hardin has announced that Farmers Home Administration rural housing program level has been increased to \$1.47 billion for this

STATISTICS GIVEN

Diane Day Paces Squaws In Scoring

Junior Diane Day paced the district champion Friona Squaws in scoring for the second straight year, according to a compilation of season statistics this week.

Miss Day scored 635 points in 30 games, for a nifty 21.2 points-per-game average. She had won the scoring crown last season as a sophomore with 324 points, for a two-year total of 959 points.

Second-best scorer was sophomore Sharon Smith, who was the only other member of the team's offensive squad to average 10 points per game. Miss Smith had a great start, with a 15-point average after ten games, saw her scoring pace fall off toward the season's end but still had 284 points to easily take second place.

The Crofford twins, Karen and Sharon, scored 219 and 160 points, for third and fourth place.

Miss Day also paced the team in field goal percentage with a fine percentage, 56.5. This was up almost 10 percentage points from her team-leading mark of 47.0 of last year.

In fact, the Squaws had great field goal shooting, with both the Crofford twins hitting at a 40 per cent clip. The team's overall mark from the field was a highly commendable 46.6 per cent.

But at the free throw line it was a different story. Karen Crofford led the team in per-

centage at 62.4, but this was less than five percentage points ahead of Miss Day's leading field goal percentage.

And as a team, the Squaws hit just 58.2 per cent of their foul shots. This is just 11.6 percentage points ahead of the team's field goal shooting.

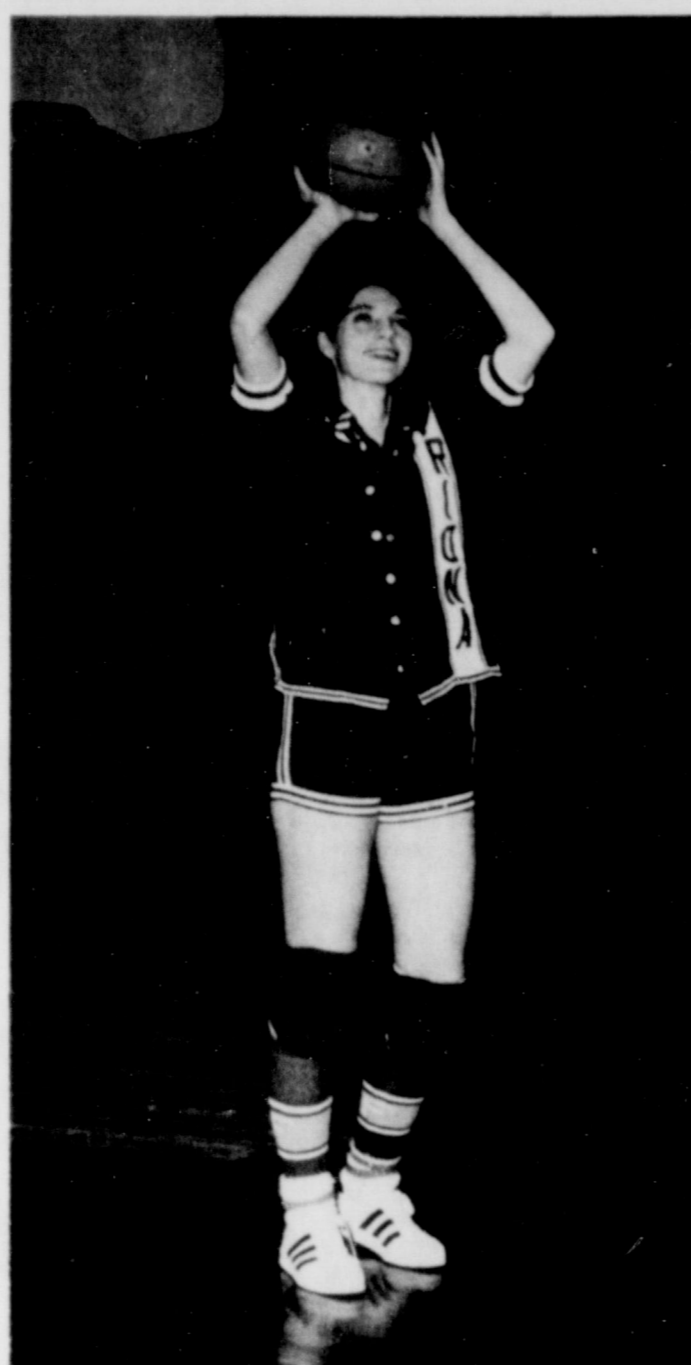

As a team, the Squaws averaged 46.4 points per game, up somewhat from the previous year's average of 41.8 per cent. The team's highest score was 59 points, against White Deer. The Squaws scored in the 50s only ten times. But at the same time, the defense held the opponents to an average of only 35 points per game, one of the lowest marks in years.

Defensive records showed guard Gloria Brown to be the team's leading rebounder with 192. She was followed by Jayn Massie, with 142, and Vicki Ulen with 139.

Miss Smith led the team in assists with 80.

Individual highs included 38 points by Miss Day against Muleshoe. Her 15 field goals in that game and also against Abernathy were also season highs. Miss Smith's 24 free throws (with 27 attempts) against Tullia were the most free throws by a Squaw forward in any game.

The Squaws improved considerably on its 13-13 record from 1969-70 by winning 26 (twice as many wins) and losing only four games.

LIBERTY, N.Y. PRESS: "While work can be bothersome and a great nuisance at times, it would be a mistake to consider it an evil custom of mankind. In fact, the opportunity of an individual to work for his own advancement is one of the prized liberties of modern civilization. The satisfaction that comes from work well performed is likewise one of the basic motivations and pleasures of human conduct. While it may be advisable for men and women as they get up in years, to slow the hectic pace of modern business, it is often a mistake for workers to 'retire' in the blissful expectation of a joyful existence until death. In many cases the grim reaper arrives much earlier than anticipated and there is evidence to support the belief that the early visitation is, in part, induced by a radical change in the person's mode of life."

TOTALS GIVEN

Sophomore Is Chiefs' '71 Scoring Champ

The Friona Chieftain basketballers, competing in one of the toughest class AA districts in the state, finished up their 1970-71 season with an 11-17 record last week.

Sophomore Johnny Bandy paced the team in scoring, according to statistics released by Coach Ray DeBord. Bandy scored 272 points in 26 games, for a 10.5 average.

Junior Ronnie McPherson was the only other player to average ten points per game, at 10.2, but played in eight less games than Bandy due to an in-

jury, scoring 183 points. Other players scoring more than 100 points were J.V. Finley, Don Fortenberry, Mike Royal, and Wesley Clark.

Finley, a senior, was the team's leading field goal shooter with a fine 48 per cent average, hitting 85 of 177 attempts. Bandy and McPherson tied for runner-up honors in this category with averages of 44 per cent.

Larry Fallwell, another returnee, was the team leader in free throw shooting with a fine percentage of 84.0. Next in line

came Bandy, at 61.0 per cent. The percentages dropped off pretty well from the leaders. In fact, Coach DeBord lamented the fact that the team hit just 58 per cent of its free shots during the year.

"There were seven games during the season that we could have won if we had hit free shots like we should have. That would have made our record 18-10 instead of 11-17," he said.

Fortenberry edged out Finley by only one rebound for the team leadership in this category, 217 to 216. Fortenberry

also had the most assists, 56. In addition to being the team's leading scorer, Bandy had the distinction of drawing the most fouls, 49, although six players on the squad were within six fouls of the leader. Compared to other years, the 1970-71 Chieftains didn't commit many fouls, as the team leader averaged less than two per game.

Johnny Bandy

Volleyball Meet Slated Here

The Friona Noon Lions Club is sponsoring a volleyball tournament in the Friona High School Gymnasium next week. Tournament action will begin at 6 p.m. each day, except Wednesday, and the tourney runs through next Saturday.

Both men's and women's teams will be competing, from Muleshoe, Bovina, Hereford, Lazbuddie, Earth and Walcott, in addition to Friona.

Admission will be 50¢ for adults and 25¢ for children and players. There will be three local men's and three women's teams taking part in the tournament.

Local sports fans are urged to attend the meet, and support a worthy club project.

A concession stand will feature refreshments throughout the week.

LAMB WINNERS . . . The champions of the lamb show are shown here. In the back, left to right are Jesse Mendoza, Lazbuddie, fine wool; Larry Johnston, Friona, crossbred; Hugh Rogers, Bovina, medium wool. In front are Mark Barnes, Lazbuddie, Southdown, and Mike Windham, Lazbuddie, other breeds.

MBP Report Looks Good

Missouri Beef Packers, Inc., reported for the 13 weeks ended January 23, 1971, net income from operations of \$641,435, or 56¢ per share on sales of \$58,601,513, compared with net income of \$575,689, or 51¢ per share on sales of \$53,934,485 a year ago.

J.C. Walker, president, attributed the favorable results for the period to "considerably improved business conditions."

He said that market prices for dressed beef, operating margins and cattle supply were all very good during the first quarter. Margins on primal, sub-primal and fabricated cuts also improved, he noted.

Looking ahead to the balance of the fiscal year, Mr. Walker said he expected it to be a good one for the industry and for his own company in particular. "Our new Plainview plant will begin killing cattle next week," he stated, "and should be running productively by the second half."

Bandy Leads Scoring For 8th Grade Braves

Friona's eighth grade Braves finished their season with a fine 14-2 record, averaging 41.7 points per game to only 30.6 for their opponents.

Clay Bandy led the team in scoring, with 187 points in 16 games, an average of 11.7 points

per game. Gene Strickland was the second leading scorer, with 143 points in 15 games, a 9.5 average.

Other team members scoring over 100 points were starters Dale Cleveland with 129 and Kevin Welch with 105.

Horse, Buggy Days Theme Of Meeting

Theme of the Tuesday evening meeting of Modern Study Club at Federated Club House was "Horse and Buggy Days." The meeting opened with prayer by Mrs. T.E. Lovett. This was followed by a reading "The Ballad of William Sycamore," -Benet, by Terry Thompson. Mrs. Frank Truitt presented "Horse and buggy days in education." "Horse and buggy days in religion," was presented by

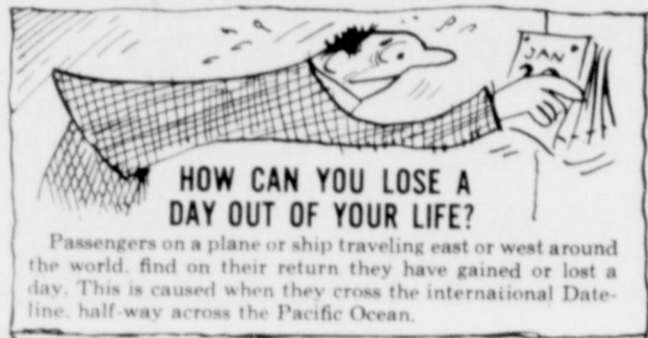

Mrs. Andy Hurst. A guest, Mrs. Carl Maurer, presented "History of Congregational Church in Friona." Then another guest, Mrs. Claud Osborn presented, "History of First Baptist Church in Friona." Refreshments were served to the guests and twenty-two members by Mrs. Frank Spring and Mrs. H.K. Kendrick, hostesses.

Club Members

Honor Husbands

Guests of honor at the Thursday evening meeting of Black Study Club were husbands of the members. The meeting began with dinner at Parmer House Restaurant. After dinner Mr. and Mrs. Frank A. Spring, who were special guests, showed colored slides made during a trip they made into Canada. Others present included Mrs.

F.W. Barnett, Mrs. Ellis Tatum, Mrs. Tommy Tatum, Mrs. Emma Elmore and Mrs. Ethel Bengler. Also Mr. and Mrs. Rosco Ivie, Mr. and Mrs. Gene Welch, Mr. and Mrs. Dick Rockey, Mr. and Mrs. Bill Carthel, Mr. and Mrs. Johnny Mars, Mr. and Mrs. Clyde Hays, Mr. and Mrs. Harry Lookingbill and Mr. and Mrs. Glyn Hamilton.

Passengers on a plane or ship traveling east or west around the world find on their return they have gained or lost a day. This is caused when they cross the international Date-line, half-way across the Pacific Ocean.

People living on West Sixth were glad to have T.L. Burleson for a neighbor. He is a farmer, so brought in a tractor with a blade on it and cleaned off driveways in his neighborhood.

Someone mentioned that he was doing it as a special favor to widows who lived near him, but if you happened to drive down West Sixth, you probably noticed a lot of clean driveways at homes not occupied by widows.

Here's a little thing I read in one of our exchange papers recently. It originally appeared in the Newton Record, Newton, Mississippi. According to the author it is a good "Prescription For What Ails You."

If you are poor, work.
If you are rich, continue to work.
If you are burdened with seemingly unfair responsibilities, work.
If you are happy, keep right on working. Idleness gives room for doubts and fears.
If sorrow overwhelms you and loved ones seem not true, work.
When faith falters, and reason fails, just work.
Work as if your life were in peril—it really is.
No matter what ails you, work.
Work will cure both mental and physical afflictions.

Nobody is completely useless. If nothing else, he can be pointed to as a bad example.

The big news in Friona early this week was our first blizzard of 1971. We have learned to expect one or more each year and can generally count on getting one of them in February. Very few people were stranded here and those that were had no trouble finding places to stay.

Dave and Shirley McReynolds and children of Stratford spent Saturday night in Bovina then started home early Sunday morning. They thought they just had to get home because the Stratford Star, like a lot of other weekly newspapers, comes out on Thursdays.

By the time they reached Friona, they had decided that getting home wasn't quite as important as they had thought it was, so they stopped here and spent the night.

About 11:30 a.m. Monday they were able to get out of town and I feel confident the Stratford Star will come out on time.

As usual when emergencies arise, several Frionans spent most of Sunday and Monday assisting people who needed to get from one place to another. When called upon most local residents are ready, willing and able to help others who need assistance.

Another North Plains couple, Mr. and Mrs. Austin McCown of Texline, were also stranded here. They had planned to return home Sunday afternoon, but were unable to get out of town until about noon Monday.

As the McCowns were ready to depart, they reminded local relatives to never use the excuse of being afraid of the weather for not visiting them.

Then, on the other side of the ledger, some Frionans were stranded in other towns and unable to come home at the time they had planned. Nelson and Lucille Lewis were in Amarillo when the blizzard struck—needless to say, they stayed.

Alonzo Strickland, whose parents are Ray and Lois Strickland, was a patient in an Amarillo hospital. His condition was not real serious, so the parents returned home Saturday and planned to go back to Amarillo Sunday.

Dewayne, Cheryl and Darren went to Snyder with the idea in mind to come home Sunday afternoon. It seems that the highway from Snyder to Lubbock was worse than from Lubbock to Friona, so they stayed longer than they had intended to.

As far as I know none of us have had serious accidents as a result of the weather. I haven't heard of any broken bones from falls or serious injuries of any kind.

Of course we are all grateful for the moisture the snow brought. I've heard any number of farmers make remarks like this: "Surely do wish all this water was running down my rows instead of down this gutter." "Wish I had a pit that would catch all this good snow water so I could use it on my wheat." or "We will sure have a good crop of weeds next year." All this snow in the fence rows will make them grow good."

Overweight is one of the most pressing problems of a lot of Americans and we are being bombarded from every direction about the importance of eating the proper foods, keeping our weight down and related subjects.

There may be some Friona residents who are not aware that we have a local chapter of TOPS. This nation wide organization operates for the sole purpose of helping those who are overweight.

Interesting programs are planned, recipes for low calorie dishes are supplied and much encouragement is given to those who attend the meetings. Right now interest in the local unit is lagging. Old members are needed to help boost the morals of those who attend and new members would be welcomed.

If you are interested in learning more about TOPS, just take time to attend the Tuesday evening meetings at Chalet 'c Bonte. They begin at 6:30 p.m. and you are invited to attend.

CONGRATULATIONS

TO LARRY SANDERS

We are proud of the fine job Larry did in exhibiting the first place medium heavyweight steer at the Parmer County Junior Livestock Show last Saturday. We were also proud to have been the successful bidder for the steer. We would like to express our congratulations to all the young people who worked so hard in this endeavor and made for another successful county livestock show.

Motherhood Is Program Theme

Highlight of the Thursday evening meeting of New Horizons Junior Study Club at Federated Club House was presentation of "Beauty of Motherhood," by the club president, Mrs. Walter Cunningham.

A skit, "How Wives Drive Husbands Crazy," was presented by Mrs. Jimmy Maynard, Mrs. Jerry Wike and Mrs. Edwin Morrison who were in costume.

Guests were Mrs. Walter Carnes and Mrs. Richard Dickson.

Refreshments of cherry tarts, ice cream and cold drinks were served by the hostess, Mrs. Wayne Rhoads.

Guests Depart

Mr. and Mrs. George Watters of Lancaster, California, and Marilyn Caler of Palmdale, California, left early this week after visiting in the home of Mr. and Mrs. Glen Watters and family, 1411 Jackson Street.

Ronnie Altman On USS Tripoli

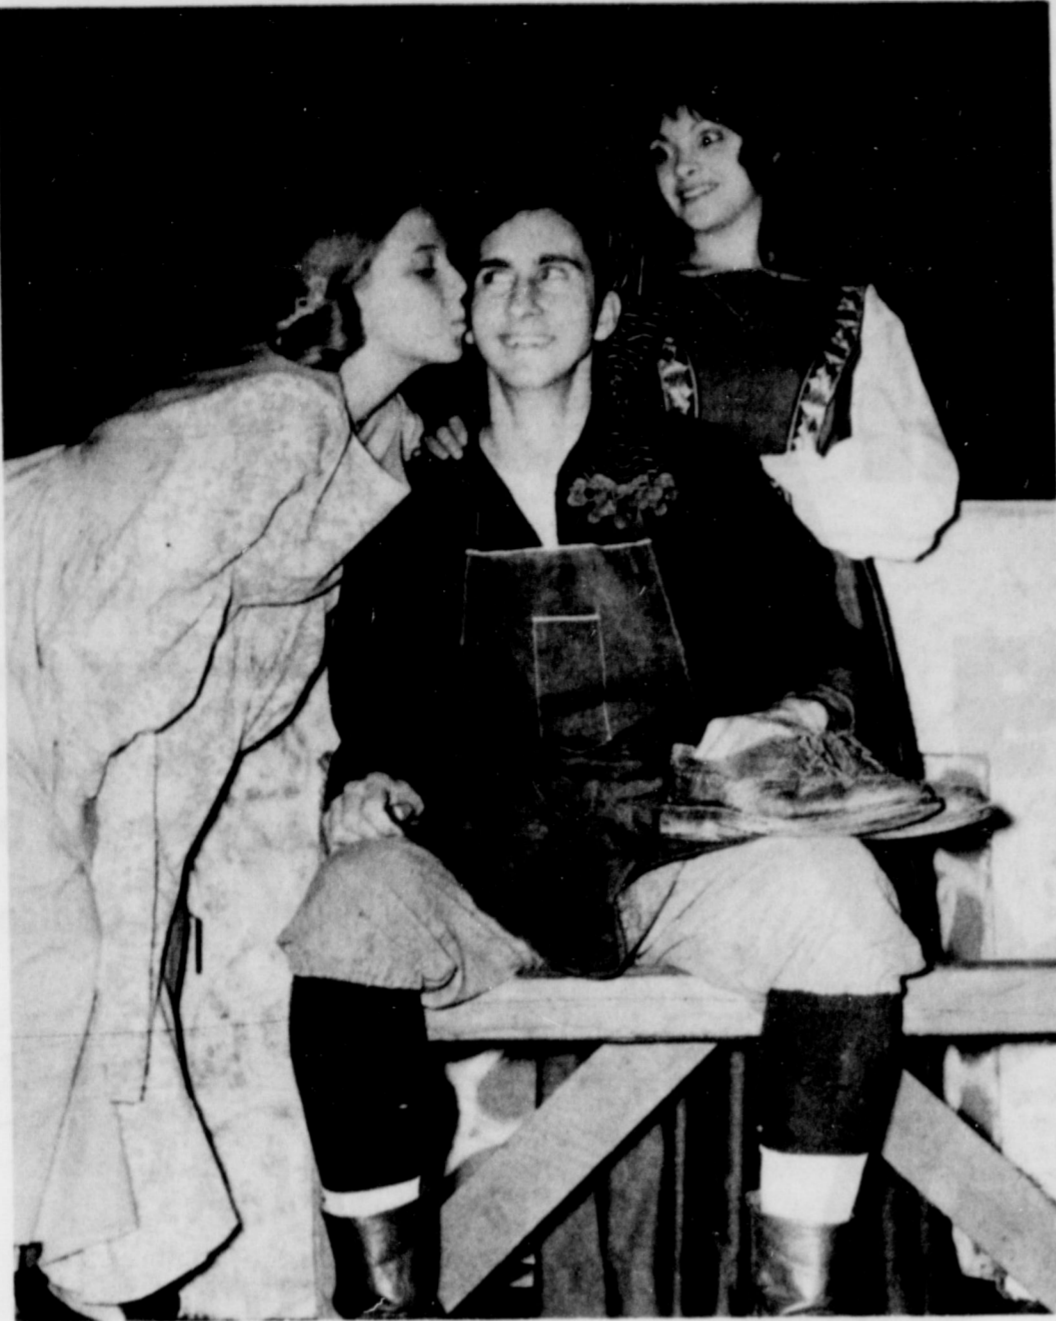

Navy Seaman Ronnie W. Altman, son of Mr. and Mrs. Hop Lewis of 803 W. Sixth Street, Friona, Texas, is now serving aboard the amphibious assault ship USS Tripoli homeported at San Diego.

Girl Scouts Report

Brownie Troop #266 met Thursday afternoon at Girl Scout House. The four leaders, Mrs. Tom Mason, Mrs. Lee Britting, Mrs. Kenneth McLellan and Mrs. John C. Miller, and 32 Brownies were present.

The flag ceremony was presented by Doris Hough, Patricia Miller, Debbie Wilson and Sharla Duggins. Kimber Britting directed the Pledge of Allegiance to the American flag; Shannon Parr led a song; Rene Brock read a poem and Cindy Brailiff led repetition of the Brownie Promise.

Group singing of the Brownie Smile Song, led by Joanna Merritt, was the concluding number on the program. Place cards were made for the Father-Daughter Banquet and the program was practiced. Sandra Ramos and Maria Escalante, hostesses, served refreshments.

A KISS FOR PAPA... The shoemaker, played by James Manning, Hobbs, gets a kiss from his daughter, Karen, portrayed by Susie Boswell, Albuquerque, as mother, played by Joyce Garro, Cicero, Ill., looks on. The scene is from "The Elves and the Shoemaker," a comedy being presented as the 17th annual Children's Theatre Tour by the theatre department at Eastern New Mexico University. The play will be performed at 9:30 a.m. and 2:00 p.m., March 9 in Friona Junior High Auditorium under sponsorship of Progressive Study Club.

ENMU Players To Present

"The Elves And The Shoemaker"

"The Elves and the Shoemaker," a play for the young at heart, will be performed at 9:30 a.m. and 2:00 p.m. in Friona Junior High Auditorium Tuesday, March 9, 1971 part of the 17th annual Children's Theatre Tour of the Eastern New Mexico University department of theatre.

Housewarming Honors New Friona Residents

Mr. and Mrs. Glen Watters and family recently moved from a farm to 1411 Jackson Street.

Host couples for the housewarming for them Friday evening were Mr. and Mrs. Hank Wheeler and Mr. and Mrs. Walter Cunningham.

After a buffet supper gifts were presented to the honorees. About 20 persons were present.

Son Is Born To Brackens

Cody Rex is the name Mr. and Mrs. Rex Bracken chose for the baby boy born to them at 4:46 p.m. Saturday, February 20. He weighed 7 lbs. 3 ozs. and is the first child for the couple.

Grandparents are Mr. and Mrs. Gene Bracken and Mr. and Mrs. C.W. Perkins, all of Friona. Mrs. Lena Bracken, also of Friona, is the paternal great-grandmother.

Maternal great-grandparents are David H. Wright, Tribbey, Oklahoma, and Mrs. Nettie Perkins, Oklahoma City, Oklahoma.

Home Arts Club Does Bead Work

The last two meetings of Home Arts Club have been devoted to making crocheted bead necklaces. On February 4, several members of the club went to Muleshoe for a joint meeting with Muleshoe Hobby Club.

Following a covered dish luncheon, the afternoon was spent crocheting beaded necklaces. Members of each club displayed hand made articles.

Then on February 18, Mrs. Ray Landrum hosted a regular meeting of the club.

Special guests were Mrs. Minnie Dickson, Mrs. A.S. Grubbs and Mrs. Kathryn Dool of Cordell, Oklahoma.

Mrs. Grubbs showed two cathedral window coverlets, which she had made by hand.

WHEN freshly-cut peaches are covered with a sugar syrup—to discourage browning caused by exposure to air—the peach flavor is not changed. Instead sugar's ability to intensify the flavor of other foods actually makes peaches taste peachier.

CORN on the cob is naturally sweet. But unless ears can be picked and cooked in minutes, flavor escapes. A teaspoon of sugar added to the cooking water not only revives the sweet corn flavor but also tones down any starchy taste which may have developed in the kernels between cutting and cooking.

COLORED sugar has many uses. Sprinkle it on cookies, make designs on a frosted cake. Scatter some on cereal. Try a blue banana, an emerald-shaded pear. Or dip the rim of a glass into lemon juice, then in tinted sugar for a dramatic iced drink. To make colored sugar, drop liquid food coloring—alone or combined for unusual shades—onto granulated sugar spread on waxed paper. Blend with spoon. When dry, store in screw-top jars for ready use—anytime.

READ the label on your favorite French dressing, and you'll find it probably contains sugar—not for sweetening, but to increase piquancy. (NP Features)

Squaws Make Count Of Deaf Started In Area

The Friona Squaws led the way in the 3-AA All-District selections, which were announced last week, by placing four players on the squad.

Those honored were Gloria Brown, Jayn Massie and Vickie Ulen, all senior starting guards, and Diane Day, junior starting forward.

Others chosen were Lee Ann Merritt and Karen Baldrige of Dimmitt; Rebecca Hodges, Dana Daughtery and Connie Hall, Olton; Terrie Shipman and Sarah Williams, Floydada; Arlene Barnes and Paula Cummings, Lockney; and Dru Anne McCune, Abernathy.

Remove temptation—take keys from your parked car and lock it.

The National Census of the Deaf has started a count of the deaf in the eastern New Mexico and West Texas areas, and many persons have already received the census forms.

Information included on the forms, census spokesman say, will be held in confidence and will not be made available to any firm or individual.

In addition to those who are deaf or have serious hearing impairments, some persons have received the forms simply because of their membership in organizations associated with assistance of the deaf.

Those who receive the forms are asked to return them promptly. The form should be answered only by or for the person to whom it is addressed.

Anyone knowing deaf persons in this area may send names and addresses to Mrs. James E. Hunker, 509 W. 18, Clovis, N.M. 88101 or call Mrs. Hunker at 505-762-2926 before 5:00 p.m., otherwise at 505-762-3048.

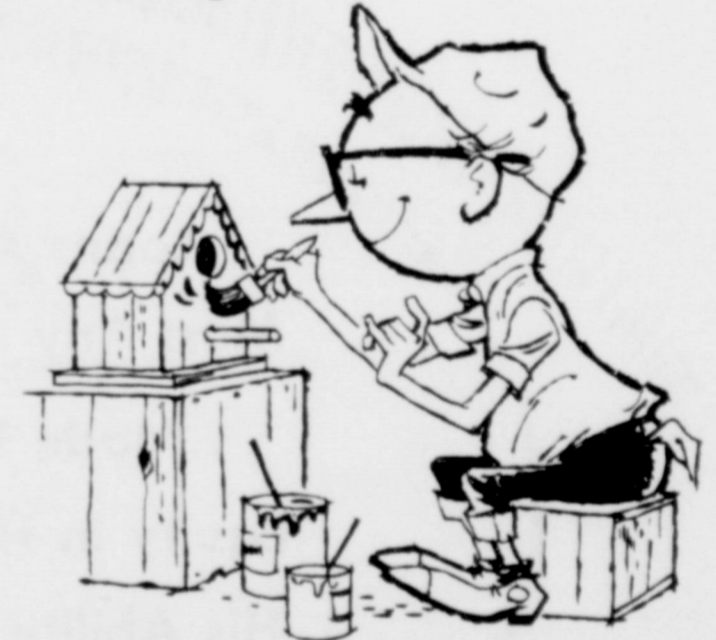

The National Census of the Deaf headquarters is in Silver Spring, Md., and spokesmen say another effort to count deaf persons likely will not be made for another ten years.

The census will continue for several months.

LADIES!
Since Is Since It's Still Too Cold And Wet For Your Spouse To Go Hunting Or Fishing . . .

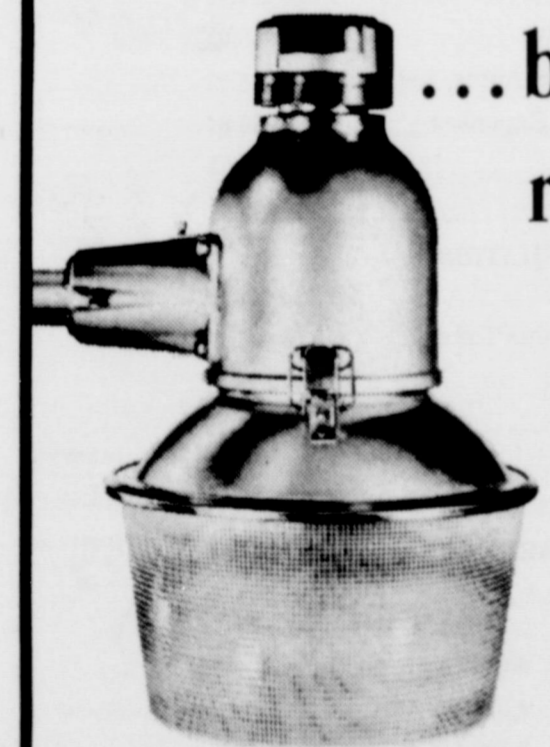

Why Not Remind Him Of All Those Little Household Jobs That He's Been Putting Off?

Nag him a little about that kitchen cupboard that needs fixed. . . or the walls that need painting. . . or his promise to panel the den someday. . . or the new tile for the bathroom floor.

And Be Sure To Tell Him That All The Supplies For These Jobs Are Ready And Waiting For Him At . . .

ROCKWELL BROS. & CO.
"LUMBERMEN"

... business men, farmers, ranchers - **LIGHT UP** your property every night for only \$4⁰⁰ a month!

Reddy installs the light, maintains it and even furnishes the electricity to operate it. Guard lights are automatic, too . . . on at night when you want light and off by day. Guard lights discourage prowlers, make night outdoor work safer and give a business-like prestige to commercial establishments.

* Plus Applicable Sales Tax.
