CROSS PLAINS, CALLAHAN COUNTY, TEXAS,

THURSDAY, NOVEMBER 4, 1954

NUMBER THIRTY TWO

Friday Is Homecoming Day

Next Friday will be a big day in the ol' home town. This is the date set for the first big school homecoming which will feature a speech by Seaborn Collins, National Commander of the American Legion, a big barbecue supper and the Buffalo-Wildcat football game. Indeed, this should well be a day to remember in the history of Cross Plains!

This department joins everyone here in an old-fashioned welcome to the ex-students of the Cross Plains Public Schools and while we are not an old-timer hereabouts, we extend you a cordial welcome to drop in at our office and get acquainted.

A look at the program for the homecoming is proof enough that the affair is sure to be a success! Enthusiasm is running high among local exes and committee chairmen are expecting a record attendance. Seaborn Collins, an ol' hometown boy who graduated from high school here in 1930, and is now National Commander of the American Legion, will fly here from his home in Las Cruces, N. M., to make the principal address. He will be here about an hour and a half before taking off to Brownwood where he will be honored that night as "Man of the Year" by Daniel Baker College. He graduated there in 1937.

Another excellent feature on the program will be "Highlights of Yesteryears," by Miss Billie Ruth Loving.

The afternoon program will be completed with a big barbecue supper in the school gymnasium at 5:30.

Climax of the program will be the annual football game between the Buffaloes and the Rising Star Wildcats which promises to be an evenly-matched grid duel. The Homecoming Queen, selected by the ex-students, will be presented during the half-time ceremonies of the game.

In looking up the past performances of the two teams, we note that Rising Star has suffered a four-year drought in the win column, and the Buffaloes can be sure that the Wildcats will be out to put an end to this trend, come Friday night. Judging from the performances of the two teams this season, the game appears to be a toss-up with the team having the most determination apt to emerge victorious. The Buff forward wall appears to have more power but this is offset by the fact that the Wildcats have more speed. Being 100% behind the Buffs, we are going to back 'em with the prediction that they will make it five straight wins! Come on, Buffs, let's go!

Our congratulations to members of the Freshman Class on a fine job of getting your candidate, Mamie Foster, elected Halloween Queen. Mamie is a daughter of Mr. and Mrs. A. B. Foster of this city, and she made a beautiful queen. Oh, yes, Joe Gary, handsome son of Mr. and Mrs. H. D. Gary, filled the bill perfectly as her escort in the coronation ceremonies which were held as a climax to the P-TA Halloween Carnival in the school gymnasium last Saturday night.

HERE IS JOE'S ADDRESS

Several friends of the Coppinger family have asked for Joe's address so that they might write him. Here is the address:

S. R. Joe K. Coppinger 4516218 Co. 329 U. S. Naval Training Center San Diego 33, Calif.

Joe left two weeks ago for California where he is taking his basic training.

CHAMPS OF '23 . . . And beauties they were! Pictured above, the 1923 girls basketball team which was hailed as champions of Callahan County that year. From left to right, team members were: Lou Allen Hill, now Mrs. G. E. Browning of San Angelo; Syble Barr, now Mrs. Fonia Worthy of this city; Clara Mitchell, now Mrs. Conrad Rogers of Silver City, N. M.; Margarette Stewart, now Mrs. Lester Carr of Longview; Ynette Sipes, now Mrs. J. C. Bowden of Burkett, and Blue Belle Stewart, now Mrs. W. B. Brashear of Artesia, N. M.

Dublin Lions Win Over Cross Plains, 20-6

Playing an excellent brand of football, the Cross Plains Buffaloes fell before a strong Dublin eleven there last Friday night by a score of 20-6.

Taking the opening kick-off on their own 16-yard stripe, the Buffs marched upfield 84 yards to score before relinquishing control of the pigskin. Halfback Glenn Fleming tallied the lone score for the locals when he drove over the last four yards of the drive to score. Fullback Bill Sipes' boot for extra point struck one of the uprights and the Buffaloes were out front 6-0 as the first period ended.

The Dublin team scored twice in the second period with Back Jerry Daniels making both tallies. Durwood Strube converted after the first touchdown and Daniels ran the extra point across after a high pass from center prevented the placement attempt. The half-time score read 14-6 in favor of the Dublin Lions.

Final score of the game came in the third period when Daniels hit Homer Pendleton for a 38-yard touchdown aerial. The try for point failed and the final score read 20-6 for Dublin.

Band Boosters Club To Meet Tuesday Night

Mrs. J. L. Bonner, president of the Band Boosters Club, announced this week that an important meeting of the club will be held Tuesday night, November 9, in the High School study hall and urges all members of the organization to be present. Plans will be made for the three-day trip the band will make to Del Rio, and transportation will be arranged. The meeting will begin at 7:30.

Following the business meeting, a social hour will be enjoyed. Remember the date, Tuesday night, November 9.

Mr. and Mrs. Fred Tunnell were Abilene visitors Monday afternoon.

HER HIGHNESS — Pictured above is Miss Mamie Foster, who was crowned Halloween Queen in coronation ceremonies at the school gymnasium Saturday night. Her escort is Prince Consort Joe Gary.

School Halloween Carnival And Queen's Race Nets \$1,327.24 For P-TA And Annual

Dr. Carl J. Sohns was in Dallas the first of the week attending the National Osteopathic Convention held in that city. He will return to Cross Plains Thursday night.

Mrs. Gwynn Elliott, president of the Parent-Teachers Association, reported this week that the Halloween Carnival and queen's race netted the organization and the school classes a total of \$1,327.24 with the carnival taking in \$877.02 and the queen's race netting \$450.22.

According to Mrs. Elliott half of the carnival proceeds will go to the Parent-Teacher Association and half will go to the school classes and organizations sponsoring booths.

Mrs. Dorothy Shook, sponsor of the school annual, stated that the money raised in the queen's race will be divided with each class getting half of the proceeds it raised and the other half will go to the annual fund to help defray the costs of publishing "The Bison."

Mamie Foster Crowned Queen Miss Mamie Foster, daughter of Mr. and Mrs. A. B. Foster of this city, candidate of the freshman class, won the queen's race and was crowned Halloween Queen before the largest crowd ever to attend a carnival here in the school gymnasium to climax one of the most successful carnivals ever held here. She was escorted by Prince Consort Joe Gary.

Miss Kathryn Anderson of Beeville visited with her parents, Mr. and Mrs. F. R. Anderson, over the week end.

Mrs. Jesse Clark and baby are visiting here with Mrs. Clark's parents, Mr. and Mrs. T. Y. Woody, and other relatives.

Large Crowd Of Ex-Students Expected To Attend; Seaborn Collins To Address Group

Fire Department Given Donation Of \$25 By Mrs. J. Peyton Smith

Fire Chief V. C. Walker of the local Fire Department reported this week that he was in receipt of a check in the amount of \$25.00, given by Mrs. J. Peyton (Susie) Smith as token of her appreciation for the efforts of the members of the rural fire fighting squad in bringing the flames under control on her place some five miles west of town, several weeks ago.

The roaring grass and timber fire scorched about 50 acres on the Smith place before being brought under control.

Chief Walker asked that the Review express the sincere thanks of the department to Mrs. Smith for her generous contribution.

American Legion Post Calls Meeting For Nov. 10

Clay Kinnard, Commander of the Tomie Aiken Post, American Legion, announced this week that a called meeting of the post will be held at the Legion hall here Wednesday night of next week, Nov. 10, for the purpose of making some changes in the laws of the post.

He urges all members and eligible veterans to be present at this important meeting.

Burkett Cagers Win Two Basketball Games

W. R. Chambers, superintendent and basketball coach at Burkett, reports that his boys and girls teams were hosts to the Centennial High School basketball teams Tuesday night of last week and were victors in both games.

Results of the games were: Burkett girls, 49, Centennial, 43; Burkett boys, 60, Centennial, 40.

Coach Chambers stated that both games were extremely fast and well-played for early season games.

Howard Payne College Homecoming Saturday

Brownwood — The largest homecoming crowd in the history of Howard Payne College is expected to be on the campus Friday and Saturday to honor Seaborn P. Collins, national commander of the American Legion, and Dr. Thomas H. Taylor, now in his 25th year as president of Howard Payne.

Commander Collins is a Las Cruces, New Mex., businessman, will fly his single-engine, four-place Navion to Brownwood Friday afternoon, stopping off in Cross Plains at 3 p.m. to speak at the homecoming of the Cross Plains School ex-students.

A Man of the Year banquet in his honor will be held at 7:15 p.m. Friday at Hotel Brownwood. Commander Collins will address some 500 Howard Payne and Daniel Baker exes.

The national Legion commander is a native of Maybelle (now part of Abilene) and is a 1930 graduate of Cross Plains High School. He is a 1935 graduate of Daniel Baker College, Brownwood, which was merged with Howard Payne College last year. Commander Collins is being honored as Man of the Year of Daniel Baker alumni.

Dr. Taylor, who is observing the 50th anniversary of the year he first joined the Howard Payne College faculty, is being honored as Howard Payne's Man of the Year.

Billy Wright Discharged From Army Recently

Billy Wright, son of Mr. and Mrs. Everett Wright of this city, was discharged from military service at Fort Bliss, El Paso, Wednesday of last week. Mrs. Billy Wright of Abilene and Mrs. Everett Wright were in El Paso to meet their husband and son and he returned home with them, Wednesday night.

Billy entered the service in November, 1952, and served for 15 months in Korea.

Morris Ray Cavanaugh and Billie Jean Wright attended the homecoming at Tarleton State College in Stephenville during the week end. Buford Conn of Dallas also attended the homecoming.

Plans are complete and everything is in readiness here for the first school Homecoming since World War II, which is scheduled to get underway in the high school gymnasium at 2:00 p.m. Friday afternoon of this week, according to committee chairmen in charge of arrangements.

Collins To Speak

Highlight of the afternoon program will be an address by Seaborn Collins, National Commander of the American Legion and a 1930 graduate of Cross Plains High School. Commander Collins notified Edwin Baum, Cashier of the Citizens State Bank and a member of the program committee, that he would fly his own plane, a four-place Navion, here and would arrive at Bryant airport shortly before 3:00 p.m.

He will be met at the airport by Baum and members of a welcoming committee composed of State Legion

Showers Totalling .15 Fall Wednesday Morning

Intermittent showers totaling .15 of an inch fell in the Cross Plains area Wednesday morning and at noon showers continued to fall. The showers followed a cold front which moved into the area Tuesday, lowering temperatures to slightly above freezing Tuesday night.

Mr. and Mrs. H. V. Falkner and Robert, Mr. and Mrs. Vernon Falkner and family all of this city and Mr. and Mrs. John Falkner of Coppas Cove visited the Daniel Falkner family in Brownwood Sunday afternoon.

Bayou Philosopher Comes Out With Improved Scoreboard To Take Guesswork From Football

Editor's note: The Bayou Philosopher on his Johnson grass farm on the Bayou discusses football this week, which we doubt he has any business doing.

Dear editor: I know as much about football as I do Constitutional law or the life cycle of the boll weevil, but I've been noticing lately that more and more fans are coming away from football games each week unsatisfied with the results.

At any given game, you know beforehand half the fans are gonna come away unhappy over the outcome, and I never have figured out how an enterprise with such odds against it could survive. On the other hand, most winters I've never figured out how my cows could survive on the feed they've got, but somehow they make it.

A year or so ago I figured out a plan where both teams could win, everybody could come away from a game feelin' elated and the coachin' profession wouldn't be any more hazardous than farmin', but I never got anywhere with it.

I have been thinkin' about football some more though—why shouldn't a farmer advise on football, everybody else advises farmers on farmin'—and was interested in readin' a situation up in the East a few Saturdays ago. It seems the stadium time clock stopped during the middle of the game and the fans were almost helpless. Didn't know what down it was half the time, couldn't tell how many yards to go for a first down, and had a hard time finding out

Commander E. L. (Stonewall) Jackson of Cisco; Albert D. Brown, Jr., National Executive Legion Committeeman for Texas, of Austin; Clay Kinnard, Commander of the Cross Plains Legion Post; J. H. Nunnally, Commander of the Rising Star post; Mayor S. F. Bond; Chamber of Commerce president Alton Hornsby, and two of Collins high school classmates, Mrs. Doyle Burchfield and Mrs. Parker Baum, both of this city.

Collins, son of the late Rev. S. P. Collins long-time pastor of the First Presbyterian Church here, spent virtually all of his boyhood days in Cross Plains and is remembered by scores of local citizens. He stated in his letter of acceptance that he was looking forward to his visit 'home' and hoped to see a lot of his old friends during his short stay.

He will be honored as "Man of the Year" by Daniel Baker-Howard Payne Colleges in Brownwood Friday night.

Completed Program

Jack Scott, master of ceremonies and chairman of the program committee, announced this week that the following will be the complete program for the homecoming:

Registration, 2:30 to 3:00. Invocation, Albert Lovell. Address by Commander Seaborn Collins.

Informal reminiscing period. Sing-song led by Barbara Ramsey Walker.

Recognition of all ex-students. Election of officers. Nominating committee is composed of Melvin Placke, Peggy Koenig, Ferrell Newton, and Barbara Vaught. "Highlights of Yesteryears," Miss Billie Ruth Loving.

Election of Homecoming Queen and her escort from the floor of the meeting.

Adjournment will come at approximately 5:00 p.m. and at 5:30 a buffet-style barbecue supper will be served at \$1.25 per person.

Football Game

The day's activities will be climaxed in the evening with the annual grid classic pitting the Cross Plains Buffaloes against their arch rivals, the Rising Star Wildcats. The Homecoming Queen and her escort will be presented by the Buffalo Band in ceremonies during the half-time.

Everyone is invited to visit with the ex-students during the homecoming meeting and all are invited to enjoy the barbecue supper.

Buffaloes Tangle With Rising Star Wildcats In Homecoming Grid Classic Friday Night

Squaring off for their 24th grid battle in the last 25 years the Cross Plains Buffaloes will be hosts to their arch rivals, the Rising Star Wildcats in a homecoming conference game to be played in Buffalo Stadium Friday night, with kick-off time set for 7:30.

According to statistics and team standings, the two teams look like an even bet and fans can rest assured that it will be one of the best conference battles of the season.

Record of Games Played

The Buffaloes and Wildcats have met on the gridiron 23 times in the last 25 years, and the Buffs have emerged victorious 16 times while splitting one. The first game of the 25-year series started in 1929 and ended in a 6-6 tie. Contests between the two schools were not played during the years of 1941 and 1943 due to the fact that the schools were not members of the same conference and their schedules made non-conference games impossible.

Grid record of the Buffalo-Wildcat games is as follows:

Table with columns: Year, C. P., R. S., Score. Rows from 1929 to 1954.

Big Crowd Is Expected

Due to the fact that this game always draws a large crowd, plus the fact that this is Homecoming Day at the local schools, a capacity crowd is expected to be on hand to witness this grid classic and all home folks are urged to turn out with the visiting-ex-students and cheer for the Buffaloes, win, lose or draw.

Bands To Perform

Bands from both schools will perform at the half-time for the entertainment of the fans and the Buffalo Band will present the Homecoming Queen during their time on the field.

Mr. and Mrs. Dwayne Wilson returned home Monday from a wedding trip to points in Louisiana and Florida.

Mrs. L. P. Reid is visiting in Madina with her son, Austin Reed, and family.

Yours faithfully, J. A.

What's new with Chevrolet? everything!

Wonderful new Glide-Ride Front Suspension
 New spherical joints flex freely to cushion all road shocks. New exclusive Anti-Dive Braking Control, assures "heads up" stops.

8
6
6

Even Air Conditioning, if you wish
 Air is heated or cooled by a single unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) And that's only one of the wonderful extra-cost options you can get!

Great new V8—two new 6's
 New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. You can choose from two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

Easier steering, stopping, clutching
 The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.

Tubeless tires as standard equipment
 On all models! Proved tubeless tires give you greater protection against a blowout . . . deflate more slowly when punctured.

... and Chevrolet's got that long, low "let's go" look
 It's a show car from the word go! Longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

Three drives, including Overdrive
 There's Powerglide teamed with the new V8 or the new "Blue-Flame 136." New Overdrive teamed with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) Now standard transmission, too!

A ventilating system that really works
 Chevrolet's new High-Level Ventilating System takes in cleaner air at hood-high level—away from road heat, fumes and dust.

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.
 This is the car that only the world's leading car builders—Chevrolet and General Motors—could have built. The Motoramic Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a new model. It's more, even, than a completely new car. It's a whole new idea about cars!

Come in and meet the **motoramic Chevrolet**
 —more than a new car—A NEW CONCEPT OF LOW-COST MOTORING

INTERESTING FACTS ABOUT TEXAS

ALAMO

Shrine of Texas liberty. Most famous of the missions. Present building is the old chapel of Mission San Antonio de Valero, founded in 1718 by the Franciscan Padres. In 1836, during the war for Texas Independence, the Alamo was the scene of one of the most heroic events in the history of our nation. All of the defending Texas soldiers were killed here while besieged by troops under the Mexican general, Santa Anna.

Amendments
Change Social
Security Law

The 1954 Amendments to the Social Security Act, signed into law by President Eisenhower recently, will have a direct effect on almost every American family, according to R. R. Tuley, Jr., manager of the Abilene district office of the Social Security Administration.

"Some of the changes take effect immediately," stated Tuley, "and other changes will not become effective until January 1, 1955. This is the first of a series of informative articles prepared to acquaint the people of this area with just what the changes are and also what they are not."

All Social Security offices want this change to get as wide publicity as possible, trying to reach some 300,000 affected persons over the entire country. Widows and unmarried children under 18 of persons who died before September 1, 1950, can now be paid benefits previously denied, if the deceased had at least 6 quarters of coverage to his credit at the time of death after 1939. A quarter of coverage means being paid at least \$50 in wages for employment covered by the Social Security Act in a calendar quarter after December 31, 1936.

Persons covered by Social Security can receive credit of up to \$4200 per year, starting in 1955, towards future benefits instead of only \$3600 per year as had been the case since 1950, or \$3000 per year for years before 1951.

The coverage of Social Security will be expanded to cover more farm workers than before, more domestic employees than before, added self-employed groups such as farm operators, accountants, engineers, funeral directors, architects, and on voluntary basis, ministers and Christian Science practitioners.

Following articles in this series will give more details on the items mentioned above. Readers are urged to clip and save this article as a source of reference when the question of Social Security comes up later in family or other discussions. To get the most from one's own Social Security account, accurate information as to the things provided and not provided by the law is essential. There's just a little "mis" between INFORMATION and MISINFORMATION, but that little difference might well serve to cost some family thousands of dollars.

Clyde Sims and A. J. McQuin attended the Hardin Simmons-Arizona University football game in Abilene Saturday night.

W. D. Smith visited his daughter, Miss Lyna Smith, in Fort Worth, and in Dallas with another daughter, Mrs. W. C. Childress and family, over the week end.

Birthdays Observed

Mr. and Mrs. Edgar Bragg of Stanton, Mr. and Mrs. W. L. Steele and C. R. Steele of Coleman, and Mr. and Mrs. B. A. Luttrell and Edd of Cross Plains visited Sunday in the home of Mr. and Mrs. Dave Ingram and enjoyed a birthday diner honoring C. R. Steele, B. A. Luttrell and Mrs. Bragg.

Mr. and Mrs. A. J. McQuin and son, Jay, were Brownwood visitors Saturday morning.

A. G. Koenig and son, Claud Albert, and daughter Mary Helen, of Ranger visited in the home of his brother, Willie E. Koenig, Sunday.

Mr. and Mrs. R. C. Brown have as guests this week Mrs. Brown's brothers, Edward King, Chromo, Colo.; Claude King, wife and son, Snyder; and Roy King and wife of Idabell, Okla. This is the first reunion of Mrs. Brown and her three brothers in 26 years.

TOPPER BRAND PEANUT SEED

THIS IS TO CERTIFY that Durham Peanut Company will guarantee Southwest Spanish Peanut Seed of good germination and at reasonable price to producers for 1955 planting season as follows:

1. To the producer who sells his peanut crop to this company, we positively guarantee as stated above, sufficient seed to plant his 1955 quota acres. This guarantee is to expire May 1, 1955.

2. To the producer who, due to crop failure, has no peanuts to market or the producer who has peanuts to market but does not sell his crop, we guarantee, as stated above, sufficient seed to plant his 1955 quota acres, PROVIDED he comes to our office by December 15, 1954, and makes special arrangements necessary for us to offer him this protection. This guarantee will hold good only until our supply is exhausted.

As you know, Durham Peanut Company has specialized in TOPPER BRAND PEANUT SEED for many years and we are very grateful for the splendid public acceptance of this fine product. We are again making every effort to accumulate sufficient high quality, high germination peanut seed to assure all of our customers throughout our entire trade territory of adequate good quality seed to plant their 1955 quota acreage. This company feels it has a very definite responsibility to see that our entire planting area is supplied with good quality seed and we are entering the season with a full realization of this responsibility at the same time asking the wholehearted cooperation of every producer to the end that there will be ample seed for himself and his neighbors.

To the producer who does not care to avail himself of the protection afforded him under the above outlined plan, please rest assured that this company will make every effort to furnish your 1955 seed requirements; however, we must depend upon our buying for our seed stock and hope that you will cooperate with us in our all-out effort to acquire sufficient tonnage from which to select your seed, by selling your peanuts to this company.

Social Security Data For Farm Families

Many farmers in and around Cross Plains have begun to show a keen interest in the new social security law as it will affect them in 1955 and later, according to R. R. Tuley, Jr., District manager of the Abilene office of the Social Security Administration.

"In visits to Callahan County, representatives of the Abilene office are having numerous questions and inquiries from self-employed farm operators about what they need to do now and later, and what it will mean to them and to their families in the way of future retirement or survivor monthly benefit checks," Tuley stated.

"In general," he reports, "self-employed farm, ranch and cotton-gin operators, who earn as much as \$400 net profit in 1955 and in 1956 will become fully insured in April, 1956. Those then 65 years of age or older, or survivors of those who die insured after that date will be due monthly checks subject to the retirement or earnings test contained in the '54 amendments.

"Farm employees who are paid as much as \$100.00 by one employer in 1955 or any later calendar year will also begin to earn social security rights. The test of being insured depends on what we call 'quarters of coverage'. A farm employee gets one such 'quarter coverage' for each \$100.00 in taxable wages, up to four in each year. The self-employed person receives his farm 'quarters of coverage' for each year that he reports as much as \$400.00 in net profit. No one is insured until he has at least 6 quarters of coverage, and the requirement rises through the future years to a maximum need for 40 such credits."

To help local area farm families learn full details about how the 1954 Amendments to the Social Security Act affect them, this paper is carrying the coupon below for their convenience. Completing and mailing the coupon to the address shown will bring you the free booklet "Facts for Farm Families."

Winter Winds Pose New Health Threat

Austin—The cold winds of winter will whip up a new threat to Texans' safety.

The threat comes from carbon monoxide, which Dr. Henry A. Holle, State Health Officer, characterizes as being invisible, odorless, and tasteless - but deadly.

As cold weather draws near, the danger of carbon monoxide in the home or garage increases. Many people throughout the state are lighting poorly or faulty ventilated heaters and furnaces in their homes or running their cars in closed garages. Closed houses keep the cold out and the deadly fumes in. A few people live to tell about it because someone found them before it was too late.

The burning of any fuel that contains carbon may produce carbon monoxide. This is true of coal, coke, wood, oil, kerosene, gasoline and such gaseous fuels as natural or manufactured gas. Last year 7 Texans died of carbon monoxide poisoning, two of them in automobiles.

All heating equipment should be vented to a flue. Keep all rooms ventilated. Do not turn the heater higher than it was intended to run. Never leave gas heating appliances burning while you and your family are asleep. Regulate adjustable air-mixing valves so that enough air is supplied to insure complete combustion of the gas.

If a person is overcome by carbon monoxide they should first be removed to fresh air. In addition open windows and turn off the gas in the room. If the victim has stopped breathing, administer artificial respiration and if possible an inhalator should be used to administer oxygen. Keep the patient warm and lying down until a doctor comes.

Mr. and Mrs. James W. Lindsey of Fort Worth visited her parents, Mr. and Mrs. Willie E. (Bill) Koenig Friday night through Sunday.

Mr. and Mrs. Onis A. Taylor and children were week end visitors in the home of her parents, Mr. and Mrs. A. C. Halsell.

Mr. and Mrs. Hub Freeman and children were in Moran Sunday visiting her mother, Mrs. Hattie Gray.

Mr. and Mrs. C. D. Anderson and family of Abilene and Mr. and Mrs. V. J. Williams and family of Odessa visited here during the week end with relatives.

Ar-Pan-Ex is compounded of seven active ingredients including a special new medicine to help provide longer lasting relief. Ar-Pan-Ex exclusively perfected to curb chronic, deep-seated pains.

Why AR-PAN-EX Helps Ar-Pan-Ex does not dissolve uselessly in the stomach—avoids stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL

the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wrecked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate pains.

Nothing Like AR-PAN-EX Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions.

Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

Texas Methodist To Aid Koreans In Offering

Methodists throughout Texas will join others of their denomination across the nation by honoring members of their congregation who have served in Korea and making a contribution to the Bishops Appeal for Korea designed to raise \$1,000,000 for emergency needs in Korea, according to Bishops William C. Martin and A. Frank Smith of the Dallas-Fort Worth and Houston-San Antonio areas of the Methodist Church respectively. Special worship services will be held on Sunday, Nov. 14, with the exception of some churches in Dallas, Fort Worth and the surrounding territory which will use Sunday, Nov. 7, for the special observance because of a conflict with a national temperance meeting being held in Dallas on Nov. 14.

Novel feature of the service will be the presentation of the offering in miniature "rice bags" symbolic of the sacrificial offerings of rice which the Koreans themselves reportedly have given to rebuild their war-ravaged sanctuaries.

This special offering has been approved by the Methodist Council of Bishops and the Council on World Service and Finance.

Seventy percent of the receipts from the offering will be administered through the denomination's Division of World Missions and 30 percent through the Methodist Committee for Overseas Relief.

Local Girl Is Pledge Of Adelpian Literary Club

Denton — Miss Peggy Rhymes, daughter of Mr. and Mrs. A. B. Rhymes of Cross Cut, is a pledge of the Adelpian Literary-Social Club at Texas State College for Women.

Pledge names were released Thursday climaxing two weeks of club rush parties on the TSCW campus. Pledge week ended October 29. Pledges will become full-fledged members at formal initiations in November.

Literary-Social clubs are affiliated with the Texas Federated Women's Clubs and their activities integrated by the Junior Forum on the campus. The Student Council of Social Activities sponsors a pre-rush week open house honoring prospective pledges and governs pledge quotas and pledging rules.

Miss Rhymes is a junior art education major.

Mrs. J. Lee, Smith visited with relatives in San Angelo, Kerrville and San Antonio last week.

Mrs. Zola Plumlee visited in Midland with her daughter, Mrs. Bill Waldroup and husband, and in Odessa with another daughter, Mrs. Sonny Umberson, and husband over the week end.

Burkett Methodists To Have Special Service

A deputation team from McMurry College, Abilene, and their sponsor, Dr. Lloyd D. Huff, will be at the Burkett Methodist Church Sunday and have charge of both the morning and evening worship services as well as the Sunday School service which begins at 10:00 a.m.

A basket lunch will be spread at the noon hour and at 2 p.m. a singing will be held at the church. Everyone is extended an invitation to attend all services during the day.

A special invitation is extended to all singers and those who enjoy good gospel singing to be present.
