

"AS I SEE IT"

By Jack McCarty

Yea, Buffaloes, we're with you! We are proud of the game you played against the Ranger Bulldogs here last Friday night. After playing clean, hard, heads-up football from start to finish, it is no disgrace to lose to a superior team and you can find comfort in the knowledge that you forced the leading team of the district to play their best players from start to finish.

With only a single loss chalked up against you this season, we urge you to put your best into the last two games and win 'em! After suffering a five-year drought in the win column, we predict that the Rising Star Wildcats will be out to win this year and it will take a good brand of football to defeat them. Losing only one prediction this year, this department is going along the Buffaloes and predict that they will make it six straight wins over their neighboring rivals come next Friday night.

Congratulations are extended to Morris Odum on the opening of his new and modern service station located on Highway 36 here, just west of the traffic light. The new business is a real addition to the business district of our town and adds much to the attractiveness of the city. May you enjoy good luck and prosperity in your new venture, is our wish, Morris.

A bunch of posies are extended to Sidney McClure, daughter of Mr. and Mrs. W. T. McClure on being selected band sweetheart and to Miss Cynthia McQuin, daughter of Mr. and Mrs. A. J. McQuin and Miss Belinda Brashear, daughter of Mr. and Mrs. Robert Brashear on being selected high school and junior high Halloween Queens.

While we are in a complimentary mood we would like also to compliment the youth of our community for their excellent behavior during Halloween. There were only a couple of reports where anyone had to be reprimanded for action during the dark hours when the spooks and hobgoblins were out and about and we are proud of our youth for not wasting their time and efforts in destroying or defacing private and public property.

Here is some solid food for thought, entitled, "Why Men Fail". There is a cause for everything. Nothing ever "just happens." If a man is promoted to a better job, there is a reason. If a man loses his job, there is a cause.

There are many causes that lead to failure. Here is a list of the most common ones, as assigned by a noted psychologist. Look them over; if none of them apply, to you, then you are to be congratulated, for you are a success:

1. Finding fault with the other fellow, but never seeing our own.
2. Doing as little as possible, and trying to get as much as possible for it.
3. Spending much time showing up the other fellow's weak points, and too little time correcting our own.
4. Slandering those we do not like.
5. Procrastination—putting off until tomorrow something that we should have done day before yesterday.
6. Deceit—talking friendly to the other fellow's face and stabbing him in the back as soon as he turns around.
7. False belief that we are smart enough to reap a harvest of pay before sowing a crop or hand service.
8. Disloyalty to those who have trusted us.
9. Egotism—the belief that we know it all, and no one can tell us anything.
10. Last, but not least, lack of necessary training and education to enable us to stand at the head in our line of work.

Visitors over the week end in the home of Mr. and Mrs. C. H. Dawson here were her sister and husband, Mr. and Mrs. A. O. Allen of Irving and her niece and husband, Mr. and Mrs. L. A. McKinney of Lake Placid, Fla.

Bayou Philosopher Claims He's Taking Lead In Holding Prices Down, Avoiding Inflation

Dear editor:

When the first north wind of the Fall blows out here on this Johnson grass farm I always know I'm going to get an extra supply of newspapers and while a good many of them are just papers coming back after being blown off this place earlier in the year while a south wind was going, generally I can find some new one and this week wasn't any exception, so I sorted out the ones that weren't returns and settled down to some serious reading the other afternoon.

In one paper I found an article that made me proud.

According to it, a group of 28 leading economists and industrialists, in predicting that prosperity in 1956 will be even greater than it is now, also some advice on how to keep things moving steadily, with no rocking the boat.

One of their main pieces of advice was against inflation, and to head this off they urged restraint in increasing prices.

I am proud to say that I antici-

Help Build A Better Community By Trading At Home

NUMBER THIRTY-TWO

FATAL ACCIDENT VEHICLE . . . This photo, furnished through courtesy of the Brownwood Bulletin, shows the demolished 1955 Buick sedan which overturned about 12 miles south of here on Highway 279 about 1:30 p.m. Wednesday of last week and fatally injured Howard King, prominent oil operator, of this area, who resided in Abilene.

HOWARD KING

HOWARD KING, OIL OPERATOR HERE, KILLED IN AUTOMOBILE ACCIDENT SOUTH OF TOWN

William Howard King, 44, of Abilene, well-known local oil operator, was killed instantly about 1:30 p.m. Wednesday of last week when his 1955 Buick sedan left the highway about 12 miles south of here on Highway 279.

He was enroute to Brownwood from here on business connected with extensive oil interests in the Cross Cut area at the time of the accident. Tracks and skid marks at the scene revealed that his car left the road on the left hand side after rounding the first curve south of the Bayou bridge. The car then came back on the pavement at a sharp angle and went into the ditch on the right hand side and began overturning as it ripped through a

fence and came to rest some 375 feet from where it left the pavement. It was upright on its wheels about 40 feet out in the field.

A motorist, traveling behind King's car, told investigating officers that all he could see was a cloud of dust when he came upon the scene. The car was hidden from vision of southbound motorists since it had plowed through a grove of willows along a small branch.

The motorist searched the car but did not find King's body immediately, he said. The body was located about 65 feet beyond the point where the car stopped.

The car was completely demolished, and pieces of the wreckage were strewn for many feet along its path. Officers were unable to determine how many times the car overturned.

King had extensive oil holdings in Upton and Midland counties and in the Cross Plains-Cross Cut area of Callahan and Brown counties.

When the Texas Railroad Commission announced the October proration schedule for 849 oil wells in Brown County, the largest well was listed as the Howard King, Willie Koenig No. 3 in the Brown County Regular field as having a daily potential of 75 barrels, the highest in the county.

Mr. King moved to Abilene about four months ago from Midland in order to be closer to oil developments in the Cross Cut area. He had also lived at Albany and Sweetwater in recent years.

He was born Sept. 6, 1911 at Junction City, Ark. He attended high school at Brady and attended Howard Payne College in Brownwood and Hardin-Simmons University in Abilene, 1929-1932. He was a 32nd Degree Scottish Rite Mason and a member of Suez Shrine Temple at San Angelo.

Survivors are his wife, the former Maribell Parsons of Albany; one daughter, 6, his parents, Rev. and Mrs. J. T. King of Austin; three brothers, Carroll King of Austin, and Ralph King and J. T. King Jr., both of Odessa; four sisters, Miss Mary King and Miss Maggie King, both of Austin and Mrs. George Shaw and Mrs. Ruby Yose, both of Del Rio.

The body was taken to Austin and funeral services were conducted in the Cook Funeral Home Chapel there Friday morning at 10:00 o'clock with Dr. Carlisle Marney, pastor of the First Baptist Church in Austin, officiating. Interment was made in Memorial Park in Austin.

The deceased was well-known and highly esteemed by a wide circle of friends here. He had maintained offices in the Big D Drilling Co. building here for some time.

Christmas Seal Sale To Open Here Nov. 16

The Christmas Seal Sale of the Callahan County Tuberculosis Association will open November 16 and will continue through December.

Detailing plans for the annual campaign, Mrs. C. H. Siodous, Christmas Seal chairman, said, "The tuberculosis association is dedicated to securing a healthy, happy future for the children of Callahan County. With the support of every citizen, we may someday achieve the eradication of this disease which threatens so many homes."

Christmas Seal letters are being prepared with the help of volunteers from the women's study clubs and the Girl Scouts.

The Christmas Seal letter is the tuberculosis association's appeal for funds to support programs aimed at protecting our families against the tragic cost of TB.

Seals are still \$1.00 per sheet. Won't you buy yours and use them on every letter and package you send out at Christmas time. Your contribution is your gift of hope to your community.

Mr. and Mrs. Frank Pumphrey of Winters were week end visitors in Cross Plains with their daughter and family, Mr. and Mrs. A. J. McQuin, Cynthia and Jay.

Mighty Mites Lose To Rising Star Kittens, Present Their Queen

The Junior High football team, known as the Mighty Mites, and coached by Billy Mac Coppinger and Jack Watkins, wound up their season here Tuesday night of this week by playing the Rising Star Kittens and losing by a score of 13-7.

Claude Beeler, fleet-footed back scored the lone tally for the Mighty Mites.

During half-time ceremonies Miss Sandra Kilgore, daughter of Mr. and Mrs. Bill Kilgore of Cross Cut, was presented by team members as football sweetheart. She is a member of the eighth grade class.

Buffalo Band Plans Trip To Austin On Saturday, Nov. 12

The Cross Plains Buffalo Band has again accepted an invitation to participate in the Texas University Band Day parade to be held in Austin on Saturday, Nov. 12.

More than 100 high school bands will be guests of the university on that date, it was announced.

The mammoth parade will get underway with a marching contest up Congress Ave. to the State Capitol building at 10:00 a.m. That afternoon the visiting bands will be guests of the university at the TCU-Texas football game.

The local group will leave here during the early morning hours Saturday and will make the trip by school bus, returning home that night.

Bishop Chevrolet to Show New Models Here Friday

Lee and Dale Bishop, owners of the Bishop Chevrolet Co. here will be hosts next Friday at their showroom when they will display the 1956 model Chevrolet to the public for the first time, and they extend everyone a cordial invitation to call during the day.

On another page of this edition of the Review will be found a whole page covering the changes in the new model Chevrolets.

Doors favors will be given to those attending the showing here Friday, it was said.

New Odom Station To Open Here Saturday

In a display advertisement appearing on another page of this edition of the Review, Morris Odum announces the grand opening of his new and ultra-modern Premier Service Station, located on Highway 36, just west of the traffic light here.

The new station is of the most modern design and is situated on a quarter of a block of land. There are nine gasoline and one diesel pumps located conveniently on the spacious driveways for the convenience of the motoring public. The station is one of the most attractive establishments in town, especially at night when it is beautifully lighted with various-colored neon lights.

According to the advertisement, Deel Edington, well-known local citizen will be station manager for the new enterprise and the firm will feature a complete line of Premiere products plus all brands of motor oils. The station will also handle a complete line of Firestone tires and auto accessories and will operate on a 24-hour schedule, it was said.

Citizens of this area are invited to drive in and inspect the new station Saturday, Nov. 5. Register for the big drawing at 8:00 p.m. that night when some lucky persons will win 50 gallons of gasoline and a case of motor oil. You do not have to buy anything to register and you do not have to be present to win, it was stated. Odum also announced that he will have free gifts for the kids on opening day.

Read the advertisement and make it a point to drive by and inspect this new establishment, which adds much to the attractiveness of Cross Plains.

Buff Band To Participate In Rising Star Parade

J. G. "Pop" Stanley, director of the Cross Plains Buffalo Band announced early this week that his band would journey to Rising Star on Friday to participate in the school homecoming parade to be staged there at 4:00 p.m.

The band will leave here about 3:00 p.m. and will carry pick lunches and remain in our neighboring city for the Buffalo-Wildcat football game to be played there that night.

W. B. Baum of Tatom, New Mexico and Mrs. Leon Hart of Los Vegas, New Mexico spent several days here last week visiting their aunt, Mrs. Mary Bond and Vesta.

Bufs Lose To Ranger 25-0, Play Rising Star Friday Night

Coach James Alexander's Cross Plains Buffaloes played hard, heads-up football here last Friday night, but fell before a stronger Ranger squad by a score of 25-0.

The Ranger Bulldogs hacked out a touchdown in each of the four quarters to shut out the Buffaloes. The victory was Ranger's second in District 7-A play without a loss, while it was the first loss of the season for the Buffaloes.

Quarterback Paul Hinds ran two yards for the first tally in the opening period. In the second quarter Hinds tossed a 13-yard scoring pass to Watson to make it 12-0 at the half.

David Wharton skirted his left end for five yards in the third period and Wharton then booted the point. Tommy Sutton slammed over the middle for one yard and the final Bulldog tally in the last quarter.

Band Sweetheart Presented. During the half-time ceremonies the Buffalo Band presented Miss Sidney McClure, daughter of Mr. and Mrs. W. T. McClure as Band Sweetheart. She was escorted onto the field by Band Director "Pop" Stanley and as the band played "Yellow Rose of Texas," she was presented with a beautiful bouquet of yellow rose buds by Band President Benny Glover, son of Mr. and Mrs. Chester Glover.

Mrs. Martha Lewis Is Claimed By Death

Mrs. Martha Lewis a resident of Brown County most of her life, died at her home at Goldthwaite Sunday after an illness of two weeks.

Graveside services were held Tuesday afternoon at 2 p.m. in the Smith Cemetery near Cross Cut.

Mrs. Lewis was born at Byrds, August 22, 1883. Her husband was the late H. F. Lewis.

Survivors include two daughters, Mrs. Albert Cagle of Goldthwaite and Mrs. C. P. Watkins of Rising Star; two sons, Franklin and Floyd Lewis both of Andrews; a sister, Mrs. Mary Robertson of Grosvenor; 11 grandchildren and five great-grandchildren.

CORRECTION

In a news story and also in an advertisement appearing over the signature of Tom Cox, carried in last week's edition of the Review, an error was made in the loan price being paid on the current peanut crop placed in government loans.

Both the story and advertisement stated that peanuts could be placed in the loan program at \$238.00 per ton. The figure should have been \$228.00 per ton.

We regret the error, Tom, but you'll have to agree that we are consistent!

Play Rising Star Friday.

The Buffaloes will journey to Rising Star Friday night of this week where they will tangle with their arch rivals, the Rising Star Wildcats. The Buffs will be playing without the services of their star fullback, Darvel Hutchins, who suffered a fractured foot in the Ranger game and will be sidelined for the balance of the season. It is also doubtful that Back Jerry Foster will play and Coach Alexander also stated that Tackle Jim McDonald is suffering from injuries and will not be in top form if he plays at all.

While the Rising Star Wildcats have won only a single game this season, the rivalry between the two schools always makes for a good game and with the Buffaloes suffering numerous injuries it will be safe to bet that it will be a hard-fought game.

The two teams have met on the gridiron 24 times in the past 26 years and the Buffaloes have emerged victorious 17 and split one game with their neighboring foe. The 26-year series started in 1929 and games between the two schools were not played in 1941 and 1943 due to the fact that they were in different conferences and their district schedules made non-conference games impossible.

A large crowd is expected for the game as the two teams always draw a large crowd when they meet and this date is homecoming day for the Rising Star school.

Let's follow the Buffs to Rising Star and cheer them on their sixth consecutive win over the Wildcats.

FINANCIAL STATEMENT OF RANGER-CROSS PLAINS FOOTBALL OCT. 28, 1955

Church Youth Solicit Funds for CROP Aid

Young people of the Methodist and Presbyterian Churches canvassed the city Sunday night after church for funds to be used by CROP to buy powdered milk to be sent to needy families in war-torn Korea.

Under direction of Mrs. Clyde Bunnell and Mrs. Parker Baum, the local young people raised a total of \$38.25 for this worthy movement and these ladies have asked the Review to convey their thanks to the citizens for their contributions and to the youth workers for their efforts.

BAND SWEETHEART PRESENTED . . . Pictured above, Sidney McClure, daughter of Mr. and Mrs. W. T. McClure of this community, who was presented during half-time ceremonies as the Sweetheart of the Cross Plains Buffalo Band. She received a beautiful bouquet and a kiss from Band President Benny Glover. Miss McClure is a member of the Freshman Class of the local high school. (Review staff photo).

Do You Remember?...

November 1, 1940

Hugh Reeves Lacy, employed by Higginbotham Bros. and Co. as manager of their hardware department became the first Cross Plains man to be drawn for selective service in the big national lottery held Tuesday in Washington.

Money from Fall crops has literally been pouring into the pockets of farmers in this area during the past few weeks. Much of the cotton is yet to be picked and very little more than half of the peanut crop has been harvested, local buyers agree.

E. R. Dorbandt, who recently moved here from San Saba, will swing open the doors of his new Western Auto Associate Store in Cross Plains Saturday morning.

Mr. and Mrs. Lewis Nordyke and two children, of Amarillo, visited in the home of his parents over the week end.

Miss Hazel Edington and Noble Melton were united in marriage last Wednesday evening at Brownwood. Cross Cut news.

Mrs. Homer Barnes and Mrs. Clovis Clark entertained with a Halloween party at the home of the latter last Thursday night. Cross Cut news.

Mr. and Mrs. S. S. Pillans and children, Senate, Maide and Doris Lillian of Austin, visited relatives here Saturday and Sunday returning Sunday afternoon accompanied by Jim Hutchins who intends to stay for an extended visit. Atwell news.

D. J. (Jack) McCARTY Editor and Publisher

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing or reputation of any person or firm appearing in its columns will be gladly and promptly corrected upon calling the attention of the editor to the article in question.

Entered as second class mail matter at the post office at Cross Plains, Texas, April 2, 1909, under act of Congress of March 3, 1879.

SUBSCRIPTION PRICES:
 Subscription rates: \$2.00 a year within 50 miles of Cross Plains; \$3.00 a year elsewhere in the United States.

Fred J. Tunnell of Dallas spent Saturday night and Sunday here with his father, Fred V. Tunnell. Tommy Tunnell returned home with his father after visiting here for a week.

Mrs. Benton Jones returned to her home here Wednesday of last week after visiting a few days in Killeen with Mr. and Mrs. K. C. Jones.

Mr. and Mrs. Audrey Fortune and family of Snyder visited his parents, Mr. and Mrs. Will Fortune over the week end. Other visitors in the Fortune home Sunday were their daughter and husband, Mr. and Mrs. Bill O'Hara of Breckenridge and their grandsons, Bobby, Bill, Tom and Pat Fortune of Williams.

Mr. and Mrs. Howard Spencer of Taylor visited here Saturday night and Sunday with her mother, Mrs. Z. W. McClellan and other relatives.

Mr. and Mrs. W. J. Garrett and Mrs. Paul Lane of Jayton and Mrs. Ruby Neeh of Abilene visited here Monday with Mrs. Jack Aiken. Mrs. Lane remained for a longer visit with her sister.

BURKETT NEWS

By Mrs. T. C. Strickland

The Halloween Carnival was well attended Saturday night. There were visitors from Coleman and Cross Plains.

Mr. and Mrs. Seth Burkett and Misses Anita and Borita Strickland and Miss Sandra Pricer attended training union meeting at Coleman Sunday evening.

Mr. and Mrs. William Loyd Audas and children of East Texas are visiting his parents, Mr. and Mrs. Loyd Audas.

Mr. and Mrs. Loyd Audas recently returned from a hunting trip. Each reported killing a deer.

Mr. and Mrs. Archie Adams and Children of Fort Worth were week end visitors here.

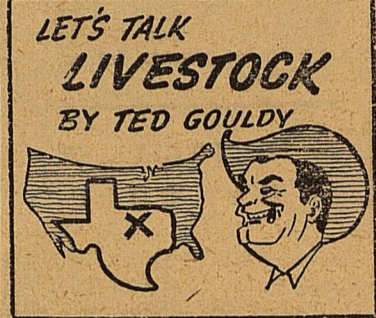

Mr. and Mrs. Marvin Rich of Cross Plains visited in the Seth Burkett home Sunday evening.

Mr. and Mrs. Doyle Burchfield of Cross Plains visited in the T. C. Strickland home Sunday evening.

Mr. and Mrs. Tommy Connelly are the proud parents of a new baby son born one day last week at the Baird Hospital. He has been named Cris Ray.

Mrs. Annie Weeks is still on the sick list but is some better.

Mr. and Mrs. E. Durbin returned to their home in Fort Worth Tuesday. Mrs. Durbin has been visiting her daughter, Mrs. P. A. Voss and family several days and Mr. Durbin was here over the week end.

Numbers of Livestock Smaller Last Monday

Fort Worth—The Monday morning line on salable receipts of livestock around the major market circle this week showed about 21,000 fewer cattle and calves, about 10,000 fewer hogs and 9,000 fewer sheep and lambs.

Since this followed a definite tapering off of receipts in the closing days of last week, it clearly indicated that the farmer had taken a hand in righting the upset caused by near record amounts of meat being marketed this season.

There was an uneven sort of stability in the cattle and calf trade reported at most points. At Fort Worth sales men tried hard to recover some of last week's losses but did little better than get steady prices on most kinds.

Comparative prices showed: Good: Good and choice slaughter steers and yearlings \$17.50 - 21.50; common and medium grades 10.00 - 16.50. Fat cows 9.00 - 11.00; canners and cutters 6.00 - 9.50; bulls 9.00 - 12.50, odd head 13.00; good and choice slaughter calves 15.00 - 16.50, few fancy heifers 17.00 - 17.50 and above; common and medium 11.00 - 14.50; culls 8.00 - 10.00. Stocker steer calves 19.50 down; steer yearlings 18.00 down; replacement cows 8. - 12.00.

Incentive Payments To Be Very Important

Current low offers for wool, which reflect the world-wide decline of around 25 to 30 percent in fine wools and 15 to 20 percent in crossbred wool (USDA Wool Situation Oct. 20, 1955), make the certificates the sheepman needs to present to his local ASC office for payment doubly important.

To save time and trouble the producer should get certification at the time he sells. At a recent meeting at Fort Worth approved forms for use in establishing the claims of the seller to get these incentive payments were worked out and are in use at Fort Worth. Unless the information needed is shown the producer might be unable to qualify for his incentive payment.

Hogs Sell Better As Marketings Lighter

Butcher hogs open 50 cents higher at Fort Worth as receipts here and in the Cornbelt were lighter Monday. The advance was not maintained all the way, some late sales being steady to 25 cents lower, and top hogs sold from \$14.50 to \$15.25, late sales \$14.75 down. Sows were steady at \$13.50 down.

Both of these classes were selling 50 to 75 cents above the low time last week when hogs reached the lowest point since 1942 at the market.

Lambs Under Pressure: Ewes Sell Higher

Fat lambs topped in the wool and \$17 for shorn lambs at Fort Worth Monday. This represented a 50c lower market than last week's close. Prices were around \$1 to \$1.50 under prices a week or so earlier, despite continued small receipts here and all around the market loop. Old ewes sold better, most ewes at \$5 to \$6, some fresh shorn cull ewes down to \$4. Old wethers drew \$8 to \$12. Yearling muttons sold from \$10 to \$15.

Mr. and Mrs. Lester Barr and Sandra visited with the E. J. Wall family in Abilene Sunday.

Mr. and Mrs. Gilbert Williams and daughter of Manument, New Mexico, visited her parents, Mr. and Mrs. L. W. Placke, over the week end. Mrs. Ivan Hill and daughters of Coleman, visited with her parents Saturday.

Uranium Dirt Pads FOR RENT

These pads are made of new attractive colored materials, filled with the famous High-Test Comanche County Radio-Active DIRT.

NEW COTTON HARVESTOR

LOOK AT THESE NEW ADVANTAGES!

Mounts as a unit . . . not in parts ✓ roller-type chain drive used throughout ✓ big capacity 16-inch elevator directs cotton to all parts of the wagon . . . you don't need an extra man to build the load ✓ overshoot blower mounted on elevator aids distribution ✓ handles row widths from 36 to 42 inches ✓ hydraulic height control of stripping units ✓ separate hand levers control height of each stripper unit and angle and height of plant lifters ✓ thorough cleaning provided by slots along the bottom of the auger trough, cleaning tumbler and wagon box elevator.

SAVES COTTON HARVEST DOLLARS AS NEVER BEFORE!

Here's the high-speed, high capacity cotton harvest machine that can make the BIG profit-difference on your cotton crop. By the bale, by the acre, by the hour worked, this new Minneapolis-Moline 2-Row Cotton Harvester pays you dollars you never thought you could make on cotton. MM cotton harvesting lowers labor costs, protects you from untimely labor shortages.

Cotton Harvester fits the following MM tractors—UBU UBN ZBU ZBN UTU UTN ZAU and ZAN and other makes of tractors.

See all the many new features of this MM Cotton Harvester for yourself. Stop in the next time you're in town.

Sister of Local Man Dies In Hollywood, California

Bill Weiler of this city received the sad news Thursday of last week telling of the sudden death of his sister, Mrs. Louise Goulder, of Hollywood, Calif. According to the message Mrs. Goulder suffered a heart attack Wednesday.

No further details had been received by the family here the first of this week.

COLEMAN COUPLE ANNOUNCE BIRTH OF BABY SON

Mr. and Mrs. Lester Wyatt of Coleman are announcing the birth of a baby son born Friday, October 28. The baby weighed six pounds five ounces and has been named Eddie Gwin.

Mr. and Mrs. C. W. Wyatt of this city are the paternal grandparents and Mr. and Mrs. Lonnie Seamons of Coleman are the maternal grandparents. Mrs. J. C. Wyatt of Coleman is the great-grandmother.

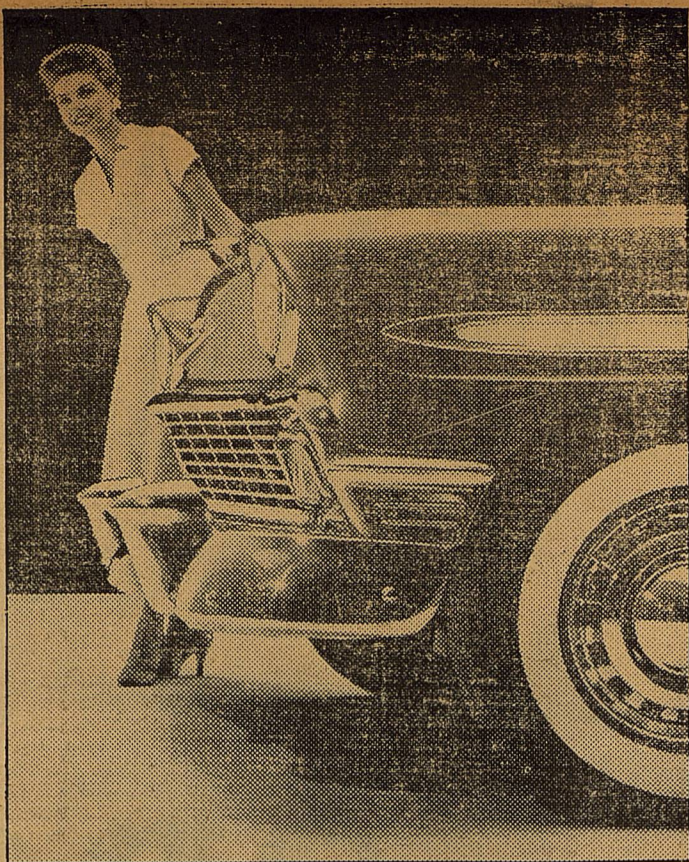

Pfc Connel Completes Army Course In Alaska

Pfc. Eldon B. Connel, son of Mrs. Clyde Slaughter of this city, has recently completed leadership school at Eielson, Alaska where he has been stationed for sometime. The five weeks course covered tactics, map and compass reading, method of instruction, weapons, physical training and leadership.

The class of 40 chosen men were picked from the Second Battalion, 71 Division by the Battalion commanders. Graduating certificates were presented by Brigadier General Ruggles, commander of the Yukon Command.

Pfc. Connel is a squad leader in "D" Btry., 167th A.A.A. Battalion. In a letter to his mother recently, Connel stated that the weather was very cold there, being two and three degrees below zero at night and warming up to 18 to 20 degrees during the day, and that it was snowing most of the time.

Connel will return to the states in about ten months.

Design changes at the front of the Chevrolet have inspired a sturdier, fleet appearance in 1955 models. Grille, bumpers and guards, headlamps and ornamentation are of a form that blends well with the over-all beauty of 19 new body styles.

HALLOWE'EN QUEENS CROWNED AT BAND CONCERT AND PROGRAM MONDAY NIGHT

Miss Cynthia McQuin and Miss Belinda Brashear were crowned as Halloween Queens of high and Junior High respectively in ceremonies held after the band concert in the school gym here Monday night of this week.

The high school queen was elected by popular vote of those people attending the Halloween program sponsored by the Band Boosters Club. The Junior High school queen was on a penny rote race held recently chosen Miss McQuin is the daughter of Mr. and Mrs. A. J. McQuin and Miss Brashear is the daughter of Mr. and Mrs. Robert Brashear.

The royal court was composed of Dukes and Duchesses from each class in school, as follows:

First grade: Eddie Burkett and Terry Baum and Johnny Chesshir and Peggy Kay Erwin.

Second grade: Tommy Hornsby and Judy Fortune and Jackie Hinkle and Bert Hutchins.

Third grade: Benny Flynn and

Gwyn Hollbrook and Gene Philley and Terry Lynn Priest.

Fourth grade: Alan Davis and Susan Albrecht and Gary Odom and Glenda Jennings.

Fifth grade: Dale Priest and Carol McFaul.

Sixth grade: David Flynn and Kay McCarty and John Baird and Betty Hinkle.

Seventh grade: Elvin Hitchins and Martha Baum.

Eighth grade: Brent Underwood and Martha Robinson.

Freshman: Duke Lynn Brashear and Princess Mary King.

Sophomore: Duke Don Watkins and Princess Nelda Dillard.

Juniors: Duke Ronald Gray and Princess Kay Barr.

Miss McQuin was escorted by Clark Baum and Miss Brashear was escorted by Cecil White.

The announcer, Grady Scott, was dressed as a spook, the witch was Wanda Cowan and the fairy who placed the crowns on the queen heads was Jean Bonner.

Program Nets \$200.00

Band Booster Club president Jack Watkins reported this week that the program was a financial success and netted \$200.00 which will be used to help defray the costs of seven new uniforms purchased recently.

A large crowd was present and enjoyed the concert and program and expressed the hope that the affair could be made an annual event.

ROWDEN NEWS

By MRS. BERNARD CROW

Those visiting Mrs. Annye Miller and other relatives of Fort Worth were Ray Boen, Mrs. Mattie Gibbs and Mrs. Effie Holloway.

Mr. and Mrs. Bernard Crow visited relatives in Clyde Sunday evening.

Mrs. Voncille Gibbs and Judy spent the day Wednesday with Mrs. Odie Smedley.

Mrs. Voncille Gibbs and Judy, Mrs. Lella Gibbs and Mrs. Bernard Crow visited Mrs. Bill Lawrence Thursday of last week.

Mr. and Mrs. Granville Gibbs and son, Carl, visited their mother, Mrs. Lella Gibbs and brother and family, Mr. and Mrs. Voncille Gibbs and Judy Monday and Tuesday of last week.

CAT GOES HOME!

Mrs. Dovie Smith, of Abilene, spent some time here recently visiting in the home of her daughter, Mrs. Gene Rhoads and family and when she came she brought along her pet cat.

The cat, failed to get the same type of warm welcome from the Rhodes family's dog that Mrs. Smith received from her children and after being chased up various trees in the neighborhood on several occasions, it disappeared and efforts to find it failed.

After a visit of some weeks, Mrs. Smith returned to her home in Abilene and about a week after her arrival the missing cat showed up, a bit weathered and weary from the long trip but apparently happy to be home, according to word received from Mrs. Smith recently.

Mr. and Mrs. Don Burns and three sons of Riverside, Calif. were visiting with Mrs. Burns' sister, Mrs. Paul Smith in the Marvin Smith home Monday and Tuesday. Mrs. Smith accompanied her sister and family to Arkansas for a visit leaving the twins, Marvin and Marlene with their grandparents.

Guests in the parsonage home of Rev. and Mrs. C. Y. Butler over the week end were Mr. and Mrs. James A. Walters of San Angelo and Mrs. Homer Watson and children of Odessa who spent last week visiting the Butlers. Both Mrs. Watson and Mrs. Walters are daughters of Rev. and Mrs. Butler.

COTTONWOOD

By Hazel I. Respass

Mrs. Frank Sullivan of Kinto, Okla. visited her parents, Mr. and Mrs. H. S. Varner, Friday.

Mrs. Bob Harris and son Butch of New Mexico visited her father, J. A. Coats and Mrs. A. H. Holly over the week end.

Gaylon Coppinger of Abilene spent Saturday night and Sunday morning in the Respass home.

Mr. and Mrs. Delwin Maas and family of Houston, visited her sister, Mrs. R. G. Gilmore and family the first of this week.

Robert A. Laffleur of California is visiting in the K. B. Robbins home. Mr. and Mrs. Norman Coffey visited in Putnam with her father, Mr. Davis and wife.

Miss Eunice Hembree visited here Saturday afternoon and night.

Those of Mr. and Mrs. R. F. Joy's children who visited them Sunday were Mr. and Mrs. Milton Joy and boys of Admiral, Mr. and Mrs. Clayton Joy and family or Baird; Mr. and Mrs. Donald Joy and family of Abilene and Mr. and Mrs. Parker Brown of Pioneer.

Beulah and Hazel Respass visited in Baird Sunday afternoon.

Rev. and Mrs. S. R. Respass of Brownfield are visiting in the Respass home and Mr. and Mrs. W. A. Brock at Cross Plains.

Mrs. Floyd Coffey of Stephenville spent Monday night with Mrs. J. F. Coffey.

Mr. and Mrs. John Falkner and baby of Midland spent Sunday night here with his parents Mr. and Mrs. H. V. Falkner.

Dallas Man Is Named Vice Chairman for 1956 Red Cross Fund Drive

William W. Overton, Jr., Dallas financier and industrialist, has been appointed to serve as national vice chairman for the 1956 Red Cross Campaign in East Texas, starting next March 1, it was announced today by Joseph R. Stewart of Kansas City, Mo., national campaign chairman.

Simultaneously with the announcement of Mr. Overton's appointment, Mr. Stewart said the Red Cross Campaign in West Texas would be headed by Tom Davis, County Attorney of Vernon.

Mr. Overton and Mr. Davis will be joined by a group of state Red Cross leaders in assisting officials of the 251 local chapters to organize for the coming campaign. They will discuss the need and distribution of Red Cross funds to business and civic groups in their areas.

Mr. Overton is a member of the national Red Cross Board of Governors and was national campaign chairman in 1954. He is chairman of the board of the Texas Bank and Trust Company; president of W. W. Overton & Company, the Downtown Investment Company, and the Overton Real Estate Company. He is a director of Chance Vought Aircraft Corporation.

The Dallas civic leader serves on

PAY TAXES NOW

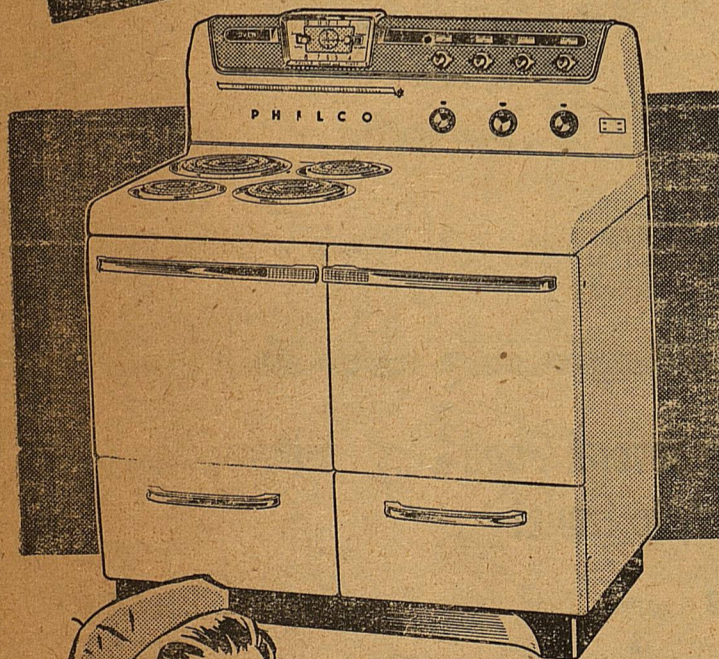

Payments made before February 1st will not be subject to additional fees for interest and penalties, and to accommodate property owners this office has mailed statements of 1955 taxes.

Don't forget that if you wish to vote during 1956 your poll tax must be paid before February first. You will not want to be disfranchised for the need of a poll tax receipt, so attend to this detail at once. Poll taxes may be paid at the Citizens State Bank in Cross as well as at the office of

Ever Eat a Football?

Everybody would enjoy eating these delicious, make-believe footballs, for they're simply "hard-boiled" eggs prepared as favors for fall neighborhood parties. Gridiron table centerpiece is made of green velvet. Ten-yard stripes are strips of paper. Goal posts and flagpole are pencils set in modeling clay. Use a food dye to color the cooked eggs a uniform brown, and a black crayon to draw stitching and lacing lines on "football" You can "score" highly with this party idea.

the board of stewards of Highland Park Methodist Church and is president of the Downtown Improvement and Property Owners Association, director of the Dallas Downtown club, a member of the Dallas Historical Society, the Texas Historical Society, the Citizens Council, the Greater Dallas Planning Council, the Dallas Variety Club, and the Masons.

Mr. Davis is Chairman of the board of directors for the Wilbarger County Chapter of the Red Cross and in 1954 served as chapter campaign chairman.

A graduate of the University of Texas School of Law, Mr. Davis is a member of the Wilbarger County Bar Association, and is past president of that organization.

In addition to his activities with the Red Cross and the Bar Association, Mr. Davis served as chairman for the Wilbarger County Community Chest fund drive in 1947 and is a past president of the Toastmasters Club of Vernon.

He also serves as appeals agent for Draft Board No. 131 which includes Foard, Hardeman and Wilbarger counties.

The Red Cross membership and fund drive is conducted annually throughout the month of March. This is the Red Cross means of financing its 10 major services offered to civilians and members of the armed forces. Included in these services are disaster aid, blood collection, service to the military and veterans, home nursing, safety services, and the Junior Red Cross.

In addition to program financing, the March drive is designed to recruit the organization's membership. This membership elects local chapter officers and sends delegates to the annual National Convention where they elect members of the 50-man Board of Governors. Members of the board are all volunteers who have the power of direction and government of the American National Red Cross.

Mrs. W. S. Clark of Abilene and Mr. and Mrs. Bob White and Deanie of Midland were visiting in the W. P. Baum home during the week end.

Mr. and Mrs. Jim Trimmer of Abilene visited friends in Cross Plains Sunday afternoon and attended services at the local Church of Christ Sunday evening.

Texas Youth To Win \$8,265 at Fort Worth Fat Stock Show

Ft. Worth—Texas members of 4-H Clubs and Future Farmers chapters are eligible to try for a share in the \$8,265 in prize money which is offered to junior exhibitors at the 1956 Southwestern Exhibition and Fat Stock Show. Dates are Jan. 27 through Feb. 5.

Junior show contestants must have personally fed and cared for their own animals under the supervision of a county agent, vocational agriculture teacher or Extension Service Staff member for at least three months before the show. Also they must have kept a record on the animals during this period.

The cash awards for the youthful competitors are divided: \$3,087, steers; 2,000, dairy calves; \$1,153, lambs; \$1,865, pigs; \$160, herdsman's prizes. The Fort Worth Junior Chamber of Commerce will give a plaque and a western hat as showmanship awards in each of the junior steer, dairy calf, pig and lamb shows and Williamson-Dickie Manufacturing Company, Fort Worth will give a total of 237 pairs of ranch pants to the first three prize winners in each single class of the junior livestock show. Besides the cash given by the show and by various breed associations, donors include: Armour and Company, Fort Worth; Fort Worth Milk Distributors, \$750; Fort Worth Poultry and Egg Company, \$250, and Swift and Company, Fort Worth, \$115.

On opening day of the Stock Show, steers, barrows and lambs will be sifted and the junior show judging will take place next day, Saturday, Jan. 23, except the junior dairy calves, which will be judged Feb. 2.

Not only may a steer, lamb or pig owned by a boy or girl win honors and substantial cash awards in the junior competition but champions qualify to meet the open show champions for the grand championship of the entire exposition. Then, in the "auction of champions," owners obtain a rich reward.

All junior show exhibitors are invited to the Sunday School breakfast at 8 a.m. Jan. 29 in Pioneer Palace with the First National Bank of Fort Worth as host. This occasion, unique among expositions, has been observed for years, with an outstanding minister bringing the message and with an excellent musical program.

Whether a junior exhibitor wins or not, he or she will have the thrill that comes of showing at the nation's oldest major livestock show. Livestock entry deadline is Dec. 15.

Mr. and Mrs. Nolan Bryan and son of Tucumcari, New Mexico are visiting their parents, Mr. and Mrs. B. H. Brown and Mrs. W. L. Bryan and other relatives.

1955 School Taxes Due

Deadline for paying 1955 School Taxes will be January 31 and patrons are urged to get their payments in before that time to avoid penalty.

OFFICE TO BE OPEN DAILY

From 8 to 5 o'clock from now until January 31, at McCuin Insurance Agency.

DON'T LET YOUR SCHOOL TAXES GO DELINQUENT!

State Capitol NEWS

By VERN SANFORD
Texas Press Association.

Austin—Texas, and possibly the nation, may have a new political group—the "moderates."

Sen. Lyndon Johnson started it when he commented that he was neither a liberal nor a conservative, but that he was a "moderate."

Since then the term has cropped up with increasing frequency in comments by leading figures over the state.

Governor Shivers has announced that he plans to tour into other states to urge selection of a "moderate" Democratic candidate for President.

With a Johnson-for-president move gaining momentum, Shivers commented, when asked if Sen. Johnson fitted the middle-of-the-road pattern, that he seemed "more moderate than extreme."

The Governor emphasized that he will not be working for any specific candidate on his tour. He also has no view, he said, of trying to form a "coalition" of Southerners, as has been suggested. "I hope to get into the West, the Middle West and possible the East," he said.

Creeping Harmony

Harmony in the Texas Democratic party moved slowly. Speaker Sam Rayburn, leader of the liberals, has demanded a state delegation pledged to support the party nominee.

Governor Shivers, conservative leader, has opposed an advance pledge to support "any nominee."

Rayburn, however, has spoken approvingly of Lt. Gov. Ben Ramsey, recently named national committee man with the hope of bringing the two factions together.

Meanwhile the conservative Democratic State Committee has launched a drive to get 3,500,000 persons to pay poll taxes or secure exemptions, for a big turnout next year. It expressed hope for 30,000 delegates at the convention set for May 26 in Dallas.

Rival liberalists have charged that the State Committee has "frozen" hotel space in Dallas with the design of keeping the liberals away.

Committee Clears Shepperd

In a closing session, a Texas Bar Association grievance committee voted to take no action on remarks Atty. Gen. John Ben Shepperd made about the Court of Criminal Appeals and Judge Lloyd W. Davidson.

Shepperd frequently has expressed himself as being opposed to closed sessions. He went to the meeting with a marked rule book containing passages on open and closed sessions of grievance committees, and requested that the hearing be open. The committee overrode the request.

Newsman, sent by their respective newspapers to report the committee meeting, were told to leave the rooms before the committee convened. No previous announcement of the session's being closed was made.

The hearing resulted after the election of Judge Davidson brought an about face in 104 indictments in turbulent Duval County. Shepperd commented that Davidson had expressed an opinion on the cases before they were presented to the court.

Following their four-hour session, the grievance committee said they had considered the matter and found that "no action should be taken. The matter is closed."

Highways Become Laboratories

Research to determine specific causes of injuries in passenger automobile accidents begins on Texas rural highways this week.

Sponsoring the cooperative program are the Texas Highway Patrol, Texas State Department of Health, and Cornell University Medical College.

Purpose of the project is to dis-

cover what kills persons in traffic accidents. The inquiry may lead to a major revolution of car design.

Centex Chiefs Meet

Police chiefs from seven cities and patrolmen from Central Texas Counties met in Austin to discuss measures for slowing an area traffic toll which now nears an all time record.

Safe Driving Day, set by President Eisenhower for Dec. 1, will begin this year ten days before that date and extend 10 days after, according to an announcement by Capt. Jim Musick, at the meeting. Musick is manager of the Texas Safety Association.

He called on policemen and patrolmen to be particularly alert and much more severe on traffic violations during the period.

New Secretary of State

Texas' third secretary of state in nine months has been appointed by Governor Shivers, effective Nov. 1. He is 34-year-old Tom Reavley, Jasper attorney.

Reavley succeeds A. M. Muldrow of Brownfield who took the office last February after E. C. Fulham of Lubbock resigned. Muldrow will return to business interests.

Reavley is a World War II Navy veteran, graduate of the University of Texas and a Harvard law graduate.

Court Gets Giles Appeal

Texas Court of Criminal Appeals is to hand down a decision, probably within a month, on Bascom Giles, first conviction.

Appeal was filed in the court on the two-to-three year sentence imposed on the former land commissioner by an Austin district court in July.

Slated, but not yet filed, is a perfunctory appeal on a two-to-six year conviction on the case in which Giles pled guilty. It is designed, according to the defendant's son, Attorney Rogan Giles, to "gain time."

SHORT SNORTS: Texas draft call for December will total 873 men for the Army and Navy, as compared with 1,006 in November . . . Texas population has reached an estimated 8,479,000, a 10 per cent increase over the official census report in 1950, according to the latest Federal Census report . . . A booklet seeking to distinguish right from left in the Texas Legislature is being circulated by state labor groups.

Mrs. V. L. Hobdy spent the week end with relatives in Stephenville and attended the wedding of her niece, Miss Earlene Garrett to Mr. Olan F. Inroe Saturday night. The wedding was held in the chapel of the First Baptist Church in Stephenville.

H. C. Freeman, Sr. has returned from a vacation trip with his son and wife, Mr. and Mrs. R. P. Freeman, of Azle. They visited in Montgomery, Ala. with the R. P. Freeman's daughter and husband, Dr. and Mrs. Paul Lotche and also in Florida.

Gulf's New Super-Refined

GAS-OIL TEAM

Gives more miles per gallon . . .
more miles per quart!

DIRTY-BURNING TAIL-END

NEW GULF NO-NOX

Gulf No-Nox burns clean

Here's proof: Note the black deposit on plate at left, caused by the "dirty-burning tail-end" of gasoline—the part Gulf refines out in making New Super-Refined NO-NOX. But see how clean new NO-NOX leaves the plate at right. Now—in your own new 1956 car—see how clean-burning NO-NOX can give you more miles per gallon in the short-trip, stop-and-go driving you do most.

Gulfpride Select works clean

Here's why: Most conventional oils are refined only to the stage shown in A. But New Gulfpride Select is further refined by the Alchlor Process—removing up to 15% more of the carbon-formers, in B . . . C contains the new super-refined oil that gives you more miles per quart because it has natural viscosity (body)—contains no artificial thickeners that break down in service.

REMEMBER: No gasoline alone can give you today's finest performance . . . no oil alone can give you today's finest protection. Get the new super-power GAS-OIL TEAM . . .

CITY WATER SERVICE

It's a dream come-true with GOULDS amazing

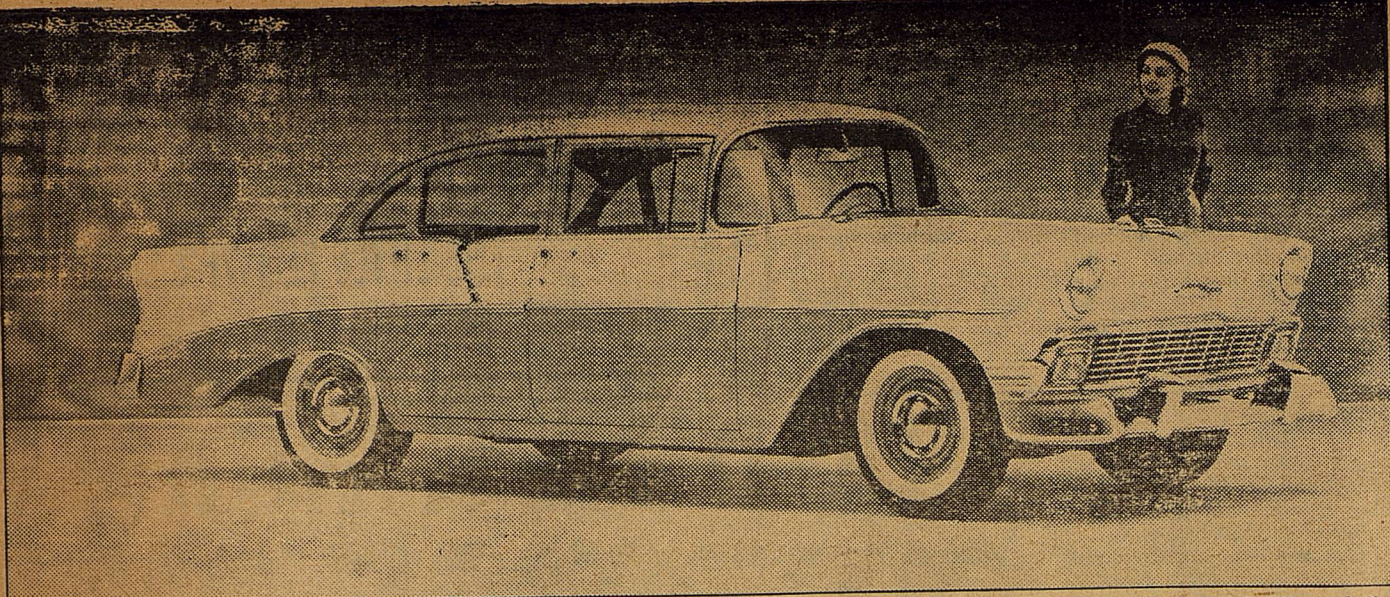

NO-TANK PUMP

Goulds Balanced-Flow Water System needs no tank. Just like "city water service" . . . delivers fresh water instantly—as much as you want, at all taps at same time, up to 520 gals. per hour. Fully automatic—never needs priming. You save—fewer fittings; no tank to buy or replace. Compact, quiet, trouble-free—only one moving part. See it before you buy any ordinary pump.

HORNSBY ELECTRIC COMPANY

Dave Lee Service Station

GOOD GULF PRODUCTS

The "Two-Ten" 4-door sedan is one of 19 freshly styled bodies in three series that will make up Chevrolet's passenger car line for 1956. All models have a longer, lower look. Front ends are more rugged-appearing through a redesign of grille and forward sheet metal. Engine choices include more powerful V8's and 6's. The car above affords an illustration of unique two-toning that separates top and lower body by a different color. The exterior and interior of each series has a distinct styling treatment.

be coupled with either the Powerglide automatic transmission or the manual shift.

Mileage Improved
Of traditional economical, valve-in-head design, the new six is equipped with a high lift camshaft, hydraulic valve lifters and extra-exhaust valves which are all dipped to minimize the build-up of deposits. The new engine provides even better performance than its predecessors, particularly for highway passing. Gasoline mileage has also been improved.

In addition to sixes, the 1956 Chevrolets may be powered by a variety of V8s, a type of engine which totaled a million in the company's 1955 model production. One develops 162 horsepower and is installed in cars with the standard shift. The second is designed for Powerglide and produces 170 horsepower. The Super Turbo-Fire with four-barrel carburetor furnishes 205 horsepower. Fitted with a new head, the compression ratio of the Super is at an all-time Chevrolet high of 9.25 to 1.

V8 refinements include a new high lift camshaft which results in more power for the regular Turbo-Fire Powerglide engine and the Super. Hydraulic valve lifters are standard on all eights.

Full Flow Filter
Another high spot is a full-flow oil filter as an optional item. The filter is attached to the block and assures full filtering of lubricant to

Cross Plains Review

Thursday, November 3, 1955

cylinder walls, bearings and other moving parts of the engine. Should flow through the system be restricted for any reason, the oil is by-passed around the filter. Accomplishments are reduced engine wear and longer life for moving parts.

With a sport sedan to join an illustrious sport coupe and six station wagons, Chevrolet will be in a position to take full advantage of the so-called "suburban market." Like the coupe, the sedan in the Bel Air series will receive luxury treatment. The upholstery features pattern cloth contrasting or blending with leather grain vinyl. Light tone perforated vinyl is used for the headlining, while dark-tone carpet covers compartment floors, front and rear.

The nine-passenger station wagons are built for complete use of the cargo area when the seating capacity is not required. In the body the third of three rows of seats is removable. The second row, with a divided hinged seat to afford easy access space back of the driver's seat for load.

Over Drive Options
Optional equipment that scored high favor in the 1955 line again is offered by Chevrolet. These include the gas-saving overdrive, power steering, power brakes and push-button control of seat adjustment and window lifts. Compact air conditioning mechanism that fits under

the hood and tilted glass are other optional items on the list.

A host of mechanical improvements promise even more trouble-free service than previous models of the company. Rear engine mounts have been reformed for isolation of noise and vibration. An electric water temperature gauge replaces the former tube type. Enlarged exhaust cross-over passages will make for quicker warm-up in cold weather. Dual exhausts are extended to station wagons where the Super Turbo-Fire V8 is specified. New sealed beam headlamps give better illumination of roadside ditches and are standard on all cars. A precision headlamp aiming device is exclusive in Chevrolet's field.

Direction signals, formerly an extra cost item, are now standard equipment. The 12-volt ignition system pioneered by Chevrolet in the low-price field has been improved. Batteries carry a 36-month warranty instead of 21. Spark plugs have offer 25 per cent greater resistance to flash-over. A new and longer neoprene boot supplies greater protection to six-cylinder engine plugs.

Mr. and Mrs. J. A. Hart and James Gaskins of Fort Worth spent the week end here with Mr. and Mrs. Exal McMillan and Billie Helen. Mr. and Mrs. C. F. McMillan of Coleman visited in the Exal McMillan home Saturday evening.

'56 Model Chevrolets Go On Display At Bishop Chevrolet Co. Showrooms Here Next Friday

Continued emphasis on the superior performance and rakish lines that contributed importantly to record-breaking sales this year give Chevrolet for 1956 its most distinguished new passenger cars.

Scheduled for debut at dealer showrooms across the nation Friday, November 4, the latest models carry increased horsepower, a fleetier, more rugged appearance and are offered in the broadest array of bodies ever produced by the company.

New in the low-price field is a four-door hardtop sport sedan. This car has no obstructing center pillar in the window area and is fashioned with the same styling zest that made Chevrolet sport coupe a sensation of the automobile market since 1950. Also introduced for the first time are nine-passenger station wagons, bringing the company's total number of 1956 bodies to 19.

Power Increase

Of prime interest to buyers who appreciate the security of ready acceleration is an increase in horsepower extending from the six-cylinder engine to the pace-setting V8. The new model sixes rate at 140 horsepower. The Super Turbo-Fire V8 which, in a recent performance test, set a new all-time record at Pikes Peak in September, develops 205 horsepower.

Among outstanding safety features in the 1956 Chevrolet line are the availability of seat belts and shoulder harness; improved, precision-aimed headlights and crash-tested door locks to minimize the possibility of doors being sprung open by shock or collision.

The safety lock was introduced on Chevrolet models last summer. The design includes a flange on the portion of the car which overlaps another flange on the striker mounted on the body pillar. The overlap, or interlock, is designed to prevent disengagement of the two parts in event of a collision.

New Paint Harmony

Lively paint schemes are offered in accord with the increased color consciousness of car buyers. Choices range from black to a newly developed pimentation in beige and red. Original two-toning gives each of three price-graduated series an exclusive pattern. Ten solids and 14 two-tone combinations are on the 1956 color chart.

Novel trim ideas, with particular attention to the low-price One-Fifty series, are evident in the interior as well as the exterior treatments. Charcoal shades are new. In a simplification of options, the company announces each series will have a "standard" interior two-tone trim. A wide range of other harmonizing interiors will be available on an optional basis.

In the 1956 Chevrolet, completely new sheet metal complements a more massive grille in all models. The grille is a wider, lattice-work design and the effect of staunchness and beauty is aided by a heavier chromium header bar. Fender lines at the front and rear are higher and straighter. The hood plane is flatter and extends four inches farther before dipping to meet the grille.

Gas Inlet Concealed

Chromium molding, applied for the first time on the One-Fifty series, sweeps along the sides of the 1956 bodies to increase the low, ground-gripping aspect of the cars. Headlamp visors are more pronounced. Parking lamps are square and set low over the reshaped bumpers. A novelty is the location of the gasoline filler, concealed by the higher rear left tail lamp.

The following bodies will be available in the 1956 Chevrolet line:

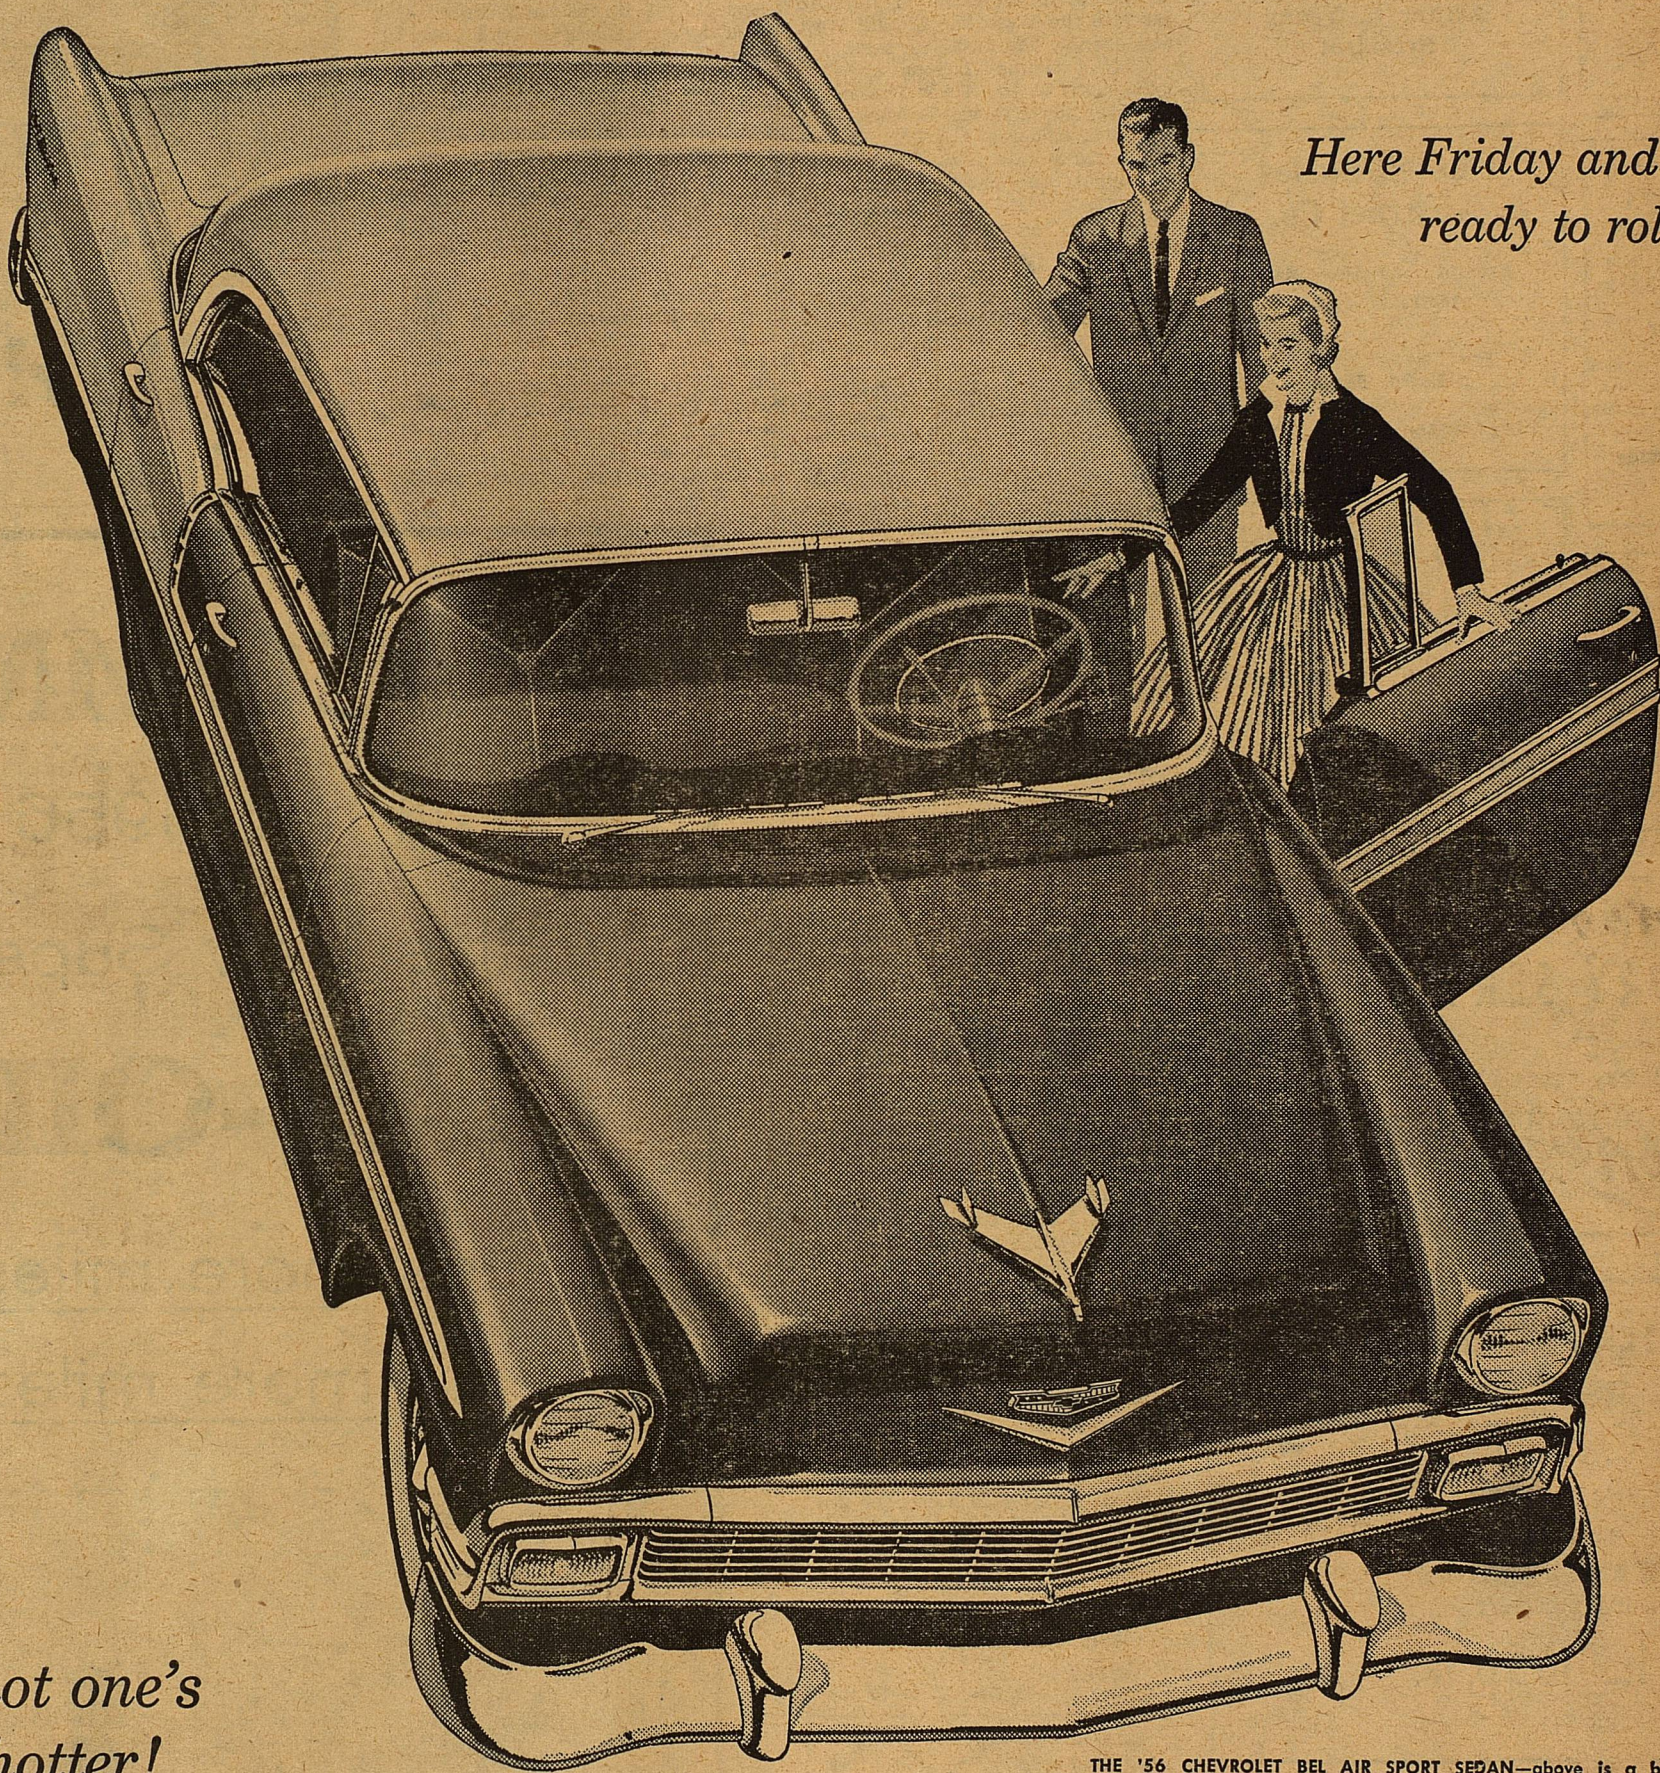

One-Fifty Series—Two and four-door sedans, utility sedan and two-door, six-passenger station wagon.

Two Ten Series—Two and four-door sedans, Delray coupe, sport coupe and sedan, two and four-door six passenger station wagons and four door, nine-passenger station wagon.

Bel Air Series—Two and four-door sedans, sport coupe and sport sedan, convertible, Nomad station wagon and four-door, nine-passenger station wagon.

These 19 models compare with 14 available at the start of 1955 production.

In place of the two sixes of different horsepower that were present in the 1955 line, six-cylinder output will be concentrated on one 140-horsepower engine with an 8 to 1 compression ratio. This engine may

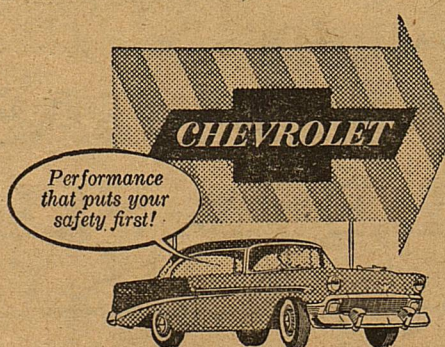

Here Friday and ready to roll!

The hot one's even hotter!

THE '56 CHEVROLET BEL AIR SPORT SEDAN—above is a beautiful example of Chevrolet's bigger, bolder look. Four doors and no sideposts in this one—did you notice?

the '56 Chevrolet

New models—all with bold new Motoramic Styling. More models—including two new 4-door hardtops and two new 9-passenger station wagons. New excitement under the hood—up to 205 horsepower and 9.25 to 1 compression ratio. This—remember—is the car that broke the Pikes Peak record in a history-making, preproduction trial. Come on in, look it over and try it out!

They're sitting in our showroom right now champing at the bit. For these '56 Chevrolets were born with an urge to go places! But look 'em over first. Look at that bigger, wider, more massive grille. Follow that lower speedline of chrome back to those sassy, high-set tail-lights (the one on the left swings down to uncover the gas cap!).

V8 or 6—19 Models in 3 Series

Any kind of model anyone could want! Your choice of the new "Blue-Flame" 6 with 140 h.p. and new higher compression or Chevrolet's record-breaking V8 power ranging up to a new high of 205 h.p. and 9.25 to 1 compression ratio! Automatic, and comfort and safety features? If Chevrolet doesn't offer them, it's only because they haven't been invented yet.

Come in and drive the '56 Chevrolet!

Bishop Chevrolet Company

Mrs. Don White and children of Tatom, New Mexico visited here with her parents, Mr. and Mrs. Lester Barr and family last week.

WANDA SIMMONS-HERMAN AIKEN WED AT BAIRD, OCT. 22

Announcement has been made of the marriage of Wanema Simmons and Hermon Aiken of this city, October 22, at the Methodist parsonage at Baird at 2 p.m.

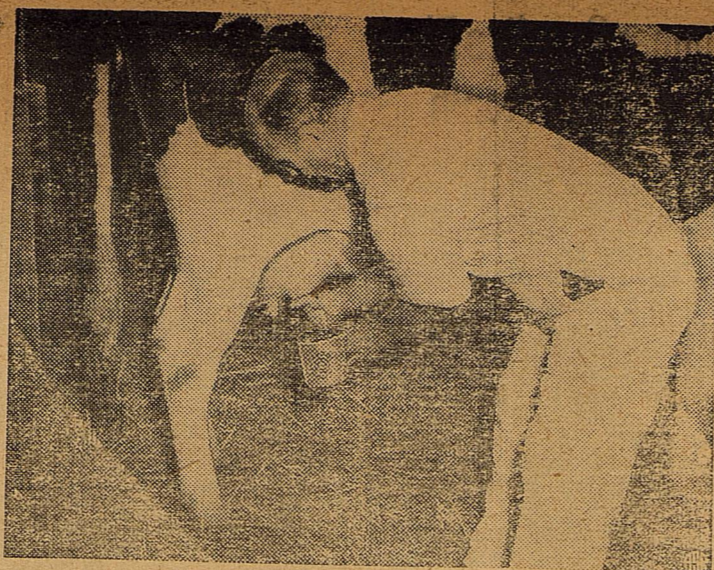

The bride is the daughter of Mr. and Mrs. Elmer Simmons of Cross Plains and Mr. and Mrs. J. B. Aiken who reside east of Cross Plains are parents of the bridegroom.

A number of relatives from Cross Plains accompanied the couple to Baird and attended the ceremony. The couple are at home in Baird.

Mrs. George B. Scott, Mrs. Lydia and Mrs. Jeff Clark visited in Clyde Sunday afternoon.

Mr. and Mrs. W. J. Cross and Mr. and Mrs. L. W. Westerman have returned home from a fishing trip on the Llano river.

Mr. and Mrs. Geo. Neel visited, Mr. and Mrs. M. G. McDonald of Gustine, Miss Cullie West and Mrs. Harley Neel in Comanche, Sunday afternoon. They enjoyed a visit with Mr. and Mrs. Kermit Neel and family of De Leon while in Comanche.

Daily use of a strip cup helps this farmer keep his cows free of mastitis. The texture of the milk sample drawn from each cow can warn him of the presence of the disease, and to take precautionary measures. If the farmer discovers symptoms of mastitis, he can cut infection short by treating the animal with a preparation such as Iargot, a mastitis ointment made from a combination of several antibiotics. Dairy husbandry authorities advise regular use of a strip cup as a means of reducing the incidence of mastitis which, the U. S. Department of Agriculture reports, costs the nation's farmers the staggering sum of \$225,000,000 annually.

Why Are Farm Prices Falling?

The marked decline in our nation within the past few years in spite of a business and financial boom is a cause for concern of every citizen of Texas and the nation.

Explanations ranging from rising farm costs and burdensome surpluses to downright poor management have been offered by those who must defend their positions as farm policy-makers.

Actual reasons for farm decline revolve not around an increase in our farmers' operating costs, but in lower prices paid for their commodities, directly induced by the "sliding scale" price support system.

An astounding drop in the nation's farm operator's net family income from \$14.3 billion in 1952 to \$11 billion annual rate in the second quarter of 1955 has occurred in spite of, and not because of, changes in farmers' costs of production. Farm production costs actually dropped from \$23.4 billion in 1952 to an annual rate of \$22.5 billion in the same second quarter of 1955. This was probably because falling gross income made it impossible for farmers to replace worn-out equipment and machinery.

A most unrealistic answer to the economic distress of farmers has been offered by high-ranking officials who say the trouble lies in increased costs for farm equipment. In the first place, the farm "parity" program as set up in the Agricultural Act of 1948 is disposed to set farm income up on a "par" with the income of other segments of the population.

This being the case, the rise in farm machinery costs should be accounted for, since the parity price is calculated by a formula that takes into account all changes in the prices of things the farmers buy.

Furthermore, farm equipment costs have increased only about 3 to 5 per cent since 1952. This contrasts with 25, 30 and 35 per cent drops in prices in a majority of commodities the farmers sell. So the problem can't be just explained away that simply.

The obvious conclusion is that which is most evident to the farmer himself: lower prices received for the commodities he produces and sells. These price drops were allowed because governmental policy and weakened farm legislation has removed effective and adequate support.

If this trend is not soon reversed, all other phases of our national economy are sure to realize its damning effects.

1956 Quotas, Allotments Given for Upland Cotton

College Station—A national marketing quota of 10 million bales and a national acreage allotment of 17,381,304 acres for the 1956 crop of upland cotton has been proclaimed by Secretary Ezra Benson.

Announced at the same time was the date for a referendum, December 13, on cotton marketing quotas for both upland and extra long staple cottons. The quota for extra long staple cotton was set at 35,300 bales and the acreage allotment at 45,305 acres for the 1956 crop. At least two-thirds of the cotton farmers voting in the referendum must approve marketing quotas if they are to be effective. Last year 92 percent of the voting upland growers approved marketing quotas and 92.8 percent of the voting extra long staple growers favored quotas.

The marketing quotas and acreage allotments for both types of cotton are the minimum provided by law. The national acreage allotment is the acreage required, based on averages for the past five years, to produce the national marketing quota of 10 million bales.

According to latest statistics, the total supply of upland cotton for the 1955-56 marketing year is estimated at 24.4 million bales and is second only to the record supply of 24.6 million bales in 1939-40. Supplies have increased yearly for five consecutive years and a new record in cotton yields per acre has been set in each of the past three years.

If growers approve quotas in the referendum, price support on the 1956 crop of upland cotton will be made available to eligible growers at the full level of the effective supports. If quotas are turned down, support to eligible growers will drop

to 50 percent of parity.

State and county committees of the A.S.C. are now compiling acreage data upon which to base 1956 farm acreage allotments. Individual farm allotments will be made available to producers prior to the referendum. Information and acreage allotments may be obtained from the local ASC offices.

Mrs. B. C. McCowan visited with relatives and friends in San Antonio over the week end.

Can't Get Rid of Your Cold?

Then try 666, the wide-activity medicine, for greatest effectiveness against all symptoms of all kinds of colds. 666 combines 4 potent, widely-prescribed drugs and gives positive dramatic results in a matter of hours. Its combined therapy covers the complete range of all cold symptoms.

No other cold remedy can match 666 liquid or 666 Cold Tablets. **666**

Yes Ma'am, you can have a housefull of servants for pennies a day!

Yes Ma'am, they're your electric servants, and you pay their wages with your electric service bill. Total cost—just a few pennies a day for the average family!

You know, you've about doubled your use of electricity in the last 10 years. So your monthly service bill is

more than it used to be. But the average cost of a kilowatt-hour of electric service in homes served by WTU is 22% less than it was 10 years ago.

And when you think of all the things your electric service does for you—don't you agree, it's the biggest bargain in your family budget?

Pioneer Gasoline Plant Closed Past Month

The Pioneer Gasoline Plant has ceased to operate the past month and has been changed to a booster station to pump raw gas from the Pioneer Field four miles west of Cross Plains to the Blake plant.

The consolidation is designed to affect economies in the manufacture of hydrocarbons from natural gas in the fields in this area. With the change-over, the Ike Rudman Pioneer Gasoline Co. has been dissolved and its properties assigned to its sister company, the Rudco Oil Co., which owns and operates the Blake plant.

Most of the eight employees of the Pioneer plant have been transferred to the Blake plant.

Niece of Local People Buried At Spur Monday

Funeral services were held at the Spur First Baptist Church Monday at 2 p.m. for Miss Berth Nell Walker daughter of Mr. and Mrs. W. K. Walker of Spur and niece of Mr. and Mrs. J. C. Garrett and Mr. and Mrs. E. I. Vestal of this city. Miss Walker, a leukemia victim died Sunday morning at the farm home of her parents near Spur.

She was born May 20, 1925 at Cross Plains and had lived in Dickens County since 1927. She was commended by the Southwestern Bell Telephone, for whom she was an operator, last April in helping save the life of a child from drowning.

Survivors are her parents; one sister, Mrs. Harrell S. Moore, Abilene; four brothers, Eldon of Floydada, Olney of Spur, Albert of Jayton and Lloyd of Abilene.

Burial was made in the Spur cemetery.

Mr. and Mrs. Merlin Garrett were in Spur to attend funeral services for Miss Walker.

DR. CALVIN GAMBILL RE-ELECTED VICE PRESIDENT

Dr. Calvin Gambill of this city was re-elected vice president of the Texas Naturopathic Physician Association in a state meeting held in Ft. Worth Saturday and Sunday, October 29 - 30.

FATHER OF MRS. DR. BRADLEY REPORTED TO BE IMPROVED

Friends of Dr. and Mrs. Ben H. Bradley of Rising Star will be glad to learn that T. E. Whiteside, father of Mrs. Bradley, of Aubrey, Ark., is reported to be slowly improving following major surgery in the Rising Star Hospital Wednesday of last week. Members of the family have asked that we convey their thanks to the fine people of this community who have remembered them in any way during Mr. Whiteside's illness.

Burkett Student Enrolls At McMurry College

ABILENE.—Zelma Strickland, daughter of Mr. and Mrs. T. C. Strickland, has enrolled in McMurry College for the fall semester, according to Jerome Vannoy, registrar.

Miss Strickland, a sophomore at McMurry, is a 1954 graduate of Burkett High School. At McMurry, Zelma is a member of Kappa Phi, women's social club on the campus.

Registrar Vannoy reported that McMurry had a record-breaking enrollment of 786 students this fall.

The McMurry student body is made up of enrollees from 163 Texas cities and towns, 17 New Mexico cities, nine other states, Mexico, Peru and Korea.
