Paving on Avenue E from the Cottonwood Highway to 10th Street has been completed and motorists are asked to drive slow on this section of the street because fast driving is extremely hazardous on the new pavement.

The street is coated with crushed rock which is a real safety hazard when thrown by pinning tires from speeding vehicles. Along with causing property damage to passing and parked autos, these flying rocks could cause blindness to pedestrians and citizens along the street right-of-way.

When traveling newly-paved streets here, please proceed at a slow speed to insure the safety of your friends and neighbors.

# Summers Are Getting LONGER and HOTTER

Climatological data computed and released by the United States Weather Bureau shows that our hot weather in the Southwest starts later than it used to. Not only does it start later - it lasts longer! If this year follows the pattern of the last few years, we will have 25 days of better than 90-degree weather in August, 15 to 20 over 90 degrees in September, and about 10 days over 90 degrees in October.

## Nothing takes to the road like a Chevy!

Once in a blue moon a car like this comes along-a design so advanced in performance, so beautifully balanced that it stands out above every other car on the highway. It has a solid, sure-footed way of going that makes driving safer and more pleasant on any road. And you feel a very special sense of security in its rapid-fire respon-

siveness to your touch on the wheel, brakes and accelerator.

You can see that the '56 Chevy is a standout for style. But until you have driven one you're missing the best part of the news - the fact that Chevrolet is the smoothest, solidest, most wedded-to-the-road automobile you ever bossed. Try it and see.

You get more car when you buy it . . . more dollars when you sell it! Chevy has the highest resale value of the leading low-priced models

The bride's only attendant was Miss Cokey McAnally. The groom's attendant was Darwin Anderson. The bride, given in marriage by her father, wore a waltz length dress of white Chantilly lace over taffeta. The dress was styled on long torso lines with full gathered skirt. A satin fold was styled at the hipline and terminated in a bow at the V-point on the bodice in back. A fitted jacket featured a Peter Pan collar and Bible topped with a white orchid.

ace over taffeta made with a fitted podice and full gathered skirt. Her corsage was of white carnations. For something old the bride carried a blue lace and linen handkerchief, that belonged to her late grandmother, Mrs. Pink Barr. Her something new, was her dress, something borrowed was a locket belongng to Coky McAnally and she wore he traditional blue garter given her by Mrs. C. M. Garrett. She also wore a lucky penny in her shoe.

Pollowing the ceremony, a recepion was held. The table was laid with a white linen cutwork and lace
