AMERICA'S BEST MOWER VALU

SEE THE ECLIPSE 17" DUO MASTER ROTARY MOWE

Here's a real work saver. A duo-purpose Mower that will mow your la or cut your weeds during the summer. If you let your lawn go a bit t long and the grass grows higher than usual, the Duo-Master will still m it smooth, mulch the clippings, and spread them evenly through its s exhaust chute. It will trim close to sidewalks, walls, or curbs.

The new light weight 1-3 H.P. Briggs & Stratton engine gives plenty power for really tough mowing, yet the Duo-Master is so light and easy use that even the ladies will enjoy it. Low in price, the Eclipse Duo-Ma ter has all of the best features available on small rotary mowers.

Priced at only 89.5

HERE'S A BARGAIN ... ECLIPSE 18" LARK MOWER

Tailored to bring the ease and efficiency of power lawn mowing within the reach of more home owners, the Eclipse Lark still retains all the essential features required for satisfying performance. Good workmanship and plus features make this model hard to beat at any price.

Patterned after the long-famous Rocket model with the noted Briggs & Stratton, 4-cycle engine, the Eclipse Lark is an outstanding value at its moderate price. Power mowers can be made cheaper, but few are made better than the Lark.

Pernicious Anemia Cannot Be Cured

DON'T BE MISLED by the quacks and charfatans who claim to cure pernicious anemia. The most contemptible person in the world is the one who will sacrifice public health, comfort, and happiness for his own financial gain. A patient who has pernicious anemia is deficient in red blood cells. New red blood cells can be developed by a process with which your physician is thoroughly familiar. The process is constant and does not effect a cure. It does, however, enable the patient to complete a normal span of life. Always consult your physician in times of illness. Then bring his prescriptions to us to be filled.

FRIENDLY PROFESSIONAL SERVICE IKE M. NEAL, Owner

- Bribery charges and Austin counter-charges have driven the insurance investigations out of Austin headlines

It's at least temporary relief for the insurance companies . . . who have been hurt by loose accounting methods within their industry.

Grabbing the spotlight from the insurance firms was a naturopathio doctor and a lone member of the Texas House of Representatives.

Dr. Howard Harmon of San Antonio hurled charges of "offering to accept a bribe" against Rep. James E. Cox of Conroe.

Cox countered with a "offer-tobribe" charge against Harmon. Dr. Harmon produced a tape recording of an alleged conversation

he had with Cox. A Travis County grand jury investigation resulted in indictments

11

passage 44 - Like

medium

against Cox, charging him with "consenting to accept a bribe." Cox's attorney announced a slan-

der suit would be filed against Dr. Harmon

Meanwhile, a House investigating committee checked into all phases of the matter.

All in all, it was the fastest action seen around the capitol in many vears.

Reorganinzation Bills .- Two bills to reorganize the Insurance Commission have been introduced in the Legislature

One, by Sen. William S. Fly of Victoria, proposes a part-time policy-making board. Members would meet 24 days a year. Executive director would run the department.

A second, prepared at Gov. Price Daniel's behest, was introduced by Rep. Marshall O. Bell of San Antonio. It would provide a full-time board limited to quasi-judicial functions and, like the Fly bill, a department director.

Senate Race .-- With filing deadline race, little has changed since the

last such election in 1941. Field is overflowing; rules intact. Pool bill, which would require a run-off if the top man lacked a majority, was lying to state in the Sen-Even supporters said it looked ate.

dead In 1941, W. Lee O'Daniel was top man in a field of 21. This year the field is laden with almost the same number of contenders. One Republican and almost every conceivable. type of Democrat are included.

Water Bill Passed .- First water conservation bill to gain final passage would allow the Water Board to

ancel water permits to cities.
