

Jerry Erwin Featured In Tarleton Paper

STEPHENVILLE (Spl.) — The following article appeared in the Tarleton State College newspaper, the J-TAC, about Jerry Erwin, son of Mr. and Mrs. W. R. Erwin, Route 1, Cisco.

Erwin is a 1956 graduate of Cross Plains High School.

An interesting combination of photography and taxidermy are the hobbies of Cadet Major Jerry Erwin, who earns the title Cadet of the Week this week.

"I took a correspondence course in taxidermy while in high school," says the electrical engineering major, "and I now am a member of the Omaha School of Taxidermy."

Erwin, a sophomore student at Tarleton State, says that there is a real art in trying to stuff animals. He has tried his ability as a taxidermist on birds and rabbits that he has killed. "It's hard to make them look like they do when they are alive," he continues.

The '56 graduate of Cross Plains High School also likes photography. His high school activities indicate this. He was photographer and photo editor of his high school annual.

In addition to this, he was an officer of the Future Farmers of America chapter two years, serving as vice-president and secretary. He went to state finals on an FFA quiz team during his freshman year in high school.

Erwin was also in the senior play at Cross Plains High School. Good grades seem to be no problem for the engineering major. He has maintained an A average while at Tarleton State. He received two scholastic awards last year — in mathematics and engineering — for maintaining the highest grades in those two departments.

Erwin was recently elected president of the TSC Scholarship Society, which consists of distinguished students on the campus.

Cadet major Erwin is an S-3 on the ROTC regimental staff at Tarleton State. He plans to go to Texas A&M after graduation from TSC in the spring.

When asked about humorous experiences in highlife, Erwin replied that he "could not think of anything at the moment that could be put in the newspaper."

The ambitious cadet says that after graduation from A&M with a bachelor's degree, he wants to enter the Army as a commissioned officer in the signal corps if possible. He then wants to continue his education and obtain his master's and doctor's degrees.

Erwin says that he likes popular. (Continued on Page Eight)

Thursday, Nov. 28, Will Be Thanksgiving Holiday In Cross Plains Area

Next Thursday, Nov. 28, will be a full holiday in Cross Plains, in observance of Thanksgiving Day.

School will turn out Wednesday afternoon for the holiday week end.

Shoppers are asked to keep this holiday date in mind and lay in their holiday needs, as most local firms will be closed all day while others will operate on a Sunday schedule.

The last holiday of the year will be observed on Christmas Day.

First Baptist Church To Hold 'Tithing' Revival

The First Baptist Church in Cross Plains will engage in a week of "Tithing Revival" December 9 through the 15.

The pastor, Rev. V. D. Walters, will do the preaching and Roy Flournoy, church song leader, will direct the singing.

Speaking under a general theme of "God's Plan in Kingdom Finance," the pastor will deliver sermons dealing with such subjects as "The Origin of the Tithing," "What Constitutes a Tithing?" "The Responsibility of Tithing," "Why I Tithed," "The Holy Tenth," "The Doctrine of the Tithing," and "A Tithing's Reward."

It was stated by the pastor, "this will be a different type of revival ever engaged in before by the church in that there will be no morning services and the entire emphasis will be on man's duty and privilege to give God a tenth of his earnings."

The services will begin each night at 7:15.

Grosvenor Man Buried At Cross Cut Saturday

David Lawrence Strange, 54, of Grosvenor was buried in the Cross Cut Cemetery Saturday morning following funeral services at the First Baptist Church at Cross Cut at 10 a.m. Rev. A. P. Alsing, pastor, officiated.

A quartet composed of Mrs. J. M. Greenwood, Mrs. W. A. Strickland, Mrs. B. G. McCowen and Mrs. Charlene McGowen sang three numbers, "In the Garden," "In the Sweet By and By," and "I Fly Away."

Mr. Strange passed away Wednesday, November 13, in the Rising Star Hospital after suffering a heart attack. He had been hospitalized only a few days.

Mr. Strange was born Nov. 10, 1903 at Grosvenor.

Survivors include three sons, Capt. G. H. Strange, stationed with the U. S. Force in England, Buford E. Strange, Los Angeles, Calif., and A. C. Harry S. Strange, stationed at Seattle, Wash.; his mother, Mrs. S. E. Strange, Tucson, Ariz.; two brothers, Shirley Strange, Hagerman, New Mexico, and Glen Strange, Glendale, Calif.; two sisters, Mrs. Alpha Person of Fort Elise, Texas, and Mrs. Ethel Jensen, Tucson, Ariz.; and five grandchildren.

Serving as pallbearers were Mr. Strawn, Lawrence Byrd, Earl Phillips, J. C. and A. H. Hounshell and Robert Harrell.

Honorary pallbearers were Leroy, Les, Ernest and E. C. Byrd, Glen Harms, Ray Strawn and Les Phillips.

Mr. and Mrs. Neal Dillard and daughters and Mr. and Mrs. N. L. Dillard and son were deer hunting near Rock Springs the past week.

Union Thanksgiving Service To Be Held Wednesday, Nov. 27

The annual community Union Thanksgiving Service will be held at the First Baptist Church, next Wednesday night, Nov. 27, beginning at 7:00 o'clock, according to an announcement made here this week.

The song service will be under the direction of Roy T. Flournoy, Baptist Church song leader.

Rev. Roy Zuefel, pastor of the First Presbyterian Church, will read the Scripture lesson and lead in prayer.

Special song will be sung by Rev. Gordon Dennis, pastor of the First Methodist Church.

The Thanksgiving sermon will be delivered by Rev. Linam Prentiss, pastor of the Evangelical Methodist Church.

Rev. V. D. Walters, pastor of the host church, invites everyone in the community to attend this union service.

Government Vet To Test County Cattle For Tuberculosis

Glen Green, Callahan County Agricultural Agent, announced this week that Dr. Robert Strickland, Federal Veterinarian with the Agricultural Research Service, is now working in the county testing cattle for tuberculosis.

Green stated that it was necessary to get these tests completed so that Callahan County may receive accreditation with the federal government. This test program is carried out every six years and cattle cannot be moved out of a county that is not accredited without first being tested for TB, he said. There is no charge made for these tests and cattle owners are asked to contact County Agent Green for a date to have Dr. Strickland test their stock.

Make sure that cattle can be moved freely out of Callahan County by cooperating in this program, Green urges.

Musical To Be Held At Cottonwood, Nov. 29

It has been announced that a musical will be held at the Cottonwood Community Center, Friday night, November 29, beginning at 7:30. According to the program committee there will be plenty of good music and refreshments will be on sale in the kitchen.

Everyone is cordially invited to attend and any local talent is asked to come and take part in the program.

8 Buff Band Members Make All-District Band

Roy T. Flournoy, director of the Buffalo School Band announced, Monday of this week, that eight members of his organization won chairs in the All-District Band competition held at Cisco Junior College, Saturday of last week.

Jim Lewis made first chair baritone and Barbara Merrill made first bass drummer, he reported. Other Buff musicians making the band were: Sidney McClure, Mickey Jowers, Bill Spencer, Kenneth Hanke, Claude Champion, and Monty Neeb.

Mrs. Burns, Mrs. Pruet Announce Purchase of Cross Plains Florist

In a display advertisement, appearing in this edition of the Review, Mrs. John Pruet of this city and Mrs. Demman Burns of Rising Star, announce that they have purchased the Cross Plains Florist Shop from Mrs. Beulah Lucas and will take over management of the business, effective Sunday, Dec. 1.

These ladies are well known and popular residents of this area and their many friends will be happy to learn of their new business venture.

According to the advertisement, they plan to give a complete floral service to residents of this area, and ask for a trial. Mrs. Burns also operates the Little Flower Shop in Rising Star and is an artistic floral designer.

Mrs. Pruet will operate the local firm, it was announced.

County TB Association Launches Seal Drive

Mrs. Fred Cutbirth, Cross Plains Christmas Seal Chairman, announced this week that Christmas Seals were mailed to a large number of residents in Callahan County, Friday of last week, and if you didn't receive yours, she asks that you please notify her or the county chairman in Baird, as it is hoped that every citizen of the county will help in this very worthwhile endeavor to help rid our state of the dreaded tuberculosis disease.

If you received your seals, drop your money in the return envelope and mail it today, while it is still fresh in your memory.

The seal program is the only means the Callahan County TB Association has for raising money to help in their program against tuberculosis—so be generous in your contribution.

Odell Lawler, 47, Buried In California Saturday

Odell Lawler, son of J. R. Lawler and Mrs. N. M. Lawler of this city was buried in the Moor Park Cemetery in California Saturday morning, following services at 10:00 o'clock.

Mr. Lawler passed away Tuesday, Nov. 19, in Moor Park, California, following a long illness. He was born at "ent, and made his home in Cross Plains for a short time while employed as a carpenter.

Survivors include his wife, four children, his parents and a number of brothers and sisters.

Relatives from Cross Plains attending the funeral were his mother, Mrs. Lawler; two sisters, Mrs. W. J. Cross and Mrs. Elizabeth Hayes, also another sister, Mrs. M. L. Holt of San Antonio. Mr. and Mrs. Sim Lawler, of Atwater, Calif., were visiting here with members of the Lawler family when the news of the death was received and they returned to California, also.

FHA TO MEET MONDAY NIGHT

Members of the Future Homemakers will meet at the homemaking cottage, Monday evening at 7:30, according to an announcement made the first of the week. All members are asked to remember the time and be present.

The Cross Plains Buffaloes ended their 1957 football season in a blaze of glory here last Friday as they crushed the invading Rising Star Wildcats, 33-0.

The final contest of the season was all Buffalo from the start to the finish. The Buffs tallied twice in each of the first two quarters and once in the third period to rack up their highest score of the season. Rising Star made only one scoring threat as they recovered a Buff fumble on a punt on the Cross Plains 9. But the Buffs strong defense allowed the Wildcats only one yard in four tries to kill the 'Cats hopes.

Following a Wildcat fumble which was recovered by Buff Joe Gary on the Rising Star 47, Cross Plains took the lead. In 11 plays the Buffs hit paydirt with Buff fullback Joe Gary going over right guard from one yard out wide. Quarterback Granvel Scott booted the extra point and Cross Plains led 7-0 with 4:45 left in the first quarter.

The Buffaloes kicked off, but another Wildcat fumble gave the ball to the Buffs on their own 46. Buff halfback Darvel Hutchins picked up five yards and Gary picked up nine to give the Buffs a first on the Rising Star 40. Then Quarterback Scott passed to Hutchins who was behind the 'Cat defense for 40 yards and the second Buff tally. The point after was no good, and with 2:25 left in the first period the score read Buffaloes 13 and the Wildcats 0.

The Buffaloes took over on the mid-field stripe following a 'Cat punt, and the Buffs were still in the scoring mood. In three plays the Buffs moved the ball to the Rising Star 32, but a penalty backed the ball up to the 37. Then Hutchins passed the pigskin to Scott on the five where he did a tight rope walking act to stay in bounds. But Scott found himself standing in the land of six points following the play which covered 37 yards. The point was wide, and with 1:44 gone in the second quarter Cross Plains led by 19-0.

Rising Star had their only threat going for them following the Buffs third counter. Rising Star could not move against the Buff defense and punted. The Buffs fumbled the punted ball, and Rising Star recovered on the Cross Plains nine yard line. But the Buff defense stopped the Wildcats like a rock wall. In four plays the 'Cats gained only one yard, to the Cross Plains eight.

Cross Plains then put on their longest march of the night when they drove from their own eight.

LOCAL SCHOOL STUDENTS RECEIVE POLIO SALK SHOTS

Supt. Paul L. Whitton has announced the second Salk vaccine polio shots Wednesday of this week by Dr. M. L. Stubblefield, County Health Officer of Baird.

into the promised land. The march covered 92 yards. The drive was kept alive by scampers of 24 and 22 yards by halfbacks Norman Vaughn and Hutchins respectively. Vaughn moved for 24 yards around left end, being his three times before he fumbled because of very hard tackle on the Rising Star 37. But Buff Johnny Pancake saved the drive as he smothered the ball for the locals. Scott then moved for 10 and a first on the Wildcat 27. Hutchins then started around right end, couldn't work his cut and turned back through both squads and rambled on down to the Rising Star five before his feet were cut from under him. Powerful Buff fullback Gary then smashed into the land of plenty from five yards out. Hutchins' extra point was good, and at the half Cross Plains led 26-0.

Rising Star received the second half opening kickoff but couldn't move and was forced to punt. Claude Beeler, second quarterback who was out with injuries most of the season, guided the Buff eleven to their final tally in the third period. Cross Plains took possession of the pigskin on the Buff 45 following a Wildcat fumble. Highlighting the Buffs 55 yard march was a 17 yard gainer by Hutchins for a first on the 'Cat 26. In three plays Scott and Hutchins moved the ball to the Rising Star two. Beeler then sneaked into the end zone for six points. Perry Jennings, who played a fine defensive game, split the uprights and Cross Plains led 33-0.

Rising Star made a mild threat in the final period as they recovered a Buff fumble on the Buff 32. But the 'Cats again could find no running room and a fourth down gamble pass fell incomplete. Cross Plains took over on their 28 and moved to the Rising Star 30 where Mack Elliott intercepted a Buff pass on the 'Cat 20 to stop the drive. But again the visitors were forced to punt.

Speedster Hutchins took the punt on first bounce on his own 22 and returned it 78 yards for a touchdown, but a personal foul was committed on the Rising Star two and therefore nullified the fine run and moved the ball back to the Rising Star 17. With 15 seconds remaining in the ball game, the Buffaloes' Hutchins tried a field goal from the 11, but the kick was partially blocked and the ball fell short of the uprights.

Five plays was turned in by the entire Buffalo squad. But the fine running and passing of Darvel Hutchins gave the Buffs an added punch. Fine defensive work by Perry Jennings, Johnny Pancake, Don Watkins and the other defensive line kept the visitors bottled up for the entire game.

The Buffaloes wrapped up the season with a 4-6 win-loss record and tied with Goldthwaite for third place in the district standings. Next year the Buffs will be in a different conference and should fare as well, if not better, than this year.

BAYOU PHILOSOPHER JOINS THE FIGHT AGAINST INFLATION BY DOZING IN CHAIR

(EDITOR'S NOTE: The Bayou Philosopher on his Johnson grass farm on the Bayou apparently has gotten his mind off Russian satellites and back to inflation. He's as much an authority on one as the other.)

Dear editor:

I found two copies of some newspapers out here yesterday afternoon alongside the road by my farm where somebody had dropped them from his car and judging by the ants in them, they'd been used to wrap up a picnic lunch, and I thought you'd like to know that one of them was a copy of the Cross Plains Review and the other a copy of the Fort Worth Star-Telegram, and I examined them both carefully and found exactly 14 ants in each one, which proves that when it comes to being ant-proof, there's not much difference in newspapers.

But what interested me, after I'd shook the ants out, was an article in the big daily about two Senators on a special committee in Washington to investigate inflation.

According to one of them, Americans should be allowed to have more spending money, as he claimed the factories in this country aren't producing as much as they could and would if the people had more money to spend. The only thing is, he didn't say where this extra spending money is com-

ing from.

According to the other, that's just the trouble, the people have too much money to spend, which in turn produces inflation. He said if we had more money, we'd be bidding higher for more goods, which would only produce more inflation.

Now I'm not smart enough to settle this argument, but I would like to say that while maybe this latter Senator can convince his wife he has enough money, I'll have to admit I must have a different type wife. When I pointed out to her that the reason I didn't furnish her with more money was because me and this Senator didn't want to be contributing to the inflationary spiral, she just snorted and said the Senator could run the Senate and she'd run her house and it'd run a lot smoother if she had more cash. She also added that she'd have more cash maybe if I worked harder, but anybody can see the more you work the more you make and the more you spend and hence the more you contribute to the high cost of things, and I'd appreciate it if more women around here understood this.

What the women of this country ought to understand is that when a man is dozing in his chair he's not loafing, he's fighting inflation.

Yours faithfully,
J. A.

Governor Proclaims Seal Days Starting Nov. 15

AUSTIN—Governor Price Daniel this week asked Texans to remember that the fight against tuberculosis continues in Texas.

In proclaiming the period November 15 to December 24 "Christmas Seal Days" the governor stated that "Modern drugs, medical science and better living conditions have lowered the once-terrible death rate of tuberculosis cases found each year."

"It is estimated that 22,000 people in our state have active tuberculosis. In the nation in 1956, 100,000 new cases were discovered. Every five minutes, another American falls prey to tuberculosis, and last year 15,000 persons died of this disease."

The governor signed the Christmas Seal proclamation in the presence of Miss Carolyn Calvert of Austin, Miss Christmas Seal of 1957. She also bears the title, Miss Texas. Miss Calvert is the daughter of Supreme Court Justice and Mrs. Robert W. Calvert, and her mother has long been active on the board of the Texas Tuberculosis Association. This and local tuberculosis associations over the State are supported by the annual sale of Christmas Seals. Seals will be in the mails November 15.

AUSTIN, Tex.—Texas' lawmakers are striving hard to forge a new tool for dealing with police powers, insofar as school segregation-integration problems are concerned.

Proposed is a "last-resort" law to be used, presumably, in situations where threat of federally-enforced integration is met by strong local opposition. It would allow the school board to shut down the school until "the earliest possible time when peace and order can be maintained without the use or occupation by military forces."

Gov. Price Daniels' call also asked that the law provide (1) that state aid, accreditation, salaries, etc., not be affected by the closing, (2) that school boards may transfer local pupils and (3) that the attorney general be authorized to assist local school districts in contesting integration suits in federal court.

Though Legislative operating funds ran out over the weekend, both House and Senate decided against a "crash" program to enact the bill overnight. Strong opposition was not foreseen, however.

FISCAL HANGOVER—Lawmakers who return for the next regular session in January, 1959, face a "morning after" atmosphere with a \$12,000,000 headache.

Last summer State Comptroller Robert S. Calvert predicted the state would end this two-year period with a \$6,000,000 deficit. His latest estimate doubles that figure.

Calvert revised his figures after voters this month approved a constitutional amendment upping state pension payments.

Legislators already are skating on the edge of financial embarrassment in their day-to-day operation. Fund for their salaries, expenses, etc., was down to about \$45,000 when the first session ended. With costs running about \$11,000 a day, they were due to start drawing this week on the governor's deficiency fund, earmarked for "calamities."

But the real calamity, as many legislators see it, comes year after next when they will have to find a way to glue the "busted" budget together again. Most agree, gloomily, that it means new taxes.

NO "THRILL," BUT—Legislators' comments on the law passed during the first special session ranged from "monstrosity" to a shoulder-shrugging "better than nothing."

But they did pass—all five that the governor asked.

Spokesmen for the governor admitted he wasn't exactly "thrilled" with the watered-down water bill, but that he would accept it. In a public statement Governor Daniel commended the lawmakers for their accomplishments.

Briefly, the new laws do this:

1. Set up a water planning division to do research on Texas water resources and report to each regular session. No authority to draw up a statewide plan was conferred, and the appropriations was cut from a recommended \$1,200,000 to \$600,000. Water Board was given authority to negotiate for state water storage in federal reservoirs—with legislative approval.
2. Require registration of those who seek to influence legislation "by direct communication" and reporting of expenditures over \$50.
3. Require registration of those who, for pay, represent others before state agencies.
4. Set up a commission to study Texas law enforcement and report to the next regular session.
5. Appropriate money for a building for the State Insurance Department.

WHAT NOW?—Senate rejection of the appointment of William A. Harrison as insurance commissioner put the department in a quandary.

Without an administrative head, the department cannot conduct ever routine business, nor can it pay its employees. Members of the Insurance Board asked Atty. Gen. Will Wilson for guidance.

Under the Constitution the Senate has the authority to pass on all appointments made by the governor to constitutional offices. It does not, however, pass on appointments of various state boards within their departments.

When the Insurance Department was re-organized last spring, the new law authorized the governor to appoint Insurance Board members and the board to appoint a commissioner. But it was specifically written into the law that the Senate would have confirmation power on the board's appointment of a commissioner.

Senate approved the governor's appointments to the board, but turned thumbs down on Harrison. A former assistant state auditor, Harrison had been serving in the \$20,000-a-year post since early last summer.

Board members asked Wilson's opinion on (1) Does the Senate have the constitutional authority to pass on a board appointment and (2) if so, what'll we do until we can find a new commissioner.

"NO URGENCY"—Insurance Department is being beset by the Senate from another quarter as the investigation into a delayed report continues.

Senate committee questioned two department officials on why three months elapsed between receipt of an unfavorable report on Preferred Life of Dallas and department action on the matter.

Paul D. Connor, assistant commissioner, said he saw "no urgency" in the report since it did not

involve insolvency. E. B. Kelley, chief examiner, said he didn't think there was "anything significant" about it.

Earlier, the man who made the examination said he had found evidence of illegal stock manipulation involving some \$994,000.

COTTON RAINED OUT—Unusually rains probably have cost Texas cotton farmers some \$100,000,000, says Agriculture Commissioner John White.

Rain kept harvesters out of the fields, said White, and greatly cut the quality of the cotton still on the stalks. "It's a real economic blow to many farmers who had prospects of the first good cotton crop in several years," White observed.

SHORT SNORT—Sen. William T. Moore of Bryan is president pro tempore of the Senate for the second called session. He succeeds Sen. Searcy Bracewell of Houston.

One of the things for which Texans can be thankful this year is that there will be only one Thanksgiving. Governor Daniel proclaimed the Texas holiday for Nov. 28, same as the federal holiday.

Governor Daniel has asked President Eisenhower for emergency federal aid for Jefferson, Bell, Orange and Fayette counties, recently hit by floods and tornadoes.

A senate-passed bill clears the way for getting land for a Texas Employment Commission building just north of the Capitol. Bill would increase the site-buying appropriation from \$350,000 to \$1,100,000. Probable location now is occupied by a Lutheran Church.

Mr. and Mrs. Berry Bell Celebrate 50th Wedding Anniversary

Mr. and Mrs. Berry Bell celebrated their golden wedding anniversary Sunday, November 17, at their home two miles east of Cross Plains and enjoyed having their nine children present to enjoy the occasion with them.

The Bells were married November 17, 1907 at Sabanno and have lived in Callahan County all of their married life except for a short time spent in Eastland County. Mr. Bell is a native of Callahan County, son of the late Mr. and Mrs. Berry D. Bell, Jr. was born near Atwell, Feb. 4, 1881. Mrs. Bell was born Feb. 24, 1891.

Children attending were: Mr. and Mrs. L. D. Campbell, El Paso; Mr. and Mrs. Alfred Hulsey and sons, Lampasas; Mr. and Mrs. Pat Bell

and family, Blackwell; Mr. and Mrs. Floyd Darnell and family and Mr. and Mrs. Glenn Bell and family, Abilene; Mr. and Mrs. W. L. Grissom and family, Truby; Mr. and Mrs. Burl Brown, Mr. and Mrs. Gordon Bell and sons and Mr. and Mrs. Charlie Bell and sons, Cross Plains.

Other grandchildren attending were Mr. and Mrs. R. B. Westberry and girls, Los Angeles, Calif.; Mr. and Mrs. Darrel Grissom, Anson; Mr. and Mrs. Randal Grissom and Mr. and Mrs. C. W. Bell and Debbie, Abilene; Mrs. Billy Jones and Rickey, Baird, and Mr. and Mrs. James Mankin and Randy, Truby.

Others attending were Richard Tatum, Abilene; J. H. Hughes and family, Mrs. Dick Weaver, and Mr. and Mrs. Bill Person and family, all of Killeen; Mrs. Pearl Peters, Mrs. Willie Hinkle and Jackie, Cross Plains; Onetia Carroll, Putnam, and Nancy McKinney, Rising Star.

There were nine children, 29 grandchildren and 13 great-grandchildren to attend. All the family except three grandchildren.

FHA Members Attend Meeting At Merkel

Thirteen members of the local chapter of the FHA were in Merkel Saturday to attend the district meeting held in that city.

Guest speaker at the meeting was Dr. Joe Humphrey, Dean at McMurry College, Abilene. He spoke on "Family Affairs" and his talk was followed by skits on "Family Affairs" given by four chapters in the district.

Attending the meeting from the local chapter were: Daria Bates, Virginia Lane, Nelda Tennis, Willie Mae Ingram, Betty Golsen, Anita and Claudette Baugh, Mary Koenig, Sharon Ingram, Joan McNutt, Earlene Palkner, Barbara Black and Virginia Odum and the instructor, Miss Mary Helen Strong.

BROWNIE TROOP 4 NEWS

Brownie Troop 4 met Tuesday of last week in the Buffalo Inn with Vice-President Barbara Shocklee presiding in the absence of Christi Ann Chesshir and the minutes were read by Peggy Lane.

The business consisted of making plans for a Christmas party and selecting a work unit project. Recreational activities were practicing a song and game combination.

Brownies present were: Judy Fortune, Sandra Apple, Peggy Lane and Barbara Shocklee.

Baptist YWA Girls Hold Regular Meeting Monday

The Winona Treadwell Young Women's Auxiliary of the First Baptist Church met Monday, November 18, at the church at 3:45. The opening prayer was led by Joan McNutt.

During the business session the president, Anita Baugh, was in charge and minutes were read by Janie Schaffner. The treasurer's report was given by Joan McNutt and the community missions report was given by Betty Wyatt, chairman.

Refreshments of chocolate waffles and cold drinks were served by Joan McNutt and Anita Baugh. Mrs. Lindsey Tyson, YWA counselor, taught the first chapter of the mission book "Something New," a study of Baptist mission in Africa. Picture slides were shown to illustrate the mission work being done.

Betty Wyatt closed the meeting with prayer after the names of the missionaries on the prayer list were read.

Attending were Anita Baugh, Joan McNutt, Janie Schaffner, Von-dean Walters and two visitors, Linda Baum and Willie Mae Ingram, and Mrs. Tyson.

The next meeting will be held Monday, Nov. 25, at the church at 3:45, at which time the mission book of Africa will be studied.

AUCTION SALE!

I will offer for Sale at Public Auction every article in our three stores, being Used Furniture, Tires, Tubes and many other items too numerous to list. This is not an invoice . . . everything is going at some price that you care to pay! There will be no buy bidders—I don't even know what they are!

My reasons for this change in my business is because one can not successfully operate two businesses and I have been neglecting my Monument business too long, already.

I certainly have appreciated your business and pleasant dealings since I have been in this business and now thank each of you again for everything. You will be seeing my advertisements in the paper which will explain more fully the things you can buy at your price, not mine. Nothing will be reserved! If you are not convinced I am going to sell everything for some price, you just come and see!

There is going to be lots of Fun and Foolishness, and remember, not less than 25 Gifts will be handed out FREE!

You'll Come . . .

TOO MANY SPRING FIGS CAN DROP HOG PRICES LATER

College Station—Statistics show that prices received by farmers for hogs in 1957 have shown good gains over those received in 1956, but these price gains can be maintained only if the supply of hogs is kept in line with prospective demands.

Price increases such as those from 1956 to 1957 have a tendency to encourage more hog production next year. If production is increased materially, prices in the fall of 1958 could be much lower than at the present time, warns John G. McHaney, extension economist.

Market analysts think that spring farrowings in 1958 will show a minimum increase of seven per cent, and they could be larger, and prices to farmers will react as they have in the past.

For example, the 1954 spring crop increased 10 per cent and prices to farmers fell 23 per cent the following September through February. In 1955, the spring crop increased nine per cent and prices to farmers fell 29 per cent the following September-February.

There are three big reasons for the expected large pig crop in 1958, says McHaney.

(1) Bumper harvests of feed crops this year make more spring farrowings in 1958 highly probable.

(2) Hog prices in 1957 have been good, and may encourage more production.

(3) The number of bushels of corn that could be bought with the price of a hundred pounds of hogs has averaged above 12 for many years. This September, it ran to a high of 16.6 bushels and is expected to run between 14 and 15 during the present breeding season. This situation almost invariably leads to increased farrowings.

This year's hog prices encourage production, but just because prices are good one year is no sign they will be good the next year, concludes McHaney.

Visiting Mrs. T. M. Davis and Myrtle Sunday were O. A. Warlock and daughter, Glenda, of May and Mrs. Bertha Newcomb, Mr. and Mrs. Bob Wall and son and Mr. and Mrs. Elmo Davis and family of Brownwood.

The ever-growing popularity of lake sports in Texas, lake property is selling fast. Many Texas lakes have been "sold out" that is, as desirable lake frontage is sold.

How To Build One
How are these floating homes constructed with steel under the deck. Average deck is 26 feet long by 12 feet wide. Runners are spaced 24 inches apart. Steel drums may be placed at the length of the boat. The steel underpinning is into a single unit, the 2" x 4" is secured by large bolts through the steel frame.

IT'S THE LAW IN TEXAS

How to Judge a Witness
As a juror you are a judge of the evidence presented at a trial. In order to reach a proper verdict, you have to decide what to believe and what not to believe. One person can't believe two diametrically opposed statements.

Lakes and rivers in Texas were on flood rampages last spring. Lake Travis used as a flood control lake, rose to unexpected heights. Houseboaters were glad to have someone on hand to advise when their boats needed moving up or down.

Two other veteran houseboaters, Ott Miller and Dr. Aubrey House, both of Taylor, enjoy owning and maintaining their crafts. Miller has added six feet of deck space to his boat and finished the inside of the cabin with plywood.

Power, Not Speed
What about powering the big boats? Not built to break speed records, a houseboat needs only an outboard, in the 10 to 25 hp class, to shove it along in grand cruising style.

How to Judge a Witness

But alas, there is no fool-proof way to sift out the true from the false. Lacking a surefire truth detector, our jury system is the best method yet found.

Consider why a witness may make untrue statements: Is it because of confusion, nervousness, mistakes, or looks and conduct on the witness stand, relationship between the witness and the parties; stakes in the trial's outcome; bias, if it appears; the strength of the witness' memory; the chances they have had to see, hear and know what they have testified to; their candor; the reasonableness of their testimony.

After all, the houseboat was built for easy-style living. For those who want speed on the water, a small runabout can always be added to the fleet. Summer or winter, the houseboat can serve as a recreation spot for you and your family. Fish in the comfort of a heated cabin (some have fishing holes cut in the floor); take a slow cruise to visit another houseboat community on the lake; or just lazy the day away in the company of good friends.

CARD OF THANKS

We wish to express our appreciation to our many friends for their expressions of sympathy, many kindnesses, and the floral offering during the recent illness and passing of M. B. Battle. The Battle family

Glenn Fleming of Pampa visited here Thursday night and Friday with his parents, Mr. and Mrs. Joe Fleming and sons, Mrs. Fleming accompanied her son to Pampa following the Cross Plains-Rising Star football game Friday night and is visiting her daughter and husband, Mr. and Mrs. Bill Watson.

Mr. and Mrs. Jake Dallas and son, Douglas, and Sammy Odom were in Abilene Saturday visiting Mr. and Mrs. David Dallas and attended the ACC-Trinity University homecoming football game Saturday afternoon.

What's your pleasure? If you want to be near water, check the advantages of owning a houseboat. I think you'll enjoy being master of your own luxury liner.

Cotton Growers To Vote On Quotas

COLLEGE STATION — Cotton producers of the nation will vote on December 10 to determine whether or not marketing quotas will be in effect on their 1958 crop. According to R. O. Shrauner, chairman, Texas Agricultural Stabilization and Conservation Committee, this will be the twelfth time that growers have registered their choice on this question.

Marketing quotas have been in effect for the last four crops. Last December, 92.4 per cent of the farmers voting approved quotas for the 1957 cotton crop. Two-thirds of the voters must favor quotas too, if they are to remain effective. The first referendum was held in 1938.

Under legislative provisions, the Secretary of Agriculture must proclaim a national marketing quota and a national acreage allotment for upland cotton whenever he finds that the total supply exceeds the normal supply. The total supply of upland cotton for the 1957-58 marketing year is estimated at 23.6 million running bales and the normal supply, that needed for domestic uses, for exports and a 30 per cent carryover reserve, is estimated at 17.6 million bales. Thus, the prospective total supply exceeds the normal supply by about 5.6 million bales, and quotas for the 1958 crop of upland cotton had to be proclaimed.

Marketing quotas, point out Shrauner, operate through acreage allotments. A grower who exceeds the 'cotton acreage allotment for his farm, under a cotton marketing quota program will be subject to a marketing quota penalty of 50 per cent of parity on the farm's excess production. Growers who do not exceed their cotton allotments may market free of penalty all of the 1958 cotton production from their farms.

Shrauner said growers could get detailed information on the referendum by visiting the ASC office in their county.
