H. C. Placke Found Dead, January 30; Buried Here Sunday

Herbert Charles Placke, 67, was found dead Friday afternoon of last week at his home here, and, according to investigating officers and attending physicians, he had died during the early hours Friday morning of a heart attack while in bed.

Mr. Placke, a carpenter, was last seen Thursday night and apparently was in excellent health. He had lived alone since the death of his wife several years ago.

Mr. Placke was born at Schulenburg, Texas, July 14, 1891, and was married to Amanda Marburger at Lincoln, Texas, Nov. 11, 1922. The couple moved to Cross Plains from Lincoln 38 years ago.

Final rites were conducted for Mr. Placke at the Cross Plains Presbyterian Church Sunday at 2:30 p. m., with Dr. R. T. Bridge of Abilene officiating. Interment was in the Cross Plains Cemetery, under the direction of Higginbotham Funeral Home.

He was a member of the VFW, the American Legion and the Presbyterian Men's Club. He joined the Lutheran Church at an early age, and in later years was associated with the local Presbyterian Church.

Survivors include one son, W. A. Placke, of Lovington, N. M.; one daughter, Mrs. Vernie Underwood of Andrews; four brothers, L. W. of Cross Plains, Edd of San Antonio, John of Kentucky, and Bob of Lincoln, Texas; one sister, Mrs. Millie Hempel of Corpus Christi and three grandchildren.

Palbearers were Merlin and Harold Garrett, Collins Eager, Jack Tamm, Dick Wagner, J. C. Claborn, Ed McNally and Robert Brashear.

Governor Proclaims Public Schools Week

Today, more than ever before, the importance of our schools is being realized by an awakened Nation. A new perspective has been taken on by education, both in scientific and liberal arts fields.

As we rush to train scientists and place satellites in outer space, however, it is important to remember that our public schools will furnish our leaders of tomorrow with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

In an effort to make Texas public schools the finest in the Nation, the citizens of our communities are urged to take an active interest in the school systems and to co-operate with the respective school boards, superintendents, principals and teachers.

For the past nine years Public Schools Week in Texas has been set aside as a special time each year to place increased emphasis on our educational system. Parent visitation is encouraged and each citizen is urged to recognize the tremendous importance of our public schools.

Therefore, I, as Governor of Texas, do hereby designate the week of March 2-8, 1959, as Public Schools Week in Texas.

In official recognition whereof, I hereby affix my signature this 7th day of January, 1959.

(SEAL) PRICE DANIEL, Governor of Texas.

Mrs. Leroy Cowan Critically Ill in Lubbock Hospital

Word was received here during the week end of the serious illness of Mrs. Leroy Cowan of Tahoka, wife of a former minister of the local Church of Christ.

The Cowan family made their home here for several years having moved from here to Gorman and have been making their home in Tahoka the past two years.

Friends of the Cowan's wish for Mrs. Cowan a speedy and complete recovery.

GUARDSMAN... Benny Ray Glover, son of Mr. and Mrs. Chester Glover of this city, who is now serving six months' active duty with the National Guard. He is now taking basic training at Fort Chaffee, Ark. Glover is an employee of The Review, serving as sports writer and also working as a printer in the mechanical department, and will return to his work here around July 1 of this year.

Burkett Community Raises \$212.25 for MOD Fund

Mrs. Roger Watson and Mrs. Loyd Boyle, co-chairmen, of the Burkett Community March of Dimes drive, have reported that a total of \$212.25 was raised in a house to house canvass recently.

Workers making the canvass were Mrs. Jack DeBusk and Mrs. Vernon Bullard, Mr. and Mrs. Arlie Thabe, Rowena Herring and El Wanda Key, Mrs. J. C. Bowden, Mrs. H. C. Burkett, and the co-chairmen, Mrs. Boyle and Mrs. Watson.

The chairmen asked the Review to convey their sincere thanks to the volunteer workers and those who contributed to this worthy cause.

Stage Band to Play Concert At Breckenridge Friday

The Cross Plains Buffalo Stage Band will be in Breckenridge Friday afternoon of this week to render a program at the assembly program to be held at Breckenridge High School.

The Breckenridge Stage Band and the local stage band have played for school activities on a return engagement proposition the past several years. The Breckenridge organization were guests at the local band banquet, held here recently, and rendered several numbers, following the dinner and program.

Less Hopper Damage Expected This Summer

Grasshoppers are likely to be more widespread in the west and midwest this summer but are expected to be less destructive than in 1958.

A USDA-State survey made last fall showed almost 23 million acres with enough grasshoppers to damage crops and grass. The effective chemical treatment of five million infested acres last summer not only saved crops and grass but is now paying dividends in fewer grasshoppers.

The total acreage infested in Texas is placed at 3,460,000, according to Texas Agricultural Extension service entomologists. The heaviest infestations were found in the two northern tiers of counties in the Panhandle and those along the Oklahoma line on the eastern side of the area.

In the South Plains area only spotted infestations were found by the surveyors. The infestation in the north central area was listed as light and these counties primarily are those located adjacent to and including the Red River Grayson. Other light infestations were noted in McLennan, Coryell and Lampasas counties in central Texas and in the river bottomlands of Johnson, Ellis and Navarro counties.

The entomologists point out that weather conditions between now and hatching time will have a strong bearing on the number of 'hoppers which emerge from egg beds found during the survey last fall. Cool, wet weather with heavy rains during the spring hatching season could greatly reduce the 'hopper population, say the entomologists. Predators and grasshopper parasites could also have a pronounced effect on the infestations, they add.

A check will be made next spring during the hatching season to determine the areas where control measures may be needed. Farmers and ranchers in the areas where infestations could cause trouble are advised to keep a close watch on the egg beds during the hatching season.

Mr. and Mrs. O. B. Edmondson and Mr. and Mrs. Fred V. Tunnell attended the Fort Worth Fat Stock Show, Saturday.

Mr. and Mrs. Huey Wiginton and son Randall of Abilene visited in the home of his sister and husband, Mr. and Mrs. Fred Tunnell here Sunday afternoon.

Icy Weather Causes Closing of School and Many Accidents

License Plate Sales Off to Slow Start in Cross Plains

A. J. McClain, owner of the McClain Insurance Agency in Cross Plains, who is in charge of license plate sales in this city, has reported to The Review Wednesday at noon that only nine passenger cars, three farm trucks and two commercial licenses had been issued since the plates went on sale Monday.

Lloyd Bryan, local postal clerk, purchased the first passenger car plate, No. CW-7700; Odie Knight registered the first farm truck, No. 5F-7725, and J. W. Fore received the first commercial plate, No. 1N-6425.

The license plates this year are reversed from last year's plate, as they have black numerals on white background.

Phone Co. Completes Toll Line Installation

An announcement made here this week by Ralph E. Kizer, Secretary-treasurer of the Kizer Telephone Co. stated that cut-over to new toll lines was completed by the company recently, and this new transmission set-up should greatly improve all toll service from Cross Plains.

This new toll line was constructed by the Pavlike Construction Co. of San Angelo, and according to Kizer this new installation replaces the last of the old plant that has been in operation since before 1950.

He also stated that the new Extended Area Service installation program is awaiting the arrival of new equipment for the central office that is now being manufactured and will be installed as soon as possible after arrival.

Y. C. Boyle, 74, Buried At Burkett Monday

Yeakum Cleveland Boyle, 74, resident of the Burkett community for the past 68 years, passed away in a Bannock rest home Saturday, Jan. 31, 1959, following an illness of a year.

A retired farmer, Mr. Boyle was born at Caddo Mills March 19, 1884, son of the late Mr. and Mrs. G. W. Boyle. He was a member of the Burkett Church of Christ.

He was married to Nellie Leona Jennings, who passed away in September, 1938.

Funeral services were conducted at the Burkett Church of Christ Monday, Feb. 2, at 2:30, with James Pennington, officiating. Burial was in the Burkett Cemetery.

Survivors include three daughters, Mrs. Jim Helms, Burkett; Mrs. Lloyd Rich of Odessa and Mrs. Charles Truit of Gatesville; one son, Odie Cleveland Boyle, Camp Carson, Colorado; one sister, Mrs. A. W. Burkett of San Angelo, and two brothers, J. C. Boyle and A. G. Boyle, both of Burkett; six grandchildren and seven great-grandchildren.

Higginbotham Funeral Home was in charge of arrangements. Serving as pallbearers were R. T. Watson, Lilleum Morgan, Roger Watson, Otis McKinney, J. C. Bowden and Jack DeBusk.

P.-T. A. Meeting Postponed Until Next Wednesday

The Parent-Teachers Association meeting scheduled to have been held in the school auditorium Wednesday of this week, has been postponed due to the icy weather, until Wednesday of next week, which will be February 11.

According to Mrs. James Yarbrough, publicity chairman, the program schedule set up in the year book for February 4 will be carried out.

Rev. Gordon Dennis Attends Minister's Meet At SMU

Rev. Gordon Dennis, pastor of the First Methodist Church here, is in Dallas attending Minister's Week at Southern Methodist University, which began Monday and will continue through Thursday, today.

An annual affair that attracts ministers from Oklahoma, Kansas, Arkansas, Nebraska, Missouri, New Mexico, Louisiana, and Texas, the meeting will feature such noted speakers as Bishop William C. Martin, Dr. C. Colewell and Dr. Leslie E. Cooke of England. Three lecture groups, the Peyton lectures, Jackson lectures and the Fonder lectures, will be presented by these men.

Rev. Dennis is expected to return home late Thursday.

HOSPITAL NOTES

Miss Ruth Applin was admitted to Hendrick Memorial Hospital in Abilene Sunday night of this week, where she is undergoing medical treatment.

Rash of Accidents Blamed on Icy Roads

The icy roads in the area had caused a number of accidents both to motorists and pedestrians the first of the week.

Herrell Kelley, teacher in the local Ward School was the first to have been involved in an accident. He was returning to Cross Plains from DeLeon where he visited with relatives late Sunday afternoon and as he applied his brakes to avoid hitting a truck in Rising Star and his 1959 Pontiac skidded into a telephone pole, badly damaging the front of the car. However, he escaped without injury.

According to Mr. Kelley, damages to the car was estimated to be several hundred dollars.

Mrs. W. L. Bryan suffered a fractured left arm early Monday morning when she fell on the steps at her home. She was carried to the Rising Star hospital, where her arm was placed in a cast, and she is believed to be recovering satisfactorily.

Miss Vestia Bond, an employee of Foster Grocery, was shaken up Monday morning when she fell on the ice in front of the picture show building as she was going to work, however, after undergoing a check-up, reports were that she suffered no fractured bones.

WATERFLOOD ASSOCIATION TO MEET IN ABILENE, FEB. 21

The February meeting of the West Central Texas Waterflood Association will be held Thursday, February 21, at 7:00 p. m., at the Petroleum Club in Abilene.

The speaker will be Douglas V. Smith, Chief Engineer, Jones O'Brien Company, Shreveport, La., whose subject will be "Tannerhill Waterflood Unit, Baylor County, Texas."

Brother of Local Man Buried At Coleman Monday

Funeral rites for Don L. Jennings, 56, of Wichita Falls, brother of Paschal Jennings of this city, were held Monday, Feb. 2, at Stevens Memorial Chapel in Coleman at 3:30.

Mr. Jennings, a former Coleman resident, died Saturday in a Wichita Falls hospital. He moved to Wichita Falls 10 years ago from Coleman.

Burial was in the Coleman Cemetery. He was born Nov. 28, 1902.

Survivors include his wife; five daughters, one son and one brother and one sister.

Dr. R. T. Bridge to Preach At Presbyterian Church Sunday

Dr. Robert T. Bridge of Abilene will preach at the 11 o'clock hour Sunday morning at the local Presbyterian Church, according to an announcement made by church officials the first of the week.

All members of the church are urged to attend services and also the Sunday School services, which begins at 9:45.

Annual Buff Band Banquet Has Large Attendance

The annual Buffalo Band Banquet held in the school cafeteria Jan. 23 was attended by 167 band members, faculty members and guests and was described as one of the nicest banquets held here.

The banquet room was decorated as an "Omni-State Garden." Danny McCarty served as master of ceremonies and presented new officers and recognized the six graduating senior members of the organization as follows: Joe Atwood, Barbara Merrill, Ann Koenig, Norman Vaughn, Forrest McDonald and McCarty who all made farewell speeches.

Following the banquet meal and at the conclusion of the program the Breckenridge stage band under the direction of Alton Rhone rendered several numbers. "The Continentals" from McMurry College, Abilene furnished music at the party held at the Legion Hall following the banquet. A member of the group, Omistians is Bill Spencer, son of Mr. and Mrs. Frank Spencer, freshman student at McMurry. Bill was a member of the Buffalo Band for several years and last year served as president of the organization.

Telephone Service Man for Kizer Telephone Moves Here

Officials of the Kizer Telephone Co. announced this week that Mr. and Mrs. Bob Daniels and daughter have moved to the Cross Plains community and Mr. Daniels will serve as installer-repairman for the telephone company.

He is an experienced cable-splicer and worker for a contracting firm and also Southwestern Bell Co., before coming to this area as an installer and cable-splicer for the Brooks Construction Co., contractors for the work of installing the recent rural extensions for the Kizer firm.

The Daniels family are now at home on the Burkett farm, located just north of Cross Plains.

Little League Meeting Set for Friday Night

H. McDonald who has served as the Little League organization president in Cross Plains the past year, has asked the Review to announce that the organization will hold a meeting in the school study hall Friday evening, Feb. 6, beginning at 7 o'clock.

McDonald states that at the meeting new officers will be elected and reports on the work having been done on the little league field and also plans will be laid out for the work that must be done before the season gets underway.

Coffee and donuts will be served at the meeting and all persons interested in helping in any way with the little league during the coming season are urged to attend this important meeting.

Junior Cage Teams Win Over Elmdale

The Cross Plains Grade School cage teams were hosts to Elmdale Junior cagers here Thursday night of last week and won both games played.

Coch Mac Coppinger's boys' team won their tilt by a score of 27-17, with Shields taking high point honors with 10 points.

The local girls' team, coached by Frank Gray, won by a score of 16-11. Bertha Hutchins was high with 8 points.

The scheduled games with Rising Star Monday night of this week were postponed until a later date because of the cold, icy weather.

PHILOSOPHER FINDS HE AND FEW OTHERS HERE NOT ELIGIBLE FOR SPACE FLIGHTS

Editor's Note: The Bayou Philosopher, on his Johnson grass farm, has a few remarks about space flight this week.

Dear editor: Not that I had planned on going myself, I've got things to do out here on this Johnson grass farm, but I was reading yesterday about the requirements for the first man to take off for outer space from the United States, and in case you missed the article, I can let you know that I don't think I'd qualify and I don't think they'll be calling on you either, Mr. McCarty.

In fact, right off, I don't know of anybody around here they're likely to call, at least nobody in this immediate vicinity.

For example, in the first place, the man has to be in superb physical condition and not over 40. On one count or the other, that grounds a lot of men I can think of.

There are a lot of other requirements, like being a university graduate with a degree in the physical sciences or engineering, a graduate of a military test-pilot training school with at least 1,500 hours of flying time, etc.

Winter's last blast at this section of the State brought normal activities in this community to a virtual standstill Monday and part of Tuesday of this week. School was closed both days.

Starting early Sunday afternoon, a light mist began falling and freezing as fast as it hit and by nightfall everything had a light coating of ice. The moisture continued to fall during the night and by Monday morning a heavy coating of ice made walking and driving hazardous and forced the closing of local schools because buses could not make their routes.

Temperatures dropped to 16 degrees here Monday morning and 13 Tuesday morning. Precipitation was gauged at 21 inches on the U. S. Weather Bureau gauge, according to S. F. "Fos" Bond.

There were a number of minor auto accidents in the area caused by the slick streets, and several citizens sustained minor injuries in falls on the streets and sidewalks.

The frigid weather started moderating about noon Tuesday and by nightfall the ice had disappeared except in the sheltered places.

The closing of school for the two days poses a problem for local school officials, as state law requires that schools operate a given number of days each semester in order to be eligible for state aid. Supt. Paul Whitton stated Wednesday morning that graduation dates had been set and invitations ordered, which makes it hard to run school past the scheduled closing date. He stated that it might be necessary to hold school on at least one Saturday in order to comply with the state regulations.

Barbara Merrill Places Fifth At Regional Stock Show

Barbara Merrill, Cross Plains High School senior student, and daughter of Mr. and Mrs. F. L. Merrill, of Pioneer, won fifth place at the Regional Livestock show held recently in Abilene with her Hereford calf. The calf weighed 1025 pounds and was 18 months old.

The calf was purchased by M. A. Grissom of Abilene and brought \$36.30.

Three Wells Planned In Brown County Field

Howard C. Phillips Oil Co., operating from Cross Plains, filed applications with the Railroad Commission to drill three Brown County Regular Field prospects.

They are two miles southwest of Cross Cut on the Julian H. Pope lease. Proposed depths are 1,900 feet with rotary.

No. 10 Pope is located 2,050 feet from the south and 3,169 feet from the west lines of Wm. Travis Survey 148.

Site for No. 11 Pope is 2,050 feet from the south and 2,569 feet from the same survey.

No. 12 Pope is 1,450 feet from the south and 2,569 feet from the west survey lines.

JOHN WAGNER DISCHARGED FROM U. S. AIR FORCE

John Wagner, son of Mrs. Mary Wagner of this city, has received his honorable discharge from the U. S. Air Force where he completed special training as an electronic technician.

Mr. and Mrs. Wagner, who have been visiting here for several days, will make their home in Atlanta, Ga., where he will be employed by the Civil Aeronautics Administration.

Mr. and Mrs. Bailey Wilson visited at May Sunday with Mr. and Mrs. Sid Monsey.

Mrs. Marie Christi of Abilene visited with relatives and friends in Cross Plains Friday.

Mr. and Mrs. Marie Christi of Abilene visited with relatives and friends in Cross Plains Friday.

It Looks From Here" BURLINSON Pressman District

Washington, D. C.—If you have heard a sonic boom, it likely will be long before you do. You have to visit an air show near an air base. It may be at night. It may be at any hour of the day or no matter where you live. The problem is increasing by day. Within eight to ten miles from now, commercial planes will be breaking the sound barrier. When a plane breaks the barrier by flying at a speed of 700 miles per hour at sea level, the shock waves are broken as long as the plane flies at that speed or slower. In other words, it is not a boom, but a continuous boom that is breaking the sound barrier. The shock waves which it creates are more or less saying the same thing over and over again. The shock waves from the breaking of the sound barrier could be harmful property on the ground. Since plate glass windows are damaged to plastered ceilings, all located in an area designated for the testing of super-sonic planes, both the Air Force and the Navy have recognized that damage can be done. The psychological effect of a sonic boom is probably worse than the physical damage. A shock wave from a clear blue sky plane which is not seen and heard, is a new experience, to say the least.

Puzzle Answers Appear on Back Page of This Edition

The City of Milwaukee upset the entire populace and created near panic. Telephone circuits were jammed with inquiries as to what was happening.

Atmospheric conditions make a tremendous difference, according to the experts. Ordinarily a plane breaking the sound barrier at or above 35,000 feet is not severe; but a plane at 10,000 feet, flying at supersonic speed, concentrates the shock in a more narrow cone, resulting in greater severity. So, the answer lies not entirely in keeping a plane at or above 30,000 or 35,000 feet, although the shock is less concentrated.

North American and Convair, aircraft manufacturers in the Fort Worth area, and the Air Force are both conducting tests at various levels in a corridor running north and south from an area east of Abilene to the Mexican border. In consultation and contacts with representatives of North American, Convair, the Air Force and Civil Aeronautics, I have insisted that they shift the area to sparsely settled areas of Southwest Texas or over the Gulf of Mexico. This may be the answer for the immediate, but in a few years the giant B-58 Bomber will be stationed at Dyess Air Force Base in Abilene. With these planes capable of breaking the sound barrier, it means that the problem will be more severe. Even sooner, a jet fighter plane taking off from a field will be capable of breaking the sound barrier in its immediate climb. A commercial plane from New York to Los Angeles, flying at supersonic speed, will be creating a shock wave on the ground parallel to its flight across the entire continent. There appears to be no answer to the problem at this time.

In the meantime, should damage occur to your property from a sonic boom shock, promptly make a note of the hour and even the minute it occurred, and report it to me immediately. I shall do my best to see it is placed in the hands of the Air Force or the plane manufacturing companies, or you may report it directly to them.

Earlier, when the experts presented some argument that damage could not occur from the shock waves created by a plane flying at

Sabanno News

by Mrs. Edwin Erwin

The weather is playing a big part in our community. We are having freezing rain, some snow and everything is covered with ice—really a wintry scene the first of the week. Mrs. Charles Cox and daughter of Carlbad, N. M., are here at the bedside of her father, Mr. Lawson, whose condition remains unchanged. Hubert and Eula Lusk of Dallas spent Saturday night with their brother and wife, Mr. and Mrs. W.

E. Lusk. Mr. and Mrs. Lon Coffey of Abilene spent Monday with their daughter and family, Mr. and Mrs. O. B. Switzer. Mrs. Claton Prater returned to the home of her father, J. L. King, Friday of last week, following surgery in the Eastland Hospital. Mr. Prater and children were here from Fort Worth and Mrs. Prater returned home with the family Sunday afternoon. Lorena Lilley, Mrs. O. B. Switzer and Mrs. Edwin Erwin were business visitors in Eastland Tuesday. The Busy Bee Club met in the home of Mrs. Wes Holcomb last Wednesday and finished one quilt. Refreshments were served. The next

meeting will be held in the home of Mrs. Dan Notgrass Wednesday afternoon, Feb. 11. Jerry Erwin returned to Austin Monday morning after a few days' stay with his parents, Mr. and Mrs. Wordis Erwin. Martha Smoot, our little polio victim will leave Feb. 18 for Scottish Rite Hospital in Dallas. We hope that the change will be a big help to Martha. Lorena Lilley was a Sunday dinner guest in the home of Mr. and Mrs. M. P. Wilcoxon. Mr. and Mrs. Wylie Bennett and Mr. and Mrs. Henry Bush of Anson visited here Friday of the past week with Mr. and Mrs. E. L. Bush.

JOHN W. WAGNER WEDS ALABAMA GIRL IN CHURCH CEREMONY, JANUARY 24

In an afternoon ceremony, Jan. 24, 1939, Miss Bettye Stover, daughter of Rev. and Mrs. C. L. Stover of Grand Bay, Ala., became the bride of Mr. John W. Wagner, son of Mrs. E. R. Wagner and the late Mr. Wagner of Cross Plains. The father of the bride officiated at the ceremony which took place at Union Baptist Church at 4:30 p.m. Mr. Dennis Roper of Decatur, Ala., organist, and Mr. Robert Presley, soloist rendered a program of pre-nuptial music. Wearing a floor-length gown of imported French Chantilly lace and nylon tulle over white satin, the bride was given in marriage by her brother, Mr. Buddy Stover. The molded bodice of lace formed scallops around a yoke of tulle, enhanced by a wing collar of lace. A peplum of lace flowed from the waist into the bouffant skirt of tulle and satin forming a chapel train. Her tiered fingertip veil of silk imported illusion fell lightly from a tiara accented by pearls and sequins. The bride's only ornament was a pearl necklace, a gift of the bridegroom. She carried a traditional bouquet of feathered carnations with satin streamers on a white satin Birole. Miss Belva Jean Stover was her sister's honor attendant. The bridesmatron was Mrs. Harold Putman of Birmingham. The honor attendant was attired in pertinkle blue velveteen dress in princess style. The bridesmatron wore a royal blue velveteen dress styled on the same line as that of the maid of honor. Their accessories were white fur muffs and matching bandeaux. Pamela Woodham, niece of the bride and Gretchen Wagner, niece of the groom were the flower girls. Their dresses were of baby blue velveteen styled similar to the other attendants and they carried white fur muffs and wore matching bandeaux. The ring bearer, Pamela Williams, was dressed in white velveteen and carried the rings on a white fur muff. Benjamin Wagner of Vernon, Tex., served his brother as best man. The groom's other attendant was Harold Putman of Birmingham. Candle lighters were Bruce Stover, brother of the bride and Barney Woodham, nephew of the bride. For her daughter's wedding Mrs. Stover chose a two-piece dress of brown light wool with beige accessories. The mother of the groom wore a navy blue dress with navy accessories. Their corsages were of white feathered carnations. Immediately following the ceremony the bride's parents entertained with a reception in the church parlor. The bride's table was covered with a white linen cloth, centered with a four tiered wedding cake, encircled by candelas. Silver candlesticks flanked the cake on both sides. Punch was served from cut glass punch bowls. Assisting in serving were Mesdames George H. Schultz, Jr., H. B. Hare, Lewis Richardson Employed In Higginbotham Store

Lewis Richardson, of this city, begin his duties Monday morning in the Hardware Dept. in the local Higginbotham store according to store manager, J. C. Claborn. Richardson has been employed at the Balkum Humble Service Station here for sometime. His wife is the former Delores Byrd of Cross Cut.

Naomi Sunday School Class Holds Social Meeting

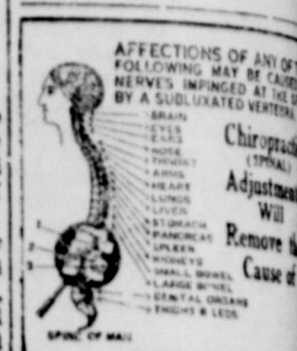

The Naomi Sunday School Class of the First Baptist Church met in the home of Mrs. Donald Baird, Jan. 27, for their class social. President, Mrs. J. H. Balkum called the meeting to order and Mrs. Mina Conlee gave the devotional. After a short business session the meeting was adjourned to enjoy a social hour led by Mrs. Donald Baird. A delicious salad plate was served to the following: Mmes. J. H. Balkum, J. C. Claborn, Mina Conlee, R. D. Hitt, Hadden Payne, Rufus Renfro, V. D. Walters and Kenneth Holt, by the hostess, Mrs. Baird.

Pioneer Community Club Meets Tuesday, Jan. 27

The Pioneer Community Club met Tuesday of last week in the home of Mrs. Ethel Brown and quilted a quilt for the March of Dimes. Vitamins Help Youngsters Mentally Say Experts

STANFORD, Calif. (UPI)—Vitamins help a youngster mentally as well as physically, a Stanford University research team reported after a four-year study of some 2,000 school children in Merced and Santa Cruz Counties in Central California.

About half the participants received regular doses containing most of the known vitamins and minerals needed for good health. The other half received dummy pills, which looked real but contained neutral substances.

Investigation showed that the vitamin-fortified youngsters outgrew the others slightly in learning ability; had an "edge" in physical fitness; showed greater endurance; were slightly superior in growth rate; appeared likely to have less tooth decay, and had a better attendance record.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

Austin.—"The first month's sugar, The second month's pie, The third month you can work, And so can I." This ancient bit of verse, written for newlyweds, might apply to the usual pace of legislative sessions, with short meetings and long week ends in the early months, followed by an around-the-clock grind. But this year lawmakers are being urged to cut short the honeymoon. With committees appointed and put to work, Speaker Waggoner

Carr urged House members to be "especially industrious" to save both time and money. Answers, he said, will "not be any easier to find next summer than this winter and spring."

Appropriations Committee responded by putting itself on a five-days-a-week, eight-hours-a-day set-up, aimed at having the big appropriations bill ready in 60 days. Ordinarily, other legislation is held back until appropriation decisions are made.

House Committees—After Carr defeated Rep. Joe Burkett Jr. of Kerrville for speaker, suspense centered on how Burkett supporters would fare in Carr's committee lists.

Outcome was that Carr men, naturally, received all choice posts and approximately 86 per cent of committee chairmanships. Of the 43 House committees, 37 are headed by Carr supporters, four by definite Burkett supporters and two by persons whose vote was not known.

Top committees and their leaders are: Appropriations, W. S. Healy of Paducah, chairman, John Hueber of Bay City, vice chairman; Revenue and Taxation, V. L. Ramsey of Beckville, chairman, Frates S. Seeligson of San Antonio, vice chairman; State Affairs, Richard Cory of Victoria, chairman, Max C. Smith of San Marcos, vice chairman; Oil and Gas, Wesley Roberts of Lamesa, chairman, Richard Slack of Pecos, vice chairman.

Constitutional Amendments, Jas. M. Cotten of Weatherford, chairman, Frank McGregor of Waco, vice chairman; Insurance, Carl C. Conley of Raymondville, chairman, Joe Chapman of Sulphur Springs, vice chairman; Motor Traffic, H. J. Blanchard of Lubbock, chairman, Rufus Kilpatrick of Beaumont, vice chairman; Agriculture, Truett Latimer of Abilene, chairman, Harold B. Parish of Taft, vice chairman.

Senate Committees—Less dramatic, but fully as important to legislative processes, were Lt. Gov. Ben

Ramsey's selections of Senate committees. Top posts are concentrated among veteran Senators, experienced in government, and in accord with the conservative philosophy predominant in the Upper House. Heaviest responsibility will be in the hands of Sen. Dorsey Hardeman of San Angelo, State Affairs chairman, and Sen. William S. Fly of Victoria, Finance chairman.

Other committee leaders include State Affairs, Jep Fuller of Port Arthur, vice chairman; Finance, Preston Smith of Lubbock, vice chairman; Agriculture and Livestock, George Moffett of Chillicothe, chairman, Culp Krueger of El Campo, vice chairman; Labor and Management Relations, George Parkhouse of Dallas, chairman; Krueger, vice chairman. Also Oil and Gas, Frank Owen III of El Paso, chairman; Moffett, vice chairman; Insurance, Floyd Bradshaw of Weatherford, chairman, Owen, vice chairman; Transportation, Abraham Kazen Jr. of Laredo, chairman, William T. Moore of Bryan, vice chairman; Constitutional Amendments, Bill Wood of Tyler, chairman, Jimmy Phillips of Angleton, vice chairman.

Gas "Explosion" Due—Battle lines are being drawn swiftly and heavy artillery rolled up for the fight over Gov. Price Daniel's tax program, particularly the gas severance tax. Industry spokesmen criticize the Governor's program as "short-sighted" and deplore the increasing of levies on sources already being taxed. Gas men promised to fight the severance tax, if passed, all the way to the U. S. Supreme Court.

But Governor Daniel declared he'd gotten many more bouquets than brickbats for his plan. Only opposition, he said, was from those who want to tax "everything from shirts and shoes to bassnets and baby buggies."

Rep. George T. Hinson of Mineola, who introduced the gas ball in the House, said it would bring in \$1.06 from out of state for every \$1 paid by Texans.

Hands Off—Governors of 28 other States have joined him, says Gov. Daniel, in a fight against President Eisenhower's proposed 1½-cent raise of the federal gasoline tax.

This tax field should be left to the States, the governor believes. Texas Highway Commission, he pointed out, is asking for a one-cent raise in the state gasoline tax to help pay mounting road-building bills.

Under the present federal aid formula, Daniel estimated that with a 1½-cent federal tax increase, Texans would pay \$137,000,000 more in gasoline taxes than would be returned to the State for highway building.

Crust for the Session—Most of the bills which will be stirring up the air in the next few weeks already are in the mills. Among them are these measures, which would:

Provide for Part Registration by voters at the time they pay their poll taxes, by Rep. Jamie Clements of Crockett. Only persons registered as party members would be allowed to participate in primaries and conventions.

Raise Teacher Pay by approximately \$800 a year, and lengthen school year to 190 days, by Rep. L. DeWitt Hale of Corpus Christi. This follows recommendation of Hale-Aikin school study committee, of which hale was vice chairman.

Increase Liquor Taxes—from \$1.40 to \$2.50 a gallon, by Rep. Pete LaValle of Texas City. This was one of Governor Daniel's recommendations to bring in an estimated \$18,000,000.

Tax Corporation Income on a graduated scale, by Rep. Dean Johnstone of Houston, to raise an estimated \$20,000,000 annually.

Increase Truck Weight limit from 52,420 to 72,000 pounds, by Rep. R. L. Strickland of San Antonio. Same bill was defeated after stiff fight last session.

Require Open Meetings of all governmental agencies, except where they are now required by law to be confidential, by Rep. Truett Latimer of Abilene.

Change Primary Election dates from July and August to the first and fourth Tuesdays in May, by Rep. Marshall O. Bell of San Antonio.

Give All Cities of more than 10,000 full authority to regulate wages and hours of firemen and policemen, by Rep. Ben D. Sudderth of Brownwood. This is a matter of sharp controversy. A counter-measure, introduced by Rep. Bob John-

son of Dallas, would reduce hours and increase pay for firemen and policemen.

Provide a New University of Texas medical branch. Rival bills are being pushed—one by the Austin delegation, directing that the school be built in Austin, and another by the San Antonians, specifying their home city.

Prohibit Labor Unions from using regular dues and assessments for political purposes, by Sen. George Parkhouse of Dallas. Unions would be required to file an annual audited financial statement with the Secretary of State.

Loan State Funds to communities to help establish local homes for old people, a constitutional amendment proposed by Rep. Murray Watson of Mart.

Set Bufferfat Content of milk offered for sale at a minimum of 3½ per cent, by Rep. Steve Burgess of Nacogdoches.

Raise Unemployment Benefits from \$28 to \$40 a week and extend pay period from 24 to 39 weeks, by Rep. Roger Dally of Houston.

Require Employers to recognize a collective bargain agent supported by a majority of employees, by Reps. Clyde Miller and Robert Eckhardt of Houston.

Allow Higher Speed limits on Texas highways. One proposal, by Rep. Bill Jones of Dallas, would raise maximum from 60 to 70 m.p.h. Another, by Reps. Tom James of Dallas and Louis Anderson of Midland, would permit Highway Commission to regulate maximum up or down, as road conditions justify.

Abolish Poll Taxes as a requisite for voting, by Reps. B. H. Dowe of Bryan and Maude Issacks of El Paso.

Have Democratic Executive Committee members elected by direct primaries, rather than selected at the state convention, by Rep. Dewey.

Do You Need An Assistant?

As a busy Physician, we'll bet you could use an assistant.

We submit that the pharmacy of your choice can be of such value to you, if properly utilized, that it will be able to more than qualify as your assistant.

Some years ago the Physician was taught to practice medicine using only a very limited number of drugs, which he usually carried in his bag or office.

Today that number has increased to an extent almost beyond imagination.

Your Pharmacist carries an enormous stock of ALL the proven medications! Not just a limited few. Now, a Physician no longer has to limit himself in his choice of drugs for Prescription use. Through your Pharmacist there is an almost unlimited choice of drugs for any special ailment.

As your Pharmacist, our specific job is to keep abreast of the vast new developments in the field of pharmaceutical dosages so as to be able not only to dispense your prescriptions exactly as written, but also to have a detailed knowledge of ALL the various dosage forms available.

Your Pharmacist of today is really your "Assistant" in the MODERN practice of medicine.

GOES AND GOES AND GOES ON A GALLON!

CHEVY'S NEW HI-THRIFT 6

More miles are back in a gallon of regular-grade gas—up to 10% more—and Chevy's new Hi-Thrift 6 engine puts them there. It also gives you more "git" in the speeds you drive the most.

Here's an engine that always seems able to coax extra miles out of a tank of regular-grade gas. In fact, if you're one of those drivers who keep tab on things like gas mileage, you'll soon see for yourself that this new Hi-Thrift 6 gets up to 10% more miles a gallon.

Another thing you'll like about this 135-h.p. 6 is the extra pep it gives you for passing and climbing hills. This is due to higher torque at normal speeds.

It may be hard to believe anything that looks and moves like this '59 Chevy can be such a stickler for economy. But—whether you pick the Hi-Thrift 6 or a vint-packed V8—this is just one more reason Chevy's the car that's wanted for all its worth. Stop by your dealer's and see.

Q—I receive a pension from VA. In reporting income for the past year for VA pension purposes, I don't have to include my pension payments, do I?

A—No. Your VA pension payments are not considered income for purposes of your report on 1958 income.

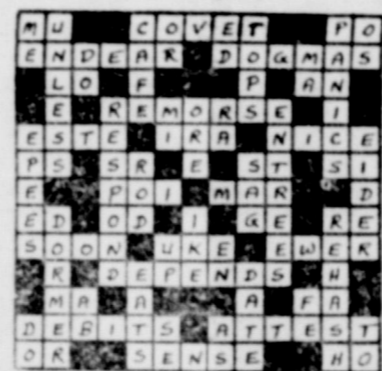

Q—I have either lost or misplaced the discharge I received when I came out of service. Where do I get another and is there any charge for the replacement?

A—To replace a lost discharge, write the Personnel Records Center of the Armed Forces, 9700 Page Boulevard, St. Louis, Missouri. Give your service number and include your branch of service. There is no charge for replacement.

Q—I will be entering school at the start of the Spring semester, under the Korean GI Bill. My present employer says he will keep me on part-time if I wish. Is there a limit on what I can earn in a part-time job and still keep my school allowance?

A—There are no restrictions on earnings in part-time employment for students attending college under the Korean GI Bill. Students taking on-the-job training, however, may have their allowance reduced when allowance and earnings combined exceed \$310 a month.
