Mr. Hickman was apparently stricken with the heart attack in the yard of his home. He had been active in his business affairs until his death.

Mr. Hickman had also been active in Boy Scout work and work of the West Texas Chamber of Commerce.

In 1946 he donated an 18 acre tract of land in east Baird to the city for a municipal park.

Baird Jaycees honored him in 1947 by naming him the Outstanding Citizen of Baird.

A May, 1903, graduate of Daniel Baker College, he played football on one of the best teams in the history of the college and was the last surviving member of the team.

The new uniforms are West Point style and are

## LIONS INSTALL PUBLIC WATER FOUNTAIN HERE

Workmen for West Texas Utilities Co. completed installation of an ice water fountain on the sidewalk in front of Hornsby Electric Co. for the convenience and comfort of shoppers here last week.

The new fountain was provided as a public service by the local Lions Club, and J. M. Greenwood, chairman of the club's projects committee, stated the organization is indebted to Alton Hornsby for allowing installers to break into sidewalks in front of his building for water and electric lines. Hornsby also agreed to provide water for the fountain.

## Woman Killed In Wreck Here

Mrs. Gertrude Land Cathey, 68, died instantly and her granddaughter, June Driskill, 10, sustained serious injuries when the auto in which they were traveling went out of control and slammed into a culvert at the entrance to Gregg's Well Service equipment lot on Highway 36 in the east part of town about 11:40 Tuesday night.

Both wreck victims were Abilene residents.

Investigating officers said the deceased woman apparently went to sleep and lost control of her car, a 1959 Rambler sedan, which was traveling west.

The injured child was taken to Hendricks Memorial Hospital in Abilene in a Higginbotham ambulance, and hospital attendants reported her condition as serious. She suffered multiple fractures of both legs and internal injuries.

Body of the dead woman was moved to Higginbotham Funeral Home here and later was transferred to an Abilene funeral home.

## 31 Candidates Report For Grid Drills Monday

### Mighty Mites Face Experience Shortage

Cross Plains Junior High School Mighty Mites began pre-season football workouts Monday afternoon.

Coach Don Wiggins said that only 12, about one third of the expected number of gridsters, reported for the first day of practice. "Only the seventh and eighth grades will participate in these practice sessions," Wiggins stated. He noted, "the sixth grade will not begin practice until school starts, Sept. 4." Wiggins estimated about 30 boys would contend for places on the junior high eleven when school opens.

"Our workouts will recess after this week until school begins," the coach explained, "and these sessions are primarily for issuance of equipment." Drill time is set for 5:30 p.m. and will last about an hour each day this week except Wednesday.

Six Lettermen Back Only six lettermen will return to the 1962 Mighty Mites, and just one of them is a regular from last year's squad which was defeated only once.

Joe Pierce is the only returning starter. The thin line of experienced players include: Pierce, Randy Walker, Perry Cloud, Sammy Balkum, Johnny Chesshir and Bruce Adams, who are all eighth graders. Wiggins said that Bill Cullen, a transfer from Coleman, promises to strengthen this year's junior team.

### 8-Team District

Cross Plains will participate in an eight-team conference this season. Schools comprising the district are Cross Plains, Goldthwaite, Bangs, Santa Anna, Rising Star, Blanket, May and Early. Baird is the only non-conference foe on the eight-game junior schedule.

Mighty Mite games are to be played on Tuesday night beginning at 7:30. The first of which will find the local going to Goldthwaite Sept. 11. A complete schedule will be published in a later issue of the Review.

## Band Boosters Club Sets Meeting Aug. 27

The Band Boosters Club will hold its first meeting of the 1962-63 school term Monday night, Aug. 27, at 7:30, in the band hall, according to the new president Jimmy McCowen.

Important matters will be discussed for the year and all members of the organization and persons interested in the Buffalo Band are urged to be present.

Officers serving with McCowen are: Merlin Franke, vice-president; Mrs. R. E. Edington, treasurer and Mrs. Charles Hubbard, secretary.

Chairman of the various committees are: concession, Mrs. H. C. Freeman; hospitality, Mrs. Gene Rhodes; program, Mrs. Dan Johnston; uniforms, Paul Whitton, Dan Johnston, Wayne McDonald and Mrs. Edwin Baum; and membership, Merlin Franke.

### BROTHER OF LOCAL MAN DIES OF HEART ATTACK

News was received in Cross Plains Tuesday of the death of Claude Kelley, of Killeen, brother of Herrell Kelley of this city.

Mr. Kelley died suddenly early Tuesday morning after suffering a heart attack. Funeral service was conducted at 11 a.m. Wednesday at Killeen.

Mr. and Mrs. Craig McNeel of this city, Mr. and Mrs. George Friend and children of Denver, Colo., and Miss Billie Ruth Loving of Abilene enjoyed an outing at Lake Brownwood Monday afternoon.

Cross Plains Buffaloes began football workouts Monday with 31 candidates reporting for the initial contact session Monday night.

The 1962 "Thundering Herd" is composed of four seniors, eight juniors, four sophomores and 15 freshmen.

Lack of experience presents the biggest question mark in fortunes of this year's Bison. Only eight lettermen return from last year's team, and some of the returnees are working at different positions. Returning letter earners are Terry Dewbre, Jerry Payne, and Darrell Wyatt, all seniors, and juniors Charles Barr, Mike Montgomery, Ken-

## Perry Lee Jennings New Humble Dealer

In a display advertisement appearing elsewhere in this edition of the Review, Perry Lee Jennings announces that he has purchased the dealership of the Humble Service Station on Highway 36 at Main Street here from Don Watkins and will be in charge of the business effective Thursday, Aug. 30.

Jennings, until recently a clerk in the hardware department of Higginbotham's here, is well known in this area, having been reared here. He was a stellar performer on Buffalo athletic teams and graduated from the local high school with the Class of 1959. He is the son of Mrs. Myrtle Jennings and he and his wife, the former Ann Koenig, and their little daughter live in the southwest part of town.

Don Watkins stated that he sold the dealership in order that he could return to college. He will enroll at Sul Ross College at Alpine next week where he will be a junior. Son of Mr. and Mrs. Jack Watkins of Cross Cut, he graduated from high school here with the Class of 1958, and attended San Angelo Junior College two years before taking over the dealership of the local Humble station.

Visiting in the home of Mrs. Beulah McMillan over the week end was her son, and family, Rev. and Mrs. John H. McDaniel and son, Tim, of Fort Worth, a sister-in-law, Mrs. L. P. Ditto of Paint Rock, and her niece, Mrs. Virgil Bowman and three sons of San Angelo.

neth Sowell, Eddy Don Edmondson and Jay Hutchins. Wyatt is the only back returning, and he switched to the carriers during the season last year. Barr was an end but is practicing with the backfield now. The other six returnees are competing for positions up front.

"We look for about five more candidates to join the team after school opens," head coach Bill Gunn said Monday.

Brightest prospects for possible starting berths after a single day of practice are: senior Jimmy Hargrove and juniors Lee-land Nunn and James Goble.

After the spirited drill Monday night Gunn commented, "We have no depth, but we are looking for better things than last year." He also said, "Barring injuries, we could surprise some people."

### Practice Time Changed

Coach Gunn pointed out a time change in evening practice sessions for next week. Beginning Aug. 27, Monday, evening drills will start at 5 p.m. and last for two hours, but morning workouts will still begin at 7 a.m. and end at 8:30 a.m. "We want the boys to get used to the heat before school starts when practice will be held in the hottest part of the day," Gunn stated.

### Scrimmages Set

Tuesday the Buffaloes will meet their first outside opposition when they journey to Goldthwaite. The scrimmage is set for 7:30 p.m. Cross Plains eleven will host the Early Longhorns in the second pre-season tussle Friday, Aug. 31, also beginning at 7:30. The first scheduled tilt is Sept. 7 when the Bangs Dragons renew rivalry with the homesteading Buffaloes. The season curtain-raiser will begin at 8 p.m.

## Scoutmaster Wins Trip To National Conference

Wayne Westerman of Cross Plains of the Chisholm Trails Council was one of nearly 100 Scoutmasters selected by the Boy Scouts of America to participate in the 1962 "Farm-City Scouting Conference" which was held at the Philmont Training Center, Cimarron, N. M.

The purpose of this conference was to study the newest and most effective program ideas and outreach methods geared to the changing population patterns of our times.

Each of these Scout leaders, who came from 33 different states, was selected on the basis of his outstanding services to youth and his community. His achievements were recognized with a "scholarship award" for himself and his wife, made available by the Sears-Roebuck Foundation and members of the National Rural Relationships Committee of the Boy Scouts of America.

Commenting on the conference, Joseph A. Brunton, Jr., Chief Scout Executive of the Boy Scouts of America, said, "A meeting of this kind brought an exchange of ideas which emphasized the importance in our space-age of making Scouting available to all farm, village, and city boys. The Scoutmaster's relationship to members of a troop can help them meet the

challenges of today's rapidly moving world which he will be leading tomorrow."

Mr. Westerman has been active in Scouting for over 12 years, before becoming Scoutmaster a year ago of Troop 81, which is sponsored by the Cross Plains Chamber of Commerce. Under his able leadership the troop carries on a fine program of activities. He is married and is in the oil production business. ### CPBC Title Fight Cut To 2 Teams Thursday

Sisters Cafe took what could prove to be the next to last step in their drive for the Cross Plains Bowling Club championship last Thursday night.

The loop leaders blanked Higginbothams 4-0 to run its victory string to 14 straight games. Their last defeat came July 26 when they dropped the second game of the contest to Johnston Truck & Supply. Sisters then captured the next two titles and since then have vanquished Mobil, Mayes Flowers and Higginbothams by 4-0 decisions.

Sisters win coupled with George Hutchins Mobil's 3-1 victory over D. C. Lee Gulf left only Sisters and Mobil still in the crown fight. Mayes Flower Shop eliminated Johnston Truck & Supply when the two squads fought to a 2-2 draw Thursday.

Mobil is staking its championship hopes on one and one-half games. Sisters has a six and one-half game lead with only eight games remaining to be played. Two wins by Sisters, two losses by Mobil or a Sisters victory and a Mobil loss would give the cafe sponsored five the league crown.

Dan Johnston bowled the best game of the night Thursday, a 214, and Mobil's Dale Mitchell was runner-up with a 177 effort. He also rolled the third high 10 frames, a 175. Johnston also captured high average honors with a 170 on a 510 pin series. Mitchell again trailed Johnston with a 156 average and three game aggregate of 469 pins.

Mobil posted both high team series and high team game, 2,069 and 753 pins respectively. Sisters Cafe had the second high series of 2,052 pins and Johnston Truck totaled 746 pins in a single game for runner-up honors.

Dan Johnston has the inside track on the coveted best bowler award with a 155 average. Dick Grider, Gulf, is a distant second at 151, but he leads in the race

## CPBC Title Fight Cut To 2 Teams Thursday

Sisters Cafe took what could prove to be the next to last step in their drive for the Cross Plains Bowling Club championship last Thursday night.

The loop leaders blanked Higginbothams 4-0 to run its victory string to 14 straight games. Their last defeat came July 26 when they dropped the second game of the contest to Johnston Truck & Supply. Sisters then captured the next two tilts and since then have vanquished Mobil, Mayes Flowers and Higginbothams by 4-0 decisions.

Sisters win coupled with George Hutchins Mobil's 3-1 victory over D. C. Lee Gulf left only Sisters and Mobil still in the crown fight. Mayes Flower Shop eliminated Johnston Truck & Supply when the two squads fought to a 2-2 draw Thursday.

Mobil is staking its championship hopes on one and one-half games. Sisters has a six and one-half game lead with only eight games remaining to be played. Two wins by Sisters, two losses by Mobil or a Sisters victory and a Mobil loss would give the cafe sponsored five the league crown.

Dan Johnston bowled the best game of the night Thursday, a 214, and Mobil's Dale Mitchell was runner-up with a 177 effort. He also rolled the third high 10 frames, a 175. Johnston also captured high average honors with a 170 on a 510 pin series. Mitchell again trailed Johnston with a 156 average and three game aggregate of 469 pins.

Mobil posted both high team series and high team game, 2,069 and 753 pins respectively. Sisters Cafe had the second high series of 2,052 pins and Johnston Truck totaled 746 pins in a single game for runner-up honors.

Dan Johnston has the inside track on the coveted best bowler award with a 155 average. Dick Grider, Gulf, is a distant second at 151, but he leads in the race
