Bears Ax Herd In Overtime Eastland Falls To Buffaloes

Cross Plains Buffaloes lost their first District 10-A game in overtime to Baird, 51-50, Tuesday of last week, but Friday the Herd bounced back to take a 60-55 rough and tumble win over Eastland, there.

The Buffettes were defeated in both encounters, falling to Baird 58-39 and finally dropping a 60-51 decision to Eastland.

Baird High School took undisputed lead of District 10-A Tuesday of last week, downing the Buffs in overtime. See-saw battle unfolded before home-town fans with Cross Plains holding the edge at the end of the first and third periods, and Baird having the advantage at intermission, but at the end of regulation play the score was knotted, 42-42.

A furious three-minute overtime was played with Baird gaining a one-point win. The Buffs played catch-up several times in the extra period. Jim Hargrove led Bison scorers with 16 points.

Last Friday night the Buffs made five more free tosses than did host Mavericks and five points was the margin of victory, 60-55. Cross Plains built an 11-point lead in the first two quarters, but a Maverick uprising tied the score 42-42 at the three-quarter mark. An extra effort raised the Buffs to victory.

Darrel Wyatt pumped 13 points through the hoop to pace local scoring.

Buffettes Lose

A strong Baird sextet out-scored Cross Plains girls in every quarter and coasted to a 58-39 win. Paula Corn, Baird forward, dunked 40 points for the victors, and Sandra Barr and Mary Wise each tallied 16 for Cross Plains.

Buffettes saw a 10-point third quarter lead disappear in a hurry Friday night and lost a hard-played game to Eastland 60-51. Sandra Barr led Cross Plains scorers with 22 points and Judy Seaberry bucketed 28 for the hosts.

B Team Wins

The boys "B" team continued in winning ways in both outings with a 41-37 decision over Baird and a 41-25 beating of Eastland. Jack Baum led the interning Buffaloes against the county seat crew with 13 points, followed closely by Eddie Elliott with 12. Woodrow Hill swished the nets for 21 points Tuesday at Eastland, and Kenneth Sowell scored 10.

Second Place

The Buffaloes, with a 2-1 conference record, were tied for second place Monday with Ranger, a team the Herd has already beaten. On the season Cross Plains claims an 11-8 record.

The Buffettes have a good season showing of 12-6, but have had rough going in league play, posting a 1-2 mark.

The locals were to have hosted Clyde High School Tuesday night, and will complete the first half of loop play Friday night at Albany. Tuesday of next week Ranger will come here.

Tax Refunds Can Be Made In Bonds

If you're in line for a refund on your 1962 Federal income tax return, County Savings Bond Chairman Howard E. Farmer has a word for you. Two words, in fact — Buy Bonds.

This year for the first time, Farmer points out, Uncle Sam is making it possible for you to take your refund in Series E Savings Bonds by the simple expedient of putting an "X" in the appropriate box on the tax form.

Last year some 40 million taxpayers received cash refunds on their taxes. Judging from samplings of opinion, a lot of them would have preferred to get their money in Savings Bonds if they'd had a chance. Bond Chairman Farmer wants to make sure any of them who live in Callahan County know they now have that chance.

The way the bond option works is simple: The Treasury will issue the smallest possible number of E Bonds of the largest possible denominations to cover the amount of the refund. If there's anything left over, a check will be written for the balance.

Rigid Weather Cancels Abilene Church Services

By Mrs. Edwin Erwin

The cold weather has been so rigid again, and all services at churches were called off. Maybe we'll soon have weather again.

W. E. Lusk, Mrs. Lee and Mrs. M. P. Wilcoxon had a pink and blue shower for Mrs. Harris at the Club House Thursday afternoon.

Bates and a friend from Abilene were visitors with Mrs. Edwin Erwin Tuesday afternoon.

Mrs. Wes Holcomb called to Anson to be at her bedside. She was returning from a heart condition. She returned home Friday and said that she was doing better.

Mrs. J. L. King visited Mr. and Mrs. Laurence in Abilene Friday evening and returned home Saturday morning.

W. P. Armstrong has had heating installed in her home and she reports that she is happy with it. A good way to beat the cold weather.

Emma Kent and Melba visited Josie, Alma and Morris Thursday.

Mrs. Lee Cumba were dinner guests with Mr. and Mrs. J. W. Beene and Jerry. O. B. Switzer became ill at club house Wednesday and was rushed to a physician. He had an ailment, and she stayed with her mother, Mrs. Coffey, for several days. She is slowly improving. She'll soon be up and about.

Mrs. Gus Brandon with Mrs. Joe Brandon in Monday. Dr. Joe's remains grave.

Nathan Foster, Stevie and Ed visited Mr. Edwin Erwin Sunday.

Zella Erwin and Mrs. Casey will be co-hosts for the Busy Bee Club day afternoon. A new was added to our club last week so no need of gold now, and the building in good condition. We

keep plenty warm while at work.

Mr. and Mrs. J. W. Beene and Jerry and Mr. and Mrs. Duane Beene and Randy of Brownwood visited with Mr. and Mrs. Lee Cumba Friday.

Mr. and Mrs. Lonnie Switzer and children are visiting with Mr. and Mrs. O. B. Switzer and helping care for Mrs. Switzer while she is ill.

Mr. and Mrs. Jack Rector, who recently moved here from Amarillo, are now making their home in the house on what is known as the Mitch McCann home. I don't know the name of the land owner now. But we welcome them to our community.

The men in our community were busy last week working together as neighbors in testing of cattle for brucellosis. All tests were good through here.

Mr. and Mrs. W. E. Lusk visited Mr. and Mrs. O. B. Switzer Sunday afternoon.

Mr. and Mrs. L. L. Ingram and Paul visited Mrs. Wordis Erwin Sunday.

Mr. and Mrs. Lee Black of Wheeler were guests of Mr. and Mrs. Edwin Erwin and Mr. and Mrs. Vernon Phillips and family Sunday.

Mr. and Mrs. J. L. King were business visitors in Eastland Monday.

Neighbors Exchange Houses This Week

In a deal consummated over the week end, Mrs. Edwin Neeb traded a dwelling on South Avenue D, recently bought from Mrs. Mary Thomas, with Mr. and Mrs. Jimmie Payne for their place one door north.

The Paynes have already moved into their new home.

Mrs. Neeb has been making her home at the corner of Avenue D and 12th Streets. She has sold that place to Mr. and Mrs. F. L. Garrett and was planning to move to the former Payne place this week.

W. J. Sipes of Ranger visited his parents, Mr. and Mrs. S. C. Sipes, here Monday.

Everything piles up handsomely in a Chevy II including savings

Imagine a low-loading wagon roomy enough to handle most anything you can heft—and still trim enough to slip into cramped parking spots. We imagined it, built it and called it Chevy II. Made it as dependable as a wagon can get. And made it so it'll keep piling up savings over the years. Those show up in the way

this one goes and goes on a gallon. They grow with brakes that adjust themselves. An exhaust system that lasts longer. And a Delcoelectron generator that keeps battery reserve power up. Want to hear more? How about a low price, natty interiors, Body by Fisher craftsmanship—and a talk with your Chevrolet dealer soon!

Work Underway At Rest Home Project; 5 Local Men Employed In Construction

Ditching machinery began excavating Tuesday for foundations and footings of the rest home building in the northeast part of town.

Contractor on the job will be C. Garner Karnes of Fort Worth, who specializes in buildings of the type going up here.

"We will be able to use local labor, both skilled and common," he said to representative of the Review.

Completion of the rest home building, which is to be 106 feet across the front — the south — and 93 feet across the back, is expected to require 90 days.

Five local workmen are al-

A message from the Treasury of a free people

You, too, can help put down a threat to freedom

Uncle Sam has had some pretty conscientious help in the "freedom department" over the years.

Some of the best-known contributors were an expert horseman named Revere... a group of amateur stevedores who made iced tea in Boston Harbor... and a party of revolutionaries who created an unsplit nation under the shadow of a cracked bell.

Today the freedom which these patriots won for us is being challenged. And freedom will always need brave men to defend and preserve it. Men and women, like you.

You can do your share toward defending freedom by buying United States Savings Bonds today. The dollars you invest this way go right to work for your country now, as well as for your future.

How about buying a \$50 Savings Bond (the most popular size) next payday? The cost is only \$37.50.

Best known for his midnight ride to Lexington, famous patriot Paul Revere also designed the first Continental currency, the first official seal of the Colonies, and the state seal of Massachusetts, still in use today.

Keep freedom in your future with **U.S. Savings Bonds**

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this newspaper for their patriotic support.
