County's Historians To Meet Jan. 16 At Baird

County Judge Byron Richardson has issued a call for a meeting of the newly-appointed Callahan County Historical Survey Committee on Jan. 16 at 2 p.m. in Baird.

This meeting is being held in accordance with a proclamation by Governor John Connally, designating January 10-16 as "See and Save Texas History Week."

More than 2,900 committees in 254 County Historical Survey Committees over Texas are expected to convene on the 16th to review the accomplishments of the past committee's work and to announce plans for the 1965-66 term of Recording, Appreciating, Marking, Preserving and Surveying (RAMPS) Texas history.

"Every County has a history all its own, and Callahan County is no exception," said Judge Richardson. "Our County Historical Survey Committee has unlimited possibilities for doing great service in fields of preserving our history for future generations as well as seeing that this history is attractively displayed and marked for our citizens and visitors."

"The tourist trade stimulated by history-seeking travelers will be an aid to the economy of the county," he added.

In his Texas history week proclamation, Governor Connally pointed out that history is a major attraction of the state and extremely valuable to its economy.

The RAMPS program of work now being enacted by the Texas State Historical Survey Committee is with the cooperation and implementation of all County Historical Survey Committees.

This dynamic five-year program has 21 points which range from the marking of more than 5,000 historic houses, sites and landmarks to the planning of tours to view them. Included is an extensive plan for the saving of local history as well as for the introduction of this history in interesting form to school children and county residents for appreciation of their heritage.

Members of the newly-appointed Historical Survey Committee for Callahan County are: B. C. Chrisman, Baird, chairman; Mrs. Edwin Baum, Mrs. VOLLIE McDONOUGH, Mrs. J. P. SMITH, Mrs. Fonia Worthy and Jack Scott, all of Cross Plains; Mrs. John Berry, Mrs. Annie Crawford, Mrs. Tommy Windham, Mrs. J. M. Pyeatt and Mrs. Mel Green, all of Clyde; Mrs. S. L. McElroy, Mrs. W. P. Brightwell, Mr. and Mrs. W. C. White, Mrs. Mike Young, Mrs. Glen Elliott and Mrs. Bess Driskill, all of Baird; Mrs. R. A. Miller, Eula and Miss Laverne Rutherford, Putnam.

New Type Loan Is Announced By FHA

Farmers Home Administrators from seven counties will meet in the courthouse at Baird Jan. 21 for a briefing on a new type loan for low-income rural people.

John Curry, FHA executive for Callahan and Coleman Counties, said the newly-announced loan opens credit aid for the first time to many families who were previously unable to obtain either public or private loans to improve their earnings.

All County offices in Texas, Curry said, are accepting applications for loans up to \$2,500 to finance farming enterprises, small family businesses, trades and services. Rural cooperatives serving low-income families and providing services and facilities not otherwise available may also be eligible for credit under the program.

Borrowers will be provided continuing management aid to help them make a success of their farming enterprises or new business.

To be eligible for the new rural credit program, an applicant must live in a rural area, have an income that does not cover basic family necessities, be unable to obtain credit from other sources, including the regular loan program of the Farmers Home Administration, and show a reasonable promise of succeeding in the enterprise to be financed by the loan.

Shrunken Human Head Is Owned By Local Resident

Ever see the shrunken head of a human being?

Harry Dodds has one and was showing it in Cross Plains one day this week.

The head, said to be that of a middle-aged Caucasian man, was brought out of the Amazon jungles of South America by the local man's uncle in 1935. It has been reduced to about one-fourth normal size.

The head was bought by a German trader from the Jivaro tribe of South America for 38 pesos, which was then the equivalent of \$12.50 American money. Legend has it that the Jivaro ate the flesh of their victims then shrank the heads by packing in hot sands, a process about which little is known by the outside world.

The Cross Plains man's uncle, who spent many years in the tropics, brought out two such

heads. The other was that of a woman. It was given to a friend in Dallas.

The specimen shown in Cross Plains indicated that the victim was a white man in middle age, who was beginning to gray around the temples. His hair seemed to have been a reddish brown.

Dodds, who has done extensive reading about head-hunting tribes of the world, says that the Jivaro considered the heads as trophies, prizing them as would an athlete the medals won in Olympic games. A man's social position was somewhat dependent upon the number of heads he owned, a custom similar to the scalps collected by early-day American Indians.

Dodds keeps the shrunken head enclosed in a ball-like glass dome.

Fred Cook, Putnam, Due Legion Honors

Fred Cook of Putnam will be given a paid-up life membership in the American Legion. Presentation will be made by C. H. Linsford, commander of the Eugene Bell Post at Baird, Thursday night of next week, Jan. 21.

Former Eula Youth Wins Hero's Medal

A Midland highway patrolman, reared in Callahan County and graduate of Eula High School, has been given the Carnegie Award of Heroism.

The patrolman is Sgt. Billy Smith, 42, son of Mr. and Mrs. William Smith of Clyde.

Smith, hospitalized in Fort Worth recuperating from an operation for a lung condition, disclaimed heroism in his part of the incident.

"It was strictly reaction," he said. "I knew there was a man in the airplane who needed help and I thought I might help him."

Smith is credited with saving the life of Donald E. McKee, pilot of the twin-engine oil company plane which crashed during an ice storm at Midland Dec. 21, 1963.

The World War II veteran was at the Midland terminal checking weather conditions when he received news of the crash. Grabbing a fire ax, he raced through burning fuel to the plane, but was unable to break out the heavy windows.

When his pants caught on fire, he snuffed out the blaze with his hands.

He finally forced a window open wide enough so that he could pull McKee from the plane. McKee has since nearly fully recovered from second and third degree burns received in the crash.

Ray A. Burke, 42, an Arcadia, Calif., oil executive who was aboard the plane when it crashed also received the award for pulling the co-pilot from the cockpit area.

Mike Browning of Abilene spent the week end here in the home of his grandparents, Mr. and Mrs. Tom Burks.

Mr. and Mrs. D. J. McCarty and two grandsons, Johnny and Billy White of Glen Rose, spent the week end visiting here.

Richard Thompson II of Muleshoe spent Monday night with his uncle and wife, Mr. and Mrs. W. R. Thompson, in Cross Plains.

Sabanno Orchards Need More Wintery Weather

By Mrs. Edwin Erwin

This is a cold, frosty morning, a good thing for our fruit. The game night was very successful. Several visitors attended from Cross Plains, Pioneer and Scranton. All seemed to enjoy themselves.

The Busy Bee Club met Wednesday afternoon with Mrs. Wes Holcomb and Mrs. Clarence Scott serving as hostesses. The following members were present: Mrs. Clarence Casey, Mrs. Wes Holcomb, Mrs. Edwin Erwin, Mrs. Truett Dawkins, Mrs. W. E. Lusk, Mrs. Wordis Erwin, Mrs. Gus Brandon, Mrs. Melba Campbell, Mrs. Clarence Casey and Mrs. M. P. Wilcoxon, Jr. Two quilts were finished and delicious refreshments were served. Mrs. J. L. King, Mrs. Mary Hollis and Minter B. were on the sick list. Mrs. O. B. Switzer helped on Tuesday afternoon. She is employed at Colonial Oaks in Cross Plains and was unable to attend Wednesday afternoon. We all had a good time, but missed our sick members. Next meeting will be Jan. 20. Visitors are always welcome.

Several in this community have been ill, including Mrs. J. R. Rector, Sr., Mrs. J. L. King, Mr. and Mrs. Truett Dawkins, and possibly others.

Mr. and Mrs. Beryl Lusk and Mike, Wes Holcomb, Edwin Er-

win and Earl Shawver attended the fox hunters meeting and supper at the Nimrod Club House Saturday night.

I appreciated very much the kind words from our Sabanno friend, Mrs. H. T. Porter, who now lives in Brownwood. The Porter family lived in our community several years while their children were growing up. How well I remember when we mothers, the Porters, W. S. McCanns, W. E. Lusk and myself were hostesses for a November birthday party for J. T. Porter, Clyde McCann, Beryl Lusk and Louise. There were the King girls, Annie Bell Barron, the Lawson girls and boys, Zelda and Florence Harris, the children of Mr. and Mrs. Ira Hall, who lived in our community then, the Simses and Frances and Harold Dill children, Ruby, Jewell and Elmo. If Mrs. Porter were here now we would have another birthday party.

Buffettes Gain Lone Cage Victory In 2 1965 Outings

Cross Plains High School basketball teams began the new year on dismal notes last week winning only one of four contests.

The long holidays recess seemed to have dulled the scoring edge, although a big fourth quarter rally lifted the Buffettes to the lone win in the two outings.

Tuesday night of last week the Buffettes traveled to Baird in District 10-A play only to be humbled 40-20. Baird's Sally Green helped build a 10-point first period lead with her 16 points. Dianna Purvis scored six for Cross Plains.

The Buffaloes found the going no easier against the county seat Bears as they dropped a 53-43 decision. Cross Plains held a 14-11 first quarter advantage, but fell eight points behind at intermission. An 18-point final period failed to overcome Baird's 20-point third stanza margin. Tommy Purvis bucketed 14 and Jack Baum hit 9 for the Buffs, and Maxie Gordon paced Baird with 14.

Mrs. Charlie McCowen and daughter, Naomi, visited a son, Mr. and Mrs. Reuben McCowen and family, in Coahoma, and another daughter, Mr. and Mrs. J. C. Horton, at Lubbock recently.

Clyde came here last Friday night and the Buffettes pulled the low scoring but exciting game out in the last seconds, on the strength of a 17-point fourth period spurt. With just a few seconds remaining, a technical foul gave Cross Plains possession outside. The throw-in pass went to Dianna Purvis, and she drove into score the winning field goal. Darylene Hargrove led the Buffette attack with 18 points, and Miss Purvis and Sue Edington tallied seven each. Mitzie Trussell counted 22 points for the visitors.

Cold shooting and rebound loss spelled doom for the Herd by bowing to Clyde Bulldogs 16-26.

Tommy Purvis and Donnie Mac Needham shared scoring laurels for the Buffs with eight points each, and Kniffen parted the nets for 19 points for Clyde.

Friday night the local cagers journey to Ranger in a 10-A match and Tuesday, Jan. 19, Eastland comes here to finish the first round of conference play.

In loop competition the Herd has a 1-3 record and owns a 7-7 season mark. The Buffettes' district slate shows a 3-1 count and on the season have won 9 against 3 losses.

Pioneer Citizenry Ponders Weather Influence On Fruit

By Mrs. Delma Dean

It almost looks like snow outside there is so much frost this beautiful, clear Monday morning. This should set the fruit trees back for a while. Some were almost ready to bloom. I hope that they were not far enough along for this cold spell to kill the fruit on them.

The few persons who attended the club meeting Thursday cleaned the clubhouse, preparing it for the game night Thursday, Jan 14. Everyone is invited.

Vickie Stover, daughter of Mr. and Mrs. Donald Stover, was taken to Rising Star Hospital Sunday afternoon. It was feared she had pneumonia. We wish her a speedy recovery.

Ethel Brown visited Mr. and

Mrs. Mat Browning in Colonial Oaks Friday.

Ethel Brown's daughter-in-law, Mrs. R. C. Brown, Jr. had surgery Friday in Brownwood Memorial Hospital. She is improving nicely, and her room is No. 109.

The Douglas Campbells of Cross Plains were dinner guests of Mr. and Mrs. Cowan Hutton and boys Sunday.

Mr. and Mrs. Bart Brown's son and family, Mr. and Mrs. J. T. Brown, Pam and David of Brownfield, visited them Sunday.

Visitors with Mr. and Mrs. Sam Eakin the week-before-last were Mr. and Mrs. John Elkins of Brownwood and Pinky Ellis of Owen.

Visitors in the Donald Stover home during the past few days were Mr. and Mrs. Sam Eakin, W. G. Vaughn of Cross Plains, Jess, Homer and Lucille Brown of Pioneer, Rodney McCarty of Coleman, and Bruce Clark and the Rev. Dan Gaines and wife of Abilene.

Approximately 35 friends and relatives called during the day and were served cake and coffee. She has been showered with cards during the past week and received many lovely gifts. She was presented the following poem written by her son-in-law, E. L. Harris. It is one of her most cherished presents.

Ninety-three changing years have come and gone
Since you first saw the light of day,
And I think the world is a little better
Because you came along this way.
May there be for you many another happy day,
Just the kind of happy days you would like to see,
Before from this earthly life you are called away
And with loved ones gone before forever be.
Swiftly have come and gone the fleeting years
As you traveled down the rugged road of life,
Some brought their joys, others brought their tears
As you struggled and labored in the strife.
With many years of life you have been blessed
And always gave a helping hand to those in need,
A source of comfort for the lonely and the depressed,
With a kindly act and a kindly deed.
Our allotted years of life are three score and ten
But God has given you the strength to longer stay,
That others to "His way" you might one day win
Before from this earthly life you fly away.

Mayes, however, dumped second place George Hutchins Mobil 3-1, picking up three games on the leaders. PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

Today many Towns are "waking up" to Community Development

Everywhere you go these days you see towns engaged in or planning "community development." These activities range from simple clean-up programs to business modernization, new schools, hospitals, public buildings and recreational facilities as well as commercial and industrial promotion . . . making the towns better places to live, work and play. In 1965 we will run a series of ads which will picture and describe examples of community development now taking place in our service area. This is part of our area development program in which we are dedicating our efforts to assist the towns we serve to grow and progress. Growth-conscious towns are invited to contact their local WTU manager for the services of our area development representatives.

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built. Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

CORVAIR—The only rear engine American car made. Corvair Corvair Sport Coupe

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that can touch its styling. They say if you haven't driven the new Corvair Corvair with a 180-hp Six Turbo-Chargaorg you just don't know what you're missing.
