THE MISSION OF YSLETA

The Church that changed sides!

When the Indians revolted against Spanish rule in 1681-2 in the upper Rio Grande Valley in New Mexico, refugees sought safety at the mission at El Paso del Norte (now Juarez). One group settled on the Mexican river bank and named its community Ysleta del Sur (South). This settlement was established in 1681 and a mission was completed the following year on a small island in the Rio Grande.

The Rio Grande changed its course and the site is now in Texas. Ysleta and its mission are generally given the distinction of being the oldest permanent settlement in Texas... truly a church that changed sides!

CHOOSE THE SIDE OF FREEDOM...with U. S. Savings Bonds!

Thus, Ysleta del Sur, the refuge of the oppressed, became the earliest of settlements to identify itself with a brave, new land of freedom.

Today, millions of Americans choose the side of freedom and they do something about it — by purchasing U.S. Savings Bonds.

Every dollar you invest in Savings Bonds gives Uncle Sam exactly that much help in the vital task of safeguarding liberty for yourself and your family. Buy Savings Bonds at your bank or on the payroll savings plan where you work.

Burkett Slates Monthly Supper For Friday Night

By Mrs. Merrel Burkett

Regular monthly community supper will be held Friday night of this week at the community center. Committee for the affair is Mr. and Mrs. E. G. Key, chairmen, Mr. and Mrs. Raymond Jennings, Mrs. T. H. Strickland, Mr. and Mrs. Lincoln Herring, Mr. and Mrs. Bill Koenig and Mr. and Mrs. O. L. Mayfield. They invite everyone to attend, bring a vegetable and meat or a salad and sweet and enjoy the evening with your friends and neighbors. Entertainment is scheduled.

Funeral services were held at 10:00 a.m. Friday for E. E. Blankinship at the First Baptist Church in Cross Plains. Higginbotham Funeral Home was in charge of arrangements and burial was in the Big Spring Cemetery.

While the family was enroute home Friday night from Big Spring the automobile occupied by Mr. and Mrs. W. W. Blankinship, father and mother of the deceased, and their son-in-law and grandson, was involved in an accident when a pick-up collided with their car. They were taken to an Abilene Hospital where all still remain except Mr. Blankinship, who will remain here with Mrs. E. E. Blankinship and other relatives until the others are released and able to return to their homes in Houston.

Mrs. Ellis Brisco of Brownwood passed away at 10:00 a.m. Friday after a long illness. She and her family were former Burkett residents and she was a sister of Mrs. E. E. Knight. Funeral services were held at 3:30 p.m. Sunday at the Baptist Church here and burial was in the Burkett Cemetery. Higginbotham Funeral Home was in charge of arrangements.

Mrs. R. E. Neff is still unable to leave the hospital in Coleman where she has been undergoing treatment more than two weeks for pneumonia. She is feeling much better and perhaps will be dismissed this week.

The condition of Bert Evans remains serious. He is a patient at Overall-Morris Hospital following a severe heart attack two weeks ago.

Ladies of this community are to be commended for all their thoughtful deeds, including the preparation of many dishes of food for the bereaved families and persons who have been ill. These gestures are a great help to these people and they appreciate it. Arrangements have been made for leaving dishes at the post office building for convenience of the owners. Please pick them up as soon as possible.

John Fox returned home Sunday after spending the past

three months in Sweetwater with his son and wife, Mr. and Mrs. Henry Fox.

Mr. and Mrs. R. E. Harris of Longview spent Saturday night with his parents, Mr. and Mrs. E. L. Harris. They were enroute to Lubbock to visit their son, Bobby, a student at Texas Tech.

Mr. and Mrs. Lee Swann of Monahans are visiting Mr. and Mrs. E. L. Harris and her mother, Mrs. Orah Wagner.

Mrs. Monnie Garrett left Thursday of last week for Cottonwood, S. D. to spend a few weeks with her daughter and husband, Mr. and Mrs. Harold Odum.

Brownwood Woman Interred At Burkett

Mrs. Sallie Jane Brisco, 84, who died in a Brownwood nursing home Friday morning, was laid to final rest in Burkett Cemetery Sunday afternoon. Funeral was held from the Burkett Baptist Church.

Mrs. Brisco had been ill about four months. She had made her home in Brownwood the past 11 years and was a former resident of Granbury. Born at Burkett Aug. 19, 1880, she was married there Dec. 27, 1903, to Ellis Brisco.

Survivors are two sons, DeWart F. of Dublin, and Albert S. of Sattler, Tex.; four daughters, Mrs. Susan Trowbridge, Mrs. Ruth Glanders, and Elizabeth Brisco, all of Brownwood, and Mrs. Flossie Lockhart of San Antonio; 10 grandchildren; and nine great-grandchildren.

Pallbearers were Pete Golson, Odell Golson, Vernon Helms, Olan Helms, Jim Helms, and Burl McCowen.

NOTICE

Of all complaints brought to my attention, the most prevalent is about dogs, howling, roaming, destructive dogs. What to do about these dogs has been discussed at City Council meetings.

An ordinance such as we now have, making it obligatory for a dog to be vaccinated and a tag declaring this fact fastened to a collar worn by the dog, will not keep him from roaming. Unless dog owners voluntarily confine dogs to their own properties, it will be necessary to enact an ordinance declaring that any dog found off his owner's property may be picked up. I appeal to dog owners to keep dogs on their own property and show respect for the other man's property. I am sure no one wants his yard or garden destroyed by a dog, especially someone else's dog.

CROSS PLAINS — MAY — RISING STAR

First Atwell Settlers

(Continued from page 1.)

According to the records of the post office department, the post office was discontinued on June 29, 1929.

Up to the time of the establishment of the post office, the community had gone by the name of Flag Springs. In honor of the new district attorney of the Federal District Court of northern Texas, William H. Atwell, the new post office was named Atwell, and soon the name Flag Springs fell into disuse.

Soon after the Clark brothers constructed the first store others entered various lines of business. Mack Jones entered the drug business. Mack Howell and Mr. Doss constructed a new building and entered the grocery business.

The Clark brothers sold their general mercantile business to W. W. Foster and sons, A. G. and J. C., who had arrived from Limestone County. The firm of W. W. Foster & Sons engaged in the general mercantile business until their store was destroyed by fire in 1908.

Jim Reed was the first blacksmith in the Atwell community.

Mr. McCarver erected a two-story building, using the lower story for a blacksmith shop and the upper story as a lodge room for the Woodmen of the World.

Besides McCarver, other blacksmiths to serve the Atwell community were: Marion Vestal, Mr. Weber, Tod Vaught, Mr. Richardson and Clyde King.

After a number of years, the lower floor of the McCarver blacksmith shop was remodeled and converted into a store building and was operated by O. K. Morgan and Steve Foster for a number of years.

Following the destruction of Foster General Merchandise Store by fire in 1908, a new, two-story building was constructed across the road, where Maddux and Brashear engaged in Dry Goods and Grocery business, the upper story of the building being used as a lodge hall for the Odd Fellows and Rebekahs.

After the big cotton crop of 1900, the Clark brothers constructed a cotton gin to serve the community. This gin was capable of turning out 25 to 30 bales per day. The gin operated a number of years, until the boll weevil put the cotton farmer out of business.

Early doctors of the Atwell community were Drs. Johnson, Leach and Griffin.

The first telephone installation was in the Mack Jones drug store.

There was no local connection but provisions were available for long distance calls.

About 1907 a local telephone company was organized and practically all residences of the community were provided with connections. The central office was located in the residence of Dr. Larry Griffin, Miss Leila McCary being the operator. It was also located in the home of Mrs. Purvis for a number of years, where it was operated by members of the family.

Serving as barbers in the community at various times in the small barber shop were: Walter Stewart, Marcellus Tatom, Sam Killough and Hassie Mitchell.

First teachers to work in the new school building after the abandonment of the Flag Springs building were B. C. Chrisman, Sr., and Miss Ola Lavoise. They were followed by: B. C. Chrisman, Sr. and B. C. Chrisman, Jr.; B. C. Chrisman, Sr., and Lavada Ezzell; Frank Bennett and Miss Ezzell; Mr. Evans and Miss Ezzell; Leo Britton and B. C. Chrisman, Jr.; Walter Mitchell; B. C. Chrisman, Jr., and Cora Purvis; Mr. and Mrs. Reed; Mr. Burks and Nila Appleton; F. E. Mitchell; Tom Petty; John Shrader; Dixie Tate and Mrs. Tate; Mr. and Mrs. Leo Varner.

Other teachers at the Atwell school were: Annie Ellis, Alita Elliott, Miss Notgrass, Helyn Lyons, Miss Smith, Patience Austin, Miss Grace and Miss Walker, and possibly others.

At the close of the year in which Mr. and Mrs. Leo Varner taught, the high school was transferred by contract to Cross Plains and a one-teacher school was maintained for a number of years. The district was finally consolidated with Cross Plains.
