J. M. (Jim) McMillan, 55-year-old resident of the Cross Plains area, this week announced his candidacy for Justice of the Peace of Callahan County Precinct Six, which embraces the same area as Commissioner's Precinct Four.

His initial statement to voters was as follows:

"After having my friends to ask me to make the race for Justice of the Peace, I have made up my mind to run for that office. I had told several that I did not intend to run but have now changed my mind and will be a candidate. I think that I am qualified for the office as I have had more than 20 years experience as an officer of the law, and formerly served five years as Justice of the Peace of Precinct Six. I will appreciate the vote and influence of

J. M. (Jim) McMillan

everyone." Deadline for filing is Friday, Feb. 7.

## Icy Roads Blamed For Auto Crashes

Icy roads were blamed for three one-vehicle traffic mishaps in the Cross Plains area Friday afternoon.

Two of the accidents were just west of Cross Plains on State Highway 36 and one was on North Main in Rising Star.

Only one slight injury resulted to four persons involved in the crashes.

First of the accidents occurred shortly before 1 p.m. when James Vernon Blackburn of Hawley lost control of his 1960 Chevrolet pick-up on ice just west of the Turkey Creek bridge. He was not hurt, although the vehicle sheared off a post marking a culvert and overturned. Cross Plains Highway Patrolman Bill Vineyard, who investigated all three mishaps, estimated damage at \$500.

At 2:10 that afternoon a 1965 International cattle truck skidded off the pavement into the barrow ditch and through a wire fence about 300 yards east of the site of the first accident.

Stokio Joiner, Negro of Moody and passenger in the truck, sustained a slight back injury, but the driver, Charles Steward, Negro of Temple, was unhurt. The truck which belonged to Erwin Mill & Elevator of Gatesville, was unloaded, but sustained \$500 in damages.

Third mishap was in Rising Star at 5:35 p.m. when a 1965 Chevy II driven by Paula Earlene Booth of Cisco skidded on slick street into a cement curb. She was not injured, but Vineyard estimated damage to the auto at \$200.

## Construction Okay Given On Housing

Cross Plains Housing Authority has been notified that the proposed \$256,000 20-unit, low-rent development planned here will begin construction in the near future.

It was first thought, according to Jimmielee Payne, local board president, that building would have to be postponed until all titles to the proposed sites could be cleared. Condemnation proceedings are now being processed on two tracts of land in the downtown section. But Payne said, "We have been notified that construction will begin on land already acquired, and building will be done on the plots in question at a later date."

# City Worth More Than 4 Times As Much As Owed

With an 84 per cent tax col-reported in a much-improved collection already in from the 1965 financial position as of Feb. 1, roll and recent collections of value of properties owned unpaid accounts due three months, amounts to more than four municipally-owned utility systems, times the total debt. The City of Cross Plains was a \$9,425 note made to the

Citizens State Bank here one year ago to replenish the general fund was paid off last week, leaving all obligations now owned by the city — including bonded indebtedness — at

\$61,854.26. This sum is broken down as follows: \$6,000 bonded indebtedness balance on refinancing done in 1962, \$53,000 balance on issues voted in 1963, two payments of \$1,365 each on a back-hoe digger and loader, and two payments of \$62.13 on a truck.

It is pointed out that \$5,000 from the bonds voted to repair city utility mains in 1963 was never used and is now on time deposit drawing interest. From this same source there is another \$212.31 held in a specially set-up gas fund. The city's general fund account as of Jan. 31, 1966, showed a balance of \$9,478.16 and the sinking fund a balance of \$2,455.43.

Assets listed on the last audit of the municipality revealed that book value of properties owned by the city aggregated \$262,123.37. These values were itemized as follows: water works \$145,645.31, sewer system \$48,001.82, gas system \$39,590.79, street machinery \$110,103.60, sprayer \$81.43, fire station \$4,457.24, dump truck \$506.13, fire trucks and equipment \$8,991.82, office furniture and equipment \$1,619.97, City Hall \$3,125.66.

Tax collections showed marked improvement from the roll of 1965 during the current tax-paying period as compared with the year before. Total assessments on the '65 roll amounted to \$12,393.74. Of that amount \$10,495.67 was paid on or before the due date — Jan. 31, 1966. The remainder goes on the delinquent roll and is subjected to penalties and interest when paid later.

Although the '65 roll was \$442.23 greater than the levies of 1964, only \$1,898.07 will go on the delinquent roll this year, as compared with \$1,977.47 a year ago.

Twenty-nine of the tax receipts were issued free of charge to 21-year-olds who are qualified to vote in future elections.

"The number of qualified voters will be unusually small since this is an election year," remarked Albert Lovell, county tax assessor-collector.

## Recreation Center Nearer To Reality

The big, new recreational facility for Rising Star and Cross Plains moved a step nearer completion Monday, when agreements were reached by the directors of the organization and Bowden Lumber Company of this city for contract revisions bringing the total cost to \$101,500.

Low bid on the project had been \$106,008, a sum slightly greater than the amount of available money.

Temporarily deleted from the specifications were a miniature golf course, surfaced en-

trances and parking area, an outside fence and signs and a revision in swimming pool design.

It is pointed out, however, that these features will be built later with an additional loan to be secured through the Farmers Home Administration.

The contractor was given 10 days to complete his performance bond and return signed acceptance of the agreement to directors. It will then be processed and forwarded to the state headquarters of FHA for acceptance.

## Local Cagers Whip De Leon In Rematch

Cross Plains Buffaloes and Buffettes scored a dual victory against De Leon cage teams Saturday night at the local gym. The match was re-scheduled from Friday because of inclement weather.

The Buffs took a 10-point, first quarter lead and broadened it in each period except the third, blasting the Bearcat group 62-46. Joe Pierce hit 26 points to lead Bison to their second District 19-A triumph. De Leon's Donnie Sharp fired 13 points to lead the visitors.

Buffettes sailed to an 84-44 win against the Bearcat female representatives with Valeta Edington exploiting enemy guards for 33 points. Kathy Dawkins collected 20 points for the visitors.

Tuesday night of last week local teams battled with Early and were forced to accept a split decision in the non-conference affair. Buffettes found a determined group of Early girls, but a fourth quarter rally gave Cross Plains a seven point margin and a 35-28 victory.

Longhorn boys parlayed four periods of full-court tactics to a six-point winning margin, 59-53. Pierce reaped high point laurels with 16 marks and Longhorn Gary Chambers popped the cords for 18 scores.

Buffalo "B" team battled its way to another victory, salvaging a 20-18 win in the last three seconds of the game.

## Crucial Games Face 4 CPML Bowling Teams

A pair of crucial matches headline Cross Plains Mixed League bowling action Thursday, today.

Cross Plains Truck Stop lays its lead on the line against challenging D. C. Lee Gulf, who trails the leaders by one game although the Truck Stop quintet has a make-up match remaining with Odom's, and George Hutchins Mobil and Sisters Cafe will fight for third place which they now hold jointly. Sixth place Souder Grocery will strive to regain the win column against Odom's Cafe in the other match.

Last week's play set up tonight's critical battles. Results were: Gulf over Mobil 4-0, Truck Stop defeated Souder's 3-1, and Sisters beat Odom's 3-1.

Gulf squad and team members again hogged team and individual honors last week, but had to fight off a determined Sisters Cafe group.

The second place Gulfers claimed team high series with a 2,933 pin-fall, Sisters was second with a 2,875 effort, and Truck Stop's 2,771 rated third. Gulf also claimed the team single high game diadem with a third game 966, but Sisters captured second and third places with 982 and 976 respectively.

Sisters' Lou Brown posted the high individual game with a third game effort of 203, followed by Gulf's Jim Gilmore in second and third place with 194 and 187 respectively. Gilmore's 563 series was tops in individual series competition and a season high, and Lou's 513 was runner-up. Gulf's Benny Glover posted a 506 total for third place.

## News Of Former Residents

Art and Stanley Carmichael, prominent Abilene financiers and automobile dealers, both of whom finished high school here, were the subject of a 4,000 word feature story in Sunday morning's Abilene Reporter-News. The two men, sons of the late Mr. and Mrs. Roy Carmichael, own controlling interest in 17 firms operating in Texas and New Mexico.

Art and Stanley have a most unusual partnership.

Mrs. R. N. Whitehorn of Abilene spent last week here in the home of her brother, Mr. and Mrs. W. R. Thompson.

Neither owns anything in which the other does not hold a half interest. "Even the clothes we wear and that of our families are bought by the partnership," they were quoted as saying.

Mr. and Mrs. Tommy Carroll, who recently moved from Cross Plains to Arizona, write to say: "Don't let anyone talk you into sending your sinus to Arizona, this country has proved no better than that back home."

The Carrolls now make their home in Somerton, Ariz., and declare that arrival of the home town newspaper each week is an anticipated occasion.

## Weather Still Top News In Atwell Sector Homes

By Mrs. Alton Tatom

The ink in my fountain pen is still frozen as it was last week. There has been too much snow and ice for people to visit. The stock feeding takes the warmest part of the day, and that leaves no time to go to town.

We are sorry to report that Mr. and Mrs. Clyde Lovelady, formerly of Atwell, are not getting to enjoy their home in Cross Plains. He has been hospitalized in the Veterans Hospital in Temple most of the time, but he hopes to be home in about a month.

Mr. and Mrs. James Foster and Tim, Mrs. Nathan Foster and Mrs. Edwin Erwin spent the week end in Houston with Mr. and Mrs. Charles Ege and children. They came home on Monday.

Mr. and Mrs. Jack Bowen and son and Mr. and Mrs. Edgar Sessions and children visited Mr. and Mrs. Dayton Sessions Sunday. Dayton is able to be up most of the time.

Harvey Black and Lloyd Gary were in Goldthwaite last week at the livestock sale. Roy Tatom attended the horse sale in Brownwood Friday.

B. F. Hutchins was called to federal court in Abilene Monday and Thursday of last week and Tuesday of this week.

Mr. and Mrs. Tip Wrinkle were visiting in Baird Friday. Mr. and Mrs. Jim Dewbre and Sheri visited Mr. and Mrs. B. F. Hutchins Sunday.

## Pioneer Citizens Enjoy Thursday Chili Supper

By Mrs. Delma Dean

Everyone enjoyed the chili supper and the games Thursday night at the club house. A nice crowd and several visitors attended including Mr. and Mrs. Clarence Casey, Mr. and Mrs. Truitt Dawkins, Mr. and Mrs. M. P. Wilcoxon and son, Joe, Mr. and Mrs. Gus Brandon, Beryl Lusk and one of the Chessir boys of Sabanno, and Mr. and Mrs. Jake Huntington of Brownwood. Our next family night will be Feb. 10, Thursday night, and everyone is invited. to attend.

Pete Fore is still in the Rising Star Hospital but is improving now. However, he is expected to remain there for several days yet. We hope he can soon be well and back at home.

Word has been received that Mrs. Fannie Freeman is back in a hospital in Midland critically ill. Her brother, Tom Flippin and his wife, left Monday afternoon for Midland to be at her bedside.

Mr. Leonard Thomas of Lubbock and L. M. Purvis of Cross Plains visited Ethel during the week.

Max and Wanda Richardson of Coleman and Ruth Waggoner and children of Cottonwood visited Lorne Bryson and Ricky Westernman Sunday afternoon.

Mrs. Pat Shirley prepared a birthday dinner Sunday for her daughter, Patty Carlile, and for their son-in-law, Lester King. Patty and children came from Albany and Lester and family came from Sabanno to enjoy the dinner and a day of visiting together.

Nell Fleming and son, Jim, went to Pampa to take Cheryl Fleming home. She had been visiting in the Fleming home several days. Visitors in the Fleming home Sunday were Mrs. Phena Mae Flippin and Tom and Willie Flippin.

A Mrs. Ross and little daughter of Snyder were in a serious automobile accident here Wednesday night. Their car went out of control and crashed into Pete Fore's store and ran through Pete's vegetable shed. The auto overturned a water pump, broke off a post and a great deal of damage. The
