CARD OF THANKS

We want to thank all you wonderful people of Cross Plains who were so generous and kind to us before my husband found work. I'll never forget your kindness to us and want to especially thank the ladies who gave me the baby shower, and what a very happy surprise it was for me when several of the good ladies of the little Baptist Chapel drove all the way over to the Comanche Hospital and brought beautiful gifts for my baby girl, Ruth Ann. She is a little too young to appreciate it now, but I'll tell her about it later. I can say that Cross Plains is the nicest, cleanest and friendliest little city in the whole state of Texas.

James Hickman was se- lected to replace Bobby Illing- worth, in whose honor the field was named, Illingworth Field, who moved, as vice-president.

Six committee chairmen were also named at the session. They are: Forrest Walker, scoreboard maintenance, Hickman, fence maintenance, Harry Dodds, public address system and lights, Glenn Merrill, sink installation and concession stand mainte- nance, Pope, field maintenance, and Mrs. Ann Bright, head con- cessionaire.

**Domino Tourney**

Plans for holding the pro- posed domino tournament were formulated with entrants asked to contact Nathan Foster, D. C. Jones, Raymond Franke or Merrill before March 19. It was pointed out that all entry fees would go toward cutting cost of the park, as well as profits earned from the sale of cake and pie during the meet. Coffee will be furnished at no cost.

**Managers Named**

Managers for the three local teenage clubs using the field were named. The senior teenage squad, the Chiefs, will again be coached by Jackie Pancake. Eulus Parker will retain his mentorship of the Drillers, but Billy E. Pope will be in charge of the Rebels.

Try-outs for all three teams will be held Saturday, April 23, but Bill Pope, field chair- man, asked that no play be held on the diamond until May 1 except for the team trials. He said, "We want to have the field in top shape for opening of season play."

Schedules for the three local clubs are expected to be re- leased the latter part of April

## Herd Cindermen Record Initial Victory At Merkel

Cross Plains Buffalo track team members compiled 90 points in nine events at the annual Merkel Relays Saturday finishing in front of 20-odd schools represented at the West Texas meet.

Bo Strickland paced Buff cindermen in total points scored, winning the 100 yard dash, the 220 yard dash and placing third in the broad jump. His times were 10.6 and 25 seconds, respectively.

Jim Brown monopolized the hurdles events, clocking 16.3 on the 120 yard highs and, and 23.3 on the 180 yard lows for his blue ribbon awards.

Junior Lee paced his mile in 4:52.9 on the "slow" sandy track and delivered the usual win in that division.

Joe Pierce, Randy Montgomery, Brown and Strickland teamed up on the mile relay for a time total of 47.8 and still another front-running finish.

Montgomery sprinted to second place in the 440 yard dash and Jerry Strickland completed individual scoring with a fourth place finish in the 220 yard dash.

A mile relay aggregation gave the Herd a third place point count.

Closest competitor to the Bison was Rotan, with 79 points.

## Local Post Office Aids In Medicare

Postmaster Lloyd Bryan announced today that application blanks for supplemental Medicare benefits are available at the Cross Plains Post Office.

Application blanks are being made available as the Social Security Administration seeks to contact 3.1 million senior citizens before the March 31 deadline imposed by the Medicare law.

Initially, some 2.5 million application blanks were distributed to nearly 34,000 main post offices throughout the 50 states. Additional forms are available as needed.

Through direct mailings and other means, the Social Security Administration has had contact with 16 million of the 19.1 million citizens who will be 65 or over on July 1. Of the 16 million who replied, less than one million said they did not want to sign up for the supplemental program.

The supplemental program costs three dollars per month and provides doctor bill and other benefits. Every one 65 and over is available for the basic hospital benefits under Medicare. A copy of the application blank is displayed on the lobby bulletin board of the post office here.

Senior citizens who reached 65 before 1966 face a two year delay if they do not sign up by March 31. The application forms are pre-addressed to the Social Security administration in Baltimore, Md.

A. B. Foster and Elmer Gooch of Clyde were business visitors in Cross Plains Friday.

Tuesday noon is deadline for news and advertising.
