## Annual United Fund Drive Carded Oct. 7

Annual drive for contributions to Cross Plains United Fund will be made Oct. 7, it was announced yesterday by Mrs. J. Peyton Smith, campaign chairman. She is presently lining up a corps of workers for an extensive canvass of this and adjoining communities.

This year's goal of \$2,000 will be apportioned between nine principal sources. They and the amount designated for each are: West Texas Rehabilitation Center at Abilene \$600, M. D. Anderson Tumor Research Center at Houston \$490, American Red Cross \$175, Salvation Army \$175, Gonzales Warm Springs Foundation of Texas \$50, Christmas Goodfellows Program \$300 and Transient and Local Relief \$100.

Mrs. Smith is presently contacting workers to serve in the communitywide canvass and

will announce the full slate for publication next week. Plans are for all solicitors to meet at Odom's Restaurant at 9 a.m. on the morning of Oct. 7, at which time supplies will be issued and final instructions given.

The United Fund is a combined effort to raise money through a single drive to take care of all humanitarian programs simultaneously. It is intended to supplant all other public solicitations throughout the ensuing year.

Mrs. Smith said yesterday that she sincerely hoped that all persons would be planning now what they can give and be ready when solicitors call at their homes. It is hoped that the complete effort can be consummated in a single day, and to accomplish this cooperation of donors as well as workers will be essential, she pointed out.

## Short Pecan Crop Predicted In Area

Indicative of how short will be this year's pecan crop is a statement made yesterday by John Purvis, one of the Cross Plains area's largest growers.

"I will not gather one percent of a normal crop," he declared.

Purvis, who has 477 improved trees, gathered approximately 30,000 pounds last year and allowed hogs to graze on possibly a fourth of that amount which was never picked up.

There are various opinions as to why this year's crop is so short. Some say good pecan crops are never harvested two years in a row. Others blame insect infestation. Purvis, though, blames a late Spring freeze, which he said nipped tender blooms.

## "BIM" GOBLE GOING TO OVERSEAS DUTY

Pfc. James (Bim) Goble is presently at home on furlough before reporting to Fort Dix, N. J., Jan. 27, from which place he will be sent to Wörzburg, Germany, for a two-year assignment.

While he is overseas his wife will stay with her parents, Mr. and Mrs. E. I. Allcock at Granbury.

## Callahan Swine Hog Prizes

Callahan County swine producers were well represented in the winners circle at the 1966 West Texas Fair Swine Show, held last week in Abilene, according to Jerry L. Lackey, County Agricultural Agent.

Estes Brothers of Clyde swept the Hampshire Show by taking the trophy for champion Hampshire male, champion and reserve champion female and champion barrow. They also exhibited the grand champion barrow in the carcass contest, and their champion Hampshire barrow was reserve champion barrow of the entire show.

Other ribbons received by

Word and John Estes or by their children, LaNell and John, all in Hampshire competition were: first place senior boar pig, second, third and fourth place junior boar pig, first, second and third place junior yearling sow, first, second and fourth place senior sow pig, first through fifth place junior sow pig and first place barrow.

Green's Duroc Farm bred both the champion and reserve Duroc males and the champion female. In addition to this, Green exhibited the fourth and sixth place senior boar pig, the second and third place junior boar pig, the first and sixth place senior sow pigs and the

## 80 Cent Tax Rate Again Set By Callahan County

Callahan County's tax rate for 1967 has again been set at 80 cents per \$100 valuation, said to be one of the state's lower levies.

The 80 cents is apportioned as follows: 67 cents goes to the county general fund, 10 cents to the road and bridge sinking fund and three cents to the permanent improvement and sinking fund.

Funds for operation of the four commissioner's precincts will again come from allocations

derived from the state. It is pointed out that much of this money originates from the sale of vehicle registrations; the first \$50,000 remains entirely in this county and the next \$50,000 being divided between the county and state.

Commissioners in session last week voted to allocate funds to the four commissioner's precincts as follows: 30 per cent to precinct 1, 25 per cent to precinct 4 and 22½ per cent each to precincts 2 and 3.

## Eight From Here At Democrat Conclave

Eight representatives of Callahan County were in Austin Tuesday morning for opening of the state Democratic convention.

Delegates were: Billy Mac Coppinger of Eula, Alton Hornsby and Ted Souder of Cross Plains, Mrs. Norma Swope of Clyde and James Paul Shanks, J. Rupert Jackson, Charles Walker and Mrs. John Hardwick of Baird.

In the event any of the eight could not attend, John Hardwick and Mrs. James Snyder, both of Baird, were first and second alternates respectively.

## Control Of Brush Topic Of Meeting

County Agent Jerry L. Lackey encourages all persons interested in brush control to attend a meeting in the courthouse at Baird Thursday night, Sept. 22, beginning at 7:30.

B. J. Ragsdale, extension range specialist, will discuss methods which are reported to have been most successful in mesquite eradication.

J. C. Earp, Jr., office manager for Callahan County ASCS office, will be present at the meeting and answer questions regarding government assistance in brush control efforts.

## Plaque Arrives To Mark First Burkett Pecan Tree

An official Texas historical marker for the still-living original Burkett pecan tree has arrived from the foundry and will be erected soon with appropriate ceremony, reports B. C. Chrisman of Baird, chairman of Callahan County Historical Survey Committee.

The tree, located just off Interstate Highway 20, two miles east of Putnam, mothered the world famous variety of Burkett pecans, named for the founder, the late J. H. Burkett of Clyde, who died in 1945.

The cast aluminum marker with Swedish steel effect for durability and appearance measures 12 by 15 inches and bears the inscription: "The original Burkett pecan tree, bred from a native tree in 1900 by J. H.

Burkett (1861-1945), Texas pecan industry leader."

The marking of local historic sites and landmarks is a part of the five-year program of the Texas State Historical Survey Committee whose program is described as "RAMPS" which means, Recording, Appreciation, Marking, Preservation and Surveys of Texas history. The RAMPS program envisions the erection of 5,000 historic markers under the sponsorship of the state, counties, cities, civic groups and individuals.

All state erected markers will appear in official tourist guides and directories to help stimulate tourist trade and historical appreciation as well as to acquaint the citizens of the county with their own unique historical heritage.

## Paul Neeb Charged In Burleson Murder

Paul Neeb, 38-year-old former Cross Plains man, has been charged with murder in connection with the death of Charles Aubrey Ingram, 24, at Burleson Monday. He is the son of Mr. and Mrs. Raymond (Pete) Neeb of Baird.

Ingram, who had worked in a donut shop, was found dead in the living room of his Burleson home at 6:30 p.m. Monday. Reports from the scene were that he had been shot five times with a .38 calibre weapon.

Before discovery of the body in Burleson, Neeb surrendered to Sheriff Homer Price and County Judge Byron Richardson of Callahan County. He was at Richardson's home in Cross Plains Tuesday morning, where he conferred with his attorney, Bill Thomas of Abilene, who

went to Johnson County in an effort to post bond.

Neeb, who has resided at Baird the past several years, is the estranged husband of a 23-year-old woman Ingram reportedly had been dating recently.

Justice of the Peace Alf Bowers, who conducted the inquest, said that Ingram had been shot once in the forehead, once through the arm and three times in other parts of the body.

The victim was barefooted, clad only in trousers and a T-shirt. He had his front door key clutched in his right hand. In his wallet was \$192.

Officers reported the front screen door had been jerked open.

The body was found by Donald Wayne Booth, 26, of Route

2, Burleson, whose wife is Mrs. Neeb's aunt.

Mrs. Neeb, whose parents operate Blondy's Drive-In Restaurant in Baird, and her three sons, aged 6, 4 and 2, had been staying with the Booths since Labor Day.

Mrs. Booth said that Neeb came by her home early Monday with the three boys and his mother to pick up the children's clothes. He also asked where Ingram lived.

Mrs. Myrtle Thornton, who operates a washeria about a block from Ingram's home, reported she heard what she thought were gunshots between 11 and 11:30 a.m.

Ingram is said to have been a native of Tennessee, but came to Baird several months ago, having been employed on a road construction job.

## Football Star First Callahan Man Killed In War Against Viet Cong

Cpl. Edward Ramos, whom sports fans will remember as the great defensive tackle for the 1964 Clyde High School Bulldogs, is believed to be the first Callahan County man killed in the Viet Nam conflict.

News reaching here revealed that he was killed Friday when the Viet Cong destroyed a Marine platoon of which he was a part.

Cpl. Ramos was last home in November of 1965, on an emergency leave to attend the funeral of his mother, Mrs. Lena Ramos, who died following a lengthy illness. His father died in 1955. There are no foster parents.

The youth volunteered to join the Marines in Abilene in December of 1964, midway in his senior year at Clyde High School.

He was named "Most Tackle"

in 1964 at the school, district and area levels.

The gridiron star, who earned four football letters, was team captain in the 1964 season, his last.

He was elected class president during his freshman, sophomore and junior years at the school.

Survivors include seven brothers, David, Joe, Connie, Henry, Manual and Sam, all of Clyde, and Ray, student at Ranger Junior College; a sister, Mary, of Clyde; three half-brothers, Sam, Elmer and Paul, all of Clyde; three half-sisters, Leona, Georgia and Mary, all of Clyde.

## Bison Search For First Victory At Clyde Friday

Cross Plains Buffaloes will meet their third straight District 7-AA opponent when they take to the road against the Clyde Bulldogs Friday night.

The Callahan County Bulldogs will carry a 1-1 season record into the 8 p.m. affair having taken measure of Merkel 18-7 in the campaign opener and losing last week end to Haskell 19-6. Bison will be seeking to accomplish three things Friday. The Herd is still looking for its first win of the season, seeking to defeat a Class AA foe, and trying to score for the initial time this year.

Clyde, rated to finish third behind Hamilton, the latter whipped the Bison 50-0 last week, in pre-season polls, is another experience-laden team. All but five of the squad that thumped Cross Plains 28-14 last year return. Twelve numerical winners are back for the black and gold, and head coach Ed Ammons cites experience as his team's greatest asset.

Moving up from 10-A to AA status this year, Clyde can field a veteran backfield headed by senior fullback Connie Ramos, 190 pounds. He is flanked by letter-earning halfbacks Jim Alexander, Eddie Craig, Randy Warren and Doug Campbell.

Guiding the team from the quarterback slot is veteran Cecil Eager, 160 pound senior.

The war up front is also carried on by Clyde lettermen with senior end Jim Paylor, 190, leading the group. Other trenchmen back include center Tony Spagnoli, 160 pound senior, senior guards Joe Ramos, 148, and Darrel Goates, 140, 160 pound tackle Frantz Howard, senior, and end David Pope, 135 pound senior.

The Buffaloes have suffered no major injuries through the first two tilts, and were in good physical shape first of the week. Some backfield changes were made last week with another shake-up hinted for the Clyde encounter.

## Clyde, Cross Plains Men Put On 5-County Board

Ted Souder of Cross Plains and Ferrell Newton of Clyde have been named directors from Callahan County to Central Texas Opportunities, Inc., an organization which will work with federal agencies for development and increased opportunities in the five county district.

The two were elected by a 16-member policy advisory committee in a meeting at the courthouse in Baird Tuesday night of last week. Both directors and several other county committee members attended meetings of the opportunities board of directors in Coleman Thursday night at which time county council elections and director choices were confirmed.

Roy Gilbreath, Callahan County judge-elect of Baird, was

named chairman of the county board, but a vice-chairman and secretary will be chosen at a later date.

Callahanians attending the Thursday night meeting at the courthouse in Coleman were: Souder and Manuel Dominguez of Cross Plains, R. W. Reynolds of Putnam, Billy M. Coppinger of Eula, Newton, Sam Roman and Billy Shelton of Clyde and Gilbreath, Frank Morena and L. B. Howard of Baird.

Souder said that investigations are presently underway as to how Callahan County and Cross Plains can qualify and benefit from the program.

The organization serves Callahan, Rannells, Concho, McCulloch and Coleman counties with headquarters in Coleman. Joe Philpot is manager.

**Ben's Grid Picks**

By Benny Glover

Once again Lady Luck has smiled on this column enabling it to correctly pick six of eight area football contests correctly. The .750 percentage on last week's predictions upped the season's record to 11 of 15 correct winners picked for a .733 through the first two weeks.

No scores resulted as were projected, and in only one instance, the Goldthwaite and Clifton tussle, did a one touch-down difference result as the prognosis indicated.

Complying with this column's projected winners were Hamilton, 50-0 over Cross Plains, Haskell, 19-6 victor over Clyde, Merkel which battered Baird 27-0. Santa Anna, whose Mountaineers routed Jim Ned's Indians 30-6, Clifton, 21-14 winner over Goldthwaite, and Bangs, easily defeating Early 36-0.

Old nemesis Rising Star, seemingly not reading the outcome in advance, foiled Ben's Grid Picks for second straight week, this time losing to Gorman, 8-0, and Putnam, another predicted triumphant, fell to Novice Hornets 49-30 Saturday night.

A thin card of six games appears in this week's forecast due to the Cross Plains-Clyde intra-county affray and Putnam getting a break with an open date.

Only two of the contests featuring District 9-A and Callahan County teams this Friday night have clear victors, Clyde over Cross Plains and Eastland over Baird. Rising Star, although

not yet picked right, should have an edge over Blanket, but the other three could be decided by breaks in the game. Predicted winners in bold face type.

Baird at Eastland: Mavericks improved after tough game with Ranger last week, and Callahan Bears face acute shortage of players. Class AA Eastland heavy favorite, 28-6.

Bangs at Santa Anna: A grudge game of neighboring cities with both elevens undefeated. Class B Dragons have a bit better defense, but records show Class A Mountaineers with high powered offense. Bangs makes it two in a row over 9-A foes, 22-20.

Marble Falls at Goldthwaite: 9-A Eagles will find victory number one by dropping back to Class A competition. Marble Falls in rebuilding program, but has some good material for surprises. Eagles by two touchdowns, 21-6.

Gorman at Early: The hardest one of all. Class B Panthers slapped Rising Star 8-0 last week, and Early fell to Gorman district foe Bangs. Gorman gets the nod on strength of two victories to one for Early, 12-8.

Rising Star at Blanket: Former conference opponents meet, but this time the Wildcats are labeled A while Tigers still wear Class B mark. Rising Star better by three tallies, 27-6.

Cross Plains at Clyde: Winless Buffaloes must wait another week before having a shot at entering the win column. Bulldog's superior experience and Buff's scoreless record gives a big nod to Clyde, 21-0.

**S.S. Officer Urges Early Claim Filing**

R. R. Tuley, district manager of the social security office in Abilene urged Cross Plains and area residents to file applications early. He said, "Filing social claims promptly has never been more important."

"While benefit claims may be retroactive for a year or more, the enrollment period for medical insurance is greatly restricted," he said and continued, "Protection under the 'doctor bill' part of medicare can start on the first day of the month you attain age of 65 only if you apply for it in one of the three months before the month you reach 65."

"This restriction does not apply to hospital insurance; but only to medicare insurance," Tuley added.

First enrollment period covers seven months: the three months immediately before the month of attaining age 65, that month, and the three months immediately thereafter. However, if the application is filed in the month of attainment or later, the effective date is postponed one to three months.

If application for medical insurance is not filed during the first enrollment period, protection cannot be obtained until the next general enrollment period, which will be the last three months of odd-numbered years. Premiums for these delayed enrollments will be higher, and coverage is not effective until July 1 of the following year.

Even though the applicant is still working, a claim for hospital and medical insurance can be approved whether or not any retirement benefits can be paid. Moreover, with the increase in allowable earnings, many applicants will receive some cash benefits as soon as a claim is filed.

Information and help in preparing the necessary application forms is available at social security office, Room 2321 Federal Building in Abilene, or from a representative which visits Cross Plains once each month.

## GET "REDDY" FOR WINTER

Flameless  
**electric heating**

...the **HEART** of total electric living!

Your present electric cooling system may be the basis for adding a flameless electric heating system. If not, West Texas Utilities can put you in touch with Reddy Kilowatt recommended dealers to show you the many choices of electrical heating equipment. Another advantage of electric home heating—economy! During the winter months, when you heat electrically, you only pay WTU's low 1¢ per kilowatt hour rate. After the first basic step of 500 KWH, all the electricity you use for all purposes costs only 1¢ per kilowatt hour plus taxes and fuel adjustment.

Now is the time to get ready for this economical home heating to avoid the rush! Live better and heat better—electrically!

# Hamilton Bulldogs Buffaloes 50-0

Hamilton Bulldogs smashed at right tackle for the conversion try but was stopped short.  
First play of the second quarter found wingback Dan Raiborne scampering over his left side for 12 yards and another touchdown. After a five yard penalty had nullified a two point conversion, Williams passed to left end Ricky Gromatzky for the two points. The 14-0 lead came after a 55 yard march in six plays. Twice more in the stanza Hamilton penetrated deep into Buffalo ground, but each time the Herd arose to throw back the threat spearheaded by defensive leaders Joe Pierce, Jimmy McNutt and Delbert Turner.

## Touchdown Parade

Bulldog Raiborne took the second half opening kickoff 75 yards in 11 seconds for the third tally. Fullback Larry Newton powered over right guard for the two point conversion.  
A minute and 24 seconds later Newton crossed the double stripes again from 19 yards out after the Bulldogs had recovered a Buff fumble on the 20 yard line. Fullback George Warlick pounded over left tackle for the two point conversion.  
Newton raised the score to 36-0 with three minutes left in the third canto with a five yard blast up the center capping a 61-yard, 11-play march. Newton's attempted conversion kick was low.

Williams got back into the act continuing the scoring spree in the final stanza with a seven yard skirt of right end. The scoring drive covered 59 yards in 12 plays, and Newton's kick was wide with 7:20 remaining in the game.  
Williams punctured the Bison defense for the final six-point with a seven yard circle of right end with 3:10 left in the game. Raiborne skirted the other end for the two point conversion making the final score read 50-0 for Hamilton. Warlick set up the last tally when he intercepted a stray Buffalo aerial and returned it 25 yards to the Buff 30.

# Crop Outlook Good As Autumn Arrives

Friday marks the first day of Fall.

Older residents of the Cross Plains area opine that never have they seen Summer end with a brighter outlook for agricultural prospects than currently exists.

"There's a bottom season in the soil" stock ponds are full and pastures seem lush with grass," declared S. F. Bond, official observer here for the Weather Bureau, who reported moisture received thus far this month totaled 3.15 inches. His records revealed that August just passed was the wettest in 17 years, as 5.57 inches were gauged. Total rainfall for the first 262 days of 1966 aggregates 20.18. Weather Bureau reports give the Cross Plains area an annual average of about 25 inches, however, for the past 16 years the norm has been 23.11.

A warm sunshiny day Monday brought smiles to the faces of peanut and cotton farmers, who were beginning to view continued wet weather as a hazard to crops now approaching maturity. Some harvesting of peanuts on irrigated land is expected to begin as soon as the soil is dry enough for digging. Unirrigated crops, how-

ever, will be two or three weeks later in gathering.

Busiest farmers around are expected to be those who have both peanut and cotton crops soon to be harvested and small grain fields to be planted. Several weeks of warm, dry weather are needed before any of the three undertakings can be started and then all will hit at once.

## Novice's Hornets Sting Putnam Grid Six 49-30

Novice Hornets outscored Putnam Panthers in each quarter here Saturday night in a rain spattered, wild offensive six-man football game. Visiting Hornets carried home a 49-30 victory.

Each sextet crossed the double stripe five times on the ground, but Novice's Hornets used air talents for three counters and an extra point, accounting for the 19-point winning margin.

Although Novice controlled the scoreboard through most of the game, Putnam was never far behind until the final quarter when the Hornets built a 25 point advantage. Ironically only one conversion attempt was executed to perfection although 13 touchdowns were scored. Novice got the one extra point on the fourth tally.

Hornets stung the Panthers only a minute and 45 seconds after the game had begun. Halfback David Nichols slanted over his right side for five yards and the score. Putnam quickly countered to knot the contest at 6-6 when right halfback Ricky Sherman ran 37 yards through three tacklers to paydirt.

One minute later, with 5:55 on the clock, Nichols pushed the visitors ahead again with a 30 yard romp around right end. Midway through the second period Nichols helped gain another tally with a 14 yard scoring strike to right end Charles Coats. Putnam then roared back with left halfback Terry Johnson circling right end from the eight. The tally was set up on a quarterback Johnny Isenhower to Johnson pass covering 25 yards.

Novice again increased its lead, 25-12, after Putnam's kickoff with Nichols lofting a 25 yard missile to quarterback Donnie Allen. Allen then threw to Coats for the only successful conversion. Putnam cut the lead to 24-18 with 20 seconds left in the first half as Isenhower hit left end Ted McCulloch with a five-yard jump pass at the 19, and McCulloch lateraled to trailing Johnson who scampered in with the score.

The Panthers cut the deficit to one point, 24-25, in the rain, which started as the third quarter began, on the first play from scrimmage in the second half. Johnson galloped 46 yards over his right side for the touchdown. After the easy opening six pointer, Putnam mistakes and a wet pigskin, which seemingly plagued the Panthers more than the Hornets, enabled Novice to pile up an insurmountable advantage.

Leon Kincaid, whose upfield running helped account for the win, circled left end in the third canto from the three to up Novice's lead to 31-24. About two and one-half minutes later, the Nichols to Coats combination clicked again for a 23-yard scoring pass. Then early in the final stanza Nichols again found pay with a nine yard sweep of right end. Novice finalized its offense with 1:50 remaining in the game as once again Nichols tallied. He started right, slipped through four tackles, cut left and outran defenders the final 45 yards of his 63-yard ramble.

Panther Sherman gained a measure of revenge as he outdistanced everyone for 65 yards crossing into the end zone with 56 seconds left to play.
