

Baseball Introduced To U. S. In Game At Baird 64 Years Ago

Ball games are night. Such, though says the case. The sport used to be an afternoon affair. The announcer from Park in San recently utilized a play to report that night baseball game in America was 1903. He quoted 85-year-old Ralls a former Cross ent, as his source newspaper telephoned

Mr. Cross, who it developed is a brother of W. J. (Bill) Cross of this city, and asked more details about the historic game played in the Callahan County seat so long ago. The elderly man doesn't hear too well over the telephone, so he promised to write details of the contest as he remembers them.

Good Memory

Obviously Mr. Cross' memory is much better than his hearing. A check with Lonnie (Dad) Ray, one of Baird's all-time great catchers,

who was a lad of 13 when the first night game was played in his town, coincides rather accurately with Mr. Cross' recollections.

The two sources reveal that the game was between Baird and a traveling group of Indians, who moved by rail and carried equipment for illuminating the field with gas lights. The contest was held at the T & P Park, south of the Baird depot.

The Callahan County teams was composed of the best players from all around and

had a number from Cross Plains. Among them were Bill Coffman, Jeff, Luke and Dave Clark and two Hazelwood boys. From Baird there were such well known athletes as Melvin and Leonard Farmer, John Franks, one of the Boydstuns and others whose names were not recalled.

Baird Won

Baird won the game but the exact score is not remembered.

As was the custom in those days, a footrace matching the

swiftest players on each team was held. Jeff Clark represented the home squad and was beaten a half-step by the Indian sprinter.

Fancy First Sacker

John Franks, who played first base for Baird, manned the position without a glove and is said to have played errorless ball, despite the fact that he never took a throw with two hands. Pitcher for the home team was Bill Coffman, who not only threw a fast and wicked ball but knew something about

the batting habits of Redmen, having inhabited Indian Territory long before there was a state of Oklahoma.

Melvin Farmer, shortstop, and father of Howard Farmer, present day Baird banker, was another star of the team. Back then he was also a member of the famed Farmer Team, composed entirely of players from the Baird and Eula country, all of the same surname.

Ball Was Softer

Lonnie Ray's recollections of the first night game are

that the ball was softer, allowing the contest to be played on a slightly smaller field to accommodate lighting affects.

Big Crowd

"I know it was a highly advertised game and was seen by a lot of people," he recalls.

Luke Clark, who lives at 415 Gill Street in Brownwood, may be the last surviving member of the Baird team in that historic contest. His recollections of the game are being sought for a subsequent edition.

City Lets Contract For Pavement Seal

City Council signed a contract with Newman Paving Co., of De Leon last week for sealing of existing pavement within Cross Plains.

Preliminary work began on the project Tuesday morning.

Cost of preserving the hard surface is expected to run approximately 15 cents per square yard.

No binding agreements have been completed on additional pavement here, and according to Burchfield, none will be until the present project is completed.

Construction Starts On Pioneer's Peanut Plant

Construction is now underway on a \$185,000 peanut drying plant and warehousing facilities, being built for Pioneer Farmers Cooperative on State Highway 36, four miles east of Cross Plains. B & W Construction Company of Dallas is general contractor.

The Dallas firm's bid of \$165,892 was \$845 better than the lowest of three other tenders.

Contract calls for construction to be finished within 150 days or a penalty of \$100 per

day to be suffered for failure to meet the deadline. Completion date is Oct. 6, 1967.

The plant will be finished in time to process this year's peanut crop said J. R. Rector, president of the cooperative, yesterday.

Metal Buildings

It will be situated on a five-acre site and will consist of 16 peanut drying units, 1,700 tons of aerated storage with pneumatic sampler, 50-ton scales, two elevators with sand screens, office building, grading station and flat storage warehouse. Buildings will be of metal construction on concrete base.

James Chesshir, secretary of the cooperative, told the Review yesterday that plans are being made for an elaborate formal opening, scheduled upon completion of construction. Details of the celebration will be published later.

Name Manager Soon

In addition to Rector and Chesshir, members of the cooperative's board of directors are Truett Dawkins, M. P. Wilcox, Jr., and D. G. Stover.

A manager will be designated by the board of directors, possibly within the next 30 days.

Funds for the project were secured in a \$185,000 loan from the Farmers Home Administration, repayable over a period of 30 years. The \$19,108 difference between amount of the loan and B & W's contract is earmarked for such items as: truck, tractor, engineering and legal fees, office furniture and equipment, contingencies and opening operating capital.

First installment on the note has been set at near \$2,000. Thereafter annual payments will run about \$10,500, Chesshir stated.

65 Youths Vie In FFA Rodeo Slated In Baird

More than 65 youths will compete in Callahan County Future Farmers of America's fourth annual rodeo in Baird this week end.

Performances are scheduled Thursday, Friday and Saturday nights in the Sheriff Posse Arena on Interstate Highway 20, one mile east of Baird. Starting time each night will be 8 o'clock.

Parade Slated

Officially opening the rodeo will be a street parade in Baird Thursday at 5 p.m. Cross Plains Riding Club, along with saddle groups from Abilene, Clyde and possibly other nearby cities will participate.

Dick Vestal, Baird vocational agriculture teacher, is serving as general superintendent of the show. He said yesterday that bucking stock would be provided by Harold Heath of Burkett.

Queen Contest

Three Callahan County girls are presently competing for rodeo queen honors. They are: Terry Edington, daughter of Mr. and Mrs. R. E. (Hick) Edington of Cross Plains; Donna Collins, daughter of Mr. and Mrs. Jake Collins of Baird; and Linda Kelly, daughter of Mr. and Mrs. Micky Kelly of Clyde. Win-

ner will be determined by the greatest number of tickets sold. Competition in this year's rodeo will be in three divisions. They are (1) senior, for boys and girls in high school, (2) junior, for students in the 5th through 8th grades, and (3) an open division for students from the 5th through 12th grades.

3 Divisions

Events in the senior division will be bull riding, red wagon contest, girls barrel race, boys barrel race, goat sacking and bareback bronc riding. In the junior division will be girls barrel race, boys barrel race, goat sacking and calf riding. The open division will feature events in calf roping, rescue race and flag race. Trophies will be awarded in each event with all-around cowboy and cowgirl selection being made from the most points accumulated by an individual.

Callahan F.F.A. Chapters compete as teams. Last year's winner was the Baird unit. Clyde F.F.A. took second.

Although the Saturday night show was cancelled because of rain last year, 1,700 persons paid admission to see the first two night shows.

Speaker for this year's event will be Hollis Adams, superintendent of schools at Miami, a native of the Burkett area.

"The public is invited to Sunday afternoon's ceremony and we are delighted to have for our principal speaker a native son of the community," said W. H. Henderson, president of Burkett-Adams Cemetery Association.

Following Sunday afternoon's ceremony there will be an annual election of officers to designate three directors for two year terms. Tenures of

Stewardship Asked Of 3,270 County Baptists

Baptist leaders in Callahan County will co-sponsor with the Stewardship Division of the 1.8 million-member Baptist General Convention of Texas one of more than 100 major conferences across the state introducing a 1967 Christian concept dealing with total stewardship from a family point of view.

Included in the new approach is a money management emphasis not only on what the family gives but the wise use of what is kept.

Leadership and families in Callahan Baptist Association, comprised of approximately 3,270 members in some 12 churches, have been invited to attend the Monday (May 29) conference at 7:30 p.m. in First Baptist Church at Clyde. Pastor of the host church is Rev. Bryan G. Halliburton.

Rev. Clyde Somers, pastor of Admiral Baptist Church and also a Howard Payne College student in Brownwood, is stewardship chairman of Callahan association and will lead in promotion of the area program through the year in addition to his work coordinating the Monday night conference.

Overall purpose of the sessions is to introduce an effective approach for churches to implement 1967 materials featuring "a Christian family witnessing to its faith."

On a compact program with leaders, guest speaker for the local area and state Baptist event will be Dr. Billy P. Smith, associate professor in Bible study at Hardin-Simmons University, Abilene.

Two staff members of the BGCT Stewardship Division — W. F. Vandenburg and Jay L. Skaggs, both of Dallas — and administrative leaders of Callahan association also are scheduled to lead in the meeting, which includes two 7:30-8:30 p.m. conferences.

The 1967 "family witness" materials will be introduced in a meeting of pastors, music

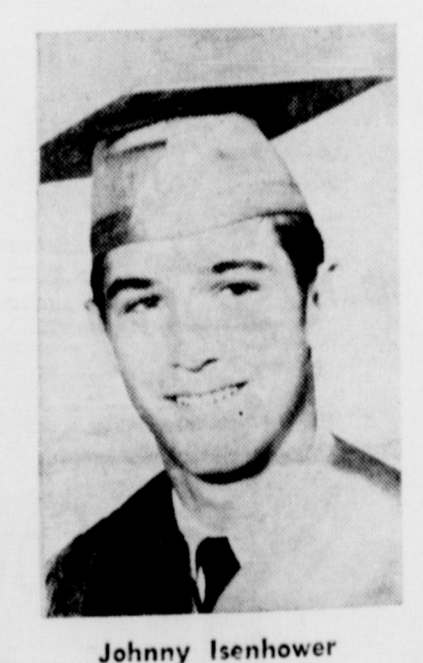

and education directors and other staff members in the church leadership conference. This period also will be given to a study of church budgets, money management and tithes, willmaking and estate planning.

In a simultaneous session, individuals and family groups will examine the matter of Christian witness in spending, giving and ownership. Rev. R. L. Holt of Abilene, association missionary, and Rev. Roger Butler, pastor of the First Baptist Church of Cross Plains and associational moderator, will preside.

Pioneer Scribe Tells Of Drouht In New Mexico

By Mrs. Delma Dean

It's nice to be back home, but we had a wonderful time visiting with our daughter and family, Mr. and Mrs. James Haslam, Tina and Tony, in Las Cruces, N. M., last week. People here thought it was dry here until recent rains, but it wasn't anything compared with the condition there. The Las Cruces paper stated the day before we left that it was the driest it had been in a century. We didn't see much of anything green except small irrigated spots until we got back to Clyde.

A host of ladies attended the quilting Thursday and finished the pay quilt. They also made some golden slipper flower arrangements. Next meeting will be Thursday, May 25, when the lovely quilt donated for the cemetery fund by Mrs. John Inabnet will be done. All area ladies are asked to attend and bring thimbles. It is a large, lovely quilt, and much help will be needed.

Next game night in Pioneer will be June 1. Reminder is given that items will be on sale then to help defray expenses.

Mr. and Mrs. Frank Fleming of Borger and Mr. and Mrs. Leonard Fleming of Gatesville visited their brother and wife, Mr. and Mrs. Joe Fleming, here last week. The Frank Flemings were en route home from El Campo where they had visited their daughter and family, Mr. and Mrs. Buel Foley

and daughter. They also visited friends in Pioneer.

Mrs. Ethel Brown and Mrs. Cora Howland were visiting at Colonial Oaks in Cross Plains Tuesday.

Several from here attended the baccalaureate sermon in Cross Plains Sunday night.

Mrs. McKenzie of California is still with her daughter, Mrs. Lorine Bryson. Her brother and family of Grayford spent Sunday with them. They all visited another brother and wife, the Fred Wilsons, that afternoon.

Mr. and Mrs. Lonnie Gray returned home Wednesday of last week from vacationing in East Texas. They had lunch Sunday with their daughter and family, Mr. and Mrs. Jack Arledge. They attended baccalaureate services in Cross Plains Sunday night.

Vi Harlow of Dallas spent Thursday night with her sister and husband, Mr. and Mrs. Pete Fore. She and Mrs. Fore went to Buchanan Lake where they joined another brother and sister and families. They were Mr. and Mrs. Paul Harlow of Lovington, N. M., and Mrs. Bessie McDaniel and son, Buddy, of San Antonio, also Janet Harlow and Cathy Anderson of Dallas. They enjoyed the outing, but didn't get to fish much because of the rain. They returned home Sunday.

Mr. and Mrs. Jake Huntington of Brownwood spent Saturday with Pete Fore.

Stanley and Ozella Huddleston of Ballinger spent a couple of nights here recently and visited friends.

Bob Dean of Clyde visited his parents Saturday afternoon. He and his family had been to Lake Brownwood.

Dr. and Mrs. Porter Henderson, Jr. of Denton visited Sunday with his grandparents, Mr. and Mrs. W. E. Butler, here.

Paul Lutzenburger attended a directors meeting of the West Central Texas Dairy Association in Abilene Friday.

Rowden Reporter Lauds Advice Given Graduates

Mrs. N. V. Gibbs

Graduation days have come and gone for 1967. The speaker in Cross Plains Monday night, Dr. Elwin Skiles, stressed the a-b-c's of life, accept yourself, be your best always and commit yourself. This was to the graduates, but could be helpful to us older ones when we let ourselves become discouraged. We still can accept ourselves, be our best and commit ourselves, to the many more good things in life.

Mr. and Mrs. Tommie Harris attended graduation exercises at Cisco Junior College Monday night where Terry was a graduate.

Visitors in the George Blakley home Sunday were Reuben Sanders, Jess Miller, Mr. and Mrs. C. O. Smedley and Owen, all of Abilene, Mr. and Mrs. Earl Blakley and Mr. and Mrs. Robert Blakley of Baird.

Mrs. J. C. Childers, Mrs. Betty Phillips and sons have gone to Poca, W. Va., to visit Mrs. Childers' daughter, Mrs. Walt Taylor and family. Belinda and Jerry Taylor will accompany their grandmother home for a visit.

Mrs. Ray Boen visited in Baird last week with Mrs. Ruby Anderson.

Mr. and Mrs. Bill Lawrence, Mrs. Lillie Lawrence, Mr. and Mrs. James Lawrence and sons of Cross Plains went to the Sabanno River near Okra Sunday afternoon to fish and picnic.

Guests of Mr. and Mrs. Ray Boen during the week and Sunday were: Mrs. Annie Miller, Mr. and Mrs. Mike Blumberg, Kerry and John Boen of Fort Worth, Mrs. Martha Kapper, Mr. and Mrs. Steven Houghton, and Stevie of Arlington, Mr. and Mrs. Dan Starnes of Odessa, Judge and Mrs. J. Price, Mr. and Mrs. Lee Ivey and Willburn Carrico, all of Baird, also Mrs. Gene Mauldin, Mrs. Bill Lawrence.

Parents who wish to enroll their children for any of the above classes please call 643-4511 after 5 p.m.

Miss Lewis is a qualified instructor and Life Guard. The summer of 1966 she taught Red Cross swimming classes and Red Cross Life Saving at Cisco Lake. This year she has been teaching swimming at the Rehabilitation Center in San Angelo.

In addition to the swimming classes, Junior and Senior Red Cross Life Saving courses will be offered to those interested in earning a Red Cross Life Saving Badge.

Chiefs Start League Play Saturday

Cross Plains senior teenage Chiefs will officially open their 1967 baseball campaign Saturday night at Bangs.

Monday, May 29, home folks can see the locals in action when they host a unit from Comanche at Illingworth Field. All games are slated to begin at 7:30 p.m.

Chiefs have played five exhibition games this year with a dual purpose, experience for the players and raise funds for equipment to ease the strain on the league treasury. Chiefs have won two and lost three.

Games are scheduled for Monday and Saturday night. The league is composed of one team each from Cross Plains, Comanche, Bangs and De Leon.

Manager D. C. Jones released the following schedule last week end.

 June 3 — De Leon at Cross Plains
 June 5 — Bangs at Cross Plains
 June 10 — Cross Plains at Comanche

Clyde Junior Team Dumps Rebels 9-1

Cross Plains junior teenage Rebels managed just two hits at Illingworth Field Friday night and bowed to a Clyde team 9-1.

It was the season opener for the local squad.

First baseman Tony Geve scored the only Rebel run in the second inning. He gamed base on a fielder's choice and stole the remaining 270 feet jolting the ball loose from the Clyde catcher at home plate. Geve had a single in the sixth and Larry Bishop hit safely in the fourth.

Larry Bishop absorbed the loss for the Rebels in going three innings. Bobby Davis relieved for one and one-third innings before Wayne Bishop took the mound and quelled the visitors' uprising.

DICK MONTGOMERY IS BACK AT HOME HERE

Dick Montgomery returned to his home between Cross Plains and Pioneer Tuesday of last week after being hospitalized in Callahan County Hospital at Baird 12 days following a heart attack. His many friends will be delighted to know that he is thought to be improving rapidly.

Mr. and Mrs. Fred Tunnell visited in Fort Worth Thursday.

REDDY PREDICTS

equal Electric Payments every MONTH in the future...

IF you use WTU's Equal Payment Plan for electrical operating costs. Pay no more in August than you do in May—nor more in December than in September. Use WTU's budget plan for paying electric service bills. Here's how it works: WTU figures the amount of electricity your family would normally use in a year—then divides this figure by 12. You pay a budgeted even-dollar amount each month. Your service charge is reviewed monthly, and adjustment made either upward or downward if necessary to avoid any big lump payment. Like the idea? Then ask WTU for details... Reddy Kilowatt's people will be happy to plan Equal Payments for you.

Make a clean break with the past electrically...and budget it!

When you look for the most room and the smoothest ride and the best value, you'll end up with a Chevrolet wagon everytime.

Top left: Chevy II Nova Station Wagon. Foreground: Chevrolet Impala Station Wagon. Top right: Chevelle Malibu Station Wagon.

Chevrolet Impala, roomiest in its class. While extra roominess is perhaps the best reason for buying a Chevrolet wagon, consider, also, these bonuses: Body by Fisher, Chevrolet dependability, flush-and-dry rocker panels and Magic-Mirror finish. **Chevelle Malibu, smoother, quieter ride.** A Malibu not only gives you a Full Coil suspension ride, but the body mountings are double-cushioned. And Chevelle carries plenty. It opens wide, 54.6 inches, to be exact, 28.5 inches high. Flip the second seat down and you've got 86 cubic feet of cargo space for all your gear. Chevelle was built to take a lot. **Chevy II Nova, best equipped for the money.** All-vinyl upholstery is standard. Flush-and-dry rocker panels that clean themselves are standard. Separate panels beneath each fender to inhibit rust are standard.

Mono-Plate rear suspension to smooth the ride is standard. Price? Below standard.
