I-Run Games LL Features As Cats-Buffs Share Lead

One-run decisions was the bill of fare featured in Cross Plains Little League action last week. Three of the four games were decided by a single tally.

After the week opened with a lopsided 15-5 victory by the Cats over the Buffs, three consecutive exciting, nip-and-tuck games followed. Beadels upset the Kilowatts in the nightcap Tuesday of last week 20-19. Cats clipped the Beadels 13-12 in the opener Thursday, and Buffs rallied to edge the Kilowatts 5-4 in the twilight.

Double Wins

Cats earned a share of first place last week with two victories. The first was over the Buffs on Tuesday in six innings. The victors opened the visiting half inning with six runs and added two more in the second. Buffs cut the deficit to 9-5 in the last of the fourth, but Cats pushed across another half dozen in the top of the sixth frame.

Roger Crawford was the winning hurler in going the distance in allowing four hits but walking six and striking out nine. Buff starter Calvin Corley took the loss in three innings. Jerry Lewis finished on the mound.

Thursday, Cats were coasting along with a 5-0 margin through three innings before Beadels bats came alive for five runs in the fourth. Cats gained a one-run, 7-6, advantage in the fifth, but Beadels tallied six runs in the top of the sixth for a 12-7 edge. After a quick out, Cats retaliated for six runs and the win. David Butler began the rally with a walk, and was forced home on additional walks. Roger Crawford doubled scoring

three more, and tied up the game on Jimmy Crawford's single, who later scored on a passed ball for the win.

Beadels Win First

Thirty-nine runs were scored in the second game Tuesday with Beadels taking a 20-19 decision, the team's first victory of the year.

Beadels gained a 7-2 margin after one inning, but had to tally five runs in the bottom of the third for a 12-12 deadlock. Eventual winner Beadels held a 16-15 margin after four, but Kilowatts added one in the fifth and three in the sixth for a 19-16 lead. Sam Koenig doubled for the Beadels leading off the last of the sixth, but the next two Beadels were thrown out. Then Carl Thomas was on via a fielder's choice, scoring Koenig, and R. B. Dillard and Andy Walker walked. Randy Hunter then doubled to right-center scoring the tying and winning run.

Randy Pancake, Ricky Westerman and Roy Merrill worked on the mound for the Kilos, and Beadels' pitching chores were handled by Carl Thomas and Jimmy Bates.

Effs Rally

The second tilt Thursday started as a pitching duel between Buff Calvin Corley and Kilowatt Brad Bowden. Both hurlers pitched shutout ball over three innings. Jerry Lewis relieved Corley in the fourth, and was promptly tagged for two runs when Chuck Pennell and Bowden singled home Merrill and Pancake who were issued free passes.

Bowden continued his mastery over the Buffs for two more innings before falling victim to a five-run outburst by the aroused Buffs in the sixth. Kilowatts cut the margin to 5-4 in the last of the sixth, but game ended with the tying run at third.

Bowden took the loss, but allowed only four hits while whiffing 12, and Kilowatts managed only five hits off Corley and Lewis, the latter getting credit for the mound win.

Drillers Sock Rebels 11-3 In Teenage Tilt

Cross Plains Drillers, defending tri-champions of the Inter-City Junior Teenage League, began the 1968 season with an 11-3 triumph over Cross Plains Rebels Friday night.

The victors jumped off to a five-run lead in the second inning, and added three in the third. Two more were scored in the sixth before Rebels could bring a runner home.

Robert Lewis cracked a home run in the Drillers' big second inning, and Fred Knight drove in two of three Rebel runs in the sixth with a circuit blast.

Ronnie Pancake went the distance on the mound for the Drillers. Although he was touched for three markers, Pancake limited the Rebels to only four hits, and retired the Rebs in order in three of the seven frames. He struck out 11. Wayne Bishop took the loss in pitching three innings, and Knight worked the last four frames. Bishop was tagged for eight runs, and Knight was charged with three.

Drillers were to have traveled to Goldthwaite to take on the league's newest member Tuesday night.

QUESTIONS ANSWERED ABOUT FLYING FLAG

Questions have arisen as to why the American flag was flown at half-staff until noon here Thursday. According to military manuals, that is the correct way to display the flag on Memorial Day, a day dedicated to honor the memory of those who died in service of their country.

The half-staff until noon and full-staff in the afternoon, symbolizes honor to the dead of the past and faith in the future of America.

First flag properly displayed on Main Street last Thursday morning was one placed out early by Mark Adair.

Mr. and Mrs. H. C. Freeman visited in Breckenridge Sunday in the home of Mr. and Mrs. Gene Bush.
