Rowden Writer Makes Report On Community

By Mrs. N. V. Gibbs

July is nearly gone, and we can all say it was one hot, dry month. Here is hoping that August will bring rain and cooler weather.

Cotton and peanut crops here are growing and looking good. Gardens are being kept alive by watering. The showers last week couldn't last long in this kind of heat.

Women are just now having some spare time to do late summer sewing, or at least make over a dress or two they didn't wear last year. The bulk of the canning season is over.

Guests of Mr. and Mrs. George Blakley during last week were Mr. and Mrs. R. B. Taylor of Putnam, Mrs. C. O. Smedley, Owen and Terry Jones and Mrs. Joe Parson and Larry Joe of Abilene, Mr. and Mrs. Tommy Gorman, Earl and Robert Blakley of Baird and Jerry McDonald.

Mrs. Elic Bainbridge was in Abilene one day last week.

Those visiting Mrs. Mattie Gibbs and Raymond last week were her daughter, Mrs. Bob Darby, of El Paso, Mr. and Mrs. H. W. Martin, Mr. and Mrs. Barney Gibbs of Baird, W. B. Gibbs and Mrs. Judy Slavok and two children of Abilene and Mrs. Jimmy West and daughter, Cindy.

Christine Bower of Abilene visited Mr. and Mrs. Ray Boen Sunday. Other visitors in the home were Leonard Mauldin and Roy Thornton.

Mrs. Marlin Wright and daughter of Abilene visited in the Bill Lawrence home Saturday.

Those from the community attending funeral services for Ode Berry in Baird Thursday were Mr. and Mrs. Sterling Odom, Mr. and Mrs. Warren Price and Mr. and Mrs. W. O.

Mrs. Bill Lawrence and grandsons, Royce and Keith Lawrence, visited Mrs. Lillie Lawrence in the nursing home at Cross Plains Sunday afternoon.

Visitors of Mrs. Leila Gibbs during the week were Mrs. Elveda Sikes and Ernest Sikes of Abilene and Mr. and Mrs. Warren Price.

David Beene of Comanche was a business visitor in Cross Plains Monday.

"Best Combine I've ever used!"
Fagan Bays puts the Lilliston in a class by itself:

Sam and Fagan Bays, Route 1, Stephenville, Texas

"A good example of what the new Lilliston 1500 will do is the 850 bags of peanuts I thrashed in just six hours. We picked the cleanest peanuts we ever picked—and they really graded high.

"We do a lot of custom work, too, and must have peanut harvesting equipment we can depend on. That's why we use Lillistons.

"Another good thing about the Lilliston Combine is that I think it has the highest resale value on the market. I found that out when I traded my old Lilliston for the great 1968 model."

Note: Sam Bays received the coveted AMERICAN FARMER AWARD—the highest honor that can be given to a member of the future Farmers of America. Only one FFA member in 1,000 receives this honor.
