## Fox Hunters Again Slate Contest Here

Star Fox Hunters Association will hold its annual dog show in Cross Plains Sept. 13 at the City Park in the western edge of town.

Beryl M. Lusk, president of the organization, says some of the finest fox and wolf hounds in the state will compete in the show. Judge will be R. G. Lewis of Desdemona.

Competition in bench and performance events will be conducted throughout the afternoon, interrupted at 7 p.m. by a western supper, featuring pit barbecue and accompanying dishes.

"We're looking for a great show and genuine good time," Lusk said, "and we invite all interested people to attend."

Trophies to be awarded at the show are now on display at the Higginbotham store in Cross Plains.

**GOOBER BEAUTY** — Miss Dianna Jones, daughter of Mr. and Mrs. D. C. Jones of Cross Plains, is a candidate for Texas State Peanut Queen. She will compete in a pageant, sponsored by Eastland Jaycees and Southwestern Peanut Growers Association at Eastland Sept. 11, 12 and 13. The winner will receive a \$500 college scholarship and travel extensively throughout the United States. Miss Jones, a Cross Plains High School senior, is also sweetheart of the FFA chapter and will represent Cross Plains at the upcoming West Texas Fair in Abilene.

## School Enrollment Due To Reach 475

Indications yesterday were that Cross Plains school enrollment will approximate 475 students when late registrants have been tabulated.

Four hundred and forty-nine students were actually counted in classes Monday, first day of the new term. Superintendent Wayne Ford opined that from 20 to 25 more would likely matriculate before the week's end.

Largest class in school is the freshman group in high school which had 67 present the initial day. A complete run-down of enrollment by classes follows: first grade 26, second 23, third 36, fourth 41, fifth 28, sixth 30, seventh 41, eighth 44, freshmen 67, sophomores 41, juniors 35 and seniors 37.

Classes began Monday morning without ceremony. Buses, the lunchroom and all school functions operated on full, work-day schedules.

Next Monday will be a holiday for the local educational system. Classes will be dismissed

in observance of Labor Day. First football game for the 1969 Buffalo team will be here Sept. 12, when the local squad hosts an invasion of the Eastland Mavericks. It will be a non-conference affair. Kick-off time will be 8 p.m.

## Budget For Local Schools Fixed At \$1,533 Per Day

Cross Plains school trustees approved a record budget Thursday night calling for expenditures totaling \$268,302.00, an increase of \$12,168.00 over a year ago.

Evidencing that education is big business, the budget represents a cost of \$1,533.00 for each day of scheduled classes. This figure, though, is less than \$4 a day per student.

Principal budget costs were approved as follows:

Teachers salaries	\$152,717.00
Supplies, instructional	2,000.00
Audio visual materials	2,000.00
County Cooperative Teachers	13,277.00

Debt Retirement	17,914.00
Administrative Personnel	17,545.00
<b>TOTAL</b>	<b>\$268,302.00</b>

Operation of local school system requires 26 full time instructional people, four cooperative teachers — a nurse, librarian and two counsellors — who are shared with other schools of the county, 10 bus drivers, four lunchroom workers and a school tax assessor-collector.

Cross Plains Independent School District embraces 376 square miles and has a total tax evaluation of \$4,316,690, or an actual value of about \$20,000,000. Bonded indebtedness of the district is \$149,741.10.

The present Cross Plains district acquired its unusual size by consolidating all or parts of the following districts: Sabanno, Deer Plains, Pioneer, Cook, Atwell, Scranton, Board Flat, Cross Cut, Burkett, Dressy, Victoria, Burnt Branch, Bayou, Caddo Peak, Cottonwood, Turkey Creek and Cedar Bluff.

## County Quota Set To Help Hurricane Camille Victims

American Red Cross has assigned Callahan County a minimum quota of \$300 to aid victims of hurricane Camille,

which recently ravaged the Mississippi and Louisiana coasts.

L. C. Cash of Baird, County Red Cross Chairman, advises that contributions may be left at any of the three banks in the county: the Citizens State in Cross Plains, First National in Baird, or Peoples State at Clyde.

The Red Cross is seeking to raise \$15,000,000 over the nation.

## "WAGONSHEET" SHOWER HELPS SABANNO SECTOR

Showers which covered only a small area dumped one inch of rain at the G. T. Dawkins farm and on adjoining places Monday. It tapered off to only .20 at the Lusk farm.

## Prospects Bright For Large Peanut Yields

Recent rains are reported to have boosted prospects for dryland peanut yields throughout the Cross Plains area.

Farmers have been troubled more than usual this year with pests and disease, however, control measures are believed to have minimized damage. Spraying rigs of many types have been utilized in combating leaf spot, leaf worms and an invasion of cornstalk borers. Jim Burkett, aerial sprayer, had his planes working Cowan Hutton's fields Tuesday. Clayton and Clinton Wilson have also utilized aerial spraying as a control measure.

The lesser cornstalk borer is said to have damaged one field in the Scranton area to such extent that it will not be worth harvesting. This, though, is believed to be an exceptional case.

Leaf worms, farmers report, have also been uncommonly

damaging this summer.

Leaf spot, a fungus disease of peanuts, has appeared in some crops, but is being generally controlled. DeMarquis Gordon, Eastland county agent, reports that tests have shown that prof-

it can be increased as much as \$28 per acre when leaf spot is controlled by systematic application of fungicides at seven to 14 day intervals.

Some of Callahan County's earliest peanuts are reported in

the Clyde area. Many irrigated crops near Cross Plains, though, are said to be about ready for harvesting. It is expected to be the latter part of September before combines generally begin operations.

## 2 Scrimmages May Test Temper Of 1969 Squad

A good indication of strong points or weaknesses in the 1969 Cross Plains Buffaloes may be revealed in two scrimmage games scheduled for Thursday at Abilene and Friday, Sept. 5, at Cisco.

The Herd will take on the Roscoe Plowboys at Mann Junior High School field at 5 p.m. Thursday, and on Sept. 5 the Class AA Cisco Lobos will furnish opposition beginning at 7 p.m.

Roscoe has been dated a possible contender in District 6-A in pre-season polls, and has exceptional quality in about a half dozen returning lettermen from a 7-3 squad in 1968.

**Lobos Strong**  
The Lobos are stronger still, and could pose a threat to Granbury's domination of District 8-AA this season. No less than 14 returning veterans with all the necessary talent forms the nucleus of a team which is expected to finish no lower than second in the AA league.

Les Cowan, local head coach,

has invited all local fans to see either or both the scrimmage sessions.

An added attraction to the scheduled melee at Cisco will be an abbreviated practice game between the two school's freshmen units. Cowan said the first-year players will probably see action during a rest period between sessions featuring the upperclassmen.

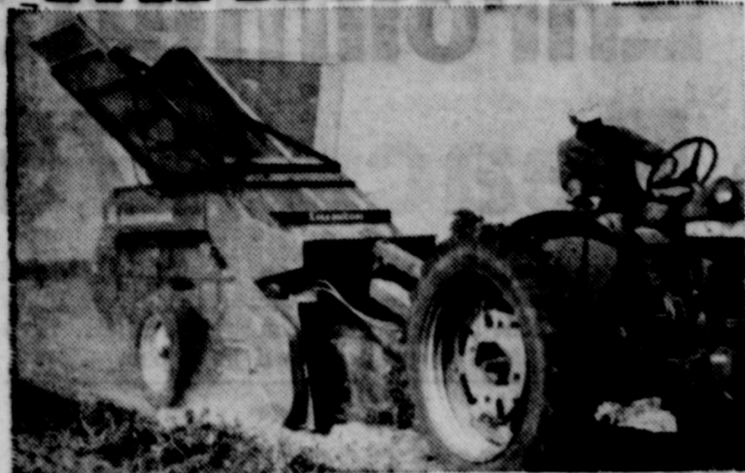

### Roster Increases

The Buffalo roster increased by two during the first week's practice. Thirty Herdsman, eight seniors, six juniors, five sophomores and 11 freshmen, are now enduring training rigors. The latest additions are freshmen. They are Donnie Dillard and Lynn Koenig.

Cowan said that he expected a few more candidates to report during the first week of school.

Assisting Cowan in readying the Bisons for the 1969 opener against Eastland on Sept. 12 are John Geer and Mack McConal. Buff managers this season are Perry Jones and Ricky Neal.

This is a just-looker.

She's very welcome at our place. And so are all the ladies like her. As far as we're concerned, you can look 'til the cows come home. Pick things up. Touch them. Take them off the rack. Hold them up in front of the mirror. And walk out without buying a thing. On the other hand, if browsing leads to something more serious — obviously, that's okay too. Our sales people are here to help you, but only if you want. You see, they don't look down on "just looking, thank you". They're flattered that you want to.

## Local Vehicle Inspection Stations Tell Of Change

Cross Plains automotive inspection stations report that sweeping changes are to be made in Texas Motor Vehicle Inspection Act.

The changes are to become effective Sept. 1, according to advice given Bishop Chevrolet Company and Johnston Truck & Supply, two local firms authorized to perform official inspections and issue annual stickers.

The act as recently adopted by Texas Legislature will place Texas on a 12 month inspection period. The measure increases the inspection fee from \$1.75 to \$2.00, and moves the location of the inspection sticker from the right of the windshield to the left. It also adds exhaust emission systems on 1968 or later vehicles, and exhaust systems on all vehicles, to the list of items to be inspected.

Officials say that all vehicles subject to inspection must be taken to an approved motor vehicle inspection station between Sept. 1, 1969, and April 15, 1970. Upon satisfactory completion of the inspection

procedure, the mechanic-inspector will remove the old sticker and affix the new one.

The new stickers will expire 12 months from the date of inspection, and will contain a large number tab showing the month of expiration, the new legislation specifies. For example, a sticker issued in September will contain a number nine, and will expire on the last day of September, 1970. A sticker issued in January will contain the number one and will expire at the end of January 1971.

Both Cross Plains inspection stations urge motorists to have their vehicles inspected early and be ready for fall and winter driving. This, they point out, will avoid long waiting lines as the April deadline approaches.

In addition to the new items to be checked, stations will examine brakes, lights, horn, all warning devices, windshield wipers, front seatbelts in vehicles where anchorages were part of the manufacturer's original equipment. The inspection also includes steering and wheels.

A "Labor Day Scramble" golf tournament is scheduled at Lakewood Recreation Center for the holiday Sept. 1.

Needham explained that four-somes of A, B, C and D class players will be formed, and the quartet will play as a unit. Each individual will hit a ball, and after the team has completed each shot, every ball will be moved to the spot of the best shot. No handicaps are involved. Scores will be kept on low ball.

## Mrs. Frank Williams Buried In Arkansas

Mrs. Frank Williams, 79, of near Conway, Ark., died Thursday night of last week of heart attack. She had fallen on Sunday, four days earlier, and sustained a broken hip.

Mrs. Williams, the former Myrtle Adams, was a long time resident of Cross Plains, having come here with her parents, the late Mr. and Mrs. W. C. Adams, from Bosque County as a teenage girl. She lived here many years after her marriage to Frank Williams, who preceded her in death by about one year.
