

Lazbuddie News

Almost everyone is safely back home after vacationing during the holidays in various parts of Texas and adjoining states. All are happy and eager to settle down to work for a while.

Euel Linder and Miss Maxine Smith of Lubbock surprised us by sailing home in the same ship. Lazbuddie wishes them much happiness and luck battling life together.

Joe Jarman and wife, Mrs. Eva Abney, don't or won't stay home for fear of being cheated, an ordeal they to be dreaded by anyone so young.

Mr. and Mrs. S. A. Davis were the only teachers to spend the holidays at home.

Mr. and Mrs. Gerald Gorman of Sunnyside visited several families out community last Saturday night and Sunday.

Christmas was made sad for the Iyvs by the death of their husband and father, Mr. Henry Iy. He passed away Saturday night, Dec. 21, at his home east of Lazbuddie. Funeral services were held Monday afternoon at 2:00 o'clock. Interment was made in the Lazbuddie cemetery. Our love and high esteem were expressed in the funeral offering which also carried sentiments of sympathy. Besides his wife, six sons and three daughters survive.

Mrs. R. L. Biedose and daughters, Betty and Mary Francis, visited relatives in Dallas during the holidays.

Miss Geraldine Haskins, who attends Texas Tech, at Lubbock, is spending the weekend with Mr. and Mrs. Cecil Malone. Mrs. Malone is formerly Miss Nerine Jennings.

Mr. and Mrs. O. N. Jennings Joe Bates and D. Riley spent the holidays in Lubbock and Railes.

Bill Gibson and Manuel Jennings are leaving soon for Phoenix, Ariz.

The following are home after spending the vacation week at various points: D. S. Vaughan, his home in Plainview, Mr. and Mrs. John Gannon, also Plainview, visiting Mrs. Gannon's parents, Miss Annabel Carter, Lubbock; Mr. and Mrs. Cecil Simes, Panhandle; Mr. and Mrs. Bill Shirley and sister, Mrs. Brown, Anna, Mr. and Mrs. Frank Jennings, Petersburg.

You should see the serious look on O. M. Jennings's face. He must be the commissioner's race in earnest. He should wire Roosevelt for some pointers.

Mrs. Irma Ray, of San Antonio, is visiting in the Happy Wagons home.

Miss Helen Jennings is ready for school work after visiting in Amarillo.

The following Oklahomans visited various points in their native state: Mr. and Mrs. C. D. Julian and family; Mr. and Mrs. Claude Heath and Lois Faye of Wayland college; Mr. and Mrs. Elvise Julian, Ray White and family; Mr. and Mrs. Preucure and the Briscoes; Mr. and Mrs. E. J. Haskins of Wolf-orth, formerly superintendent and teacher here, are being entertained in several homes over the holidays.

Mr. and Mrs. B. Whitt were host and hostess to a bride and 42 party Saturday night in their honor. The entertaining rooms were lovely in holiday dress and special lighting affect. Four tables were seated for the games. At a late hour fruit cake and coffee were served from a lace covered table presided over by Mrs. Irma Ray, of San Antonio. Those present to enjoy the occasion besides the Haskins's were: Mr. and Mrs. O. M. Jennings, Mr. and Mrs. B. H. Wagner, Mr. and Mrs. O. N. Jennings, Mrs. Marjette Duke, Mrs. Irma Ray, Mr. and Mrs. Loyd Lutz and Mrs. F. H. Jennings, Mr. and Mrs. W. B. Wagner and Mr. and Mrs. "Bill".

Miss O. M. Jennings entertained an after-Xmas luncheon, rhodium they visited in the several special friends, re-velority Sunday night to school duties Monday.

Three little words, sincere and true, bring our most sincere wishes to all our friends and patrons of Muleshoe and surround- ing in greeting for 1936. They are "Happy New Year."

May the new year unfold health, happiness and prosperity to you. It will be our constant effort during the coming year to you an electrical service unexcelled. We suggest you take advantage of our offerings, it will brighten your homes, relieve urgency and make the entire year easier, happier and more us.

We thank you, one and all, for your loyal patronage during the year. Making well-located homes and furnishing easy our hobby. Take full advantage of it!

SUNDAY SCHOOL LESSON

BY REV. CHARLES E. DUNN

Jesus Meeting Human Needs.

Lesson for January 5th: Luke 1:46-58

Golden Text: Luke 1:47.

The lessons for the first six months of the new year are taken from the gospel of Luke. Under the general title, "Jesus Meeting Human Needs," we shall study what has been applied called the most beautiful book in the world.

Luke's gospel, the longest of the four, gives the most comprehensive picture of the Master we have. Note first that it is the work of an educated man. Luke was a practiced writer, with the richest vocabulary of any of the evangelists.

Then, too, it is worth while recalling that the picture Luke draws is similar to that of his friend and fellow-traveler Paul. We can agree with Tertullian that Paul was the illuminator of Luke. This explains the universal note in Luke's message. Luke, with Paul, believed that the gospel was meant for the Gentiles as well as for the Jews.

But perhaps the most appealing feature of this third gospel is its magnificent compassion for the poor and wretched. Here the humanity of Jesus appears to wonderful advantage. Luke alone records the parables of the Great Supper, Dives and Lazarus, the Prodigal Son, the Good Samaritan, and the Pharisee and the Publican. And he only tells the story of the penitent thief who hung beside the dying Master. Jesus came, according to Luke, on a mission of grace. His purpose was to seek and to save that which was lost.

Luke was a big-hearted physician with generous soul, and so naturally stresses the sympathy of the Master for the underprivileged.

Thus Luke's picture emphasizes the tenderness of Jesus. Dante said long ago, that Luke describes most fully "the meekness and gentleness of Christ." These qualities were fully present in Mary, the sweet mother of the Lord, whose famous song, "The Magnificat," is our lesson text. Read it for its beauty, truth and strength. How well it summarizes the root meaning of the gospel message!

School opened Monday with a better enrollment than before the holidays.

Mr. and Mrs. W. B. Gwyn jr. returned home Sunday from Snyder where they had been visiting her parents.

Mrs. Dave Stovall had as her guests Wednesday of last week Mr. and Mrs. Gus Garner and family of Circleback. Mr. and Mrs. Henry Johnston and son of Lehman and her mother, Mrs. Garner of Circleback.

Mr. and Mrs. W. G. Kennedy spent Saturday and Sunday visiting relatives and friends in Lubbock and Railes.

Mr. and Mrs. W. B. Harlan and family spent Wednesday night of last week with her parents at Abernathy.

Mr. and Mrs. Dillard Churchwood visited in the home of his parents at Muleshoe Wednesday of last week.

Mr. and Mrs. J. Wilson had a family reunion Thursday of last week. All the children were present, and Mrs. Wilson of Merkel, Mr. and Mrs. Lester Lindsey of Anson, Mr. and Mrs. Scott Grey, Mr. and Mrs. Shurkie Wampler of Lorenzo, Mr. and Mrs. Grover Grey and Mr. Joe Wilson and family of Muleshoe.

Mr. and Mrs. I. G. McNerry visited her mother at Crosbyton last week.

Will Swanson has been elected Sunday school superintendent for the next year. Tom Radney was chosen as teacher for the senior class and Mrs. W. G. Kennedy teacher for the adult class.

The Farm association club will meet Friday evening at 7:30 o'clock. All the men in the community are invited to be there. W. G. Kennedy is president, F. B. Stovall, vice-president and Ralph Barger, secretary-treasurer—Reporter.

HOME DEMONSTRATION NEWS

By MISS M. L. STEWART
Home Demonstration Agent
Bailey County

Values Pantry at \$89.00

"I have 341 containers of food in my pantry, which is valued at \$89.00," said Mrs. W. M. Holloway, farm food supply demonstrator of Maple home demonstration club. Mrs. Holloway had no room in the house to build a pantry so she decided to make a bed room in the attic in order to have space for her pantry in the kitchen.

Has 35 Varieties of Food

"I have canned 373 containers of food from my garden this year which has been prepared in 35 ways. I have

194 containers of fruit and vegetables left from last year, which makes a total of 547. My pantry is valued at \$216.18. We have one beef and four hogs to kill, an adequate supply of chickens, eggs, milk, and butter throughout the year. I swapped tomatoes for sea food," said Mrs. R. L. Jones.

Pantry Values at \$220.41

"My pantry is valued at \$220.41," said Mrs. Albert Simmons, farm food supply demonstrator of Joyland home demonstration club. With cows, hogs, chickens, a good garden and a pressure cooker the farm can be made to produce 80 per cent of the family food. No other group of people has the opportunity to be so well fed as the farmer," added Mrs. Simmons.

Keeps Records

"From January 1 to November 1, 1935, I have sold 831 dozen eggs for \$174.77 and 1005 pounds of butter, fat for \$249.63, which makes a total of \$424.40. My grocery bill was \$75.00 and dry goods bill was \$24.64, making a

total of \$99.64 expenditure. This leaves a balance of \$324.96," said Mrs. L. D. Sanderson, farm food supply demonstrator of the Goodland home demonstration club.

Many Seminoles Relics Found

Thousands of Seminole Indians inhabited the narrow-necked peninsula of Florida before the coming of the white man. Relics of the great colony of Red Men often are found within the city of St. Petersburg. The dead were buried in shell mounds in a sitting posture, facing the east, and their personal belongings were buried with them.

Good Harbor in West Indies

St. Thomas has one of the best harbors in the West Indies. Ships draw 31 feet may dock at its wharves. On the hills sloping up from the harbor is the largest town in the new American possessions. It is now called St. Thomas, but under the Danish regime it was Charlotte Amelia.

ENTERTAINED AT BRIDGE

Friday evening of last week Mrs. Morris Douglas and Mrs. Dudley Malone were joint hostesses at a bridge party given at the home of Mrs. Malone in honor of Mrs. Bill King, of Chocotah, Okla., who spent the Christmas holidays in Muleshoe.

The honoree, Mrs. King, won high score prize and Mrs. Artice Jordan won consolation.

Delicious refreshments of date loaf topped with whipped cream and hot chocolate were served.

Those attending were: Mr. and Mrs. Harold Weyer, Mr. and Mrs. Hiram Altway, Mrs. Pay Elrod, Courtland Paul, Mr. and Mrs. Artice Jordan, Mr. and Mrs. Morris Douglas, Mr. and Mrs. Dudley Malone and the honoree, Mrs. Bill King.

Dollar-Sign Follows Figures

In Brazil and other Latin American countries, the dollar sign always follows the figures.

SERVICE!

In addition to the definition of that word as applied to personal service, in the automobile world it is defined as obtaining the performance from an automobile that is engineered into it at the factory thru the use of better materials and a closer application of precision methods of assembly. The latter two reasons are the basis of our contention that the new Ford V-8 will give you better service than anything else you can buy near its price.

Murder and Manslaughter
In most states a death resulting from a felonious act is considered murder, even when it is not the natural or probable consequence of the crime. But not in Ohio. A man set fire to his shop to collect insurance and several occupants of the apartments over the store were burned to death. The conviction was first-degree murder, but on appeal it was modified to manslaughter because there was no "specific intent to kill."—Coffey's Weekly.

We leave it to you. Look at the men some of them marry.

Rome Established R. R. Gauge
The old-fashioned Roman wagons in antiquity may have determined the standard gauge of railways today. 4 feet 8 1/2 inches, in this way. The first railway builders of England placed the rails at the distance apart which enabled them to carry coaches of the same width as the stage coaches and wagons of their day and, according to tradition, the width of these vehicles was inherited from that of ancient Rome.

Even a little person can criticize somebody who is doing something.

ATE CERTIFICATE ISSUES AS TO LEGALITY

Officials were in Bailey county making investigations as to the legality of cotton certificates also making audit of the cotton officials books. No in has been given out as to any signs of illegal transfers overed.

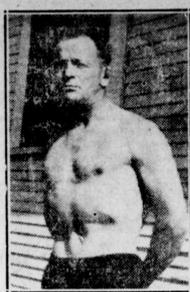

ality for illegal transfer of tickets carries a maximum of two years imprisonment in penitentiary and a fine of

CARD OF THANKS

Words fall at this time when we try to express our thanks to those who so tenderly ministered to us in the saddest hour of our lives, in the home-going of our loved one, our husband and father. We pray God's blessings upon each of you and express our thanks for the lovely floral offering.

Mrs. L. S. Barron, L. S. Barron Jr., Lela Mae Barron.

Much Thread From Cotton
More than 4,700 miles of thread can be spun from a single pound of cotton.

THE "IRON MAN"
Who will give a demonstration of his pulling power on Main street in Muleshoe Saturday afternoon, January 4.

"Iron Man" To Show Unusual Strength In A Performance Here

Jack Kern, commonly known in this section of the United States as the "Iron Man," is to perform in Muleshoe Saturday afternoon at 3:30 o'clock, January 4, the exhibition taking place on Main street.

Kern claims to hold the world's record for moving the greatest load of freight with the human body, having at one time been given recognition by Ripley, author of "Believe It Or Not." Ripley showed that the sand flea and not the red ant was the strongest creature in the world for its size, declaring an ant could move 275 times its own weight on a level surface, while a flea could move 300 times its weight over the same course.

Then came the "Iron Man" in defense of his championship against a German giant who weighed more than 240 pounds, requiring Kern to move 24 tons to test the muscular power of the giant. At the time of the contest, which was held in St. Louis, Mo., Kern weighed a little over 150 pounds, therefore moving 307.8 times his own weight.

The public generally is invited to witness this demonstration of strength and skill to be given here Saturday by the "Iron Man."

A Resolution To Have Better Health During Year Is Now In Order

AUSTIN, Dec. 30.—The time to make resolutions will soon be here. And while few persons will openly declare their purpose to resolve either to do or not to do this, that, and the other, it is safe to say that many thousands will secretly conclude to establish certain rules hitherto broken or eliminate some habits which they perfectly well know are doing them harm.

New Year's, common sense and conscience are thus annually united. And though it is scarcely likely that the majority of these reconstructive ideas will do much more than outlast January 1st, there is no resolution that it perhaps might be well to make and keep, namely, to have an annual physical examination," stated Dr. John W. Brown, state health officer.

"Perhaps it is lack of persistently emphatic education, but it seems to be downright carelessness that permits one of the greatest lifesavers yet developed by science to be scorned by the majority. For, in spite of repeated statements concerning the advantages of early discovery and treatment of the conditions which are only possible by way of a physical examination at a time when one still feels and looks quite well, the antiquated idea of snubbing the doctor until pain and illness overtake one still rules.

"Cancer, nephritis, diabetes and heart ailments are below-the-belt hitters. Being master criminals they attack silently and frequently have their victims in their power long before they are even aware of their presence.

"It can therefore be urgedly recommended that on New Year's 1936 those who sincerely wish to live throughout the year and for other years to come as healthily and happily as possible, could with profit resolve to become devotees of the public health examination. In truth no better resolution could be made."

PARITY WHEAT CASH EARLY

That parity wheat payments for the 1935 crop will be made early in the summer of 1936, is the gist of information coming to J. B. Waide Jr., local county farm agent, who states that such payment will be not less than 33 cents per bushel over farm alignment, being two cents a bushel more than was paid in 1935.

Of the 33 cents allowed for these contracts 20 cents a bushel has already been paid to contract signers and the first 1935 payment and the national and county expense will be deducted from the 13 cent balance.

SLATON POULTRY SHOW DATED

The sixth annual Texas Panhandle-Slaton Poultry show is slated to be held at Slaton, in Lubbock county, January 7 to 10, inclusive, and premium lists have been mailed to prospective exhibitors.

It is reported several Bailey county poultry fanciers will be included among those competing for premium honors.

What's Happening In Washington And Other Cities Of Importance

General Motors Corporation made a Christmas present of \$5,000,000 to its employees.

Lily Pons, Metropolitan opera star, mailed out 1,500 Christmas cards to friends.

Mrs. Albert Einstein, wife of the famous scientist, is reported seriously ill with heart trouble.

Receiving \$80 for his first fight, Joe Louis, negro pugilist, has since made \$71,645 in 26 fights battles.

War conditions in the East during the past week have brought about a considerable increase in export cotton to be used for explosives.

Henry Ford has just completed a new strip steel mill, costing \$27,000,000, which will increase his auto production 25 per cent.

Wilbur Glenn Voliva, prophet at Zion, Ill., insists the world will end in 1936, nevertheless, he has signed a 10 year contract as president of the Zion Industries, Inc.

Two thousand teachers gathering for the annual meeting at Indianapolis, Ind., condoned the law that restrains teachers from teaching the truth about any subject or demand loyalty oaths from them.

A German shepherd dog, trained for the past five months and which was to have been given to the late Senator Roy Kizer, carried a basket of flowers to his grave during the funeral ceremonies.

Between now and March 15, some 4,000,000 Americans will cheer pencil ends as they struggle over their income tax returns. More pencils than usual will be consumed the coming year as everyone must file a duplicate return.

After 100 years of separation, a plan is now being worked out by officials of the Methodist Episcopal church and the same church South whereby it is believed a union of those two analogous denominations may be brought about under the proposed name, "The Methodist Church." The plan may also include the Protestant and Free Methodist denominations.

Consolidation of the Protestant Episcopal and the Catholic churches is now being advocated by many members of each denomination, who declare the protestant Christian religion is proven itself a failure, falling down under modern conditions. However, some of the Episcopal leaders are strongly against the proposed movement.

General News Over Texas And Adjoining States For The Week

There have been more than 2,000 cottontail rabbits shipped from Portales, N. M., to date. It is estimated that a continued killing and shipping of this little animal would mean at least 12,000 up to February 1. They are in great demand now at various points for food, being much cheaper than other flesh and of prime flavor this time of the year.

Cornelia Rascon, 18, hailing from a ranch in Chihuahua, Mexico, has come into El Paso for a permanent and some clothes. She is seven feet tall, weighs 217 pounds, wears size 36 dress and number 16 shoe. She has grown four inches during the last two months. She has a twin sister of quite normal size.

Prison doors in Texas opened Christmas time to 837 convicts, who were either pardoned or paroled by the Governor and State Pardons board. Large as this number seems, it is smaller than common. Governor Ferguson, during her second term released 5,142; while Gov. Sterling released 5,328 from prison.

Bula News Items

Mr. and Mrs. Jess Richardson and family, also Mr. and Mrs. Clarence Carter spent the holidays with relatives and friends at Sentinal and Marlow, Okla.

Now Calotabs Help Nature To Throw Off a Bad Cold

Lions have found in Calotabs a valuable aid in the treatment of colds. They take one or two the first night and repeat the 3 or fifth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs are of the most thorough and dependable of all intestinal eliminators, cleansing the intestinal tract of germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

SOMEBODY SAID.....

Somebody said that they could buy GROCERIES here with their eyes shut because they know they can depend on FRESHNESS and QUALITY!

But we don't ask you to do that. Just keep your eyes wide open so you can SEE for yourself the Fresh and Seasonable Offerings constantly coming in. Make this YOUR GROCERY and you'll understand why so many others do!

Local Auto Dealer Suggests Easy Car Starting in Winter

Recent improvements have made the starting of automobiles in cold weather a much simpler operation than it used to be. However, owners of cars several years old can minimize their winter starting difficulties by following a few suggestions made by K. K. Smith, manager of the Valley Motor Co. local Chevrolet dealer.

"In very cold weather," said Mr. Smith, "even a well-charged battery will seldom withstand more than a short period of continuous cranking of the engine. In order to insure the quickest possible start, it is a good plan to pull the choke rod out before the ignition is turned on or the starter is operated at all. Advance the throttle slightly, but not enough to cause racing when the engine starts. Then step on the starter, and after the engine has made two or three revolutions to draw in the mixture, flip the ignition on. A quick start will usually follow. The clutch pedal should be depressed until the engine starts, to reduce the cranking effort required."

"There are, of course, certain precautions which should always be taken to make sure that the ignition system is at top efficiency. Distributor points and spark plugs should be kept clean. Night starting should be made with the lights and other electrical apparatus turned off, to leave maximum power available for turning the engine over."

"Electrical systems have been improved of late to take care of the additional load placed upon the car battery by radios, heaters, and other current-consuming accessories. In the Master deluxe Chevrolet, the charging rate of the generator may be stepped up by a dash adjustment. However, occasional checking of the condition of the mixture, the avoidance of unnecessary use of current, will go a long way, in any car, to prevent starting difficulty."

"It is hardly necessary to add that not only the crankcase oil, but the transmission and differential lubricant, should be checked at the outset of the winter season and made to conform to the engineers' specifications for the car in question. This attention, and adoption of the simple expedients suggested, will make for far greater satisfaction in winter driving."

West Camp News

Everyone seemed to enjoy the Christmas holidays, especially the community tree. The beautiful tree seemed to ring forth the glad tidings, and many little hearts were made glad by receiving the things they had longed for. Older folks as well as the young received gifts, while everyone present received a sack of fruit, nuts and candy.

The program opened with the song, "Holy Night," sung off stage, which was beautifully rendered and made us all feel more than before the lowly birth of our Saviour.

Bert Williams and son, Jack, of Hollis, Okla., spent Christmas week here with relatives and friends.

Mr. and Mrs. H. M. Thompson of Reed, Okla., have been in our community the past several days visiting their son and family, O. L. Thompson, and other relatives.

Mr. and Mrs. Carl Thompson and sons of Granite, Okla., spent Christmas week with Mrs. Thompson's parents, Mr. and Mrs. W. B. Williams.

Miss Virginia Ruth Robertson, who is attending college at Lubbock, was home for the Christmas holidays.

Miss Addie Lee Lindsey, who attended college at Lubbock, visited home folks over the Christmas holidays.

Mr. and Mrs. Joe Thompson and sons, J. D. and Billy Gene, of Reed, Okla., visited the most 10 days with relatives and friends.

The fifth Sunday, Bailey County singing met here and a large crowd attended from adjoining counties and the various communities.

A number of relatives gathered at the home of E. L. Smith for Christmas day. There was a bountiful luncheon served buffet style to the following people: W. B. Pruitt, Chas. Pruitt and family, J. M. Pruitt and family, Mr. and Mrs. H. M. Thompson, Odes Thompson and family, Joe Thompson and family, Mr. and Mrs. L. C. Curley, Wayne Wallace and family, Lloyd Merriman and family, Wilma and Naomi Smith and the host and hostess, Mr. and Mrs. E. L. Smith.

The H. D. club will meet January 8th with Mrs. H. C. Robertson for an all-day meeting. We especially urge all the members to be present, and we always welcome visitors. We hope to make this the best year our community has ever known, and we can if everyone will co-operate and do their part. Let's see what can be done!

The Farm association met and re-elected officers for 1936. We hope with this new force to go forward with a greater determination to make our community one of the best in which to live. The regular meeting of this association will be the first Friday night of each month. Everyone is urged to attend these meetings.

Mrs. Carrie Harding and son, Buel, of Rogers, N. M., visited in the Luther Blythe home last week.

Mr. and Mrs. J. H. Stone moved on the state line near Farwell and Mr. and Mrs. Grady Sheriff have moved where the Stones live.

Virgil Stone and family have moved on the E. L. Smith place.

Rev. H. H. Copeland and family, Mother Copeland and Mother Knowles are visiting in South Texas.

Rev. and Mrs. Leonard Burdine and children of Plainview visited with the latter's parents, Mr. and Mrs. B. E. Chaney, Christmas week.

Mr. and Mrs. L. C. Gurley have been in Oklahoma at the bedside of the former's sister, who was seriously ill for several days.

ADJUSTMENT ACT IS GOOD PROTECTION FOR COTTON MAN

(Continued from page one)

It is now easy to wish our country that manufacturers have followed for years adjusting production and maintaining their prices, often under the protection of high tariffs.

Mr. DeLoach called attention to the fact that the law of supply and demand was recognized when Congress declared that it was the policy of the Agricultural Adjustment Act to balance the production of agricultural commodities to the demand for such commodities, so as to command fair prices to the producer for them. He stated that efforts at such adjustment had practically doubled the price of cotton since 1932, the last year before cotton adjustment programs were instituted, and further emphasized the need for continued adjustment.

Stegall News

With Christmas over and 1936 just now here, may we wish our country and our editor a happy and prosperous year!

The following spent Christmas in other localities: Mr. and Mrs. Orval Fowler and children with Mrs. Fowler's parents at Farwell; Mr. and Mrs. Elmer Holt with Mrs. Holt's parents, Mr. and Mrs. Kelton at Longview; Mr. and Mrs. Frank Cotter at Spring Lake; Mr. and Mrs. S. P. Phipps with Mr. Phipps' father at Wellston; Mr. and Mrs. Mildred Phipps; following an appetizing repast.

Mr. and Mrs. Ragsdale who have lived in our community the past few years are moving to Anton this week. Mr. and Mrs. J. S. Pollard had as their guests during the holidays, Mr. and Mrs. H. N. McDaniel and children of Shallowater; Mr. and Mrs. L. E. Pollard and sons of Littlefield and Mr. and Mrs. H. G. Pollard and children of Bulb.

The Christmas tree here was well attended, several being from other communities. The following program was rendered:

Star, hymn, Kenton Sullivan; reading, Caudle Time, Bobby Klatts; roll drill, Peggy Klatts, Nena Fowler, L. Nora Fowler and Daisy Phipps; reading, Christmas Day, Edna Fowler; reading, Mildred Phipps; play, Following the star; song, Away in a Manger, Geneva Fowler, Mildred Phipps and children; reading, Christmas Eve, Mr. and Mrs. Freeman Adams of Goodland; Missed Mrs. Adams' sister, Mrs. H. C. Holt Sunday—Reporter.

Goodland News

Miss Rosemary Hanover of Mulshoe spent Christmas holidays with home folks.

Mr. Baker Johnson and several others who went to East Texas on Baker's bus for Christmas returned here Saturday.

Mr. and Mrs. Claude Brown of Bulb spent Christmas with Mrs. Brown's parents, Mr. and Mrs. J. P. Tarleton.

Mr. and Mrs. "Bob" Sanders visited in the H. Hanover home Sunday.

The Goodland Sunday school elected officers for 1936 as follows: Clifford Reed, superintendent; Baker Johnson, secretary-treasurer; Mrs. H. Hanover, teacher class No. 1; Mrs. Amy Bennett, teacher class No. 2; Mrs. L. Ponder, teacher class No. 3; Mrs. E. Bland, teacher class No. 4; Bernice Sanderson, pianist.

Mr. and Mrs. Randolph Vandever, Mrs. O. K. Kline, Mrs. Degan, Mr. L. D. Sanderson and children, L. D. Jr. and Bernice, Mrs. H. Hanover, Mrs. A. C. Rockley, Misses Edna and Anna Maud Morris and Miss Rosemary Hanover.

McCORMICK DEERING
the ONLY Cream Separator with
STAINLESS STEEL DISCS
with Electrically Welded Stainless Steel Spindles

Stainless Steel Discs—this amazing improvement in cream separators is another triumph for McCormick-Deering. Here is a cream separator that brings to your milk room same positive assurance of cleanliness, sanitation, and safety that you demand of kitchen equipment.

Stainless Steel Discs are absolutely rustproof. They are made of tough, strong, closely grained metal that will stay the same for year after year. There is no soft coating to wear away. As a result, the bowl the McCormick-Deering remain in balance a great longer than one having ordinary tinned carbon-steel discs.

Call on us for a demonstration—see this latest and greatest achievement in McCormick-Deering Cream Separators.

BUY A CREAM SEPARATOR NOW CREAM IS SELLING AT 32c PER POUND!
