Total Assets

We have examined the books and records of the City of Cross Plains, Callahan County, Texas, as of March 31, 1971, and the related statements of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the financial condition of the city of Cross Plains at March 31, 1971, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
