Special Notice

Dear Taxpayer:

This is to advise you that Senate Bill 414 which was passed by the last session of the Texas Legislature RE-QUIRES this office to collecet (\$1.00) one dollar in addition to any other penalty and interest that may be due on EACH 1971 past due or delinquent tax statement issued after February 1, 1972.

You can save this additional (\$1.00) one dollar penalty by paying your taxes before February 1972.

This office is opposed to the additional penalty on past due taxes (February 1 to July), but we haven't any choice in this matter.

Not any of this money is retained by Callahan County, or the State of Texas. The additional (\$1.00) one dollar collected goes to the Legislative Property Tax Committee created by Senate Bill 414.
