Planavin[®] keeps grasses out of your peanuts

-AND IT CONTROLS BROADLEAVES, TOO.

Planavine herbicide controls 13 grasses, including barnyardgrass or watergrass, seedling Johnsongrass, goosegrass and crabgrass. It gets the tough broadleaves like pigweed, purslane and lambsquarters, too. And it's the only soil-incorporated herbicide that gives you 48 hours to incorporate.

We can help you keep grasses out of your peanut fields with Shell Planavin. Give us a call.
