LOCAL YOUTHS TOUR HUMBLE REFINERY

C. V. Dickson and Tommy Dodds, 1969 graduates of Cross Plains High School and Junior Petroleum Land Management majors at the University of Texas at Austin, recently completed a field trip with a group of their fellow majors. The student Landmen conducted a tour of the Humble Oil and Refining Co. building in Houston. They enjoyed lunch at a downtown restaurant with representatives of some of the nation's leading oil companies.

After the luncheon they attended a workshop of the Houston Association of Petroleum Landmen. They heard three speakers and enjoyed a

In the GOVERNOR'S Race The Only CANDIDATE Who. Can Or Will Give Us Clean State Government Is THAT WOMAN!

"Reform consists of honest men and women serving in office, people who do not enrich themselves while holding public office by merging the public with private interest . . . "

"The only way to avoid another raise in the sales tax or its extension to tax groceries is to elect honest men and women who are not financially tied to the big interests who must be taxed."
