4,500-FOOT WILDCAT PROBE

C. B. Edgar of Abilene wil drill No. 1-K Guy Caldwell as a proposed 4,500-foot wildcat in Callahan County.

Location is nine miles southeast of Baird on a 135 acre lease. It spots 710 feet from the north and 3,500 feet from the east lines of Section 20, Block 5. SP Survey.

Drillsite is 34-mile southwest of the Marge, East (4.040)

The new test is three miles west of Edgar No. 1 Walker-Caldwell, a recent Ellenburger discovery. That strike had a daily potential of 96 barrels of 44 gravity oil, plus 20 barrels of water. It is pumping from perforations at 3,302-12 feet.

Local Girls VB Team Due Regional Action

The Cross Plains High School girls volley ball team will apparently participate in the regional tournament.

Coach Jack Orr noted Monday that the local unit has already been certified as District 10-A winner, and apparently there is also no opposition for the bidistrict title.

The 16-member team is composed of Marge Duncan, Lafonda Knott, Sandy Weiss, Debbie Potter, Jana Woodruff, Anna Smith, Ramona Brooks, Connie Nickerson, Betty King, Betsy Bowden, Debbie Allen, Klynn Campbell, Teresa Merrill, Leslie Wyatt, Barbara Ingram and Dot Reed.

The local unit is playing a type of game called power volley ball.

On March 15 Cross Plains

PUBLIC NOTICE

NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department offered an opportunity for a public hearing to be requested by publication on February 27 and March 6, 1974, of a notice reporting the proposed construction of F. M. Highway 3146 from its present terminal point 4 miles southeast of S. H. 36, south to F. M. 2287. No requests for a public hearing were received, therefore, the District Office of the Texas Highway Department, at Abilene, has submitted all of the engineering data in connection with the development of this project for approval of the proposed route and design by the Administration of the Texas Highway Department.

The proposed highway is 3.1 miles in length and is located approximately 10 miles northwest of Cross Plains. It will be a usual farm to market type highway, consisting of a two lane, 20 ft. asphalt paved surface with normal right of way

width of 100 ft. Maps, drawings showing geometric design, environmental studies and all other available data concerning the development of this project may be inspected and copied at the Resident Engineer's office at 102 E. College Drive, Abilene, Texas.

CITY ELECTION NOTICE I, Doyle Burchfield, Mayor of the City of Cross Plains, Texas, by virtue of power vested in me by law, do hereby order that an election be held in the City of Cross Plains on the 6th day of April, 1974, it being the first Saturday thereof, for the purpose of electing two Aldermen and a Mayor for terms of

two years each. Said election shall be held at the City Hall in Cross Plains Texas, under state election laws regulating municipal elections Polls will open at 8 a.m. and

Approved by City Council in regular session.

Dovle Burchfield, Mayor

County Agent Gives Tips On Gardening

Many home gardeners are making seed and plant selections in preparation for the spring gardening season. Greg Gerngross, Callahan County Extension Agent of Baird, sug gests that growers select plants and seeds that are suited to soil types and climatic conditions in

In past years tomato growers have been plagued with nematodes and several different types of wilt. Frusarium Wilt was a big problem in 1973 and if you had any trouble with this disease, you should consider planting one of the varieties resistant to wilt. Homestead and Floradel are two of the varieties that are resistant to this disease. Nematex tomato is resistant to nematodes, however plants of this variety may be hard to find and you may have to grow your own from seed.

Seeds should be started as soon as possible so that plants will be ready to plant in the garden the first part of May, Gerngross noted.

TO THE VOTING PUBLIC OF THE CROSS PLAINS SCHOOL DISTRICT

What's the matter with our local school?

Why has it gotten into this financial shape?

Cross Plain; School District is a large district with a loi of revenue, and most people would like to know where their tax dollar is going.

At the called public school board meeting, the trustees said that there was not enough money to support our sports program, but they are all for hiring a more experienced, widely known coach and paying him a higher salary.

We support our two present coaches and recommend if there is any money spent that it be spent on facilities.

These are some of the reasons we are putting all our support behind Mr. Oran S. Bains and Mr. Baylis Pope, and someone the public would recommend for a write-in trustee.

We urge the public to get out and vote and support these
