The nutritional value of grass varies from time to time and from place to place. That's why T-E has developed a complete line of liquid feed supplements to meet all the conditions faced by cattlemen.

T-E Liquid Feed Supplement 32 is the one to use when the grass is dry or poor. It delivers protein, phosphorus, vitamins, trace minerals. And it delivers the energy to make them get out and rustle for what grass there is.

When you next call The Review, 725-3571, to place a classified ad, remember that words are your business. Words properly put together in an ad mean more phone calls and more sales for you. Follow the rules below and get more and faster results.

1. Put in the address

Many out-of-town readers will write you, but will

not spend money for a long distance call. 2. Put in the phone number

Many readers will call you but will not find it convenient to come to your home or business.

3. Avoid use of blind boxes Avoid them if possible. They are difficult to

answer and people prefer to deal directly. 4. Put in the price, by all means Surveys show that many people will not answer

an ad unless the price is given. 5. Keep the readers from guessing

On important details it is better to include them if they are relevant to a sale.

6. Be available

If you advertise your phone and address, be sure you are not absent when the ad appears so as to accommodate the reader.

Words are your tools in advertising. Competent sales help is available to assist you in writing the proper ad.

XL-100 **Solid State** and Nothing Less

What does this mean to you?

1. Reliability

No chassis tubes to burn out. Sets are designed to last longer, require less service.

2. Easy Serviceability

Plug-in modules in each chassis control the majority of set functions, can be replaced quickly and easily.

3. Energy Savings

Uses up to 52% less electricity than com-

Birthday Strip Rain Teases Sabanno Sector Early Morning

By Mrs. Edwin Erwin

We thought we were going to have a rain Monday early, but after a good sprinkle it went away. Here's hoping we'll get a good rain before it's all over. Several attended the R.E.A. meeting of our district in Nimrod last Thursday night.

Mr. and Mrs. Wordis Erwin and Mr. and Mrs. Jake Marinelli attended the special cow sale in Brownwood Saturday. Mrs. Erwin reported it was very interesting and an enjoyable time.

Mr. and Mrs. Jack Thomas were business visitors in Brownwood recently.

The housewives are busy freezing and canning vegetables from their gardens, but if it doesn't rain soon, the job will be over for all but those who can irrigate.

Mr. and Mrs. Gus Branden attended a reunion at Williams and visited with Mr. and Mrs. H. R. Yates last week.

Mrs. Patsy Cox of De Leon visited with her mother, Mrs. Lillie Williams Saturday evening. Her little daughter, Johnnie Kay, returned home with her mother after a visit with her grandmother.

WE'RE PROUD OF OUR STORES

There's much more to a good food store than low prices alone. Our stores are individually owned and operated as opposed to the chain stores operated by employees of their organization. Every INDEPENDENT GROCER'S store exhibits the pride and enthusiasm of ownership. We keep our own stores as nice as we would our home ... from dew-drop fresh produce and top quality meat selections to pleasant enthusiastic personnel and immaculate cleanliness in all departments. This makes for the best possible atmosphere in which to do your shopping. Our stores are our livelihood and we're proud of them, but at the same time we operate them for your benefit. Shop your nearby INDEPENDENT GROCER today, it belongs to YOU and US! ... you'll find it a pleasant experience.
