BURKETT ANGLER MAY BE TEXAS P&W CHAMPION

Bill Davee of Burkett may soon be listed in official records as having caught the largest Speckled Trout in Texas Gulf of Mexico waters. He and a friend, Hugh

Benbow of Victoria, were fishing from a private boat in the Gulf first part of July when he hooked a 9pound, 2-ounce Speckled Trout on light tackle, He langed the fish, and upon returning to Port O'Connor, Texas Parks & Wildlife Department weighed the catch. It was at that time a record for that type fish. Whether or not the catch stands a record, Davee was proud of the fish, as is natural for any fisherman.
