NUMBER 25

Carolyn's Corner

By Carolyn Glover

It's almost here! Homecoming 1985!

Many businesses have decorated (using purple and gold of course) for the upcoming event to welcome all the exes. Many are looking forward to seeing classmates and friends.

A lot of hard work has been put into the undertaking by many of the local exes in order to make the homecoming a success. I am not an ex-student here, but I think each committee member and each officer of the Ex-Students Association is to be commended for a job well done!

A bon fire on Friday at 7 p.m. will begin the homecoming activities.

Saturday will be a full day with registration from 9 to 11 a.m. at the high school. Other activities that day include the parade downtown at 2 p.m. Many businesses, clubs and organizations have been hard at work on floats.

Highlighting the evening will be the football game between the Cross Plains Buffaloes and the Baird Bears at

8 p.m., and the crowning of the Coming Home Queen and the Homecoming Queen.

Most classes are planning class meetings at various places in the community. A complete list of where each class will meet and other activities was published in last week's Review, and an update is printed in today's issue.

A noon luncheon on Saturday will be sponsored by the Cross Plains Band Booster Club from 11:30 a.m. to 1:30 p.m. in the school cafeteria. The menu will be barbecue brisket and all the trimmings.

The Athletic Booster Club will sell hamburgers at the football game.

All in all a fun week end is planned, and I'm sure will be remembered by all you ex-students.

I wish for all of you who will be traveling, a very safe trip here and, if you won't stay, then back to your homes.

We at the Review welcome all of you and hope you have an enjoyable week end.

Homecoming Festivities Slated At C.P.H.S. During Weekend

Ex-students and former teachers are expected to return the Cross Plains Schools in great numbers this week end to participate in Cross Plains High School Homecoming.

The event is staged every three years, and excitement is high about this year's gathering. A large number of exes is expected for the reunion, with some saying returnees may set an all-time high attendance record for the various activities slated Friday and Saturday.

Many committees of local ex-students have worked long, hard hours to stage the event, one of which is the activities panel composed of Melissa Pancake, Edith Beggs, Joan McCowen and Ann Long. That group has released the schedule as follows, and stated that they have worked with the many others connected with the undertaking in an attempt to make this a homecoming to be long remembered by all Cross Plains ex-students.

Bon Fire

Festivities kickoff Friday, Sept. 20, at 7 p.m. with a bon fire on the lot behind Cross Plains Grain & Peanut Co. All ex-students attending that are being asked to make arrangements to stay long enough after the bon fire to have a picture taken for use in the Bison.

Some classes will get together after the pep rally, and those will be listed later.

Registration

Activity resumes Saturday from 9 to 11 a.m. with registration at the high

school building. Members of the championship football team of 1950 are reminded to tell those registering that they are members of that team for special name tags.

Business Meeting

Business meeting for ex-students will be held at 11 a.m. in the school auditorium when in addition to other business, the coming home queen and officers will be elected. Former students will be specially sectioned for queen nominees.

Noon Luncheon

The meal will be served from 11:30 a.m. to 1:30 p.m. in the school cafeteria and will be priced at \$5 for adults and \$3.50 for children under 12. It was pointed out by a booster spokesman that proceeds will be used to help the band travel to contests this year.

Menu for the luncheon was released as follows: barbecue brisket, potato salad, red beans, hot rolls, relishes, cobbler, tea and coffee. Band Booster Club spokesman stated, "Be sure

to join the booster club at the luncheon.

Frank Rundell, coach of the 1950 football team which won the district championship, is hosting all members of that team at the noon luncheon at P. K's (the old Buffalo Inn). That event is due to begin soon after close of the business meeting.

Members of the Athletic Booster Club will serve hamburgers before and during the football game Saturday evening.

Garden Club Opens New Year Friday With Buffet

The Cross Plains Garden Club held its opening meeting for the 1985-86 club year on Friday the 13th at the Garden Center at 664 Beech Street. Fifteen members and three guests, Arlene Stephenson, Helen Walker and Vera Farrell, were in attendance.

Mrs. Leo Franke, club president, welcomed the members and their guests and Mrs. N.V. Gibbs gave the invocation. A delicious buffet luncheon featuring salads prepared by club members was served by hostesses Mrs. Raymond McCowen, Mrs. Glenn Payne and Mrs. Alton Mc-

Cowen. Tables were centered with sprays of yellow, orange and gold dried corn tassels.

Mrs. Raymond McCowen, program chairman, introduced Greg Gergröss, Callahan County Extension

Agent, who gave a most interesting program and talk concerning beneficial insects. The presentation was entitled "Good Guys vs. The Bad Guys". A spirited question and answer session followed.

Mrs. Franke presided over the business meeting during which new yearbooks were distributed by Mrs. Raymond McCowen, yearbook chairman. A continuing project of the club, the sale of National Council calendars, was conducted by Mrs. Alton McCowen. Committee reports were heard from Mrs. Glenn Payne, Projects;

Mrs. Leo Franke, Property Directors, and Mrs. Arvin Brashear, Awards.

Mrs. Hadden Payne will submit an article to be published this month in the newspaper on Timely Garden Tips.

County Hay Show Cross Plains Oct. 22

The annual Callahan County Hay Show will be held October 22 at Cross Plains in the Callahan County Junior Livestock Show Barn. The show is sponsored by the Crops and Forage Committee, according to Greg Gergröss, County Extension Agent.

Hay shows provide an opportunity to compare different samples of hay and help producers evaluate what makes higher quality hay. Hay is a major portion of the roughage diet of many ruminant animals so an evaluation of food value and protein content can help

growers determine hay quality more easily so that livestock can be fed according to hay value.

An individual entering hay sample will know the value of his hay when the show is over. Samples will have a protein analysis run and be physically evaluated as to leafiness, steminess, color, foreign material and maturity.

Cost of protein analysis will be \$5. Producers who would like to enter the hay show are asked to call the County Extension Office at (915)854-1518. Entries are due by October 4.

Athletic Boosters Plan Football Field Lights

The Athletic Booster Club and Cross Plains School are currently in the process of beginning a legal size, six-lane track around the existing football field.

According to a spokesman of the booster club, the football field will be moved east and north to accommodate the track. Home bleachers will remain in place, while bleachers seating visitors will be moved eastward to the existing fence.

The only visible sign of progress currently is the four new light foundation bases. It was pointed out that these new lights will provide a much needed improvement in visibility. The new lights will also be located in an area free from conflict with the track.

Randy Montgomery, booster club president, stated "This is an enormous task, and we need the help of the entire community. You do not have to have children in our school system or in the athletic program. All that we require is an interest in our program, school, children and community. We need you. Join us every Tuesday at 7:30 p.m. at the high school building. We have many work projects going and we can use you."

Acquire publications on safety and health from Farm Bureau, Extension, health and safety organizations. Clip newspaper articles for the entire family to read.

Take advantage of opportunities to learn first-aid, CPR, defensive driving and water safety.

Ranger Blanks Buffs, Baird Due Saturday

Host Ranger Bulldogs defeated Cross Plains Buffaloes 13-0 in a non-conference football contest Friday night. It was the second consecutive loss for the Herd in as many outings of the young season. Ranger, Class AA, is 1-1.

Buffalo Head Coach Mark Davidson said of his charges, "We didn't do as well offensively as hoped. We didn't play well, and will have to make improvements." He continued, however, that the defense played better this week.

Ranger dominated the scoreboard and statistics. The Bulldogs counted 12 first down to seven for the Bisons. The hosts amassed 130 yards rushing and 110 passing to Cross Plains' 24 yards on the ground and 93 through the air. Passing percentages were about the same, Ranger hit 7 of 21 tosses, and Buffs caught 7 of 20. The Bulldogs intercepted two Buff aeriels, and the Buffaloes swiped one stray Ranger pass. Both lost four fumbles, and punts were about even, each kicking six times, Bisons averaging 31 yards, and Bulldogs owning a 34-yard mean. Cross Plains was flagged 6 times for 65 yards, and Ranger was penalized 10 times for 100 yards.

Area United Fund Drive Set For October 4th

Annual fund drive for the Cross Plains Area United Fund has been scheduled for Friday, October 4.

Officers and directors of the area charitable organization met Friday, Sept. 6, and set the date for the door-to-door campaign for October 4. The fund's directorate followed usual custom by setting the canvass on the first Friday in October.

During the session held in the City Hall here co-chairpersons of the annual undertaking were also nam-

The Herd played without its starting wide receiver, Jesse Sibley, a junior, who suffered a severe lacerated knee in practice and is expected to be out four weeks.

Bisons defensive standouts were listed as Linebacker Tommy Ames, Linebacker David Wilson and Defensive End Troy Harris. Ricky White was the leading receiver with one nab for 45 yards. Davidson credited Quarterback Devin Koenig with throwing the ball pretty well, completing seven passes, and receivers dripped about four others which could have been caught.

County seat Baird Bears will be the Herd's foe this week end for homecoming. The Class AA school of long-standing opposition, is also winless in two starts this year. Last week the Bears, who have not lost to the Herd in recent times, lost to Roscoe 19-7, although out-playing the Plowboys.

Athletic Director Davidson stated, "Baird has a pretty good Ball team. They have played two good ball clubs, and we will have to play extra good to win."

The non-conference contest, last such battle of the season, will begin at 8 p.m. and will be the first home game of the season.

Named to head the drive for 1985 were Clara Nell Spencer and Helen Freeman, the same team which combined to reach the goal in record time last year.

Additional details will be forthcoming from the co-chairpersons, according to Gretna Payne, secretary, of the UF. It was expected that individual, volunteer workers were to be lined up in the next couple of weeks by the co-chairpersons.

Pokey Needs Blood

His many friends will be delighted to learn that J.L. (Pokey) Bonner, well-known local rancher, is believed to be showing some improvement after having been gravely ill for nearly three weeks at Hendrick Medical Center in Abilene. He is suffering with an infection of unexplained origin.

He has undergone a series of surgical operations, and all fingers of his right hand have been amputated.

Enormous amounts of blood have been used, and are still required. Friends who wish to donate blood to replace his withdrawals at the Meek Blood Center at Hendrick Medical Center are encouraged to do so. The blood bank is open from 8 a.m. to 5 p.m. each Monday, Tuesday, Wednesday and Friday, from 8 a.m. to 7 p.m. on Thursdays and from 8 to 1 on Saturdays.

Bison Staff Wants Ex-Students Photo At Bonfire

The Cross Plains High School Annual Staff would like to make a group picture of ex-students at the bon-fire sometime after the pep rally Friday night, Sept. 20.

A professional photographer will be on hand to make the picture for use in the 1985-86 Bison, according to Jo Rhodes, faculty advisor for the student publication.

Love Fund Started For Becky Guill

Friends have begun a love fund for Becky Guill of Cross Plains at Citizens State Bank to help defray the costs of her treatment and confinement at Humana Hospital in Abilene.

The local lady was taken to a Gorman hospital initially, but was transferred to the Abilene hospital one day last week where she is undergoing tests and treatment.

Persons who wish to contribute to the fund may do so by making donations payable to the Becky Guill Love Fund and taking or mailing gifts to the bank, P.O. Box 699, Cross Plains, Texas 76443.

County Judge Mack Kniffen Proclaims September 15th Thru 21st Farm And Ranch Safety Week

County Judge Mack Kniffen has proclaimed September 15-21 as Farm and Ranch Safety Week in Callahan County, at the request of Glenn Leech, Callahan-Shackelford County Farm Bureau president. This year marks the 42nd annual observance of National Farm Safety Week, co-sponsored by the National Safety Council and the U.S. Department of Agriculture. This year's theme, "HEALTH + SAFETY = \$UCCE\$\$" reaffirms the need to further reduce the number and severity of accidental injuries and work-related illness which are extremely costly to farmers and ranchers.

In the proclamation, Judge Kniffen said, "I urge every man and woman engaged in farming-

ranching or its related services; especially those training inexperienced or young workers, to establish safety procedures and instill dedication and commitment to safety and health care in all those who can be influenced by their good examples."

Callahan-Shackelford County Farm Bureau President Leech said, "We wish to emphasize this year's Farm Safety Week theme - HEALTH + SAFETY = \$UCCE\$\$ - because successful farmers and ranchers concerned about the economic health of their enterprises could not bear an added burden of loss that would result from a serious accident or illness. Employing appropriate safety and health measures could help them avoid such losses and

enhance their changes of financial success."

Manager to prevent accidents. Make safety an integral part of every farming or ranching operation. Train workers. Buy quality products and take care of them as directed by manufacturers.

Mighty Mites To Begin Grid Season At Baird

Cross Plains Junior High School football Mighty Mites will open the 1985 football season at Baird Thursday beginning at 6 p.m.

Head Junior High Coach Mack McConal stated prior to the opener he was "real optimistic" about the prospects of the season. He said that there 25 candidates out for the team who are trying real hard. He continued that they are very responsive,

and are coming around since beginning workouts when school started September 3.

The Mighty Mites were originally scheduled to begin the season on Sept. 12, by hosting Range, but a scheduling mixup forced by Ranger forced cancellation of that game.

Admission to junior high school games this season will be \$2 for adults and \$1 for students.

Early Morning Shower Nets City 1.8" Of Rain

An early-morning rain shower Saturday coupled with a pair of light showers Friday left 1.80 inches of moisture in Cross Plains. Gentle, light showers on Friday preceded a downpour in the early-morning hours Saturday. The rain fell extra heavily for a while early Saturday. Measurements within the city ranged from 1.70 to 2.00 inches, and the gauge usually accepted by the Review showed 1.80 inches. That boosted the month's total moisture to 2.00 in-

ches and to 19.50 inches for the year to noon Saturday. Reports reaching the Review Saturday included R.T. Watson, near Burkett, 1.40 inches, Frank Snodgrass at Sabanno .75 of an inch, and .50 of an inch at the J.T. Beggs place in the Pioneer community. Additional moisture is hoped for on the peanuts and late feed crops. More rainfall could also be used on pastures and fields in which grain is to be sown.

Correction

Correction is made on the price of an item in the display advertisement of Cross Plains Discount Center which appeared in the Sept. 11, 1985, issue of the Cross Plains Review. The GTE Flip Phone Wall Holster should have been advertised for \$1.49 instead of \$8.49 as was printed. The publisher apologizes for the error on the woodgrain and final holster. Effective date of the 4-day sidewalk sale was September 11-14.

Friends Offer Exes Library For Visiting, Meeting Place

"Welcome Exes", say Friends of the Cross Plains Public Library. The library will stay open Friday until after the bonfire. Anyone who arrives early and has no specific place to go is invited to stop in to rest and have a cup of coffee. "If it's hard to recognize friends at the bonfire," says librarian Billie Loving, "come in out of the

dark afterward and find them here. We'll keep the coffee hot." Also, the library will be open Saturday afternoon. Exes are encouraged to use it for a meeting place after the parade if anyone needs to meet friends to go to class meetings. Cross Plains Friends are proud of the development of the library in

the past six years and want to share with people who still take pride in their hometown. Featured for this homecoming is "Words Are Wine" by Mrs. Lee, former history teacher in high school. All her annuals will also be available for memories. Happy coming-home!

Recent donations to the Burkett-Adams Cemetery association were received from James and Wilma Lawrence in memory of Andy Neff \$15.00; Lubbock National Bank as a memorial for Andy Neff \$50, and one anonymous gift of \$10. These and all gifts for the upkeep of our cemeteries are appreciated by your cemetery board directors and by the entire community.

Pioneer News

My first item is a tribute to a young man whose name I do not know.

One day this past week I left the grocery store and turned east out 8th Street. I noticed a young man in a car following me kept blinking his lights. I finally pulled over. He walked up to my car, reached up and took my red clutch purse off the top of my car, and handed it to me.

Oh, My! That is not the first time I've pulled that foolish stunt, just ask Larry Bishop. He was that same red purse go sailing off my car one day as I turned the corner in front of the Frozen Food Plant. I hope I have learned my lesson.

Mrs. Ethel Brown's visitors this past week were Mrs. Ethel Monsey and her granddaughter of Cross Plains on Sunday, also Dick and Lou Grider.

Visitors with the Bobby Roadys this week were his uncle, Virgil Campbell and wife of Kingsland on Friday. The N.A. Roadys of Anson visited them this week end and they all went to the West Texas Fair. Sally said Charlie (Cindy's son) had the time of his life.

That reminded me of when I took C.V. Jr. to the Fair when he was 5 years old. I said at the time "You haven't lived until you have taken a 5-year-old to the fair".

The H.A. Roadys and Mrs. Nettie Roady went to Oklahoma to a family reunion last weekend.

Golda Huston of Austin came in on the bus Saturday evening to visit her parents here, Mr. and Mrs. Hiram Foster.

Mr. and Mrs. J.T. Beggs visited in Stephenville with Kim Beggs and family and enjoyed dinner with them. On their way home, they visited Mrs. LaVerne Kennedy in Dublin.
