2ND ANNUAL HUNTERS FEED

Hunter's Feed Another Success

A total of 232 hunter's registered and 300 hamburgers were cooked. It was beautiful weather for eating outside. Thanks to all the people who donated time, money, and prizes. A total of 85 door prizes were given away.

A big thanks goes to box R OUIfitters, J&L Sales, Wild Texas Taxidermy, Lawrence Farm and Ranch, Cross Plains Grain and Peanut, BugBuster, Coots, Jean's Feed

Barn, Westside Story, Jack's Place, Dairy Queen, Subway, Sweet Stuff, Cross Plains Frozen Food Locker, Koenig's Family Store, Village Market, Food Plaza, Taste of Texas, Perryman's West 36 Motel, Higginbotham's, Secret Garden, West Texas Unities, Chamber of Commerce, Citizens State Bank, Economic Development, Cross Plains Roping Club, KLH, Susan Schaefer, Betty Westerman, Becky

Bland, and Joe Schempf Invest-

A special thanks goes to Jackie Dale Thomas for the coke ice, Joe Howser for serving every tomato, pickle, and lettuce for 300 hamburgers, Curtis Wyatt and Nate Hawkins for serving 300 pounds French fries, River Dillard and Cody Reed for serving cokes for a solid three hours, Rowdy Dillard for See HUNTERS page 6

Our United Fund Drive will get underway tomorrow morning, Friday, November 7. Volunteers will be coming to your place to collect donations. If the volunteers should miss you, there is included with this paper an envelope which you may use to take your contribution to the

The directors of the United Fund anticipate that this year Cross Plains will meet the goal.

Thank you all for your support.

NEW BUSINESS WELCOMED - The Cross Plains Chamber of Commerce held a ribbon cutting ceremony for The Secret Garden Saturday, November 1. Pictured are Keith Lawrence (from left), Kelsee Richards, Steve Mack, Debbie Gosnell, Rolan Jones, Connie Davis, Bettie Cavanaugh and Bill Richardson. You are invited to come by and register to win a Schrodt bird feeder. The drawing will be held November 8 at 5:00

The Secret Garden Grand Opening Nov. 6-8

By VANDA KING

The Secret Garden is the charming are partners in the endeavor which

The Grand Opening of The Secret Garden is planned for November 6-8 from 10:00 a.m. to 6:00 p.m. You are invited to stop by and get acquainted. Their regular hours will be Thursday. Friday and Saturday from 10:00 a.m. to 6:00 p.m. You may call (254) 725-7362 for further information.

They currently stock Mary Engelbreit gift items which include whimsical arts, books, calendars, frames, door knobs, etc. The Secret Plains and Connie Davis of Ranger Garden has a nice selection of scented aromatherapy candles which produce relaxation, stress control, even passion and sensuality. Cast stone figurines and candle holders by Candlelights feature unique angels.

> Various styles of birdhouses are available for both inside and outdoor See SECRET page 6

United Fund Drive Friday Lord's Acre Slated For Sat., Nov. 8

The Lord's Acre will be held Saturday, November 8, at the First United Methodist Church. The Gift Shop will be open from 9 a.m. to 6 p.m. The shop will feature small gifts and baked goods.

Serving for the turkey and dressing with all the trimmings will begin at 5 p.m. Adult plates are \$5.00 and children \$2.50. Carry-out dinners will be available between 4:30 and 6:30 p.m. by calling (254) 725-6218.

Children plates are not provided as carry-outs. If you are unable to pick up your dinner, the United Methodist Youth will be happy to deliver it to your home. You may purchase tickets in advance by asking any church member or at the door Saturday evening.

The church is located at 2000 Main and George Scott Street. Everyone is invited to come out for a good meal and good fellowship.

Blackie Lightfoot To Speak At Fishin' For Fun-ding Meeting

Fishin' for Fun-ding Bass Club is proud to announce Blackie Lightfoot as guest speaker for their November 13th meeting.

Blackie, who is an avid fisherman and hunter, began his professional fishing career as a guide on Lake Conroe near his home and on various Mexican lakes. One day while helping Ron Phillips with his outdoor show promotion at Lake Conroe, Blackie was fishing with one of Whopper Stopper's principals. Whopper Stopper, a tackle company of considerable renown, is now known as PRADCO. On the first cast, Blackie hooked, landed and released a 5 pound largemouth. The rest of the day he kept boating bass after bass. Back at the dock, it was discovered that no one else had landed a thing. Whopper Stopper loved it. They bought Blackie a motor home, told him to fish all around the country, and give their company some exposure.

After several years with Whopper Stopper and PRADCO, Blackie hosted television's "Honey Hole All Outdoors" with Bob Hood for a while and is now guiding tours to Mexico for Steve Murray's Lodge on Lake Guerrera.

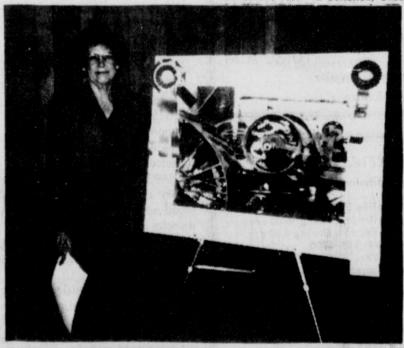

Blackie is also an avid hunter and was recently featured in Nick Sisley's Secret Strategies of North America's Top Whitetail Hunters. He will spend several days in this area and plans to do some deer hunting while he is here.

Fishin' for Fun-ding will meet at 7:00 p.m. on November 13 at the Multi-Purpose Center. Blackie will conduct a casting clinic at this meeting. Blackie especially likes working with children. Everyone is invited to attend and bring their children. If you want further information, please call 725-6418 or visit Koenig's Family Store.

Improve Donations **Downtown Cross Plains**

The Cross Plains Chamber of Commerce appreciates the following donations which contributed to the improvements of the downtown section: West Texas Utilities - 4 benches; Stan Painter - 1 bench; Susan Schaefer - 1 bench; James Nichols - 1 bench; Living Waters Ministry - 1 bench; Daisy King - 1 bench; Joy Dillard - 1 bench; Cindy and Weldon Newton - 2 benches; Cross

OBITUARIES

John H. Casey

John H. Casey, 78, passed away Tuesday, October 28, 1997 at Hendrick Medical Center.

Graveside services were held at 2:00 p.m. Friday at Cross Plains Cemetery with Bill Reed officiating directed by Higginbotham Funeral Home.

Mr. Casey was born December 14, 1918 in Gorham, Illinois. He married Bobbie M. Watson in Baird on November 27, 1958. He was in the U.S. Army and was a truck driver.

Survivors include his wife, Bobbie M. Casey of Cross Plains; one son, Max Thetford of Lake Brownwood; five daughters, Barbara Downs of Liberty, Sandra Abernathy of Brownwood, Pam Moore of Cross Plains, Debbie Mathis of Graham and Dorothy Casey of Grand Tar, Illinois; two sisters, Mildred Dawson and Rosetta Adams both of Gorham, Illinois, 24 grandchildren and 19 great-grandchildren.

Nov. is American Diabetes Month; **Progress noted** against ancient disease

Diabetes, chronic, incurable disease that is among the worst causes of amputations, blindness and death among Texans, has defied medicine throughout history. But in this decade alone, particularly in the last year, the methods of diagnosing and treating the disease have made what some health officials are calling giant

During American Diabetes Month in November, the Texas Department of Health (TDH), the Texas Diabetes Council, the American Diabetes Association and local diabetes projects throughout Texas will urge the public to learn more about diabetes, its risks, and the recent advances in fighting the disease.

Diabetes is the body's inability to convert to energy the sugar found in the bloodstream. In a person without diabetes, the hormone called insulin breaks down blood sugar into fuel. People with diabetes are unable to produce and use enough insulin to do that job.

When blood sugar levels are consistently high, they can cause permanent or fatal damage to internal organs, the circulation and the nervous system. That damage, if not aggressively treated and controlled, commonly leads to blindness, kidney failure, amputations, heart disease, strokes and death. Annual direct and indirect costs of diabetes in Texas are more than \$4 billion.

Since diabetes' symptoms often go undetected for years, people at high risk should be tested for the disease. Nearly 900,000 adult Texas residents have been diagnosed with the disease, and an equal number is estimated to have the disease but have not been diagnosed. Diabetes disproportionately affects minority populations. In 1995 in Texas 11.4 percent Disease Nov. of African-Americans, 9.3 percent of Hispanic and 5.8 percent of whites had a diagnosis of diabetes.

Important developments in combating diabetes in this decade have included:

1993, scientists confirmed the theory that strict management of blood sugar levels of people with diabetes can prevent or delay blindness, kidney disease, amputations and other complications associated with diabetes.

*Researchers identified genetic mutations that were primary causes of certain inherited types of diabetes.

*New medications to help the body use insulin more effectively in regulating blood sugar levels were introduced, making possible a broader array of diabetes treatments.

*Texas and a few other states began this year to participate in a federal project to encourage diabetes patients to get annual influenza vaccinations to curb their greater susceptibility to me nu and pneumonia.

*Also in 1997, the guidelines for sugar levels in the blood in diagnosing diabetes were lowered, meaning that diagnoses could be made and treatment begun at earlier stages of the disease.

Charles Stephens

COMANCHE-Charles J. Stephens, 67, passed away Tuesday, October 28, 1997, in a local hospital. Graveside services were held at 2 p.m. Thursday in Oakview Cemetery in Mullin, directed by Hall & Sons Funeral Home.

Mr. Stephens was born in Stephenville and married Dalphine Elliott Kennedy in 1959 in DeLeon. He moved to Comanche in 1983 from Cross Plains and was a retired mechanic. He also was a rancher and was a deacon at Willow Springs Primitive Baptist Church.

Survivors include his wife, of Comanche; five daughters, Brenda Kennedy, Mary Schneider and Charlene Stephens, all of Stephenville, Meria Moody of Zephyr and Paula Region of Dublin; five sons, Kirby Stephens and Joe Kennedy, both of Stephenville, Dean Kennedy of Brownwood, Brian Stephens of Mission and Jess Kennedy of Angleton; three brothers, Willie Gail Stephens and Sid Stephens, both of Stephenville, and Paul Vance Stephens of Gatesville; 22 grandchildren; and 13 greatgrandchildren.

Memorials may be sent to Willow Springs Primitive Baptist Church, Route 1, Box 72A2, Comanche 76442.

*The 1997 Texas Legislature passes laws simplifying patients' insurance or Medicaid eligibility for supplies and services to manage dia-

*Public awareness about the disease and the latest developments of treating it has increased demand for early detection and treatment, as well as for more advanced research.

According to Debra F. Owens, TDH director of the Texas Diabetes Council, the new developments have enhanced the council's efforts to expand a variety of diabetes prevention, detection and education services in

Since its beginnings without funding in 1983, the council has expanded its annual budget to nearly \$4 million to pay for community-based diabetes education and statewide public awareness campaigns and to provide annual eye examinations for low-income people at risk for the disease. In addition, the council has created the core services to be offered by a new diabetes research and treatment center for the state, the Texas Diabetes Institute of San Antonio, which will open in 1998.

"The institute will offer excellent service and treatment to the South Texas population which is hard-hit by diabetes. But just as important, the results of its research will benefit the whole state with improved methods of professional and patient education about the disease," Owens said.

Dillard Memorial Seminar on Alzheimer's 14 in Abilene

The third annual Dillard Memorial Seminar on Alzheimer's Disease is scheduled for Friday, November 14, at Southern Hills Church of Christ, 3666 Buffalo Gap Road in Abilene.

The all-day seminar is designed to provide practical information for both family members and healthcare professionals. It is held annually in November, Alzheimer's Disease Awareness Month, to honor the contributions made by Richard Dillard, a founder of the Alzheimer's Association of West Central Texas.

Keynote speaker will be Loralu Raburn, M.D. Continuing education units will be offered for social workers, activity directors, administrators and nurses (type two).

To receive a program brochure or additional information, contact the Alzheimer's Association of West Central Texas at (915) 672-2907.

VETERANS NEWS

VETERANS DAY-Next Tuesday will be Veterans Day, a day to remember and honor all men and women who have served our country in the armed forces. The day of honor began as the end came to World War I on the 11th hour of the 11th day of the 11th month in 1918. Armistice Day was changed to Veterans Day in order to include honors for all who have answered the call when their help was needed.

Hanner Chrysler, of Baird, will again show their support of all Veterans by hosting a reception for Veterans at the Abilene Coffee Company, 421 Pine St., from 8 a.m. to 11 a.m. on Saturday, November 8. The reception will be a good place to meet prior to the Veterans Day Parade which is to begin at 11 a.m. Let's all turn out for the reception and parade and be sure to thank the folks at Hanner Chrysler for their GOBER WITHDRAWS-Vet-

eran Hershel Gober has withdrawn his nomination for Secretary of Veterans Affairs (October 24) following allegations of sexual misconduct. Veteran Gober denied the accusations through a spokesman and retained his post as deputy secretary. Late word indicates that he may be forced to give up the deputy secretary position as well. Veteran Gober lost both legs in Vietnam and understood the problems of Veterans. It is a loss to all Veterans when this good friend steps aside.

SERVICEWOMEN'S MEMO-

RIAL-October 18 witnessed the dedication of a long overdue monument to our Nation's servicewomen at the entrance to Arlington National Cemetery in Washington, D.C. Government and military leaders extolled the dedication to their country of the almost 2 million servicewomen past and present honored by the \$21.5 million memorial. Frieda Hardin, a 101 year old former sailor, sat with 96 year old Ann Freeman, also a former sailor. Both lady Veterans spoke briefly to the very large audience. Despite the frailty of her 101 years, Ms. Hardin stood ramrod straight, saying "When I served in the Navy, women were not even allowed to vote. Now, women occupy important offices. In my 101 years of living, I have observed many wonderful achievements, but none as important or as meaningful as women taking their rightful place in

PAYMENTS-A BURIAL mailer last week indicated that survivors are entitled to a burial payment when a Veteran dies. ONLY those Veterans who were receiving a VA check at the time of death are covered by this benefit. VA will pay \$450 on the death of such Veterans and up to \$1500 when a Veteran dies of service-connected causes. The \$450 is also paid if a Veteran dies in a VA hospital and transportation is paid from the VA medical facility to the place of burial

society.

CROSS PLAINS . PUBLIC I LIBRARY I **NEWS**

It was a good October for your Cross Plains Public Library. For the week ending October 17, a total of 150 books were checked out. From the Abilene Extension Program, 8 books and 15 audio tapes were checked out.

New books and donated books included a 17-volume set of "Christmas Around the World," 5 children's books, and one murder mystery. Your reference section was increased by 5 Junior Easy Reader reference books, 1 regular Jr. reference, and 3 adult reference books - 2 of which are

Plans for the Book and Bake Sale this month are still pending. Remember National Book Week is coming up in November, so watch for announcements.

Little treasures to be found in books: "You cannot prevent the birds of sorrow from flying over your head. You can, however, prevent them from nesting in your hair." ...an Old Chinese Proverb.

Holidays became so frequent in ancient Rome, that in the A.D. 100s, Emperor Marcus Aurelius limited holidays to 135 a year.

County Law Officers Help Subdue **Unruly Inmate**

By BILLY HARRIS Special Writer

Callahan County law officers assisted in subduing an unruly inmate on a prison bus Thursday, October

The driver of a Texas Department of Criminal Justice bus called Callahan County Dispatch at 10:17 a.m. saying he needed assistance with a prisoner. He said he was traveling east on Highway 36 and was a few miles west of Cross Plains. Dispatcher Arlinda Williams said she then gave the driver directions to the Justice of the Peace/DPS Office in Cross Plains.

Callahan County Sheriff's Deputy Tim Sanders, Cross Plains Police Chief Ed Duncan and DPS Trooper Don Gosnell met the bus at that location, boarded the bus, and assisted prison guards with controlling the prisoner. Other Sheriff Deputy's and DPS Troopers were enroute to the scene but were turned back before arriving.

The unruly prisoner was placed in full restraints, handcuffs, belly chain, and leg shackles.

No one was injured during the incident and the bus continued on its way at 10:45 a.m. It was not known where the bus trip originated or what its destination was.

Pregnant Women Shouldn't Drink

Drinking while pregnant can cause Fetal Alcohol Syndrome, a litelong condition that includes retardation, facial abnormalities, stunted growth, and learning disorders. Prenatal alcohol consumption is a leading, preventable cause of birth defects. Experts are finding harmful effects from three to four drinks a week. No drinking is safe while you're pregnant according to the Centers for Disease Control and Prevention.

Your better health is our concern.

NEAL DRUG PH. (254) 725-6424 CROSS PLAINS, TEXAS

BREAKTHRU

By Bob Pipes, preacher Cross Plains Church of Christ 433 N. Main At 12th (254) 725-6117

In reading again the account of the plagues God brought against Egypt, Exodus 7-12, I am reminded of so many lessons to be learned from Pharaoh and the other Egyptians' mistakes. And I wonder how we would have responded if we had been them...

One glaring mistake of Pharaoh that we see repeatedly is the "hardening" of his heart. Though in some translations it may appear that God always <u>caused</u> this hardening, other translations make it clearer that in at least most instances, Pharaoh caused his own heart to be hardened. Things that should have brought him to his knees caused him to defy God and treat His people all the worse. How do we respond to tragedy? How do we respond to what might well be God's chastening, Hebrews 12:3-11? The same sun that melts butter, hardens clay -- the difference is in the substance. And the difference in ones' responses to tragedy or

God's chastening is the condition of hearts.

There are numerous other lessons from the plagues. Read Exodus 7-12 and 1-shall share some more thoughts in upcoming "Breakthrus." Be thinking about these: 1) If given a choice, would you elect to spend "one more night with the frogs?"

2) What do we do when God "removes the flies from our lives?"

Come share with us in study of God's word, worship unto Him, and fellowship

ogether!

Friends & Neighbors Caring In Jesus

Clips, Quips & Comments By KAY DENNIS MOSLEY

Does everyone have their flower gardens, potted plants, lawns and vegetable gardens in readiness for the winter season?

Some of our plants we cover with PVC pipe and then fill the pipe with dried leaves. This seems to protect bi-annuals, and perennials and keeps them warm enough throughout the winter. Fantastic way to keep the chives alive all winter.

We have some flower beds which are up against the house. These we rake dried leaves over and then lay evergreen branches, over that; which we liberate from the side of the road between Jayton and Hamlin. This seems to have worked really well. In this manner we have saved many of our flowering plants from year to year.

I suppose everyone is managing to stay busy at this time of year. We're

cleaning house, planning menus and counting beds for when everyone arrives for Thanksgiving.

I hope all my children get to come again this year. I know already that our sons, Mark of Pflugerville and Rex of Lubbock both already plan to be here. Of course our daughter Allison and granddaughter Paige Marie now reside here in Cross Plains. Our other daughter Melody Kay, spouse Tom, our grandson Zachary and other granddaughter Summer who reside in Shallowater plan to come either Thanksgiving or Christmas. They aren't sure which as yet.

This will be our first Christmas with three (3) grandchildren! Paige and Summer were both born in 1997, just 2 1/2 weeks apart. Grandson Zachary was born in 1988.

SPECIAL GUEST SPEAKER — Dr. Lou Rodenberger, pictured above gave a wonderfully inspiring program at Kiwanis this past Tuesday on the life and times of Mollie E. Moore Davis, author of "The Wire Cutters." This novel is believed to be the first true western novel to offer a serious portrayal of nineteenth-century cowboy life.

Inspired by the Fence Cutting Wars, a destructive competition among Texas ranchers to gain access to water for their herds, "The Wire Cutter" recreates the colorful vernacular and personalities of the cowboys.

Dr. Rodenberger shared many entertaining stories from the book. She is also co-author of her own book entitle "Texas Women Writers." Dr. Richard Chaffin, also picture, was program chairman.

The Quilting ladies are still hard at work on the "Doll" and "Log Cabin" quilts.

The community "Harvest Supper" will be November 6, at 6:00 p.m. Come help us celebrate. We will enjoy food, visiting, and "42" playing

Ashley and Will Alexander of Richardson, visited James and Jean Alexander over the weekend. Will brought his friend Ben Boone. Jim Marla and Jack attended homecoming at ACU.

Oliver, Frankie, and Jean enjoyed the Rising Starmusical Friday night. Saturday they went to Ranger to see Frankie's aunt, Ruby Ainsworth. We enjoyed fresh baked pear cake and coffee. We then visited Mrs. Robert Martin and son David. Then we went to the revival at 206 Baptist Mission in Cross Plans. Oliver is doing very good. Thanks to the many prayers.

Congratulations Ashley Beggs! She is the 1997-98 Football Sweetheart.

Our community wants to say "Well Done" to the Cross Plains Buffalo Band and the Cross Country team.

The Buffalo team won a very exciting game against Santa Anna. Now, it is Baird Bears and the district championship. Go Buffs Go! Words of Wisdom #1

The great acts of love are done by those who are habitually performing small acts of kindness.

Where did social security come from?

By CHARLIE STENHOLM

When the Stock Market collapsed in 1929, it set in motion economic conditions we know today as the Great Depression. With millions thrown out of work, families found it increasingly difficult to care for their older or disabled relatives. Churches and other organizations which traditionally had provided assistance to families were overwhelmed by requests for aid.

These tremendous burdens prompted Congress to consider legislation creating a social insurance program to guarantee financial security to older or unemployed Americans. Overwhelming bipartisan support for the measure (372-33 in the House; 777-6 in the Senate) assured its passage. President Franklin D. Roosevelt signed the bill into law on August 14, 1935.

The original Social Security Act provided "old age" insurance to the elderly and created a system of unemployment insurance to be administered by the states. Workers and their employers each were required to contribute a matching percentage of income as a premium for the old-age insurance. Upon reaching age 65, workers who had paid into the system could expect to receive a monthly benefit for the rest of their lives. Interestingly (and not coincidentally), average life expectancy in 1935 was not quite 62 years.

Originally, only workers in commerce and industry were required to pay one percent of their incomes up to a maximum contribution of \$300 annually. Subsequent amendments expanded the list of professions required to pay into the system as well as the percentage of income and the maximum contribution. Today, virtually all workers must pay 6.2% of their incomes up to a maximum

contribution of \$4,054.80 annually and very few professions now are exempted. For example, the President, Members of Congress, farm workers, and some clergy pay Social Security taxes just like everyone else. Consistent with the original legislation, employers still are required to match their employees' contributions. Self-employed individuals must pay 12,4%.

What happens to the taxes paid to Social Security? The funds are credited to the Social Security Trust Fund and a large portion of the receipts are immediately paid back out in the form of benefits to current beneficiaries. In reality, todays workers are taxed in order to pay today's beneficiaries, a system referred to as "pay-as-you-go." The system has been sustainable as long as those in the workforce significantly outnumber those receiving benefits and workers have been willing to be taxed at rates sufficient to sustain benefits for current beneficiaries. Obviously, this system cannot last if the worker-to-recipient changes significantly and, unfortunately, the problem will become increasingly critical over the next de-

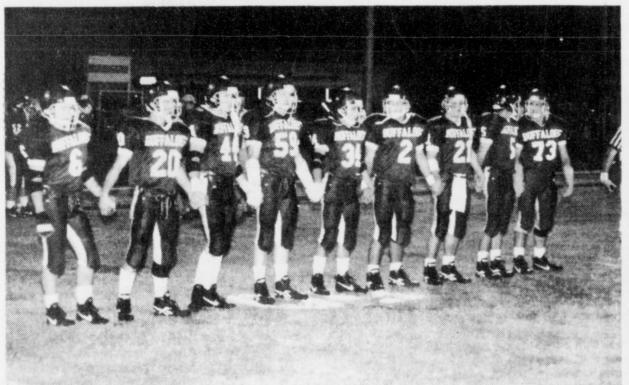

Social Security's future problems are the result of one main factor; demographics. In other words, more of us are living longer at the same time proportionally fewer babies are being born. This trend will come to a crisis point when the Baby Boomers (those born between 1946 and 1964) begin to retire in about 15 years. Understanding this dilemma is crucial to understanding now Social Security works and what it will be like in the future.

Rep. Charles Stenholm represents the 17th Congressional District of Texas. He Co-Chairs the House Public Pension Reform Caucus.

Buffaloes Secured Playoff Position

By GREG TURNER

Before I begin telling about the game against Santa Anna, I want to remind everyone who plans to attend the game against Baird to BRING SOME TYPE OF NOISE MAKER, YOUR BUFF TUFF TOWEL OR SOMETHING TO BUILD SPIRIT, DON'T FOR-GET!!!! I believe this will help motivate our Buffaloes to a victory against

The 9-0 Cross Plains Buffaloes had a tough game against the Mountaineers Friday night. The Buffs had to battle from behind all night before taking the lead in the 4th quarter. For the first 3 quarters Cross Plains trailed but continued to play and keep their composure.

Santa Anna scored first on a 45 yard pass play and it was only the 4th play of the game. They missed their extra point giving the Mountaineers a 6 point lead.

Cross Plains took the kickoff and the 5th play from scrimmage Daniel Purvis ran 45 yards down the sideline to the endzone. Jarad Richards kicked the extra point making the score to Cross Plains 7 and Santa Anna 6. On the first play after the kickoff the Mountaineers ran for a 54 yard TD giving them the lead once again. The extra point failed. Remember there is still 7:45 left in the 1st quarter with only 10 offensive plays ran. The score is now Santa Anna 12 and Cross Plains 7. This was such an odd game that neither team had to punt the football all night long -- 4 quarters and not one punt!

Santa Anna then intercepted a pass and ran 54 yards in the 2nd quarter with 9:28 left till halftime, extending their lead and again the extra point failed.

Quarterback Richards then conneeted with tight and Dusty Har grove on a 22 yard TD pass and the extra point failed. The Buffs trailed at halftime 18 to 13.

The Buffalo fans began getting into

impact on the players. Their level of BRING BUFF TUFF TOWELS play began picking up and the Buffs put together a 19 play scoring drive before Justin Hopkins (Hawkins) scored on a 3 yard run giving C.P. a 1 point lead. Head Coach Woerner decided to go for 2 point and again Hopkins ran the ball and the extra points were good. The score was now C.P. 21 - S.A. 18. WHAT A

The Buffaloes managed to get 316 yards on 51 carries and another 76 yards passing. The leading rusher was Jody Fortune with 130 yards on 25 carries. Close behind was Daniel Purvis with 119 yards on 14 carries. Nickerson 2-3; Zach Edington 2-0; Purvis' longest run was for 45 yards and a TD. Justin Hopkins also had 36 Benji Switzer 1-1; Jarad Richards 1vards on 5 carries and a TD and extra 2 point conversion.

Pass receiving yardage was led by Nixon 0-1 Dusty Hargrove with 4 catches for 48 yards and 1 TD. Joseph Turner had 2 catches for 28 yards.

Leading the Buffalo defense was Justin Hopkins and Jeremy Pancake with 7 tackles and 6 assists each. Helping on defense was Carlton Thomas, Turner, and Hopkins with 5 tackles each.

Good job Buffaloes! This was a

good win for you, too! Cross Plains will travel to Baird this week going in undefeated this year. Cross Plains is 9-0 for the season and 6-0 in district play. Baird is also undefeated in district. The win against Santa Anna won the Buffs a playoff spot and the winner of the Baird game will determine 1st and 2nd place in district. The Bears and Buffaloes will be playing either Sterling City or Irion County depending on the outcome of the game.

This reminds me of last year when both teams had already clinched a playoff spot but a district title is at tinis game -- a periect season, District Championship, making Cross Plains history and REVENGE for last year. As you can see this is an important game for several reasons. If you come the game with about 5 minutes left in to the game, DON'T PLAN ON

the 4th quarter and had a tremendous SITTING ON YOUR HANDS --AND NOISEMAKERS! SEE YOU THERE!!!!

The funds earned from selling chances on the rod were presented to the local Emergency Medical Service.

Junior Varsity Bests SC Santa Anna 16-12

By LARRY WHITEHEAD

Cross Plains traveled to Santa Anna Thursday evening and came away with a very hard fought victory in the last few minutes of play. This was great "come from behind" victory. In the 1st half Santa Anna pulled out

to a 12-0 lead.

The 2nd half found the Cross Plains defense doing a great job with interceptions by Coby Richards, Chris Kitchens and Kenny Callaway. Callaway intercepted a pass with 4 minutes remaining and this motivated the Cross Plains comeback. Callaway ran in for the TD to make the score 12-6 with 3:48 minutes remaining in the 4th quarter.

The Buffaloes stopped the Mountaineers on the next possessions with powerful defensive plays by Jody Gosnell, Roger Carey, Clint Bailey, Scott Mackey, Nicholas Dimitri, Cody Reed, Jeremy Gilliam, John Peters, Ricky Allen and Cory Phillips.

Cross Plains drove from the Santa Anna 35 yard line with a half back pass from Jody Pancake to Clint Bailey which covered 50 yards to set up the Buffs' next touchdown. The TD came on a run by Pancake to bring the score to a 12-12 tic. Cross Plains' extra points were good with Pancake running in for 2 points making the score 14-12 with 19 seconds re-

maining in the game. On the next possession the Buffaloes pushed Santa Anna all the way into the endzone for a safety to make the final score Cross Plains 16 and Santa 12.

Our offensive line did a good job blocking on the winning drive with great blocks by Gosnell, Phillips, Landon Hill, Gilliam, Reed and

The boys showed a lot of heart coming back and winning this game. We are very proud of all of them.

The next game is Thursday, November 6, against Baird on our home turf. The team needs your support -so see you at the game!!!

BREAKFAST

Cross Plains Victorious Over Santa Anna 44-8

up for the Cross Plains Junior High. When the Buffaloes defeated the Santa Anna Mountaineers on Thursday, October 30, 44-8 for their 8th victory. Captains leading the Buffs were Arron Lewis, Dusty Martin and Klay Wilson.

The Buffaloes kicked off to the Mountaineers. C.P.'s tough defense pushed Santa Anna from their 30 yard line back to their 10 yard line. The Mountaineers had to punt and Tony Beggs caught the ball on the Mountaineer 45 yard line. Two first downs made with the help of Beggs and Matt Nickerson brought the Buffaloes in sight of the goal. Quarterback Tim Butler connected with Josh Hopkins for the night's first TD. Beggs added the extra point.

The Buffs kicked off to Santa Anna and Seth Fortune and Jonathan Chastain brought them down quickly. The Buffaloes defense contained the Mountaineers, forcing them to punt. Beggs once again took the kick. Three downs later Beggs scored the second TD. Nickerson kicked the extra point bringing the score to 14-0.

On the ensuing kickoff, the Mountaineers fumbled and Joseph Dillard recovered on the Mountaineer 35 yard line and Seth Fortune made 15 yard run as the 1st quarter ended.

When play resumed, Beggs was successful with a half back pass to Dillard for a TD and Fortune added the extra point making the score 22-0. Soon after the kickoff the Buffaloes forced Santa Anna to punt and took over on the Mountaineer's 30 yard line. On the 1st down, Fortune gave a great 20 yard run, leading the offense. Nickerson added the TD and extra

Another great victory was chalked point. With only 15 seconds in the half, the Buifs were leading 32-0. With only 51 seconds, the Mountaineers got their first down of the night. At the half the score was 32-0.

> The second half started with Beggs taking the kickoff and returning it for a 70 yard touchdown run, but the extra point failed. Santa Anna started their next possession on their 30 yard line, but on the 2nd down, they fumbled and Dillard recovered. However, the ball was fumbled again and returned to Santa Anna. A couple of downs later Santa Anna fumbled again the Buffs took over on the Mountaineer's 15 yard line, only to fumble it back as the 3rd quarter Junior Class to Cook buzzer sounded. The Buffs defense held tightly, forcing the Mountaineers to fumble once again. Cross Game Plains took over on the Mountaineer's 6 yard line. On the 2nd down Beggs took it in for the Buffaloes final TD. The extra point failed with only 3:54 left in the 4th quarter the Buffaloes

Mountaineers called time-out. Taking advantage of the time-out, the Cross Plains coaches sent a whole herd of 7th grade Buffaloes in. The 7th grade defense shows great promise, but they did let one of the Mountaineers get away for their only TD of the night.

The 7th graders remained in for the kickoff and chance for offensive play. They made a great showing, but time ran out leaving the score 44-8.

The Buffaloes will play at home Thursday -- their season finale. This will be their sweetheart game, so plan to attend and celebrate the end of the Junior High's successful season.

Baird High School Fajitas at Friday's

The Baird High School Junior Class will cook and sell fajitas at Friday's football game between Baird and Cross Plains. The fajitas will be served with fresh hot sauce for \$2.00 each. The Junior Class will also serve Following the Buffalo kickoff the pizza by the slice, nachos, hot dogs and child dogs. The concession stand will open at 6:45 p.m. and the football game begins at 7:30 p.m. Plan to come early and eat fajitas while they

You are a Buffalo.

That means you are a Cross Plains High School Football Player. But it means much more than that.

You are a member of a football team that has won every game it played this season, and done that with sportsmanship and pride...with courage and dignity...and with almost-unbelievable displays of talent and teamwork.

You have given your school and

your home town so much to be proud of...Fridays to look forward to...plays to brag about...topics of discussion at every coffee table and most meetings...excitement and entertainment that happens anew every week. Your schoolmates had a new sense of pride in being at CPHS, and the school song was sung with new meaning. Old men grew young reliving their own dreams through you. Women's hearts swelled with memories of their own young men's accomplishments. And the whole town was proud of itself. All this you did, while making a place for yourself in the high school record history books!

NOVEMBER 6, 1997 5 - CROSS PLAINS REVIEW

An open letter to each varsity

football player

You have been chosen...and maintained that status...as being among the top ten football teams in our class in the entire state. That's the whole big ole state of Texas! Ten teams do not include that many players, you know; so you should consider yourself among the very best within the horde of young men who, like yourself, set out to play a game.

The excellence with which you have played your game is outstanding; and the manner in which you did it is what makes us all so proud.

We have watched you. Those that had a son or grandson, brother, uncle, nephew or cousin playing had understandable pride. But those that could not boast relation to you came to know you, and we loved you and worried about you and took pride in you as much as your lucky families. We watched your faces at the Pep Rallies each Friday, and realized almost with a sense of shock - how very young you were, and what tremendous responsibilities you were taking on. We hope you never felt burdened with our adoration, nor responsible for our Friday night enter-

tainment; and, certainly, that you never felt we would not love you if you did not win. You are our son...of blood or of heart ... and we will always hold you dear.

That is the thing we most want you to understand now: No matter what happens from this point forward...win, lose or draw...your fault, their fault, nobody's fault...you have secured your place in the record books, in all our hearts, and...most importantly...within yourself.

Be proud of yourself for what you have accomplished, and for the way you conducted yourself while you did

We all are.

....And we thank you.

The Secret Garden is landscaped with various flowering plants. A collar top has been converted into a

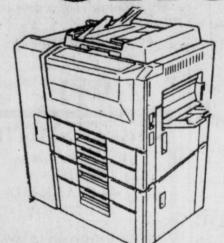

flower bed with purslane (a moss type flower) and trailing verbena which use; key keepers; ornate stepping was beautiful before the recent stones; bird feeders; outdoor garden freeze. A white archway at the end of the front sidewalk accents the front yard and a white wrought iron frame bed which will be used to display herbs in pots is on the east side. The wishing well on the east side of the house has its very own story. It was a gift from Jackie and Roxie Thomas. The wishing well was originally on the Myrtle Jennings property the couple purchased (west of the Thomas' home). Barbara Swinney recalls when she and her parents, Mr. and Mrs. Merlin Garrett lived there and vividly remembered the wishing well. She even has old photos capturing its beauty. Bettie and Morris Ray dug around the base of the well to see if it was permanent and discovered it to be strictly ornamental, which was rare for the time period it was built. There are two more wishing wells of its same structure at the old Wetsel home in Cross Plains. If anyone can shed any light on who may have built them, please contact Bettie, as she is researching their origin. Fred and Lynn Tatom moved the wishing well to its new location and it looks right at home.

> Be sure to visit The Secret Garden during their Grand Opening and welcome them to the community.

Words fail us as we try to express appreciation for all the love and concern shown us during Dale's illness and now the loss of our son, Larry Dale. Knowing that prayers are being lifted on our behalf will help

Card Of Thanks

Each card you sent is special. All the food has been so appreciated. There have been so many kind things done for us, it's impossible to name them all. We are so fortunate to have good friends like you.

sustain us.

Dale and Vernelle Bishop Wayne and Nancy, Brian & Joey Tim and Charlotte, Julie & Lori

Card Of Thanks

Where can we start in expressing thanks to so many friends and neighbors for such an outpouring of love! We truly have the finest EMS anywhere. Debbie, Stephen, Scott and Charles, I owe my life to you and your calm, rapid response.

Thank you, Bro. Jim for being at the hospital so quickly when Gene needed encouragement.

For the dozens of people that took the time to drive to Abilene just to stop into KU, hold my hand for a second, smile and speak a word of encouragement - I will never forget your faces! Thank you for being there. I couldn't have made it without you! We were always very aware of much diligent prayer, and we know our Father heard and answered. Thank you Prayer Warriors, for heeding His

Your cards flowers, food, calls, and visits have meant so much. I am encouraged each day by precious friends and neighbors.

May all that you have so lovingly poured out on me be returned to you, good measure, pressed down, shaken together and running over!

> Our love & gratitude Gene & Bettye

Internet Technology Survey

Cross Plains I.S.D. is in the process of writing a grant proposal that would bring funds to the district for the purpose of providing internet accessibility and training to both the school and community.

is conducting a technology survey. Forms have been given to each student (k-12), parents and are available

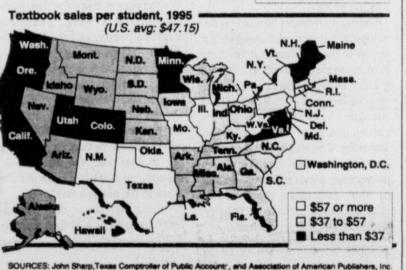

to community members as well. If you, as a community member, wish to participate in the survey, forms are available at the following locations: Citizens State Bank, Cross Plains Public Library, Subway, Lawrence As part of this proposal, the district Farm and Ranch Supply, Inc. and Higginbotham's Brothers and Company. These surveys may be completed and returned to any of these locations by Monday, November 10.

Keeping an eye on Texas

Texas' student books

In 1995, Texas ranked fourth in the U.S. in the purchase of textbooks for grade school and high school students, spending \$68.09 per child compared with a U.S. average of \$47.15. Texas' ranking jumped in 1993 and 1995 with the purchase of books for the Basal Reading Program.

Texas' ranking '82 '85 '90

Texans dump 22 million tons of trash in landfills each year.

Five things you can do:

- Don't bag grass clippings.
- Buy in bulk.
- Recycle everything you can.
- Buy recycled products.
- Start a compost pile.

90 YEARS YOUNG-Saturday, November 1, 1997, Mrs. Esthloy Dickson, formerly a 34 year resident of Cross Plains, now residing at Colonial Manor Nursing Center in Cleburne, celebrated her 90th birthday with family and friends at the nursing center.

Honoring her on this special day were her son and daughter-in-law, C.V. and Karen Dickson of Longview with their daughters, Chesley and D.J.; her daughter and son-in-law, Joan and Bob Stewart and great-granddaughter, Natalie of Cleburne; her sister, Bernice Carter, formerly of Cisco, now residing with her son and daughter-in-law, J. and Margie Hays of Corsicana, who were also present; her sister, Opal Cox and niece, Artie Mitchell, both of Breckenridge. Also present were friends from her Sunday School Class of Nolan River Road Baptist Church, Grace Hickman, Peggy Sims, Joyce Decker and Gladys Comer.

Mrs. Dickson enjoyed a beautiful cake with 90 candles and gifts and cards. Born at home in Stephens County near the little community of Necessity on November 1, 1907, to Frank and Fannie Moore Satterwhite, Esthloy was the third of eight children. She is thankful for a large and loving family and many friends.

What Is Rolfing?

By KATHY L. PURVIS

Part 3 of 3

Rolfing Movement Integration is a system of movement education based on the concepts developed by Ida P. Rolf, Ph.D., the creator of the Rolfing process.

Rolfing Movement focuses on developing balance and support for action in the gravitational field, on learning to move harmoniously with gravity, and on evoking an open and responsive body in which inner strength and centered-ness can be chosen instead of outer tension and armoring. The results are increased grace, ease, and efficiency in movement; a more powerful sense of self; and often the relief of physical stress caused by gravityresistant movement patterns.

In a series of Rolfing Movement

FIRST * MED OF EARLY

sessions, client and teacher come together to understand the client's present movement patterns. They explore the possibilities for freer, more balanced movement in breathing, walking, standing, sitting and whatever special or daily activities the person is involved in, such as running, desk work, housework, yoga, carpentry, and the like. They attend to each part of the body, releasing specific holding patterns, and then integrating that part, through movement, with the rest of the body. Overtime, the client learns the gentle, simple series of centering movements that can be taken into everyday enhance all activities from the work place to the playing field.

taken by itself or in conjunction with Rolfing sessions. Rolfing Movement

FIRST * MED OF CROSS PLAINS . FIRST * MED OF EARLY . FIRST * MED OF MERKEL

Integration and Rolfing combined enhance each other: Rolfing frees and integrates the body's structure so the client has more movement options, and Rolfing Movement teaches the client how to use these possibilities in everyday life.

The number of Rolfing Movement sessions and their scheduling are flexible according to the individual needs. Usually a series of eight sessions, spaced about a week apart, is recommended.

Rolfing Movement Teachers are trained and certified only by the Rolf Institute of Structural Integration.

To receive a free listing of Certified life to ease pain and stress and to Rolfers and Rolfing Movement Teachers in your area, contact the ROLF INSTITUTE at 205 Canyon, Rolfing Movement can be under- Boulder, CO 80302 USA 1-800-530-

Roger Corn **Announces** Candidacy for Callahan County Judge

BAIRD - Baird business man, Roger Corn, has announced his intention to seek the Democrat Party's nomination for the office of County Judge of Callahan County.

Corn was in the grocery business in Baird and Clyde, owning his own business in Baird for 25 years. He is presently employed by Hatchett and Company Real Estate and Knox Waggoner's Insurance and More of Clyde.

Corn has been a member of the Baird school board for 9 years, he also served as chairman of the board for his local church and served on the Board of Independent Grocers for a number of years.

Roger and his wife Barbara, the former Barbara Weldon of Clyde, reside in Baird. They have one daughter and two sons.

Current County Judge Bill Johnson has indicated he will not seek reelection.

Filing for the Democrat and Republican Primary elections will begin the first week of December.
