CONDITION OF CROPS IS GOOD OVER DISTRICT

DALLAS, June 1.—Despite winds and sandstorms, the general crop condition in the eleventh federal reserve district was assisted by rains and was in general good, the June statement of the federal bank here said.

Among other major developments as listed in the monthly business review were:

A sustained volume of trade in both wholesale and retail channels of distribution.

The continuance of a low business mortality rate.

A record breaking volume of construction work.

Department store sales in principal cities reflected the seasonal decline of 9 per cent from the heavy March volume but exceeded those of the corresponding month a year ago by two per cent.

Distribution of merchandise in wholesale channels was larger than in April, 1928.

Pointing out that rain was needed badly when it began toward the middle of the month, the report said wheat was benefited.

Stock ranges showed improvement, and livestock was getting from new construction work.

Construction work commenced in April broke all previous records. The valuation of permits issued at principal cities totaled \$19,442,938 as compared to \$16,134,116 in March, a previous high record.

The volume was 124 per cent greater than in March and 186 per cent greater than in April, 1928.

Production and shipment of selected commodities reflected a substantial increase over the previous months.

Production of lumber last month witnessed a withdrawal of deposits and demand for credit.

City banks have ready, and to country upward trend was reflected in all districts except Texas.

Starvation and considerable losses were reported from Galveston and Houston.

Galveston showed a slight recovery.

Receipts of cattle, sheep and hogs at Fort Worth showed a large increase over 1928, and April, 1928.

The output of crude oil showed a high mark of 24,400,000 barrels in the previous month.

Dallas, El Paso, Houston, Port Arthur, Beaumont, San Antonio showed great gains in value of mining permits issued.

Although other cities declined, the gains these six gave the district an increase of four per cent.

Losses were Amarillo, Austin, Corpus Christi, Fort Worth, Waco, and Wichita.

Galveston showed a slight recovery.

Receipts of cattle, sheep and hogs at Fort Worth showed a large increase over 1928, and April, 1928.

The output of crude oil showed a high mark of 24,400,000 barrels in the previous month.

Flat Spuds

Dr. O. E. Pierce, former physician and friend of the late Luther Burbank, has succeeded in cultivating a plot of land in Elko county, Nev., where only flat spuds, he says, are much desired by hotels and large restaurants and bring him 50 per cent greater yield and much greater income than the common varieties.

Mrs. Willebrandt Leaves Behind Her Notable Record of Success in Attorney General Department

By HERBERT LITTLE, United Press Staff Correspondent. WASHINGTON, June 1.—Mabel Walker Willebrandt, retiring from prohibition enforcement activities, leaves behind her a record for success in liquor prosecution which has meant prison for literally thousands of bootleggers and other liquor dealers. Probably her greatest achievement, however, is the establishment of a long series of supreme court decisions which serve daily as precedents for all federal prosecutions under the liquor laws. In her eight years as assistant attorney general in charge of prohibition, customs and taxes, Mrs. Willebrandt has directed and in many cases personally presented the government's side of the important cases under the Volstead and Willis-Campbell enforcement acts and the eighteenth amendment itself. Under her direction the government won the famous Cunniff cases, in which the supreme court denied United States ships the right to bring liquor under seal into American ports. She won a decision upholding prosecution of a prohibition director for failing to report

a prohibition violator, under the Volstead act. The one pint in ten days prescription limitation was upheld over the opposition of the American Medical association. Mrs. Willebrandt advocated passage of what is now the Jones "five and ten" act, for five years. One of her most important duties was the writing of briefs opposing the appeals of convicted bootleggers and run-runners for supreme court reviews of their convictions and prison sentences. She was quite successful in this, the court rejecting at its front door most of the 50 or 60 appeals of this character which are made annually. SPECIAL TRAIN. DALLAS, June 1.—A special train has been chartered to carry 400 Texans to the Confederate reunion at Charlotte, N. C., June 3-8. It was announced here. The route will be to Memphis, Tenn.; Birmingham, Ala.; Atlanta, Ga.; and Charlotte. A five hour stop will be made en route to give the Texans an opportunity to view Stone Mountain Confederate memorial.

INCOME TAX SUMMONS MAILED TO NUNGESSER

PARIS, June 1.—A summons to pay income tax has just been mailed to Charles Nungesser, the French air ace who died with Coli in the first attempt to cross the Atlantic from east to west two years ago. The notice intimated that unless Nungesser paid the government

four francs, 21 centimes (about 17 cents) he would be prosecuted. The tax was assessed on his income for the year before he died. One family of wolves, papa, mamma and five kiddies, brought \$300 in bounties to a Burnet man who located the young ones in a cave, set traps and caught both old ones the same night.

WONDERFUL PARTY SPOILED

MILL VALLEY, Cal., June 1.—Mill Valley had planned to celebrate its 40th anniversary May 30. Orators were ready to orate and a huge cake with 40 candles had al-

ready been baked. Then somebody found out that it would be only the 39th anniversary. The ceremony has been postponed a year. Try a Daily News classified ad.

SANDWICHES BLAMED FOR POISONING

SCOGEE, Ok., June 1.—A thick sandwich Friday were timed for causing an alarming and on in Oklahoma fire department circles and the firemen were hood to testify it was not a case of false alarm. But 200 delegates attending state firemen's association of Oklahoma here Wednesday night were stricken with ptomaine poisoning after eating sandwiches they had a box luncheon. Some collapsed on the ball room floor during the convention's dance. Others were stricken as they drove to homes, but all had recovered by Friday to be dismissed to hospitals. An emergency situation in several towns was relieved Friday when firemen who had been stricken returned to their posts, relieving volunteers recruited yesterday.

GENERAL ELECTRIC ALL-STEEL REFRIGERATOR

More than a quarter of a million users and they haven't spent a single dollar for service

TWO years ago this month the General Electric Refrigerator was first publicly announced. Fifteen years of research and development had produced a refrigerator with an hermetically sealed, dust-proof mechanism, mounted on top... a refrigerator with an improved type of cabinet, mounted on legs... one with an accessible temperature control... that required no oiling... that dispensed with all troublesome machinery... that carried an unqualified two-year service guarantee.

A radical improvement has been made in the cabinet! It is now all-steel! It cannot warp. It is as strong as a safe. You can purchase the new model shown at our display rooms on convenient speed payments.

SAN JOAQUIN VALLEY ONCE GIANTS' HOME

STOCKTON, Cal., June 2.—The theory that a race of giant men once inhabited the San Joaquin Valley, advanced by Dr. J. Kroeck, professor of biology at the College of the Pacific, now is supported by new evidence.

Two railway employees, Frank Ferrara and Earl Cusledge, have revealed the discovery of a cavern in Calaveras county littered with the remains of more than 200 skeletons, the bones of which are unusual size.

Ferrara and Cusledge said that skulls found in the cavern were much larger than those of the present day race. They said that jaw bones were twice the size of a normal man's and that rib formations were nearly the size of a steer's.

The men noted one peculiar thing—that leg bones were much smaller than those of the man of today. Dr. Kroeck believes that bones of the "giants" and those of a "race of diminutives" have become mixed.

That the ancient people, no matter what their stature was, were accomplished artisans, is proven by a stone bowl discovered in the cavern.

The bowl is of granite, five inches in depth and 14 inches in diameter, and is said to be far superior in workmanship to any of the known Indian tribes.

Dr. Kroeck cannot explain how the bones were preserved, for they apparently date back to the time when this section of California was the coast line, judging from shell fish remains found with them.

Ferrara and Cusledge were hunting when they discovered the cavern. They came across a small hole in the side of a hill. Dropping a pebble in the opening, they found it took eight seconds to hit the bottom.

Later they returned to the hole, bringing with them a long length of rope. They widened the opening and lowered themselves to approximately 60 feet under ground. There they found a great chamber, 400 feet in length and nearly 200 feet in width.

Using flashlights the men explored the cavern and discovered numerous of the bones. They found another cavern, 150 feet below the first one. This they also explored and there again they found evidence of a race of giants.

According to the men, another cavern exists at a lower level. They were unable to descend to it, however, as a passageway was blocked by large boulders.

The explorers brought back one large jaw bone and a part of a huge skull, a thigh bone and half of a stone bowl as specimens. They said that most of the bones crumbled when touched.

Texas Urged Accept Federal Fund Offer

AUSTIN, June 1.—Fifty-fifty deals with the federal government promise to start arguments in the coming special session of the Texas legislature.

At the first special session there were protests against fifty-fifty arrangements with the federal government for vocational training of disabled persons.

That involved only a few thousand dollars. The next special session will be confronted with one involving \$7,000,000.

State school superintendent S. M. N. Marrs is urging that the legislature put the state in position to accept the terms of the act proposed by Rep. Charles Brand of Ohio. This act proposes a \$100,000,000 fund "to aid in the reduction of taxes on farm lands, and to promote elementary education in rural areas and to co-operate with the states on these objectives."

Texas' share of such a fund, Superintendent Marrs estimates would be \$7,000,000 a year. If the state accepts the provisions he said farm taxes can be lowered by reducing the school tax. Additional appropriation above that now would not be necessary. Superintendent Marrs estimated, to match the federal aid.

Objection to other similar plans made by legislators has been that when the federal government participates in a fund, the entire control is assumed by federal representatives.

NEW CHARTERS

AUSTIN, June 1.—Chartered: Lasswell Mfg Co., Dallas; capital stock \$9,000; incorporators, J. A. Purse, Jr., Gus Lasswell, F. E. Hall.

Wood Drilling Co., Wichita Falls; capital stock \$10,000; incorporators, Harold S. Jones, Frank Wood, Joseph L. Martin.

Vernonwood Oil Co., Wichita Falls; capital stock \$50,000; incorporators, Joseph L. Martin, Harold S. Jones, Frank Wood.

FACILE HOUSE-HUNTING NEWPORT, R. I., June 1.—House-hunting is a cinch for Lieutenant Thomas Barnett Talbot, U. S. N., attached to the Anacostia air station at Washington. Recently he flew here from Washington, a distance of 375 miles, in four hours, hired a cottage, and returned next day. He is to be a member of the next class at the naval war college.

HOPE TO BE EARLY BIRDS.

They expect to lead the year's aerial parade across the Atlantic. Sergeant Rene LeFevre, left, noted French aviator, here is pictured as he greeted his co-flyers, Jean Assolant, center, and Armand Lott upon their arrival in New York from Halifax, Nova Scotia, where they embarked on a liner. They intend to start in the near future their attempted non-stop hop from Roosevelt Field, Long Island, for their native France.

AMENDMENTS SUBMITTED BY LEGISLATURE

By RAYMOND BROOKS Daily News Austin Correspondent.

AUSTIN, June 1.—The Texas legislature has asked the voters to "give the governor a living wage."

The house and senate have invited the attention of voters to the amendments, increasing the governor's salary from \$4,000 to \$10,000, and of creating a nine-member supreme court, which will be voted upon July 16.

Raising the governor's salary, effective more than a year hence "is necessary in order to provide a living wage for the governor of Texas, and to make it practical for a citizen, not possessed of great wealth, to serve as chief executive without ruinous sacrifice," the legislature said in a concurrent resolution.

This resolution invited newspapers to call attention to the importance of both the proposed amendments. It said further: "Regardless of the merits of the proposals involved in these constitutional amendments, respectively, it is highly desirable and important that as nearly as possible, every qualified voter shall go to the polls on said date, Tuesday,

July 16, 1929, and vote upon both amendments." The resolution asked newspapers to "improve all reasonable opportunities, through their columns, to call attention of the people to the importance of these constitutional amendments, and to urge the voters to attend the same." It also asked radio stations to similarly take notice of the election.

EL PASO Natural Gas company will soon pipe natural gas to Fabens, Clint and Ysleta.

FLIES AROUND TEXAS IN ONE DAY'S TIME

SAN ANTONIO, June 1.—No matter how much old time Texas rangers stretch the stories of their record rides during frontier days, they can never make them compare with that of young Lieut. Y. H. Taylor of Kelly Field who recently flew around the state of Texas in one day, covering 2,087 miles.

Lieut. Taylor, himself a former Texas ranger, sat in the cockpit of a Curtiss pursuit plane for 15 hours and 55 minutes. When he landed at the field near here at night from where he started in the morning he had flown from San Antonio to El Paso, to Fort Sill, Okla., to Galveston, to Laredo, to Brownsville, and back to San Antonio.

The purpose of his flight was to determine the distance coverable in one day in a regular service type plane not especially equipped for the flight. Officers at Kelly Field believe he established a record distance for one-day travel in a service plane not specially prepared for a test flight.

When a Dallas man knocked unconscious as a 10-gallon milk can he was lifting from a truck fell on him, awoke at the hospital, he insisted he had been slugged and could not understand why the robbers had not taken his pocketbook.

"Cut Weeds at Once," Health Officer Brice Advises Citizens of Cisco

MOSQUITO AND FLY SEASON IS HERE NOW

Plants Harbor Insects and Cause "Hay Fever"

Cut weeds at once, is the urgent advice given the people of Cisco by Dr. John H. Brice, city health officer.

Weeds and high grass harbor and furnish food for mosquitoes and flies, he pointed out. They also cause so-called hay fever and other forms of asthma.

Much suffering will be saved if much of the vegetation is cut while young from the ground.

On account of the daily rains about 35 per cent of the weeds are not yet dry. They are not careful to empty cans, barrels, cisterns and other receptacles of water, such as bird water means no mosquitoes, he said.

Take care of the garbage, do not let it pile up on the ground but dump it in the can with tight fitting cover for flies and mosquitoes on food.

Anyone will do his or her part to keep the town will be inspected by health department inspectors.

Things to be forced on their neighbors. Any health department assistance it will be glad to give.

UGLY SCENES IN TOWN HERE

There are always nooks in every town that are favorite show places for the proud citizen like his guests to demonstrate the beauty of his town. There are always streets that are worn a little smoother from this constant travel of the citizens and his guests. And all because of a few better built or yards a little better planned and kept than others. Such is the case with almost the whole of Seventh street in Cisco. No pilgrimage over the residential district would be complete until this street, where beautiful homes with their well planned and kept yards, which makes this part of Cisco so very attractive has been traversed. There are a score or more beautiful houses on this street, of which there will be more to say later, but in this article only a group of three are going to be mentioned.

One of the reasons why this group has been chosen at this time is because they are similar in many respects, and their lovely lawns are a result of careful planning under the guidance of a landscape gardener. System always counts, whether in business or in the pursuit of beauty, and a big feature in the extreme attractiveness of these lawns is the result of this systematic planning at the time these homes were conceived and built.

Now this group consists of the homes of Mr. and Mrs. P. P. Shepard, Mr. and Mrs. George Ruppert, and Mr. and Mrs. James E. Tichenor, all in the 700 block of Seventh street.

The home of Mr. and Mrs. P. P. Shepard, at 705 was built by the West Texas Utilities Co., as a Home Beautiful and it was equipped with every electrical convenience for the inspection of which, the public was invited. But while every detail of the interior was being carefully planned, the outside was not neglected, and now after the lapse of a few years the fruits of this planning are being enjoyed.

The house is of the Spanish type and lends itself quite well to the tropical effect of the shrubbery and evergreens which almost cover the place.

The lawn is enclosed by a hedge which is well trimmed and a giant silver leaf popular among the beauties and along the evergreens which are planted, give it the look of a garden and system. Of course flowers and flowering plants give a profusion of color and a romantic atmosphere to the whole place.

No. 1, West (Seventh) street, is a home of romantic atmosphere and a beautiful garden. The yard of this home is the hearts of any who might be permitted to see it.

No. 38, Southbound street, is a home of the settee hidden in the thick foliage of the grape vines, the most delicate of that youth and beauty. The more attractive at the rear as they are in the front. In fact much of the real secluded charm, which after all affords the most home atmosphere, is to be found in the real beauty which is enjoyed in the back yard.

Churches

FIRST CHRISTIAN.

The Bible school will meet at 9:45. Jack Winston will be in charge today. Classes under capable and interested teachers will welcome you. The Intermediate C. E. will meet at 7 p. m. under charge of Miss Hallie Strange. All who wish this training be there. W. F. Bruce of the Bible department of Randolph college will preach morning and evening. The pastor with his family are expected to return soon from Tennessee. The subject following the communion service at 11 o'clock is, "What Is Man?" At 8 o'clock on the Bible and Modern Problems will be given. This one is on the subject of "The Bible and Social Living."

FIRST PRESBYTERIAN.

Sixth street at Ave. H. The Sunday school this morning at 9:45 will observe children's day. Your presence will meet a welcome. At the 11 o'clock hour Mrs. R. D. Jones will sing. Dr. C. G. Morris will furnish special pipe organ music, and the choir will furnish special music. Mr. Boney will preach. At the 8 o'clock hour this evening be early for the popular song period. Mr. Boney and the choir will lead this. Another message in picture and sermon will show us Moses at Mt. Sinai. You will always find a welcome here, and a worthwhile message. — BRUCE C. BONEY, minister.

LUTHERAN.

Sunday school at 9:30. Let us all be prompt. No services today, either morning nor night. Let us all go to Albany to join our brethren from Albany, Abilene, Sagerton, and Lorraine in a Young People's rally.

METHODIST.

"Building Churches Upon Sand," at 11 o'clock, and "Working Together With God," at the evening service, will be the sermon subjects of the pastor, Frank E. Singleton. There will be special music by the director of music, Professor Thos. Reed, at both services. Everyone is cordially invited. Sunday school at 9:45. Standard Training school begins enrollment at 2 p. m. The general assembly is at 2:30 and classes begin promptly at 3 p. m. Those who desire to work for credits are cordially invited to attend, regardless of denominational alignment. Week night lessons begin each evening at 7:30. There is no cost whatever except for the books used in the class.

or paper. The back yard is well laid out and kept. Peach trees, heavy with fruit, figs and grapes, hanging in clusters; vines and ivy, running roses, a bearing pecan tree, elephant ears, violets, a jungle of roses, flags and other tropical plants; all lend their part in the Spanish charm of this delightful spot.

The adjoining place of Mr. and Mrs. George Ruppert, at 707 West Seventh street, was built by Joe Shackelford, now of Waco. It is built of brick and is of the English type, now so popular in the rapidly building sections of this part of Texas.

This place has a beautiful, well kept lawn. In the parkways and around the yard, are being grown pecan trees that are about ready to bear fruit. These trees add a great deal to the appearance of the place besides being of value. Hedges, well trimmed, are features also of this lawn. Evergreens and many flowering shrubs are artistically arranged to bring out the full beauty of the place. This is a house that must be seen to appreciate the full effect of its landscaped features. Window boxes with their many varieties of beautiful color add a delicate charm to the front.

The home of Mr. and Mrs. James Tichenor at 711 West Seventh street, is one of the best landscaped homes in Cisco. Perhaps more money was spent on the plan of this lawn and other architectural features, than has been the case of other homes recently built. Every detail has been softened or accentuated as desired, by the skill of the artist in the arrangement of evergreens, tall or low. Hedges have been used plentifully here and they have been toned down or allowed to grow in height according to the effect desired by the artist. A lovely window box with assorted colors adds the gentle touch in the rear front. A blooming Magnolia makes one think of the old south, with its exotic charm and color. Jasmine, pomegranates, crepe myrtle, lilac, butterfly bushes and evergreen cedars, which are planted just at the right places, are features in the well planned scheme of the setting.

This same landscaping effect is carried to the rear of the place and one gets the same impression of the artistic arrangement of the planting, whether you enter from the front or rear. In fact the old unsightly back yard of many years ago has almost disappeared from the modern home anywhere. And these homes are all just as attractive at the rear as they are in the front. In fact much of the real secluded charm, which after all affords the most home atmosphere, is to be found in the real beauty which is enjoyed in the back yard.

Wade Urges Those Affected by Proposed Tax Bills to Present Cases in Person to Legislature

"The press announces that the various tax bills introduced by Representative Mauritz of Ganada at the first special session of the 41st legislature will be re-introduced at the second special session which convenes June 3," said Homer D. Wade, manager of the West Texas chamber of commerce, who passed through this session Friday enroute to Fort Worth to be present at the testimonial banquet given in Fort Worth Saturday night to Messrs. Robbins and Kelly, the new aerial heroes.

"These tax measures," said Wade, "if enacted into laws would completely revolutionize the taxation system in Texas. In addition to this fact some of these would strike a body blow to the oil and gas industry in West Texas. Reference in this connection is had to the proposed tax of one cent per thousand feet of gas at the well and the proposed three cent gas production tax on oil."

"In the first place such taxes as these are sectional and any tax of this nature is wrong in principle. In the second place they tend to levy a tribute upon industries that cannot afford further handicaps. But there is no reason for a discussion of the demerits of such measures. The thing that we should do is to resolutely oppose them. The legislators are creatures of the public. They are servants of the people. These facts being true the interests that are so vitally affected are entitled to a full hearing. They should make themselves heard. I believe the legislators want to do the right thing and to enact laws that will help Texas grow. They should want to build and not destroy."

"If these conclusions are true, and in my experience they are sound, then the interests affected go to Austin and present real facts. Letters and telegrams and petitions are effective only in part. The thing that will get results is for the producers themselves to go to Austin in person and present facts as they really exist and then appeal to the sense of fairness and justice of the legislators. I believe that personal appeals will get the desired results."

"What is true of the proposed taxes on oil and gas is equally true of the income tax, the intangible tax, and other tax measures that are slated to come up at the second special session of the 41st session. "The fight is soon to come and the challenge to every citizen whose interests are affected by these proposed tax measures to present content, sensible and constructive reasons why such legislation should not be enacted into laws."

Wade said in speaking of the 11th annual convention of the West Texas chamber of commerce to be held in El Paso, that he felt sure that the presence of President Hoover of the United States, and President Gil of the Republic of Mexico will be secured for the meeting October 24-26, and that the event would be of international importance. He made it plain, however, if these dignitaries would come to the convention earlier that the meeting would be held at a time that would suit their convenience, but not later than October 24-26.

The manager of the regional organization added that recent rains had insured a bumper wheat crop in West Texas and had given a season that would practically insure crops in general.

Olney's first rabbit show Saturday drew many entrants, but the jack rabbit, indigenous to the section, was barred.

HONORING MRS. WILLIAMS. Mesdames Leonard Simon and Ford Hubbard and Miss Madeline Shepherd were hostesses to a prettily appointed party given at the Country Club Thursday afternoon honoring Mrs. C. B. Williams, who is leaving soon to make her home in Fort Worth. The club house decorations were in keeping with the "old fashioned" idea chosen for development by the hostesses. Large baskets and vases of snapdragons and larkspur combined with cape jasmine made the rooms most inviting. Yellow, lavender, green and pink were the predominant colors used in the crepe paper lunch cloths and napkins. Daintily dressed, old fashioned, dolls were given as favors. Mrs. Williams received a beautiful amber perfume bottle as guest prize. Mrs. H. S. Drumwright an amber powder box, as high score prize. Mrs. C. H. Fleming, two arm pillows, as cut prize and Mrs. M. D. Paschall, Jr., a rose decorated vase, as low score prize. Refreshments of ice cream roses, angel food cake and salted almonds were served at the close of the afternoon. Those assisting the hostesses were Mesdames M. C. Carlisle, O'Brien, Alex Spears, A. C. Green, Leon Mainer, Forrest Wright, C. B. Williams, Norman Smith, A. E. Willy, R. A. Williams, Bernard Webb, M. C. Williamson, Wm. Hoey of Abilene, George Fee and Miss Ester Hale. Others attending were: Mesdames A. D. Anderson, Jack Anderson, J. H. Brice, Gene Bell of Breckenridge, Benkenbecker, D. Ball, Emma Butler, Charles Brown, George Atkins, W. B. Chapman, R. B. Carswell, C. C. Clifton, Clyde Cantrell, E. B. Clappitt, H. S. Drumwright, Adolph Dove, Dean, B. S. Huey, C. H. Fleming, Bob Gilman, Lee Heltzel, Frank Howell, L. A. Harrison, S. E. Hittson, Bob Herron, Harry Lee, Dudley Lee, W. J. Leach, Fielding Lee, J. H. Mayer, R. W. Mancill, Nick Miller, Homer McDonald, Glenn Mortimer, K. H. Pittard, M. D. Paschall, Jr., Crigler Paschall, R. L. Ponsler, Fleet Paschall, J. E. Spencer, Charles Trammell, Dabney of Granbury, Elizabeth Woods, E. S. Wilkinson, P. R. Warwick, Cooper, A. E. Jamison, C. W. Shepherd, Parks, Almond, J. H. Cates of Decatur, Jeff Duncan, Misses Mayme Davis, Catherine Cunningham, Ruth Endicott and Elsie Cooper.

BASKET SUPPER. Friday evening members of the Country club enjoyed their regular monthly party. This time it was in the nature of a basket supper, each member bringing a lunch. Refreshments of ice cream and cake and lemonade were served by the following committee: Mesdames B. E. Morehart, T. C. Williams, Jeff Duncan, L. G. Simon, W. K. Eschen, J. L. Shepherd, W. J. Armstrong, Misses Madeline Shepherd. Approximately sixty people were in attendance and enjoyed swimming, fishing, boating and golf during the afternoon. Following the supper a number of the members enjoyed bridge and dancing for the remainder of the evening.

CIRCLE SEVEN. Circle 7 of the Baptist W. M. U. met Tuesday afternoon with Mrs. E. W. Davis in Humbletown. The meeting was opened by singing, "God Will Take Care of You." A short business meeting was presided over by Mrs. D. D. Lewis. In the absence of Mrs. J. R. Burnett, the mission study lesson was taught by Mrs. H. L. Kunkel. The meeting was dismissed with a prayer by Mrs. Jasper Daniels. During the social hour dainty refreshments were served to 11 members and sweet peas were given as plate favors.

INFORMAL BRIDGE PARTY. Last Wednesday evening Mr and Mrs. J. R. Almond entertained.

CIRCLE THREE. Circle 3 of the Presbyterian auxiliary met Tuesday afternoon at the home of Mrs. R. C. Lamb, with Mrs. Lamb and Mrs. Richards as hostesses. Mrs. O. W. Shepherd was leader of the devotional. After this a business meeting was held. At the close of an interesting Bible lesson by Mrs. E. S. Huey, the hostesses served delicious refreshments to nine members and one guest.

ORDER OF EASTERN STAR. Tuesday evening, May 28, the Cisco chapter of Order of Eastern Star installed officers for the ensuing year. The following officers were elected, with Mrs. Grace Bettis as installing officer: Mrs. Mae Westervelt, worthy matron; Mrs. J. M. Witten, worthy patron; Mrs. Emma Roberts, associate matron; Mr. Alpha Clark, associate patron; Mrs. Beula Witten, secretary; Mr. G. B. Murray, treasurer; Mrs. Frances Osborne, conductress; Mrs. Mary Brown, associate conductress; Mrs. Ida Elliott, chap-

lain; Mrs. Mae Kleiner, pianist; Mrs. Odessa Murray, marshal; Mrs. Edith Rumbaugh, Ada; Mrs. Vera McLeary, Ruth; Mrs. Minta Tunnell, Esther; Mrs. Bell Clark, Martha; Mrs. Ruby Hays, Electa; Mrs. May Johnson, warder; Mr. W. H. Hayes, sentinel. Mrs. Ruth Clappitt, in behalf of the members of the chapter, presented Mrs. J. B. Farmer, the out-going worthy matron, and Mr. Leroy Wilson, the cut-going worthy patron, with a pin, emblematic of their office in the chapter during the past year. At the close of the installation ceremony, the chapter adjourned.

BAPTIST CIRCLE MEETS. Circle 3 of the Baptist W. M. U. met Tuesday afternoon with Mrs. E. C. McClelland. A short business session was conducted by the chairman, Mrs. E. C. Duncan. Mrs. Flournoy taught the Bible lesson. Following this, Mrs. C. H. Van Eman presented a dainty collection of handkerchiefs to Mrs. Flournoy as a gift of appreciation from the circle for her splendid work in teaching the Bible lesson during the past year. A social hour followed, during which time the hostesses served ice cream and cake to nine members and Mrs. Roy Stoker, a guest from Breckenridge.

MISSIONARY SOCIETY. The Methodist Missionary society met Tuesday in an all day meeting to finish the study of the book "What Next in Home Missions?" The meeting was called to order by Mrs. Ira Eakin, who read the one hundredth psalm for devotional.

MISS TRIPPLITT ENTERTAINS. Friday night Miss Roubie Tripplitt entertained a few of her friends.

This was followed by a prayer by Miss Ella Andres. The following prayer was then given: "The Dominance of City," Mrs. F. E. Singleton; "Home of Poor," Mrs. L. E. Vaughn; "A Church Survey," Mrs. C. O. Shugart; "The Average City Church," Mrs. B. E. Morehart; "The City Mind," Mrs. Ira Eakin; "Maintenance in Land," Mrs. Sherman Roberts; "Undergirding Democracy," Mrs. J. D. Barker; "For the Negroes of the South," Mrs. W. E. Ricks; "Friends," Mrs. Mary Thomasson; "In the Heart of the Rockies," Mrs. Lovelady; "Social Education for Adults," Mrs. H. E. Pye; "A Folk School in the Mountains," Mrs. Mary Andres; "A New Crusade," Mrs. Shertzer; "Ignorance," Mrs. M. D. Ford; "Evangelism," Mrs. F. E. Singleton; "Planning for Churches in the City," Mrs. T. E. Brown; "The Aroostock Way," Mrs. T. J. Dean. At the noon hour an old fashioned basket dinner was enjoyed in the basement and then a short business session was conducted by the president of the society, Mrs. George Winston.

Circle No. 1 will hold a bake day at the Presbyterian church Tuesday. Approximately 30 cars of cedar posts shipped out of Kerrville during past four months.

Local Golfers Practice for West Texas Open Contest

PLAY OPENS AT STAMFORD ON JUNE 10

Will Last for Three Days; Entertainment for Women.

Local golfers are starting practice in earnest for the annual West Texas open tournament which will be held at Stamford starting June 10 and will last three days. Jeff Duncan and J. W. Love have already entered the tournament and others will be entered.

Golfers from an area stretching from Mineral Wells to Big Spring from Stamford to San Angelo cross clubs this event.

About 35 golfers will be reported. Some of the best golfers exas are listed in these organizations.

Entertainment for the women, as bridge and theater parties provided. There will be a picnic and Calcutta pool for Monday evening at the Country club.

IG STAR SCHEDULE ANNOUNCED

TAR, June 1.—Plans going forward to make one of the strongest Star Wildcats. Football amounting to \$750,000 and other items to be made in the

Several of the old regents this year, there are old men on the Stanley Gray as wildcats should prove a fighting unit as well as some prominent grammar school grades of high school. It is hoped, will defeat football men. Spectators to come in the May, and other surrounding communities.

The board has several good candidates in mind, but as yet one has not been definitely elected. It is hoped that this matter will be settled soon so the coach can get the team lined up for the season.

Rising Star is in district 10 this year as usual, which is at present composed of the following towns: Albany, Comanche, DeLeon, Desdemona, Dublin, Gorman, Hamilton, Moran, Stephenville, Strawn, and Cross Plains, with the probability of Caddo and Clyde coming in later. The championship of the district this year is to be decided upon a percentage basis. Games played with schools in this district will be counted but in order to be eligible for the championship each school must play at least eight other schools in the district.

It was noted that Cross Plains was in the league for the past several years. Cross Plains expects to be one of the fastest teams in the belt loop this year and is trying to make a hard fight for district championship of the district in B class.

upt. Dawson reports the schedule for the coming season as follows:

Eastland, at Eastland—September 13.

Gorman, at Rising Star—September 20.

Stephenville, at Rising Star—September 27.

Strawn, at Rising Star—October 4.

Cross Plains, at Rising Star—October 11.

Comanche, at Rising Star—October 18.

Gorman, at Gorman—November 4.

Stephenville, at Gorman—November 11.

Strawn, at Strawn—November 18.

Cross Plains, at Strawn—November 25.

Comanche, at Strawn—November 25.

Dublin, at Dublin—November 25.

Strawn, at Strawn—November 25.

Cross Plains, at Strawn—November 25.

HUGGINS SAYS WILL REVAMP YANK LINEUP

NEW YORK, June 1.—Trailing the Athletics by eight games the New York Yankees today faced drastic changes in their lineup. Manager Miller Huggins announced that he expected to make the following changes in the world champions before they take the field against the Chicago White Sox today.

Bench Mark Koenig for Gene Robertson at third base.

Replace Lynn Lary at shortstop with Leo DuRocher.

"We look terrible," Huggins said. "Unless we show improvement every player on the club will be liable to lose his job and that includes Ruth and Gehrig and all the rest. It's the first time since Meusel joined the team in 1920 that I have had to bench him except for illness or injuries. I have to do it but we've got to get going somehow."

BIDS OPENED JUNE 10.
AUSTIN, June 1.—New bids on gasoline and oil for the state highway department are to be opened June 10. The contract will be let for approximately \$1,000,000 worth. The bids are to take the place of those formally held invalid when the winning company bid in pounds instead of gallons.

By the application of certain chemicals, coal is being made dustless not only at the time of delivery but it remains so after storage in the bins.

CISCO WILL HAVE AMATEUR BASEBALL 9

Former Loboos Are Included in Lineup of Team.

Baseball fans will have the opportunity of seeing a local club in action during the coming weeks when the local amateur team recently organized swing into action. Cisco has several very good players and games will be matched with as many neighboring teams as is possible. The team has been working out for the past three weeks. Only one played so far. In this game Cisco was leading the West Texas Utilities team of Abilene by the score of 8 to 0 when rain halted the game in the third inning. The personnel of the Cisco team is made up principally of ex-Loboos and college players. Bill Smith, former Lobo catcher, is doing the receiving for the Cisco crew. "Cotton" Phippen and Charlie Bryan are doing the hurling. They will probably be assisted by Red Moore, former Lobo who has just returned from Texas Tech where he was one of their leading pitchers. Brit Phippen, another former Lobo will hold down first base. O. C. Ray, second base. Geo. Van Horn, short stop. Jack Phippen third base and Lanham Bucey, W. L. Goughlight and Leroy Purvis serving in the outfield.

This lineup should give Cisco one of the best amateur organizations of any of the towns in the Oil Belt. They will play their first home game next Wednesday afternoon at Chesley Park when they meet the Breckenridge Dynamoes.

Negro Ball Club Manager Finds Luck Traveled Far Away

ST. LOUIS, June 1.—With his star pitcher in jail for shooting his first baseman who is in the hospital, Manager Harry Claudius Kenyon of the Memphis Red Sox, runners-up in the National Colored League, today faced the prospect of fresh disaster.

The Red Sox, crippled and mad, must face again today the mighty St. Louis Stars whose bats started all the trouble.

For Pitcher Robert Poindexter couldn't find the holes in the St. Louisians' bats in Thursday's game. Through six disastrous innings they hit him all over the lot. The Stars won 14 to 3.

As Poindexter sat brooding over it in the lobby of a hotel here yesterday, First Baseman Jake Haskell came along. "Cheer up, big boy," he advised, "today is ladies' day. You'll go better with all the girls out there."

"Boy," replied Poindexter seriously, "get away from me, I've had enough to shoot."

Haskell was slow. Poindexter produced a revolver and shot him in the foot.

Poindexter was taken to jail and Haskell to a hospital. Haskell will probably get back into baseball in time to see the world series. Indications are that Poindexter may not get out of jail that soon for it was discovered that authorities at Atlanta wanted to talk to Poindexter, about a little matter of a violated parole. Proposals for getting him out on bond to pitch in the double-header against the Stars yesterday afternoon, were therefore scheduled.

"It sure is a tough break," Manager Kenyon told the United Press. "Haskell was good, and Poindexter was about the best pitcher we had. But I never did like his temperament."

ATHLETICS ARE GOING LIKE A HOUSE AFIRE

Win 14 of Last 15 Games Played This Season.

By GEORGE KIRKSEY
United Press Staff Correspondent.
NEW YORK, June 1.—It is about time to take the Philadelphia Athletics apart and see what is making them run away with the American league race.

The Athletics looked rather feeble in the spring but recovered quickly once the championship season got under way and have been playing like coming world champions during the past two weeks.

They have won 14 out of their last 15 games and lead the American league by a margin of 5 games with a long home stay in front of them.

The Spark Plug of the Philadelphia machine is chubby-faced Jimmy Fox, 23-year old first baseman who is tearing the cover off the ball. He is leading the American League in batting with a mark of .434 and has hit safely in the last 15 games.

Another bright star in the Athletics outfit is Mickey Cochrane, whose catching and hitting are proving even better than last season when he was named the most valuable player in the American League. Cochrane is runner-up to Fox among the American League hitters. With an average of .390. He has hit safely in the last 14 games.

Seven of the eight Philadelphia regulars are batting .300 or better. The devastating Philadelphia batting order follows:

G.	A.B.	R.	H.	Pct.
Bishop, 2b	33	139	37	.337
Hass, cf	33	162	38	.509
Cochrane, c	33	136	33	.390
Simmons, lf	34	155	26	.456
Hale, 3b	33	153	22	.46
Foxx, 1b	33	143	32	.61
Miller, rf	33	152	25	.439
Dykes, ss	37	123	23	.40

(Averages include yesterday's games.)

Not only are the Athletics getting plenty of hitting but they are getting championship pitching to go with it. With Howard Ehmke's return to form, Connie Mack now has seven reliable pitchers on his staff. Making his first start of the season, Ehmke beat the Tigers yesterday.

The imposing record of the Philadelphia pitching staff follows:

W.	L.	Pct.	
Rommel	4	0	1.000
Ehmke	1	0	1.000
Grove	7	1	.875
Quinn	4	1	.800
Walberg	6	2	.750
Shores	2	1	.667
Earnshaw	3	3	.500

With the New York Yankees threatening to fold up any day as pennant contenders, the St. Louis Browns depending on their hitting to stay in the race and the Detroit Tigers needing something more than hitting to keep them up there, Connie Mack's hopes for "just one more pennant" are brighter than at any time since he broke up his 1914 team.

HALE QUITS HOPE.
WILLIAMS, Okla., June 1.—William K. Hale, who was convicted of complicity in a reign of terror during which more than 12 members of the wealthy Osage Indian tribe were murdered, today had resigned himself to the fate given him by a jury—life imprisonment.

BAN IS PUT ON 19TH HOLE AT TOURNEY

OMAHA, Neb., June 1.—There will be no nineteenth hole at Omaha Field club during the trans-Mississippi golf tournament, June 24-29. Blaine Young, secretary-treasurer of the association declared here.

According to Young there is no cause for specific orders against infringing on the Volstead act because liquor is barred at the club.

"There is very seldom any drinking at tournaments," Young said. "Players have found that alcohol and good golf do not mix."

More than 300 of the best amateur golfers of the West have signified intention of entering the tournament, Young said. They come from clubs between the Mississippi river and the Pacific coast.

Minneapolis: St. Paul; Kansas City: St. Louis; Des Moines; Omaha; Denver; Colorado Springs; Amarillo, Tex.; Albuquerque, N. M.; Columbia, Mo.; Dallas, Tex.; Duluth, Minn.; Fort Worth, Tex.; Hot Springs, Ark.; Houston, Tex.; Lamar, Colo.; Lincoln, Neb.; Los Angeles; Mount Vernon, Ill.; New Orleans; Normandy, Mo.; Oklahoma City; Ottumwa, Ia.; Pueblo, Colo.; Quincy, Ill.; Rock Island, Ill.; St. Joseph, Mo.; San Antonio, Tex.; Sioux City, Ia.; Tulsa, Okla.; Wichita Falls, Tex.; Topeka, Kas. and Wilmar, Minn. clubs are members of the association and each is expected to have one or more entries.

It will be the 29th annual tournament. Walter Bartlett of Ottumwa, who won the title last year and several other ex-champions will try to repeat.

Among these are Johnny Goodman, Omaha, winner in 1927; Eddie Held, Clarence Wolf and James Menion, winner in three preceding contests.

TO DEMAND EXPLANATION OF GOVERNOR

To Ask Why He Stopped Fight in Fort Worth.

DALLAS, June 1.—With the Kid Kober-Duke Trammel fight called off, Dallas fight fans and promoters were demanding an explanation today why Governor Dan Moody has permitted boxing in Galveston, Houston and other cities and stopped it here.

Calling the governor's action "cheaply theatrical" in sending Ranger Captain Tom Hickman to Fort Worth and Dallas to stop scheduled fights, William McGraw, district attorney, issued a statement lambasting the fact that Moody lacked such confidence in public officials as not to allow them to distinguish between exhibition boxing and prize fighting.

"Prize fighting" is termed illegal on Texas law books. Exhibition boxing is permitted. The controversy will probably remain unsettled until the exact distinction between the two is drawn.

Captain Hickman suggested the only thing to do is boxing matches are to be held any place in the state is to get them legalized by the legislature.

Card for Milk Fund Boxing Show Made

NEW YORK, June 1.—The complete card for the milk fund boxing show at Yankee Stadium June 27 has been announced by Madison Square Garden, as follows:

Max Schmeling, Germany, vs. Paolino Uzcudun, Spain, 15 rounds.

K. O. Christian, Akron, O., vs. Otis Von Porat, Chicago, 10 rounds.

Johnny Grosso, Yonkers, N. Y., vs. Angus Snyder, 10 rounds.

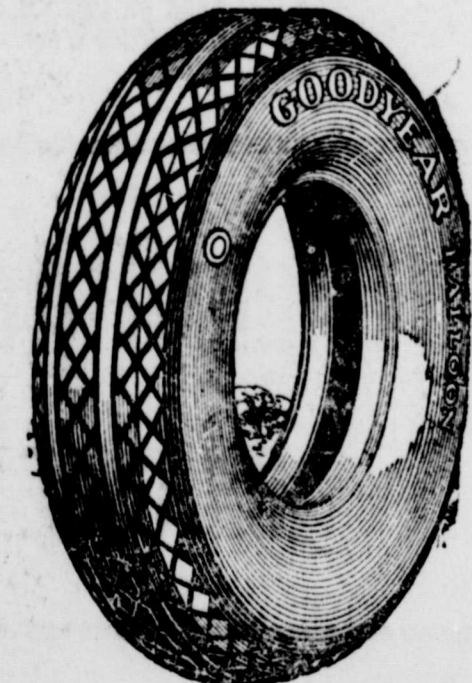

Roy Wallace vs. Primo Ubaldo, Europe, 6 rounds.

Jackie Saunders, New York, vs. Jerry Pavelo, 4 rounds.

All of them are heavyweight.

A negro maid cleaning a bath tub with a gasoline soaked rag, escaped when she got too close to a heater and it ignited, but the house was damaged \$1,500 by the resulting blaze.

TIRE SERVICE
Every Day in The Year!

Your tire business is desirable to us. We bid for it on the basis of quality merchandise at a fair price. Then we throw in something extra for good measure. That something extra is SERVICE.

Our service is ready for you whenever you need it. Just phone us—we'll leave a meal or get up out of bed at night, to look after you. Our service is maintained for just one thing—to take care of you. We want to show you we deserve your trade.
