About the FRIGIDAIRE!

. That would be hard indeed . . . No matter where you may go, at the mere mentioning of the word FRIG-IDAIRE all instantly recognize it as being the name of the most popular of all Electric Refrigerators!

But, why the popularity? . . . Dependability, Performance, Beauty, Power and convenience are several reasons why now more than a million Frigidaires are in constant use . . . giving over a million families faithful

No matter what model Frigidaire you might select, it will have every new improvement including the famous COLD CONTROL . This wonderful device speeds the freezing of ice cubes and with it dozens of delicious desserts and salads can be made easily and quickly.

When convenient, walk into our display rooms, and see the most "Talked About" Frigidaire-Priced as low as \$215 installed and operating in the home . . . Convenient terms to those who desire.

West Texas Utilities

Conoco Ethyl is a proper admixture of Conoco, the extra-miles motor fuel, and Ethyl Fluid, developed by General Motors. All Ethyl Gasoline is not Conoco Ethyl. To be sure you are getting Conoco Ethyl, fill only at those pumps which display the Conoco Ethyl sign.

CONTINENTAL OIL COMPANY

Producers, Refiners and Marketers

Conoco Ethyl releases a flood of power. Up you

go-and you reach the summit behind a cool,

quiet engine. That's real motoring-and that's

the extra satisfaction you get from using Conoco

Of course, Conoco Ethyl costs a trifle more than

ordinary gasoline, but it saves many times its

extra cost by reducing wear and tear and by de-

livering all the power your motor was designed

Try Conoco Ethyl on your week-end trip. Then you'll
