Historical San Antonio Tour Enjoyed By Spanish Class

By MRS. W. B. HILL

Spanish students and Lions Club Teen-Fair Contestants from Hico spent last Friday visiting landmarks of Texas history and enjoying the Spanish and Mexican culture so dominant in the older parts of San Antonio.

Several weeks ago the Spanish Class had planned such an excursion, but the trip had to be postponed until school was out in order to make the two-hour musical program "Fiesta Noche del Rio" the climax of the day's activities. And last Friday, because two members of the class were unable to make the trip, every event during the day lacked something very special.

Connie Bulloch had already enrolled for classes at Baylor University and could not go along, and Claudia Hafer, who had been looking forward to making the trip, had undergone surgery late Thursday afternoon and could not go.

Spanish students making the trip were Cheryl Baley, Dwain Fall, Drewford Barnett, Edmund Horton, Lynn Malone, and Mike Thornton.

Teen-Fair contestants were Eliene Gannaway and Mary Ann McClure. Teen-Fair, sponsored by the Lions Clubs of Texas, is being held at the Joe Freeman Coliseum in San Antonio from June 5 through 14, and is open to Texas teenagers who are interested in exhibiting their work and competing for honors in the fields of science, art, music, hobbies, crafts, dancing, homemaking, rodeoing, and many other activities.

TWO ODDITIES—Two things are unusual about the subjects shown above. First is the mule colt born to the purebred Shetland pony, and second is the cast on the Shetland's hind leg. The broken limb was set by Dr. Vern Scott of Stephenville and is apparently healing normally. The veterinarian said that it was very rare to be able to mend a broken leg, and was perhaps even more rare for a Shetland to give birth to a mule colt. The little fellow is a slate-blue in color, but has his mother's white tail and mane. The pair belongs to Fred Jaggers.

THE DEPENDABLES: SUCCESS CARS OF '64

Not all leaders are born some are made

The rather handsome car above is what you might call a two-time winner. Dodge led the nation in percentage sales increase last year and continues to set and smash these lofty sales marks in 1964. It's also called a 1964 Dodge. Or the low-priced car that doesn't look like one or feel like one. People who have bought one, and who, incidentally, are trading in all kinds of other cars in record numbers, say they like: 1. The looks. 2. The roomy and rather posh interiors. 3. The extra savings of its famous Slant Six. 4. The lively V8 that goes on regular gas. 5. The self-adjusting brakes and 32,000-mile interval between major grease jobs. 6. The solid way it's put together—with a fully unitized, rust-protected body. 7. The price (right with Ford and Chevy).

If these seem like pretty good reasons for buying a car, join the swinging trend-setters who are changing the look and feel of the low-price field. You'll find them at your Dependable Dodge Dealer's.

Teen Topics around town

By CHERYL BAILEY

(Ed Note: In previous summers the News Review has attempted to feature a teenage column of news events about local teen and pre-teenagers. Cheryl Bailey, who will be a senior student in Hico High School next fall, has graciously consented to write such a column this summer. She needs to know about parties, visitors, or any activity that would be of interest, and local kids are asked to contact Cheryl each week and give an account of their activities. The first column appears below.)

Well school is out at last and kids are swarming everywhere. The college crowd is back with us and can be seen in the old familiar places.

Barbara Randals is home and I am sure by now she has taught James Hord the North Texas Push.

Holand Sherrard is back and is seen playing grocery boy along with Sylvia Sherrard who is in from Tarleton.

Bobby Boone is with us again and he is seen very often in his little MG with you-know-who at his side, Kathy Higginbotham can be seen riding around town quite often with a few of the other kids.

A few topics for discussion are Barbara Casey's white Chevy convertible, new sunburns and the different summer jobs that we have.

Many of the old crowd are out of town visiting old friends and kinfolks.

Joni Coan is in Stephenville to spend the summer and Verna Busby just came back from a visit in Fort Worth. I think Jerry Casey made a few visits to Fort Worth while Verna was there.

Several of the boys are out of town working as Gary Wootton and Alan Soisbery have been doing.

Some of the girls participated in play school which Mrs. Johanson was having at school.

We have had two weddings since school was out. Best of luck to Mr. and Mrs. Eddie Turner and Mr. and Mrs. Lloyd Hyles.

Last Friday morning Mrs. Hill's Spanish Class left for San Antonio where they spent a day of sight-seeing and having fun. Members of the class are Drewford Barnett, Cheryl Bailey, Edmund Horton, Dwain Fall, Mike Thornton, and Lynn Malone. Claudia Hafer and Connie Bulloch are members but were not able to make the trip. Claudia was in the hospital and Connie was out of town. Mrs. McClure, Mr. Barnett, Jimmy Barnett, Mary Ann McClure, Elene Gannaway and Katherine Gannaway also took part in the activities.

Last Sunday, Mrs. Horton, Edmund Horton, Mrs. McClure, Mrs. Jones and Sharon Jones took a group from Hico to Stephenville swimming. Afterwards a barbecue was enjoyed. Those present were Alan Royal, Paula Lane, Cherry Ramage, Dwain Fall, Leslie Royal, Jeannie Bailey, Lynn Malone, Barry Polk, Ann McClammy and Louise Fall.

Claudia Hafer underwent an appendectomy last Thursday after-

noon. She is home now and recovering nicely. From the looks of things the password this summer is going to be "fun" which I am sure we are going to have plenty of.

Miss Glenda Stevens of Arlington returned home Tuesday of this week after visiting the past two weeks in the home of her grandparents, Mr. and Mrs. Frank Mingus.

Mrs. Helen Walker and daughter, Diana of Waco visited last week in the home of her mother, Mrs. G. C. Miller. They also visited with her sister and family, Mr. and Mrs. Ray Cheek and Chuck.

Visitors Thursday of last week in the home of Mr. and Mrs. Louis Chaney and Mrs. Emma Paddock were her brother, Mr. and Mrs. N. A. Paddock and Weldon of Fort Worth.

Mrs. Lovella Wall of Oklahoma, Mrs. Ruth Taden of Wisconsin, and Mrs. Ted Jones of Dublin were Friday visitors in the home of Mrs. Mollie Harvey.

Mr. and Mrs. John F. Crow, Jay Dean and John had as their guests last weekend Mrs. R. E. Bohannon, Vickie, Sharie, L. D., Martha Ann and Bobbie Sue of Oklahoma City, Mr. and Mrs. Marshall Crow, Stayse and Berry of Grand Prairie, W. M. Goyno of Waco, Mrs. C. L. Spinks of Hico and Jessie Barber of Midland.

Mrs. Agnes Everett of Stephenville was a Sunday visitor in the home of Mr. and Mrs. S. W. Everett.

Mr. and Mrs. Jim Carmean were Friday and Saturday visitors in Waco in the home of their daughter and family, Mr. and Mrs. Gene Forsythe, Robert and Jane.

Riding Club Roundup...

By JOYCE SHEPHERD

Last Friday night was Kid's Night at the Hico Arena, and although we didn't have a real large number of kids, the ones who were there really had a time. The spectators enjoyed the show also. The club gave ribbons to first, second and third place winners, in the following events:

Barrel Racing (12 and under): Sherry Weathers first, Linda Crites second and Kay Kilgo 3rd. Barrel Racing, over 12: Janis Shepherd, Lee Crites.

Flag Racing, 12 & under: Sherry Weathers, Kay Kilgo, Elizabeth Black.

Flag Racing, over 12: Ronnie Hefner, Edwin Black, Janis Shepherd.

Rescue Race, 12 and under: Elizabeth and Eldon Black, Linda Crites and Kay Kilgo, Lester Chew and Eldon Black; Over 12: Janis Shepherd and Paula Lane, Lee Crites and Eldon Black, Edwin Black and Dennis Solsbery. That last pair put on quite a show. Edwin's horse was in a real big hurry and so was Dennis to get off of him. I've never seen anyone go over a fence quite as fast as he did.

Calf Riding, under 14: Eldon Black, first; Over 14, Howard Strader first, Edwin Black second.

Pole Bending, 12 and under: Linda Crites, Sherry Weathers, Mike Kilgo; 12 and over, Janis Shepherd, Lee Crites, Edwin Black.

Tie Down Roping, under 14, no winners; Over 14, Edwin Black first, Ronnie Hefner 2nd.

There was a matched roping between Edwin Black and Ronnie

Hefner, with Ronnie the winner. Every other Friday night will be Kid's Night at the arena, so plan to come and enjoy the fun.

Sharee Williamson lost a spur somewhere around the arena Friday night, so if anyone finds it she'd sure appreciate getting it back.

Mr. and Mrs. Mike Lackey and little son, Neal of Fort Worth visited during the weekend in the home of their parents, Mr. and Mrs. A. H. Lackey and Mr. and Mrs. Ray Cheek.

Weekend guests in the home of Mrs. Sallie Ogle were her children, Mr. Johnnie Ogle, Diana, Jim, Danny of McGregor, Mr. and Mrs. A. J. Lowery, Jerry and Mr. and Mrs. Dick Kelsor of Killen, Mr. and Mrs. Cecil Ogle of Waco. They also attended the wedding of Miss Judy Ogle and Loyd Hylton.

D., Martha Ann and Bobbie Sue of Oklahoma City, Jay Dean Crow of Fort Worth, and Mrs. Arvil McCoy and Vickie of Iredell, Mrs. Pat Harris, and Mrs. R. E. Burnett and John and Mrs. John Crow and John

FAIRY

By MRS. EUNICE DANIEL

MRS. WILLEFORD HONORS FAIRY HIGH SENIORS

Mrs. Oran Willeford honored the senior girls of Fairy High School with a breakfast in her home May 27 at 8:30 a.m.

Theme of "Wishing You Well" was carried out in the centerpiece of blue and white, the school colors. Blue ribbons led from the centerpiece to individual place cards. Those enjoying the breakfast of orange juice, coffee, and cantaloupe filled with watermelon, banana, pear and pineapple, were Sandra Gardner, Joyce Jones, Kaye Rushing and Doran Gwen Willeford.

We have had fair weather and

high winds the past several days. Although we are needing rain we feel sure farmers who have grain to combine are hoping for a few more days of fair weather. Grain is turning out good with the best yields reported in several years. The hail damage last Saturday week reached on to Cleburne and Fort Worth and was also reported to have had hail stones as large as pullet eggs just west of Ireland, 12 miles south of Hamilton. Ken May, who resides on the former Frank Driver place south of Fairy was in the Ireland area just after the hail and reported the size of the stones.

Bill Helms of Iredell reported Monday that he had been out

since 6 a.m. Monday checking roofs to order shingles for repair. They also had some damage by wind to small buildings on Thursday night, according to Mrs. Helm Friday morning.

It seems the wind and hail is more prevalent now with any rain cloud and farmers are going to experience much uneasiness until the harvest is over.

Mr. and Mrs. P. L. Cox attended a reunion of her family, the McDonalds, Sunday. A large crowd was present and all enjoyed a bountiful basket lunch at noon, and visitation throughout the day.

Mr. and Mrs. Lester Smith of Falfurrias were expected to return to their home in the Lanham community last weekend. Mr. Smith is retiring. They are the parents of Mrs. Marvin Porterfield and Mrs. J. A. Edwards.

While enroute to Iredell last Friday we noticed that the house on the former Luther Jameson place in the Falls Creek community had either burned or been moved. The trees near where the house stood appeared to have been scorched as if the residence may have burned.

The Levi Petty family have moved to Marble Falls. Also his brother and family who lived on the Knight place have moved but we didn't learn where.

The Burns family living on the former Hutton place has also moved. Mr. Burns is in the service but we didn't learn where he is stationed.

We have overlooked making mention of injuries received recently by Virgil Parker and Don Bullard. Mr. Parker received a broken arm when he fell from a horse. About a week or ten days later the same horse threw Don. He received a partially crushed foot and was a patient in Hico Hospital for a few days. His accident was on May 28. Both are employees on the Duncan Ranch. For a time it looked like Mr. Rachug was up against a labor problem with the grain harvest, but according to reports the hail storm solved that problem for him.

Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice and the writer visited awhile Friday night in the home of our daughter and sister, Mr. and Mrs. D. E. Allison. The visit was in honor of Mrs. Allison's birthday. All enjoyed a barbecue supper and a birthday cake baked

by Mrs. Sellers.

Several phone subscribers have received notice by mail instructing party line members to show courtesy to other members on the line who also pay dues and need the service too. These notices are supposed to be mailed to all subscribers which is an added expense to the company. We wish it were possible to have a system where calls were limited to a certain length of time and then automatically cut off when time was up. It seems this is the only way some are going to get any service. Telephones are not play things for tots and should be kept out of their reach. We hear some complaints on this. It's all right to have a friendly chat with a friend or relative but at no time should the phone line be tied up for 30 minutes to an hour by such calls. My line has even been used for children to give out their spelling lessons to each other. Not only do we hinder those on our own line but we must remember that no one can ring in on the line as long as we have it tied up. When we started our house in Fairy we came down home to call our daughter in Stephenville. The line was tied up as usual. We waited 15 minutes and asked for the line. Through the courtesy of one of the parties we were allowed to put the call through only to learn the machinery was in Hamilton. We made an attempt to call Hamilton but the first same two parties were back on the line. By the time their conversation was over the line had been grounded by repairmen and we had to drive 8 miles to Lanham to use the Hamilton phone. I'm just one of many that has had this problem as we understand several have made complaints. Why not try to do unto others as you would have them do unto you and show courtesy to other members on your line. Then they too can receive a little service in return for the dues they pay.

Birthdates for June are Mrs. T. L. Betts June 2; Mrs. D. E. Allison June 5; the late J. O. Richardson and our sister, the late Gladys Cox June 9; H. O. Richardson June 10; Karen Pittman June 16; Mrs. Ray Turner June 14; Wayne Pittman June 23.

Mrs. T. R. Parks underwent minor surgery last week at Hico Hospital and is recovering nicely.

Don't forget the school homecoming to be held next weekend, Saturday, June 20. The committee met one day this week and decided to have a basket lunch this year since the consolidation of our school with Hamilton, and not enough time to make proper arrangements for a barbecue or catering service. Invitations are being mailed by the committee. We hope all will try to come and tell your friends.

Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice spent Sunday in Killeen visiting in the home of Mr. and Mrs. Ray Turner and Keith. Mrs. Turner had prepared lunch for her parents in observance of their 24th wedding anniversary. The Turners presented them with a beautiful arrangement of pink artificial roses.

Mr. and Mrs. Truett Turner of Fort Worth visited during the weekend with her parents, Mr. and Mrs. T. R. Parks.

Dickie Spencer of Lubbock is visiting this week in the home of his grandparents, Mr. and Mrs. E. M. Hoover.

Work is progressing steadily on our residence in Fairy. Leslie Patterson and George Griffiths of Hico are doing the carpenter work. They are decking the roof at this time and we will be glad to see the roof finished since they can work then regardless of weather.

Due to showers last week work at the cemetery wasn't completed until Friday. However work will probably be started again next week to go over all lots again and mow a portion of the north and east side. Mrs. Marvin Porterfield has been helping out and we surely appreciate her services.

Mr. and Mrs. W. E. Goynes are spending the summer at their home here.

Mr. and Mrs. Willie Turner and Bernice were weekend visitors in Arlington with Mr. and Mrs. Jackie Turner and family.

Archie Duncan expects to be discharged from the Army this Thursday at Fort Hood, according to his mother, Mrs. Oiga Duncan. Mrs. Duncan also said that someone had left a pie plate at her home at the time of death of her husband.

Recent donations were received from Mrs. R. M. Hanshaw, \$5 for the Will Green lot, and \$2 from Mrs. Julia Brunson. Our sincere

thanks to all. Today, Tuesday, we have heavy clouds and looks as if we are in for some rainy weather. Farmers

are all working early and late trying to get their grain combined. All trucks are tied up and help is scarce.

COUNTY AGENT REPORTS

By DeMARQUIS GORDON

Most cotton fields in the county have a heavy infestation of thrips. The thrip damage is easy to recognize because the young leaves are left ragged and often cup-shaped.

Large numbers of beneficial insects seem to be in the young cotton also. These insects help control cotton pests such as the bollworm, cotton aphid and spider mite. Because of the beneficial insects' presence I recommend using the Toxaphene-DDT (mixture 2-1) to control the thrips. Make a second application 7 days after the first if the thrips continue to do damage.

Grasshoppers are hatching out now and may cause a lot of trouble in some areas. They are easiest controlled while they are young.

Dieldrin, Aldrin, and Heptachlor at the rate of one-half to one pint per acre is most effective, but there are some limitations for its use on pastures that are being grazed. These insecticides can be used on ditch banks, roadsides, wastelands and non-crop area. Malathion may be used at the rate of one quart per acre, but pastures cannot be grazed with five days after application. Sevin (80 per cent wettable powder) can be used at the rate of two-thirds pound per acre to control the hoppers. There are no restrictions on treated pastures. Sevin is highly toxic to bees. If you have any beekeepers near you necessary precautions should be taken.

I have seen several valuable yard trees in Hamilton that have been damaged by 2,4-D weed killer. In most cases the 2,4-D was used when the wind was not blowing, but trees were damaged within 100 feet of the treated area. The 2,4-D is very volatile and will travel through the air even when the wind is not blowing. I would not recommend using 2,4-D around

valuable trees and ornamentals without checking into its possible danger.

I am attending the District Boy's 4-H Camp at Lake Brownwood with a delegation of Hamilton County boys, June 9th thru 11th. The office has been closed these three days.

San Antonio Tour —

(Continued from Page 1)
 through this museum of natural history.
 At the brewery is also the O'Henry House, a small cottage in which William Sidney Porter once lived and worked.
 Souvenir and gift shops at most of the stops came in for their share of attention. Gifts for girl friends back home and mementoes for family and friends were purchased by various members of the group. The Barnett boys selected some very attractive gifts for their mother, and Eilene Gannaway carefully chose presents for her sisters and for her little brother at home. A number of Mexican sombreros came back to Hico with the party, along with several trinkets and personal souvenirs of the trip.

Mrs. McClure had spent the afternoon visiting with a relative, Miss Constance Allen, formerly of Hico, and when the touring group had completed the trip described above, they were met by Mrs. McClure and Miss Allen at the beautiful Casa Rio on the San Antonio River.
 There at large tables on the terraced and beautifully landscaped bank of the stream they enjoyed a delicious Mexican supper while guitarists serenaded their tables and the tables of others dining nearby, and colorful pleasure boats passed up and down the romantic river before them. The

scene was truly an enchanting one.
 Having finished their meal the party boarded the Casa Rio river boat and were carried downstream to the Arneson River Theatre for the climaxing event of the trip. The theatre is an out-of-doors arrangement built on a bend in the river with the stage on one side and the seats for the audience on the other. In this way the scenes presented on the stage are also reflected in the mirror-like surface of the river and are doubly attractive. An occasional boat drifting by sometimes disturbs the reflected picture, but it also adds to the charm of the general scene.
 Here the Hico students saw and heard a two-hour program of dancing and music and songs presented by some of the finest Spanish-speaking talent in the western hemisphere.

This program, sponsored by the Alamo Kiwanis Club and called "Fiesta Noche del Rio" is presented each Tuesday, Thursday, Friday and Saturday nights in June, July and August from 8:30 to 10:30 o'clock. This is the seventh summer that the project has been in operation. The costumes are the most colorful, and the stage presents a series of never to be forgotten pictures depicting the culture and traditions of Spain and Mexico.

Following the production, the Hico group enjoyed refreshments

of cake and punch at the home of Miss Allen before starting home at a little before midnight.
 Eilene and Catherine Gannaway and Mary Ann McClure remained in San Antonio to spend several more days seeing the attractions offered by the Teen Fair. Mary Ann is visiting with Miss Allen during her stay and Eilene and Catherine are guests in the home of Mr. and Mrs. W. N. Eddins.

Mrs. Christine Sutton and Mike, Steve Collier of Abilene, and Miss Louise Blair were in Arlington last weekend to tour Six Flags.
