By MRS. LUCILE MAYFIELD

**XI IOTA THETA CHAPTER MEETS IN ALEXANDER HOME**  
The Xi Iota Theta Chapter of Beta Sigma Phi Sorority met recently in the home of Mrs. Hub Alexander at Clairette. Her daughter, Mrs. Nila Denton, was hostess for a buffet supper.  
Mrs. Hardy Lockhart presided at the meeting.

**ALEXANDER FARM SCENE OF RECENT FIELD TRIP**  
FFA Teacher Rex Stephens of Stephenville High School and several of his FFA boys made a field trip of the Hub Alexander farm recently. Johnnie Denton, grandson of the Alexanders, was in the

group.  
**HENRY MAYFIELDS RETURN FROM TRIP**  
Mr. and Mrs. Henry Mayfield accompanied Mr. and Mrs. Johnny King of Fort Worth on a trip through parts of Texas, Oklahoma, Arkansas and Missouri recently. They returned home late Sunday. Main places of interest visited were at Van Buren, Ark. where they had lunch, and gathered information about the cemetery there where Mr. Mayfield's great-grandfather and wife were buried. They drove four or five miles and finally located by surprise the old Mayfield place and

the man who lived on the place directed them to the cemetery, known as the Pevy House Cemetery. Here they found the graves of the grandparents and several other relatives. According to dates on the marker, he passed away 84 years ago this Oct. 16.  
They visited the Shadow Mist Farm where they raise very expensive horses at Rogers, Ark. They drove to Cassville, Mo. spent the night there and toured the National Park to Roaring River and visited the fish hatchery. There was an underground river running strong and controlled by concrete embankments and ponds where the fish were fed and raised. Many people were out early fishing. It was pretty expensive fishing at this place.  
At Mena, Ark. they visited the Wilhelmina State Park and had coffee at Queen Wilhelmina's Castle amidst the majestic Ouachita Mountain Range. One of the feature attractions was Queen Wilhelmina Inn, which was restored in 1960. The original sandstone edifice was erected in 1896 by Dutch promoters of Kansas City Southern Railroad to increase the passenger traffic and the somewhat far-fetched hope that the Dutch Queen would make her summer residence there. It was turned into a hotel for a few years. It was one of the country's leading exclusive summer retreats. The old train engine is parked nearby. A miniature railroad takes visitors on a two-mile circuit of the mountain top providing a magnificent panorama of the surrounding valleys, ridges, lovers leap, a rocky cliff projecting high over an almost perpendicular drop to the bottom of the canyon below is a feature attraction.  
When the restoration was begun in 1960 the foundations and chimneys constructed of native stone were all that remained of the original castle. Outwardly it is a replica of the original inn with its English style architecture. The Inn includes a cafe, dining room that will seat 300 persons serviced by a modern kitchen a souvenir shop and an extra large assembly room with a big fire place. Queen Wilhelmina's portrait hangs on the wall.  
The group went different routes going and returning home. Enroute home at Dallas they traveled the street where the late president was assassinated, and viewed the building from where the shots were fired.  
They had an enjoyable trip, no car trouble, and the weather was perfect.  
Mrs. Zena Havens and Mrs. Hub Alexander were in Stephenville last Wednesday shopping. They also visited Mrs. Mae McChristal at the Sunset Rest Home.

## Year's most talked-about new cars

'65 Chevrolet Impala Sport Sedan

## '65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

## '65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.

## Too bad it's red,

Ronnie Henderson, what's this  
we hear about you and Patsy B.  
having something in common. Like  
a car coat.  
The sophomore class would like  
to welcome Richard Leeth back  
to our class.  
It's always nice to get locked out  
of your car, isn't it Carolyn? When  
Dwain is there, that is.  
Cathy, why don't you try using  
tooth picks in your mouth instead  
of your feet.  
Frances, how does it feel to have  
your chains removed?  
We really do hope that Linda  
Cronk gets well soon.  
A lot of the girls and boys went  
to the Iredell Homecoming game  
Saturday night.  
Barbara Casey enjoyed a won-  
derful trip to the State Fair Sun-  
day. That was a real sneaky trick  
Barbara.

## laughing in Algebra class. You

might not stay in there long.  
Suzanne Lackey, why do you  
hide your pictures? They're really  
very good.  
Joe Scott, who was the eighth  
grade girl you were sitting with  
at the show? Do you know M. A.  
L.?  
**SENIOR SPECIALS**  
Well, six weeks is over and it  
didn't kill any of us after all. Just  
think, only five more to go and  
we will be graduating we hope.  
If they pass by as fast as this one  
it really won't be long.  
Reecie Giesecke, wouldn't she  
take your jacket in Government  
class last week? Poor girl, she  
doesn't know what she is missing.  
These days you see everyone in  
HHS trading their school pictures  
to their pals.  
This week everyone went to the  
State Fair. I'm sure everyone had  
a swell time, but we're a little  
tired when we got back.  
Sandena Hicks, who were you  
looking for at the drinking foun-  
tain at the game last Friday?  
This week Alan Solsbery has his  
arm out of the sling, but on the  
other side, Charles Erick still has  
his in the sling. Maybe it won't  
be too long Charles.  
Elizabeth Bruner, did I or did I  
not see a certain boy up at your  
house this weekend?  
Linda Little, is chemistry prob-  
lems really hard enough that you  
have to spend 45 minutes on them?  
Seniors, get busy and make the  
headlines.  
**PRAISE TO A PLAYER**  
Our Tiger player for this week  
happens to be a very handsome  
senior. He has dark hair, green  
eyes, and weighs around 150 lbs.  
He plays guard on our team and  
his number is 66. This certain sen-  
ior player drives a 1958 Chevrolet  
with rolled and pleated red and  
white interior. He is a very popu-  
lar person and is a great asset to  
our team.  
Just the fact that this certain  
Tiger player is a senior explains  
how important he really is. May-  
be by now you have figured out  
who this handsome mystery play-  
er is. If not, his name is James  
Johnson.  
**COUPLE OF THE WEEK**  
The couple this week has been  
going together off and on for  
two years. They are a familiar pair  
at HHS.  
The girl is a very cute freshmen.

She can be seen walking to town  
after school with her friend, A.M.  
She is always at the football game  
yelling for number 70. You can  
sometimes find her in the coun-  
try feeding cows. She's even been  
seen walking from the graveyard  
at 10.30 at night.  
The boy is a junior, and a very  
popular one. He has served one  
year as class president, and he  
wears number 70 on the football  
team. He can often be seen feeding  
cows and walking from the grave-  
yard.  
As you know by now, the couple  
is Cherry Ramage and Dwain Fall.  
**REBEL ROUSERS**  
The Tigers met their second de-  
feat with a score of 28-6 to Lometa  
Hornets. James Crews made the  
only touchdown for Hico.  
We had no major injuries, but  
some of our great Tigers are still  
unable to play. We're hoping to  
see them back on the field real  
soon.  
At the half, the Tiger Band  
marched and really did justice to  
the Hornet field. They really look-  
ed sharp and I think we were all  
real proud of them.  
The pep squad came out in full  
spirits and gave our boys all the  
support they could. The girls all  
looked real good in their red and  
white outfits.  
Our game this Friday night is  
with Dallas Bishop Lynch, to be  
played at Seagoville. It is quite a  
distance, but we would certainly  
like to see some familiar faces.  
Beat Bishop Lynch!  
**WHO'S WHO**  
My subject this week is in the  
sophomore home room but the ju-  
niors still consider her one of  
them. She has brown eyes and I  
guess you would describe her hair  
color as being a blondish brown.  
Right now she is going with a  
boy from Fairy, but she usually  
plays the field. You can usually  
see her riding around with two ju-  
nior girls, G.O and L.R. Any place  
she goes she becomes the life of  
the party. When she laughs you  
can hear her all over school. Mr.  
Barnett gave her a nickname last  
year that has stuck with her.  
I guess everyone knows by now  
that my subject is "Cheeta", or  
Frances Lepard.  
**BEHIND THE SCENES**  
Lynn Redden campaigning for  
Johnny Sartor for president. Two  
can live as cheaply as one, espe-  
cially on \$100.00 a year.  
Claudia Hafer distributing green  
ribbons. They're sure a lot of kids  
that like green, aren't they.  
Cheryl Baley keeping the stairs  
clean by sliding down them.  
Donna Morgan dreaming of her

soldier boy's return. It won't be  
long Donna.  
Peggy Henderson smiling right  
through lunch period.  
Alma Burgan protesting about  
people that make true statements  
about her.  
Sharon Howard keeping late  
hours. How long did you say that  
Austin game was?  
James Crews breaking glass.  
Linda Duncan hunting her Eng-  
lish book. Edwin Black finding it  
'Way to go Sherlock!  
Margo Wolfe falling out of  
bounds. Take it easy greasy.  
Lee Shepherd dressed in yellow  
going to meet her fellow.  
Glenda Ogle writing "I will not  
talk in class." What's the matter,  
Glenda, does Mr. Anderson pick  
on you.  
Mrs. Brummett closing her eyes  
to the sound of shattering glass.  
Janice Shepherd yelling her  
lungs out. That's the school spirit.  
Linda Little worrying about  
slide rule. Don't worry Linda, you  
will make it.  
Frances Lepard swinging from  
the light fixtures. Hold on Cheeta,  
Linda Cronk making quite a few  
visits to the hospital. New attrac-  
tion, Linda?  
Cherry Ramage hunting imagi-  
nary cars, or was it supposed to  
be at the stadium?  
Barbara Casey becoming a botan-  
ist. What's this about a precious  
Bud?  
James Johnson hunting old  
flames. Whoops. This is in chem-  
istry.  
Leona being a good housewife.  
Geraldine just being her usual  
nice self.  
Ann McClammy making a cute  
picture.  
Suzanne Patterson hanging up  
on a certain Dublin boy. Give the  
poor boy a break Susie.  
James Randals bending glass—  
in and out, out and in.  
Kay Tooley and Mike Gravette  
holding hands.  
Ronnie Partain chasing the girls.  
**JUNIOR NEWS**  
The juniors are back again, prob-  
lems and all.  
Speaking of problems, Lynn R.  
has a chemical one—lack of gas  
plus lack of silver, equals lack of  
transportation. Try balancing that  
one out, Lynn.  
Lee S. has a new habit. She  
bathes in her yellow jacket. Now  
really, Lee, isn't that carrying go-  
ing-steady a bit too far?  
Sandra E. seems to have a cer-  
tain freshman boy bewitched.  
Could his initials be J.H.?  
Glendo O. you were doing so  
well in typing. What happened?  
Try this sure-fire method of im-

provement—Keep your mind on  
your typing, keep your hands on  
the keys.  
Frances L., are you sure you  
know who you are going with? It's  
not T.C.—it's J.C. Everyone will  
understand since you met a boy  
named Mutt, you've been awfully  
confused on names. Don't worry,  
someone will try to remind you  
who he is every day.  
It ever there was a case of two  
bulls in a china shop; it would cer-  
tainly be the case of Leslie R. and  
Mike T. in the lab.  
Tony K. is busy building a suit  
of armor to wear while turning in  
absentee slips. This world just  
isn't safe for him any more.  
Lynn M., why do you turn your  
head when someone yells, "Sid-  
ney." Do you know the fellow, or  
are you his alias?  
Dianne J. may make major leag-  
ue baseball if she keeps on swat-  
ting flies, but she'll have to sub-  
stitute baseballs for insects and  
a bat for a slide rule case. By the  
way, it would help if you were on  
the baseball field instead of in  
the health class.  
Peggy H. what is it Mr. Barnett  
calls you? A new nickname, may-  
be?  
James S., you weren't really go-  
ing to throw that paper wad in  
Health, were you? You were just  
exercising youriceps and biceps  
by raising and lowering your arms.  
Claudia H., are you Irish or do  
you just like green?  
Linda D., why is it that about  
every three weeks you have a scab  
on your skin? Won't you please  
explain?  
Verna B. just doesn't like the  
new cars too well. It seems that  
'64 Chevrolets suit her just fine.  
The junior class would like to  
express our deepest sympathy and  
regret to Jimmy Luckie and his  
family.

# Ladies, a vote for gas is a vote for cooler cooking!

(down with hangover heat!)

Turn a gas burner off . . . and  
it's OFF! There's none of the hangover  
heat you find with electric  
ranges—wasted heat that causes  
boilovers and burned foods. Gas  
broiling is cooler, too, because you  
broil with the door closed. And it's  
smoke-proof broiling—(the flame  
consumes the smoke!) With gas your  
kitchen stays cooler and cleaner!

Now's the time to elect a  
modern gas range to head up  
your kitchen: it's sale time!

**"REMEMBER THE ALAMO"**  
-- the cry that fanned Texas' defeat to victory!

On March 1, 1836, thirty men from Gonzales broke through the lines of Mexican Army Commander Santa Anna to increase the Alamo's defenses to 187. This little band of heroes held the Alamo against overwhelming odds for five more days in one of the most heroic struggles to be found in the annals of man.

On March 6 Santa Anna with over 4,000 troops stormed the Alamo, and the last of the heroic band of Texans died fighting. Names like William Barret Travis, James Bowie, Davy Crockett and James B. Bonham became immortal.

The massacre at the Alamo inspired General Sam Houston's men at the battle of San Jacinto. Crying "Remember the Alamo!", the Texans sprang upon Santa Anna's soldiers and in a swift bloody fight won Texas its freedom.

**SPEAK OUT FOR FREEDOM**  
... with U. S. Savings Bonds!

Through the years that have followed, other "Alamos" and "San Jacintos" have inspired Americans to lead and win the fight for Freedom—Pork Chop Hill, Iwo Jima, the Meuse-Argonne Forest.

Today, by purchasing a United States Savings Bond, you can also speak out for Freedom as clearly as the battle cries of old. Every Savings Bond you buy is an investment in Freedom. Buy Bonds at your bank or on the payroll savings plan where you work.

Each year the State Fair of Texas in Dallas honors the 4-H Clubs, Future Farmers and Future Homemakers of America on a special day during the fair. This year Rural Youth Day is Saturday, Oct. 17. Any of the above named group may go free of charge on this day. Tickets are available for 4-Hers in my office. An adult leader or parent must accompany any 4-Her planning to go. The youth and their leaders will also be served a free luncheon on the 17th, compliments of the Dallas business firms.

Bartlett pears are on the market in plentiful supply, and now's a good time to stock up for after-school snacks.

They're a bon to weight-watchers, too, for they're low in calories. The Bartlett pear is large and white, with sweet and juicy and fine grained flesh. The skin is smooth golden yellow with often a reddish blush on the sunny side. Pears have their best flavor when ripened off the trees in a cool humid place at 65 to 70 degrees.

When selecting pears, look for those that are firm, clean and free of blemishes and well-shaped for attractive serving.

After-school snacks for the kids should offer a variety of choices. Like any other meal, including breakfast, it's not so much what foods children eat, so long as they get the nutrients they need for the day. Try the following for after school: dry cereal with milk, a sandwich with milk or instant milk shake, bread with peanut butter and jelly, crackers and cheese with a juice, fresh or dried fruits,

crackers or cookies, simple cake and milk, a fresh-baked treat with milk or fruit juice, cottage cheese, ice cream cone, simple milk shake or eggnog, grape juice, tomato juice, fruited gelatin, milk or fruit pudding, gingerbread, a few peanuts and raisins, occasional candy, or popcorn and refreshing drinks.

The bride's table was laid with white lace over yellow linen and centered with an arrangement of white flowers. Milk glass and silver appointments completed the table setting, from which Miss Dixie Lackey served punch and Mrs. Eddie Mote served cake squares, mints and nuts.

Approximately 85 guests called or sent gifts during the appointed hours of two to four.

## FAIRY

By MRS. EUNICE DANIEL

A cool front passed through Monday, accompanied by light showers. It has been reported that about 2 inches of rain was received.

Farmers were very busy trying to get their grain sown and cotton stripped. The work has been retarded due to the shortage of farm hands.

Mr. Willie Turner was critically injured last Friday about noon when he fell about 25 feet from a pecan tree on the Duncan Ranch. He was rushed to Hico Hospital by ambulance, but transferred shortly to the Hillcrest Hospital in Waco. He received a broken left arm at the wrist, a skull fracture and a broken pelvic. X-rays were being made Monday to determine the full extent of injuries. But we have not received any information regarding the report. His arm was set soon after his arrival at Hillcrest, but the pelvic surgery would have to be delayed a few days. He was resting fairly well at last report Sunday. We hope he will soon be on the way to complete recovery. The Turners operated the station and store in Fairy. Mr. and Mrs. T. R. Parks and the Turner's daughter, Bernice, are taking care of the duties there.

The writer was in Hamilton Monday afternoon to attend graveside services for W. H. (Bill) Allison of Abilene who passed away about 3 a.m. Saturday in an Abilene hospital. He was born in the Fairy community on Sept. 23, 1898 to the late H. M. (Hugh) Allison and Ada Rainey Allison. In early manhood he was married to Miss Edna Fulcher of Hamilton. To this union two daughters were born, Billy and Pauline. Billie was killed in a car wreck at the age of 15. Pauline lives at Abilene and helped take care of her father in his last illness. She has five children. Sorry we did not get her name. Mrs. Allison preceded her husband in death on Oct. 14, 1935 at the age of 25 years. Graveside services were held at the Oakwood Cemetery. He is also survived by the following half sisters and brother, Carl Allison of Hereford, Mrs. Neva Grisham and Mrs. Annie Rhody of Fort Worth and several nieces and nephews. Our sympathy is extended to all.  
Mr. and Mrs. Judkins of Meri-

dian and Mr. and Mrs. Christenson have moved to the Duncan Ranch where the men folks are employed.

The writer attended singing at Lund Valley Sunday afternoon, and after singing hours we visited at the Oakwood Cemetery, visiting at the graves of former Fairy residents, Mr. and Mrs. H. R. Brummett, Marion Anderson, George Leeth, Dick Jones, Mrs. Verla Fenny Oglesby, Marion Agee, and a number of Hamilton folks we had known.

## Hearing Test

SET FOR HICO

Free, Electronic hearing test will be held in Hico. Anyone that has a hearing problem of any kind is welcome to come in for the test. Pictures of the ear showing how the ear works, and why a person loses his hearing, also the nerve system of the ear that is connected to the brain, to tell us what we have heard. Each person is tested with the latest electronic machine, that can pinpoint in what part of the ear they are having trouble and what can be done to help them.

Mr. Treadway

Each person can see how a simple operation on the ear has let thousands of people hear again. How the new electronic device is helping thousands of people with the dreaded NERVE DEAFNESS to hear again. How 2 year old children are being fitted with aids and can learn to hear and talk. How packed wax in the ear canal affects the hearing. How head congestion affects the hearing.

Everyone should have a hearing test at least once a year if they have any hearing loss. Even people that wear Hearing Aids should have a test. People that have been told that nothing could be done for them should have a test each year, as new ways are being discovered to help these people.

The test in Hico will be held at the C&C Motel Tuesday, Oct. 20 from 10 A.M. to 12:30 P.M.

Mr. Treadway, who is an Audiologist will conduct the test through the courtesy of the Temple Hearing Center at 120 N. 3rd Street in Temple.

If you miss the test you may come to the Temple office on any Thursday or Friday between 9 A.M. and 5 P.M. and take your test.
