HICO, TEXAS, FRIDAY, FEBRUARY 4, 1966.

NUMBER 41.

John O'Neal, County Atty., Submits His Resignation, Leaverton Appointed

John F. O'Neal, Hamilton County Attorney, submitted his resignation to Commissioners Court last Tuesday, to become effective March 1.

O'Neal and his family will move to Waco at that time.

He was elected to the position in 1964, taking office January 1, 1965.

Commissioners met in special session Wednesday morning and appointed H. A. Leaverton to serve as attorney.

Mr. Leaverton is a former Hamilton County Attorney, and also served two terms in the State Legislature from this district.

The appointment is for the remainder of this year, with voters electing an attorney in the May Democratic Primary to serve two years of an unexpired term.

A copy of Mr. O'Neal's letter of resignation is reproduced here:

"I am writing to advise you that

due to an unexpected opportunity, it has become necessary for me to resign the office of County Attorney. This resignation shall become effective March 1, 1966, and my family and I will be moving to Waco to assume this new position. At the present time I cannot be more specific as to the nature of my immediate plans since they are still in the formative stage.

"I wanted to express my intentions to you as soon as possible, prior to the February 7th filing deadline, in order that all others who might be interested in this office might express their intentions to the citizens of Hamilton County.

"It is with great reluctance that I have written this letter of resignation because I sincerely value the trust that the people of Hamilton County have placed in me in this office and it is my sincere hope that I have fulfilled this trust to the best of my ability in the time that I have served in this capacity. I want to also express my appreciation to this court, our District Judge Truman E. Roberts, District Attorney Byron L. McClellan, the other officials of our county as well as my fellow members of the Bar for their cooperation, guidance and confidence in my service as County Attorney. I want to further thank the law enforcement officers for their dedication and cooperation to this work.

"Thank you all once again for your support and trust. With best personal regards, John F. O'Neal."

TO SPEAK AT CIVIC CLUB—William F. Condon, Jr., community development specialist with Texas Power and Light Company, will speak at the regular meeting of Hico Civic Club next Wednesday, Feb. 9. He will speak on community problems, and all members are urged to attend the meeting. Interested visitors are invited to attend.

Dimes Drive Nets \$225.00

Bruce Slaughter, general chairman of the local March of Dimes Drive, stated this week that a total of \$225.56 had been collected thus far. The Mother's March held Thursday netted \$97.80, with the remainder from businesses, coin containers, and the local school.

Mr. Slaughter stated that there are still a few containers in various businesses and anyone wishing to contribute may do so. He expressed his thanks to Mrs. Glenn Ross, chairman of the Mother's March, the captains and members for their assistance, also the businesses and everyone who donated or helped in any way to make the drive a success.

Mrs. Ross expressed her thanks to the captains and helpers for their time and assistance, and to all residents for their generosity in giving to this worthy cause.

Captains for the Mother's March are Mrs. Sandy Ogle, Mrs. Lon Redden, Mrs. Von Scott, Mrs. Russell, Mrs. Jack Malone, Buddy Randals, Mrs. Nor Johnson, Mrs. Dock Lackey, Mrs. Jesse Barber. Assisting captains were Mrs. Alvin Cameron, Mrs. Fonzy Williamson, Mrs. Fry Hill, Mrs. David Hyles, Mrs. Mary Hudson, Mrs. Charles Day, Mrs. Willard Leach, Mrs. Les Cryer and Mrs. W. R. Lepton.

JUSTICE OF PEACE JANUARY REPORT

A total of 42 traffic citations was issued by State Department of Public Safety officers during January in this area, according to Peace Justice P. W. Hamilton. Another 85 warning "tickets" were issued by the officers.

In City Court, Constable Tom Odom filed 10 citations during the period Jan. 16-Jan. 31, and issued another 47 warnings for minor traffic violations.

The Peace Justice also had one civil suit filed in his court during the month, and two hot check cases were handled.

J. E. WARD SEEKS RE-ELECTION TO LEGISLATURE

J. E. Ward of Glen Rose is announcing his candidacy for reelection as State Representative of the 54th Legislative District, comprised of Bosque, Johnson, Somervell and Hamilton counties.

Ward wishes to thank the people for the opportunity to serve the 52nd District in the Legislature. During his tenure he has supported measures that will be of benefit to the people of the State of Texas and his district. He supported the farm-to-market road program and aid to state hospitals and schools. He helped vote into law medical aid, hospital and nursing care to the aged, and voted to increase financial help to the public schools of Texas to improve their standards so that the youth of the state might be better prepared to accomplish the goals they seek. He also supported laws to curb unreasonable annexation powers of cities and worked for the screwworm eradication program which has saved stockmen millions of dollars. He supported better law enforcement bills, and a measure to protect dairy farmers. In addition he voted and worked for development of water resources.

"Experience is important in any phases of life. In the State Legislature experience is called 'seniority' and it plays a leading part in increasing a Representative's opportunity to serve the people of his district," Ward said.

Prior to his election as Representative, Ward was active in civic affairs in the City of Glen Rose and the State of Texas. He served as Mayor of Glen Rose and a member of the school board; is a past president of the Glen Rose-Somervell County Chamber of Commerce; served seven years as a director of the Brazos River Authority, and was a director of the Texas Law Enforcement Foundation.

At present he is a member of the Optimist Club, Chamber of Commerce, Lions Club and long-time member of the First Baptist Church of Glen Rose.

Representative Ward is married to the former Hollis Pruitt. They have two children, Mrs. Fredda Mae Roberts of Fort Worth and Dr. Bill Ward of Cleburne.

"If I am privileged to serve you in the future, I shall, as I have in the past, try to judge each issue and each vote as I see the interests of my state and the people of the district that I represent," he concluded.

P-TA Meeting Set Monday At School

Hico Parent-Teacher Association will meet in regular session Monday night, February 7 at the school auditorium at 7:30.

"Together We Help a Child by Strengthening Our Heritage" will be program topic, presented by Mrs. Laurel H. Baldwin of Lampasas, an outstanding speaker and past chairman of Texas Historical Society Heritage Department.

Room program will be presented by the first grade, under the direction of Mrs. Robert Jackson.

During a business session, the Founder's Day report will be given by Mrs. W. C. Stearman Jr.

IN OCS AT FORT KNOX

Harlan Wood of Grand Prairie left by air from Love Field Dec. 30 to enter Officer Candidate School at Fort Knox, Kentucky. He is the son of Mr. and Mrs. Chester Wood of Grand Prairie, formerly of the Fairy community.

J. R. Anstead of Ross was a visitor last Thursday in the home of Mr. and Mrs. W. W. Gleaton.

3 More Candidates Beat Filing Deadline

Three more candidates—one local and two district office seekers—authorized their names placed in the News Review political column this week.

On the local level, Grover Ren-

froe filed for a place on the May 7 ballot for Justice of the Peace, Precinct 3. His filing brought to three the total number of candidates seeking the post.

Incumbent P. W. Hamilton was the first to file, followed by Mrs. Lois Leeth last week, and then Mr. Renfroe.

J. E. Ward of Glen Rose filed for State Representative, District 54, this week. Mr. Ward is seeking re-election to the post, which serves a 4-county area composed of Johnson, Bosque, Hamilton and Somervell counties. One other announced candidate is in the race, Bob Elder, Alvarado school teacher.

J. P. Word of Meridian has filed for State Senator, 12th District, opposing Louis Crump of San Saba. Both are seeking re-election from the expanded 12th district.

Announcements of all three candidates appear elsewhere in this issue.

1664 Poll Tax Sold in County

Poll tax payments picked up during the past weekend, and a sufficient number of county residents qualified for their voting privileges to bring 1966 up to near average with past years in total number of polls paid.

According to Mrs. Pearl Williams, a total of 1664 polls had been paid up to 5 p.m. Monday, last day for payment. A few more were probably paid after that hour.

The two local deputies sold a total of 161 to Hico area people.

GROVER RENFROE SEEKS JUSTICE OF PEACE OFFICE

To the People of Precinct 3:

I am taking this opportunity to announce my candidacy for the office of Justice of the Peace in this precinct.

I solicit your vote and your support, on the basis of a promise of a sincere effort to discharge the duties of the office in accordance with the law and in the best interest of the citizens of this community.

SENATOR WORD

Meridian Senator, J. P. Word, Is Candidate for Reelection

State Senator J. P. Word of District 12 has announced that he will be a candidate for re-election in the May 7th Democratic Primary.

Word, who lives with his family in Meridian, was elected to the Senate in 1962.

Seventeen counties have been added to the ten which Sen. Word has served the past four years.

"I welcome the opportunity to work for the people of Hamilton County as well as for those in the remainder of this senatorial district," said Word.

"Fully recognizing the importance of farming and ranching in this district I believe that we must continue our efforts to attract industry to the cities and towns of this area. I pledge that I will continue my campaign to get industry located in this area," said Sen. Word.

"I am married to the former Bobbie Warren of Meridian, and we have three children, two boys, Rusty, age 10, and Jimbo, age 7, and a daughter, Amy, who will be three years of age her next birthday. I have an intense personal interest in our quest for excellence in education because of my young children. I am convinced however that in our endeavors to achieve excellence in higher education we cannot afford to ignore our public school system. We must have excellence here also if we are to truly excel in higher education.

"In an area such as this senatorial district, your Senator must be prepared to serve the needs of the farmer and rancher, the business man, the working man and those in retirement," Word said.

"I feel that I am acquainted with the needs and problems of the people of this district. My goal has always been to do what is best

for all citizens, and this I will continue to do. If at any time I can be of service to anyone in the district I will be more than willing to do so."

"When I made my first announcement for election to the Senate, I stated that I disapproved of deficit spending, and thought that we should live within our means. Our state government has operated in the black since I entered the Senate, and this is among the accomplishments of the Legislature that have been most gratifying."

"Sen. Word is a member of the First Methodist Church in Meridian where he serves on the Board of Stewards.

A member of the VFW and American Legion, Sen. Word served in the Army in Korea 18 months in 1951 and 1952.

He graduated from Meridian High School in 1946, and later graduated from Baylor University School of Law.

Sen. Word was elected County Judge of Bosque County in 1958 and served four years in that capacity.

His wife, Bobbie, and his two sons, Rusty and Jimbo, are good campaigners and will be working with him in his bid for re-election to the Senate.

"I have never been in a campaign where I had all the money I felt I needed to spend, and I assume this one will be no different. I have never been willing to wear another man's collar and I do not intend to start now. I hope and believe that if you will check my qualifications and my record since I have served in the Senate I will have your support. I pledge to you that if elected I will endeavor, to the best of my ability, to serve all the citizens of this district," said Word.

SOCIAL SECURITY OFFICER TO BE HERE TUESDAY

A representative of the Temple Social Security office will be in Hico at the City Hall at 10 a.m. Tuesday, February 8.

Persons who wish to apply for social security benefits or wish to obtain information about the program should contact the representative.

TURNIP CHAMP? — Sherman Roberson is holding two huge turnips grown here which may or may not be a record. In an unusual year that has brought forth many extra large turnips, there will probably be several challenges issued. The size of these two is unusual, but one of fantastic size—reported near 12 pounds, was grown in the same plot, but was given to an Odessa man. It sounds kinda like the age-old fish story—the big one got away!

Fairy Community News

By MRS. EUNICE DANIEL

The weatherman visited us again during the weekend bringing wet and snow by mid-afternoon Friday, and temperatures of 10 degrees Friday and Saturday nights. We received about six-tenths inch of moisture this spell. Rain was predicted but we believe we are going to miss that this spell. We were in Hamilton last Friday afternoon to attend funeral services for Mrs. Martha Ellen White, 92, who had made her home with a daughter in Hamilton the last several years. Services were held at 2 p.m. with Rev. Jack Gunn of Fort Worth, pastor of Evergreen Baptist Church officiating. Martha Ellen Walker was born in Tennessee Oct. 8, 1873. She was married to John Steve White May 8, 1904. They had lived in the Evergreen community for a number of years, both being members of the Evergreen Baptist Church. Their last home there was the former Dave Jones place. After her health became impaired they could no longer get help in caring for her at the home, they went to live with a daughter and her husband, Mr. and Mrs. G. K. Bol-

White of Bridgeport. Elbert White and Sidney White of Evergreen, a daughter, Mrs. C. K. Bollier of Hamilton, 8 grandchildren and 8 great-grandchildren, one sister, Mrs. Nola Burns of Abilene.

She taught music in early life and reared a family of children who loved music and formed their family quartet, known as the White Quartet. One son, Elbert, and 3 of the granddaughters play, also some of the granddaughters-in-law. Several years ago, while attending singing at Efergreen, her son Elbert honored his mother by asking her to play the closing song. She was about 85 years old at that time and did a fine job. Our deepest sympathy is extended to the children and families who will miss her so much.

Mr. and Mrs. T. P. Parks received a phone message from his sister, Mrs. Otto Jordan of Cleburne last Friday stating her father-in-law, Mr. Thomas Henry Jordan, 95 of Dallas, formerly of Cleburne and Fairy had passed away. Funeral services were held at 3 p.m. Sunday in Cleburne, with burial in Rose Hill Cemetery. He is survived by three sons, Arthur of Dallas, Oscar of Fort Worth and Otto of Cleburne, and one daughter, Mrs. Fay Hays of Dallas. The Jordan family resided here for a time and resided at the present Coy Parks farm, known then as the Grandpa Young place. Mrs. Jordan passed away some time ago. Our sympathy is extended to the family at this time of sorrow.

While visiting with Mrs. V. R. Leeth in Hico Tuesday of last week we learned of the death of Mrs. Charlie Jones of Fort Worth who passed away Dec. 20. Mrs. Jones, the former Maudie Whitson of Fairy attended school here and her many friends will be sorry to learn of her passing. She was a sister-in-law of Mrs. W. L. Whitson and Mrs. O. E. Whitson of Hico. She was a member of the Church of Christ and services were held in Ft. Worth where she attended church. Burial was at Abilene where her husbands, Mr. Coffey and Mr. Jones were buried. She is survived by one daughter, Maurine, wife of Dr. D. L. Denman of Fort Worth. A son died several years ago of a heart attack. Just another of our dear former Fairy schoolmates and

friends gone on. We extend deepest sympathy to the daughter and family and others who mourn her passing.

Mr. and Mrs. Albert Mason were visitors last Thursday with his brother and wife, Mr. and Mrs. Vernon Mason and their mother, Mrs. J. W. Mason of near Evant. Purpose of their visit was to celebrate the 84th birthday of their mother. We wish for her many more such occasions.

We were very sorry to learn that Mrs. Wassie (Lacewell) Austin of Evant is gravely ill in the Hamilton Hospital. Wassie is a sister-in-law of Mrs. Ada Lacewell of near Fairy and sister of Mrs. Jim Carmean of Hico. Friends and acquaintances here were very sorry to learn of her grave illness.

Our deepest sympathy is extended to Mr. and Mrs. W. T. Watson of Hamilton, whose daughter, Mrs. Winnie May Van, 45, of Seagoville was found murdered in her car Monday morning. She was returning home from a washateria. Her husband was in a Dallas hospital due to a serious heart condition. Mrs. Van had been strangled, and the interior of the car set fire, but had not gained too much headway as the car was closed. Mrs. Van's

brother, Clyde Willis Watson, was with the searching party when she was found. Clyde Willis is the son-in-law of Mr. and Mrs. Wilford Pitts of Hamilton. Besides her husband, she is survived by a daughter, 18, two sons 16 and 10, her parents, and brother and other relatives. Hamilton friends and acquaintances were deeply grieved Monday when the sad message was received.

It seems our old world is no longer a safe place to live. Seems law enforcement is going to have to crack down on such crimes and try to cut down on such.

Mr. and Mrs. Royce Prater, Scotty and Beverly of Haltom City and Mr. and Mrs. W. J. Morin, Lee and D'Anna of Fort Worth visited during the weekend with their parents, Mr. and Mrs. Lee Prater.

Mr. and Mrs. O. J. Clark Jr. of Fort Worth visited during the weekend with their parents, Mr. and Mrs. O. J. Clark.

Mr. and Mrs. Carl King and Mrs. Ruth Cunningham attended funeral services at Hico Sunday for Mr. John Rusk. Mr. Rusk was a close friend of our late husband, Cabert Daniel and one he had great love and respect for. Our deepest sympathy is extended to Mrs. Rusk

and family who mourn his passing. Hico has lost another of its highly respected citizens. The Rusk family resided at Duffau during the time our parents lived there. We received a letter from our sister Monday informing us that she had undergone surgery at Shannon Hospital in San Angelo early last week. She is recuperating at the home of her daughter, Mr. and Mrs. Lester Smith of 1809 So. High in Brady. We hope she will soon be fully recovered.

Mrs. Ovie Brummett received a phone call Saturday morning from her uncle, Sterling Anderson of South Hill, Virginia saying that they had 25 inches of snow on the ground there and about all people could do was stay inside. Their son, who lives across the street, had made his way over to their home a few times. In other adjoining states some have had as much as 45 inches. Power lines were down and all business activities had been shut down. It was said to be the worst snow storm since 1892.

The writer attended singing Sunday afternoon at Pioneer Hall. Only about 15 were present due to weather conditions.

The singing to be held at our house last Friday was called off

due to the death of Mrs. White, mother of Elbert White, a member of our quartet. But weather was to severe to have met any way. Think we had better wait until spring before setting another date. Mrs. Ruth Cunningham left Tuesday morning for Fort Worth and Venus where she will visit a few days with her children. While there she will report to Harris Hospital for a checkup following surgery recently on her foot.

Mr. and Mrs. Ray Turner and Keith of Killeen visited during the weekend with their parents, Mr. and Mrs. Willie Turner and Mr. and Mrs. Carl Ray Sellers, Jimmie and Janice. Other visitors with the Turners were Mr. and Mrs. Billy Turner and family, Mr. and Mrs. Ray Botkin and family and Miss Bernice Turner of Killeen.

We learned through Winfred Gardner today, Tuesday that funeral services for Mrs. Winnie May Van, wife of Delbert Van, were to be held Tuesday afternoon at 3 o'clock in Seagoville. Her husband had not been informed of the tragic death of his wife due to his critical condition. He has been in a Dallas hospital for several months due to a serious heart condition. Mrs. Van

was a first cousin of Mrs. Gardner. Our sympathy is extended to all at this time of deep sorrow and tragedy.

Miss Doran Gwen Willeford returned to Baylor University Monday after several days visit with her parents, Mr. and Mrs. Oran Willeford and Delia.

ATTEND FUNERAL

Mr. and Mrs. R. E. Bass accompanied Mr. and Mrs. John Alton of Dallas to New Braunfels last week where they attended funeral services for Irvin Smith. Mr. and Mrs. Frank Phillips of Lampasas brought Mr. and Mrs. Bass home last Saturday and spent the weekend.

Polara
Kick the dull driving habit in a car that's really going places. Polara is loaded with looks, luxury and performance. It's big and solid, with wide sweeping lines. And Polara gives you a lot of standard extras (like a 383 cubic inch V8).

Monaco
Take a look at Dodge's top gun. For luxury performance this is the one. Combines performance, comfort and glamour at a reasonable price. By far the most dazzling car in the '66 Dodge lineup of dazzlers. Monaco! Hardtop, wagon or sedan.

Coronet
Here's a car that fills the bill for Rebels who want a brand new thrill. The Coronet is sharp, smart and zippy — and it goes like no other car in its class. Coronet is also loaded with luxury the higher-priced cars haven't caught onto yet. Lots of power in a spunky Six — and a fistful of brawny V8's.

Dart
This is a rebel in the compact class — bigger than any, with a lot more sass. Big on the inside. Big on the outside. Beautiful any way you look at it. (About the only way it resembles an ordinary compact is in the way it saves you money). Your choice of two quick Sixes and two great Eights.

SENIOR SCENES

Linda D. doesn't especially like TCU—or at least she doesn't like the walk to the Home Ec building. One too many barking boys!

"Everyone be on the bus at 1:30 on the dot," commanded Mr. Walker. Who showed up at 1:40? You guessed it, Mr. Walker.

Dwain F. has a new hobby. He cleans bus windows, but only if the temperature is about 10 degrees and they are covered with ice. Sounds like monkey business doesn't it?

Lynn R. found her a new boy friend at TCU and has vowed to give up all her other beaux for him. She even followed him out of the auditorium. Love at first glance? If she can find his address, she may even send him a Valentine—a big one and a new pair of glasses.

Peggy H. has a very unusual way of going down stairs. She walks down all but the last two and then she takes the easy way—she falls. TCU will never forget you.

Glenda O. is the only student

from Hico that ever was accused of turning of the lights at a TCU law conference. Oh well, even if you didn't turn them off, somebody had to be blamed. By the way, are Hico and Chico the same place?

Dianne J. found part of the law conference funny, but it was only because L.D. kept looking cross-eyed at her.

By popular request, Jimmy L. sang "Courtin' in the rain" on the way back from TCU.

All seniors, in fact everyone on the bus except Mr. Walker, seemed to get a real kick out of singing "The Eyes of Texas." Wonder why he didn't sing.

COUPLE OF THE WEEK

Our couple consists of a very cute eighth grade girl and a very handsome freshman boy. They have been going together for some time and make a very cute couple.

The girl stands about five feet one inch tall with long blond hair and blue eyes. She is a member of the band and is very active in all sports. She can be seen almost anytime with her best friends, L. B. and B.B.

The boy stands about five feet five inches tall, has dark hair and brown eyes. He is a member of the B-team basketball team and takes part in all sports. He can be seen driving a 1960 green Chevy with his best friends, J. W. and M.D.

Our couple is none other than Rebecca Martin and Morris Busby.

H. saying "measure it," Lynn M. singing The Eyes of Texas; Peggy H. wanting to go back to school; Jimmy L. singing Courtin' in the Rain; Donna M. eating; Sandra E. and Lynn R. waiting for their dinner; Drewford trying to clap his hands; Lee and Dianne being lost in the rain; Glenda and Linda buying TCU sweatshirts; Mike T. going to engineering class; Kay T. eating a pancake; Verna B. and Cecil N. not going to TCU.

POET'S CORNER

"At Nightfall," by Linda Duncan

I sit and watch the evening sun
As it slips beyond the hill,
And listen to the twilight song
When everything is still.

I watch the climbing roses
As they reach to drink the dew
And listen to the Whipp-o-Will
Singing from the blue.

I listen to the rumble of
The train along the track,
And wonder what the day will bring
When it is coming back.

I watch the city street lights
Turn into amber glow,
As they spread their beam from
hilltop
To the valley down below.

I hear a mother's lullaby
And see a falling star,
And see the moon begin to shine
With radiance from afar.

Now I feel the night around me
And it sets my heart aglow,
With happiness that is complete
Because He made it so.

SOPHOMORE SCANDALS

Belinda C., your favorite saying seems to be "I didn't say." Speak up, or are you ashamed?

Jody L. seems to have a secret coming Thursday night. Hope it's not like the one last Thursday. Come now, surely you can do better.

Jeannie B. sure does ask alot of questions lately. Don't worry, all he did was eat pizza.

Steve K. looks like you took a hold of a peroxide bottle. Who are you trying to impress? Is she that special?

Janis S. you had better watch out what's put in the news. Better hurry and move. You might be minus a head. Maybe Saturday. Mike Reeves since you came

back, you've been your usual charming romeo, casanova self. Keep it up. Not everyone is as lucky as the sophomores.

Paula L. you and F.L. seemed to have fun Sunday night. After all, who could beat it?

Linda G., one more year to go! Just think, a loud speaker.

The sophomores would like to welcome Paula Patterson to our school. We hope she'll enjoy us as much as we enjoy her.

OLIN FARMER CARRIES OUT SEEDING PROGRAM

By GLENN RILEY
Hamilton-Coryell SCD

Dale Garner, a cooperator with the Hamilton-Coryell Soil and Water Conservation District, owns and operates a farm about 3 miles southeast of Olin. On December 1, he planted 45 acres of a mixture of Kentucky Fescue 31 and common rye grass. He is shown in the picture with the grass drill he used and leased from the district.

His first essential operation was to prepare a good seedbed. He did this with a disk plow. Clods were broken up and smoothing was completed with a tandem disk. A clean firm seed bed was ready for planting.

He purchased locally adapted seed. The Kentucky Fescue 31 and rye grass were selected to provide winter grazing. The grass seed were mixed together and planted at the rate of approximately 10 pounds of pure live seed per acre.

The grass germinated well and came up to a good stand. The grass will soon be ready for grazing and will provide green forage for his livestock until late spring.

Neil W. we sure were glad to see you back at school Monday.

Barbara B. I bet those 16 points you made last Monday sure did your spirit a lot of good.

CARLTON FFA KEEPS UP WITH LATEST FARMING METHODS

In the fast moving field of agriculture, keeping up with the latest trends and information is a big problem.

In the Carlton FFA Chapter, latest information and progress reports from the Texas Experiment Stations are received shortly after publication and are passed on to the students.

Periodic trips are made to nearby experiment stations and school work is tied in as closely as possible with the work of other recognized authorities in the field of agriculture.

The Carlton Chapter receives a number of copies of most of the farm magazines which are read and studied by the students. Frequently students are assigned reports which must be obtained from such publications. In this manner they are able to keep up-to-date with the latest happenings in the field of agriculture.

The Chapter also tries to keep up to date on all farming trends through professional marketing services. The department's library of reference books and bulletins is kept up to date by periodic additions.

Improved farming practices concerning local problems are treated by the FFA boys in their home projects. The boy sometimes converts his dad or neighbor to improved practices after they see him out-produce them on various agricultural enterprises. Jim Dixon, agriculture teacher at Carlton

HAPPINESS IS—BEING ALIVE! Kent and Kristie Johnson, children of Mr. and Mrs. Ralph Johnson of Houston, chat with the 1966 Texas Heart Fund Chairman, Lt. Governor Preston B. Smith. Both children are happy, healthy and alive today because of corrective heart surgery made possible through research carried out by Heart Associations with funds voluntarily contributed by the people of Texas. Kent and Kristie represent the many quiet victories being won daily through research in the battle against America's 20th Century Health Epidemic—Diseases of the Heart and Blood Vessels. The annual Heart Fund Drive is held each February.

ROTUNDA, STATE CAPITOL Austin

When you visit the rotunda directly under the dome of the State Capitol in Austin you can see Texas in the past, present and future.

On the stone floor are the seals of Spain, Mexico, France, the Republic of Texas, the Confederacy and the United States. On the walls hang portraits of all Texas heads of state—presidents of the Republic and governors since 1846.

Then, looking some 300 feet straight up, one has an uninterrupted view inside the great dome. You can dream what the future has in store for Texas, as you lift your eyes.

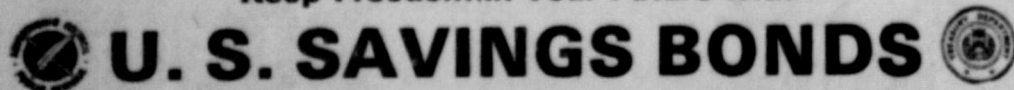

Memories make Texans proud of their heritage. The present, too, is a challenge to continue Texas' great role in the affairs of our Nation. We all want our children to have a secure and safe future.

U. S. SAVINGS BONDS STRENGTHEN AMERICA!

One way we can all contribute to a safe and secure America is through the purchase of U. S. Savings Bonds. Bond purchases help our Nation to become stronger financially and economically.

This means added strength for all.

When washing a turtle-neck sweater, open the collar so suds can penetrate and get all layers clean. When dry fold it back in place and tuck a twist of tissue inside. This will help reshape the damp collar to its original contour.

To keep skin taut and youthful, massage your neck daily with thick soap lather. Build up a sudsy "paste" and work it into the skin from the base of the throat up and out to the tip of the chin, using brisk motions. "Spank" the skin firmly to stimulate circulation in that area. Then finish up with a cold water rinse, and pat dry.

Preventive measures may save time in cleaning ash trays. Deeply carved or heavily embossed ash trays sometimes present a cleaning problem—but here's a way to beat it. Protect them before they become a cleaning chore. The next time you wash one of the ornate receptacles, rub a few layers of hard paste wax into the crevasses before you use it.

Then, as you go to clean it, just dump out the ashes and wipe the tray with a damp cloth. The wax will keep ashes from getting ground into the tray, and save you from having to scrub them out laboriously.

After cleaning table silver by the electrolytic method, wash it well with hot soap or detergent suds, rinse it with very hot water, then try and polish it with a clean cloth.

Tricot knits are "coming out from under" in a host of new fashion fabrics styled for outerwear. No longer limited to foundations and lingerie, tricot's softness is available in everything from suits to swimwear. Tricot-type knits are being made from such yarns as nylon, acetate, triacetate, polyester and spandex.

Look for tricot polyester shirting, creep tricot for leisure fashions and native tricot prints for resort season shifts and swimwear.

Tricot is also being bonded to wool jersey and synthetic blends to create a new dimension for suit fabrics. Brushed, velour, and quilted versions of tricot emphasize surface texture and interest. The popularity of tricot stems from its versatile practicality. It takes vivid colors, stretches naturally, resists wrinkles, and is classified as wash and wear. In fact, the Tricot Institute endorses its washability by hand or machine—with no ironing needed.

The first step in reupholstering a chair is to remove old fabric padding, webbing and springs. The second is to wash the frame with soap or detergent suds, then rinse and wipe it dry. Only then is it safe to apply new under-pinnings and fabric or plastic.

Food expenditures in 1965 were above those of 1964, and further increases are likely for this year. Family food costs vary according to family size, income, location, vocation, number of earners in a family, and family preferences.

Single consumers in 1965 were spending an estimated \$675 for food, compared with \$570 per person for

a two-person family—and \$285 per person for a family of six or more. The portion of incomes being spent for food expenditures are not rising quite so fast as incomes are, generally. Income, after taxes so far this year is up one-half percent from a year earlier, and expenditures for food are up about 6 percent.

Income percentage spent for food is expected to decline slightly again in 1966.

Carlton Community News

By Mrs. Fred Gete

In 1962 I began writing the news from Carlton in the News Review. Since that time I have written 263 obituaries, plus announcing the deaths of many former Carlton citizens living elsewhere. I have all the names of these 263, but time and space prevents my writing them, although I would like to.

Major Hal Brown from Kingsville, on leave from the Air Force, visited Friday and Friday night in the home of Mrs. Jessie Finley and her aunt, Mrs. Myrtle Gault. He has just returned from Viet Nam. He is being transferred to Italy.

Other Shuckley and daughter, Carlton, Mrs. I. E. Shaw and Mrs. Fred Geys attended the funeral Wednesday afternoon in Stephenville for Mrs. Henry Turner, held in the Calvary Baptist Church. The Turner family lived at Carlton before moving to Stephenville. Mrs. T. F. Collier of First Baptist Church in Dublin officiated. A son, Gerald, preceded her in death in 1961, and her husband passed away in 1962. She was born in the Allenton community March 22, 1885 and was the daughter of the late Mr. and Mrs. Wylie Sewell. She

is survived by three sons, Gayford of Stephenville, Allenton of Benville and Joe of Oklahoma City; one daughter, Mrs. Robert Shaw of Dublin; 11 grandchildren; one brother, Bruce Sewell of Colorado Springs, Colo.

Ben Finley of Brownfield was a visitor Wednesday with his cousins, Dock Finley, and his sister, Mrs. Pearl Fisher. He is a former resident of Carlton in his younger days.

The temperature at Carlton dropped to 6 degrees Friday morning, coldest of the season.

Funeral services were held Friday afternoon in Dublin for Mrs. L. G. Browning, who lived north of Carlton for many years. Services were conducted by Rev. T. F. Collier, pastor of the Baptist Church in Dublin, assisted by Rev. Maurice Masley, Carlton Baptist pastor. Burial was made in the New Dublin Cemetery. Her husband preceded her in death. She is survived by two sons, two daughters, and several grandchildren. She was also preceded in death by a daughter.

COUNTY AGENT REPORTS

By DeMARQUIS GORDON

I suppose you can usually find something bad in everything that happens, but on the other hand you can usually find some good in it too. A good example is the cold weather we had last week. The low temperature caused some discomfort, some bursted water pipes, some additional work, and the loss of some livestock. Since we can't do much about the weather we might look for something good that resulted from the cold weather.

Before last week our fruit trees were needing much more cold weather to meet their chilling requirements. Peach and plum trees require a certain number of hours of temperature below 45 degrees to bring them through a rest period. The chilling requirements vary with varieties, usually from 750 to 950 hours. Chilling requirements for fruit trees were running only about half the average for this time of year before our cold weather last week. The cold temperature last week helped these trees, but unless a large number of cold hours—below 45 degrees—are clocked in the next 45 to 60 days, the rest period of some varieties will not be satisfied. This could

mean that the trees would not bloom and leaf out in a normal manner. It could also mean that a number of peach varieties would produce no fruit in 1966. In fact the horticulturists say that it will take a lot of hours below 45 degrees and good spring conditions to insure even a reasonably good crop.

Many people were concerned a couple of weeks ago about the buds swelling on their fruit trees. I got several calls requesting the name of a chemical to delay blooming of fruit trees.

I know of no chemical used for this purpose, but after receiving several calls, I wrote Blueford Hancock, Extension horticulturist. He referred my request to Hollis Bowen, a horticulture professor at Texas A and M. Mr. Bower replied saying there is nothing of this nature being sold commercially. Mr. Bower will be testing a new chemical that is supposed to increase the frost hardiness of peach trees but it may take several years of testing before a conclusion can be made.

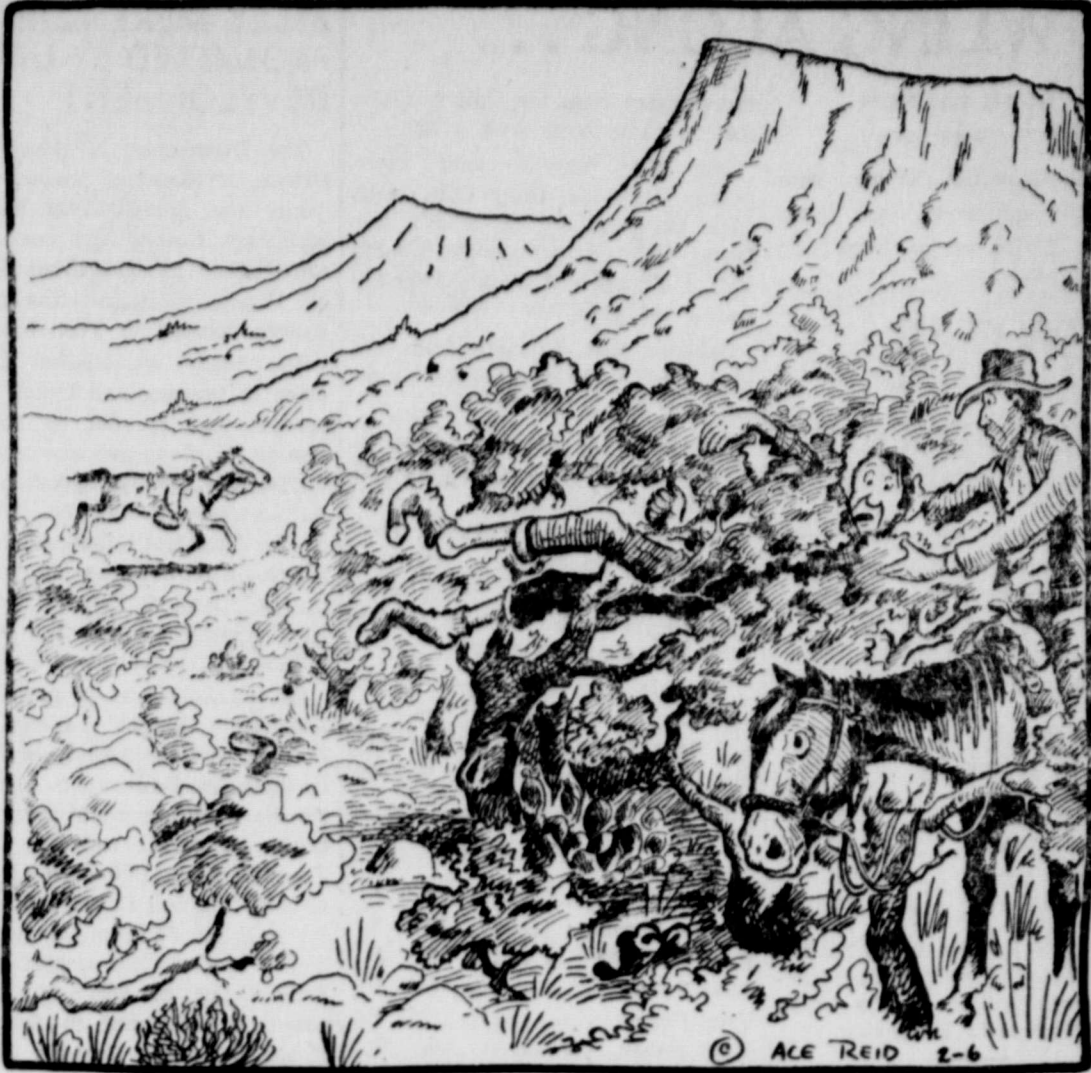

This is the last opportunity to get livestock entered in the Hamilton County Junior Livestock Show. Friday, February 4 is the last day to mail entries.

FUNERAL SERVICES HELD FRIDAY FOR OSCAR M. EVANS

Oscar Melton Evans, 75, was pronounced dead on arrival at Hico City Hospital Wednesday night, January 26, at 9 o'clock.

Mr. Evans was born May 2, 1890 in Drew County, Arkansas, and was the son of the late M. C. and Elizabeth Touchstone Evans. He was a retired farmer, and had been a resident of the Duffau community for 22 years.

Funeral services were conducted Friday afternoon at 2:30 in the Chapel of Barrow-Rutledge Funeral Home, with Rev. Joe Evans and Rev. R. E. Tatum officiating. Burial was in Hico Cemetery.

Serving as pallbearers were J. R. Lawrence, Frank Stipe, Wilburn Templeton, M. C. Lowry, H. H. Talley and Chester Land.

Mr. Evans is survived by his wife, Mrs. Rhedia Evans of Duffau; two daughters, Mrs. Letha Hutson of Fort Worth and Mrs. Birma Williamson of Duffau; one son, Hubert Evans of Duncanville; two sisters, Mrs. Zera Dean of Biloxi, Miss. and Mrs. Velma Herrie of Bluff Dale; three brothers, Collice Evans of Mulberry, Fla., Lee Evans of Dallas, and Time Evans of Bluff Dale; also six grandchildren.

BILLY MCKENZIE PROMOTED BY URBAN DEVELOPMENT

The Department of Housing and Urban Development announced recently the promotion of Billy G. McKenzie, former Hico resident, to Chief of its Regional Urban Renewal Division's Fiscal Management Branch located in Fort Worth.

The newly established Department of Housing and Urban Development was created by the 1965 session of Congress and activated in January by the appointment of its secretary to fill the 11th post on the President's Cabinet. The Ft. Worth office oversees its operation in the states of Texas, Oklahoma, New Mexico, Colorado, Kansas, Missouri, Arkansas, and Louisiana.

Mr. McKenzie is a graduate of Hico High School, Tarleton State College, and Southwest Photo Arts Institute in Dallas. He served in the Navy during World War II. He began his career with the Federal Government in 1950 as a clerk-typist with the Soil Conservation Service in Dallas. Following a short stay there, he was transferred to the State Office of SCS in Temple where he advanced to Supervisor of the Budgetary Controls Unit for the state.

After completion of 8 1/2 years with the SCS, he accepted a position as Budget and Cost Analyst with the Housing and Home Finance Agency. The functions of that agency were transferred to the Urban Development upon its creation. The promotion to Chief, Fiscal Management Branch was effective on the 16th anniversary of employment with the government.

McKenzie is the son of Mr. and Mrs. H. L. McKenzie of Hico. His wife is the former Louise Graham of Gatesville. They have two daughters and two sons, and reside at 4820 Wilbarger St., Fort Worth.

NATIVE ALTMAN RESIDENT, MRS. J. H. TURNER, DIES

Funeral services were conducted Wednesday afternoon, Jan. 26 at 2 o'clock in Calvary Baptist Church in Stephenville for Mrs. Mattie D. Turner, with Rev. Charles Brock and Rev. T. F. Collier officiating. Mrs. Turner passed away Monday evening in Stephenville Hospital.

She was born in the Altman community on March 22, 1893, and was the daughter of the late Mr. and Mrs. Wylie A. Sowell. She was married to James H. Turner on Dec. 24, 1911 in the Altman community, and they were the parents of five children. A son, Gerald Turner, preceded her in death in 1958, and Mr. Turner passed away May 22, 1962. Mrs. Turner had been making her home in Stephenville the past two years.

Survivors include one daughter, Mrs. Betty Shaw of Dublin; three sons, James G. Turner of Stephenville, Henry A. Turner of Beeville and Joe Turner of Oklahoma City; one brother, Bruce T. Sowell of Colorado Springs, Colo.; also 12 grandchildren.

Burial was made in the Clairette Cemetery.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to everyone who extended comforting sympathy in our recent sorrow. We are indeed grateful to those who sent flowers, food, cards, and for the many thoughtful acts of kindness.

The Family of O. M. Evans.

ACCIDENT VICTIM, ERVIN SMITH, BURIED AT NEW BRAUNFELS

An automobile accident north of Seguin took the life of John Ervin "Smiley" Smith Sunday morning, January 23.

Funeral services were held Tuesday, Jan. 25 from the First Methodist Church in New Braunfels, with interment in Guadalupe Valley Memorial Park.

The son of Steve and Effie Smith, the deceased was born at Lometa, and was married to the former Glendine Bass, daughter of Mr. and Mrs. R. E. Bass of Hico.

A World War II veteran, he had resided in New Braunfels for some 20 years where he was employed by the Dean Word Construction Co. At the time of his death, he was employed as a construction superintendent with Leo P. Cloud and Son Construction Co.

Survivors include his widow; his mother, Mrs. Effie Smith of Lampasas; a son, James Edward Smith of New Braunfels; three sisters, Mrs. Walter Derwin of Lampasas, Mrs. W. D. Jenuine of Fort Worth and Mrs. Jim Wells of Columbus; three brothers, Leslie of Lometa, Sam of Columbus, and Dee Smith of Lampasas; and four grandchildren.
