Cedar Brake Trail Ride to Waco Here

The Cedar Brake Trail Ride, for the Heart of Texas Rodeo scheduled October 8 at Waco, will form an annual caravan of horses and riders from various areas previously formed at Waco and was routed through Meridian, Clifton and Valley

This year the route has been changed and the caravan will form on Thursday, Sept. 29, and at 7 a.m. Friday for Hamilton County. From there the caravan will go through Gatesville and Waco, arriving at the Fairgrounds in Waco the following day.

Anyone in this area who wish to ride can obtain information from the News Review office.

REGISTERED COW

W. F. Hafer of Hico has resale of one registered horned Hereford cow to Brad Braune of Hico, according to information from the American Hereford Association.

Game Warden Tom Abbott Releases County Information

Tom E. Abbott, recently appointed game warden for Hamilton County, was in Hico Tuesday afternoon and released information regarding hunting seasons, bag limits and shooting hours for Hamilton County.

Abbott, who moved to Hamilton County in July, has been with the Parks and Wildlife Commissioner two years. His previous assignment was at Angleton, Brazoria County.

The new warden is the first ever appointed to Hamilton County. In the past, the county has served along with Bosque County by a single warden. The reason for a permanent warden was the increased amount of poaching in this area.

Abbott said his duties would consist primarily of enforcing the laws, educating the public regarding game, and other duties of such an officer. The new warden said that he was more interested in educating the public regarding game law violations, rather than in making arrests. He has secured two bands to play for dancing.

Main Street will be marked off into two sections, with Jerry Casey and the "Lost Generations" playing for the young people on the north end of the street, and Fred Noland and "The Westerners" on the south end of Main for those who care for the slower type of music.

This will be the second dance held here, the first being held on Tuesday night preceding the annual Reunion. The dance was such a success that the Saturday night dance was decided upon for another. An estimated 1,000 people attended the first dance, and an even larger crowd is expected Saturday.

With most of the increase coming from area youngsters, the bands are popular with their respective followings, and both are expected to draw large crowds.

FARM BUREAU QUEEN—Miss Dorothy Gray, center, was crowned Queen of Hamilton County Farm Bureau for 1966 in ceremonies at First Methodist Church Fellowship Hall in Hamilton Saturday night. Other contestants

shown left to right, were Misses Mavis Streger of Hamilton, Linda Pierson of Lamkin, Miss Gray, Merrijo Gleason of Fairy, and Peggy Dittmar of Pottsville. Miss Gray, daughter of Mr. and Mrs. Lonnie Gray, will represent

Hamilton County in the District 8 Contest at Gatesville this Saturday night, August 27 at 7:30. The district is composed of 13 counties. (Photo courtesy Hamilton Herald-News).

Hico Schools Will Open Term Mon.

Hico Schools will open Monday, August 29, with a general assembly at 9 o'clock in the auditorium. Parents and friends are invited to attend the opening program.

Classes will meet on a 40-minute schedule the first day, with dismissal at 2:45 p.m. Buses will run the same routes and at the same time as they did last year.

Lunch will be served as usual on opening day, with prices the same as last year. Grades one through five will be charged 25c, and 30c will be charged grades six through 12. Adults will pay 35c. The same policy will be in effect concerning lunches as in the past. Students may either eat in the lunch room, bring their lunch, or go to their

homes.

Pre-Registration
Registration for high school students will be Friday, August 26th, beginning at 8 a.m.

Birth Certificates
All first year students are required to have a birth certificate to present the first day of school as proof of their age.

Students who don't have a certificate may obtain a copy by sending \$1.50 and the name of the child, date and place of birth, and both father and mother's names to the Records and Statistics Section, Texas State Health Department, 410 East Fifth Street, Austin.

School Attendance Required
House Bill 51 raised the required

school attendance of students from 16 to 17 years of age.

The Bill reads, in part: "Every child in this state who is 7 years of age and not more than 17 years of age, other than a high school graduate, shall be required to attend the public schools in the district of his residence, or in some other district to which he may be transferred as provided by law, a minimum of 165 days of the regular school term of the district in which said child attends school."

County Agent Ends 3 Years Service, Thanks People

By DE GORDON
August 20th ended my third year in Hamilton County as agricultural agent. It was a short but very pleasant three years. Leaving the county and all the wonderful people here is difficult for my family and me.

We believe Hamilton County is a great place to live and raise a family. In fact we had planned to be here for many years, but the unexpected opportunity to accept the job as Eastland County Agent was an opportunity I could not pass up. We are excited about the promotion, but that does not make it any easier to leave Hamilton County.

I wish I could personally thank everyone in the county who helped to carry on the extension program, but this would be impossible. I would not have room to list the names of everyone who assisted me and if I tried I'm sure I would leave someone out.

I would like to take this opportunity to thank several groups of people who have been especially helpful. Among these are all the members of the county program building committee and sub-committees who helped to develop our county program during my first year. I would also like to thank all the farmers and ranchers who devoted time and effort to conduct result demonstrations. Also included are the Farm Bureau officers and other farmers and ranchers who helped with the difficult brucellosis testing last year. I would like to thank the volunteer 4-H adult leaders who gave so much of their time to training the youth

in our clubs.

Another group who gave much time and effort were the men who solicited and collected money for the successful screwworm program. Still other people to be thanked are the Chamber of Commerce members and others who helped with the Junior Livestock show, the poultrymen and businessmen who helped with the poultry clinic in 1965, the wolf club in their efforts to control predators of livestock, the mohair promotion council, and the committee on aging. I would also like to thank the Jaycees, Lions Club, and Soil Conservation District for their financial support of various 4-H programs, and other agricultural agencies—SCS, FHA, ASCS and agriculture teachers for their cooperation and assistance.

I also appreciate the cooperation and assistance of the county judges and county commissioners during the last three years. The news media people have been especially helpful to me—the Hamilton Herald-News, the Hico News Review, and KCLW.

Hamilton County is fortunate to be getting Bill McCutchen for its new county agent. He has been assistant agent of Eastland County for over two years, and is highly recommended by the people there. It is only by coincidence that Bill is coming from the same county to which I am going. He just happened to be the most qualified agent to move up.

We will miss Hamilton County and will always treasure our many friends here.

MISS BULLOCH

Miss Bulloch Among Select Honor Program Students at Baylor

Waco, Aug. 23.—(Sp.)—Miss Connie Bulloch, daughter of Mr. and Mrs. D. E. Bulloch of Hico, is one of a select group of some 100 students eligible for continued participation in Baylor University's honor program.

A chemistry major, Miss Bulloch recorded a 3.117 grade point average at Baylor last semester. She has a cumulative average in honors program of 3.375 based on a 4.0 grading system.

Baylor's honors program offers superior students in the college of arts and sciences the opportunity to broaden their intellectual horizons and explore more intensely their major fields.

It is a four-year program administered by a committee of 12 faculty members. Students are enrolled in special honors sections of certain courses required for the bachelor's degree.

Subject matter of honors sections is the same as for regular sessions, but instruction, discussion, and supplementary reading are adapted to the interests and capabilities of superior students.

Civic Club to Meet

Hico Civic Club regular meeting will be held next Wednesday at the usual place and time. All members are urged to attend.

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 79 proposing an amendment to Article VIII, Constitution of the State of Texas, by adding Section 1-d to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article VIII, Constitution of the State of Texas, be amended by adding Section 1-d to read as follows: "Section 1-d. (a) All land owned by natural persons which is designated for agricultural use in accordance with the provisions of this Section shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use. 'Agricultural use' means the raising of livestock or growing of crops, fruit, flowers, and other products of the soil under natural conditions as a business venture for profit, which business is the primary occupation and source of income of the owner."

"(b) For each assessment year the owner wishes to qualify his land under provisions of this Section as designated for agricultural

use he shall file with the local tax assessor a sworn statement in writing describing the use to which the land is devoted.

"(c) Upon receipt of the sworn statement in writing the local tax assessor shall determine whether or not such land qualifies for the designation as to agricultural use as defined herein and in the event it so qualifies he shall designate such land as being for agricultural use and assess the land accordingly.

"(d) Such local tax assessor may inspect the land and require such evidence of use and source of income as may be necessary or useful in determining whether or not the agricultural use provision of this article applies.

"(e) No land may qualify for the designation provided for in this Act unless for at least three (3) successive years immediately preceding the assessment date the land has been devoted exclusively for agricultural use, or unless the land has been continuously developed for agriculture during such time.

"(f) Each year during which the land is designated for agricultural use, the local tax assessor shall note on his records the valuation which would have been made had the land not qualified for such designation under this Section. If designated land is subsequently diverted to a purpose other than that of agricultural use, or a soil, the land shall be subject to an additional

tax. The additional tax shall equal the difference between taxes paid or payable, hereunder, and the amount of tax payable for the preceding three years had the land been otherwise assessed. Until paid, there shall be a lien for additional taxes and interest on land assessed under the provisions of this Section.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

"AGAINST the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the constitution and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER ELEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 19 proposing an Amendment to Section 49-d, Article III of the Constitution of the State of Texas, declaring state policy regarding optimum development of water reservoirs; providing for the use of the Texas Water Development Fund under such conditions as the Legislature may prescribe by General Law in the acquisition and development of storage facilities and any system of works properly appurtenant thereto; providing for the sale, lease or transfer of such facilities under General Laws; providing for long-term contracts for water storage facilities; authorizing the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon a two-thirds (2/3) vote of the elected members of each house; providing that anticipatory legislation shall not be invalid because of its anticipatory character; providing for the necessary election, form of ballot, and proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 49-d. It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public. The proceeds from the sale of the additional bonds authorized hereunder deposited in the Texas Water Development Fund and the proceeds of bonds previously authorized by Article III, Section 49-c of this Constitution, may be used by the Texas Water Development Board, under such provisions as the Legislature may prescribe by General

Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water from storage to points of treatment, filtration and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

"Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and development of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works

which the Texas Water Development Board has financed in whole or in part.

"Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of the preceding Section 49-c of this Constitution, and the provisions in said Section 49-c with respect to payment of principal and interest on state bonds issued shall likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment.

"The aggregate of the bonds authorized hereunder shall not exceed \$200,000,000 and shall be in addition to the aggregate of the bonds previously authorized by said Section 49-c of Article III of this Constitution. The Legislature upon two-thirds (2/3) vote of the elected members of each House, may authorize the Board to issue all or any portion of such \$200,000,000 in additional bonds herein authorized.

"The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired storage facilities or the right to use such storage facilities together with any associated system or works necessary for the filtration, treatment or transportation of water at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the Texas Water Commission or its successor authorizing the

acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of storage facilities or associated system or works shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when moneys are sufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such storage facilities or associated system or works may be used for the acquisition of additional storage facilities or associated system or works or for providing financial assistance as authorized by said Section 49-c. Money received from the sale of water, which shall include standby service, may be used for the operation and maintenance of acquired facilities, and for the payment of principal and interest on debt incurred.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

"AGAINST the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

MISS VINITA BLAKLEY

WHITE-OLDHAM VOWS WED SATURDAY NIGHT
The bride of Mr. Harold G. Oldham was married Saturday evening at 8 o'clock in the home of Mr. and Mrs. Dale Oldham. Rev. Dale Oldham officiated at the double ring ceremony.

The bride wore a two-piece suit of navy shantung, and a corsage of gardenias. For something old, her mother's wedding ring, something borrowed, Mrs. Oldham's handkerchief, a Canadian penny in her shoe, and the traditional blue garter.

The bride was given in marriage by her father. Honor attendants were Miss Sandra Patterson of Hico, cousin of the groom, who represented Miss Sandra Doss of Crowley, ill with the mumps. Eddie Sealey of Fort Worth was best man, in the absence of the groom's brother, Gary Oldham, who was in Madison, Wisconsin.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 65 proposing an Amendment to Section 3 of Article VII of the Constitution of Texas providing that school taxes theretofore voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by a change in boundaries nor shall bonds voted, but unissued, at the time of such change, be invalidated by such change; authorizing the levy of taxes after such change without further election in the district as changed; providing an exception in the case of the annexation or consolidation of whole districts; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 3-b of Article VII of the Constitution of Texas be amended to be and read as follows:

"Section 3-b. No tax for the maintenance of public free schools voted in any independent school district and no tax for the maintenance of a junior college voted by a junior college district, nor any bonds voted in any such district, but unissued, shall be abrogated, cancelled or invalidated by change of any kind in the boundaries thereof. After any change in boundaries, the governing body of any such district, without the necessity of an additional election, shall have the power to assess, levy and collect ad valorem taxes

Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT

on all taxable property within the boundaries of the district as changed, for the purposes of the maintenance of public free schools or the maintenance of a junior college, as the case may be, and the payment of principal of and interest on all bonded indebtedness outstanding against, or attributable, adjusted or allocated to, such district or any territory therein, in the amount, at the rate, or not to exceed the rate, and in the manner authorized in the district prior to the change in its boundaries, and further in accordance with the laws under which all such bonds, respectively, were voted; and such governing body also shall have the power, without the necessity of an additional election, to sell and deliver any unissued bonds voted in the district prior to any such change in boundaries, and to assess, levy and collect ad valorem taxes on all taxable property in the district as changed, for the payment of principal of and interest on such bonds in the manner permitted by the laws under which such bonds were voted. In those instances where the boundaries of any such independent school district are changed by the annexation of, or consolidation with, one or more whole school districts, the taxes to be levied for the purposes hereinabove authorized may be in the amount or at not to exceed the rate theretofore voted in the district having at the time of such change the greatest scholastic population according to the latest scholastic census and only the unissued bonds of such district voted prior to such change, may be

subsequently sold and delivered and any voted, but unissued, bonds of other school districts involved in such annexation or consolidation shall not thereafter be issued."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 3-b of Article VII of the Constitution of Texas providing that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

"AGAINST the amendment to Section 3-b of Article VII of the Constitution of Texas providing that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective on and after the date of its adoption.

Sec. 3. The Governor shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and Laws of this State.

COUNTY AGENT REPORTS

By DeMARQUIS GORDON

In past years farmers and ranchers have filed for a refund of Federal tax on gasoline used on a farm. These claims were made on form 2240 which were mailed to farmers and were available in the county agent's office. They were mailed after the first of July each year.

Farmers and ranchmen will not file a claim for refund of Federal tax on gasoline used on their farm or ranch as they have done in past years. Instead, the refund on gasoline used on or after July 1, 1965 must be claimed as a credit on their annual income tax return.

This credit will first be taken on the return for the first full tax year beginning after June 30, 1965. If the return is filed on a calendar year basis, the credit for gasoline tax refund taken on their 1965 return will include the tax on gasoline used in the period from July 1, 1965 through December 31, 1965. The refund is claimed as credit in a manner similar to the credit for tax withheld on wages.

Farmers will soon be purchasing small grain seed to sow this fall. Many factors enter into the choice of a variety to sow. Recommendation of several varieties of small grain are usually made so that choice may be made for dry land or irrigated; low or high fertility

conditions; grazing plus grain production; forage use only, or grain production only.

Disease reaction is very important and insect reaction is becoming important as more resistant varieties become available.

The Texas Agricultural Experiment Station sends out data on the previous performance tests of small grain but this will not be available this year until after fall seeding plans are made. I have received some preliminary information based primarily on results over past seasons.

Hard wheats recommended for this area include Caddo, Quannah and Gage because of their leaf rust resistance. All other hard wheat varieties are highly susceptible to the rusts.

Among the oat varieties the Arkansas variety Ora is at present the outstanding variety for this area as it has good leaf rust resistance combined with good plant type and high test weight. Other varieties that are adapted include New Nortex, Alamo-X, Moregrain, Houston and Surgrain. Surgrain and Houston are more tender than others and may be injured by low temperatures.

Mr. and Mrs. Harold Walker, Johnette, Stephanie, Dean and Dale were Sunday visitors at Wichita Falls in the home of her mother, Mrs. Gertrude Talley and family.

Mrs. Raymond Lane, David, Terry, Diana and Lester returned to their home in Houston this past weekend following an extended visit here with her parents, Mr. and Mrs. Lester Herod. Mr. Lane came for them Saturday.

Junior Rodeo Winners Listed By Sponsoring Organization

The annual Junior Rodeo sponsored by Hico Riding Club last Friday night at the local arena again proved to be a popular event among area youngsters, with a large number of contestants entered in both divisions.

Mrs. Conner Named County Treasurer by Commissioners Court

Mrs. Janie Conner was elected County Treasurer Monday afternoon of last week in a special meeting of County Commissioners Court.

Mrs. Conner, who took office Monday of this week, was selected from among eight other candidates who applied for the vacancy, created when Mrs. Shirley Freeman resigned to accept a position with Gulf States Telephone Co.

Mrs. Freeman's term expires January 1. She was elected as the Democratic nominee for the treasurer's office in the May Primary and the Republicans offered no candidate for the office.

With the resignation of Mrs. Freeman, the executive committee of the county Democratic party will have to meet to decide their candidate for the November election. The person they choose will replace Mrs. Freeman on the ballot.

State Conservationist Comments on Flood Prevention Survey

"Texas is not yet a land of '10,000 lakes and a fisherman's paradise' but hundreds of Texans are working on it," said State Conservationist H. N. Smith of the SCS in commenting on a recent statewide survey of flood prevention structures and outdoor recreation.

Smith went on to point out that about 1,100 such structures have been completed, and almost 800 of these have been stocked with game fish in accordance with Texas Parks and Wildlife Department specifications. About 400 of these structures are open to the public on a free or daily fee basis. Thirty-six are being used by groups of families or other organizations on a club-lease basis. Recreational facilities such as beaches, rest-rooms, picnic tables and boat docks have been installed on 144 of the lakes. An estimated 637,300 recreation man days have been spent on these structures since completion.

"These dams, designed and built primarily for flood control and soil conservation, are helping absorb the outdoor recreational pressure generated by a shortened work week and a steadily rising standard of living," Smith said.

In the Hico area some of these dams have been completed. All easements have been secured by the sponsors on one site west of Hico on the Cliff Fowier ranch.

Around Hamilton, the Pecan Creek Watershed Plan has been completed and is being examined in Washington at present time. All of the work mentioned here should be completed during the next few years. Local people, as well as others, can use these sites for recreation.

On the Home Range

By SONDRRA KOONSEN
Home Demonstration Agent

Here's information about two main types of household bleaches. The many household bleaches on the market today often confuse the homemaker.

They are two main types of bleaches. The chlorine type comes in liquid or dry form, and the oxygen type is a dry form labeled potassium monopersulfate or sodium perborate compound.

Read the labels carefully to tell the difference between dry chlorine and dry oxygen bleach. Oxygen bleach is safe for all fabrics. Dry chlorine bleach should not be used on silk, wool or non-colorfast fabrics. Water softeners, fabric brighteners, and detergents can be added to dry bleaches. This is not possible with a liquid bleach.

After reading the directions on the bleach package, measure the amount you need accurately, using a standard measuring cup. Chlorine bleach should be diluted before it is added to the wash. If there is any doubt about colorfastness, don't pour dry bleach directly on clothes.

Liquid bleach can be added to wash water in two ways. Pour the measured bleach into the water while the tub is still filling, before the clothes are added, or dilute the measured bleach in a quart of water first, and add it to the wash load after agitation has started. If the bleach is poured directly on the fabric without being diluted, fabric damage will result. This damage may or may not show up immediately afterwards.

Many washer manufacturers have simplified the process of adding bleach by providing automatic bleach dispensers. Some allow the bleach to be added at the proper time during the washing process and in correct amounts.

The bleaches which come in packet or tablet form enable you to add the correct amount without having to measure. Directions should be followed carefully since all packets or tablets are not the same.

Chlorine bleaches get rid of hard-to-remove soil on collars, cuffs, underwear, and pillowcases. They whiten clothes and serve as an effective disinfectant.

Dry oxygen bleaches which can be used on fine fabrics are more effective in keeping things white if they are used regularly and in

the hottest water the fabric can stand. The potassium monopersulfate bleaches perform well in warm water, so they can be used on silk and wool which should be washed in cool water. Use hot water for whitening nylons and for bleaching wash-and-wear and resin-treated cottons.

Peach season is in full swing. From now into September, homemakers should find a good selection of this luscious fruit on the market. Prices of peaches will vary according to variety, size and degree of ripeness. Good buys should be available in most markets.

Select plump, firm, smooth peaches that have very few if any blemishes. The peaches should show a full flush of pink. Peaches are usually picked just before maturity, as they ripen rapidly after this stage. Pale yellow peaches with a green cast probably were picked

ENJOY PICNIC OUTING

A picnic outing was enjoyed Tuesday night of last week at roadside park near Clarksville, Tenn. by Mr. and Mrs. Bob McCook, Mr. and Mrs. Dewey Jones, Mrs. Bee Hansen, Mr. and Mrs. M. L. Walton of Whittier, and Dexter Elkins of Austin.

ENLISTS IN ARMY

Ronnie Lee Taegel, son of roid Taegel of Olin, has enlisted in the U.S. Army and is taking basic training at Fort Polk, La.

Thursday visitors in the home of Mr. and Mrs. Tyrus King were Mr. and Mrs. Herman Wright of Duncan, Oklahoma, Mrs. J. Wright, and Mr. and Mrs. G. Cheek, Jimmie and Janice. Cheeks were visiting here en route to Norfolk, Virginia, where he will be stationed with the U.S. Army.

While still green, Gum coming from a peach indicates insect damage. When you buy peaches, remember that one pound will serve two people. This allows two sized halves per person.

WOULD YOU RIDE IN A LEAKY BOAT?

No, of course you wouldn't. No person in his right mind would. No person should think of starting on a trip or to the many forthcoming football games without having their car checked either.

They especially enjoyed visiting the historical points in Huntsville which included the Sam Houston Monument, grave and two homes in which he lived. Jane returned to Hico with her grandparents for a visit.

Mrs. Eva Mackey returned to her home last Thursday night following a two-week visit at Everman in the home of Mr. and Mrs. R. L. Mackey, Gary and Steven. Mrs. Mackey and sons accompanied her home.

Ollie Campbell of Fort Worth is spending this week in the home of his niece, Miss Ruby Rodgers.

Edgar Wright of Lubbock, former resident of this area, passed away last Tuesday. Funeral services were held Wednesday. Mr. Wright was a cousin of Ruby Rodgers and formerly resided at Carlton. Mr. and Mrs. Bill Campbell of Dallas and Ollie Campbell of Fort Worth attended the services.

Mr. and Mrs. Charles Oxley of Fort Worth visited during the weekend in the homes of their parents, Mr. and Mrs. Raby Bruner and Mr. and Mrs. C. A. Oxley and family.

KELLERS ENJOY VACATION

Mr. and Mrs. Ray Keller, Vickie, Curtis and Brent returned home Saturday night following a 7-day vacation trip to scenic points of interest in Colorado, Wyoming, and Yellowstone National Park. While in Colorado they visited at Pueblo in the home of Mr. and Mrs. Ed Bulman, Mark and Selene, who recently moved there from Hico, and at Center with Mr. and Mrs. Reno Dunbar, former Clairette residents. They also visited with Mr. and Mrs. Roy Brenning and family at Cheyenne, Wyo. The Brennings were friends they met during Ray's service years.

Enroute home they visited at Petersburg with her uncle, Mr. and Mrs. Julius Jordan and families and at Cisco with another uncle, Mr. and Mrs. J. D. Jordan.

Mrs. J. H. Baldrige and her daughter, Mrs. John Stover of Corsicana were visitors at Baldrige ranch last Thursday, and also visited with her sisters, Mrs. Willard Sellman of Hico and Mrs. Hume Anderson at Twilight Rest Home in Stephenville.

Mr. and Mrs. Charlie Lanford and granddaughter of Niland, Calif. were recent visitors in the home of his sister, Mr. and Mrs. J. C. Kilcrease and Johnny.

Mrs. Raymond Dodd and Susan of Lawn were weekend guests in the home of her daughter, Mr. and Mrs. E. V. Meador, Denna and D'Ann.

McLENDON HONORED AT ICE CREAM SUPPER

Mr. Leonard McLendon was honored at an ice cream supper Sunday night at the home of her daughter and family, Mr. and Mrs. George Kilgo, Kay and Mike. The occasion was in observance of her birthday.

Those attending were Mr. and Mrs. Charlie Tolliver, Mrs. Lillie Thompson, Mrs. Charles Tolliver and Lynette, and the honoree and her husband.

LAUGHTER FOR NAULS

Mr. and Mrs. Aron Naul are the proud parents of a daughter, born August 12 at Stephenville Hospital. The new arrival weighed 8 pounds 15 ounces, and has been given the name Gwendolyn LeAnn. Grandparents are Mr. and Mrs. G. E. Arnold of Hico and Mr. and Mrs. B. Naul of Duffau.

Fairy Community News

By MRS. EUNICE DANIEL

A pall of sadness fell on this and surrounding communities early last Friday morning when word was received of the death of Mrs. Ora Abel Pitts of Stephenville. She was reared in the Fairy community and spent most of her life here.

10, 1887 in Abel, Alabama. At the age of 8 years her parents moved to Fairy where she grew to maturity, and was considered one of our most beautiful young girls. She served as organist for the Baptist Church for many years.

Ora Abel was born to the late Thomas and Martha Abel on Aug. 28, 1887 in Abel, Alabama. At the age of 8 years her parents moved to Fairy where she grew to maturity, and was considered one of our most beautiful young girls. She served as organist for the Baptist Church for many years.

She was married to Herbert S. Pitts on Dec. 13, 1904. To this marriage three sons and three daughters were born, namely, Audrey, who preceded her in death in 1936, Tommy Pitts of Hamilton, Joe (J. N.) Pitts of Dallas, Miss Ima Pitts and Mrs. Curtis (Lorene) Wright, both of Fort Worth and Mrs. Hall (Edith) Morrison of Stephenville. She is also survived by two brothers, Walter and Bill Abel of near Fairy, and one sister, Mrs. Lilla Byrd of San Angelo; also four grandsons and one granddaughter and five great-grandchildren.

Funeral services were held Friday, August 19 at 2 p.m. at the Stephenville Funeral Home Chapel, with Rev. Odis Carruth of Calvary Baptist Church officiating. A quartet rendered two numbers, accompanied by a lady assistant of the chapel. Mrs. Pitts passed away at Twilight Nursing Home at 8:45 p.m. Thursday. She had been in ill health for several years. All that loving hands could do to restore her health had been done.

Mrs. Pitts was converted at the age of 15. She and her husband joined the Fairy Baptist Church soon after their marriage and were faithful workers. After moving to Stephenville in 1952, they became members of the Calvary Baptist Church and were faithful members until her health became impaired. The beautiful floral offering bore tribute of love and respect to the memory of this loved one.

Nephews and grandsons served as pallbearers. Burial was in the Fairy Cemetery. Our deepest sympathy is extended to the family and relatives at this time of deep sorrow, and may God bless and comfort them.

Those from here attending services for Mrs. Pitts, that we observed, were Mr. and Mrs. B. A. Gleason, Mr. and Mrs. Walter Abel and Bill, Mrs. Ruth Cunningham, Mrs. W. E. Goynes, Mr. and Mrs. H. O. Richardson, and the writer and Mrs. C. W. Brunson of Hico. Also a goodly number attended the graveside services, but due to the services being announced for 4 p.m. and were completed around 3:30, part of the number arrived late. Seems as a number also failed to hear of her death in time to attend.

We were sorry to learn of the death of Mrs. Muse of Iredell, and didn't know until after the funeral service that it was she who had passed away, as the name was understood to be New when announced on radio. Our sympathy is extended to her family.

We visited a short while Sunday afternoon in the home of Mr. and

Mrs. Eric Parks and glad to report Mr. Parks looking good and enjoying the visits of their many friends. He is so glad to be home again after a stay of several weeks in Harris Hospital where he underwent major surgery. He is able to sit up some and also walks a little in the home each day. We hope he continues to improve and will soon be up and out again.

Mrs. E. M. Hoover carried her sister, Mrs. V. H. Heyroth of Clifton to the Gorman Hospital last Friday for a physical checkup. She got a good report.

Mr. and Mrs. Willie Turner visited during the weekend at Killen with their children and families, the Ray Botkins, Billy Turners, Ray Turners, and Miss Bernice.

Mrs. Ruth Cunningham had her children home during the weekend. They were here to attend the wedding of their cousin, Miss Kay Tooley of Hico. Present were Mr. and Mrs. Walter Prinz and two daughters, Mr. and Mrs. Glenn Arrant and family, who also visited his parents. Mr. and Mrs. Ted Arrant, all of Fort Worth, and Mr. and Mrs. Bob Frederick and Glenn Penny of Venus. Also Mrs. Cunningham's two sisters, Mrs. Gladys Newsom and daughter, Mrs. Cecil Allison of Wichita Falls, and Mrs. Bess Cole of Fort Worth. Mr. and Mrs. Tommy Pitts visited in the home Sunday.

Mr. and Mrs. Oran Willeford returned home Wednesday of last week following a weekend visit in Corpus Christi in the home of his brother, Mr. and Mrs. Aron Willeford. They returned by Houston where they visited in the home of Rev. and Mrs. Duval and family, former pastor of Fairy Baptist Church. Delia remained for a visit in the Duval home, returning home Monday.

Mr. and Mrs. Fred Duncan and family of Irving visited Saturday at the home of his mother, Mrs. Olga Duncan. She returned home with them following several weeks visit in the home of her children, the Fred Duncans, Herman Dendens of Cleburne, Sidney McKandless of Fort Worth and H. W. Luskies of Dallas. Fred is on vacation and will be visiting his mother again this week.

Mrs. Jessie Edwards of Hico visited a few days last week in the home of her daughter, Mr. and Mrs. Oran Willeford. On Sunday all were in Fort Worth to visit their daughter, Mrs. Mildred Allison and family.

Mr. and Mrs. Ray Turner and Keith of Killen spent last Thursday and Friday with their parents, Mr. and Mrs. Willie Turner and Mr. and Mrs. Carl Ray Sellers and Janice. They were enroute home following a vacation trip to various points in Texas.

The writer accompanied Mr. and Mrs. Albert Mason to Lund Valley last Thursday night to a choir practice program, held each Thursday night.

Mrs. Edna King of Ballinger expresses her thanks to all of her Fairy and Hico friends for the nice cards, prayers and love shown in her behalf while she was recuperating from a broken hip. She has made rapid recovery and is now at her apartment in Ballinger.

Mr. and Mrs. E. M. Hoover received a letter recently from their sister-in-law, Mrs. Clyde Hoover of Dallas telling them of their misfortune recently while on a vacation trip out of state. Their friends had accompanied them on the trip since Mr. Hoover has a heart condition and could not do much driving. Unable to get overnight accommodations in Memphis due to a big ball game, they were leaving Memphis to drive to Jackson, Tenn. when at the edge of Memphis on a six-lane highway, the friend who was driving started to make a left hand turn and was struck broad side by some negroes who failed to stop for the light signal. The steering wheel was broken and parts thrown to the rear of the car and struck the ladies in the face. The driver received two broken fingers, all were bruised and shaken up and the 1965 Oldsmobile

was so badly wrecked Mr. Hoover just purchased a new car for them to complete their journey. They stated the people whom they were in contact with following the wreck were very nice to them and did manage to find them a place to spend the night. We feel they were lucky after all. This happened August 13.

Rusty Harris, vocational agriculture teacher at Huckabay and Lingleville has been elected district public relations chairman by other teachers in the Cross Timbers District. The district consists of 23 area schools. Rusty, who holds a masters degree from Sam Houston

State College, has taught in the Erath schools for the past year. He is just another graduate of Fairy High School who has made good. Congratulations to him. He is the son of the Lee Millers of Lubbock, formerly of Fairy.

Our farmers have been working early and late with maize harvest and some fields have yielded as much as 70 of maize per acre. We think this is pretty good.

Mr. and Mrs. Willie Turner have purchased the land north of the FM road, off the Drosche place, better known as the Petty place. J. A. Edwards has purchased the land south of the road. We are

happy to know these good folks will be staying in the community. The Edwards reside on the former Joe Blakley place and will continue to live there at present.

Weekend visitors in the home of Mr. and Mrs. W. E. Goynes were Mr. and Mrs. Benny Dowdy and Derek and Mr. and Mrs. O. E. Overton and Robby of Ft. Worth. Mr. and Mrs. Arvis Elerson and Mrs. J. M. Hays of Clifton. Mr. and Mrs. Albert Mason attended singing at Stephenville Sunday afternoon. The Ham Family of Fort Worth is expected to be there the next third Sunday.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. SENATE JOINT RESOLUTION NO. 4 proposing an Amendment to the Constitution of Texas by adding to Section 62 of Article XVI a new subsection (c), of said Section 62; authorizing the Legislature to enact laws establishing, subject to the limitations stated, a State-wide System of Retirement, Disability and Death Compensation benefits for the officers and employees of the counties and other political subdivisions of the state, and of the political subdivisions of any county.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 62 of Article XVI of the Constitution of the State of Texas be amended by adding thereto a subsection (c) which shall read as follows:

"(c) The Texas Legislature is authorized to enact appropriate laws to provide for a System of Retirement, Disability and Death Benefits for all the officers and employees of a county or other political subdivision of the state, or a political subdivision of a county; providing that when the Texas Legislature has passed the necessary enabling legislation pursuant to the Constitutional authorization, then the governing body of the county, or other political subdivision of the state, or political subdivision of a county shall make the determination as to whether a particular county or other political subdivision of the state, or subdivision of the county participates in this System; providing further that such System shall be operated at the expense of the county or other political subdivision of the state or political subdivision of the county electing to participate therein and the officers and employees covered by the System; and providing that the Legislature of the State of Texas shall never make an appropriation to pay the costs of this Retirement, Disability and Death Compensation System. "The Legislature may pro-

vide for a voluntary merger into the System herein authorized by this Constitutional Amendment of any System of Retirement, Disability and Death Compensation Benefits which may now exist or that may hereafter be established under subsection (b) of Section 62 of Article XVI of the Texas Constitution; providing further that the Texas Legislature in the enabling statute will make the determination as to the amount of money that will be contributed by the county or other political subdivision of the state or political subdivision of the county to the State-wide System of Retirement, Disability and Death Benefits, and the Legislature shall further provide that the amount of money contributed by the county or other political subdivision of the state or political subdivision of the county shall equal the amount paid for the same purpose from the income of each officer and employee covered by this State-wide System.

"It is the further intention of the Legislature, in submitting this Constitutional Amendment, that the officers and employees of the county or other political subdivision of the state or political subdivision of a county may be included in those systems regardless of whether the county or other political subdivision of the state or political subdivision of the county participates in the Retirement, Disability and Death Benefit System authorized by this Constitutional Amendment, or whether they participate in a System under the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as the same is herein amended."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election in November, 1966, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or

political subdivisions of a county; authorizing the Legislature to provide for a voluntary merger into the system authorized by this Amendment of any officers and employees covered by the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as now existing or may hereafter be established; providing that costs of this System shall be borne by the counties and other political subdivisions of the state and political subdivisions of the county electing to participate therein and the officers and employees covered by the System; and forbidding the Legislature from making any appropriations for the operation of this System."

"AGAINST the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or political subdivisions of a county; authorizing the Legislature to provide for a voluntary merger into the system authorized by this Amendment by those officers and employees covered by the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as now existing or may hereafter be established; providing that costs of this System shall be borne by the counties and other political subdivisions of the state and political subdivisions of the county electing to participate therein and the officers and employees covered by the System; and forbidding the Legislature from making any appropriations for the operation of this System."

If it appears from the returns of said election that a majority of the votes have been cast in favor of such amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have notice of said proposed Amendment and of said election published as required by the Constitution of Texas, and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. HOUSE JOINT RESOLUTION NO. 48 proposing an Amendment to Article IX of the Constitution of the State of Texas, providing the method and manner for dissolution of hospital districts created under Article IX of the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article IX of the Constitution of the State of Texas be amended to read as follows:

"Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county; providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all

the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (75c) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpayers electors thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpaying voters in the district concerned.

The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

(1) determining the desire of a majority of the qualified voters within the district to dissolve it;

(2) disposing of or transferring the assets, if any, of the district; and

(3) satisfying the debts and bond obligations, if any, of the district, in such manner as to protect the interest of the citizens within the district, including their collective property rights in the assets and property of the district, provided, however, that any grant from federal funds, however dispensed, shall be considered an obligation to be repaid in satisfaction and provided that no election to dissolve shall be held more often than once each year. In such connection, the statute shall provide against disposal or transfer of the assets of the district except for due compensation to another governmental agency, such as a county, including such district and using such transferred assets in such a way as to benefit citizens formerly within the district.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment providing the method and manner for dissolution of hospital districts.

"AGAINST the constitutional amendment providing the method and manner for dissolution of hospital districts."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. HOUSE JOINT RESOLUTION NO. 13 proposing an Amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas as so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 2 of Article VI of the Constitution of the State of Texas be amended, effective February 1, 1968, by deleting the following language:

"and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost, and the husband may pay the poll tax of his wife and receive the receipt therefor in the manner, the wife may pay the poll tax of her husband and receive the receipt therefor."

provided, however, that before offering to vote at an election a voter shall have registered annually, but such requirement for registration shall not be considered a qualification of an elector within the meaning of the term "qualified elector" as used in any other Article of this Constitution in respect to any matter except qualification and eligibility to vote at an election. Any legislation enacted in anticipation of the adoption of this Amendment shall not be invalid because of its anticipatory nature. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation. Any member of the Armed Forces of the United States or component branches thereof; or in the military service of the United States, may vote only in the county in which he or she resided at the time of en-

language underscored:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one (21) years and who shall be a citizen of the United States and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; and

provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost, and the husband may pay the poll tax of his wife and receive the receipt therefor in the manner, the wife may pay the poll tax of her husband and receive the receipt therefor."

provided, however, that before offering to vote at an election a voter shall have registered annually, but such requirement for registration shall not be considered a qualification of an elector within the meaning of the term "qualified elector" as used in any other Article of this Constitution in respect to any matter except qualification and eligibility to vote at an election. Any legislation enacted in anticipation of the adoption of this Amendment shall not be invalid because of its anticipatory nature. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation. Any member of the Armed Forces of the United States or component branches thereof; or in the military service of the United States, may vote only in the county in which he or she resided at the time of en-

tering such service so long as he or she is a member of the Armed Forces."

Sec. 2. That Section 4 of Article VI of the Constitution of the State of Texas be amended by changing the word "majority" to "shall" in the last clause thereof and by deleting the words "in all cities containing a population of ten thousand inhabitants or more."

The text of this Section, as so amended, is shown below, with the deleted language marked through by a broken line and with the new language underscored:

"Section 4. In all elections by the people, the vote shall be by ballot, and the Legislature shall provide for the numbering of tickets and make such other regulations as may be necessary to detect and punish fraud and preserve the purity of the ballot box; and the Legislature may shall provide by law for the registration of all voters in all cities containing a population of ten thousand inhabitants or more."

Sec. 3. If any other Amendment to Sections 2 or 4 of Article VI of the Constitution of the State of Texas, being for a different purpose, is adopted at an earlier election or at the same election, the adoption of this Amendment shall not be construed as nullifying any change made by such other Amendment.

Sec. 4. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR repealing the poll tax as a requirement for voting.

"AGAINST repealing the poll tax as a requirement for voting."

Sec. 5. If the foregoing Amendment is adopted, the proclamation of the Governor declaring the adoption of the Amendment shall set forth the full text of the amended Sections, as amended herein and as amended by any other proposed Amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.

Sec. 6. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIXTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 1 proposing an Amendment to the Constitution of the State of Texas to establish the date on which newly elected Members of the Legislature shall qualify and take office.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 3, of the Constitution of Texas, be and the same is hereby amended so as hereafter to read as follows:

"Section 3. The Senators shall be chosen by the qualified electors for the term of four years; but a new Senate shall be chosen after every apportionment, and the Senators elected after each apportionment shall be divided by lot into two classes. The seats of the Senators of the first class shall be vacated at the expiration of the first two years, and those of the second class at the expiration of four years, so that one half of the Senators shall be chosen biennially thereafter. Senators shall take office following their election, on the day set by law for the convening of the Regular Session of the Legislature, and shall serve thereafter for the full term of years to which elected and until their successors shall have been elected and qualified."

Sec. 2. That Article III, Section 4, of the Constitution of Texas, be and the same is hereby amended so as hereafter to read as follows:

"Section 4. The Members of

the House of Representatives shall be chosen by the qualified electors for the term of two years. Representatives shall take office following their election, on the day set by law for the convening of the Regular Session of the Legislature, and shall serve thereafter for the full term of years to which elected and until their successors shall have been elected and qualified."

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State, at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment establishing the date on which newly elected Members of the Legislature shall qualify and take office."

"AGAINST the Constitutional Amendment establishing the date on which newly elected Members of the Legislature shall qualify and take office."

If it appears from the returns of such election that a majority of the votes cast therein are for such Amendment, same shall become a part of the Constitution of Texas.

Sec. 4. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for such election and this Amendment shall be published and the election shall be held as provided by the Constitution and laws of this State.

County Will Lose Wolf Trapper If More Funds Not Secured

Hamilton County will lose its wolf trapper in the near future if sufficient funds are not secured, reported Garland Streater, president of the Hamilton County Wolf Club.

Bill Puckett, secretary and treasurer of the organization, told the county agent that the wolf club was three months behind in payments to the trapper and there is not sufficient funds available to pay for one month of services.

The county and state hires the trapper on a cooperative agreement. Hamilton County's portion is \$225.00 per month. The county government contributes \$35.00 per month, and the livestockmen must contribute the remaining \$190 each month. Forty eight ranchers permit the wolf club to draw one dollar per month from their bank accounts. Approximately 50 other ranchers make contributions to the club.

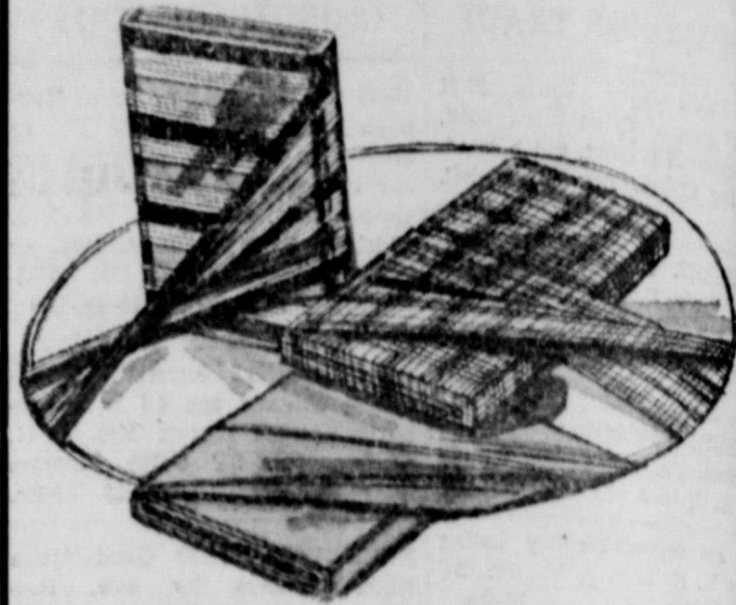

Jack Witten, an experienced wolf trapper, works Hamilton County. Streater said Witten traps an average of ten wolves each year, plus a large number of fox, bob cats and other predators.

There is a demand for experienced trappers in other counties. If Hamilton County should lose its trapper it is doubtful that they could secure another. Streater and Puckett believes that with the absence of a trapper, wolves and other predators would build up in large numbers and cost county ranchers thousands of dollars. Some ranchers who have been supporting the trapper service said if the county should lose the trapper they would be forced to sell their sheep and goats.

Wolf Club officers said the burden has been too great for only

a small percentage of ranchers. It has been estimated that about 600 farmers and ranchers own sheep and goats in the county. If only one-third of these would contribute one dollar per month, a trapper could continue serving the county. Contributions can be made to the Wolf Club through any bank in the county.
