HICO, TEXAS FRIDAY, MAY 3, 1968.

NUMBER 2

## Horse Racing, Booze Issues Expected to Draw Big Vote

### Local Ministers Organize In Fight Against Proposals

Saturday, May 4, is the day many politicians have been waiting for, and for a relatively quiet year a record vote could be cast, both locally and state-wide.

Two county races, plus two referendums appearing on the ballot, is expected to be the drawing card for Hico voters. Some interest has also been displayed in the Governor's race, that of Lt. Governor, and the District 54 Representative race.

The record is predicted on the basis of the number of qualified voters in Hico. A total of 766 people qualified by registering earlier in the year, the total second only to

Hamilton No. 1 Box, where 799 voters are registered. Other boxes in Precinct 3 are: Carlton 133; Fairy 108; and Olin 74.

The contested races in the county that affects Hico and Precinct 3 voters are those of Sheriff, where three candidates are seeking the office, and Commissioner of Precinct 3, where two men are vying for the post.

Ten candidates' names appear on the ballot for Governor, and three are seeking the Lt. Governor's post. In the State Representative race, two candidates are seeking the Democratic nomination.

#### Referendum Draw Interest.

Two of the three referendums on the ballot have drawn considerable interest, both locally and state-wide. The referendums are merely an expression of public opinion, and have no force or effect as law. They will be used as a guide next year when Legislators convene, and the expression of the people will go far in determining their actions on the two measures.

Referendums drawing the most interest are those permitting sale of liquor by the drink in so-called "wet" counties, municipalities, and precincts, and the issue of allowing pari-mutuel betting on horse races in the state. The latter has been outlawed in the state since the early 1930's.

#### Churches Organize.

Hico's three leading churches—Methodist, Baptist, and Church of Christ—have organized in protest to the two measures, and will be working all day Saturday to get people to go to the polls and cast ballots against the issues.

Each church will have someone stationed at the telephone during the day to take requests for transportation to the polls, and have lined up several cars to convey voters to the polling place.

#### Registration Necessary.

Miss Louise Blair, Precinct Democratic Chairman, again reminded residents that their voter registration certificate was necessary when they cast ballots. However, a supply of affidavits will be available for those people who have lost or misplaced the certificates.

Miss Blair also reminded voters that the "check system" would be used in marking ballots this year, and urged people to check their preference instead of using the scratch system. She also urged voters to check candidates in those races without opposition.

#### Precinct Convention

Annual Democratic Precinct Convention will be held at 2 p.m. Saturday afternoon in Firemen's Hall. The attendants will select delegates to the county convention.

#### Republican Primary.

J. V. New, local Republican Chairman, said this week that there would not be a Republican Primary in Hico, but an election would be held at the home of Dr. C. C. Baker in Hamilton for those desiring to vote that party ticket. Mr. New had first announced a local election, but said that lack of candidates on the ballot cancelled these plans.

In summation, the Saturday election shapes up as one with more than casual interest, despite lack of pre-election activity.

### Fairy Church is Eligible for Historical Marker

FAIRY METHODIST CHURCH  
... Nominated for Medallion.

Fairy Methodist Church has been named by the Hamilton Council on Historical Society that it is eligible for a Historical Marker to be placed on the church grounds.

Membership is planning a structure to be erected on the grounds for the marker. Plans for the stone structure are now being taken, a spokesman for the church said, and any money to contribute may be made to Fairy Methodist Church Historical Marker at the Hico First National

Mrs. G. W. Goynes. After establishment of the Fairy Post Office, about 1885, the name of the church was changed to Fairy Methodist Church.

There has been two church buildings. The first was erected in 1885 or about that time, and it was replaced by the present structure in 1918 after the first building was destroyed by fire.

The Fairy church has been pastored by fifty or more ministers in its tenure, with Rev. Hubert Taylor of Hico serving the membership at this time.

Although the members are few at this time, there are people scattered all over the U.S. who were once members of the church.

A representative from the church said that they would like to hear from all former members, especially descendants of the charter members.

Martin's Gap Methodist was organized in 1880 by Rev. J. T. Grissom, a Fairy pastor, and Mrs. Hattie Chenault, her mother, Grandpa and Anderson, and her brother, Mrs. Lou and Cora Anderson, and

The State Degree of Achievement Plaque will be hung in the Homemaking Cottage and additional names will be added each year.

## Fairy Community News

By MRS. EUNICE DANIEL

We were sorry to learn Sunday of the passing of J. D. Hampton of Pottsville, who died suddenly at his home there at 6:30 p.m. Saturday. The Hamptons lived across the street from the Frank Hanes, and Mrs. Hanes and daughter, Mrs. Bob Drew were the first to reach him. Mrs. Hampton, former Miss Odessa Whittington, taught in the Fairy schools for several years. She is badly crippled with arthritis and out crutches, and was trying to reach someone by telephone. Mr. Hampton recently had surgery in Fort Worth, and was thought he suffered a heart attack. He was 59 and a longtime rancher in the Pottsville community. Funeral services were held at 10 a.m. Monday in Hamilton.

Attending the funeral from here was the writer and Mr. and Mrs. Leslie New.

We were also sorry to learn of the passing of a former resident, Shropshire Bishop Lowe, 77, of Ft. Worth. He and his first wife, the former Ola May Lee, lived on the Jake Ogie and Fairbright places. Funeral services were held Saturday, April 27, at 4 p.m. in Fort Worth.

Burial and graveside services were held at Fairy Cemetery Thursday, April 25 at 4 p.m. for Algert Stanley Dare of San Bernardino. Mr. Dare was the son-in-law of Mrs. Ace Gann Mixon of Ft. Worth, sister of Bryan Gann of Fairy. Mr. Dare was found dead at his home late Monday, April 22, of an apparent heart attack. He was born Jan. 15, 1916 in Scranton, Pa., and was 52 years old. Survivors are his wife, a son, David Dare of San

Bernardino; his mother, Mrs. Margaret Dereskevich of Scranton, who was unable to attend the services. Our deepest sympathy is extended to each of the above families bereaved at this time.

Mrs. Ray Turner, Keith and Kimberly of Killeen and Mrs. Max Lam and Jason of Copperas Cove spent last Wednesday night and Thursday with their parents, Mr. and Mrs. Carl Ray Sellers and Janice and Mr. and Mrs. Scott Blakley. Mrs. Turner also visited the Willie Turners.

Mr. and Mrs. Albert Mason spent Tuesday night and Wednesday in Brownwood with her sister, Mrs. Ethel Higgins and helped her get her yard mowed. The Masons attended singing at Center City Sun.

Mr. and Mrs. Sammie Guinn of Arlington spent the weekend with their parents, Mr. and Mrs. Edward Guinn. They all visited Sunday in the home of Mrs. Guinn's parents, Mr. and Mrs. J. W. Harrison at Hamilton.

Mr. and Mrs. O. J. Clark Jr. of Fort Worth visited during the weekend with his parents, Mr. and Mrs. O. J. Clark. They also visited in the home of Mr. and Mrs. Lee Holley of Spring Creek on Sunday.

Mr. and Mrs. Jimmie Sellers of Grand Prairie visited Sunday with their parents, Mr. and Mrs. Carl Ray Sellers and Janice and Mr. and Mrs. R. A. Spencer of Hamilton, and at Hico Hospital with his father who was carried there Sunday morning, and is resting better at this time. He was expected to be released early Tuesday.

Mr. and Mrs. Murrell Ables visited Monday night with Mr. and

Mrs. Limmie Trantham. The writer visited with Carl Ray Sellers, Mrs. Dennis McAdams, John L. Wilson, Mrs. Jessie Edwards and Mrs. L. S. Cunningham at Hico Hospital Sunday afternoon.

Mrs. C. W. Brunson of Hico celebrated her 83rd birthday April 27. We had failed to get in on the deep secret, but seems her folks and friends had as she received several nice cards. Mrs. Gladys Brunson Lynch remembered her with a gift and card. Saturday morning her sister, Mr. and Mrs. John Huccaby of Burleson came and took her for a drive to Hidden Valley Store. They then went on to the home of her daughter, Mr. and Mrs. Herman Sills at Hamilton and had lunch. While there she stated a pretty good rain, with hail and wind, fell.

When she reached home she received a call from her brother, Nat Grimes of Santa Ana, Calif. His wife and daughter also talked to Mrs. Brunson. Well, not many of us will live to be as old as she and surely not as spry. We just wish for her many more happy birthdays, and we have the date booked now and she won't put it by us next year. She also received a gift from her granddaughter, Mrs. Jack Haile of Weatherford, signed by family members including little Julia Ann, her namesake, and the new son, Russell. The Huccabys brought a card and box of candy, and Mrs. Beatrice Chew of Hico sent a gift.

Mr. and Mrs. Ray Botkin, Patsy and Tammy of Killeen spent the weekend with her parents, Mr. and Mrs. Willie Turner. Mrs. Jackie Turner and children and Mrs. Dimple Gordon were visiting at the Turner and J. H. Davis home Wednesday through Friday.

A miscellaneous shower was given last Saturday afternoon honoring Mrs. Don Campbell of Fort

Worth, with Mrs. C. A. Bullard and Mrs. Don Bullard as hostesses. Mrs. Don Bullard was at the register. Some 18 ladies attended and as many sent gifts. Red colored fruit punch and cookies, nuts and mints were served from a white linen covered table, centered by an arrangement of red roses. Mrs. Campbell is the daughter of Mr. and Mrs. Justin Bullard. She and her husband are employed at General Dynamics in Ft. Worth.

Mr. J. H. Davis was returned home last week from Harris Hospital where he underwent surgery. Glad he is doing fairly well.

Mrs. A. W. Rachug has been returned from John Sealy Hospital to the home of her son, Rev. and Mrs. Robert Rachug at Clifton, and is still very ill.

Mrs. Lee Prater's mother, Mrs. Doty, who has been in Stephenville Hospital, is expected to be able to go back to Twilight Rest Home by Wednesday of this week. Visiting in the Prater home this week were Mrs. Beulah Childs of Bellville, Ill., Mrs. Viola McMahan and son, B.T. of Portland, and Robert Doty and wife and son and their granddaughter of Roby. Mrs. Doty is 83 and is still very poorly. We hope she will soon be fully recovered. It was thought she suffered a stroke.

Our sister, Mrs. Myrtle Eager of Brady is now a patient in Fire-side Nursing Home in Brady. She can walk now with help.

A house guest in the Lester Timmerman home last week was Dr. Dorothy Peckham of California State College, Los Angeles. Earlier in the month Mrs. Timmerman attended a luncheon in Austin honoring Dr. Peckham.

Mr. and Mrs. Timmerman were in Pottsville last Friday evening to hear the Texas Lutheran College Concert Choir. Mr. Timmerman is an ex-student of TLC.

Mr. and Mrs. Limmie Trantham visited in Morgan Sunday with his cousin, Mr. and Mrs. Sterling Trantham.

The Hamilton singing class met at the Jim Pipes home in Hamilton Tuesday night.

We had planned to attend services at Duffau Baptist Church Sunday, as our granddaughter, Mrs. Wayne Pittman, and Mrs. Edwin Boucher and Mrs. Curtis Howell were to sing at the service. Also our little great-granddaughter, Kay Pittman was to sing, but due to Carl Ray Sellers' illness we did not get to go. Sunday was the birthday of Mrs. Pittman and Mr. Bud Stringer. They were joined by a number of friends with a basket lunch at Hico Park, where all enjoyed the lunch and singing in the afternoon. Mr. Stringer brought his guitar and Mrs. Uptergrove her accordion. So we joined them there for the afternoon. Among those present were Mr. and Mrs. Bud

Stringer, Mr. and Mrs. McLendon, Mr. and Mrs. Henry Mayfield, Mr. and Mrs. Uptergrove, Mr. Gatewood, Mr. and Mrs. King, Mrs. C. B. Burgan and Mrs. Earl Shaffer, and others.

## POLYNESIAN LUAU THEME FOR SATURDAY EVENING JUNIOR-SENIOR BANQUET

"A Polynesian Luau" was presented Saturday evening, April 27, as the Junior Class of Hico High School entertained the Senior Class with the annual Junior-Senior Banquet. A grotesque Tahitian God, reflecting in a bubbling pool, enhanced the banquet room, the school cafeteria. The Luau guests dined among palm trees, pineapples, fish nets, and wore gaily colored leis.

The Polynesian dinner was served by Misses Paula Busby, Cindy Braune, Susan Knudson, Deborah Norwood, Gayla Redden, Lucy Stearman, Stephanie Walker and Debbie Wright. The menu consisted of Fruit Kabobs, tossed salad, stuffed crab and butterfly shrimp, buttered new potatoes, mixed green vegetables, poppyseed rolls, iced tea and Cherry Delight.

William C. Stearman III, president of the Junior Class, was master of ceremonies. Jim Wolfe, Junior Class member, voiced the opening invocation. Stearman welcomed the guests, and thanked the class sponsor, Mrs. W. P. Brummett, for her time and patience in helping with the banquet. Mike Christian, senior class president, gave the response to the junior's hospitality.

The Junior Class prophecy was read by Mike Davis. And the last will and testament of the Senior Class of 1968 was read by Mike Christian. Miss Louise Fial and Bartley Braune, both juniors sang a Polynesian medley, accompanied by Wayne Ross, senior.

J. B. Barnett, a graduate assistant at North Texas State University, was guest speaker. Mr. Barnett, former Hico High School Principal, is working toward a Doctor of Education Degree. He

searched the pages of yesteryear, and reminisced about the class of 1968. He challenged the young people to extend their reach beyond their grasp. He asked them to develop a philosophy of life and establish a set of values. In closing, Mr. Barnett reminded each student that their life was a candle that must be lighted and that candle should be used to light the lives of others.

Concluding the evening's activities, Stephen Jones pronounced the benediction.

**Polynesian Ball at Country Club.**  
To complete the Luau activities, the Junior Class was hosts at a Polynesian Ball at Bluebonnet Country Club. The group danced among palm trees and gardens of flowers. Refreshments of cookies and punch were served from a thatched roofed hut. The punch bowl was centered in a cluster of Polynesian fruit and the cookies were served from baskets of bamboo.

The Heartbeats, from Lampasas, furnished music for the dancing. The Juniors, Seniors and their dates were chaperoned by Mr. and Mrs. W. C. Stearman Jr., and Mr. and Mrs. J. C. Braune, roommothers, Mr. and Mrs. W. P. Brummett and Mr. and Mrs. Harold Walker, class sponsors, Mr. and Mrs. O. C. Cook, Mr. and Mrs. Jimmie Ramage, Mr. and Mrs. Charles Coan, and Dr. and Mrs. Lamar Johanson, faculty members.

Also attending were school board members and their wives, Mr. and Mrs. Derel Fillingim, Dr. and Mrs. B. C. Dayton, Mr. and Mrs. Bruce Slaughter, and Mr. and Mrs. Tommy Johnson. Special guests were Mr. and Mrs. Jack Barnett.

**THANKS FROM THE SENIORS**

decorations were beautiful; and the atmosphere was very exotic. The Seniors all agree that the Juniors made the most gracious hosts and hostesses in the history of Hico High Junior-Senior Banquets. The dance was also enjoyed by everyone.

**Herman Stone Thanks Voters, Reviews Program . . .**

"May I express to all of you my deep appreciation for your encouragement and support during my campaign for nomination as the Democratic candidate for State Representative of the 54th Legislative District," said Herman L. Stone as he tapered off his energetic visits throughout the five-county district.

He said "Your reception to my ideas on better educational facilities for our area, more respect for law and order, and a more understanding attitude toward our senior citizens has been most encouraging."  
"As I stated when I entered the campaign for State Representative of the 54th District, I'm no out-and-out politician. But my views are shared by the citizens of Bosque, Hamilton, Johnson, Mills and Somervell Counties.  
"They are in mutual agreement that we have sat back too long, while the rest of the state moved forward. Their encouragement has been a great asset to me, and I again thank them for the cooperation they have offered."  
"In summary, I'd like to briefly re-state my platform. I can't put them in the order of one, two or three because they are all highly important, and each is different from the other," the Cleburne candidate explained.

"First, our educational system needs a new, hard look. We have good high schools and excellent teachers. But this rapidly-changing world of our demands more than a diploma," he added.

A cattleman of wide renown, Stone pointed out that only 15 percent of our high school graduates are able to enroll in college. This means that 85 percent are footloose and fancy free, with no particular basis for the training and skills demanded by industry and business firms.

"I suggest," he said, "that we need more vocational and technical training in our high schools. This is not an impossibility. Our state education supervisors in Austin told me that such a program is optional, and high schools may enter them on a voluntary basis. I believe the high schools of our District should investigate this added facility by our state."

A veteran of World War II, Stone continued by saying, "Secondly, I believe our law enforcement officials need greater public support. And they certainly deserve more respect than is now given them. I suggest that the training of cadet policemen in a public academy is a step in the right direction. Such a program could be established on a statewide, joint-

county basis similar to the one in Arlington which is sponsored by 10 counties. This would not only continually provide our area with trained law enforcement officers, but it would give an added boost to their recognition and prestige. Such a program would not degrade our police chiefs and sheriffs because they must retain complete control of their departments."  
"In the same category," Stone added, "is the need for higher wages for our law enforcement officers. Their hours are long, sometimes dangerous, but their pay isn't what it should be in this day and age of inflation."  
An employee of the Arlington General Motors plant for more than 14 years, and a resident of Johnson County during those years, Stone continued by saying:

"Thirdly, and just as important as the first two, is the need to recognize the plight of many of our senior citizens. As you well know our senior citizens. Today's senior citizens cannot live on their pensions alone. The old age pension law does not allow them to work. But I think this outdated law should be changed. If a senior citizen has the health, ability and ambition enough to work, he should be allowed to do so without losing any of his pension rights. This is one restriction of the law I would work to change. I feel the entire old age pension law should be reviewed and changed to fit the needs of today's senior citizens. If elected, this I promise to work for."

The Texas youth leader concluded by saying, "Again, thanks to all of you for your confidence in me and my program. I believe we have waited too long on these vital subjects, and as your next State Representative I pledge to do something about it."

**TO THE PEOPLE OF HAMILTON COUNTY:**

During the weeks of the campaign I have tried to contact each of you personally and ask for your vote for Sheriff. To those I failed to see I ask that you accept this as a personal solicitation of your vote and support.

I promise, if elected, to run the office in the most efficient manner possible and my guiding aim will be to render the best service possible to all the residents of the county. When you call for help, you will be greeted by a smiling face and a man anxious to serve you.

I have 4 1/2 years experience as Chief of Police of Hamilton, and four of these years I also was Fire Marshal, so I know the problems most of you face.

I feel that, as a young man (I am 29), I have the vigor and qualifications to successfully meet all the tasks connected with the operation of the office. I want to serve as your Sheriff and I sincerely hope you will give me the chance.

I want to thank all of you for the many courtesies shown me during the campaign. I urge you to vote in the Democratic Primary May 4, and I urge you to vote for John Newt Harvey for Sheriff. It will be appreciated.

Respectfully,  
**JOHN NEWT HARVEY,**  
Candidate for Sheriff

(Paid Pol. Adv. by John Harvey).

**CARD OF THANKS**

We want to thank our friends and neighbors for the food, flowers, and words of comfort in the passing of our husband, father and grandfather.

of DeLeon, Texas

our next Lieutenant **GOVERNOR**

- ★ Fully Qualified
- ★ Energetic
- ★ Honest
- ★ Leadership

— The Barnes Action Program —

House Speaker Ben Barnes, in seeking the office of Lieutenant Governor, stands for—

- A responsible new approach to spending state money, based on annual legislative budgeting.
- Excellence in education, by upgrading public schools, colleges and universities and developing a strong vocational training program to give all young Texans the opportunity to get and hold good jobs.
- Stopping the rising crime rate by using a positive, 12-point program that includes a Police Academy for training all Texas peace officers; stronger criminal prosecution forces better court facilities; and greater rehabili-

tation for both juveniles and adult offenders.

- Workable state liquor laws with strong, uniform enforcement.
- Developing a strong and effective state-controlled air and water pollution program in cooperation with local governments.
- A workable statewide water plan to develop existing and future water resources.
- Increasing the State's tourism program.
- Aggressively seeking new industry to keep Texas the fastest growing industrial state in the Nation.
- Greater emphasis on the state meeting its problems in growing urban areas, such as mass transportation and waste disposal.

● Improving the state's agricultural program to increase marketing, efficiency and productivity.

- Expansion and improvements of the mental health & mental retardation program, with emphasis on community treatment centers.
- A statewide program for the treatment of specific learning disabilities for our pre-school and school age children.
- A state old age assistance program that assures adequate living conditions and medical care for elder Texans.
- Revision of the State Constitution to simplify and modernize outdated language.

(Paid Pol. Adv. by Hico Committee for Ben Barnes, Harold Walker, Coordinator).
