## MRS. G. K. LEWALLEN WINS WESTERN HEMISPHERE TRIP

Mrs. G. K. Lewallen recently won a two-week expense-paid trip for herself any place in the Western Hemisphere, and can take the trip anytime within two years.

It was all a part of a national program called "Go Del Monte Sweetstakes," where you clip out mentions of any Del Monte food product and send it in with an entry form. She won on a July entry.

Mr. and Mrs. Lewallen were residents of Hico before moving to Stephenville eight years ago. They have three children, two daughters, 19 and 17, and a son 15.

## BOWLING

By RUTH SALMON  
League Secretary

Bowling action is picking up as everyone is getting into the swing, such as Morse Ross turning in a 575 and wife Shirley a 522 series.

Jack Goodman took over high game with a 211-568, Pete Keller rolled a 518 series, and Paul Hamilton a 193 game.

Mary Goodman rolled a 168-473, and Pat Ross a 171-470.

Bill and Jerri Reynolds joined the league last week and put forth some good bowling. They are new at the game and I am sure they will add new spirit to the league.

The Chokers took over first place as they set Gemini 4 back four points. The Shoppers lifted four points from the Operators, now standing in second place. The Alibies and Rebels split 2-2.

## Hico Will Host Godley Friday

Hico Tigers and Godley Wildcats will scratch and growl this Friday night at the local stadium, each team trying to get in the win column for the first time.

The Tigers dropped their season-opener two weeks ago to Stephenville B team, and the Wildcats are winless in two starts, having lost to Meridian 30-0 in the opener, and to Grandview by a one-sided score last week. The game will be one of comparison, so to speak, as Grandview is the Tigers' next opponent, and the locals catch Meridian later in the season in a district contest.

Hico and Godley have played six years previously, with Godley owning a one-game edge in the series. The Tigers prevailed the first two years—in 1962 and 1963—and the two teams played to a 14-14 tie

in 1964. Godley has won the past three years by scores of 13-6, 21-13, and 20-8 last year.

Hico has had two weeks to iron out the wrinkles after the season-opening loss to Stephenville, and fans can expect to see a much-improved ball team this week. The Tigers had an open date last week.

Game time is 8 p.m. in Tiger Stadium.

The Tiger roster:

We are sorry to report W. H. Bill Abel a patient in Hico Hospital since last Friday. He will be 86 years old in November and this is his first time to be hospitalized.

Mr. and Mrs. Jimmie Sellers of Arlington visited during the weekend with their parents, Mr. and Mrs. Carl Ray Sellers and Janice and Mr. and Mrs. R. A. Spencer of Hamilton.

Mr. and Mrs. Ray Turner, Keith and Kimberly of Arlington visited Sunday and Monday with their parents, Mr. and Mrs. Willie Turner and the Carl Ray Sellers. All met at the Sellers home Sunday night to see slides the Turners had made. The Willie Turners and this scribe were also there. The pictures included those made last Christmas, Easter and birthday parties for members of the family and at the picnic held at Martin Schrank's.

Mr. and Mrs. Willie Turner, Mr. and Mrs. Ray Botkin, Tammy and Patsy, and Miss Bernice Turner of Killeen spent the weekend in the homes of Mr. and Mrs. Ray Turner and family and Mr. and Mrs. Jackie Turner and family at Arlington.

Mrs. Edna King of Ballinger is visiting in the home of her son, Mr. and Mrs. Carl King.

Mr. and Mrs. A. E. Howard had the misfortune of losing their herd male and four good cows recently

when a high line pole rotted off and fell in the pasture over north of Hico in Erath county which they had leased. Sure a big loss as they said the male would be hard to replace due to his gentle nature.

Guests in the home of Mr. and Mrs. W. E. Goynes over the weekend were Mr. and Mrs. O. E. Overton and children, Mike, Patti and Robby and Mr. and Mrs. Douglas Hays of Fort Worth.

Glad to report our sister, Myrtle Enger, better last weekend and able to read her papers again.

Mrs. Allibell Trimmer visited here and at Hico the past two weeks. We failed to get to see her this time as we were in Brady the first week she was here. Thought sure we would catch her Sunday morning but failed.

Mr. and Mrs. T. R. Parks had their children and families home during the weekend. Present were Mr. and Mrs. Truett Turner of Fort Worth, Mr. and Mrs. Dickie Turner of Killeen and Mr. and Mrs. Weldon Parks and Becky of Grand Prairie, who also visited her parents, Mr. and Mrs. Robert Streater. Mrs. Dickie Turner returned to Fort Worth for a visit as her husband would be in the field all week at Fort Hood.

We had a freak accident here early Tuesday morning, when T. R. Parks shot at an armadillo near his back door. The .22 bullet evidently struck a piece of pipe in his yard and ricocheted upward and went through the bottom glass in a window on the north side of the new addition at the Goynes home and came out some 14 to 16 inches higher through a south window. Mr. and Mrs. Goynes had slept in an adjoining room and heard the noise at the time but thought it was a stray cat outside, until they went into the room and discovered the hole in the window. Mr. Parks made repairs promptly. We ourselves have shot a target occasionally but hereafter we think we will almost be afraid to use one.

Visiting in the J. T. Jackson home last Sunday evening were Mr. and Mrs. W. B. McPherson and Julia and Mr. and Mrs. Syl Dyer and Sylvia of Hamilton, also Mr. and Mrs. Vernon Jackson and Mrs. Mary Abel of Grand Prairie came by after the funeral service and visited them awhile.

Mrs. P. B. Bolton of Hico and daughter, Mrs. O. J. Clark Jr. of Fort Worth visited Sunday afternoon in the home of Mr. and Mrs. O. J. Clark Sr.

We were sorry to learn of the passing of Mrs. Emma Houston of Iredell. She was an aunt of O. J. Clark Sr.

A wedding shower honoring Mr. and Mrs. J. C. Canada will be held in the C. A. Bullard home Friday night, Sept. 27. If we overlooked sending you a card please accept this as an invitation. J. C. is a former Fairy boy and has been serving in the Navy. He was married to Miss Kathleen Ray Hurd of Minnesota on Sept. 21. He and his bride are expected in Monday night or Tuesday. He will be glad to see all his former classmates.

We were very sorry to hear of the death of John Guest, 69, of Hamilton. Those from here attending the funeral that we observed were Mr. and Mrs. Leslie New, Mrs. T. R. Parks, Mrs. Lemmie Trantham, Mrs. Ruth Cunningham, and the writer. A very large crowd was present.

Mr. and Mrs. Sammie Guinn of Arlington spent last Friday night with his parents, Mr. and Mrs. Edward Guinn and visited in Hamilton with her parents, Mr. and Mrs. J. W. Harrison.

Mr. and Mrs. Lemmie Trantham visited Sunday in Fort Worth with Mr. and Mrs. Bert Trantham.

Mr. and Mrs. Dellis Seago of Waco and her sister, Mrs. Guy Hartgraves of Bishop visited in the W. E. Goynes home and our home and at the cemetery last Thursday.

Mr. and Mrs. M. B. Lawson of Houston and Mr. and Mrs. R. A. Powell of Gatesville spent Tuesday night of last week in the home of their brother, Mr. and Mrs. Willie Turner.

The regular 5th Sunday Singing, formerly held in Hamilton, will be

Rucker, 86, of Hamilton spent last week in the home of

her daughter, Mr. and Mrs. Winfred Gardner. They carried her home and her daughter insisted she help her in the house. She said she would be alright, but fell at the back door and broke her leg on the thigh position. She called for help until neighbors heard her cries and went to her. She was to undergo surgery Monday at the Hamilton Hospital. We hope she recovers promptly.

## THE RIGHT ANSWERS COME EASIER WITH THE RIGHT STUDY LIGHT

Better grades result when students have a bright outlook on homework. Poor lighting may cause eyestrain which lessens a student's ability to concentrate. For proper study lighting your children need a table lamp tall enough to spread light evenly over the entire work area. It should have a 150-watt bulb, a diffusing bowl to prevent glare and a shade that conceals the light source from the eyes. For more information, call us.

**PERSONALITY PLUS**  
Our personality this week is someone we all know and love. He is seen around HHS almost every day of the school year and anyone would say he's a big contribution to our school. This person is a very handsome

6'2" tall, light brown hair. He's a devout Aggie fan but gets along with everyone. The seniors are very proud of him and hope to make this a prosperous and fun year. Everybody knows who this "cool head" is! Of course it is Mr. Harold Walker. Who else?

**DRILL TEAM WORKS**  
Drill team captains, Linda Sue

Flowers, Judy Paddock, Nancy Davis and Melba Busby, will lead the Hico High Pep Squad and cheerleaders Friday night in a pom pom routine during halftime of the ball game. It will provide entertainment for Godley and Hico fans. The routine will be done to "For a Few Dollars More," and we would like for everyone to attend.

**COUPLE OF THE WEEK**

For the first couple of the week this school term, we honor two very outstanding HHS students. The boy, a senior, stands about 5 ft. 9 in. tall, has black hair and brown eyes. He plays guard on the football team and defensive tackle, even though he is bow-legged.

The girl is a pretty young junior with long brown hair. She is treasurer of FHA and a majorette of HHS pep squad, drill team and band. They make a very handsome couple, and if you don't know by now, the couple is Wayne Wells and Liz Williams.

**FRESHMAN NEWS**

We would like to thank everyone so much for being so nice to us and welcoming us to high school. First of all, we would like to thank Mike F. for giving Susan K. the charming black eye. Also we thank Gary, or Jerry H., for hitting Stephanie W. And we are ever so grateful for Eldon B. hitting Lucy S. with a flying book.

No, really, the Seniors, Juniors and Sophomores have been very sweet to us and have given us a real swell welcome along with all the teachers, and we think high school is real neat!

**SOPHOMORE HAPPENINGS**

Johnette Walker getting a letter from a certain boy, then getting embarrassed over it; Jim Ferguson getting sick after lunch for eating a certain kind of hamburger and then having a stomach as hard as a rock; Reggie Grover getting stuck with the end of a compass by a Sophomore girl, then limping all day; Judi Putty still working on the routine, but you'll learn it Judi, just keep up the good work; Rickie Jaggers being his own quiet self; Alan Ross dripping ice cream on a Senior boy and getting away with it; Melba Busby being glad that B.P. is gone so he won't bother her any more, or would say he won't try to hang her?

Carol Fall going steady with a certain Junior boy, and really thinking it's great! Andy Carrington trying to furnish her house in Homemaking, and not knowing what to put in it, but you'll figure it out; Linda Bullard getting marked on in History by D.A.; David Ashby being the one who is bothering L.B., and also telling her secrets. Wonder what they are?; Chester Land asking everyone what time it is; Eugene Lindsey playing a good football game; Rita Robinson being

her own bright self; Nora Walker never talking except to her best friend, M.B.; Jerry and Gary Harris looking alike, so no one can tell them apart. We've got to do something about that; Jerry Little helping R.P. celebrate his birthday, and getting burned; Devonna Scott being teased about crying over a certain Dublin boy, but really having hay fever. You will get over it Devonna, just wait and see; Sharon Parks just never talking and being her own quiet self.

**JUNIOR NEWS**

Here come the Juniors! Junior Laugh-In! Sock it to you, Sock it to us, Sock it to everybody!

Peering into the future:

August 12, 2013: We see Rusty Cryer, alias Toad Boy has mutated into an ape.

Sept. 3, 1990, Barry Christian dies of starvation because dairy cows started producing bananas.

June 18, 2001: Nancy Davis has been sent to state prison for bigamy.

Oct. 10, 2014: Lavern Busby marries after longest engagement in history.

Have you ever noticed that—Ronnie Fellers has a curl right in the middle of his ponytail; Mike Ferguson has very hairy ankles; Sandra Patterson really does have fingers; Barbara Bailey has eye-lashes which are ten feet long?

The many expressions of friendship shown by my neighbors, relatives and friends during my hospital stay have been appreciated more than words can express. The flowers, gifts, and your visits have made the days brighter, and doctors and nurses care during the period will never be forgotten. God bless you all, is my prayer. 23-1tp. Mrs. G. C. Wright

# Exporting the CO-OP Idea

The first electric cooperative was energized in Texas in 1937. Now 31 years and 1,000 co-ops later, the idea may well become our most important export. Electric cooperative experts from Texas and other states are making regular trips to the orient, to the middle East and to South America to help the people of these lands organize a cooperative to provide their own electricity. And every co-op veteran who works this tour of duty in a distant land sees evidence of the early years in our own rural areas. But he sees a brighter picture, too. He sees the member-owned rural electric cooperative as a mature, dependable top notch electric utility that provides a low-cost efficient supply of electric power that is Helping Texas Grow. And he knows that the years ahead in all these lands will be brighter.
