Judge Renfoe issued the following statement: "You will note that fewer complaints were filed in 1969 than in 1968. This is attributed in part to the fact that motorists as a whole may be more safety conscious than heretofore, and it very of complants is due in a large measure to the type of law enforcement that you have here in the city. The City Marshal's being where it could hannen very often prevents its happening."

James H (Jim) Soules Announces Candidacy For County Judge Post

To the Voters of Hamilton County: I would like to take this opportunity to explain to you my reason for resigning as manager of the Hamilton Chamber of Commerce (a job I have thoroughly enjoyed) and seeking the office of County Judge.

I feel that the county needs stronger leadership for its Commissioners Court, better management of the financial matters of the county and the creation of a more cooperative and business-like atmosphere within our county court. With the leadership and management training and experience that I have had, I will be able to supply these needs as your County Judge. Better management of funds, materials and personnel can take place without increasing taxes. I know that many things should be done toward making Hamilton County a better place to live and I expect to propose a program for the improvement of Hamilton Counbut who will be six on or before ty if elected as County Judge.

COUNTY AGENT REPORTS By BILL MCCUTCHEON

The 1970 Hamilton County Junior Livestock Show is now history. The show has been improving every year and I thought that this one was the best yet. Even the weather cooperated some, with no severely cold or rainy weather Friday

or Saturday.

The fact that the show has improved is due to the interest, cooperation and effort put forth by a long list of individuals. I would not attempt to name all who contributed to the success of the show. but certainly much credit must go to Don Haile, Jim Soules, the Hamilton County Livestock Association members and directors, and of course, the FFA, 4-H and FHA members.

I would like to take this opportunity to thank everyone who contributed time and-or funds to the show. I wish all of you had been able to see these elated youngsters, and been able to share their triumps with them.

Hamilton County 4-H members will participate in the Fort Worth. San Antonio and Houston Livestock Shows in the near future. I hope you will watch for the results of these shows.

Damon Chumney, James Ivey and Lucy Stearman will have entries in the Fort Worth Show Jan. 30 to February 8.

A Look at the Past

38 YEARS AGO-JANUARY 1932

The feed mill of John Ellington was broken into Monday night with no loss being found.

After deciding that two letters received last week were not practical jokes or boyish pranks, as was first trating an extortion scheme perpetuated against him with the desire to obtain \$400 from him. The suspect was jailed and confessed.

Walls and fixtures of the City Cafe building, under the management of A. T. Lackey, were attractively refinished this week. The work was done by Spaulding and Son, local contractors.

Miss Rois Cowling and Leo A. Brown were married Sunday afternoon. They will make their home in Hico where Mr. Brown is engaged in freight delivery.

The small bridge from the street to the sidewalk at the back of the post office building was rebuilt this week by carriers and P.O.
