Hico, Early Hook Up Friday Night

Early High of Brownwood comes to town Friday night for a skirmish with the Tigers, and a real barn-stormer should be in store for local fans.

Last year, Hico traveled out to Brownwood to challenge the Longhorns for the first time in several years, and the end result was an embarrassing (for Early) 43-0 victory for the Tigers. Early has to remember that defeat, because it sent them reeling from atop a district that they had been picked to win.

Early had an open date last week, but Hico coaches scouted the Longhorns in a scrimmage session at Abilene last Saturday. The coaching staff reported that the Long-

horns are primarily a senior team, with experience their long point.

The Tigers will be physically fit for the game, with only Loyd Roberson a doubtful starter. He was involved in a motorcycle accident last Saturday, receiving cuts and bruises. Other members of the team are reportedly ready to play.

Game time will be 8 o'clock at Tiger Stadium.

B-TEAM, ELEMENTARY SCHOOL PLAY THURSDAY

Hico's B-team and the elementary squad will get their first taste of action tonight, Thursday, as they host the Hamilton Freshmen and Evant elementary school.

The elementary game starts at 6:30, with the B-game following.

P-TA Membership Drive Underway

"Teach a wise man, and he will be the wiser; teach a good man, and he will learn more." Proverbs 9:9.

September 10 P-TA meeting centered around this theme and hence, was a very enjoyable and informative experience.

Marvin Walters, Hico's new Scoutmaster, led the Boy Scouts in the pledges to the flags. Invocation followed, and was delivered by Dan Bell.

Music time was meaningful as Mr. Edd Schneider, accompanied by Mrs. Wayne Rutledge, used his choral group and Hico School Band to lead the assemblage in singing "Texas Our Texas" and "School Bells of Hico."

Launching the business portion of the meeting Mrs. B. C. Dayton read minutes of the May meeting, followed by a treasurer's report by Mrs. Mary Huggins. Mrs. Wanda Shadden stressed the need for more P-TA members, and is offering \$5 prizes to the two classes with the most paid members. Room count was won by the first and ninth grades. Mrs. Nadine Bell asked for an examination of the P-TA magazine before a decision is made on subscription.

Mrs. Beverly Parks, president, presented Mrs. Becky Farrar and Mrs. Betty Walker with American Beauty roses for the endless hours they worked on the yearbook during the summer.

"Teachers in the Spotlight" began the program as Harold Walker introduced the faculty, and the meeting adjourned for classroom visitation. Special thanks go to Mrs. Farrar for coordinating this phase of the program. Hopefully, parents were enlightened as they "attended school" and saw what a day in school was like.

Different refreshments were promised and produced in the form of frosted punch and cookies served from a beautifully appointed table presided over by Mrs. Millie Drake and Mrs. Delores Stringer.

Local Church Members Attend Workshop

Ten Hicoans attended the September Campaign for Christ Workshop in Arlington, Saturday, Sept. 8th.

Going from the Hico Church of Christ were Mr. and Mrs. Austin Emery and Mark, Lloyd Bolstad, Eileen Woodward, Mr. and Mrs. Mack Hicks, Melody, Beverly and Jim. The group enjoyed watching a special dramatic production presented, as well as hearing reports of a recent Campaign for Christ.

IREDELL SCHOOLS SLATE POWDERPUFF GAME

The annual Iredell Powderpuff football game will be held at their football field Sept. 20 at 7:30. Admission is 50 cents per person.

Gary Jones Wins 250 Motocross Series For Third Year

Gary Jones of California, a grandson of Mr. and Mrs. J. D. Jones of Hico, entered the final 250 Motocross race for the summer series last Sunday in New Orleans, La., and was the first place winner. This is the third consecutive year that Jones has won the series. He is also the International winner.

Jones, who rides a Honda motorcycle, is receiving nationwide recognition as a famed motocross racer, having appeared in full page Honda displays and in feature articles in outstanding sports magazines.

Last Saturday the Honda Co. gave Jones a full-day celebration in Los Angeles. He was present to sign autographs and a replica of his racing motorcycle was on display. The company gave a Honda bike away each hour for eight hours.

Mrs. Leona Cox and her sister, Mrs. Dick Hesse and Kathy of Waco were in New Orleans last Sunday to view the race of their nephew.

SQUARE DANCE CLUB MEETS MONDAY NIGHT

Three squares of dancers met Monday night at the pavilion in the City Park for their first lesson with Jim Hodges of Waco as caller. Any couple interested in joining the group are asked to meet again at the Park next Monday night, Sept. 17 with the meeting time changed to 8:30 until 10:30. Call Mrs. Dwain Wolfe for information.

YH Chapter Will Have First Meeting

The Hico Chapter of Young Homemakers will hold their first meeting of the fiscal year Monday, Sept. 17 at 7:30 p.m. in the Hico Homemaking Cottage. Major purpose of this meeting will be to elect new officers and make plans for future meetings.

Mrs. Delores Stringer, reporter for the organization, stated "All members, as well as anyone in the Hico area interested in the organization are asked to please attend, as this is your organization and will be what you make it. Any ideas on programs or ways to improve the chapter will be greatly appreciated. Let's make this a better and more interesting, as well as self-rewarding, year than ever before."

Home Economics teachers, Mrs. Denna Gray and Mrs. Sharon Boone will be Chapter advisors,

with Mrs. Boone replacing Mrs. Marilyn Johanson.

The Young Homemakers Chapter was formed exclusively for educational purposes and particular reference to the areas of homemaking. Any lady interested in homemaking, not enrolled in high school and not over 35 years of age is eligible to become an active member. Individuals other than active members who have reached the age of 35 are also invited to become associate members. These members, upon payment of dues, have all the rights and privileges of active members except that she may not vote or hold office. The associate member plays a very important role in the organization, adding experience and ideas of great value.

Dues for the fiscal year will be \$2.50. Baby sitters will be available at each meeting. Reporter.

In Natchez, Miss. the couples viewed the Antebellum Homes and toured the famous Rosalie Home. They also toured the Vicksburg National Military Park, among other scenic attractions.

Mrs. D. D. Waldrep returned last Friday from a three week visit to Columbia, Mo. where she visited in the home of her daughter, Mr. and Mrs. Frank Letzous and Rebecca.

Tigers Win Season Opener 14-14 Over Grandview

The Tigers rolled into Johnson last Friday night, and defeated them one of the Grandview teams in recent weeks. However, the Tigers maintained their clean slate against the Zebra's.

Working hard for a 21-14 victory in the season opener, the Tigers dominated in every phase. Only mistakes kept them from scoring more.

Polk was the workhorse of the Tigers, scoring two touchdowns, kicking one extra point, and passing for a two-point conversion on a broken play.

The Tigers took the opening kickoff and put together a 58-yard drive for the first TD. Polk got six times in the 8-play drive and his scoring burst was yards out. Quarterback Edd called his own number on the drive. The broken play followed the marker, Polk passing to Tony May-

fielder struck, allowing Grandview to tie the score at 8-8. Failing to make sufficient yardage for a first down, the Tigers were forced to punt and the kick was blocked. The Zebra's took over at the Tiger seven. Butch Johnson, workhorse for the Zebra's, scored his first of two touchdowns on the first play, sweeping right end for the marker. Johnson also accounted for the 2-point conversion.

To unknot the game, Hico used a short 36-yard drive for their go-ahead points midway in the second quarter. Halfback Tony Mayfield scooted eight yards for the tally. Polk's kick was good, and Hico owned a 15-8 lead at the half.

On the second play of the third period, Grandview made the game interesting, with Johnson roaring 82 yards for their final score of the night. Their conversion attempt was no good, and the Tigers remained out front 15-14.

Hico tacked on the insurance TD midway of the final stanza, putting together a short 38-yard drive. Big gainer in the drive was LeFevre's

24-yard pass to Loyd Roberson, setting the ball in play at the four. After a one-yard loss, Polk found the end zone, point try was no good, and the Tigers had the final margin of victory 21-14.

In games involving future Tiger opponents, the scores went like this:

Hamilton, with its gridiron fortunes looking up, took the measure of a very strong De Leon team 7-6. Hico must face both the teams before district play begins.

Crawford, always a Class B power, dumped favored Valley Mills 6-0.

Dublin pounded a perennial Class B power Gorman 41-0, and another district member, China Spring lost a 12-0 decision to Itasca.

Glen Rose, the district favorite, was downed 12-6 by a good Mill-sap team, and Goldthwaite stumbled before San Saba 41-0.

Hico's third opponent, Whitney dropped a 21-7 decision to Hubbard, and Early High of Brownwood had an open date last week.

Thursday night at the Old Fiddlers contest at the Dublin Fair a couple I did not know sat by us. The lady and I started a conversation and when she found I was from Clairette, asked about Herman Roberson. I told her I was his sister and we introduced ourselves. She said she moved to Dublin from Snyder and she was the wife of the late T. B. Roberson of Putnam. She remarried a few months ago and moved to Dublin. T. B. passed away several years ago, leaving her with three small boys. They are all married now. They are Billy of Muleshoe, Iky and Jim Bob of Snyder. The late T. B. Roberson has many cousins still living in this area who will be glad to hear the news.

Hico News Review

Fairy Community News

received one and a half inches here, but there was as much as two inches at some places. The rain did need it. The uneasiness again spread in the community when it was reported that Bill Lackey had suffered a heart attack while enroute to visit his son, Harold, in the morning. Several miles from Cleburne he was stricken with chest pains. He first thought he would try to get back to Hico but he could not make it. He was taken to the Cleburne Hospital where the 7 a.m. nurses shift was in progress. As a nurse caring for him she saw Mr. Lackey over his steering wheel. He finally got help and got him to a doctor who put him in intensive care where he still remained.

Sunday night. Word was that he was holding his own. His wife is at his bedside. Bill has been staying parttime here at his farm since retiring. His sisters and other relatives were notified and several have visited him. We hope he will soon be able to return home.

Mrs. Nettie Sils is visiting with her daughter and family, the James Hails at Weatherford while recuperating from a broken ankle.

Mr. and Mrs. Charles D. Hoover Jr. of Daly City, Calif. came in Saturday night for a few days visit with his grandparents, Mr. and Mrs. E. M. Hoover. All spent Sunday night in Austin in the new home of Mr. and Mrs. Ralph Spencer. The younger Hoovers were only here Monday and Tuesday so it's doubtful if all residents got to see them.

Mr. and Mrs. James Shelton of Aubrey and Miss Carolyn Bullard of Denton and Mr. and Mrs. J. D. Kirkland of Hamilton visited during the weekend with Mr. and Mrs. Justin Bullard and Vickie.

Miss Kathleen Holley spent Friday night with Vickie Bullard.

Mr. and Mrs. Cecil Grisham of Lanham and the writer attended the gospel singing at the Dublin Fair Saturday night. Mr. Bill Keith of Highland had his Highlanders there. Other singers were the Payne Family of Abilene and another group from Fort Worth. They all sang very good. Mother Payne had received a broken ankle and came in on crutches but she was able to play the piano for them.

Mr. and Mrs. Walter Prinz spent Friday night with her mother, Mrs. Ruth Cunningham. They are on vacation and were enroute to Jacksboro to visit their daughter, Mr. and Mrs. Morris Samford. They had visited at Elgin with relatives and at the LBJ Ranch and reported heavy rains in that area.

Mr. and Mrs. Dorman Vance and family of Grand Prairie spent Saturday visiting their parents, Mrs. Eula Vance of near Carlton and Mr. and Mrs. J. T. Jackson.

Mr. and Mrs. Ernest Seymour and family of Grand Prairie spent Sunday with her parents, Mr. and Mrs. J. T. Jackson.

Mr. and Mrs. Jerry Richardson and Tommy of Hico and her mother, Mrs. Crow of Fort Worth visited Sunday in the home of Mr. and Mrs. H. O. Richardson, and all attended services at the Church of Christ.

Bro. Estel Moser of Stephenville filled his appointment here Sunday. There were around 40 present. We had several visitors including Mr. and Mrs. J. T. Butler of Carlton, the Jerry Richardsons of Hico, Mrs.

Crow of Fort and Jan Christian and Miss Cindy Polk of Hico. Jan led the singing.

The writer attended singing at Lund Valley Sunday afternoon. Only 18 or 20 were present but we enjoyed choir practice.

The obituary of Mrs. Grace Ballard should have read: She was the former Miss Grace Jameson. She was a sister of the late Luther and J. I. Jameson.

We found ourself in a predicament last Friday when we returned home from Dublin and Hico. We had left for Dublin around 8:30 taking a small ice chest. We put a tray of ice in it to bring back some ice cream, meats and such from Hico. We had lunch at the Senior Citizens luncheon and it was another fine one. We spent some two hours at the Center, bought our groceries and came home. Upon arriving home we found we were unable to open the garage door. We went to the outside garage and got a pinch bar and after some 30 minutes we gave up and drove up to Willeford's garage and asked if we could borrow two men. Edgar Bulloch of Hico and Pat Lacey volunteered. Mr. Bulloch was the right man to call on as he had his tool chest. After working some 30 minutes we finally opened a window and went in. We gave those latches a good spraying of oil and hope this doesn't happen again. Sincere thanks to Mr. Bulloch and Pat for helping out.

The writer spent Wednesday night of last week in Stephenville with our daughter, Mr. and Mrs. D. E. Allison. She had called us at Dublin and wanted us to come on to Stephenville and stay for the Dublin parade. Looked for a time it would be rained out. We stayed and attended the Queens contest

that night. The Fair closed Saturday night, marking the 19th fair. An extra large crowd attended the last night.

Part of the cemetery lots were hoed last week. Hope to get them completed this week as there will be mowing to do soon.

While in Stephenville Wednesday we visited with Mr. and Mrs. Nathan Akin. They gave us a check to cover cost of an endowment for their lot here. Also funds were turned in recently to cover the north portion of the Dr. Young lot. Mrs. Sally Young had paid for the Mont Young portion. Thanks to all. We expect to get the perpetual care markers Tuesday. We also were able to have another \$500 bond made recently, this making a little over \$8,900.00, but we want to keep climbing to take care of the higher wages.

We wish we could have attended the party honoring Bobby Swenson of KCLW. He sure deserves it. We often think of those in charge. So keep up the good work.

Also thanks to the Sid White singers whose program comes on at 12:30 each Sunday.

Some who remember the Ollie Fords when they lived near Fairy will be sorry to know that he had to undergo major surgery recently. He lost his wife July 6 and had made all preparations to go to New Orleans to visit a son and two daughters when he suddenly became ill. We hope he is out of the hospital by now and soon gets to make that trip.

Dear friends,

We wish to reiterate that it is advisable to call the funeral director of your choice promptly after death occurs, regardless of the hour of the day or night. If your clergyman was not in attendance at death, courtesy dictates that he also be notified during the day, not that he first read of the death of a church member in the obituary column.

Mize Family Enjoy Month's Vacation in Alaska and Canada

Mrs. O. L. Mize of Iredell, her son, Lester, her son and daughter-in-law, Walter and Mary Ann, and their children, Mary Catherine and Adam Lee recently returned from a month's vacation in Alaska and Canada. They traveled by plane, train, and ship. The family left from Dallas and flew to Seattle where they spent one day sightseeing and visiting the sight of the World's Fair. From Seattle they flew to Anchorage, Alaska. In Anchorage, Lester Mize, who had lived in Alaska for the past 20 years, had an opportunity to visit many of his friends. From Anchorage the Mize family went to Seward, Alaska, which was their vacation headquarters. Seward is a small town located on Resurrection Bay. While in Seward, the family had an opportunity to fish for silver salmon and to visit their old friends, Mr. and Mrs. Mitch Faulkner and family. Walter Mize flew approximately 50 air miles from Seward and spent two days mountain goat hunting. He was successful in his hunt, and the mountain goat he killed will go into the Alaska Big Game record book.

From Seward, the family went to Fairbanks for a short visit, and then on to Whitehorse Yukon Territory, Canada. From Whitehorse, they traveled by train to Skagway, Alaska. The train trip followed the route of the 1898 gold miners. At one point along the way, they were able to see Dead Horse Gulch. When the 1898 miners were going from Skagway, Alaska into the gold fields of the Klondike, an estimated 3,000 horses fell to their death into Dead Horse Gulch.

In Skagway the Mize family boarded the "Island Princess" which is a ship which has a length of 550 feet and gross tonnage of 20,000 tons. On board the ship there were 630 passengers and a crew of 330. The ship boasted such accommodations as a movie theater, various games and recreation. They traveled on board the "Island Princess" for four days along the inside passage to Vancouver, British Columbia, Canada. The majority of the trip aboard the ship was made in sight of land and with the beautiful northern scenery passing on either side. A day was spent in Vancouver sightseeing, and then it was back aboard a plane for a one-day flight home. Contributed.

Recent visitors in the home of Mr. and Mrs. George Holladay and Joe Dawson were Mrs. C. E. Williams of Ingleside, Mrs. Dru Lewey and children of Corpus Christi and Mr. and Mrs. Joe Reichert and son of Austin. Mr. and Mrs. Holladay and Mr. Dawson have also recently visited in Norman, Okla. in the home of Mr. and Mrs. Jeff Holladay and family.

Sue James and her nephew, Scotty Free of Dallas spent the weekend with her parents, Mr. and Mrs. A. E. James. Miss James is a hostess for Texas International Airlines.

Mrs. Thurman Segrest was moved from the Hico Hospital Wednesday to the home of her son, Mr. and Mrs. Billie Joe Luckie in Fort Worth where she will convalesce from a stroke she suffered recently.

No, the evening wasn't restful, but it was rewarding! Parents rediscovered the fun and confusion of finding classes on "the first day of school." As we went through a "mini-day" at the P-TA meeting Monday night, fortunately there were guides from the HECE classes to answer questions from parents such as "Where is Geometry?", "What's the quickest way to the Ag Building?", "Oops, I'm tardy again." Teachers were marvelous as they shared of themselves. We parents were given insights into their deep desires and objectives for our children. We hope we can better do our part from the home-side. As Mrs. Brummett explained, "I've never lost a case with me on one side and the parent on the other." That's what it's all about isn't it? Parents who care, and teachers who care about our children.

The Tiger listened carefully to comments from parents whose children are in Hico Schools for the first time. "I'm so glad my child is starting first grade in a school where he can learn phonics." "The self-contained classroom has made a big difference in my daughter's outlook on school." "The teachers in Hico really care." "I'm impressed by the school plant. Yes, more

classroom space is needed, but the present plant is well cared for and well utilized." "We really had fun at P-TA. Everyone was so friendly and interested."

After the football game and P-TA, now we know why the band has been working and marching for weeks in the terrible heat of the late afternoon. We so appreciate their music. They add so much spirit to our school events. P-TA singing would have been a little weak without the band and choir to lead. We appreciate their rushing from school to practice to home to P-TA to homework.

The comment most often overheard was "Those who couldn't come to P-TA really missed something." Mr. Ramage said that no one had as much fun as he did. He rang 56 bells in 41 minutes with dashes up the stairs to his classroom in between.

That's typical of the cooperation at P-TA. Thanks!

Those visiting recently in the home of Mrs. Helen Polk were Mr. and Mrs. Wayne Polk, Rick, Gene, Tammy and Joey of Cleburne, Mr. and Mrs. Bobby Farrington and Kristi of Alvarado, Mr. and Mrs. Gerald McCauley and Scott, and Curry Polk of Waco, Dennis Polk of Casper, Wyoming, Mr. and Mrs. Derwood Polk and family and Mrs. Dennis Solisbury and Jody.

We have a wonderful band in Hico and a band director to be proud of. Their morale is high and they have great plans to make the people of the Hico School District proud. "Your band," under the direction of Mr. Schneider, can and will put the word of proudest to every resident of our district if given a chance.

Hico, in the near future will have graduates going to college on music scholarships. Your band needs the loan of your ears and your support. Hop on the Band Wagon. Let's show the band we appreciate their efforts and help get the supplies and uniforms they need so badly.

Keep up the good work, Mr. Schneider and band members.

BEN H. ABEL, SR.

SubRates To Go Up Sept. 15

For the first time in five years and only the second time in more than 18 years, the subscription price of the News Review will be increased, effective Sept. 15, 1973. New rates will be:

Hamilton, Bosque and Erath Counties \$4.00
Elsewhere in Texas \$5.00
Outside of Texas \$7.00

The publisher regrets the price advance, but several increases in postage rates, a sharp rise in the cost of newsprint, and increases in general miscellaneous expenses forces the increase.

The increase is based on the yearly rate, and subscribers may still receive their paper for less than ten cents per week.

In view of a severe shortage of newsprint, only one-year renewals will be accepted at the current price. Remember the price increase date, Sept. 15.

The regular session in each even numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days.

Provide an annual salary for members of the Legislature not exceeding \$15,000 per year and a per diem not exceeding \$18 per day for each day of each regular session or special session.

Include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."

Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.

NUMBER SEVEN ON THE BALLOT (H.J.R. 6)

Provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present \$400 million authorization to \$500 million;

Remove the present provision which permits buying of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who serve after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified;

Provide that, in the event of the death of an eligible

Texas veteran after the veteran has filed with the Board an application and contract of sale to purchase through the Board the tract selected by him or her and before the purchase has been completed, then the surviving spouse may complete the transaction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

Authorizes and requires incorporated cities, towns, and villages, regardless of population, and notwithstanding the constitutional limitations on total tax rates, to levy such annual ad valorem taxes on the taxable property in the city, town or village as are necessary to pay the principal of and interest on, when due, the general obligations hereinafter issued by the city, town, or village. The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless and until the legislature acts to do so, the limitations established by statute with respect to the total principal amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.

The wording of the proposed constitutional amendment as it appears on the ballot is as follows:

"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

First Meeting of New Club Year Held by Clairette H.D. Club

For their first regular meeting after recess for the summer, the Clairette Home Demonstration Club met Sept. 7 in the home of Mrs. W. W. Head. The pledge and prayer were led by Mrs. H. N. Williams Jr., and Mrs. Head led the group in singing "Kneel at the Cross."

The Clairette Club recently won the county gavel for having the most new members.

Mrs. Williams gave the program on "Pantry Meals With Ease." She stressed an emergency shelf is important for most homemakers. Care should be given in selecting recipes for a quick meal made of canned meats, vegetables for casseroles, and fruit for dessert. When cans are taken from the shelf they should be replaced.

Mrs. Head served "Potato Beef Bake" made and demonstrated by Mrs. Williams, hot rolls, banana split cake and tea to Meses. Hub Alexander, C. E. Barr, J. G. Edwards, John Golightly, James Johnson, George Loden, Lowell Lowrey, Boyd McClure, Kenny Phillips and Melvin Henderson.

Next meeting will be Sept. 21 in the home of Mrs. Henderson. Mrs. Phillips will bring the program on "My Favorite Bulb."
