Problems? You'll feel better

The tour included the home DEAR ABBY: The other day and irresponsible sex. Count me Mr. and Mrs. Charles you published a letter from a as another who wishes they had Neuhardt. Coffee was served from a table centered with an arrangement of silk iris and her job and her boss, but she construction in the schools when I was a kid. What people DON'T know, CAN hurt them. bunnies. Center of interest of non-clerical errands, such as DEAR ABBY: I can't resist

attraction was a table top design of the map of Texas composed of native Texas rock cut, polished and inlaid to form all counties in the state.

The garden of Mr. and Mrs. Billie Gilbert was an old-fashioned one, featuring roses and poppies. The pilgrimage closed with a visit to the home of Mr. and Mrs. Carl Norton. Featured was a rose garden containing 140 rose bushes. A salad luncheon was served at the Norton it.

And yet it would seem to me that if the boss sends her on these errands, and she does them on company time, then they are, indeed, a part of the job and she does not have a legitimate complaint. I could see her gripe if she were expected to do all these things on her own time, but this apparently wasn't the case. The problem is simply that she thinks she's being paid for her typing, and cheon was served at the Norton being paid for her typing, and

presided during a short business as he is footing the bill, what session. Mrs. W. B. Johnston does it matter whether the gave a report on the District secretary is taking dictation or READERS: Next Sunday is MS. JONES Easter. Please do not give a

The right is reserved to reject or edit all advertising copy. Advertising orders are accepted on this basis only.

Rejoice, O young man, in your youth, and let your heart cheer you in the days of your youth; walk in the ways of your heart and the sight of your eyes. But know that for these things God will bring you into judgment. -Eccl. 11:9.

Let's Go After Amtrak!

The Reporter-Telegram previously has suggested that Midland and other area cities make every effort to interest Amtrak in providing east-west passenger train service through Midland on Texas & Pacific rails.

And we still think it would be a great, useful and profitable service for all concerned.

Now, The Abilene Reporter-News suggests editorially that this is a project in which all cities up and down the T&P should join hands in sponsoring and promoting.

It is a great idea. The service, which would connect Dallas-Fort Worth and El Paso, is needed by residents of all points between.

Wonderful West Texas today is where the action is, and the Midland area is the very heart of this pulsating, highly productive region.

civic vanity might beckon, but there definitely is sound tician

'Award Awards Show'?

By JAY SHARBUTT

NEW YORK (AP - An obscure television producer, Everett Scrimshaw, of Bumfudgeon, Fla., announced today the creation of a new awards program to honor the best awards shows on tv this year.

"IT'S CALLED the first annual 'Awards Awards' show," he said. "It covers all categories — the Oscars, the Emmys, the Tonys, the Grammys and whatever else comes up.'

Scrimshaw, who recently got his own award as the outstanding escapee of the Bumfudgeon Home for the Weird, was asked how he came upon the unique idea of the Award Awards.

"I WAS DRINKING," HE SAID.

And, he added, "It struck me, as did my wife, that even with all these awards shows on tv, nobody's ever really paid tribute to the people who make them what they are."

Scrimshaw declined to say with whom he's negotiating for the tv rights to the Award Awards show. He said it'll be broadcast from the new Bumfudgeon Civic Center right after

simplified gasoline mileage data as an easy-to-use guide for buyers of 1975-model cars. The agency currently is the only federal office performing fuel economy tests. It has been releasing figures for the past two years on about 500 cars, often including more than one result for the same model with

varying engines and gear ra-Eric Stork, deputy director of the agency, says the current method of releasing the figures is too difficult for the average

consumer to use. "It's just not descriptive to the public," he says.

Plan On Drawing Board "If I were your personnel di-rector and I handed you a phone book and told you the person you wanted to hire is listed inside, I'd probably be right, but I wouldn't be very Bottles helpful," he said.

Under a new plan still on the drawing board, Stork said similar car models with the same weight and engine size would be grouped together for con-

The agency's mileage tests, a byproduct of emission testing performed in its Ann Arbor laboratory, has come under constant criticism from auto exec

They say the agency has been consistently low in computing fuel economy. Stork concedes the automakers "rightly protested the validity of sample of one."

Results of the new individual test runs will be published in the Federal Register and will coincide with the fall in troduction of new car models.

Martha Mitchell **Phones Arkansas** Newspaper Again

LITTLE ROCK (AP)-Marthat Mitchell, the Pine Bluff native, phoned the Arkansas Gazette again Saturday night apparently as a joke for a report-

She said she might run for the U.S. Senate. But it was all in jest. The filing deadline is

On April 9, 1970, Mrs. Mitchell called the Little Rock newspaper and said it was "a damn shame" that Sen. J. W. Fulbright, D-Ark., had voted against the confirmation o Judge G. Harrold Carswell to the U.S. Supreme Court, Sheasked the Gazette to "crucify" **Fulbright**

C. T.M. Reg. U.S. Pat. Off.

This time, Mrs. Mitchell phoned to say she wanted to place an advertisement. When told the advertising department was closed, she asked if she could make a statement that she wanted published.

Paid \$5 "Arkansas doesn't seem to be doing very well with its senators, and I am thinking I might run," she said, talking rapidly. "I'm coming down there to see about the situation. I'm terribly

disturbed about it." She asked that the statement be read back to her. It was and she hung up without elabora-

Meanwhile, another call came in from Roy Bode, the Gazette's Washington correspondent, who said he had paid \$5 to Mrs. Mitchell to call the Gazette. She made up the state ment herself.

Bode said Mrs. Mitchell was manning a booth at a party sponsored by the Journalists for Professional Equality Mrs. Mitchell was making calls for a \$5 donation with the money going to a fund to help reporters in court over the issue of freedom of the press.

Pope Urges Youth Drop Fashionable Maryland Ch Forms Of Protest

VATICAN CITY (AP) Pope Paul VI has urged Roman Catholic youth to abandon fashionable forms of protest and, instead, support "some militant organization in the fields of action, piety or charity."

The Pontiff spoke in a Palm Sunday rite in St. Peter's

The 76-year-old Pope spoke in e firm voice from his papal throne and looked well after two bouts of illness last month. After the ceremony in the basilica, the Pope went to his apartment in the Vatican's Apostolic Palace and from a window blessed a crowd of 30,-

In Closing Weeks

With less than two weeks to go, the tedium of spring training is beginning to take its toll on management as well as the players, even in a Shangri-La such as Scottsdale, and everyone is anxious for the season to start. "We have been working

long, hard days and it gets

boring along about now," explains a sympathetic Viedy Himsl, Chicago Cubs farm director The teams in the Cubs' system are on the practice field at 9:30 a.m. each day for bat-

ting, fielding and special instruction and after a noon soup break, there's a game each "Everyone is ready for a change of scenery. The sun is hot and the diamonds are

baked hard," notes Viedy, "I'd even welcome a day of rain. I think it would be invigorating for everyone."

Of course, some players started spring training hopeful that they'd wind up on the Chicago or Wichita roster, but those coming to Midland are looking forward to it.

The other day in the dugout, one player was explaining to another, "I hear Midland is a little like the major leagues. They meet you at the plane, they have a meet-the-team reception and they have a Booster Club and assign each player to a "parent."

And tales of the first-class playing facilities awaiting in the Tall City further enhance the prospect of playing for Chicago's Texas League farm club.

For the first time, most of Chicago's top administrative personnel will be visiting Midland during the year. For one thing they are undoubtedly curious about the ball yard where the parent Cubs will be playing an

By Jed Battles

exhibition next spring. For another, the March reception here helped bring the Chicago organization closer to Midland. They are still talking about it.

General Manager John Holland is expected to visit Midland during the summer and Himsl, who was recovering from major surgery a year ago and was limited in his activities, once again is robust and plans to come to Midland before the start of the season for his first visit.

Of course, roving coaches Fred Martin, Bobby Adams, Ernie Banks and Pete Reiser also will be in and out of Midland throughout the season.

Former Midland player-coach Jack Mull, who has been coming to Scottsdale with the Cubs for years, feels all in all this is the best organized Cub spring training camps.

"I think we've gotten more done this year than ever before simply because of the way things have been organized. There's no standing around while one coach works with one group. If Fred is working with the pitchers, Bobby is working with the infielders and Pete with a batting group. Everybody is do-

ing something," says Mull. Still, even in a well-organized camp, boredom and impatience for the season to start are formidable adversaries in these final days of preparation.

You can deal with if'll cost you.

Probably less.

People are often surprised to find that State Farm, the world's largest auto insurer, has such low rates. Right here in Texas, for most drivers, they have the lowest rates among the major companies...15% less than the rates set by the State Board of Insurance. Combine that with State Farm's prompt,

efficient claims service, and 11,500 agents to serve you from coast to coast, and you've got a car insurance value you can't afford to pass up.

Why not look up the State Farm agent near you and see how much he may save you? He's in the Yellow Pages.

Like a good neighbor, State Far

GREENSBORO OPEN GOLF-

The first half of the District 5-4A baseball race comes to a close Tuesday when the

Midland Lee Rebels entertain the Midland Bulldog on the Lee diamond.

Odessa Permian's hard-hitting Panthers, already have the first half crown tucked neatly away with a 6-0 mark going into their game with cross-town rival Odessa.

Abilene is in second place with a 4-2 reading and the Warbirds play Abilene Cooper (3-3) while San Angelo (2-4) tries Big Spring (2-4).

Lee dropped a tough 5-4 decision to Abilene in the Key City Saturday after holding on to a 4-1 lead while Cooper flexed it's muscles to pound out a 9-1 victory over the Purple Pack. Permian and San Angelo hooked up in a slugfest with the Panthers winning, 12-10 and OHS took an 11-7 victory over the Steers.

Midland Lee takes 13-5 and 3-3 records against Midland which stands 7-11 and 2-4. Rebel Coach Ernie Johnson most likely will call

as table of health of the profit of the control of

upon Jay Frazier (5-1) to face Midland's Jeff Cole (3-3), in Tuesday's game.

Steve Kennedy of Cooper has taken over the hitting lead in 5-4A with a blazing .636 average. He has two home runs and six runs-batted-in for the Cougars. Teammate Don Lawson, who plays third and pitches, is next with a 563 average as the Cougars have really been pounding the ball in recent games.

Garland Reid of Odessa and Permian third baseman Mark Chelette follow with a .545 and .500 averages, respectively. Lee's Blain Murray is hitting at a .455 clip which is good enough for the No. 7 slot. Leading hitter for Midland in loop play is Alan Buonasera with a .316 average.

Alex Kager, who slammed

a double and homer for Permian Saturday, is the leading pitcher in the loop with a 4-0 mark and the junior righthander is 8-0 on the season, Teammate Ray Nunez stands 2-0 along with Phil Ogden of Abilene.

Chelette leads the loop in runs scored with 11 while teammate Rusty Breazeale has the most doubles-three. Mike Sterling of OHS has two triples while Reid, Kennedy, Cooper's Alan Lakatta and Steve Baber, have two homers each along with Greg Austin of Permian and Abilene's Maynard.

Fambro has the most hits-11 in loop play going into Tuesday's action.

Turning to season averages for Midland teams, Lee is paced by Murray, who is hitting at a .447 clip followed by Brett Blackwell who owns a .388 average. Next comes Bobby Stevens with a .368 mean and David Clingman with .353. Larry Tidwell also is hitting well with a .340 average.

Catcher Terry Copeland and Buonasera are both hitting .345 for the Pack with Copeland having three more trips to the plat. Junior outfielder Bruce Smith, who is moving to Oklahoma City, is

The Burger Chef "Quality" kick surges ahead. "Quality is close to our hearts," is Burger Chef's new product improvement and promotion program, according to Don Tidwell, owner of Tidwell Enterprises 1909 W. Florida St. The program has three main elements: equipment, communication and packaging.

'Quality'

These elements combined will establish Burger Chef as a restaurant noted for its burgers and French fries. The burger buns, according to Tidwell, have been improved by coating them with pure co-

coanut oil and then grilling them on a newly developed bun grill. The other major equipment change is the new French fry computator, a computer that potatoes only, and calibrates both time and temperature and cooks fires to perfection - electronically-every

With most of his life spent in the food business, Tidwell believes that restaurants that serve and maintain the highest quality food will always be highest in demand.

To prove his point Tidwell explained about his food products. "We use only 100 per cent pure beef patties. Our patties are made under specifications by the Burger Chef Systems. Our specifications prohibit any additives of any type in our beef patties, only pure lean beef. Our patties cost more, but our customers receive much more.

He continued, "We use the highest percentage of butterfat shake mix available. This is evident by the excellent flavor of our shakes." "We are especially proud and really take pride in our French

fries. One of the world's largest potato producers spent 18 months of extensive tests to produce the French fries that Burger Chef Systems demand-Tidwell stressed, "I will Consolidated Equipment Sales ment Sales was formed to pro-Due to a legal conflict in com-flatly state that we have the

BONUS LIVING APARTMENTS

the longer you stay the less you pay

Introducing BONUS LIVING . . . the newest idea in apartment rentals. Earn your way to lower rents by staying longer in your apartment. The chart at right shows how BONUS LIVING works. Select the rent you'd like to pay and sign a lease for that period of time. Pay the single monthly rate (see col. A on chart) and earn an additional 1, 2 weeks, or 1 or 2 months rent free, as a bonus. The net monthly cost to you is lower because of the additional earned living in the various lease categories. The longer you stay the less you pay . . .

J or 2 bedroom apartments

Furnished or unfurnished
