He said the man then jumped back into his car, fired a second shot which struck his own car, and fled. There were no in-

fear to most women that reducing will make her look older . . . drawn

Answer: Many methods or reducing will cause a woman to look older strenuous diets, pills, etc. But not with our program! She looks younger and feels younger, too!

Question: What would you say to a woman who comes to you after she has bought or tried every kind of reducing and home device and none have worked for her?

Answer: I would admire her for having had the intelligence to recognize the fact that she had figure problems and tried to do something about them. They make wonderful Pat Walker patrons because they truly appreciate the fact that at last their reducing battle is over.

Question: How does the average man feel about reducing?

Answer: Many think a woman can just stop eating to reduce . . . or work out with bar-bells or merely exercise. But then, there are more men NOW that know that woman needs specialized help. It's a smart man who encourages his wife to reduce, because he shares her pride and enjoys her new outlook on life!

Question: Do you use equipment that you buy or rent?

Answer: No, it took years and a half-million dollars to develop our program . . . actually, we can afford to say that we have the only reducing equipment of its kind.

Answer: A very wide ranges of ages . . . from 8 to over 80!

Question: How much can a woman lose with your program

Answer: That depends on how much she needs to lose. If she is terribly overweight, she loses a lot . . . if her problems are minor, her loss is according to her needs.

Question: How many women would you estimate (both in America and sbroad) have Pat Walker

#### Pat Walker's Reducing Methods Reduce You **Exactly Where Needed**

Wherever I go, meeting women from all walks of life from housewife to movie actresses, from career girls to socialites, the major concern is always "figure problems!" I am often asked the secret of the success of the Pat Walker Reducing Program. And, if I were to point out any single phase of our program, I would say that it is the special, individual, personalized care given every patron. We have the only reducing program of its kind in the world. With our exclusive, reducing method we have successfully reduced over 5 million women internationally.

Also, we recognize the fact that each woman has different bone structure; different figure problems and each woman needs our careful, personalized attention to attain the desired results. Only our exclusive

## Lee YC Chatter

By LINDA EWAN, TANYA JONES & BECKY HALL

To have had such a short week last week, we sure kept things poppin' on the 'ole campus. The first three days of the week were pretty quiet, since everyone was at home studying for finals. (Hope everyone did well!)

But Thursday, Lee was back to its old normal self, minus a lot of trash! Why? Cause the Student Council has launched a cleanup campaign. Every Wednesday, the council members will make an effort to cleanup Rebeland. The Student Council cannot do this alone, so everyone should pitch it in the trash can.

Friday afternoon, a lot of brave, loyal Rebs came up during their vacation to stand in the rain and cheer for the guys with the "inside track." Thanks to everyone who braved the weather and came!

Friday night, our Rebels were Wet & Wild as they drowned the Abilene Eagles, 30-7 (Almost like the week before, huh?) We only have one more game, so let's keep the inside

track running!!!!! We're gonna let those Bulldogs know

We're No. 1!!!!

It promises to be an exciting game, so everyone be sure and be there for the final showdown in District 5-4A.

Sock it to 'em Rebs! That's right, Thursday is Sock It To 'Em Day. The cheerleaders ask that everyone roll up their jeans CAN and let their funky socks shine.

Friday night, after the game, we're gonna have a "We Socked It To 'Em' dance. (In the YC, of course). If all goes well, it will be a great celebration. So everyone Be There!!!!!

Next Thursday night, 150 smarties will be installed in the National Honor Society. There will be a reception after the ceremony in the cafeteria Congratulations to all these kids for all their hard work and

Junior Council members, it's that time again. Work schedule will be posted Wednesday and will go into effect Thursday is only a small responsibility, so be there to work and be there on time, please! If there are any change in the schedule please come to the meeting Sun. Nov. 17, at 1:30 p.m. Even if you're happy with your job, come anyway. Remember our rules!

Our drama group took three Reader's Theaters to competition at Lubbock Christian College, with one of them placing second. Congratulations,

For all the Rebelettes, the new quarter will begin at 7:40 a.m. Wednesday. This is the big week and a big game, so everyone hop up and let's come get organized!

Bash the Bulldogs

Linda, Tanya and Becky P. S. Congratulations to the Stonewall Brigade for its victory over Abilene! Do it again
