Happy Kitchen Free Cooking School Here April 8 and 9

Mrs. Johnetta Howard To Tell of Better Cooking

TWO TO FOUR P. M.

News, Merchants and Food Makers Will Sponsor

A two-day Happy Kitchen free cooking school when instruction in culinary art will be given by Mrs. Johnetta Howard is announced in this issue of the NEWS as having been scheduled for Monday and Tuesday afternoons, April 8 and 9.

From two to four each afternoon Mrs. Howard will lecture as she demonstrates cooking on the stage of high school auditorium. She is being brought to Sonora by the three-fold cooperation of the Devil's River News, local merchants and manufacturers of food products.

The lessons offered at these popular demonstrations will show how to utilize the most pleasant and economic methods of cookery; how to serve the right kind of food at the right seasons as a matter of health, comfort and efficiency; to care for the home and all its necessary equipment; how to have modern labor-saving devices and to become familiar with the products of leading manufacturers and distributors.

More money, more leisure, more comfort, and generally happier lives have resulted from the Happy Kitchen Cooking School wherever it has been held, and the NEWS is pleased to extend this service to every woman of this section.

At the Happy Kitchen Cooking School Mrs. Howard covers every phase of the home and personal well-being. Her long training in American schools and her long association with civic organizations in various parts of the country, give her complete command of subjects relating to the providing and preparation of foods and the management of the home.

A number of interesting features are being planned by the NEWS and cooperating firms and will be announced in the next few issues of the NEWS.

District Court in Session Monday

Judge Joe Montague Has Few Cases Docketed

Although few cases are already on the docket for district court which meets here next week a number await the action of the grand jury.

Among these are the following, all of which defendants have been released on bond since the last term of court—after the filing of preliminary charges: Carlisle Halbert, charged with the murder of Dred Green; A. A. Dennard and Mrs. Mabel Demard, charged with intent to murder Pete Garvin; Emmet Maddox, charged with maiming C. C. Duncan, Eldorado.

Civil cases on the docket include: W. H. Hill vs. American Angora Goat Raisers' Association, suit for damages; E. C. Garvin vs. S. T. and W. C. Gilmore, suit for damages; Mamie E. Clark vs. Wool Growers' Central Storage Co., suit to try title and for damages; Mrs. Nannie B. Wilson vs. J. W. Wilson, suit for divorce.

H. L. Gray, charged with swindling, is also on the criminal docket. His case has been "continued for arrest" several times.

The Garvin-Gilmore case, it is understood, has been settled and awaits action of the judge for final disposition.

SCHOOL DIRECTOR

Mrs. Johnetta Howard takes command April 8 and 9 as she tells Sonora and Sutton county women the best and most pleasing ways of preparing food. Her Happy Kitchen free cooking school, NEWS sponsored, has the cooperation of local merchants as well as firms handling food products known to housewives everywhere.

Bandits Get Wrist Watch and Receipts

George Bennett's Customers Tell Him Where To Stand

"Stick 'em up, son, this is a hold-up job."

George Bennett, employee of the C. A. Berry, Marathon service station, isn't so young but he is a bit short and when his customer of a few minutes before said that as he walked in the door Friday night about 8:30 he followed instructions.

Ten gallons of the best grade of gasoline had been bought by the two men in a 1933 Ford coupe. The oil was checked. Then the "customers" wanted cigarettes. Mr. Bennett walked in first, one of the men came right behind him and told him "what's what."

One searched while the other held the gun. Mr. Bennett's 21-jewel watch was neglected and his keys were of little value to the hold-up men for the key to a money drawer was in Mr. Berry's pocket. The cash register gave up \$5 and Mr. Berry's wrist watch which had been put there to await repairs.

Finally Mr. Bennett was told to "get in that corner over there, face to the wall and be sure we're gone before you turn around."

One of the men had pulled loose what he thought was the telephone wire so Mr. Bennett, after a sensible length of time, ran and told Mr. Berry and then called B. W. Hutcherson, sheriff, from the Fred Hull residence. Later it was found that only a string holding the telephone wire to the wall had been broken.

The two men, whom Mr. Bennett believes to have been about twenty-five years old, drove into the station from the direction of Ozona. One of the men, both of whom were well-dressed, was a "tough looking guy," according to Mr. Bennett.

LIONS CLUB VOTES NOT TO ENDORSE PROPOSAL

Group singing directed by Miss Marie Watkins, and a solo sung by Miss Watkins were principal parts of the Lions Club Tuesday luncheon meeting.

Hillman Brown was a guest at the luncheon.

On motion of W. R. Cusenbary the club voted not to endorse a resolution by the Miami, Ariz., Lions Club asking Congress to pass a protective levy on copper importations.

Pioneer Ranchman, V. J. Turney, 69, Buried Saturday

Father of Three Sonora People, He Lived in Juno Section — Many Years

Another pioneer of this section known to many West Texans, V. J. Turney, born in Coryell county, Dec. 20, 1865, was buried in Sonora Saturday afternoon after services at the First Baptist Church conducted by the Rev. Frank Nixon, pastor, and the Rev. W. S. Ezell, pastor of the Methodist Church.

Mr. Turney died shortly before noon Friday at his home in Del Rio where he has lived since his retirement from active ranch work in 1923. He had been in ill health for quite a while but had been seriously ill of pneumonia less than a week.

Mr. Turney's father came to Texas from Illinois before the Civil War and during that conflict served in the Confederate Army. His father was an organizer of Coryell county and served as its first sheriff.

Drove Steers to Montana

His son, Valrus J., who died Friday, was reared in the county his father helped organize, went to school there and as a boy of nineteen drove 6400 steers to Montana for the Ohio Cattle Company. That served as an introduction to the life of a ranchman-cattlemen which he led for the next thirty-eight years.

When he came to West Texas as a young man he worked first for Frank Greenwood, Sr., of Del Rio who was an honorary pallbearer Saturday. He made \$12 a month but that was considered a good wage in "those times." Later he earned \$50 a month operating the James McLymont Ranch in the Del Rio section.

Lived in Juno Country About thirty-one years ago he settled on land in the Juno section, on Dry Devil's River Draw. He ranched there for many years. He and his brother, C. T., were in partnership at one time operating such ranches as the Dunbar (Continued on page 4)

San Antonio People Here

Mr. and Mrs. L. B. Adams of San Antonio were guests last week of Mrs. R. K. James. Mrs. Adams is a niece of Mrs. James. They formerly lived in Ozona. Mrs. James and her guests were in Ozona two days of the week visiting her brother, Chris Minecke, and her son, Frank James, who is employed there.

Mr. and Mrs. W. C. Gilmore and Jodie Trainer were in San Angelo Tuesday evening.

Mrs. Mayfield, 72 Tuesday, Here Before Sonora "Was"

"Before there was any Sonora" is quite a long time ago but that's how long Mrs. J. W. Mayfield, seventy-two years old Tuesday, said on her birthday that she had been living here.

During those seventy-two years, forty-seven of which have been spent in the Sutton section, Mrs. Mayfield, mother of Ed C. Mayfield, ranchman and president of Sonora Wool & Mohair Co., has seen lots of "hard times." As she said it Tuesday:

"Things have been in pretty hard shape many times. I've had my ups and downs like everyone else but this drought is the worst I've ever seen."

After her father had done his best for the South in the Civil War the family moved from Mrs. Mayfield's native home, Bell county, of which Belton is the county seat, to Bosque county where the county's business is centered in Meridian. Mrs. Mayfield was a small child at the time. She grew to young womanhood there, married when she was nineteen and five years later she and her husband came on to the western country.

MANY YEARS AUTO DEALER —JUST DRIVING OWN CAR

We don't know whether the story of the shoemaker whose children's shoes needed repairing applies or not but—

Sam Hull has been a Ford dealer for many, many years but not until this week has he driven a new model as his very own. Somehow or other he always drove a used car, rode in a demonstrator or something like that.

Of course, it's really Mrs. Hull's coupe for he gave it to her but in the sight of the law it's "community property" and Mr. Hull is enjoying the new model fully as much as she is.

Mrs. M. G. Shurley Appointed to Board

Mrs. M. Brown, Ten Years School Board Member, Resigns

After ten years of service to Sonora and Sutton county as member of the board of Sonora Independent School District, Mrs. Maysie Brown, vice-president of the board, resigned at the regular meeting of the group Thursday night of last week.

Mrs. Brown was elected in 1925 and has served continuously since that time. She declared that she believed she had served long enough and that she no longer had a child in school. Although she is still interested in educational progress in Sonora and Sutton county, Mrs. Brown says that she believes that there are others more vitally interested in school work. Mrs. Brown's term would have expired next month.

Mrs. Merton G. Shurley was appointed by the board to complete Mrs. Brown's term. Mr. and Mrs. Shurley have two children in school—Rena Glen and Jack. Both are freshmen.

The board appointed Fred Simmons to conduct the school election Saturday, April 6, when members will be selected to fill the positions which have been held by Mrs. Brown, Joe F. Logan and R. A. Halbert. The terms of the latter two expire in April. Board members are elected for a three-year term.

At the regular meeting of the board April 11 returns of the election will be canvassed and new organization of the board effected. It will then elect teachers to serve in the Sonora district during the 1935-36 school year.

To Locate in California

Ollie Stockton left Monday afternoon by bus for California where he hopes to find employment or to enter school. He will visit an aunt, Mrs. Leroy Cresswell, in Alhambra.

Stockmen and Boys From Here Active in Fat Stock Show

Bryan Hunt, Ben Meckel, Halbert and Hoggett and Several Boys Participate

Sutton county stockmen as well as several stockmen of the future were active figures in the purchasing and exhibition at the San Angelo Fat Stock Show held for the fourth year this week in San Angelo.

Prince Domino 12th, reserve champion of the Hereford division, a yearling past bull, was bought by Bryan Hunt from Dr. A. J. Wimberly of Sweetwater for a top price of \$520. Mr. Hunt's bid and the resulting sale to him started purchasing Tuesday when an average price of \$174 was received for 38 registered Herefords.

Among the other purchases made by Sutton county cattlemen were: Ben Meckel, \$205 for Boo Dandy 13th, a bull bred by Walter Boothe, Sweetwater.

Ben Meckel, \$180 for Loma Vista Lad 112th, a bull bred by C. A. Broome estate, San Angelo.

Halbert & Hoggett, Mertzon, \$100 for Lorna Doone, 2nd, a cow bred by C. R. Moon, Rotan.

John Fields, \$200 for Prince Domino Mischief 3rd, a bull bred by John B. Stribling, Rotan.

Frank Bond, \$140 for R. Domino 1st, a bull bred by J. C. Stribling, Llano.

Several Sutton Boys Participate

The calf entered in the senior division of the baby beef show by Harrell Turney Espy, son of Mr. and Mrs. Thomas Espy, placed eighteenth among the twenty-five. Little Pretty, Mason county calf, declared grand and junior champion of the baby beef show. A Brady calf, fed by Clifford Huffman of Brady, was reserve and senior champion.

Calf sales were made by Harrell Turney Espy, J. B. Glasscock, V. J. Glasscock and Wilburn Glasscock. The buyer, price per pound, and the weight without shrinkage were:

J. B. Glasscock, Sutton, Hotel Cactus, 16 cents, 620.

H. T. Espy, Sutton, First National Bank, 15 cents, 845.

V. J. Glasscock, Sutton, Fairbanks & Coulter, 13 cents, 690.

Wilburn Glasscock, Sutton, Salvato, 13½ cents, 610.

H. T. Espy, Sutton, Cox-Rushing-Greer, 15 cents, 890.

Grand champion bull and reserve champion heifer awards were received by Halbert and Hoggett, Mertzon, association of R. A. Halbert, Sonora, and Mans Hoggett, Mertzon. In the class "bulls calved prior to Dec. 1, 1932," the same gentlemen's animal, Woodrow, 1st, received first place. First place award was also received for their entry in the class—"heifers calved Jan. 1, to April 30, 1933."

Cleburne Firm Gets Lowrey Bridge Work

W. F. Williams, Junction, Will Be Here During Construction

Actual construction of the reinforced concrete bridge over Lowrey Daw in Sonora will be under way in the near future, it is believed, as a result of the letting of contract in Austin Monday.

Buckner Brothers of Cleburne was awarded the contract for the bridge which is to cost \$15,576.66. The bridge and approaches will total 700 feet. A five-foot sidewalk will be built at each side of the 40-foot bridge roadway.

W. F. Williams of the state highway department, who has been stationed at Junction for the last year, arrived in Sonora Thursday with Mrs. Williams. He will work on the project which is a joint one of the state department and the United States Bureau of Public Roads. W. M. Hardeman, Junction, resident engineer, will be in charge of the work. A. F. Moursund, San Angelo, is division engineer.

Five Sutton County Welfare Board Men Resign From Work

Declare They Have No Voice in County Relief Program or Policies

Resignation of the Sutton County Welfare Board chairman, L. W. Elliott, and the four members of the board was received by the commissioners' court at their regular meeting Monday.

The members of the board serving with Mr. Elliott, attorney, are: J. W. Trainer, merchant, E. S. Long, barber, Geo. H. Neill, banker, Thomas H. Bond, ranchman. They were appointed Aug. 31, 1933, by the commissioners' court upon recommendation of the state relief commission. Court minutes of that date declare that the appointment of the five citizens was "approved" on that date. They were re-appointed in December, 1933.

Alvis Johnson, judge of the Sutton county court, said Wednesday noon that the county court, under the present relief set-up, had nothing whatever to do with the board appointments and that that matter was entirely up to the recently created state board of control, now at the helm of Texas relief activities.

The letter sent the county commissioners, a copy of which was sent the state board of control, is as follows:

February 15, 1935.
To the Commissioners Court of Sutton County, Texas:

We, the undersigned members of the Sutton County Board of Welfare & Employment, hereby tender our resignation as members of such board, effective immediately upon receipt hereof.

We are prompted in taking this action by reason of the fact this Board has absolutely nothing to say in the direction of the relief program or policies in this county; and we refuse longer to fill a position that could subject us to severe criticism for something over which we have no say or control.

Respectfully submitted,

L. W. Elliott, Chairman

J. W. Trainer

E. S. Long

Geo. H. Neill

Thomas H. Bond

County commissioners who attended the meeting this week were: Joe F. Logan, Ben H. Cusenbary and C. W. Adams.

The February report of the tax collector, B. W. Hutcherson was examined and approved. Tom Thorp, who has been serving as livestock inspector has become a full time employee of the Livestock Sanitary Commission, was removed from the county payroll.

EIGHTY-FIVE TOMORROW, ONE TIME BRONC RIDER

Eighty-five years old tomorrow, Dudley Driskell, father of Tom Driskell, as a young man was a "bronc buster" who could ride anything on which a saddle could be put.

Mr. Driskell was born in Morgan County, Mo., but came to Texas when he was nineteen with a man named McCormick who was a sawmill operator. Young Driskell worked in the sawmills with his friend in Arkansas and Texas. For a number of years he lived near Little Elm in Denton county.

In 1889 Mr. Driskell returned to Missouri and lived for thirty or thirty-five years in the Flat Creek community, near Sedalia, central Missouri town that is the county seat of Pettis county. He is acquainted with many people there who are known to the editor of the NEWS who was reared in that county.

Mr. Driskell came here to live with his son about 1925. He has six other children, three of whom live in Kansas City, Mo. Others are located in Independence, Mo., Claunch, N. M., and Dallas.

**MARBLES (IN MACHINES)
"OUT" FOR NOLAN BOYS**

Marbles may be supposed to furnish a pastime for boys, but when they're in machines, it's a different story, according to the Sweetwater commissioners.

Monday night the commission instructed the city attorney to draw up an ordinance prohibiting anyone under 18 years of age from playing marble machines of any description.

So it looks as if the youngsters will have to go back to the vacant lots for their fun, and leave the uptown roly holy sport to their papas and grown-up brothers.

The commission also notified officials to enforce the ordinance calling for a tax of from 50 cents to \$5 each on these machines.—Nolan County News.

"Wild Bill" Cummings Drives Second Chevrolet

"Wild Bill" Cummings, national A. A. A. racing champion, recently took delivery of his second Chevrolet—a new 1935 Master De Luxe sedan with which he is pictured above. Cummings became a Chevrolet owner following his victory at Indianapolis last Decoration Day. In the oval he is shown as he finished the Indianapolis classic, wearing the new type crash helmet that was recently adopted by the A. A. A. Contest Board for all racing drivers in 1935.

Project That Is Called a Federal Laboratory

General view of the Reedsville subsistence project near Elkins, W. Va., as it appeared when Mrs. Franklin D. Roosevelt journeyed there to greet the fifty pioneer families who will occupy the fifty new homesteads. The project was started but ten months ago and has been termed the "Federal laboratory."

**Milk—A Food for Child and Adult—Must
Be Considered Important Diet Component**

MRS. JOHNETTA HOWARD
of the
"Happy Kitchen"

One of the most vital things in the family life of any community is a good supply of milk. But constant vigilance is necessary to protect this supply. It is also necessary that you know and realize just what an important part milk as a food plays in your life.

As a food, milk contains all the nutritive compounds necessary for a growing child in the correct proportion of a scientific diet. It is one of the most digestible of all animal foods and, with other dairy products, forms over twenty-two

per cent of the greatest American diet.

Milk constituents, as with other food material, may be classified as fat, carbohydrates, proteins, vitamins and mineral content. It is especially valuable as a food for undernourished children and invalids. Health authorities everywhere recommend a liberal use of milk, urging the consumption of at least a quart a day per person.

Good For Young and Old
And of course, there is no age limit for drinking milk. Because it is so good for children, many have the notion that it is just "kid's food." Nothing could be further from the truth. Recent medical discoveries by foremost nutritionists have established the fact that milk is perhaps the finest food that an adult can have. It has been learned that milk is Nature's most complete food, containing 34 of the 36 food elements which we need to keep healthy—proteins to build and repair tissue, the right fat for fuel, sugar for energy, vitamins and mineral salts.

Continued lack of any of these essentials often forms the starting point for many diseases of middle age. Milk brings balance to meals by supplying the things so many diets lack. It promotes a clear mind in a healthy body.

Health Should Come First
Plenty of pure milk with meals is one of the safest health habits that can be formed.

For many of us these are times when we must make a supreme effort if we are to balance the family budget. We must remember one thing. Now more than at any other time, perhaps, we must keep health as our first consideration—particularly the health of children. Mothers especially should study the way in which milk can help them to do this.

For every cent we spend, milk gives more vital food value than any other article of diet. It makes certain that the building of bone and muscle will go on. It is a safeguard against illness—a source of energy. It is possible to cut our food bills and actually increase the health value of our meals by increasing our use of milk.

To grow old is no disgrace, provided one becomes wiser.—Dean E. V. White.

**MINNESOTA CATTLE BEING
"STARVED" BY CATTLEMEN**

St. Louis, Minn.—Figures of two governmental agencies indicated recently that almost 20,000 Minnesota farmers are starving a quarter million head of livestock in a "hunger strike" against federal relief regulations.

A statement by a delegation of farmers from drought-stricken committee recently said that "tens of thousands of cattle are in their last week of life in Minnesota unless the legislature aids immediately."

**Aged Numerous in
Missouri Village**

Woman of 75 Found Typing Not
So Very Difficult

Oregon, Mo.—Pope grow old in this town of only 900. There are more than 50 persons whose ages range from 80 to 102. Almost without exception they go about their business without assistance from anyone. Some drive their own cars, set out orchards, split wood, bake bread, can, quilt, go to church regularly and do a thousand and one other things that the younger persons do.

Then there is a younger generation, youngsters of 60 to 80 who bid to uphold the reputation of the town for longevity. One of these, a woman of 75 recently learned to use a typewriter so that she could correspond more easily with a son

in New York. The oldest of the village is Mrs. Mariah Whitmer, who will be 102 years old in May. Next is Charles Ruley, 95.

The Rev. T. D. Roberts and his wife have been married for 63 years. On his 90th birthday he preached a long sermon. His wife is 90.

Several of the group are Civil War veterans.

Mr. and Mrs. George E. Smith and daughter, Beverly, went to San Angelo Tuesday morning. Mrs. Smith and daughter remained for a visit with her aunt, Mrs. M. C. Puckett, former Sonora resident.

Mr. and Mrs. H. V. Stokes spent several days in Lampasas last week returning home Sunday. They were the guests of Mrs. Stokes' father, H. B. Casbeer.

"Cleaning and Pressing That Satisfy"

Why the FORD V-8 is a Sensible

**FARM
TRUCK**

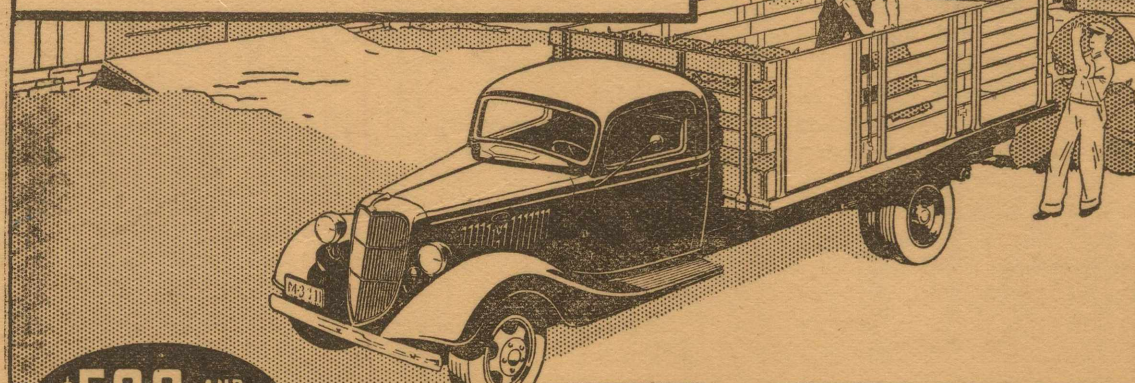

Ford V-8 Trucks have a reputation for hauling more tons, more miles with more satisfaction and at less cost. Ample power, excess strength and remarkable ability of the Ford V-8 Truck insures continued performance on the toughest jobs.

On any road with any load Ford V-8 trucks are consistent profit earners because of these advanced features:

1. V-8 engine with 80 full horsepower
2. New forward load distribution
3. New, stronger front axle
4. Full-floating rear axle
5. Heavy duty four speed transmission
6. New, larger centri-force type clutch
7. Improved cooling
8. Comfortable, insulated cab
9. Rib cooled self centering brakes
10. Torque tube and radius rod drive
11. New spring suspension
12. New truck style—comfortable coupe type cab

Call any Ford dealer for an "on-the-job" test. You drive it with your own load and check the results. There is no obligation except to yourself.

These Men—and Three More—Represent 5,824,715 Texas Citizens

All but three of the Texas delegation in Congress were present at the time this picture was taken near the steps of the nation's capitol. Thomas L. Blanton, Abilene, Joe H. Eagle, Houston, and Oliver Harlan Cross of Waco are not in the picture. The others are: Left to right, front row: Sam Rayburn, Bonham; James P. Buchanan, Brenham; Maury Maverick, San Antonio; Morgan Sanders, Canton;

Joseph Jefferson Mansfield, Columbus; Fritz Garland Lanham, Fort Worth; Marvin Jones, Amarillo; Wright Patman, Texarkana; C. L. South, Coleman. Back row, left to right: George Mahon, Colorado; Milton H. West, Brownsville; Richard M. Kleberg, Corpus Christi; Ewing Thomason, El Paso; W. D. McFarlane, Graham; Luther A. Johnson, Corsicana; Nat Patton, Crockett; Hatton W. Sumners, Dallas; Martin Dies, Orange.

PERSONALS

Mr. and Mrs. B. M. Halbert, Mr. and Mrs. B. M. Halbert, Jr., and son, "Rooster," were visitors in San Angelo Monday.

Mr. and Mrs. Thomas Espy and son returned Wednesday night from San Angelo where they attended the stock show.

Miss Clara Allison and Miss Sally Wardlaw returned Thursday from San Angelo where they have been visiting Mrs. Lillian Allison.

Miss Topsy Whitehead and her brother, Louis Dell, Del Rio, Miss Lou Rose Lott of San Marcos and Miss Myra Lott of the Whitehead Ranch were in Sonora Friday night.

Mrs. Arther Simmons and Joe Hull visited Mrs. Hull in San Antonio Saturday and Sunday. Miss Muriel Simmons who has also been visiting there returned Sunday with Mr. Hull.

Mr. and Mrs. Hix Hall will go to Breckenridge Tuesday night for a visit of several days with Mrs. Hall's parents, Mr. and Mrs. W. R. Creagh. Mr. Creagh has been ill for some time.

Mr. and Mrs. W. C. Bryson, former resident of Sonora but now of Uvalde, were guests of Mrs. W. D. Wallace Sunday and Sunday night. They went to San Angelo Monday to attend the stock show.

Mr. and Mrs. E. E. Sawyer and son, Wesley, spent the week-end in San Antonio. They were accompanied by Miss Elizabeth Francis who visited her parents, Mr. and Mrs. Carl Francis. The Sawyers visited with their daughter, Alice, who came there from Austin where she is a student at the University of Texas.

It is our honest conviction that —

THE NEW CHEVROLETS

offer the finest combination of high quality, low prices and low operating costs Chevrolet has ever offered to the American public

NEW STANDARD CHEVROLET

World's lowest-priced Six... giving the most brilliant performance and greatest operating economy ever offered by Chevrolet... bringing you all of these fine Chevrolet features: Body by Fisher (with No Draft Ventilation)... Improved Master Blue-Flame Engine... Extra-Rugged X Frame... Pressure-Stream Oiling... Weatherproof Cable-Controlled Brakes

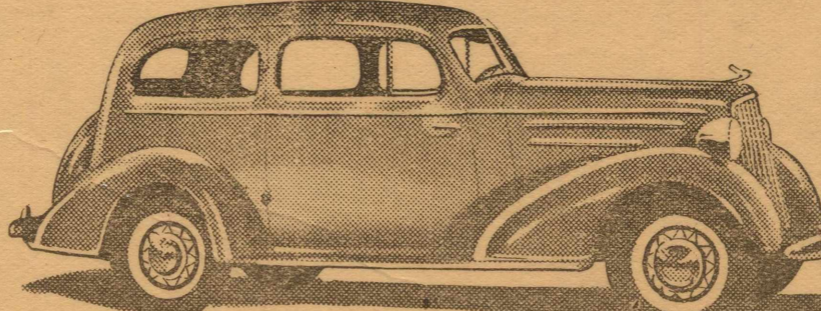

THE NEW STANDARD COACH—\$475

\$465

AND UP. List price of New Standard Roadster at Flint, Mich., \$465. With bumpers, spare tire and tire lock, the list price is \$20.00 additional. Prices quoted in this advertisement are list at Flint and are subject to change without notice.

NEW MASTER DE LUXE CHEVROLET

The aristocrat of low-priced cars... longer, even larger, beautifully streamlined... the only car regardless of price that brings you all of the following quality advantages: Turret-Top Body by Fisher (with No Draft Ventilation)... Improved Knee-Action Ride... Blue-Flame Valve-in-Head Engine with Pressure-Stream Oiling... Weatherproof Cable-Controlled Brakes... True Shock-Proof Steering.

THE MASTER DE LUXE COACH—\$580

\$560

AND UP. List price of Master De Luxe Coupe at Flint, Mich., \$560. With bumpers, spare tire and tire lock, the list price is \$25.00 additional. Prices quoted in this advertisement are list at Flint and are subject to change without notice. Knee-Action optional at \$20.00 extra.

And so, when you decide to buy your new car, may we suggest that you see and drive the 1935 Chevrolets. Then this will become your conviction, too. You will discover that Chevrolet has gone well beyond its highest standards of the past to make these the most desirable cars in Chevrolet history. Fine craftsmanship and precision engineering are evident in every line and in every part. With the result that these new Chevrolets give you much more quality than you are accustomed to getting at Chevrolet prices. Much more beauty—much more ability to serve long and dependably—and much more performance. Their getaway, acceleration, and all-round spirited action are the most thrilling ever engineered into a Chevrolet product. Yet the New Standard Chevrolet is the lowest-priced Six in the world. And the Master De Luxe Chevrolet also is offered at exceptionally low prices for such a luxurious car. Moreover, these are the most economical Chevrolets ever built, which is highly important in these days when economy means so much. Come in today. See and drive these new cars—and choose Chevrolet for quality at low cost.

COST OF HAUPTMANN CASE SHOULD CAUSE NATION TO PONDER

An estimate of the cost of the Hauptmann case, made by the Associated Press, puts it at a total of about a million dollars. Among the items is the \$50,000 ransom paid by Colonel Lindbergh. Dr. Condon is reported to have spent \$10,000 of his own money to bring Hauptmann to trial. The jury will cost about \$2,000, and transcripts of evidence \$60,000. Fees to the lawyers ordinarily would run to \$20,000. Whether Hauptmann can pay his array of attorneys is uncertain. The Associated Press says it is rumored they are paying their own expenses.

The cost of telegraph tolls is estimated at \$600,000, and salaries of special writers and reporters at \$180,000. Thus the principal item in the total "cost" of the trial is the cost of satisfying the public's curiosity as the trial progressed. New Jersey's and the federal preliminary expenses are given as at least \$50,000. Expenses of persons required to attend the trial are estimated at \$30,000, and with conviction New Jersey has a reward of \$25,000 to pay.

How it could have been avoided seems a difficult problem, but there is something unwholesome in the making of a criminal trial into such a mammoth and costly spectacle.—Fort Worth Star-Telegram.

AUTOMOBILE EXECUTIVE SPEAKS TO CAR DEALERS

Improved buying conditions are noted all over the country by W. C. Colling, director of sales, Ford Motor Co., who addressed a general meeting of Ford dealers in Dallas Tuesday at noon.

Sam Hull, local dealer for the company's products, went there Sunday and returned Tuesday.

Mr. Colling, who is on a country-wide trip to "feel the buying pulse" in various sections declares that people are more in the mood to buy automobiles and other products than they were a year ago.

Home From San Antonio
Frank Knapp who has been recovering in San Antonio from an operation performed several weeks ago returned home Monday and is at his home here. It will be necessary for him to remain in bed for some time.

The MAIL BOX

The following letters have been received by L. W. Elliott and by the School Board. They are in regard to B. H. McLain, superintendent of schools there for eleven years, who was recently appointed to the position of superintendent in Sonora, to begin his work July 1.

Sweetwater, Tex., March 5, 1935
Mr. L. W. Elliott,
President of School Board,
Sonora, Texas.

Dear Sir:

I enclose herewith a formal endorsement of Mr. McLain, who was recently elected by your board. May I add a personal word to this letter.

Mr. McLain is leaving Sweetwater of his own volition. After the strain and unrest of the last few years he feels that he can be freer and happier in a new position. He leaves the most cordial and complete co-operation and friendship of the board.

We want you to feel that Mr. McLain is worthy of every confidence that a board may have occasion to place in a superintendent; that all tasks will be dispatched in a manner to reflect credit on the schools and the board.

That Mr. McLain and his wife (and a most important factor in his success is his wife) will make yours a better town in which to live and to bring up children, the great part of our citizenship would assure you. They will perform their acts modestly in your community and with every regard for other people.

We commend most cordially to your community and friendship this good family. We have no better families.

Sincerely,

J. W. Butler.

Sweetwater, Tex., March 5, 1935
Mr. L. W. Elliott, President,
Board of Education,
Sonora, Texas.

Dear Mr. Elliott:

The School Board of the Sweetwater Independent School District, assembled in called session on Feb. 27, 1935, learned of the election of Mr. Ben H. McLain to the superintendency of your school system and, with a very keen sense of regret, accepted his resignation as head of our system to take effect on July 1st of this year.

On his coming to your town, the Board here wishes to say of Mr. McLain, that we feel you will be acquiring for your town a citizen of the very highest type. You will find him to be a man of unquestionable character, high ideals and full of enthusiasm for his job.

Mr. McLain came here as Superintendent of our Schools in 1924, finding the system in a deplorable state of disorganization with all affiliation threatened. Out of this chaos, he led our schools to a high state of efficiency, ranking among the best in the state. This standard he has consistently maintained through, first, a period of growth that taxed our facilities and, second, through the years of depression when the Board was forced to pursue a policy of retrenchment occasioned by financial difficulties.

He has always had the confidence of the Board here and has invariably put himself in the spirit of co-operation with changes of policy necessitated by changes of time and circumstances. He has pursued this spirit of co-operation to the point of voluntarily slashing

his own salary while under contract.

Finally, we wish to say that in Mr. McLain you will find a Superintendent who is forward-looking and anxious to keep your Schools abreast of these changing days.

Very truly yours,

J. W. Butler, Sec'y.

By order of the Board.

Mrs. Mayfield, 72,—

(Continued from page 1)

Middle Valley section. The Mayfields came here first to pasture some horses and camped their first night with Mr. Berger.

Mrs. Mayfield says it was either '88 or '89 when they came to Sonora. It was probably late in 1888 as she recalled that the winter after they came Wilson Jones Mitchell, father of Mrs. G. W. Morris, was buried in Sonora cemetery—the first burial there. Mrs. Morris gives the date of her father's death as December 30, 1889.

One winter about that time was very bad from a health standpoint. Measles and gripe ("influenza" was not known) raged. Mrs. Mayfield came in from the ranch, she says, to wait on the sick at the George S. Allison home where all were ill of the measles. There was no doctor closer than Fort McKavett.

Pioneers' Story Ever-Interesting
The well on the courthouse yard property was completed in February, 1889, G. W. Morris says. People began coming here and soon the town was organized.

Tuesday, Mrs. Mayfield says, was also the date of the birthday of her mother who was nearly ninety-four when she died in December, 1933. Her father was ninety-one at the time of his death. Mr. Mayfield has been dead nearly three years.

Things have changed greatly in the years Mrs. Mayfield has lived here, she commented Tuesday. During the last three months the ranks of pioneer citizens of Sutton county and West Texas have been thinned by the passing of Ira L. Wheat, W. P. Caldwell, E. M. Kirkland and V. J. Turney, the latter of whom was buried Saturday.

The pioneer is passing. The man and woman, always shoulder to shoulder, who "broke" the western country before the time of fences, townships and wagon roads, make up a glorious group that did a noble work.

Yes, the pioneer is passing but to those who come after their story of hardships and trial of their day of opening the western country is one that is interesting as it records the life of a sturdy people bent on making a home in a country they believed to offer far more advantages than that from which they came.

TEXAS RELIEF PEOPLE NOW BEING GIVEN MUTTON

Austin, March 14.—Distribution of 324,000 pounds of mutton to Texas counties was begun last week, it was announced by David Brack, supervisor of transportation, and distribution in the commodities distribution department of the Texas Relief Commission.

The mutton is shipped to central distribution points where county administrators in the surrounding territory call for their individual allotments. In each county the mutton is distributed to relief clients over and above their regular allotments of canned beef, on the basis of one can per average family per month.

Rent it with a classified.

WORD ORIGINS

Yes, sir,
the Anglo Saxon people had
a name for it!

"WALRUS"

Before it was "walrus" it was "horse whale," rather, as they pronounced it—"hors hwael." In some manner, probably by the influence of the Danish word "walrus," it was changed to "hwaehors," then finally to our "walrus," meaning a very large marine mammal, related to the seal species.

TEXAS SPENDS FIFTEEN MILLION IN TWO YEARS

Austin, March 14.—More than one hundred million dollars of federal and state funds have been disbursed for relief of the destitute in Texas since federal money first began to be received in October, 1932, it has been announced by Adam R. Johnson.

Of this total, more than \$89,000,000 has come from the federal government which has supplied \$57,401,736 through the Reconstruction Finance Corporation and the Federal Emergency Relief Administration, established in May, 1933. An additional \$32,205,000 was granted through the Civil Works Administration program in early 1934.

The state, through January 31, 1935, had participated to the extent of \$15,057,513.66.

All funds received, including general federal, state and Civil Works Administration money, added up to \$104,665,309.66. The federal government's share, approximately 86 per cent; the state's share, about 14 per cent.

Pioneer Ranchman—

(Continued from page 1)

Ranch, now operated by Tom Sandherr, one of the Bob Cauthorn ranches, the Bryson place and one of the ranches now owned by W. A. Miers. Mr. Turney and his brother were in New Mexico for two years where his brother died about five years ago.

In 1923 he retired from active ranching and moved to Del Rio. Until that time he was a member of the Texas and Southwestern Cattle Raisers' Association and the Sheep and Goat Raisers' Association. He was a member of the Old Trail Drivers' Association.

Three Children Survive

In 1882 Mr. Turney was married to Miss Luciene Gobble, daughter of the late Judge Gobble of Val Verde county. She survives him as do a sister, Mrs. Molly Briggs of Itasca, and three children, Paul, Mrs. Thomas Espy and Mrs. J. S. Glasscock, all of Sonora.

Old Friend Pays Tribute

The Rev. B. N. Briggs, a friend for more than thirty years, conducted a short service of tribute to Mr. Turney in Del Rio Saturday morning before the family and relatives started here with the body.

Pallbearers were Theo Savell, J. D. Lowrey, Bryan Hunt, Tom Sandherr, J. S. Holman, W. E. Glasscock, Giles P. Hill and C. D. Wyatt.

Honorary pallbearers included C. C. Tribble, Lee Drisdale, G. C. Earwood, W. S. Stevenson, Frank Greenwood, Sr., Walter Whitehead, Fritz Herbst, E. K. Fawcett and Richard Potter, all of Del Rio; J. A. Cauthorn, Bob Cauthorn, Roy E. Aldwell, E. F. Vander Stucken, E. E. Sawyer, of Sonora; Charles Davidson of Ozona, and T. B. Adams of San Angelo.

About \$17,000 has been raised for Hauptmann's appeal, so the defense lawyers still have confidence in their client.—Indianapolis News.

What is worrying some mothers is this: "If I put my baby girl on a bottle, is it true that she will hit the bottle again when she gets to be about 18?"—Sullivan (Ill.) Progress.

35 YEARS AGO

Miss Annie Stokes and Miss Willie Watson two of Sonora's charming young ladies were in from the Stokes ranch Sunday.

Dan Parker, one of the popular young men of Edwards county, was in Sonora Friday on his way to attend the Fort Worth convention.

Bob Martin was in from the ranch Monday and reports everything all right.

Mrs. W. H. Cusenbary and Miss Myrtle came over from Ozona Monday to visit friends.

Mrs. B. M. Halbert and Miss Barksdale were in from the Halbert ranch Tuesday shopping.

E. Jackson the joker from the Koenig ranch was in Sonora Monday and says everything is all right down there.

Mr. and Mrs. Wesley Porter and some of their children were in from the Mayfield ranch Monday for supplies.

Will Whitehead and his mother were in Sonora several days this week on a visit.

Central Location For Park

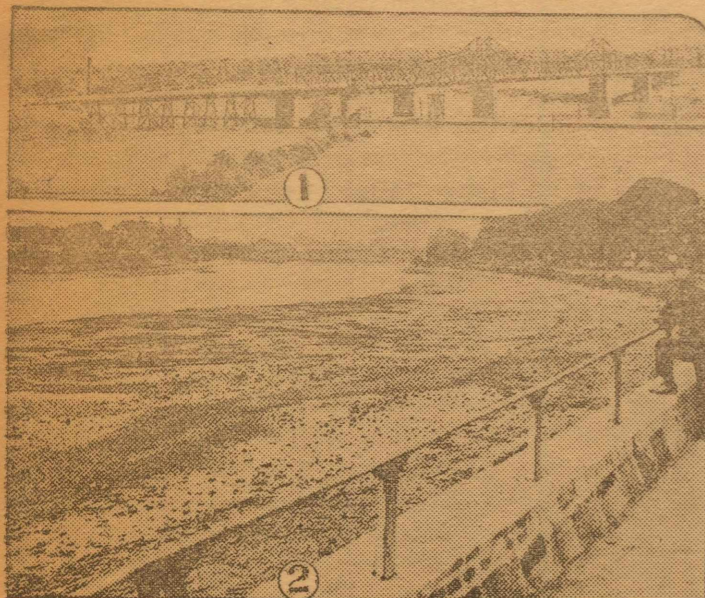

Brady, March 14.—The geographical center of Texas, 20 miles north of Brady, is to be appropriately marked. A tract of land will be bought and made into a state park.

Returns From Trip To Temple
Judge Harvey Walker returned Thursday of last week from a trip to Temple where he took T. A. Morris, son of Mrs. Mattie Morris and nephew of Mrs. Harvey Walker.

NECESSARY SERVICE

Electricity has brought a new era of dependable service to West Texas in recent years. Twenty-four hours of the day, approximately 43,000 homes and places of business served by this Company

in 160 towns and communities rely on this service in some way every minute of the day.

Its large variety of uses acclaim its acceptance as a necessary service. Homes employ it as a means of lighting, washing and ironing, refrigeration, cleaning, water heating, cooking, air conditioning; for the operation of the radio and many small appliances. The uses of electricity in industry are innumerable. Almost every task has in some way been lightened and more nearly perfected by this necessary service. It has truly served all the people in some way and has shared immeasurably in our progress.

The West Texas Utilities Company has provided this service practically uninterrupted and economically cheap. No greater words of praise could be spoken of this service than that our customers have become so accustomed to its reliability, until today it has become a commonplace item of the household and place of business.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

Music Club Enjoys
Evening Program

Miss Jamie Gardner Hostess Friday Night to Group

Members of the Sonora Music Club met with Miss Jamie Gardner at her home Friday evening and enjoyed a program on Wagner.

Roll call was answered with a current event given by each member.

Miss Marie Watkins talked on the appreciation of opera. The important events in the life of Wagner were outlined by Mrs. W. E. Caldwell. She also named several of his compositions.

Miss Merle Draper and Miss Thelma Rees told the stories of three of Wagner's operas.

After a business session, the hostess served refreshments to Mesdames O. G. Babcock, W. E. Caldwell, Edgar Shurley, and the Misses Thelma Rees, Merle Draper, Marie Watkins, and Gertrude Babcock.

Following the Tanks in Staten Island Battle

The "Blue" troops follow their tanks through a heavy barrage, as they attack the "Brown's" defensive position across the northern end of Staten Island. Two tank units and an armored car squadron of the United States army reserve, aided by regular army units, put on this show. The tank units were manned in great part by upstate business men, and they had a two weeks' training period at Miller field.

Missionary
Society Studies
Book on Japan

The members of the Methodist Woman's Missionary Society met Wednesday afternoon at the church for their regular study and business session. Mrs. Robert Rees led the Bible study and devotional. Mrs. H. V. Stokes led the study of the book on Japan.

In the business session a tentative date of April 13 was set for a bazaar. The following committees were appointed: Mrs. R. A. Helbert and Mrs. M. M. Stokes, cooked food booth; Mrs. H. V. Stokes and Mrs. Russell Long, candy booth; Mrs. J. W. Trainer, grab bag; Mrs. J. D. Westbrook and Mrs. W. E. James, clothing booth.

Members attending were: Mesdames J. D. Lowrey, Velma Shurley, W. E. Caldwell, G. B. Hamilton, C. E. Stites, J. D. Westbrook, H. V. Stokes, J. W. Trainer, Joe Logan, J. T. McClelland, Hix Hall, W. E. James and Robert Rees.

Mr. and Mrs.
Allison Hosts to
Bridge Club Thurs.

Mr. and Mrs. S. H. Allison were hosts to their bridge club recently formed Thursday night of last week at their home.

The St. Patrick's motif was used in the bridge appointments and refreshments.

Awards went to Mr. and Mrs. Duke Wilson for high club score and Mr. and Mrs. Roy E. Aldwell for high guest score. H. V. Stokes received an award for high cut.

A salad course was served to Messrs. and Mesdames John A. Ward, Jr., H. V. Stokes, Bryan Hunt, Henry Decker, Lloyd Earwood, Duke Wilson and George H. Neill, members. Mr. and Mrs. Roy E. Aldwell were guests.

Club In Study of
American Art

Twelve Members Present For An Interesting Program

Presenting an interesting program on "American Art," the Sonora Woman's Club met Thursday afternoon of last week at the clubhouse.

Roll call was answered with names of American artists.

Mrs. O. G. Babcock talked on "American Painting" and Mrs. Hi Eastland discussed and named art museums in the United States.

Several violin numbers were given by Mrs. J. A. Ward, Jr.

An interesting discussion on "The Short Story in America" was given by Mrs. W. J. Wilkinson.

Twelve members including the new members, Mrs. Edgar Shurley, Mrs. W. J. Fields, Jr. and Mrs. J. F. Howell, were present.

PAST MATRONS WILL BE
GUESTS TUESDAY NIGHT

The past matrons of the Sonora chapter of Order of the Eastern Star will be honor guests at the stated meeting Tuesday evening at the Masonic Hall at 7:30.

The program will be: Addenda, "Our Yesterdays," by officers of the chapter; special songs, by Mr. and Mrs. J. C. Stephen; "Tribute to Woman," reading by B. W. Hutcherson, and past matrons' drill led by Mrs. B. W. Hutcherson.

A social hour will follow the program. Several guests from Eldorado are expected.

Valuable Acids in
Many Dried Fruits

Attention Should Be Paid To Preparation and Use

Denton, March 14.—The use of fruit in the diet is no longer looked upon as a luxury but as a necessity. At least two fruits should be eaten daily. Fresh fruit is to be preferred but when it cannot be secured dried fruits may be used to a good advantage.

The use of dried fruit has many advantages. They are within the reach of everyone the year round. It is especially during the late winter and early spring when fresh fruit is scarce that dried fruit holds an important place in the diet. They are inexpensive and for this reason can be used by everyone. They are important in the diet because of the valuable mineral salts and organic acids present. They are a good addition to the diets of both children and adults. They may be combined with many other foods. Cereals are especially good when combined with raisins, dates, and apricots. The juice left over from dried fruit may be used in puddings, sauces, gelatin desserts, sherbets, ices, cold beverages, or fruit salads.

Many people make mistakes in cooking dried fruits. In order to have a perfect finished product, they should be properly cooked. They should be washed thoroughly and then covered with cold water and allowed to soak for several hours. The fruit should be cooked in the same water in which it is soaked and kept at the simmering point until it is done. If sugar is to be added, it should be added when the fruit is nearly done.

Tell about it with a Want Ad

Mrs. Earwood
Contract Hostess
Monday Afternoon

Mrs. Lloyd Earwood entertained the Contract Club Monday afternoon at the home of her mother, Mrs. Nannie B. Wilson.

Guests for the afternoon were Mrs. John Hamby, Mrs. Fred Simmons and Miss Nan Karnes.

Members present were: Mesdames Mike Murphy, Will Wilkinson, S. R. Hull, and E. F. Vander Stucken.

High scores were held by Mrs. Wilkinson and Mrs. Hamby.

Mr. and Mrs.
Halbert Party
Hosts Friday

Entertaining their bridge club Mr. and Mrs. R. A. Halbert were hosts Friday night at their home.

Award went to Mrs. J. D. Westbrook for high among the ladies and W. C. Gilmore for high men's score. Collier Shurley received the award for high cut.

A salad plate, cake and coffee, carrying out the St. Patrick's plan, was served to Messrs. and Mesdames P. J. Taylor, J. D. Westbrook, L. E. Johnson, A. C. Elliott, W. C. Gilmore, Collier Shurley, Miss Ada Steen and George Wynn, members.

Guests were Mrs. John Fields and Mrs. Maysie Brown.

Mrs. Brasher
Hostess At
W. M. U. Social

Members of the Woman's Missionary Union met Monday afternoon at the home of Mrs. J. H. Brasher for a social hour.

After several interesting games were conducted, refreshments of tea and cake were served to:

Mesdames R. K. James, W. D. Martin, E. E. Stites, W. R. Nisbet, Hilton Turney, Ray Clark, Cyrus Ogden, A. B. Shoemaker.

J. A. Cauthorn, Frank Nixon, T. L. Harrison, J. T. Penick, W. M. McDonough, Hi Eastland.

Plans Being Made
For PTA Meeting

First Convention in Southeast To Be Held in May

Washington, March 14.—Plans for the thirty-ninth annual convention of the National Congress of Parents and Teachers—April 29 to May 3, Miami, Fla.—were developed at a meeting of the convention program committee in Washington, D. C., recently.

Mrs. B. F. Langworthy, national president, and Mrs. Hugh Bradford, chairman of the Convention Management Committee, and the following members of the National Board were present: Mrs. J. K. Pettengill, Mrs. Hamilton Shaffer, Mrs. Raymond Binford, Mrs. Simon S. Lapham, Mrs. J. W. Faust, Mrs. Frederick M. Hosmer, and Mr. and Mrs. E. C. Mason.

The convention program is based upon the theme, "Home—the Index to National Life." Convention speakers and conference leaders will contribute toward developing this theme.

Since this is the first National Congress convention to be held in

Light Blues "Good"
in Spring Fashions

Two-Piece Effects Most Popular With College Students

Denton, March 14.—What's new in spring dresses? Of course with suits and cape ensembles "all the rage" now, very little thought has been given to frocks worn without coats. But with the first week of spring just a few weeks off, and the matter of bridge luncheons and informal parties coming up, attention is gradually turning to the afternoon frock.

Colors play one of the most important features in the parade of spring dresses, and foremost among suggestions on the color chart are the light blues. These tones, so easily combined with the black or brown of your coat for cooler days, and delightful with navy, give a rich smart appearance. Different shades of red that vary from a fuchsia and scarlet to a dusty pink are also popular with spring designers.

The two-piece dress or a two-piece effect is leading among young girls at Texas State College for Women. Trimmed with openwork, inserted lace or artificial flowers, both unusual and intricate designs can be secured. Some dresses display cunning little bows that creep out from the edge of a round collar, and others show Passementerie edging large circular revers and capes.

It isn't hard for the smart girl to select a spring frock that will be in keeping with her personality. For the vivid type, brilliant hues of the leading colors cannot be bettered, and for the whimsical personality blues, beiges and relating shades are recommended.

the far southeast, a large number of members and visitors are expected to attend. Full details concerning the convention, transportation facilities and hotel accommodations may be obtained from headquarters of the National Congress of Parents and Teachers in Washington.

Two Sonora Ladies
Attend Ozona Meet

May Parent-Teacher Meeting To Be in Sonora

Mrs. W. C. Warren, president, and Mrs. S. T. Gilmore, vice-president-at-large, were representatives of the Sonora Parent-Teacher Association at the Inter-County Council No. 29, Texas Congress of Parents and Teachers, which met Saturday at Ozona.

An interesting program was presented at the all-day session to which the general public was invited.

Mrs. Robert Milligan of Eldorado was elected council president for the coming year.

The council is composed of Parent-Teacher Association representatives from Irion, Crockett, Schleicher and Sutton counties. The next meeting will be held in Sonora the second week in May.

ARTISTS PLEASE AT
HIGH SCHOOL WEDNESDAY

Playing to a small but appreciative audience La Marr Chapman, pianist, and John Miller, Jr., violinist, both of San Angelo, entertained in a concert in the high school auditorium Wednesday night.

The program, under the sponsorship of Sonora Music Club, was the first of a number that it is hoped to bring to Sonora. Miss Marie Watkins made a short talk in which she expressed the pleasure of the club with the cooperation which it had received in presenting the two artists, one of whom, John Miller, is only eleven years old.

Following the concert a reception was held at the Home Economics Cottage, next to the high school building. Punch was served.

In next week's issue of the NEWS a review of the numbers played by Mr. Chapman and young Miller will appear.

If it's printing, see the NEWS. Phone 24.—adv.

MRS. TOLLIVER'S FUNERAL HERE FRIDAY AFTERNOON

Services were conducted here Friday afternoon for Mrs. Cora Tolliver, wife of Charlie Tolliver, who died in a San Antonio sanitarium Thursday.

Mrs. Tolliver who was nineteen years old was born in Sonora Oct. 22, 1915. She was the daughter of the late Dan Sessom. Besides her husband she is survived by her mother, four sisters and four brothers.

The funeral was conducted by the Rev. Frank Nixon, pastor of the Baptist Church. Pallbearers were: J. D. Lowrey, C. W. Taylor, Newt Poteet, Duart Archer, Frank Smith, Alvis Johnson.

Burial was in Sonora cemetery.

The NEWS will print it for you.

Cattle Brands of Texas Being Sought

Museum to Have Trail Drivers' Patio in San Antonio

San Antonio, March 14.—Texas coat-of-arms—those cattle brands as significant of the great ranch families of pioneer Texas as was the heraldry emblazoned on the shields of knights of old—are to be featured in a frieze along the walls and stamped in the floor of the Texas Trail Drivers' Patio, erection of which is proposed by the Witte Museum here, an institution interested in the preservation of the history of the early Texans.

It is desired to complete it in time for the official opening day of the Texas Centennial celebrations in 1936. An appeal has been issued by the director, Ellen Schulz Quillan, to everyone in Texas, qualified to do so, to send in their cattle brands.

"We do not need your branding iron, although we would like to have that too, for the branding iron collection," she explains. "Just draw the design of your brand and write us the county in which it is recorded, the date, by whom and anything else that is interesting about your brand. This date we will print in a brand book to be used as a souvenir for visitors."

In the frieze in the patio the brands will be divided into periods from the earliest to the latest. Many are now in the possession of the museum, the earliest there being that of the forebears of Dr. and Mrs. Ralph Jackson, "JW" of date 1826 and brought to Texas from Louisiana by the original owner, Taylor White, and now registered in Chambers county.

Not only cattle brands, but also heirlooms and relics of the early Texas days are desired by the museum, which long has been in need of expansion. It is full to the brim, explains the director but not too full to add those precious heirlooms many always intend to give to such an institution.

Lubbock Lightens Relief Load
Lubbock, March 14.—With 4100 acres of Ellwood estate land bought and \$102,522.50 paid, Lubbock's rural community project was assured last week. Removal of 400 families from Lubbock's relief rolls will result from the project, the largest in Texas.

DOLLAR BILL ON POSTCARD ARRIVES AT TREASURY

Washington.—Attention Diogenes! A lot of honest men figured in this one.

Believe it or not, a one-dollar bill pinned to a postcard has been received at the White House.

"If you receive the dollar that has been pinned to the card, then confidence in gold has been restored and love of money is vanishing."

Don't advise a fellow not to do what he has already done.—Dean E. V. White.

Motor License Plate Colors for Year Told

Washington.—Thirty-three states and the District of Columbia will change color schemes on their 1935 license plates, an American Automobile association survey has disclosed.

Black, green and blue will predominate on the new plates, the A. A. A. said. Thirteen states will retain their 1934 color motifs, reversing numerals and background.

Arizona and West Virginia, however, will not alter their present scheme.

Black and yellow, found by the bureau of standards to offer good visibility, will be used in five states—namely, Colorado, Florida, Kentucky, South Dakota, and West Virginia.

Four states will employ white on green, white on blue, and black on white motifs, while three will use orange on black, blue on white, and white on black.

Arkansas plates will have blue on cream; Delaware, colonial blue on old gold; Indiana, black on robin's egg blue; and Minnesota gold on maroon.

The District of Columbia, which has favored a black and yellow combination for seven years, will have a green on white motif in 1935.

Fence Post Trees Now Used to Make Violins

Oklahoma City, Okla.—Back in '98, young Farmer M. J. Smith planted a row of catalpa trees on his place down south of Hog creek. He intended to cut them down in a few years and make fence posts with the wood.

Most of them went that way.

But a few were left standing. The farmer, now sixty-one and retired, has started chopping them down to make, not fence posts, but violins. It was just a notion he had that the tough white wood would make good sounding boxes for fiddles.

The violins he makes have an excellent tone.

Mustard Weed Prevents Erosion in Fire Areas

Missoula, Mont.—"Mustard plasters" may be applied to fire-swept acres of Montana forest lands to prevent flood erosion.

The practice of planting mustard weed in burned-over areas has proved highly efficient in checking floods in California.

United States foresters here may decide to follow the California program to launch a speedy revegetation program, according to advices from Washington.

This Aermotor Windmill Has Seen 35 YEARS OF SERVICE

This 16-foot Aermotor Windmill on the Word Ranch, Sutton County, has been in continuous service since its sale and erection in 1900. It now has a Self-Oiling Motor, but with the original wheel and other parts.

The mill is still in daily operation and is good for many more years of service!

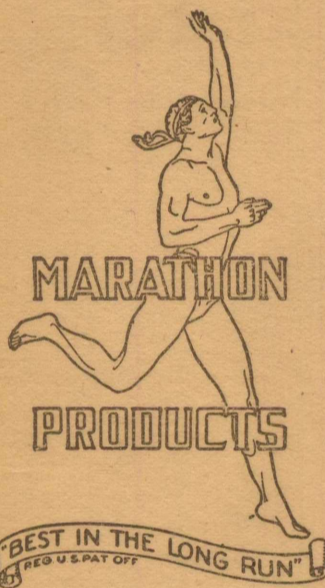

The long service given by this Aermotor is NOT an exceptional case! We can tell you others, and will do so in this space from week to week.

Free Cooking School

MONDAY **TUESDAY**
April 8 **April 9**

2 to 4 p. m.

in the High School **AUDITORIUM**

ONE of the red-letter events of the year for women is coming. A cooking school it is, to be sure, but what a cooking school!

This year's cooking is done in a kitchen much different from that of grandmother's day. There are hours and hours less time needed in cooking—there's less work and more fun. Today's kitchen is a real "Happy Kitchen"—or ought to be. If your three-meals-a-day seem just a succession of toast and eggs and potatoes and roast beef and pie, our Cooking School is made to order for you! If you've already found the secret to pleasure and fascination in mixing dainty new dishes and dressing up the old stand-bys in colorful new fashions—you'll love the Cooking School just as much.

There will be romance—mapping of uncharted seas of the kitchen—at the Cooking School. Each session will glow with new ideas, appetite thrillers, the simple secrets that make cooking happier and easier.

We invite you to hear dozens of practical suggestions that make kitchen hours more fun and more joy—to see demonstrated before your very eyes those inspired touches that raise the meal and its preparation to the realm of a happy adventure.

Remember—everything shown in our Cooking School has been tried and tested by a whole staff of "Happy Kitchen" experts. Months of planning have gone before. There are two afternoons of enjoyment in store for you—come as our guest!

The Cooking School will be under the personal supervision of

Mrs. **JOHNETTA HOWARD**
noted "Happy Kitchen" expert

Council-Wide Rally
 San Angelo, April 26-27

RATTLESNAKE PATROL

We had our regular meeting and elected officers. It was decided not to collect dues. A place and time for regular meetings of the Patrol will be announced soon.

Reggie Trainer,
 Patrol Leader.

FLAMING ARROW PATROL

Officers selected recently to direct the work of our patrol are: Wesley Sawyer, Patrol Leader; Lewis Davis, Assistant Patrol Leader; Hollis Bricker, Scribe; Lloyd McGhee, Hikemaster; Clayton White, Quartermaster; Sam Odom, Collector.

Wesley Sawyer,

FLYING EAGLE PATROL

We met Wednesday afternoon. A very comfortable "den" has been given us by Mrs. W. J. Fields and we are fixing it up with the aid of Mrs. Alvis Johnson. Dues have been assessed in order that we may buy equipment.

A. W. Await,
 Patrol Leader.

RALLY PLANS UNDER WAY

Friday and Saturday, April 26 and 27, have been definitely selected as the dates for the First Annual Council-wide Boy Scout Merit Badge Exposition and camparall of the Concho Valley Council, according to W. D. Bradley of San Angelo, general chairman of the affair which is to be sponsored by the American Business Club of San Angelo.

More than 1,000 Boy Scouts residing in the council area are being invited to participate and to compete for awards and cash prizes.

The American Business Club for the last several years has sponsored a San Angelo merit badge exposition and this year decided to put it on a council-wide basis.

Already queries have reached Boy Scout headquarters, in the Western Reserve Building at San Angelo, about the exposition and all Scout leaders will be notified at once how their troops may be entered.

Scout executives point out that through such expositions members of Boy Scout troops are given the opportunity to take part in a mass activity and the individual Scout has a chance to show his ability.

A small admission fee will be charged to take care of the expenses of the exposition and plans are being worked out now for the sale of tickets through the troop organizations, the troops to share in the proceeds in direct proportion to the number of tickets sold.

Sonora District will start a rally, April 13, Saturday, preliminary to the council-wide affair. Sonora, Eldorado, Ozona and Station B troops will participate.

IN MEMORIAM

On Feb. 11, 1935, Brother Ira L. Wheat passed from this earthly home to another.

That Sonora Chapter suffers the loss of a faithful Brother, his children a loving father and his friends a good comrade.

Sonora Chapter extends its sincerest sympathy to each of them in their sorrow. They will miss his happy smile and guidance, but with a promise to meet again.

Be it resolved:
 That a copy of these resolutions be sent to each member of his family, one for publication and one be spread upon the minutes.

"May the chain of Our Order Oft broken

Be found, with each bright link of gold.

So tried by the lesson of Earth life

As to shine with a radiance untold.

O, there is the country, supernal
 Whose grandeur no mortal has seen

May we meet and walk by still waters

Mid pastures of Heaven's own green."

Fraternally submitted,
 E. Lucille Hutcherson
 Jessie Johnson

**Gas Wasted Daily
 Increases in 1934**

"Lost" Gas in Panhandle Has Power of 70,000 Tons of Coal

Austin, March 14.—The total wastage of natural gas in 1934 in the Texas Panhandle increased 76 per cent over that for 1933, it is apparent from the data supplied by the United States Bureau of Mines, declares Elmer H. Johnson, regional economist for the University of Texas Bureau of Business Research.

"In 1934 the total production of natural gas in the Texas Panhandle amounted to 876,000,000 cubic feet," Mr. Johnson said. "This sum was 46 per cent greater than that for 1933. Of this vast quantity it is estimated that 483,000,000 cubic feet were wasted in 1934, as compared with a total wastage of 275,000,000 cubic feet in 1933.

"On January 1, 1935, it was estimated that the wastage in the Panhandle amounted to 1,600,000,000 cubic feet daily—or a quantity roughly equivalent to the wastage of nearly 70,000 tons of coal daily.

"Furthermore, quoting a bureau of mines statement: 'The current production of natural gas in the Texas Panhandle is about 2,700,000,000 cubic feet daily, of which about 60 per cent is wasted.'"

NUMBER OF WORKERS IN TEXAS SLIGHTLY LARGER

Austin, March 14. — Reports from 1,520 representative Texas business establishments indicate a total of 72,493 workers employed during the week ended February 16, a decline of 1.6 per cent from the corresponding week in January but a gain of nearly 1 per cent over the similar week last year, according to the University of Texas Bureau of Business Research.

Total payrolls for the week aggregated \$1,641,000, gains of 1.7 per cent over the comparable week in January and 7.4 per cent greater than the corresponding week of February, 1934. Industries showing gains in the number of workers over both the previous month and February of last year were: Brick, tile and terra cotta; cotton compresses; flour mills; furniture manufacturing; hotels; ice cream factories; millwork.

ED L. MEARS, SENIOR AT A. & M., POPULAR BOY

Selection as one of the five most popular boys on the A. & M. campus was the honor recently accorded Ed L. Mears, son of Mrs. Ed Mears of Menard, a senior at the state educational institution.

He is a brother of Mrs. Joseph Vander Stucken.

Mears will be graduated in June. During his years there he has been vice-president of freshman, sophomore and junior classes. He is now captain of Company H, Infantry, of which he was top sergeant last year. When only a freshman he was selected as the best drilled cadet of his company.

LA VISTA PROGRAM TODAY FEATURES WESTERN STAR

Overhauling of sound equipment and absence of Mr. and Mrs. Hix Hall from the city Wednesday and Thursday will account for there being no La Vista program either of those days.

Today and tomorrow Buck Jones will be seen in a thrilling Western, "Rocky Rhodes." The serial, "The Red Rider," will be a part of the same program. Sunday and Monday "The Band Plays On" featuring Robert Young, Stuart Erwin and Betty Furness will be the entertainment "fare." On Tuesday "365 Nights in Hollywood," a comedy-musical, will be offered.

LOCAL WOMAN ATTENDS ABILENE CHURCH MEETING

Seven hundred representatives of fourteen Church of God organizations met in Abilene Sunday for a church rally and old, resigned preachers' reunion, according to Mrs. Mamie Blanks who returned Sunday night from the session.

Mrs. Blanks was accompanied to Sonora by Miss Eva Leta Tucker who will be her guest for three weeks. The two will then return to Abilene for another church rally.
