## Hull, Aldwell, Mears Will Get Degrees at A. & M. Tonight

Bachelor of Science Recognition To Be Conferred by F. M. Law of Houston

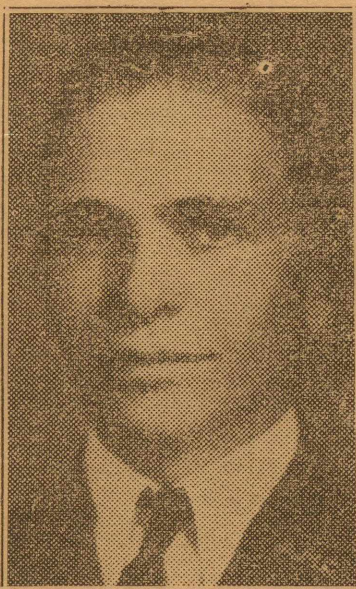

Among relatives and friends of Hull, Aldwell and Mears who will attend graduation programs in College Station are:

Mrs. Fred Hull and daughter, Mrs. C. C. Smith; Mr. and Mrs. Roy E. Aldwell; Miss Martha Bundy of Roosevelt; Mr. and Mrs. Joseph Vander Stucken.

### Special to the NEWS

College Station, Tex., May 30.—Among the 300 candidates for degrees at the fifty-ninth commencement at Texas A. & M. College this year are Lea Roy Aldwell and John W. Hull of Sonora, and E. L. Mears of Menard.

Aldwell is the son of Mr. and Mrs. Roy E. Aldwell of Sonora, Hull, the son of Mr. and Mrs. Fred

JOHN HULL

Hull of Sonora, and Mears, the son of Mrs. Emma Mears of Menard. Mears is a brother of Mrs. Joseph Vander Stucken of Sonora.

All three are candidates for the degree of bachelor of science, with their major subject as follows: Aldwell, agricultural administration; Hull, electrical engineering; Mears, agriculture.

During this last school year Hull has been captain and commander of Company A, Signal Corps. Last summer he took special training at Camp Bowie, near San Antonio.

Aldwell has been first lieutenant and second in command, Troop C., Cavalry, since his 1934 summer training at Fort Clark, Brackettville.

Mears is Captain of Company H, Infantry. This year he was selected as one of the five most popular students. He was presi-

dent of the freshman, sophomore and Junior classes while a member of those groups. When he was a freshman he was chosen the best drilled cadet of his company.

Governor James V. Allred will deliver the commencement address Friday night, May 31, and F. M. Law, Houston, president of the college board of directors, will confer the degrees. Following the conferring of degrees, President and Mrs. T. O. Walton will hold informal reception for members of the senior class and their guests.

## SONORA LIONS ATTRACT NATIONAL PUBLICITY THROUGH MAGAZINE

DRN PHOTO

When all of the city officials and the attorney doing legal work for the city belong to one civic club that's "News" and makes them worthy of

having their picture in a national magazine. At least so thinks the editor of "The Lion," who recently ran this picture, a Devil's River News photo. The men, from left to

right, are: Vernon Hamilton, commissioner; Alfred Schwenning, commissioner; George E. Smith, city manager; W. C. Gilmore, mayor; George Wynn, attorney.

## Gus F. Meckel, 41, Buried Here Sunday

Brother of Local Men Lived Here Until 17 Years Ago

Death came Friday night in Odessa to Gus F. Meckel, brother of Ben F. and Harry Meckel of Sonora and a son of August Meckel of San Angelo.

Funeral services were conducted Sunday afternoon at the Baptist Church here by the Rev. Frank Nixon.

Mr. Meckel, seven years younger than his brother, Ben, here, was born Dec. 26, 1893, in Mason county. He spent his boyhood in that county and in Sutton where he came with the Meckel family in 1900. As a young man he lived with his father on what is now the W. A. Miers home ranch and later leased the Hillary Phillips ranch on the Juno Road below Aldwell Bros.

About seventeen years ago Mr. Meckel went to the Pecos section where he has been ranching. In recent years he made his home in Carlsbad, N. M. He had been ill in Odessa for about two weeks.

Besides the brothers here and his father in San Angelo he is survived by his wife, to whom he was married three years ago, a step-daughter, Patsy, a brother, F. J., of Fort Worth and a sister, Erna, who lives in the same city.

Pallbearers were: L. W. Elliott, A. C. Elliott, Tom Sandherr, Bryan Hunt, Fred Simmons, Grady Lowrey, M. G. Shurley, Carl Morrow.

Mrs. Meckel and her daughter returned to Carlsbad Monday.

## Toy Boy and Tiny Comet in the Money

Rocksprings Horses Winning at Amarillo Races

Two firsts and a second have been secured by Toy Boy and Tiny Comet, 3-year-olds from the racing strings of Bryan Babb and Allan Moody, Rocksprings ranchmen, at the Amarillo race meet in progress this week.

Both of the horses, it is said, will be entered in the races at the Race Meet and Rodeo here June 27-28. They are in charge of Fred Smith of Mertzon, brother of George E. Smith, city manager.

In the first race Saturday, a three-eighths of a mile contest for 3-year-olds, Tiny Comet won in 37 seconds. The horses, Babe Ruth and Ned Hanger, were second and third, respectively. Purse was \$100.

Toy Boy took first in a half mile later in the afternoon when he defeated Little Brownie and Solo Flight to win in 49 2-5 seconds. Purse was \$100.

Tiny Comet placed second in a half mile race Monday and Toy Boy was third in a half mile Tuesday. The purse was \$100 in each race. Maddux is riding Toy Boy and Moore is the jockey astride Tiny Comet.

Mr. Moody owns Tiny Comet and Depression, another horse at Amarillo and which will be here, and Mr. Babb is the owner of Toy Boy.

Miss Muriel Simmons returned from Eagle Pass Monday. She was accompanied by Mr. and Mrs. Russell Martin of Del Rio who will visit here several days.

### LET'S HAVE A MORE ATTRACTIVE COURTHOUSE PLOT FOR SUTTON COUNTY

Formation of a county planning board made up of men who will be charged with the responsibility of considering practical projects which can be undertaken with a portion of the public works money soon to be available is commendable.

Citizens are asked to suggest community improvements to this group, which is to be made up of representatives of various organizations. They will then discuss the suggestions, decide whether they should be sought and if so make application for funds to carry them out.

The NEWS believes that the group should consider the possibility of erecting an ornamental retaining wall around two or three sides of the courthouse block and the filling in of the courthouse property.

Such a wall might well have been built into its benches facing on the sidewalk. Drinking fountains might also be built into recessed places in the wall.

The writer knows of such a wall built around a schoolyard in a town in another state. For years the yard in which the children played had been a ragged, uneven plot quite unsightly.

The wall, built in the day of Civil Works Administration activity, was five or six feet high, attractively constructed and gave to the entire property a unified appearance which it had lacked through the years. At one corner a three-sided recessed portion had seats for the convenience of passersby. A copper plate told of the means of construction.

Beautification work of various types can well be done if the foundation plot is in shape to take care of such work. With such a retaining wall as has been mentioned soil used in fill-in work can be expected to remain in place and, in the course of time, an attractive civic beauty spot can result of the potential material available now.

(Note: The NEWS will be glad to turn over to the planning board any suggestions or comments that its readers care to make regarding community improvements which should be discussed as possible works projects.)

### STATION A TEAM WINS FROM OZONA WEDNESDAY

Station A Sonora took the measure of Ozona in a baseball game here Wednesday afternoon by a score of 6 to 5.

Bill Fields, whom it is believed will soon be a member of the Station team, played second base.

Only seven innings were played. Ohlenburg hurled five innings for the Station A Sonora team and George E. Smith took the mound for two innings. Harris, former player of the Texas and big leaguers, pitched two innings for the visitors and Rabb the remaining frames.

Mr. and Mrs. Wade Rees of Center Point were the guests of Mr. and Mrs. Robert Rees Monday.

Since the following story was set in type the gauge at the Experiment Station has shown .88 and .91 as the precipitation Monday and Tuesday night, making the total for the year 9.85 inches—nearly 85 per cent of the total 1934 rainfall which was 11.64 inches.

Eight and six-hundredths inches of rain this year, up to and including Saturday, May 25, have been given to Sutton county between 67 and 68 per cent of the entire rainfall of 1934.

Records kept daily at the Ranch Experiment Station, in the eastern edge of the county, show the following as the rainfall records of January, February, March, April and May (to the 25th, 1935) for the two years:

	1935	1934
January	.46	1.59
February	1.54	.22
March	.33	2.23
April	1.58	.76
May	4.15	.45

Although the precipitation at the Station this year (8.06) exceeds that for the first five months of last year by 2.81 inches it is slightly less than that for the same months of 1933 and 1932 when it was 9.01 and 9.99, respectively.

The average rainfall, in the county, as determined by Station records from 1919 to 1932, inclusive, was 25.73 inches. In 1933 it dropped to 12.97 inches and the next year only 11.94 inches fell.

There have been only four months of May during the last sixteen years when the rainfall was less than one inch, according to a chart prepared by W. H. Dameron, superintendent, recently. In that time there have been two May months when over an inch fell, one when over two inches fell and nine when more than three inches of rainfall "blessed" Sutton county.

The rainfall so far this month is greater than in any month since May, 1933, when 6.52 inches was the recorded precipitation.

### FLOYD DUNGAN TO BE IN SERVICE STATION WORK

Operation of the Texas Company service station near Lowrey Draw will be started Monday by Floyd E. Dungan, Sonora resident for five years who succeeds W. S. Evans as manager of the business.

Mr. Evans was in charge of the station until a few weeks ago when work on the bridge over Lowrey Draw necessitated its closing.

Marketing a gasoline selling under the name of "Fire Chief" Mr. Dungan, chief of the Sonora Fire Department, laughingly remarked Wednesday that he would be in reality "the Fire Chief but not Ed Wynn."

Mr. Dungan came here from Marlow, Okla., and at the last election was elected justice of the peace. Until recently he has been employed by the state highway department.

Miss Ora Altizer returned to her home in Spofford Friday after visiting Miss Lyda Archer several days.

## Water Users Now To Pay \$2.50 Minimum Instead of \$2.75

Lower Rate in Form of Discount For Those Who Pay By Tenth of Month

Water consumers in Sonora who pay their statements for May service will make a saving if they pay before the tenth of June or mail their checks so that the postmark on the envelope is the tenth of June or before.

A reduction in rate schedule was announced Friday, May 17, by John Eaton, local manager, and K. D. Horton, manager of the water-works division of Interstate Public Service Co., Bay City, Texas, owners of the Sonora property which is operated under the name of Central West Water and Power Company.

For the domestic consumer the reduction, nearly ten per cent, will mean that his minimum charge will be \$2.50 rather than the \$2.75 he has been paying for 3,000 gallons.

The commercial rate schedule, under the new plan, will be \$2.50 for 3,000 gallons (the same as for the individual user) instead of the varying schedule of \$3, \$3.50, \$5 and \$6 as heretofore.

Water used in excess of 3,000 gallons, either by the commercial or individual user, will be sold at the following rate: next 5000 gallons 35 cents per 1000; next 5000 gallons 30 cents per 1000; all over 13,000 gallons 25 cents per 1000.

Commercial users of water who have been reaching the "fourth bracket" rate have been paying 30 cents per 1000 gallons and will now pay only 25 cents.

Mr. Horton pointed out Friday that the reduction is in the form of a discount offered to those who pay their accounts for monthly service by the tenth of the month following rendering of service.

The announcement by Mr. Horton and Mr. Eaton was made after they had appeared before city officials Thursday night and announced the reduction that was to be made. W. C. Gilmore, mayor, said this week that the commission was told that the new plan was to be in effect for one year, after which time it would be determined whether the new schedule should remain in effect or be revised.

## Sonora Commission Plans Water System

Engineer Will Prepare Information For Federal Application

City officials this week stated that a contract would probably be made the first part of next week with Hans R. F. Helland, consulting engineer of San Antonio, to make a survey preliminary to filing application for federal funds for building a municipal water system.

At a meeting of the city officials Saturday night Mr. Helland was told to proceed with the drawing up of a contract stipulating that the city will pay his expenses, not to exceed \$250, in preparing estimates, reports, maps, etc., necessary in filing application for federal grant.

Mr. Helland met with the commission at a called meeting May 13 and explained the projects various towns were undertaking in the way of municipal improvements, made possible with federal works funds.

The proposal of Mr. Helland is that all of the fee paid for the preliminary work will apply on the engineering fee for the actual work of supervising construction if he is given that work.

### Homecoming Dance Planned

Sonora firemen are planning another of their regular dances for the night of Friday, June 7. Special features and decorations are being planned as it is expected that a large number of college students who will be home for vacation will attend. Harrison's Texans of San Angelo will play.

Dorothy May and Betty May of Lampasas arrived Sunday to visit their aunt, Mrs. H. V. Stokes, and Mr. Stokes.

## Bridge Contractors Lose When Torrent Washes Out Forms

Total of 2.78 Inches of Rain Falls in Town During Monday and Tuesday Nights

Several hundred dollars damage was done form work built by Buckner Bros., bridge contractors, as a result of water coming down Lowrey Draw after rain Monday night and again Tuesday night.

Precipitation in town Monday night, according to W. R. Barnes, was 1.09, the following night 1.69 inches fell.

Workmen were busy Thursday cleaning reinforcing steel and preparing to erect new forms for the pouring of more concrete. Early Wednesday morning enough water was flowing over the bridge work to conceal completely steel which later in the day could be observed protruding above the water.

At the E. E. Steen headquarters ranch, at the head of Lowrey Draw, it is estimated that five inches fell this week. The Steen garden was washed out and some road damaged.

George E. Smith, city manager, stated that a portion of sewer pipe had been washed out as a result of the rain this week. Footings of the bridge over Lowrey Draw were washed considerably and considerable pressure was thrown on the cable which anchors the bridge to a mesquite.

Traffic was held up during most of Tuesday as a result of the high water and washing out of the crossing at the detour being used while bridge work is being done. Highway department workers, who are maintaining the detour, had the crossing passable Tuesday afternoon.

When form lumber washed from the Lowrey Draw work early Tuesday it was found by S. A. Kimbrell, general foreman, lodged against the railroad trestle farther down the stream. To save it from pillaging he had small boys dislodge it, only to learn that after it had floated farther down men were sending other small boys in the water to retrieve it.

## Station A Players Lose To Ballinger

Local Team Has Two More Games in First Half of Season

Ballinger, tail-ender in the Concho Basin League, Sunday defeated the Station A Sonora team to the tune of 3 to 1 while Veribest "found" the league-leading Ellis Parts, San Angelo, team for a 3 to 1 victory.

Sunday Station A Sonora plays Veribest in Veribest.

Games played Sunday changed the "complexion" of the league standing in this fashion: San Angelo, .711; Veribest, .600; Station A Sonora, .500; Ballinger, .400; Miles .333.

Only a few more games remain in the first half of the season which ends June 9. Station A Sonora plays in Veribest Sunday, Miles comes here the next Sunday and the Station A Sonora schedule will be completed for the first half. San Angelo has only one game remaining—the one Sunday with Miles.

### ALDWELL BROTHERS SELL WOOL AT 26 5-8 CENTS

Purchase Monday of the Aldwell Bros. wool clip of some 40,000 pounds by Tom Richey of A. W. Hilliard and Son, Boston, brought that buyer's purchases, at that time, to more than 12 million pounds of wool and mohair since January 1.

The price paid was 26 5-8 cents.

### Boy Born To Francis Woods

A boy, who has been named Thomas Farrar Wood, was born at the Shannon Hospital in San Angelo Tuesday to Mr. and Mrs. Francis J. Wood of Sonora. He weighed eight pounds. The Woods have one other child, Diana Jo.

Mr. and Mrs. Ned Friend of Big Lake spent Sunday with Mr. and Mrs. W. R. Gilliam.

**BAPTIST MEN TO FORM LAYMEN'S ORGANIZATION**

Organization of the men who are members of the Baptist Church will be effected at a dinner meeting Friday night, June 6, at 7:30 at the church, according to an announcement by the pastor, the Rev. Frank Nixon.

The organization meeting is an outgrowth of a meeting of a small group recently and is in line with the denomination's laymen's organization work.

The Rev. A. J. Quinn of Eldorado and the Rev. N. E. McGuire, pastor, Immanuel Baptist Church, San Angelo, are to speak on the program which is being arranged.

**Dealers in Mohair and Wool May Be Licensed by AAA**

Proposal Would Confine Handlers To Consignment or Buying Exclusively

College Station, May 30.—A proposal to license dealers in wool and mohair, under which certain trade practices which act to reduce returns to growers would be prohibited, is being considered by the Agricultural Adjustment Administration. Hearings on the proposed license will begin July 2.

One hearing has been scheduled at San Angelo for July 29 and 30, and other hearings will be held as follows: July 1 and 2, Boston; July 8 and 9, Denver; July 11 and 12, Billings, Montana; July 15 and 16, Portland, Oregon; July 18 and 19, San Francisco, California; July 23 and 24, Salt Lake City; August 1 and 2, Kansas City, and August 5 and 6, Columbus, Ohio.

Texas ranks first among the states in the number of sheep and goats and also in the production of wool and mohair.

Sheep on Texas farms numbered 7,644,000 on January 1, 1933, according to an estimate of the United States Department of Agriculture. This was approximately 14.7 per cent of the sheep in the United States. Texas also has about 83 per cent of the Angora goats of the United States and produces a like percentage of mohair. Figures from the United States Department of Agriculture for 1934 show 7,608,000 sheep were shorn in Texas in 1934 and that 60,485,000 pounds of wool were shorn.

The two provisions of the license that are of particular interest to growers are the one requiring a licensed dealer to confine his transactions either to consignments, or to outright purchases, and the other which would base deduction for "tags" and other off-sort wool on actual condition of the lot, and not on a flat average basis.

The first provision, it is said, would remove the grower's fear that the products to which he has title may not be marketed as advantageously as products to which the dealer has acquired title. The second would remove the dealer practice of giving arbitrary flat average deductions from the basic price for "tags," but would require them to base any deductions on the actual condition of each lot of wool.

**Business Failures Greater**

Austin, May 30.—An average of six commercial failures per week were reported in Texas during April, the same number as in March, as compared with five per week in April last year, according to the University of Texas Bureau of Business Research. Average liabilities per failure during April were \$10,826, a decrease of 22.3 per cent from March and 12.5 per cent from April, 1934.

Texas sold 100,000 square miles of land, comprising portions of Oklahoma, Kansas, Wyoming, Colorado and New Mexico, to the United States government for \$10,000,000.

**It'll Take Many An Egg To Feed Scouts**

Statistician "Hound" Asks a Few Questions About Jamboree

Washington, May 30.—Supposing that three pancakes, laid one on top of another, make a stack one-half inch in height (not counting the thickness of the butter and the syrup that each boy might interlard between each cake). Then the entire baking of pancakes that will have to be provided for a single breakfast of the 30,000 Boy Scouts who will be encamped at their National Jamboree, in Washington, this coming August, will make a single stack of pancakes more than twice as high as that tallest structure of masonry in the world, the Washington Monument.

Imagine a single Boy Scout starting at the bottom of such a pancake stack, and privileged to eat just as high up as he chose, how far up will he have gotten by bedtime?

That same Jamboree encampment will require 70,000 eggs for every meal when eggs are served, say for some one other day's breakfast. Laid end to end (or one should say placed, as the hens will do the laying) these 70,000 eggs would stretch over a distance of two mile and still have over a thousand more feet to spare. If you want a little piece of really clever figuring to do, just imagine the volume of sound that will issue from the 70,000 layers of these 70,000 eggs when they cackle simultaneously the joyous announcement that another egg has been born into the poultry world. And if these 70,000 "humpty-dumpties" all "had a great fall" at the same time and into the same pool, how much of an omelet would it create? And if laid on a huge plate, and as flat as the ordinary omelet, how many Boy Scouts could sit around that table? You figure this out; but don't hurry.

## Lights of New York

By L. L. STEVENSON

Time was in the fashionable sector, when no evening at home was considered complete without an after-dinner game of caroms. But in the post war flurry, with apartments and hotel dwellings taking the place of mansions, the billiard table, once as important a piece of furniture as the grand piano, was relegated to the storage warehouse. It remained for a group of the younger social set to do something about it. So quarters on the seventeenth floor of the Waldorf-Astoria were leased and four tables installed. Hence the Carom club. The board of governors includes such names as the John Jacob Astors, Princess Dolly Oblensky, Mrs. Duke Biddle, the F. Bartholomay Jelkes, the Philip Kip Rhinelanders, the William C. Porters and the William D. Whitneys. There are also other names that sound as if listed on pages torn indiscriminately from the Social Register. So a pastime of the Mauve decade is at least on its way back.

Increased leisure, some brought about by President Roosevelt's New Deal and some enforced, has occasioned new interest in indoor games. For instance, at the toy fair, more table and parlor games for adults are shown this year than ever before. Many, of course, are new. Others are old reliables played by our mothers and fathers and even our grandmothers and grandfathers. For instance, one of the big department stores reports that the demand for dominoes is still constant. Checkers are played on Park avenue as well as in firehouses and general stores. At a little affair on Park avenue the other evening, the hostess brought out parchesi boards and a good time was had by all. Have not encountered tidely winks yet but wouldn't be surprised to run into that dimly remembered pastime any evening.

Speaking of old-time pastimes, there are those pinochle games in a second floor upper Broadway restaurant that have been in continuous session each night for the last thirty years. Walters who started to attend the players as mere boys are gray-haired now. Asked one if wives didn't object to their husbands being away every night and the reply was that they didn't because they knew where their husbands were. The games are closed to outsiders and one player is said to have waited twenty years for a vacancy. Some of the on-lookers have been in their chairs more than a decade and have developed into probably the most expert kibitzers in town.

The latest patron of the arts is none other than Billy the Oysterman, who has been looking after the appetites of the epicures of Washington square ever since he learned what an oyster looked like. Believing that struggling young artists should have a place to display their best works, he so arranged things that a group both from this country and abroad could exhibit their works on the walls of his East Twentieth street establishment and that's the reason for the outdoor show now in progress. It is the oysterman's hope that some patron will come along and discover among the etchings, water colors, etc., a "pearl of price," which is something he hasn't done in all his years of experience with oysters.

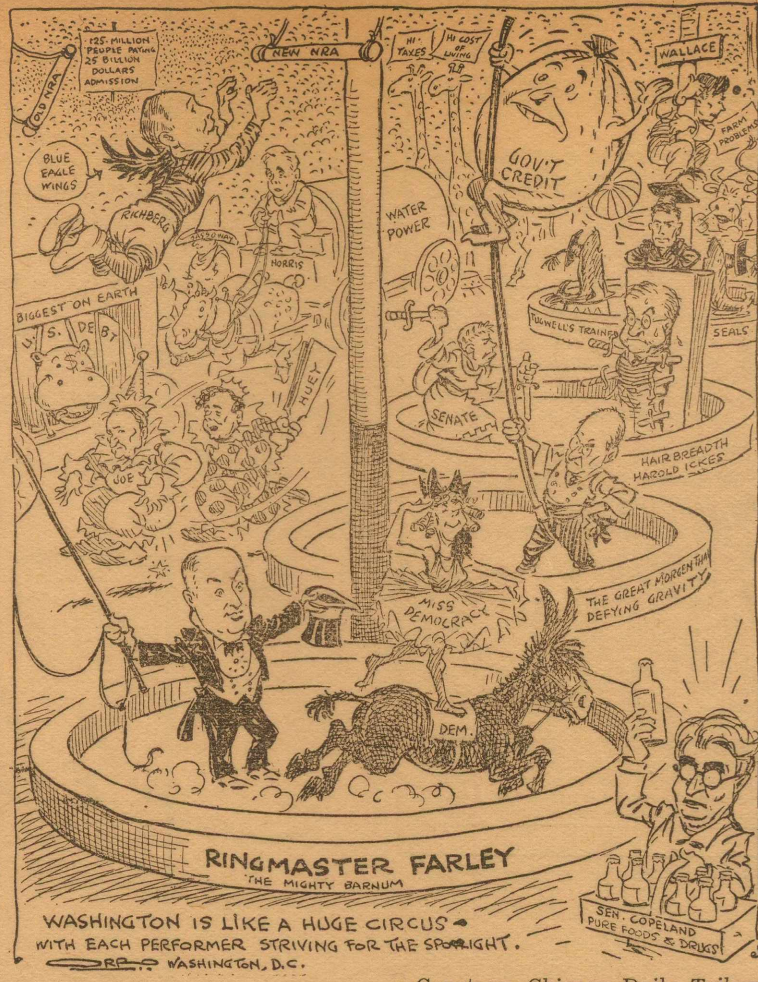

This yarn was told to me as a fact: One of those Washington square strugglers came home the other evening and found that his infant daughter had played with the work on his easel—a scene of the square on which he had spent many hopeful days. As he was surveying the sad smear, a friend entered with a moneyed up-towner. The up-towner took one look at the ruin on the easel and bought it, holding that it was just what he wanted to round out his collection of moderns!

Box office eavesdropping reported by Rollo E. D.: Man: "Two in the orchestra, please." Clerk: "Sorry, there are only two singles left." Woman: "They'll be all right if they're together." Man: "Never mind, we'll go to the movies."

A report has it that because Dennis King does so much horseback riding out at Great Neck, the management of "Petticoat Fever" has insured his life for \$25,000, thus protecting themselves against loss should he be killed. Right thoughtful, that!

**Printing on Peanut, Vendor's Tax Worry**  
Seattle, Wash.—Just how can you print upon a handful of peanuts: "The 2 per cent state sales tax has been prepaid upon this commodity." That is what's worrying machine operators in Seattle, who, according to law, can prepay the sales tax on their products, when the tax becomes effective in July, but must print upon them the fact that the tax has been paid in advance.

### Lions Choose Three As Their Delegates

**W. E. Caldwell To Represent Club On Planning Board**

The president-elect of the club, John Eaton, J. D. Lowrey and N. R. Kennedy were selected Tuesday noon by the Lions Club to represent the Sonora organization as official delegates at the international convention in Mexico City July 21-24.

Alternates chosen were H. V. Stokes and W. R. Cusenbary. A third is to be selected at a later date.

Hillman Brown explained a proposed trip by bus from Del Rio to Mexico City which is being planned by a business man of Val Verde county.

Permission was granted the Panhandle and Santa Fe Railway to supply a speaker at the June 11 luncheon. The week of June 10-15 is to be known as "Railroad Week" and promotion of railroad business will be emphasized by western railroads during that period. Daily newspapers and magazines have been used recently as advertising media by western railroads. The campaign is to be concluded by the special "Railroad Week."

W. E. Caldwell was nominated and elected by the club as its representative on the county planning board, suggested by the Texas Relief Commission as a group which

should plan worthwhile projects to be undertaken with federal works funds which are to be available.

Two solos, "Lazy River," and "Oh, Susannah," were sung by A. W. Awalt, Jr. Mrs. Preston C. Lightfoot sang and also played a two-piano number with Miss Elizabeth Francis.

Edgar Shurley was appointed to serve on the committee in charge of the club's work of arranging for and serving a free barbecue the first day of the Race Meet and Rodeo, June 27.

### TEAS TEST HOLE PLUGGED AS NEW WELL UNDER WAY

Casing was pulled and the hole plugged the latter part of last week for the Paul C. Teas No. 1, Sutton county well which has been in the process of drilling for the last several months.

A depth of 4930 feet was reached. From the 4525-foot depth the formation had been Ellenberger lime. The hole was in Section 39, Block 5, T. W. N. G. Ry. Survey.

Spudding in was completed Friday of last week for the 4000-foot test which is being drilled on the Patterson-Rieck ranch in Kimble county. It is in the northeast corner of Section 1, D. & P. Ry. Co., Abstract 915. Richmond Drilling Co., Big Spring, has the drilling contract and H. M. Reigle, one of the company's owners, is in charge of the work.

The deepest oil well in the world is in Reagan county, Texas. It reaches a depth of 2 miles.

**April Car Sales Fewer**  
Austin, May 30.—Sales of new passenger cars in fifteen representative Texas counties during April, totaled 5,357 cars, 17 per cent below those of March but 8 per cent above those of April, 1934, according to the University of Texas Bureau of Business Research. Aggregate sales during the first four months of 1935 were 21,497 cars, 44 per cent above the corresponding period last year. The highest price bracket was the only group to show a gain over March. The increase in sales in this group during April was 135 per cent over the previous month.

**INTERESTS OF BOYS AND THEIR ADULTS SHOULD BE CONSIDERED**

No ordinary Scout troop those boys forming Troop 19, Sonora.

They do things and usually they do them well enough that a group of judges decide that they do them better than their fellows who come from other towns.

Troop 19 deserves a better meeting place than that supplied them by the Scout Hall as it is. It needs a building which will provide a place for troop meetings each week and also for patrol meetings. Rooms for equipment should be available.

The NEWS believes that efforts Scout Hall property and to revamp it into an attractive home for under way to secure title to the boys are commendable. Rock veneering on the outside and the building of a foundation for the structure will make it an attractive building in which the boys will have pride. The surroundings of the building might well be improved then by the boys themselves.

The hall is the only place in town where dances may be staged. The NEWS believes that whatever plans are made in regard to securing the building for use of the Scouts should include provisions for permitting them to rent the hall for the holding of public dances.

Whether or not one believes in dancing is beside the point. The NEWS feels that the considerable number in this section that do enjoy that form of recreation should be considered and provided a place for the enjoying of their amusement.

**SOUVENIR HUNTERS FEEL THEY ARE NOT "WITHIN" THE LAW**

Souvenir hunting has a history, to which this generation has no intention of writing finis.

Three centuries ago the Indians stole scalps as souvenirs of happy moments spent among the paleface settlers. A century later the more enterprising of the settlers were seizing ships. By some they were called pirates, by others patriots. A hundred years ago the souvenir-hunting fever ran to effigies of congressmen. Today it runs to everything.

Nothing is safe from the ubiquitous pests. Wrecked automobiles are quickly dismantled. Epoch-making airplanes must be protected against them. Homerun baseballs and balls hit into the bleachers never return to the playing field. Hotel and Pullman cars keep the nation supplied with towels, linen and useful little knick-knacks.

Plymouth Rock was being chipped away to nothingness until a steel barrier was built around it. The federal government must be constantly on guard against souvenir-hunting vandals who knock chips from monuments and public buildings. Not even the monuments on the Gettysburg battlefield are safe.

When the souvenir craze hits a citizen he usually loses all reason, morality, honesty, honor, sentiment and discretion. He seeks to justify his spoils by the strange logic that the taking of that possessed of only commemorative or sentimental value cannot be stealing.—Exchange.

**NEW RELIEF BOARD NAMED BY BOARD OF CONTROL**

Five Sonora citizens have been appointed by the state board of control, Texas Relief Commission, to serve as a county relief board.

**Both Resident and Transient Relief Cases Decreasing**

Relief Commission's Obligations Still Amount to More Than \$5,000,000 Monthly

Austin, May 30.—Resident relief cases in Texas decreased by 25,848 in April and the total number of persons receiving resident relief fell below the 1,000,000 mark for the first time in many months, it has been announced by Adam R. Johnson, state relief director.

Cases receiving resident relief dropped from 253,890 in March to 228,042 in April. Part of the decrease was attributable to transfer farm families from the resident relief to rural rehabilitation rolls, the latter showing an increase of 6,622 cases in April and a total of 18,441 as against 11,819 in March.

Transient cases also declined from 32,581 in March to 28,823 in April. For all programs, including emergency education and student aid, the decline was from 305,502 cases in March to 282,575 cases in April, a net decline of 22,927 cases.

Obligations Drop Slightly  
 The Texas Relief Commission in April incurred obligations amounting to \$5,671,884.55, compared with \$5,248,329.06 in March. Of this total relief cost, \$3,164,111.42 went to the 228,042 resident cases, representing 927,340 of the state's residents, an average of \$13.88 per case. Those who worked out all aid they received numbered 86,976 cases; 92,810 were provided only with direct relief; 48,256 worked for a part of the aid extended and received the remainder in the form of direct relief.

Further relief was extended through special programs as follows:

Emergency education, 2,681 cases; expenditure, \$130,790.57; per case, \$48.78. College student aid, 4,588 cases; expenditure, \$64,094.16; per case, \$13.97.

Transient aid, 28,823 cases, expenditure, \$77,083.49; per case, \$2.67.

Rural rehabilitation, 18,441 cases; expenditure, \$1,158,976.22; per case, \$62.85.

Administration costs for April included \$400,351.13 for non-relief salaries and \$134,726.56 for other obligations, a total of \$535,077.69, or 9.44 per cent of the total costs. Salaries paid to budgetary workers on administrative projects and included in obligations as work relief amounted to \$266,311.61.

Project supervision, including non-relief salaries, materials, rentals and services, cost \$408,402.55. The Relief Commission also paid \$64,550.43 for materials for production; \$54,806.85 for containers for production; and \$9,991.17 for processing commodities in commercial plants.

**ENGINEERING DEGREE WILL GO TO WILLIAM CALDWELL**

Completing four years of study for his engineering degree is William Caldwell, son of Mr. and Mrs. W. E. Caldwell, who will be given his diploma at the commencement program in Austin Monday morning at nine o'clock in Gregory Gymnasium.

Caldwell has been president of his class this year and has also served as student assistant. Last year he ranked among the upper two per cent of students in the School of Engineering and this year was in the upper five per cent.

Dr. Graham Frank, pastor of the Central Christian Church, Dallas, will deliver the baccalaureate address Sunday night.

Remarks of congratulation to the graduates will be given at the commencement program by Dr. H. Y. Benedict, president of the university.

The number of cattle on Texas farms and ranches increased almost 1,000,000 head from 1930 to 1935. During the same period the number of chickens rose more than 2,000,000.

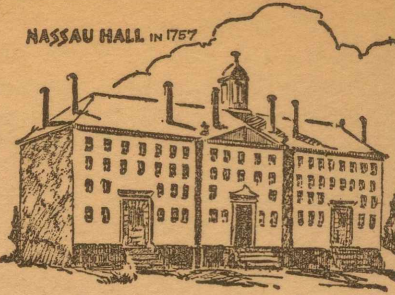

E. Caldwell was selected as chairman of the board.

In a letter of instructions regarding their duties, signed by Adam R. Johnson, director of the Texas Relief Commission, they were told that their duties were to be of an advisory nature and that the commission would be guided largely by their advice as to how the relief program was being carried on in the county.

All of the members of the former board resigned several weeks ago.

**Texans Trying To Get Large Sum For Highway Building**

Gap-Closing To Be Urged As Need Before Centennial and Road To Mexico Opening

Austin, May 30.—In a determined effort to obtain \$100,000,000 for gap-closing on Texas highways before the Centennial and the opening of the Mexico City road, Harry Hines, new chairman of the state highway commission, will head a delegation of Texas leaders to Washington in mid-June.

His hope is to impress the federal administration with the fact that the building of modern highways in Texas can provide more, better and quicker employment than weed-cutting, ditching or many of the other former CWA activities. It can do this, he contends, with a minimum of waste or abuses, and the result will be useful, permanent, revenue-producing facilities.

Accompanying Mr. Hines to the capital will be the other commissioners, Gibb Gilchrist, state highway engineer, Col. Ike Ashburn of the Texas Good Roads Association and envoys from many other groups.

Gov. James V. Alred favors utilization of road-building as a means of unemployment relief in Texas, and has wired his view to President Roosevelt.

"Well over 90 per cent of the Texas road dollar goes to labor either on the job or in the factories, mills and pits behind it," Mr. Hines explained, "and this is why we hope to get some of the money

from purely temporary relief projects shifted to it.

"Texas should get over \$50,000,000 for roads and grade separations from appropriations already made, and we will ask for \$40,000,000 more. We have the plans all ready for badly-needed roads that will exceed this amount, and we can get them under way swiftly."

The highway chairman explained that he has no thought of disturbing the many worthwhile city and community projects to be presented through PWA.

**CAR ACCIDENT VICTIM IS BURIED IN DEL RIO**

A collision Tuesday night between two automobiles on the Sonora highway, twenty miles from Del Rio, resulted in the death of G. W. Miers, 25, nephew of W. A. Miers of Sonora, and of Seferin Andrada, a Mexican who died several hours afterward.

Four others were critically injured in the crash.

Mr. Miers was the son of Mrs. Lon Willis of the Del Rio section. They own land in Val Verde county as well as in Mexico.

Among those from here who attended the funeral in Del Rio Thursday morning were: Mr. and Mrs. S. H. Allison, Mr. and Mrs. Miers Savell, Miss Addah Miers, Mr. and Mrs. Bryan Hunt, Mr. and Mrs. Theo Savell, Mrs. W. A. Miers.

W. A. Miers said Thursday morning that he had been waterbound at the Lower Ranch and was not able to get to town until Thursday morning, too late to attend the funeral which was at ten o'clock in Del Rio.

Williams Jennings Bryan's Daughter Chose These Beauties

Denton, May 30.—Whether it's diplomatic for a diplomat to choose beauty is undecided, but Ruth Bryan Owen, daughter of the famous commoner, exemplifies her ideas of beauty in her choice of girls from Texas State College for Women.

The eight beauties pictured here were selected from a group of thirty-two nominated from a student body of 1800 for the distinc-

tion, and were introduced at the senior formal prom, outstanding social event of the year honoring graduating seniors.

Miss Bernice Neeson, Beaumont, a winsome brunette of the patrician type, was selected most beautiful in the group. She is a senior majoring in costume design. Miss Mary Jane Long of Commerce was also

chosen from the senior class.

Junior beauties are Miss Dorris Garrett, Abilene, and Miss Virginia Henderson, Denton; Miss Bernice Howard, Wharton, and Miss Mary Alice Morris, McKinney, were selected from the sophomore class. Freshman beauties are Misses Louise Richards, Gainesville, and Elizabeth Leach, Irving.

BEAUTY BUSINESS SOLD  
BY MISS GRACE TRAINER

Sale of the Trainer Beauty Shop to Mrs. Andrew Moore and the forming of a partnership made up of Mrs. Moore and Mrs. F. A. Grimes was announced Thursday afternoon.

The new business will be operated in the location which has been used by the Trainer shop.

Miss Trainer, the daughter of George J. Trainer for many years county assessor, has been in business in Sonora for a number of years. Mrs. Grimes came to Sonora in August from Bronte where she had been in business eighteen months. She has been doing business in the Wardlaw Building.

Mrs. Moore is the wife of Andrew Moore, ranchman and dealer in stock medicines.

The famous King ranch, close to Kingsville, Texas, is larger than the state of Delaware. This ranch, covering several counties and operated as a unit since the early fifties, has recently been divided among the King heirs.

If Texas were as densely populated as Massachusetts, it would have a population of 131,000,000. Massachusetts has 528.6 to the square mile; while Texas has only 22.2.

**PARKER AND JACKSON MAY BE IN RODEO IN SONORA**

Interest in Sonora's Race Meet and Rodeo, June 27-28, was shown Tuesday by Red Parker of San Angelo and Harold Jackson of Christoval who were in Sonora for a few minutes on their way to Del Rio.

Parker declared he would enter bronc riding events in Del Rio and that Jackson, whom he said won second in calf roping at the Fort Worth Fat Stock Show this year, would be in the roping contests. Parker was in steer and bronc contests in San Angelo.

Jackson went from the Fort Worth show to St. Louis and has returned to this section to enter

contests to be held in various West Texas towns this summer.

The men asked that information concerning bronc and roping events to be staged here be sent them when available.

**FORGOTTEN COLONY FOUND IN JUNGLE**

**Southerners Settled in Brazil After Civil War.**

Chicago.—The existence of a "forgotten" colony deep in the Amazon jungle, composed of descendants of aristocratic families of the South, who settled there after the Civil war, was told by Dr. W. H. Haas, of the geology department of Northwestern university.

Doctor Haas, who has made a study of the geography of the tropics, came upon the colony during one of his exploration trips up the Amazon. He believes that additional study of the colonists would provide an interesting chapter to the history of the post Civil war period.

The colony is called Santerin and is located on the banks of the Tapa Jos river, a tributary of the Amazon. The settlement, said Doctor Haas, is 600 miles inland from the ocean.

In the tiny village of about 300 population, Doctor Haas met a woman who had moved to the tropics with her family immediately following the Civil war.

"She was living in the past with nothing left but tradition," Doctor Haas said.

She told Doctor Haas that a number of southern families who were dissatisfied when their slaves were freed as a result of the war, moved to the Amazon basin where slavery was permitted and where they hoped to begin life anew.

But the hopes of these plantation owners were soon blasted, Doctor Haas said, for the moist climate of the tropics was not favorable for growing cotton and there was no market for other products. In the midst of dense forests and located so far from civilization, they could not make contact with prospective buyers, he said.

Many of the younger "southerners," dissatisfied with the poverty and ignorance of the village life, returned to the United States, Doctor Haas was told. The others remained to work out an existence by raising cocoa, beans, pumpkins and squash.

**Yachtsmen Warned of Alcatraz Prison Peril**

San Francisco, Calif.—Yachtsmen who do not want to have their sails or their persons shot full of holes must keep away from Alcatraz island, federal prison penitentiary on the bay.

Warden James B. Johnson posted orders that any yacht or power cruiser within 300 yards of "Devil's Isle," will get a bullet chucked across his bow.

The government is taking no chances that friends of Al Capone, or any of its other prize prisoners might use a regatta race as an excuse to come close up to the island and pick up an extra deck hand.

**Must Sleep in Jail 90**

**Nights; Free in Daytime**

Cleveland, Ohio.—John Garthe, thirty, has to sleep in jail for 90 nights, though he has his freedom in the daytime. Police Judge Stanton Addams imposed the strange decree when Garthe was convicted of driving while intoxicated. Promptly at 11 p. m. daily, Garthe must report at the jail to be locked up until 6 a. m. A fine of \$200 and costs also was assessed. The unusual sentence was decreed to permit Garthe to hold his job during the day and continue his studies in art and advertising in the evening.

**It's Proper in Norway to Starve Your Guests**

Bergen, Norway.—Guests at old-fashioned Norwegian weddings, often celebrated for a week, have to receive more than a hint to send them home. When the hostess wishes them to leave she stops preparing meals. Even this measure is not effective sometimes, for the guests will bind the cook until they are promised just one more dinner.

**Avenging Bees Routed by Artist With Bomb**

Youngstown, Ohio.—When a bee insisted on buzzing around his studio several days ago, Ralph Ellis, commercial artist, took a swat at it. A moment later a whole swarm descended upon him. But Ellis showed those bees a thing or two. He cleared them out with a stench bomb.

**American Indian Is Not Vanishing Race**

Berkeley, Calif.—The American Indian is far from being a vanishing race—there are 26,000,000 full-blooded American Indians now living. The United States, however, has but 322,000 of them, or approximately 1 per cent. More than 96 per cent of the number live south of the Mexican border, according to E. W. Gifford, University of California extension division lecturer.

Centers of highest culture of the race, he added, were not in the United States, but in Mexico, Central America and South America.

**CITY SCRAP IRON BOUGHT BY MONTERREY COMPANY**

The treasury of the city of Sonora was enriched to the extent of \$50 this week when a sale was consummated by the city commission involving all of the scrap iron in the city junk pile on the Del Rio highway.

W. C. Morris of Eagle Pass and a representative of the Monterrey Mine & Smelter Co., Monterrey, Mexico, were here to negotiate for the metal.

The men are to truck it to Eagle Pass and will then ship it by rail to the Mexico city where they will melt it and use it in various ways.

HOUSE JOINT RESOLUTION proposing an Amendment to Section 15, of Article 1, of the Constitution of Texas, and providing that the Legislature may authorize the temporary commitment of mentally ill persons, not charged with a criminal offense, for treatment and/or observation with out the necessity of a trial by jury.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 15, of Article 1, of the Constitution of the State of Texas be so amended as to hereafter read as follows:

"Sec. 15. The right of trial by jury shall remain inviolate. The Legislature shall pass such laws as may be needed to regulate the same, and to maintain its purity and efficiency. Provided, that the Legislature may provide for the temporary commitment, for observation and/or treatment, of mentally ill persons not charged with a criminal offense, for a period of time not to exceed ninety (90) days, by order of the County Court without the necessity of a trial by jury."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of the State, qualified to vote on the Constitutional Amendments, at an election to be held throughout the State on the 4th Saturday of August, A. D. 1935, at which election each ballot shall have printed thereon the words:

"For the Amendment of Article 1, Section 15, of the State Constitution by adding to said Section a provision to the effect that the Legislature may provide for the temporary commitment of mentally ill persons not charged with a criminal offense by the County Court without the necessity of a jury trial."

"Against the Amendment of Article 1, Section 15, of the State Constitution by adding to said Section a provision to the effect that the Legislature may provide for the temporary commitment of mentally ill persons not charged with a criminal offense by the County Court without the necessity of a jury trial."

Each voter shall scratch out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting for or against the proposed Amendment.

Sec. 3. The Governor of this State is hereby directed to issue the necessary proclamation for said election, and have the same published as required by the Constitution and laws of the State of Texas.

Sec. 4. The sum of Five Thousand Dollars (\$5,000) or as much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay expenses of said publication and election.

A JOINT RESOLUTION

proposing to amend Sections 3 and 5 of Article 7 of the Constitution of the State of Texas so as to permit the furnishing of State official text books free to every child of scholastic age, attending any school within the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 3 of Article 7 of the Constitution of the State of Texas be amended so that hereafter it shall read as follows:

"Section 3. One-fourth of the revenue derived from the State occupation taxes and poll tax of One (\$1.00) Dollar on every inhabitant of the State, between the ages of twenty-one and sixty years, shall be set apart annually for the benefit of the public free schools; and in addition thereto, there shall be levied and collected an annual ad valorem State tax of such an amount not to exceed Thirty-five Cents on the One Hundred (\$100.00) Dollars valuation, as with the available school fund arising from all other sources will be sufficient to maintain and support the public schools of the State for a period of not less than six months in each year, and it shall be the duty of the State Board of Education to set aside, under such regulations and in such manner as may be provided by law, a sufficient amount out of the said tax to provide free text books for the use of children within the scholastic age attending any school in this State; provided, however, that should the limit of taxation herein named be insufficient the deficit may be met by appropriation from

the General Funds of the State and the Legislature may also provide for the formation of school districts by General Laws; and all such school districts may embrace parts of two or more counties, and the Legislature shall be authorized to pass laws for the assessment and collection of taxes in all said districts and for the management and control of the public school or schools of such districts, whether such districts are composed of territory wholly within a county or in parts of two or more counties, and the Legislature may authorize an additional ad valorem tax to be levied and collected within all school districts heretofore formed or hereafter formed, for the further maintenance of public free schools, and for the erection and equipment of school buildings therein; provided that a majority of qualified property taxpaying voters of the district voting at an election to be held for that purpose, shall vote such tax not to exceed in any one year One (\$1.00) Dollar on the One Hundred (\$100.00) Dollars valuation of the property subject to taxation in such district, but the limitation upon the amount of school district tax herein authorized shall not apply to incorporated cities or towns constituting separate and independent school districts, nor to independent or common school districts created by General or Special Law."

Sec. 2. That Section 5, Article 7, of the Constitution of the State of Texas, be amended so that hereafter it shall read as follows:

"Section 5. The principal of all bonds and other funds, and the principal arising from the sale of the lands hereinbefore set apart to said school fund, shall be the permanent school fund, and all the interest derivable therefrom and the taxes herein authorized and levied shall be the available school fund, to which the Legislature may add, not exceeding one per cent annually, of the total value of the permanent school fund, such value to be ascertained by the Board of Education until otherwise provided by law, and the available school fund shall be applied annually to the support of the public free schools. And no law shall ever be enacted appropriating any part of the permanent or available school fund to any other purpose whatever; nor shall the same, or any part thereof ever be appropriated to or used for the support of any sectarian school, provided that the State Board of Education may furnish State Adopted text books free to every child of scholastic age, attending any school within the State; and the available school fund herein provided shall be distributed to the several counties as may be provided by law and applied in such manner as may be provided by law."

Sec. 3. The foregoing Constitutional Amendment shall be submitted to the electors of this State qualified to vote on Constitutional Amendments at the election to be held on the Fourth Saturday in August, 1935, at which election there shall be printed on each ballot the following:

"FOR THE AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS PERMITTING THE FURNISHING OF FREE TEXT BOOKS TO EVERY CHILD OF SCHOLASTIC AGE ATTENDING ANY SCHOOL WITHIN THIS STATE."

"AGAINST THE AMENDMENT TO THE CONSTITUTION OF THE STATE OF TEXAS PERMITTING THE FURNISHING OF FREE TEXT BOOKS TO EVERY CHILD OF SCHOLASTIC AGE ATTENDING ANY SCHOOL WITHIN THIS STATE."

and every voter shall mark out with pen or pencil the clause which he desires to vote against, or the word "FOR" or the word "AGAINST," at the beginning of such clause, so as to indicate his vote for or against each of said proposed amendments.

Sec. 4. The Governor is hereby directed to issue the necessary proclamation for said election and shall have the same published as required by the Constitution and laws of this State, and said election shall be held under the Constitution and laws of this State.

Sec. 5. The sum of Ten Thousand (\$10,000.00) Dollars or so much thereof as shall be necessary is hereby appropriated out of the State Treasury to pay the expenses of the publications and elections provided for in this Resolution.

The above is a true and correct copy.

A JOINT RESOLUTION

proposing an amendment to the Constitution of the State of Texas, amending Article 16 by adding another section to be known as "Section 61," providing for the abolishing of the fee method of compensating all district officers of this State and county officers in counties of this State having a population of 20,000 or more, and providing that all such district and county officers be paid on a salary basis; and providing that the Legislature shall enact law putting this amendment into effect; providing for the submission of this amendment to the voters of this State; and providing that all precinct officers in all counties and county officers in counties under 20,000 population may be compensated on a fee basis or on a salary basis and authorizing the Commissioners' Court to determine whether certain county and precinct officers shall be paid on a fee basis or a salary basis; and providing for the necessary appropriation to defray necessary expenses for the submission of this Amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas, Article 16 be amended by adding thereto another section to be known as "Section 61," which shall read as follows:

"Sec. 61. All district officers in the State of Texas and all county officers in counties having a population of 20,000 or more, according to the then last preceding Federal Census, shall from the first day of January and thereafter, and subsequent to the first Regular or Special Session of the Legislature after the adoption of this Resolution, be compensated on a salary basis. In all counties in this State, the Commissioners' Court shall be authorized to determine, whether precinct officers shall be compensated on a fee basis or on a salary basis; and in counties having a population of less than 20,000, according to the then last preceding Federal Census, the Commissioners' Court shall also have the authority to determine whether county officers shall be compensated on a fee basis or on a salary basis.

"All fees earned by district, county and precinct officers shall be paid into the county treasury where earned for the account of the proper fund, provided that fees incurred by the State, county and any municipality, or in case where a pauper's oath is filed, shall be paid into the county treasury when collected and provided that where any officer is compensated wholly on a fee basis such fees may be retained by such officer or paid into the treasury of the county as the Commissioners' Court may direct. All Notaries Public, county surveyors and public weighers shall continue to be compensated on a fee basis."

Sec. 2. The Legislature of the State of Texas is hereby directed, at the first Regular or Special Session after the adoption of this Resolution, to enact such legislation as will be necessary to adequately compensate, on a salary basis, the officers herein referred to in all counties having a population of 20,000 or more according to the then last preceding Federal Census.

Sec. 3. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State of Texas at a special election to be held on the 24th day of August, 1935, at which election all voters favoring such proposed amendment shall write or have printed on their ballots the words:

"FOR a m e n d m e n t to the Constitution of the State of Texas abolishing the fee system of compensating all district officers, and all county officers in counties having a population of 20,000 or more; and authorizing the Commissioners' Court to determine whether county officers and precinct officers in counties containing less than 20,000 population may be compensated on a fee basis or on a salary basis."

"AGAINST amendment to the Constitution of the State of Texas abolishing the fee system of compensating all district officers, and all county officers in counties having a population of 20,000 or more; and authorizing the Commissioners' Court to determine whether county officers and precinct officers in counties containing less than 20,000 population may be compensated on a fee basis or on a salary basis."

Sec. 4. The Governor of the State

is hereby directed to issue the necessary proclamation for said election and have the same published as required by the Constitution and existing laws of the State.

Sec. 5. The sum of Five Thousand (\$5,000.00) Dollars or so much thereof as may be necessary is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of said publication and election.

HOUSE JOINT RESOLUTION

proposing an amendment to Section 1, of Article XVII, of the Constitution of Texas, providing that Constitutional Amendments may be submitted by the Legislature at Special Sessions under certain conditions; providing for an election on the question of the adoption of such amendment and providing for the proclamation and the publication thereof; describing the form of ballot, and making an appropriation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1, of Article XVII, of the Constitution of the State of Texas, be amended so as to hereafter read as follows:

"Section 1. How the Constitution is to be Amended. The Legislature, at any biennial session, by a vote of two-thirds of all the members elected to each House, to be entered by yeas and nays on the Journals, may propose Amendments to the Constitution, to be voted upon by the qualified electors for members of the Legislature, which proposed Amendments shall be duly published once a week for four (4) weeks, commencing at least three (3) months before an election, the time of which shall be specified by the Legislature, in one weekly newspaper of each county, in which such a newspaper may be published; and it shall be the duty of the several returning officers of said election, to open a poll for, and make returns to the Secretary of State of the number of legal votes cast at said election for and against said Amendments; and if more than one be proposed, then the number of votes cast for and against each of them; and if it shall appear from said return, that a majority of the votes cast, have been cast in favor of any Amendment, the said Amendment so receiving a majority of the votes cast, shall become a part of this Constitution, and proclamation shall be made by the Governor thereof; provided however, that in cases of extraordinary emergency affecting the State as a whole, Amendments to the Constitution may be proposed in the manner hereinabove set out upon the submission of the proposed Amendment by the Governor at any Special Session."

Sec. 2. The foregoing Amendment shall be submitted to the electors of this State who are qualified to vote on proposed Constitutional Amendments at an election to be held on the 24th day of August A. D. 1935, at which election each ballot shall have printed thereon for those favoring the Amendment the words:

"FOR the Amendment to Section 1, Article XVII, of the Constitution of Texas, providing that Amendments to the Constitution may be proposed at Special Sessions of the Legislature under certain conditions." And those against the Amendment shall have printed the words:

"AGAINST the Amendment to Section 1, Article XVII, of the Constitution of Texas, providing that Amendments to the Constitution may be proposed at Special Sessions of the Legislature under certain conditions." Each voter shall strike out with pen or pencil the clause which does not indicate his desire regarding the above proposed Amendment.

Sec. 3. The Governor is hereby directed to issue the necessary proclamation for said election, and to have the above proposed Amendment published in the manner and for the time required by the Constitution and laws of this State.

Sec. 4. The sum of Five Thousand Dollars (\$5,000), or as much thereof as may be necessary is hereby appropriated out of any funds in the State Treasury not otherwise appropriated, to pay for the expenses of said publication and election.

The above is a true and correct copy.

HOUSE JOINT RESOLUTION

proposing an Amendment to Article IV of the Constitution of the State of Texas so as to authorize Courts having original criminal jurisdiction to suspend the imposition or execution of sentence and to place the defendant on probation and to reimpose such sentence, under such conditions as the Legislature may prescribe; providing for an election on the question of adoption or rejection of such Amendment and making an appropriation therefor; providing for the proclamation thereof; and prescribing the form of ballot.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IV of the Constitution of the State of Texas be amended by adding thereto, between Sections 11 and 12 a new Section to be known as Section 11A, to read as follows:

"Section 11A. The Courts of the State of Texas having original jurisdiction of criminal actions shall have the power, after conviction, to suspend the imposition or execution of sentence and to place the defendant upon probation and to reimpose such sentence, under such conditions as the Legislature may prescribe."

Sec. 2. Such proposed Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State of Texas, on the fourth Saturday in August, 1935, at which election all voters favoring said proposed Amendment, shall write, or have printed on their ballots the words:

"FOR the Amendment to the State Constitution authorizing the Courts to place defendants on probation," and those voters opposed to said Amendment shall write, or have printed on their ballots the words:

"AGAINST the Amendment to the State Constitution authorizing the Courts to place defendants on probation."

If it appears from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor shall issue the necessary proclamation for such election, and shall have the same published and such election held as provided by the Constitution and laws of this State.

Sec. 4. The sum of Four Thousand Dollars (\$4,000), or so much thereof as may be necessary, is hereby appropriated out of the State Treasury to pay for the expenses of said publication and election.

HOUSE JOINT RESOLUTION

proposing an Amendment to Article III, of the Constitution of the State of Texas, by adopting a new Section to be known as Section 51-b, which shall provide that the Legislature shall have the power to provide, under such limitations and restrictions as may be deemed by the Legislature expedient, for old-age assistance and for payment of same not to exceed Fifteen Dollars (\$15) per month each to actual bona fide citizens of Texas over the age of sixty-five (65) years, who are not habitual criminals, nor habitual drunkards, nor inmates in any State supported institution; and providing that the requirements for length of time of actual residence in Texas shall never be less than five (5) years during the nine (9) years immediately preceding the application for old-age assistance and continuously for one (1) year immediately preceding such application; and providing that the Legislature shall have the authority to accept from the Government of the United States financial aid for old-age assistance; providing for the necessary proclamation and making an appropriation to defray the expenses of proclamation, publication and election.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a Section to be known as Section 51-b, which shall read as follows:

"Section 51-b. The Legislature shall have the power by general laws to provide, under such limitations and restrictions and regulations as may be deemed by the Legislature expedient, for old-age assistance and for the payment of same not to exceed Fifteen Dollars (\$15) per month each to actual bona fide citizens of Texas who

are over the age of sixty-five (65) years; provided no habitual criminal; and no habitual drunkard while such habitual drunkard, and no inmate of any State supported institution, while such inmate, shall be eligible for such old-age assistance; provided further that the requirements for length of time of actual residence in Texas shall never be less than five (5) years during the nine (9) years immediately preceding the application for old-age assistance and continuously for one (1) year immediately preceding such application.

"The Legislature shall have the authority to accept from the Government of the United States such financial aid for old-age assistance as that Government may offer not inconsistent with the restrictions hereinbefore provided."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the electors of the State of Texas on the fourth Saturday of August, 1935, at which election there shall be printed on such ballot the following clause:

"For the Amendment giving the Legislature the power to provide a System of Old-Age Assistance not to exceed Fifteen Dollars (\$15) per month per person and to accept from the Government of the United States financial aid for old-age assistance."

"Against the Amendment giving the Legislature the power to provide a System of Old-Age Assistance not to exceed Fifteen Dollars (\$15) per month per person and to accept from the Government of the United States financial aid for old-age assistance."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same printed as required by the Constitution and Laws of this State.

Sec. 4. The sum of Five Thousand Dollars (\$5,000), or so much thereof as may be necessary, is hereby appropriated out of the funds in the Treasury of the State, not otherwise appropriated, to pay the expenses of said publication and election.

A JOINT RESOLUTION

proposing an Amendment to Article XVI of the Constitution of Texas by striking out Section 20a to Section 20e, both inclusive; prohibiting the open saloon and vesting in the Legislature the power to define and enact laws against such; vesting in the Legislature the power to regulate the manufacture, sale, transportation and possession of intoxicating liquors, including the power to provide for a State Monopoly on the sale of distilled liquors; providing that intoxicating liquors shall not be manufactured, sold, bartered or exchanged in any county, justice's precinct or incorporated city or town wherein the sale of intoxicating liquors had been prohibited by local option election held under the laws in force at the date of the taking effect of Section 20, Article XVI of the Constitution of the State of Texas, until a majority of the qualified voters of such county or political subdivision shall determine such to be lawful at an election held for that purpose; providing that such shall not prohibit the sale of alcoholic beverages containing less than 3.2 per cent alcohol by weight in cities, counties or political subdivisions in which the qualified voters have voted to legalize such sale under the provisions of Chapter 116, Acts of the Regular Session of the 43rd Legislature; providing for an election on the question of the adoption or rejection of such Amendment; prescribing the form of ballot; providing for the proclamation and publication of such by the Government and making an appropriation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of Texas be amended by striking out Section 20a to Section 20e, both inclusive, and substitute in lieu thereof the following:

"ARTICLE XVI. Section 20. (a) The open saloon shall be and is hereby prohibited. The Legislature shall have the power, and it shall be its duty to define the term 'open saloon' and enact laws against such.

Subject to the foregoing, the Legislature shall have the power to regulate the manufacture, sale, possession and transportation of intoxicating liquors, including the power to establish a State Monopoly on the sale of distilled liquors, including the power to provide for a State Monopoly on the sale of distilled liquors; providing that intoxicating liquors shall not be manufactured, sold, bartered or exchanged in any county, justice's precinct or incorporated city or town wherein the sale of intoxicating liquors had been prohibited by local option election held under the laws in force at the date of the taking effect of Section 20, Article XVI of the Constitution of the State of Texas, until a majority of the qualified voters of such county or political subdivision shall determine such to be lawful at an election held for that purpose; providing that such shall not prohibit the sale of alcoholic beverages containing less than 3.2 per cent alcohol by weight in cities, counties or political subdivisions in which the qualified voters have voted to legalize such sale under the provisions of Chapter 116, Acts of the Regular Session of the 43rd Legislature; providing for an election on the question of the adoption or rejection of such Amendment; prescribing the form of ballot; providing for the proclamation and publication of such by the Government and making an appropriation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of Texas be amended by striking out Section 20a to Section 20e, both inclusive, and substitute in lieu thereof the following:

"ARTICLE XVI. Section 20. (a) The open saloon shall be and is hereby prohibited. The Legislature shall have the power, and it shall be its duty to define the term 'open saloon' and enact laws against such.

Subject to the foregoing, the Legislature shall have the power to regulate the manufacture, sale, possession and transportation of intoxicating liquors, including the power to establish a State Monopoly on the sale of distilled liquors, including the power to provide for a State Monopoly on the sale of distilled liquors; providing that intoxicating liquors shall not be manufactured, sold, bartered or exchanged in any county, justice's precinct or incorporated city or town wherein the sale of intoxicating liquors had been prohibited by local option election held under the laws in force at the date of the taking effect of Section 20, Article XVI of the Constitution of the State of Texas, until a majority of the qualified voters of such county or political subdivision shall determine such to be lawful at an election held for that purpose; providing that such shall not prohibit the sale of alcoholic beverages containing less than 3.2 per cent alcohol by weight in cities, counties or political subdivisions in which the qualified voters have voted to legalize such sale under the provisions of Chapter 116, Acts of the Regular Session of the 43rd Legislature; providing for an election on the question of the adoption or rejection of such Amendment; prescribing the form of ballot; providing for the proclamation and publication of such by the Government and making an appropriation therefor.

## Amendments—

(Continued from page 1)

only on the sale of distilled liquors. (b) The Legislature shall enact a law or laws whereby the qualified voters of any county, justice's precinct or incorporated town or city, may, by a majority vote of those voting, determine from time to time whether the sale of intoxicating liquors for beverage purposes shall be prohibited or legalized within the prescribed limits; and such laws shall contain provisions for voting on the sale of intoxicating liquors of various types and various alcoholic content.

(c) In all counties, justice's precincts or incorporated towns or cities wherein the sale of intoxicating liquors had been prohibited by local option elections held under the laws of the State of Texas and in force at the time of the taking effect of Section 20, Article XVI of the Constitution of Texas, it shall continue to be unlawful to manufacture, sell, barter or exchange in any such county, justice's precinct or incorporated town or city, any spirituous, vinous or malt liquors or medicated bitters capable of producing intoxication or any other intoxicants whatsoever, for beverage purposes, unless and until a majority of the qualified voters in such county or political subdivision thereof voting in an election held for such purpose shall determine such to be lawful; provided that this subsection shall not prohibit the sale of alcoholic beverages containing not more than 3.2 per cent alcohol by weight in cities, counties or political subdivisions thereof in which the qualified voters have voted to legalize such sale under the provisions of Chapter 116, Acts of the Regular Session of the 43rd Legislature."

Sec. 2. Such proposed Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State of Texas, on the fourth Saturday in August, 1935, at which election all voters favoring said proposed Amendment, shall write, or have printed on their ballots the words:

"FOR the amendment to the State Constitution repealing State-wide prohibition, prohibiting the open saloon and providing for local option."

And those voters opposed to said proposed Amendment shall write or have printed on their ballots the words:

"AGAINST the amendment to the State Constitution repealing State-wide prohibition, prohibiting the open saloon and providing for local option."

If it appears from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor shall issue the necessary proclamation for such election, and shall have the same published and such election held as provided by the Constitution and laws of this State.

Sec. 4. The sum of Eight Thousand (\$8,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of the State Treasury to pay for the expenses of said publication and election.

## TEXAS VETERAN'S RELICS GIVEN TO STATE MUSEUM

Austin, May 30.—The sword, powder horn, cap box and caps which belonged to Lieutenant W. M. Wyatt in Company A, 32nd Texas Cavalry, Texas Volunteers for Confederate service, have been given to the University of Texas library by Lieutenant Wyatt's daughter-in-law, Mrs. Ada Duty Wyatt of Kyle, Texas.

The gun which Lieutenant Wyatt used is also to be a gift to the archives. Mrs. Wyatt has included in her contribution several family daguerrotypes, and an 1858 edition of Webster's Dictionary which belonged to her grandfather, Hi-

ram Duty, an early Texan. These articles have a definite museum value, and the library is fortunate to acquire them. Mrs. M. A. Hatcher, University archivist, pointed out. At the same time, assurance is given the family that the relics will be permanently preserved.

LAST year, G-3 All-Weather proved itself on Goodyear's test-fleet. Now it has proved itself on the cars of users.

Here's what Inspector Faurot, famous sleuth of the New York Police, found by nation-wide investigation: Over and over, G-3 gives even more than the 43% longer non-skid mileage the test drivers got.

Come see why G-3 betters the claims made for it—we'll show you the flatter, wider, thicker tread, the closer-nested non-skid blocks, wider riding ribs—show you the extra rubber (average of two pounds more per tire)—demonstrate Supertwist Cord that supports easily the heavier tread and gives blowout protection in EVERY ply—features you get at NO extra cost.
