Home Demonstration Council Cooking School Expected To Draw Many Women

Elaborately designed for greater interest to women of the entire county, and slated to attract more area women than any previous event of its kind ever held here, the Home Demonstration Council Cooking School takes place at the Spur Theatre First Monday Trades Day, July 3, with an entirely new group of recipes on preparation, cook and serving of beef, pork and chicken.

New Recipes

Miss Jean Day, County Home Demonstration Agent, stressed the fact that recipes used at any of previous club meetings were taboo, and that the full program would feature forms that perhaps most of the women had not seen demonstrated in the past. The State

BUSINESS CLUB OFFICIALS COOPERATING WITH HOUR CHANGE

In order to avoid conflicting hours in making the Trades Day awards, officials of the Spur Young Business Men's Club stated here yesterday that the event would take place immediately after the finals of the Cooking School at 4:00 o'clock Monday. The Cooking School convenes at 2:00 o'clock and upon dismissal, the School visitors can leave the Spur Theatre and attend the awarding event.

Department is cooperating in presentation of the school, and it is designed to give the utmost in benefits to every woman that attends the two-hour session. The school opens at 2:00 o'clock and runs until 4:00 o'clock Monday afternoon.

Non-member Specialty

It will be of interest to women and girls who are not members of any demonstration club to learn that this cooking school is planned especially for their benefit. And on that basis, women in the various communities can do their local clubs a good turn by attending the school. To bring out that statement, Miss Day has stated that the club bringing in the most women and girls who are not club members will receive an award for their efforts.

Communities Represented

In alluding to the cooking school, Miss Day stated that almost every community had a representative assisting in the program. The list of assistants includes Mrs. Gus Martin, Afton; Mrs. Cecil Meadors, Dickens; Mrs. W. T. Williams, Espuela; Mrs. Vurl Hinson, Glenn; Mrs. Forrest Martin, Highway; and Mrs. Paul Lee, of Soldier Mound community.

Varied Features

Among the many features on the program beyond a clear presentation of actual cooking, newer methods of preparation, topics of interest, a meal will be cooked, the table appointed and silvered, and a guest-round of women will demonstrate in active mode the correct service style and usage for the occasion.

In remarking on the approaching affair, Miss Day enhances the anticipation of attendance for women with "This Cooking School is being conducted mainly to give you an opportunity to bring the non-club people of your community to hear a demonstration summarizing the work on Food Preparation in this county."

In keeping with methods of cooking in this area, Miss Day remarked that both oil and electric stoves would be used in the demonstration, and requests that all club members urge their neighbor women to accompany them here Monday.

INSTALL VENETIAN BLINDS

Keeping step with Mother Fashion, Pearl Myers' Beauty Shop has installed Venetian Blinds at the front windows of their building. As you know, Venetian Blinds are one of the best modes of retaining the light, and at the same time cutting out most of the direct glare, promoting a more restful inside atmosphere.

Horace Hyatt Says Doughboys Know Their Dough

Horace Hyatt, proprietor of Hyatt's Food Market, located on lower Burlington Avenue, says that those Doughboys really know their stuff when it comes to dough for biscuits—or for that matter, lightbread, pie crust, or whatche want!

As you will remember from the program that the Doughboys presented in front of Spur Bakery here on June 17, they made announcement of merchants who sell Light Crust Flour, and Horace says "I caught them boys talkin' 'bout me, cause I sell that stuff on big scale."

Of course Horace has plenty of other bargains. Turn to another page of The Texas Spur and you will find one-third of a page devoted to grocery bargains at Horace's place.

Gainesville Com. Circus To Be In Floydada 3 - 4

The Gainesville Community Circus which comes to Floydada on July 3 and 4 for 3 performances will show in a brand new tent. At their last performance in Ardmore, Oklahoma, their big top was destroyed by wind and storm. Four tents in addition to the main show tent are used by the circus and these will be set up in Floydada beginning this week end.

"The only show of its kind in the world," the community circus is called. It is truly professional appearing performance but actually every actor, stake driver, tent boss, hostler, clown and usher is a citizen of Gainesville, whose services are given freely to the circus. It is a high honor in Gainesville to be a member of the organization and there is a long waiting list should any act or acts drop out of the show.

It takes 150 persons to make up the whole personnel of the Gainesville Community circus. These will arrive Sunday and Monday in Floydada ready for the first performance which opens on Monday night, July 3, at 8 o'clock.

The July 4 performances come at 2 o'clock Tuesday afternoon, and on Tuesday night, July 4 at 8 o'clock. Admission charges are 75 cents for adults, 35 cents for children, and reserved seats are 25 cents. McDermott Post, American Legion, of Floydada, is the sponsoring organization.

Henry Simmons In Business For Himself

"If you have ever heard the words 'acetylene welding,' then you have heard of Henry Simmons—and Henry, after living in Spur for more than ten years, serving most of that time as the right-hand man for Mims Machine Shop and welders, has opened a place of his own, located in the Powell blacksmith shop.

Henry knows his welding, electric or acetylene, and wants the trade to remember him when in need of that kind of work. He has an advertisement on another page of The Texas Spur calling attention to his new set-up.

JAMES B. REED UNDERGOES SURGERY TUESDAY

James B. Reed is reported as convalescing satisfactorily following an operation performed Tuesday at Hendricks Memorial Hospital, Abilene.

Rev. R. C. Joyner accompanied Mr. and Mrs. Reed to Abilene Monday and remained to be with Mr. Reed through the operation. Mrs. Reed expects to return to Spur today.

Spur Pool Gets Approval Of State

Did you know that Spur Municipal Pool is one of the most sanitary swim places in the country?

Old Man Texas has put his okey on it.

Jimmy Walker, State Sanitation officer, has visited here and given Spur Pool his approval. The check-up was made June 17, and the pool has been drained, painted from stem to stern and refilled since that time.

Walker was highly pleased with sanitation conditions and cleanliness of Spur Pool, and made special comment on splendid condition of dressing rooms, service system and issuance. He expressed surprise at the expensive equipment in evidence, the general set-up, and made a decision to return at a later date to make a general survey for reference in State Sanitation conditions.

Mrs. Julia Cane, manager of the Pool, cooperating with the State office, submitted a sample of water from the pool for bacteriological examination, and the report declared the City swim place entirely safe for swimmers. Disinfection by chlorination was also summarized as one of the chief agencies of the excellent sanitizing practices of the swim system.

One note of special interest to the management of the pool, as well as Spur area in general, is the comment made by visitors to Spur Experiment Station by the Iowa State school group. The comment was that "We have enjoyed our swim and the hospitality of the pool officials. The cleanliness of both pool and locker rooms is far above the pools we have had occasion to visit elsewhere."

Fortunately for this area, as well as Spur, the City has built a pool which is beautiful as well as clean, and the management is offering to give instructions at the lowest possible price so that each and every citizen may learn to swim and enjoy the pool. Appreciation has been expressed by the officials for the fine cooperation evidenced heretofore, and it is believed that hundreds of other people will take advantage of the splendid pool and other facilities in the weeks to come.

JACK BARKER HEADING FOR COOL COLORADO FIRST OF JULY

Jack Barker, Spur's official race jockey, says that his toes have begun to wiggle o' nights for the open road, and so he is heading out about July 1st for his old home, Grand Junction, Colorado, way out on the Western Slope.

Jack has been in the hog business for some time, but he just can't get that tender feeling in his heart for hogs that he has for the trim steeds of the track. He has relatives in Grand Junction and Coleman—and of course he didn't fail to hint that the hook-biters were luring him a bit also.

Jack is one of those boys "what has been places." He has jockeyed from Key West to Seattle, been in all the states of the Union except two or three, roamed Canada, swallowed race dust from Tijuana to Mexico City, and spent a couple of winters in Havana, Cuba. Jack says he'll meet plenty of the "Old Time Boys" of the track in Colorado, and it is really going to be one grand visit.

Mr. and Mrs. Clark Forbis, of the Forbis farm and ranch home near Afton, were business visitors in Spur Saturday. Mrs. Forbis reported the recent rains in that section all but washed away their cotton crop.

MRS. JULIA CANE, MANAGER OF SPUR MUNICIPAL POOL

July 20 - 21 Dates Set For Old Settlers

With plans worked out that committeemen call the most elaborate since organization, the roundup and Old Settlers Reunion will take place at Dickens on July 20 and 21, the announcement coming from the county seat stated this week.

In describing the big celebration to be staged at Dickens this year, the committeemen, Cecil Meadors, Cayce Allredge, County Clerk Eric Ousley, Sheriff Johnnie Koonsman and Fred Arrington, assert that the features this time will far outweigh all previous meetings of the Old Settlers, and that the attendance mark will likely reach its peak.

The annual gathering in the past has been drawing approximately 10,000 people for the two-day meet, and the committeemen state that plans are being made to care and entertain the throng to the fullest extent. Prizes will be offered to the oldest person attending the Reunion, as in the past, and also awards made in many of the events of the meet. Dances will be featured for both the young and the old, old fiddlers' contests staged, and plans announced stated that an amateur program would be slated for one of the days.

In sending out their invitations, committeemen urged that people who care to attend the Reunion both days make plans to camp. Plenty of camping space will be available, plenty of fine water, and the greatest neighborly spirit in the world will be evidenced by Dickens people.

In other words, if you have never had Dickens as your host at one of their Reunions—you don't know Western Hospitality.

BRITIAN FORBIS TAKING BAR EXAMINATION THIS WEEK

Britian Forbis, Baylor University law graduate from Spur, Texas, is in Austin this week taking the Texas state bar examination. Forbis is one of 17 Baylor students taking the examination this week.

Mr. and Mrs. Archer Powell and young daughter, Dorothy Lanied, and Miss Elizabeth Powell, of Dry Lake, were shopping and visiting in Spur Saturday.

Many Visitors To Be In Spur 4th For Carnival

Without a doubt, Spur will have the most visitors and greatest celebration on July 4th of this year that it has ever had, the day featuring a full program at Spur Municipal Pool—events throughout the day, and evening replete with entertainment at the Water Carnival.

Listed elsewhere is a complete program formulated by Mrs. Julia Cane, manager of the Pool, and her assistant, Miss Waltrena Russell. In the sponsor contests, which includes both girls and men, many out-of-town firms are sending sponsors, and appropriate awards, such as silver loving cups, bathing suits, and free swim cards, have been arranged for winners in the events.

Unique Fun-Maker

It is of course natural that the young ladies' bathing beauty revue will attract much attention—but when you look for the funny side of this great 4th of July celebration, the thing that will tickle your ribs is that man-contest. A set of judges has been selected—and we aren't sure, but it is possible that the winner in this department may get a green test right there on the grounds. The winner is apt to appear in pictures—but we don't know what pictures.

One big feature of the day will be the coronation of the winners; the king and queen of the Water Carnival.

Scores of other features have been planned, many of which are listed elsewhere in The Texas Spur, and if you don't want to miss-out on a real show, don't miss the Water Carnival.

SWIM SPONSORS

Following is a partial list of sponsors, in many cases both girls and men who will represent the various firms cooperating in the big celebration at Spur Municipal Pool July 4th. See SPONSORS, Page Six

Mrs. Meda Perrin Buried At Dickens Friday

Funeral services were held Friday at 4 o'clock P. M. at the First Methodist church in Dickens for Mrs. Meda Perrin, wife of Charley Perrin of Concho, Arizona. Rev. Victor Crabtree, minister of Mt. Blanco Baptist Church and a former neighbor and friend of the family since childhood assisted by Rev. H. L. Burnham, of Spur, read the funeral solemnities and spoke words of comfort to the bereaved family and friends.

Pall bearers were H. C. Brummett, Hugh Swearingen, V. C. Smart, Dee Haigrave, W. F. Foreman and George Sloan.

Flower bearers were: Juanita Rushing, Earnestine Conaway, Roberta Lambert, Mrs. Peyton Legg, Mrs. Hugh Swearingen, Mrs. J. P. Legg, Mrs. George Pierce and Mrs. Jim Koonsman.

Born, Meda Donnell Winkler, September 20, 1887 at Seymour, Baylor County, Texas. At an early age she became a Christian and at the time of her death held membership in the Friendship Baptist Church in Dickens County as there was no church organization near her home in Arizona with which to affiliate.

When about ten years of age, with her parents she came to Dickens County, the family locating on Croton where, in 1902, at the age of 15 years, she was married to Charley Perrin, also of Croton. It was there she spent the greatest portion of her life, where her family of three sons were born and reared.

Ten years ago she, with her husband and eldest son, Bill, moved to Arizona and established a new home. Three years ago she was taken ill of high blood pressure of which malady she failed to respond to treatment.

Monday morning she entered the West Texas Hospital at Lubbock where she died Thursday, June 22 about 3 o'clock in the afternoon.

Surviving are her husband, Charley Perrin and three sons, Bill of Concho, Arizona; Don, of Spur, and Dick of Channing, Texas. Two sisters, Mrs. Nettie Littlefield of Dickens and Mrs. J. A. Koof of Spur, two brothers A. B. Winkler of Dickens, and Harley Winkler of Bakersfield, California. One granddaughter, Donnell Ruth Perrin, daughter of Mr. and Mrs. Don Perrin, Spur, and eight nieces and nephews.

Interment was made in the Dickens Cemetery with Campbell Mortuary in charge of funeral arrangements.

Ernest Hale Takes Charge Of TP Station

Ernest Hale, who for the past few months has been up on Hill Street with his parts house and garage, has taken charge of the TP Station just across the street from the Spur Inn, and will continue his parts business along with the sale of TP products.

Wilson Garner, past proprietor of the TP Station, will be employed by Hale, and Ernest says that he is in better shape than ever to give his customers a complete automobile service. Aside from the new auto parts, the Station features washing and greasing, TP gas and oil, G. & J. Tires, and asks you to try the place for that "quick and complete" service.

John Albin Making Special Prices On Foods

John Albin of the Albin Grocery is this week offering the trade some special prices on groceries and household needs, and says if you want a complete bill of groceries, figured at bargain prices, prefer quality, and want them delivered, just get in touch with him.

John's advertisement appears on another page. Read it; it may feature just the items you need.

I Give You

Texas
Boyce House

It has been said that there is a sidewalk cafe in Paris, France, and if you sit at one of the tables long enough, you will see everybody in the world—no doubt, a slight exaggeration. Pretty much the same statement however could be made, as for as Texans are concerned, with regard to Austin hotel lobbies.

Over there is Paul Holcomb, fiery, crusading El Campo editor, given the lion's share of the credit for the defeat of T. J. Holbrook, who was the "dean of the Senate," and here comes smiling Charles Devall, Kilgore editor. There's Colonel Ray Leeman, erect and military-looking with his mustache; he's executive vice president of the South Texas Chamber of Commerce—and did you know he

used to write poetry? It was quite some time ago when he was C of C secretary in his native town of Mineral Wells and his poems proclaimed the glories of the resort city.

Others: Jim Gaddy Norris, Fort Worth attorney and son of the celebrated Dr. J. Frank Norris; Dr. W. J. Danforth of Fort Worth, the past State American Legion commander; Curtis Hill, tall, slow-talking, droll Dallas lawyer, former assistant Attorney General. Lots of interesting folks visit Austin.

Glorious is the threat promised by Barney Hubbs, publisher of the Pecos Enterprise, when the West Texas Press Association assembles in the Picturesque city, Friday and Saturday, August 11 and 12. Among the features will be one joint session with the New Mexico Press Association in Carlsbad, N. M.; trip through Carlsbad Caverns; tour of the Big Bend country, including McDonald Observatory, Sul Ross College and Museum, and scenic points in the Big Bend National Park besides special entertainment by towns along the way. Barney declares, "You won't have much use for your pocketbooks after you get out here. Practically everything is furnished except your ability to have a good time in the only untamed country on the face of the earth." To President Douglas Meador of Matador and Secretary J. C. Smyth of Snyder, thanks for the reminder of the convention.

And, speaking of good times, remember the fun you had at Pioneer Palace in Fort Worth in 1938 and '37? Well, when magnificent Casa Manana opens on July 21 for the summer, the Western fun-spot with the stage above the bar will open too and there will be vaudeville, old-time moving pictures (like "The Perils of Pauline"), old-style melodrama ("Curses, foiled again!") and audience-singing with colored slides, such as were popular in 1910. Illustrating such songs as "Down by the Old Mill-Stream" and "Let Me Call You Sweetheart." And Lou Wolfson, executive director, promises that Karma, a fortune-teller only three inches high, will be there, along with an amusing auction, a device where you shoot a gun and take your own picture, a penny arcade and dancing.

A man, who had beaten up an acquaintance, was before the judge. "Why did you do it?" the judge inquired. "Because he called me a hippopotamus," the defendant replied. "But that was a year ago," the injured man said. "I know it," the other answered, "but I hadn't seen a hippopotamus until yesterday."

A stranger, strolling through a cemetery, read a tombstone inscription: "Here lies a lawyer and an honest man." The visitor commented, "Ground must be scarce around here; they're burying 'em two to the grave."

An old farmer consulting a lawyer about a prospective law-suit said, "I'll just give you the facts and you can put in the lies to suit yourself."

Sunday is the only day that most citizens have a chance to get out with their families and enjoy the use of the highways that their money has built. They go picnicking, visit relatives or just drive around and view the scenery. The presence of big trucks on the highways on that day adds a traffic hazard to the congestion, hence the well-received suggestion of State Railroad Commissioner Jerry Sadler that such trucks should not run on Sunday unless handling perishables or doing other emergency hauling.

SPUR ROTARY CLUB EXPRESSES APPRECIATION TO ROUND-UP AND RODEO ASSOCIATION

WHEREAS, the Spur Roundup and Rodeo Association sponsored the Rodeo on June 16-17th; and

WHEREAS, the Rodeo proved a success in every respect and brought thousands of visitors to our city, making as many new friends for Spur and Dickens County;

THEREFORE, BE IT RESOLVED by the Spur Rotary Club on this the 22nd day of June that we do unanimously express our sincere appreciation to the officers and members of the Spur Roundup and Rodeo Association and we further commend them for the successful rodeo they brought to our city.

The Spur Rotary Club

June 23rd, 1939

Spur Rotary Club,
Spur, Texas,
Gentlemen:

In behalf of the officers and Directors of the Spur Round-up Association Inc. we desire to express to your club, as a whole, our thanks for your thoughtfulness in going on record in form of a Resolution, expressing to us such officials, your gratitude.

We, as your duly elected and appointed officials, appreciate the fact that it was the whole-hearted cooperation of the citizenship of Spur that made it possible for us to promote as successful affair as we believe that we had.

It is only our desire that those individuals, whoever that may be, that has the responsibility of promoting the 1940 celebration will be blessed with the unselfish co-operation from the citizenship of Spur that was ours to enjoy. After all this celebration belongs to Spur and its citizenship, and it is the responsibility of each civic club and individual to give it, their best, which we sincerely believe was true with our first annual Round-up and Rodeo.

Sincerely
Spur Round-up Association, Inc.

MAY SALES ABOVE APRIL AND MAY OF LAST YEAR

Business picked up during May for Texas department stores and apparel shops. The University of Texas Bureau of Business Research announced today.

The Bureau tabulated reports from 104 stores, to discover that May sales were 5.7 per cent over April and 7.5 per cent above May of last year, and sales for the first five months of 1939 exceeded those of the corresponding period a year ago by 0.8 per cent.

The percentage of sales on open account during May was larger than a year ago, while at the same time, a larger percentage of outstanding accounts were collected.

Sheriff Johnnie Koonsman of Dickens was a pleasant caller at The Texas Spur office while in the city Saturday.

JACKSON LEAVING FOR LEFORS
Joe Tom Jackson, native son of Dickens County and who for the past five years has been manager of the Co-Op Gin at Afton has recently resigned that position to accept the management of a theatre at Lefors, where he and Mrs. Jackson are moving this week to make their home.

Mr. and Mrs. Jackson are among the most prominent people and social leaders of the Afton Community and their association and influence will be greatly missed not only by their close friends but also by the county as a whole.

WORLD FAIR VISITORS RETURN
Mrs. Neal A. Chastain, Spur, and Mrs. Cash Wileman, Stamford, who have been seeing New York City, the intervening points of scenic beauty World's Fair on Staten Island and historical interest the past three weeks returned Saturday to Spur.

A wonderful trip and most pleasant time was had according to Mrs. Chastain, who added, but I was ready and glad to get back home.

BI-COUNTY PICNIC SLATED FOR AUGUST

For that grand event which two counties, Kent and Dickens, look forward to with intense interest, definite dates have not yet been set, but in a note given out from the committee that met Saturday in Miss Jean Day's office, the big picnic will be held some time in August.

The celebration, staged jointly by the demonstration clubs of the two counties, is described as a special appeal to farm families, and features a good program as well as the feast.

At the regular Council meeting Saturday, at which chairman Mrs. Murry Lea presided, statement was made that the dates for the meet would be chosen in the near future, and the public notified of the details.

Mr. and Mrs. Ray Karr and baby, Kay, who have been located at San Antonio, were transferred and moved last week to Lake Charles, La., where Ray is plant superintendent of the Borden Ice Cream Company.

L. G. Crabtree was returned Monday to his home on Croton after spending a week in West Texas Hospital, Lubbock under treatment of specialists, and is getting along nicely according to Rev. Victor Crabtree who was a business visitor in Spur Wednesday.

Robert McAteer of McAadoo made a business trip to Clovis, New Mexico Friday.

VETERAN TEXAS COWHANDS TO GATHER IN STAMFORD JULY 3-4-5

Veteran Texas cowhands who rode range and trail 35 or more years ago will gather in Stamford for the tenth annual meeting of their association during the Texas Cowboy Reunion July 3, 4 and 5.

The following oldtime cowboys of Spur are members of the Association:

W. J. Elliot, G. W. Culvert, Ned Bowers, Thell Browning, Tom Bingham, Jack Barker, W. W. Ellis, Tump Thornton, Henry Alexander, M. L. Jones, J. R. Kennedy, W. K. Perry, T. A. Bingham, Hamp Collett, Ott Denson, Doc Ellis, J. F. Ellis, J. H. Gilmore, Mace Hunter, N. L. Jones, Jake D. Rains, G. L. Watson.

All members who have paid their annual dues of \$1 have been issued badges which will admit them free at the Reunion rodeo and also to the chuck wagon dinner given in their honor at noon each day of the cowboy Reunion.

The oldtime cowboys have as their permanent headquarters the cowboy bunkhouse at the Reunion grounds. A new building, "The Roundup", where oldtime dances will be held, is now being completed and will be the property of the association when paid for.

The formal meeting of the oldtime cowboys organization, with election of officers for the coming year, will be held at the cowboy bunkhouse.

Present officers are Lewis Ackers, Abilene, president; Walt Cousins, Dallas, chairman of board; T. G. Hendrick, Abilene, first vice president; G. F. Ratliff, Midland, second vice president; Chas. E. Coombes, Stamford, secretary-treasurer; B. J. Glover, Crowell, range boss; Kid Jeffers, Brady, wagon boss; Chas. L. Mays, Munday, wagon cook; Sam Fade, Albany, horse wrangler.

Behind The Scenes In American Business

By JOHN CRADDOCK

NEW YORK — BUSINESS — The second half of the year is going to be a lot happier than the first for workers, merchants, manufacturers and all the rest whose welfare is bound up in America's economic stream supporting this encouraging opinion expressed by leading economists and business men last week was a more favorable business news stand. Operating rate of the steel industry, a big employer, has gained 20 per cent since the middle of May. Another large employer, the automobile industry, sold 325,000 cars in May topping the April showing. Woolen mills are gradually increasing production to take care of a heavy volume of new business booked recently. Air lines report that sky travel in May was 10 per cent better than in any previous month on record. During the last fortnight retailers of household appliances have experienced a sharp increase in sales, particularly of refrigerators and radios. Perhaps best of all was the announcement of reductions ranging from 33 to 70 per cent on war risk insurance for mariner cargoes, evidence that London shipping quarters believe the chances for a European war this year are receding.

business men at a low ebb, while high-grade cooperation bonds yielding more than three per cent interest are becoming scarce as hen's teeth. BOOMERANG — Retail business men last week reflected at length upon two coura decisions of far-reaching implication. The Colorado Supreme Court ruled that some 35 independently owned outo supply stores using the same name, having uniform store fronts and contractual relations with one distributor for supplying merchandise must pay the state chain store tax. A similar ruling by the N. Carolina Supreme Court against 42 drygoods stores was virtually upheld by the U. S. Supreme in refusing to review an appeal. In both states avoidance of the tax was sought on the grounds that the stores were voluntarily chain.

THINGS TO WATCH FOR—Roof shingles made of glass and automobile brakes lined with glass fabric. . . . A phonograph that will play records backwards practical purpose to be for sending code messages. . . . Mass production of a standardized television receiver at low price to be put on the market in October. . . . Revival in popularity of musical auto horns. . . . A new plastic material made out of coffee bean said to be suitable for radio cabinets, wall board, flooring and roofing. . . .

TWO PRICES—Dry cleaning establishments in Dallas, St. Louis, Omaha, Topeka and St. Paul are trying a two-price plan to stop price cutters which has plagued this business for several years. Under the plan dry cleaners maintain their regular scale of prices for first-grade service, and a low-price "Thrifty" service at from 25 to 50 cents less per garment. To give habitual price cutters pause, there is nothing permanent about the second grade rate.

WASHINGTON—The easy money situation is becoming easier. An interest rate of 3-4 of one per cent on more than \$400,000,000 of five-year U. S. Treasury notes issued last week was seen in an announcement by banks in Chicago suburban area which cut interest rates on time deposits from 1 1/2 per cent to one per cent. Only a few days previously the bank in Newark, N. J., suspended interest payments altogether. Reason given in both cases was the inability of banks to re-employ money left on deposit at sufficient interest to cover overhead costs. Commercial loans to finance ordinary trade activities of

IN HIS early circus days the late P. T. Barnum was standing in front of a one-ring tent in Michigan, acting as the ticket-taker. To him there walked up a man who was followed by a pack of youngsters. "Count these boys," said the newcomer, briskly.

Barnum let the lads go in one by one until the last of them was under canvas. "Thirty-seven in all," he said. "That will be \$18.50." "Eighteen-fifty!" echoed the stranger; "for what?" "Admissions," said Barnum. "Fifty cents a head for those kids." "Admissions be darned," said the stranger. "I didn't ask you to admit 'em; I asked you to count 'em." (American News Features, Inc.)

(Chapter LIV Continued)

Many attempts have been made from time to time, to find and relocate the Old Lead Mine. To my knowledge besides many who lived in the New Town of Dickens, three or more men, entirely unrelated, and unknown to each other, at times far apart, who had actually been at the mine during buffalo days, have spent much time and not a little money, in their efforts to find it, but without success.

A few years ago, recollecting my talk with old Mr. Stegall, and hearing that his son, now living in New Mexico, was going to visit some of his kin here, I left word with them that I would like to see Witt if he came. The result was that

Witt and Mrs. Stegall visited us at my home. For the first time I then told him of what his father had done, and asked him if he knew of, or had ever seen the mine.

Witt told me he had never personally been at the mine, but knew as well as anyone about where it was, and had often seen the ore from it while a young man. He told me of some fun he had during one of the excitements while the folks of Dickens were trying to locate it. One of his sons had come home after spending some time near Childers, Texas, and had brought back with him a piece of lead ore (Galena).

Witt accidentally? dropped the piece of ore while taking some tobacco from his pocket. Eli

Harkey immediately picked it up, and then the excitement immediately arose again, as Witt said it came from the old mine. All kinds of offers were made to him if he would only open it up. For some time afterwards Witt could not leave Dickens where he was then living, without being followed by some one. Needless to say that he (Witt Stegall) led them a nice chase and jossed them for following him. There is another man now living in Dickens County, one of the sure-enough Old Timers, Clint Garrett, who owns a pound or two of the lead melted from ore from this mine. Clint got it from his brother, Jimmie Garrett, who got it from the old mine. Clint himself never was at the old mine. By a queer freak of lady luck, no one ever thought of Old Jammie Garrett while he was still alive. He died many years ago. He, I knew too late, was the last one of those Old Timers who did know where the Old Mine was located.

I have a piece of lead ore sent me by a man only a short time resident in Dickens County, who said he picked it up in the brakes, of Croton, and if he did, it came within a distance of four miles from where the Lost Mine is supposed to be.

This is the history of the tomato as set forth in a leaflet, C-147, Starring Tomatoes, recently issued by the Texas A. and M. College Extension Service in support of its campaign for more food on Texas farms. The leaflet is now in the hands of county agricultural and home demonstration agents.

A. F. LEVER TO SPEAK AT A. AND M. SHORT COURSE

A. F. Lever, former congressman from South Carolina and the joint author of the Smith-Lever Act which established the Extension Service, will be one of the featured speakers at the Texas A. and M. Farmers' Short Course scheduled this year for July 12, 13, and 14.

Lever's appearance will be of especial significance, since the Smith-Lever Act was signed by President Woodrow Wilson on May 8, 1914 . . . 25 years ago. He will speak at the general assembly meeting Friday morning, July 14, on the subject "The History and Personalities Connected with the Passing of the Smith-Lever Act."

Other noted speakers will include F. F. Hill, governor of the Farm Credit Administration, Washington, D. C.; Mrs. Joseph Perkins, president Texas Federation of Women's Clubs, of Eastland; and H. S. Hilburn, editor of the Plainview Herald. Walter Jenkins of Houston will again lead the group singing.

AAA EXTENDING AERIAL PHOTOGRAPHY AND MAPPING

When the AAA gets through with its new aerial mapping program this summer it will have obtained bird's-eye view of two counties which haven't had their pictures taken yet and 30 others which have developed surface changes requiring new photographs to be made.

Recent contracts call for 1,571 square miles of virgin aerial photography and 25,356 square miles of reflight in counties where additional terraces have been built, new roads

constructed, timber cleared, farm boundaries moved or other changes made in the face of the earth which might enter into checking of compliance with the farm program.

Romeo Korth, Eceto stock farmer and member of the Texas Agricultural Conservation Committee, said the negatives will be retained by the AAA and that farmers will be able to purchase copies of the new maps at relatively small cost and use them in planning their own farming operations.

Hood and Clay counties will be photographed for the first time, under the current contracts. Counties to be refloated are Austin, Angelina, Caldwell, Cameron, Cherokee, Crosby, Dawson, De Witt, Fayette, Freestone, Gonzales, Gregg, Harrison, Haskell, Hidalgo, Houston, Howard, Knox, Limestone, Madison, Marion, Martin, Nacogdoches, Panola, Rusk, San Patricio, Shelby, Titus, Upshur, and Washington.

The photography will cost \$58,155 and is to be done by Edgar Tobin, Aerial Surveyors of San Antonio; C. S. Robinson, Aerial Surveyors of Ithaca, N. Y., and Aero Service Corporation of Philadelphia, Pa.

The AAA is checking compliance by means of aerial maps this year in 158 counties, 50 of which are having it done that way this year for the first time.

Korth estimated that gathering and preparing aerial maps in Texas had cost around \$326,000, but that the economics and accuracy effected through use of the photos have amounted to many times the cost.

DRY YEARS USUALLY MEAN HIGH PROTEIN WHEAT

A dry year in Texas usually means high protein wheat, and that's one reason why wheat farm leaders here are glad to know that the Commodity Credit Corporation will grant protein premiums this year in addition to the regular loan rates, already announced.

The grain must contain at least 13 percent protein to be eligible for a premium. The bounty is 1 cent a bushel for Texas wheat of 13 to 13.9 percent protein, and one cent for each additional percent, beginning at 14.

Charles Thomas of Pampa, wheat producer and member of the Texas Agricultural Conservation Committee, said undoubtedly a lot more farmers will take advantage of the wheat loan this year than did last year, as the 1939 program has come out in time for the farmer to give it plenty of thought and soon enough for the AAA to set up lending mechanism before harvest is too far along.

Wheat loans likely will be made in 127 counties this year, he said.

Selected as Cowboy Reunion Sponsor

Miss Helen Rosenwasser, daughter of Mr. and Mrs. Louis Rosenwasser, has been selected by the Stamford Chamber of Commerce as Stamford's sponsor at the Texas Cowboy Reunion to be held in that city July 2, 4 and 5. Miss Rosenwasser will assist the Reunion hostesses, Mrs. W. J. Bryant, in entertaining the visiting sponsors. She will not compete in the sponsors' contest in which a handsome saddle and other prizes will be awarded.

SWIM CAMPAIGN IS SLATED TO START ON JULY 5TH

Following the finals of the Spur Swimming Pool celebration here on July 4th, a special Swim Campaign will be launched on Wednesday, July 5th, says an announcement from Pool Manager, Mrs. Julia Cane, and her assistant, Miss Waltrena Russell.

In drawing up the schedule for the classes that will be held, Mrs. Cane and Miss Russell assert that one of the most attractive prices ever brought to this area has been set for the special instructions. The first week has been designated for beginners, the second week for intermediates, and the third week for the advanced. Price of the instructions is only 5c for 30 minutes, with the most competent instructors in charge.

Schedule Made

A schedule for the Swim Campaign has been submitted, and includes the following hours for each:

- 6:00 to 6:30—Business Men.
- 6:30 to 7:00—Business Men.
- 7:00 to 8:00—Mixed Swim.
- 8:00 to 8:30—Housewives' Class.
- 8:30 to 9:00—Housewives' Class.
- 10:00 to 10:30—Girls, 8 to 12 years.
- 10:30 to 11:00—Girls, 12 to 18 years.
- 11:00 to 11:30—Boys, 8 to 12 years.
- 11:30 to 12:00—Boys, 12 to 18 years.
- 12:00 to 12:30—Business Girls.
- 12:30 to 1:00—Business Men.
- 1:00 to 1:30—Life Saving, ground instructions.
- 1:30 to 2:00—Lifesaving, water.
- 2:00 to 2:30—Girls, 5 to 8 years.
- 2:30 to 3:00—Girls, 18 to 20 years.
- 3:00 to 3:30—Boys, 5 to 8 years.

3:30 to 4:00—Boys, 18 to 20 years.
4:00 to 4:30—Housewives and children up to 8 years.
4:30 to 5:00—Tiny Tot water games.

7:30 to 8:00—Business Girls.
8:00 to 9:30—Business Men.
9:30 to 10:00—Mixed Swim.

It will be of interest to many people to know that cards, whereby many savings may be made, are now on sale at the swimming pool. For instance, if you went in swimming 30 times at 15c each, the total

TOMATO ONE OF AMERICA'S CONTRIBUTIONS TO THE WORLD

The tomato is one of America's contributions to the world. Early explorers carried it back to Europe where it was regarded first as a curiosity, then as a poisonous plant, and finally as the "love apple."

Italy first recognized the tomato as a prized food, and it was grown there for nearly three centuries before it came back to America. Since

FARMERS SHORT COURSE IS PREDICTED TO BE THE MOST SUCCESSFUL IN RECENT YEARS

A preview of the program for the annual Texas A. and M. College Farmers' Short Course plus the interest expressed by farm and ranch families, has led H. H. Williamson, director of the Texas Extension Service, to predict that the 1939 session will be one of the most successful in recent years.

As in 1938, the current meeting will be divided into two sections—one on July 5, 6, and 7 for 4-H club boys and girls, and a second one on July 12, 13, and 14 for adults. Division of the Short Course allows the institution to provide sufficient accommodations for the crowds.

The 4-H club program will consist of selection of outstanding club members, talks by representatives to the recent National 4-H Club Encampment at Washington, D. C., social activities, and will be climaxed by the colorful ceremony of the gold star awards to the 100 boys and 100 girls selected for this honor.

The theme of the adult program will be land use planning, with farm people taking the major part. Guest speakers will be headlined by A. F. Lever of South Carolina, former congressman who was joint author of the Smith-Lever bill on which extension work is based. Walter Jenkins of Houston will again lead the group singing.

SUMMER DAYS BOOST TEXAS ICE CREAM PRODUCTION

Approach of summer days boosted production of Texas-made ice cream to 1,075,000 gallons of ice cream, an increase of 34.2 per cent over April and 19.6 per cent above May of last year, University of Texas business statisticians said today.

Other dairy products, butter and cheese, boomed in quantity produced over April, but dropped sharply below May, 1938, figures.

COLORS APPROVED FOR 1940 LICENSE PLATES

Julian Montgomery, State Highway Engineer, today announced that the State Highway Commission had approved the colors to be used in the 1940 Motor Vehicle License Plates as follows:

SUMMER PROJECT WORK

PROGRESSING WELL

Homemaking students working on summer projects have interesting things under way. Several projects will be completed this week. Quite a number will not be completed until later in the summer. To permit this group to show their work along with the other group the Achievement Day for the summer program has been placed the last week in August.

The girls have been meeting once each week to work on some improvement projects for the homemaking department. These will be exhibited along with the individual projects on their Achievement Day.

Club programs for next year have been worked out by one group, and the year book will be ready for the printer in the fall.

HELP STOMACH DIGEST FOOD

Without Laxatives—and You'll Eat Everything from Soup to Nuts

The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich foods or when you are nervous, hurried or chew poorly—your stomach often pours out too much fluid. Your food doesn't digest and you have gas, heartburn, nausea, pain or sour stomach. You feel sour, sick and upset all over. Doctors say never take a laxative for stomach pain. It is dangerous and foolish. It takes those little black tablets called Bell-sans for Indigestion to make the excess stomach fluids harmless, relieve distress in no time and put you back on your feet. Relief is so quick it is amazing and one 25c package proves it. Ask for Bell-sans for Indigestion.

Fiery Itching Skin Gets Quick Relief

Home Treatment Eases Unbearable Soreness—Distress

There is one simple yet inexpensive way to ease the itching and torture of Eczema, Itching Toes or Feet Rashes and many other externally caused skin eruptions and that is to apply Moone's Emerald Oil right and morning and people who suffer from such embarrassing or unsightly skin troubles would be wise to try it.

Just ask any first-class druggist for an original bottle of Moone's Emerald Oil and refuse to accept anything else. It is such a highly concentrated preparation that a small bottle lasts a long time and furthermore if this clean, powerful, penetrating oil that helps promote healing fails to give you full and complete satisfaction you can have your money refunded.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nationwide reputation. Are recommended by grateful people the country over. Ask your neighbor!

When You Observe the Fourth of July, You Are Celebrating Freedom to Serve

FREEDOM, regulated by justice, dates back to July 4, 1776—the Birthday of America. This nation was founded on, and consecrated to, the idea of liberty, freedom, independence. This applies, not only to the nation as a nation, but to the individual in his daily life.

The Electric Industry, asking only freedom to serve efficiently and economically, contributes much to that priceless gift: more liberty and ever-greater freedom. Through Electric Service, men and women have been emancipated from thousands of tedious, nerve-racking, exhausting tasks both in the home and in other industries.

West Texas is traditionally the Land of Opportunity and the Home of the Free. Its history is linked with the fact that Your Electric Servant was free to keep pace with the region it serves... expanding its facilities to meet the needs of every community and anticipating your future demands for Service. As a result, you now are free to enjoy freedom from drudgery.

MRS. JOHN MIMS HOSTESS TO BIBLE BAND FRIDAY

The Bible Band met with Mrs. John Mims Friday, June 23rd with six members present.

For the Devotional the group read first Corinthians, 13th chapter, followed with prayer led by Mrs. Mims, in the absence of the teacher, Mrs. Tidwell. Each of the following took part in bringing the lesson, Mesdames Ericson, Lewis, Sauls, Wood, and Mims.

A refreshment plate consisting of ice cream and pound cake was served.

Our next meeting will be with Mrs. Ericson, June 30th. Other than those mentioned above was Mrs. Henry Simmons.

GLENN HOME DEMONSTRATION CLUB MET WITH MRS LORA HANEY THURSDAY

The Glenn Home Demonstration Club met Thursday afternoon of the past week in the home of Mrs. Lora Haney.

A demonstration on saving our self steps in the kitchen was given by Miss Jean Day, County Home Demonstration Agent.

We learned that if we have a business corner in our kitchen that is a special shelf desk or some kind, where we keep all our recipes, poultry records, and etc., we would save ourselves lots of steps.

After the demonstration, refreshments were served to Mesdames Curtis Goodwin, W. M. Norris, Miller Henry, Martin Smith, Miller Carothers, Slim Wilson, Bud Smiley, L. D. Norris, Homer Hughes, Belle Hinson, Dora Rutherford, Paul Baxter, Alma Lee Yeates, Lora Haney, and Miss Jean Day. We had one visitor, Mrs. Ed Glazner.—Reporter.

Commissioner and Mrs. B. M. Gage and son, from out in the Af-were business visitors in Lubbockton country, were visitors in Spur Saturday.

MRS. VASCOE WARD HOSTESS TO TRIPLE TREY CLUB THURSDAY

Mrs. Vascoe H. Ward was a charming hostess Thursday afternoon when she entertained her Triple Trey Bridge Club at her home 413 North Burlington Avenue. Mrs. Neal Chastain received the prize for high score made during the bridge games. Other players were Mesdames A. B. Chapman, L. D. Ratliff, G. B. Wadzeck, H. E. Thompson, Mark Wadzeck, Mac Woodrum, and J. P. Carson, Jr., of Oklahoma City.

A lovely refreshment plate carrying chicken salad, potatoes, pickles, ice box cookies and iced tea was served to the guests named and the hostess, Mrs. Ward.

BLUE BONNETT CLUB ENTERTAINED AT EVENING PARTY

Mr. and Mrs. Jim Foster and Dr. and Mrs. T. H. Blackwell were co-hosts Tuesday evening at the Foster home, 313 North Parker, entertaining the Blue Bonnett Club members and husbands.

Cut flowers were an added note of loveliness to the appointments of the seven tables at which 42 was the delightful diversion of the evening.

Brick ice cream and angel food cake were served at refreshment hour to Messrs and Mesdames J. P. Carson, W. S. Campbell, H. C. Foote, W. F. Gilbert, W. C. Gruben, Ned Hogan, John King, E. S. Lee, A. M. Walker, W. R. Weaver, Mesdames Lura Glasgow, of San Angelo, Emma Lee, C. H. McCully, P. C. Nichols, B. F. Hale, and Mr. and Mrs. Bob Simmons, of Rule, who are visiting her parents, Dr. and Mrs. T. ALEXANDER - BROTHERTON WEDDING IS PRETTY SUNDAY AFFAIR

Carrying out a surprise plan in every detail until the very moment of the wedding ceremony, Mrs. Gertrude Brotherton became the bride of Henry Alexander Sunday morning at nine o'clock, the wedding taking place at the Alexander home.

On pretense of having a number of friends meet a sister supposedly arriving in Spur, about twenty-five friends of the couple were invited to the Alexander home at the nine o'clock hour, and immediately after gathering, while chatting and awaiting arrival of "the sister," Rev. John C. Ramsay, pastor of the First Presbyterian Church, made his entry. On his arrival, the bride and groom arose and took their places to form the altar of marriage.

Henry Alexander, proprietor of the Alexander Dry Goods, has been living in Spur since 1931, managing his store here. Mrs. Brotherton came to Spur about three years ago, and during this time has been employed at the Alexander Dry Goods.

Mr. and Mrs. Alexander are receiving the congratulations of a host of friends, and will be at home to them at the Alexander residence.

RETURNS TO SPUR WITH BRIDE SATURDAY

Mr. and Mrs. John Riggs returned to Spur Saturday to make their home at Spur Experiment Station, and at which time their marriage, solemnized in November 1937 at Denton, Texas, was made public.

Mrs. Riggs is the former Miss Elizabeth Woods, of Sioux City, Iowa.

After a conjoined vacation and honeymoon, Mr. and Mrs. Riggs will be at home at Spur Experiment Station, where he will resume duties with the state agency.

Mr. and Mrs. Fount Harrell were shopping in Spur Saturday, coming in from their farm home in the Red Mud section of country.

COZBY-LATHAM NUPTIALS

Miss Launa Cozby, daughter of Mr. and Mrs. J. R. Cozby, and Mr. Clyde Latham, son of Mr. J. H. Latham were united in marriage in the home of the brides parents, Sunday, June 25. The Rev. C. A. Joiner, of South Plains, read the nuptial vows.

The bride is a graduate of Floydada High School with the class of 1931; she has attended West Texas State Teachers College and Texas Technological College. She has taught for the past five years in the Wilson Draw School.

The groom graduated from Spur High School with the class of '31. He attended Texas A. and M. and from there went to Arizona where he attended school. He is now employed in the County Agents office at Dickens.

Rev. Joiner performed the ceremony for Mr. and Mrs. Cozby, parents of the bride when they were married 28 years ago.

The newly weds left for a weeks bridal tour after which they will be at home in the Wilson Draw community about five miles east of Spur.

Their many friends join in wishing them much happiness and success throughout the coming years.

CARSONS AND KIN ROUNDUP

Mr. and Mrs. J. P. Carson I, accompanied by Mrs. J. P. Carson II, and baby Carson, J. P., III, left Spur early Sunday morning for Medicine Park, Oklahoma where they were joined by other members of the Carson family and a number of other near relatives for a day of feasting in visiting as well as a feast for nourishment of the body.

Others present included J. P. Carson, II and a host of relatives from Oklahoma, City; Mr. and Mrs. J. N. Carson and Miss Grace Carson, of Abilene, parents sister of J. P. Carson, W. H. Carson and family, J. S. Minton and family of Wichita Falls, also Mr. and Mrs. Fay Todd, of Coffeyville, Kansas, parents of Mrs. J. P. Carson II. A total of 41 of the Carson family and near relatives.

It was a very happy occasion according to reports of Mrs. Carson No. I, who added that she was a wee bit fatigued, however after the seven hundred and fifty mile drive there and home all in the same day.

RETURNS TO QUANAH

Miss Olga Shadid, who has been spending the past two weeks visiting in Spur with her cousins, John and Rose Shadid, and Mr. and Mrs. Geo. Shadid, returned to her home in Quanah Tuesday. George and John are proprietors of The Famous Store here.

Brink Carlisle of Steel Hill was attending to business affairs and greeting friends on the streets of Spur Saturday.

WHITES VACATIONING

Mr. and Mrs. A. O. White are leaving Sunday for a thirty days vacation and visit. First they will stop at Lott and visit their parents, and from there to Marlin for a real rest and relaxation, taking the famous Marlin water baths and recuperating in general.

Mrs. W. J. Pickens was here Saturday from her home six miles west of Spur, spending the afternoon here shopping with the merchants and visiting with friends in the city.

Tire Welders Say Farmers Using New Method

Proprietors Frank Adams and P. A. Smith of the OK Rubber Welding Shop say that they have really served farmers of this area in repairing tractor tires since the first of the year—their total number for the big tires reaching 51 the past few days. That, however, counts tractor tires alone, and does not include hundreds of weld jobs on automobile tires.

In a statement to The Texas Spur yesterday, Frank Adams asserted that many of the farmers that have used their repair work have returned to express pleasure in having advantaged themselves of the work. The OK boys guarantee every weld to be as strong as any other part of the tires, and say they have not had "one single kick-back to date."

One Girard farmer, W. H. Ripples, told the boys that "The tire you repaired for me is still giving good service after being driven over a thousand miles." Another man stated that he had better than eight thousand miles from a welded tire.

The OK Welders are now agents for Brunswick tires, and have a special trade-in plan that may interest many people. Advertising appears on another page of The Texas Spur.

Brown Boy Retains Title In Four Whirlers

With little surprise, except for perhaps a bare few on the sports fence, Brown Bomber Joe Louis took the heavy end of the pot again last night when he successfully defended the World Heavyweight title against Tony Galento, scoring a technical ko in the fourth round.

According to the radio version of the scrap, it was fast and furious while it lasted. However, there was a bunting in the game for the colored champ, with all the odds in his favor, when he carressed the mat in the first and third.

Another sad story for the fans—looks like these short fights may eventually ko the gate receipts.

Allen Auto Supply Staging Sale Of Tires

Many tire sales, C. V. Allen, proprietor of the Allen Auto Supply relates is the result of his advertising campaign for his big tire sale. His big sale on Marathon tires started June 22 and will end July 4.

This tire, however, includes only a part of his stock. An advertisement appears this week featuring Pathfinder tires, with special prices. If you have noticed Allen's previous advertising, you of course are aware of the fact that the firm now has a payment plan that will make tire purchases easier for many people. The budget plan permits people to buy tires and make regular payments instead of paying all cash at purchase.

Allen also reports other sales good. The store is one of the most complete auto supply houses in West Texas, and brings to people of this area the biggest values in accessories, batteries, car radios, etc., ever offered. In fact, when you see Allen's stock of goods, and learn the prices, a mail order house has no inducements that you can't find right here in Spur.

The Pathfinder Tire advertisement appears on another page.

SO-SUM CLUB

The So-Sum Club held its regular semi-monthly meeting at the home of Mrs. W. R. Weaver on Friday afternoon. Current events, exchange of recipes, and sewing ideas were the topics of conversation while the guests sewed during the afternoon.

A refreshment plate of pineapple cream salad, wafers, macaroons, and iced tea was served to Mrs. W. F. Godfrey and Mrs. H. H. Thompson, guests, and to Mesdames Ray Stovall, J. B. Reed, A. M. Walker, E. S. Lee, P. C. Nichols, E. M. Bailey, members.

Trio From Spur To Attend Short Course

According to Miss Jean Day, County Home Demonstration Agent, plans are already underway for Spur's representation at the annual Short Course at College Station, slated to take place on July 12, 13 and 14.

Mrs. Clark Forbis, vice-chairman of the County Home Demonstration Council, will be a member of the trio from Dickens County. Miss Day and County Agent Mack Woodrum will leave Spur on July 9th for the meet, but Mrs. Forbis will not leave until the 11th.

Mrs. Murry Lea, chairman of the County Council, will not attend the Short Course this year, the announcement stated.

Ray Dickson, Jr., Is Elected Snyder CC Secretary

At a meeting of the board of directors of the Snyder Chamber of Commerce Monday night, Ray Dickson, Jr., was chosen to head that city's promotional body as acting secretary, election calling for his stepping into the place for duty on July 1st.

Ray is the son of Mr. and Mrs. R. E. (Ray) Dickson of Spur Experiment Station.

For the past several months the younger Dickson has been connected with the West Texas Chamber of Commerce with headquarters in Abilene. The WTCC archives present a commendable record of his work with that body, and was perhaps instrumental in his being chosen for active service with the Snyder organization.

LOCAL GIRLS ATTEND A. H. E. A. CONVENTION IN SAN ANTONIO JUNE 18 - 24

Lavorize Lee and Winifred Lee of Spur and Mary Lee Harkey of Dickens were given parts on the national American Home Economics Association program which is a division of the club section of the national society. The club section opened its meeting June 18 at San Antonio, Texas and closed June 21.

Winifred Lee was a member of a panel of Texas girls who discussed "Our National Magazine." Winifred also took part in a discussion on "The Point System for Homemaking Club Awards." Lavorize Lee and Mary Lee Harkey assisted with a program on "Parliamentary Procedure." A demonstration initiation service was given as a part of this program.

The girls met other girls from practically every state in the union. They enjoyed the acquaintance of two representatives from the Territory of Hawaii.

This is the first time the American Home Economics Association has met in Texas. Last year the meeting was held in Pittsburgh, Penn.

POULTRY FLOCK NEEDS GREEN FEEDS TO MAKE PROFIT

A poultry flock without green feeds or green feed substitutes is a poultry flock without profit.

This flat statement comes from Geo. P. McCarthy, poultry husbandman of the Texas A. and M. College Extension Service, who points out that research workers are agreed that six of the known vitamins are essential to profitable production, and that of these vitamin A, which comes primarily from green feeds, is the most likely to be deficient in Texas poultry rations.

Absence of vitamin A, even for a short time, lowers the resistance of the birds to diseases and, over a longer period, brings on the serious condition known as nutritional roup.

Tests with identical lots of 25 white leghorn pullets fed identical diets and supplemented with vitamin A showed that one lot without vitamins produced only 682 eggs while another lot supplemented with green alfalfa was producing 3,021 eggs.

Fresh green feeds are the most economical source of vitamin A, McCarthy says. Most commonly used are alfalfa, barley, oats, wheat, lettuce, swiss chard, sudan grass, kale and johnson grass. Vitamin content is highest before the wood or mature stage is reached.

HELP STOMACH DIGEST FOOD
Without Laxatives—and You'll Eat Everything from Soup to Nuts

The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich foods or when you are nervous, hurried or choke poorly—your stomach often pours out too much fluid. Your food doesn't digest and you have gas, heartburn, nausea, pain or sour stomach. You feel sour, sick and upset all over. Doctors say never take a laxative for stomach pain. It is dangerous and foolish. It takes those little black tablets called **Boil-ans** for indigestion to make the excess stomach fluids harmless, relieve distress in no time and put you back on your feet. **Boil-ans** is so quick it is amazing and one size package proves it. Ask for **Boil-ans** for indigestion.
