

ANNOUNCING The Opening Of Leon Ice Company's Locker Plant, Saturday, April 20

The Leon Ice Company will hold Open House Saturday, April 20, for the benefit of patrons who wish to inspect the recently installed Cold Storage Lockers. We invite all the citizens of Spur and Territory to be our guests on that day.

THE MODERN REFRIGERATED LOCKER PLANT

What It Is

The modern refrigerated locker plant is an establishment completely equipped to handle and preserve, by cold temperature, meats, fruits, and vegetables over an extended period of time.

How It Operates

The locker plant is divided into four general sections—a chill room, processing room, freezer, and locker room. The complete service includes the proper handling, preparation, labeling, freezing, and storing in the individual lockers of all food entering the plant.

How Much Does Locker Rental Cost

Lockers will be charged for at the rate of \$10.00 per year. For use of drawers there will be an additional charge of \$2.00 per year.

Charges for cooling, cutting, wrapping, freezing, dating and placing in locker will be 1 1/2¢ per pound. For grinding meats and sausage, 2¢ per pound.

ALL PRICES ARE PAYABLE IN ADVANCE Advantages

The rapid growth of the refrigerated locker system can be explained by the fact that it fills a definite public need. It has demonstrated a positive economic value. The principal advantage is the opportunity afforded families to add fresh foods to their diet the year round. Frozen home-produced meats, fruits, and vegetables are likely to be more palatable than canned or cured meats. Freezing eliminates the drudgery of canning, reduces spoilage, and permits a better utilization of the carcass. Permits slaughter any time of year. Helps provide a wider market for farm products. Popular with fishermen, hunters, and sportsmen. Money saved through the refrigeration of home-raised foods releases more money for other foods and purposes, therefore a better living.

Cooling

After butchering, the carcasses are brought to the plant where they are hung in the chill room for proper cooling and aging. The meat is kept there until all animal heat is removed and as much longer as the patron wishes to age or ripen it.

Processing

When the meat is thoroughly cooled and aged, it is taken to the cutting or processing room. Here a skilled meat cutter cuts the carcass into the various steaks, roasts, chops, as desired by the patron. Each cut is then carefully wrapped in parchment paper, weighed, labeled, and dated, ready for freezing.

Freezing

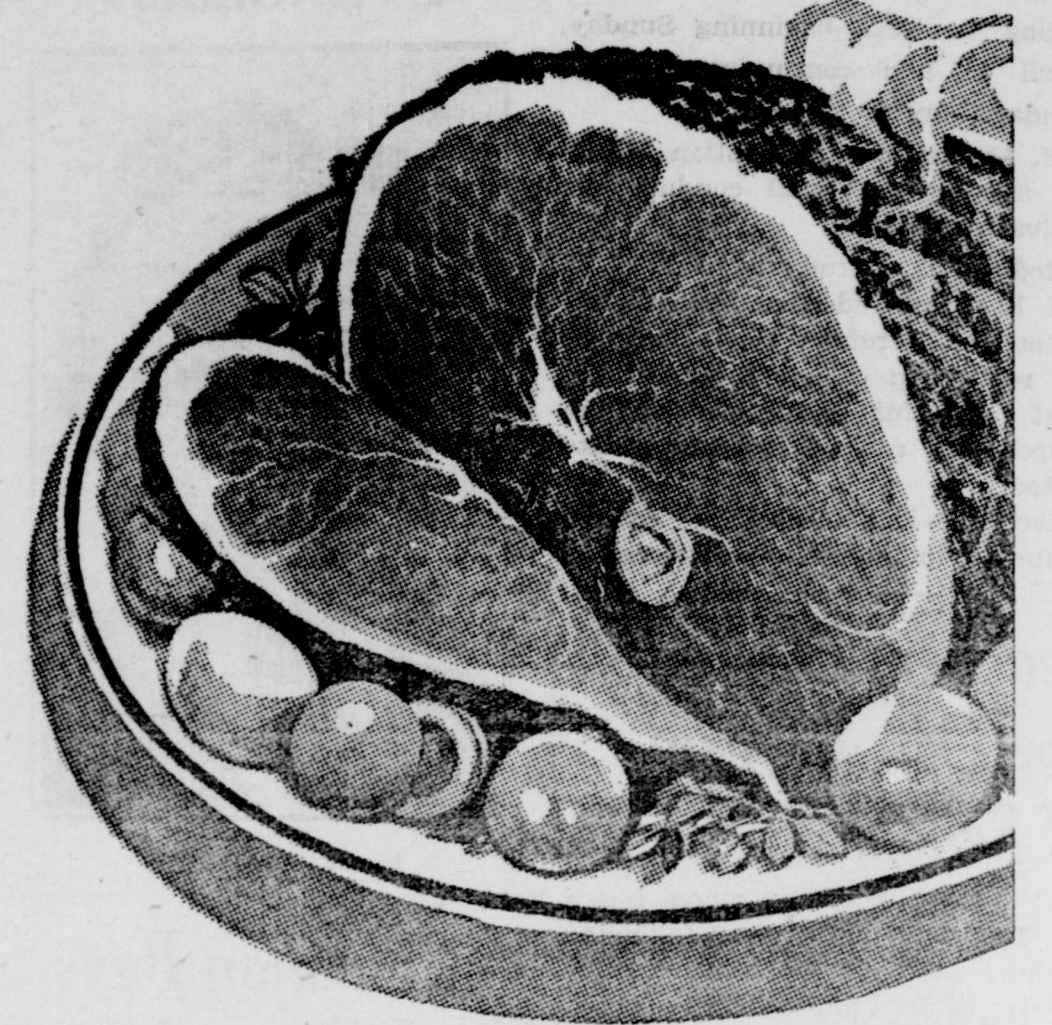

The patron's individual packages are then placed in the quick freeze room and frozen solidly within a few hours. Everything going into the locker must be frozen to prevent odor and drip.

Certain berries and vegetables can be frozen as well as meats. Frozen strawberries and peas are becoming very popular.

Storing in Lockers

After freezing, these packages are placed in the patron's locker which is kept in a room maintained at approximately zero to 4 degrees above.

Each patron has a key to his locker and can get his packages any time he calls.

By use of the lockers you can serve foods such as this throughout the entire year.

Miss Jean Day, Home Demonstrator, will give a lecture on the use of lockers and the cooking of frozen foods at the Spur Theatre at 2:30 Saturday afternoon.

Individual Opportunity Is The Foundation Of Progress

Thomas Jefferson, referred to by some historians as "the father of the patent system," was in fact the first patent examiner. When the patent question first came up, Jefferson was opposed to granting patents for they hinted at monopoly; but when he saw how the government, by giving patent rights, stimulated invention, he became an immediate advocate. Since 1900, it has been estimated that 100,000 new products have been placed on the market as the result of American ingenuity inspired by the patent system.

Let's not forget this today when government attempts to curb profit opportunity to the vanishing point, or abuse government privileges and power by competing with private enterprise. Whether you are an inventor who thinks he is deserving of reward for his accomplishments, or a fellow on a job earning a salary, you like to feel that opportunity and the possibility of personal reward are always ahead of you.

You grow with the times. Your community is constantly progressing. The reason is that the American people are an enterprising people and want to go ahead; not because

they are selfish people, but because they are proud of their freedom and the right to receive rewards for their own endeavors as individuals living in a free country. This was reasoned out in the days of the molding of our present United States and by great men who were responsible for the evolution of this country from a wilderness to the world's leading industrial and scientific nation. They knew that as long as there was sound government to regulate industry, monopoly could not exist and thereby destroy individual opportunity for reward.

Girard Seniors To Present Play April 19th

Be sure to see "Henpecked Husband," a comedy in three acts, presented by the Seniors of Girard High School, Friday night, April 19, 1940, at the school auditorium. If you want to spend two hours in fun, be sure to be present. This is a Royalty play, with a cast of twelve all-star players. Come early and be sure of getting a good seat.

MRS. TWADDELL RETURNS

Mrs. Madge D. Twaddell, former county school superintendent, who has been on an extended business visit to Spur, left Monday returning to her home in Mammoth, Arizona. Much pleasure was derived from the visit according to Mrs. Twaddell, however not having a car was a handicap and she did not get to see all former constituents and friends.

Mrs. Twaddell expects to return to Texas in May to begin working for the State Department of Education at Austin.

Dr. and Mrs. Clifford B. Jones, of Texas Tech, spent Sunday in Spur the guests of friends. Accompanying Dr. and Mrs. Jones to Spur was Miss Regina Lee, student in Texas Tech, who visited her mother, brother and sister, Mrs. Emma Lee, Charles and Ann Lee respectively.

Mr. and Mrs. M. C. Baum and family of McAdoo spent Sunday in Spur the guest of his sister, Mrs. Ann McClure and daughter Wynell, student in Texas Tech who was home for a week end visit.

Style Show At Dickens To Be Presented Thursday Night

Come to the "Style Show" at Dickens School Auditorium Thursday, April 18 at 8 o'clock p. m. See the Homemaking II-B girls model their tailored dresses and the I-B girls model school dresses.

You will want to see the tiny tots on the stage. They range in age from fourteen months to six years. The play garments that will be worn by the tiny tots are those made by the II-B Class.

Home project dresses will be modeled and winners announced.

Before and between divisions of the "Style Show" there will be boxing which will interest all ages because boys and men of all ages will box.

At the conclusion of the program the winners in each division will be announced, also the highest ranking try-out papers for the Future Homemakers Rally. Following the division ranking the names of the girls who have the highest average for the try-outs will be announced.

The admission will be 10 cents for all school children and 15 cents for adults.

Mr. and Mrs. L. C. Rasberry, prosperous farmers of the Dry Lake section of the country spent Saturday afternoon in the city marketing surplus produce and buying supplies of the merchants.

Mrs. Lucy Cowan and daughter, Emily, and Peggy Hogan motored to Lubbock Friday to accompany Mrs. Barbee, teacher of Spur High School, and Thelma Hale, speech student of Spur High School to the district Interscholastic meet.

Miss Ina Parker of near Paris, Texas and a former resident of Soldier Mound community, returned recently to Dickens where she is making her home with Mrs. Joe Baldwin.

Watch For Fire Traps

"For twenty years I have traveled 25,000 miles annually in fire prevention work. Each year I am astonished how frequently luck plays the major role in safeguarding against disaster in buildings where people assemble in large numbers. In far too many cases, ignorance or wanton disregard of the fundamentals of fire safety places your life and mine in jeopardy," writes T. Alfred Fleming, Supervisor of the Conservation Department of the National Board of Fire Underwriters, in Readers Digest. For example:

"In New England I saw a new movie theatre, seating 2,000. It had a secondary exit as required by law; but this exit opened into a 4 1/2-foot areaway, which had no outlet. It could accommodate about 20 people. How would you like to be in a fire there on Bank Night? Equal starting was an auditorium seating 5,000, in which the secondary exit opened 8 feet above the river—and not even a flight of steps leading down!

"In Ohio I got to church late one Sunday and found the main doors locked. The usher explained that it was the minister's idea—so he could get down to the door to greet everybody as they left. Meanwhile 750 people were dangerously confined in

a building with only one inadequate exit. I saw the same foolhardy procedure in a hotel, where a watchman padlocked all the fire escape doors at night 'to keep burglars out.' In both cases, conditions were remedied when local fire chiefs promised to chop down the doors if they were found locked again."

Many of us confronted with facts like these, think they affect only the other fellow—that they don't exist where we live. The truth is that it's a rare town where similar glaring hazards don't exist. Those hazards are our problem. And it's our duty to eliminate them before tragedy occurs.

The Honorable A. A. (Pat) Bullock, candidate for Representative of the 118th district, accompanied by Jim Cloud, both of Snyder, were visiting over the district last week in the interest of Mr. Bullock's campaign, and were pleasant callers at The Texas Spur office while in Spur Thursday. Pat Bullock is making a thorough campaign notwithstanding the fact that he is unopposed in his race.

Mrs. Mary Standifer and daughter, Mrs. Marchbanks, the former Robbie Standifer, were guests over the week end of Dr. and Mrs. Lillburn E. Standifer and daughter, Ann.

Personal

Mr. and Mrs. Buddy Wheeler, proprietors of the Stamford Inn, Stamford, Texas, were week end guests of his mother, Mrs. Della Eaton of the Spur Inn.

Misses Winnie Lee and Mozell Baum, of McAdoo, and Wade McDaniel of Spur motored to Lubbock Sunday afternoon to return Wynell McClure, student in Texas Tech, following an overnight visit at her home in Spur.

Miss Frances Gibson and friends Misses Mauna Loa Calahan and Kathryn Harding, students in Texas Tech were guests over the weekend in the H. P. Gibson home. Mrs. Gibson and small daughter, Doris motored to Lubbock Saturday to accompany the young ladies to Spur.

J. T. (Cap) Baze from over in Kent County was a business visitor in Spur Saturday buying supplies of the merchants and greeting other business visitors in the city.

W. B. Ford, an extensive and prosperous farmer in the Kalgary section of the country was among the business visitors in Spur Saturday.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or it Will Cost You Nothing

Over one million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. Sold on 15 days' trial ask for "Willard's Message" which fully explains this treatment—free—at GRUBEN DRUG & JEWELRY

FEEL PEPPY! RELIEVE THAT AWFUL BACKACHE

DUE TO FATIGUE AND EXPOSURE
Feel like stepping out again by relieving that backache (due to fatigue and exposure). Just rub on some En-ar-co and instantly it begins its four-fold work of helping soothe that back. Pleasant. At all druggists or send 10c for trial size to National Remedy Co., 55 W. 42 St., N. Y. C. Disp. X.

EN-AR-CO

SHE—Let's send our winter clothes to the Spur Tailors and have them cleaned and placed in moth proof bags . . .

HE—That's an excellent idea . . . they make no extra charge for this service. . .

Your winter clothes will be cleaned, pressed and sealed in moth-proof bags for only the cleaning and pressing charges.

FFA Leadership Contest Held At McAdoo

District competition of the Crosbyton District F. F. A. was held at McAdoo last Saturday, April 13, with Spur winning the sweepstakes.

Honors were awarded the Spur boys for taking second place in one-act plays and news rating, and third place in one-act demonstration, and second in public speaking. First place was won in Jr. Chapter Conducting, extemporaneous speaking and senior Chapter conducting, at a previous meeting.

Spur placed first with total of 12 places, Crosbyton second with 14 places.

The Spur team will compete in area leadership contests at Lubbock May 4. Winners at this meet will go to state contest at Sam Houston State College in Huntsville in June.

Texas has more than 9,000 local civil subdivisions with authority to levy taxes and issue bonds. Included are levee districts, water districts, drainage districts, school districts, irrigation districts, flood control districts, road districts and many others.

Development of East Texas' vast supplies of iron ore will be commercially possible due to enormous amounts of natural gas and oil in that area enabling it to meet competition of coal supplies in the other iron-producing regions of the nation, industrial experts predict.

Box and Pie Supper At Patton Springs Friday Night

The Home Demonstration Clubs of the Patton Springs School District, namely, Duncan Flat, Midway, and Afton, are planning a real, old-time, get-together in the form of a combined Box and Pie Supper on Friday night, April 19th, 8:00 p. m. at the Patton Springs High School Gymnasium. These ladies of the several clubs have joined forces in an effort to raise funds to buy dishes, table-clothes, and silverware for the Patton Springs High School Home Making Department. The total proceeds will be used for this purpose.

Beautiful boxes have been prepared in homes all over the school district and no one need doubt the goodness nor the quantity of the things that will be placed in them. All bidders are asked to consider time, effort, and patience involved in the preparation of these boxes before making the bids.

Local, county, and district candidates have been sent special invitations to be present on this most important occasion. A large crowd is expected and ample opportunity will be granted for the candidates to contact the many voters present and pass out cards for future reference.

All men, women, and children of the Patton Springs School District and adjoining districts and counties are asked and urged to be present and help make the Box and Pie Supper a real success.

The ladies of the several clubs are not confining the boxes and pies to their groups alone. Any lady or girl in the Patton Springs School District may bring a box or pies. Help is asked from every one who is interested in the school at Patton Springs.

The Home Making Department does not want to have to borrow, borrow, anymore after Friday night. Help them by being present and participating in the program.

The Band and Glee Club will give a program in connection with the evenings events.

Spur Students Win Honors In District Meet At Lubbock

With Mrs. Barbee as sponsor and instructor, Alfred Walker and Thelma Hale attended the district meet in Lubbock last Friday and Saturday where they competed against teams from other West Texas Schools.

Walker won second place in Jr. boys declamation contest while Miss Hale placed first in senior girls declamation.

In extemporaneous speaking Jack Ramsay won second place. Boys and girls debate teams competed in the meet, the boys, Virgil Murray and Billie Powell defeated Brownfield in the first round but were eliminated in the second round by the Lubbock team.

Dorothy Hines and Helen Dodson lost to Lamesa in the first round of debate.

Boy Scouts To Gather At Camp Post

Camp Post, Boy Scout camp of the South Plains, is beckoning many a Boy Scout this summer, opening on May 19, Sunday for the first period. Four other periods will follow, of a week each, Alex McDonald, camping chairman, said.

Fees range from \$4.75 a week to \$6.00 depending upon how they are paid by the Scout.

Cubs will hold a weekend camp with their dads on May 11, Saturday and May 12, Sunday at Camp Post.

DICKENS COUNTY-GIRARD SING-SONG TO MEET AT GIRARD SUNDAY

The Dickens County-Girard Sing-Song will meet at Girard next Sunday beginning at 2:00 o'clock p. m. Everybody invited to attend and bring your song books.

The Pastor's Sermon Topic Sunday Morning will be: "The Value of Enthusiasm." Special music will be rendered.

Sunday is to be observed as Church School Day. At the Evening Service a Program entitled "Sowing and Reaping" will be rendered. This Program has for its theme evangelism in the home and in the church and is developed by four short episodes, each of which is intended to exemplify some phase of the work carried forward by our program of Christian education.

We want the largest attendance in Sunday School next Sunday we have had this year. You can help us reach that goal by attending on this, our Church School Day. Be in Sunday School Sunday.

We will start a meeting at Red Hill Friday night the 19th to run through Sunday 28th. Services at nights only except Sundays, when services will be at 12:00 noon.

We are always delighted to have visitors in all our services. We welcome you.

Society

1925 BRIDGE CLUB MEETS AT SPUR INN WEDNESDAY

The 1925 Bridge Club had their regular monthly luncheon Wednesday of last week at one o'clock at the Spur Inn.

Mrs. J. L. Rosamond made high score and received the dinner napkin.

Others playing were Mesdames Henry Alexander, M. C. Golding, C. R. Gollihar, F. W. Jennings, A. C. Hull, Hill Perry, V. V. Parr, Lilburn E. Standifer, Riley Wooten, Horace Gibson, Ty Allen, C. H. White, Crit McDonald, W. R. Lewis, Mary Putman, Jimmie Smith, and Miss Julia Mae Hickman.

MRS. C. H. WHITE HOSTESS AT BRIDGE PARTY FRIDAY

Mrs. C. H. White was a charming hostess Friday of last week when she entertained with a three table bridge party at her home 320 East 2nd Street.

High score prize was awarded to Mrs. Guy Karr and second high to Mrs. Hill Perry.

Others playing were Mesdames Neal A. Chastin, A. C. Hull, Roy Harkey, C. L. Harris, F. W. Jennings, M. C. Golding, Ty Allen, Marvin Vaughn, Eldon Cook, and Ann B. McClure.

At refreshment hour the hostess served a salad plate.

MRS. JOHN RIGGS ENTERTAINS WITH LOVELY PARTY

One of the lovely parties of the past week was that of Tuesday afternoon when Mrs. John Riggs entertained with two tables of bridge at her home on East 3rd Street.

Cut flowers were used as house decorations.

Mrs. Neal A. Chastin made high score in the bridge games and was presented a prize. Mrs. Guy Karr received second high award.

Other guests were Mesdames O. C. Thomas, V. V. Parr, L. E. Standifer, Hill Perry, M. C. Golding and B. C. Langley.

The hostess served a lovely refreshment plate to the guests named.

LITTLE MISS CAROLYN KELLEY BIRTHDAY HONOREE

Mrs. O. L. Kelley entertained Thursday, April 11, with a party honoring her daughter, Carolyn, on her 4th birthday anniversary.

Indoor games directed by Mrs. Kelley were enjoyed by the children.

The birthday cake bearing 4 lighted candles was the center of attraction. Candles were blown out and the cake was cut and served with ice cream. The Grab Bag was the delight of the guests.

The honoree was presented with appropriate gifts from the following:

Lois Ann Callan, Kenneth Slough, Jimmy Don Miles, Annetta Petty, Franklin and Max Gabriel, Bruce Jennings Long, Donald George Snodgrass, Douglas McArthur, Sandra Jon Watson, Nicky Nichols, Myra Alice Ratliff, Charles Adam Lee, Almeida Ratliff, Alfred Roberts, Don McGinty, Elaine Rosamond, Joe Bell, George Harris, Janice and Nan L. Alexander, Barton Groves, Annette Lee, Lucy Nell Boothe, Kathleen Kelley and honor guest Carolyn Kelley.

ALLENS AND PAYNES ARE HOSTS TO EXCHANGE CLUB

Mr. and Mrs. C. V. Allen and Mr. and Mrs. J. C. Payne were co-hosts and hostesses to members of the Exchange Club and their husbands Thursday night, April 11.

Games of 84 were played, members of the club received gifts from their pals and all the guests received gifts also.

A plate of delicious ice cream and Angel Food Cake was served to the following:

Messrs and Mesdames B. T. Moore, M. M. Burns, J. H. Miles, Fred Kinney, M. A. Lea, Fox, J. F. Harrell, Edwin H. Bodeker, Clark Lewis, Loyd Roberts, Mrs. L. R. Barrett, and the hosts and hostesses.

The club will reveal pals at the next meeting.

CARD OF THANKS

We wish to take this means of expressing our heartfelt thanks and deep gratitude to the Church of Christ at Spur, for their liberal giving rendered us after our home was lost by fire. May God's richest blessings be with every one of you. Mr. and Mrs. M. C. Rankin and family.

DORCAS CLASS OF BAPTIST SUNDAY SCHOOL ENTERTAINED
 Mesdames W. F. Cathey and E. B. Daniels were co-hostess Friday, March 29 when they entertained as a courtesy to their Sunday School Class members at the Cathey home 4 miles south of Dickens City.

The house decorations were spring flowers artistically arranged.

An exchange of gifts, a conversation and contest games were the diversion for the afternoon.

A salad refreshment plate with wafers, hot cocoa and coffee was served to those present and enjoying the occasion.

Those present were: Mesdames P. H. Miller, Cal Martin, Dozier, J. D. Powell, S. I. Powell, Draper, Bowman, Hutto, Bennett, Woltmon, J. O. Harkey, Marsh, Smith, Williams, Hicks, Hattie Turvin, Harry Patton, Mecom, Burks, Self, Adam Howe, Rich, Joyner, Whitwell, Garrett, and Miss Jennie Shields and the hostesses, Mrs. Cathey and Daniels.

MRS. TAB WILLIAMS HOSTESS TO AFTON H.D. CLUB

Mrs. Tab Williams was hostess to the Afton Home Demonstration Club April 10. After a business meeting a short recreation period was held, Mrs. M. L. Kelly directing the games.

Then the agent, Miss Day, gave an interesting demonstration on planning and improving the living room. Refreshments consisting of sandwiches, potato chips, a gel food cake and ice tea was served to the following: Mesdames Gus Martin, Claude Flippen, R. E. Ford's, V. S. Ford, M. L. Kelly, Alva Parson, W. A. Ayers, Byron Haay and the hostess.

The club will meet in the home of Mrs. Manuel Ayers April 24.

BLUE BONNET CLUB PARTY

Dr. and Mrs. B. F. Hale and Mr. and Mrs. E. L. Caraway were delightful hosts and hostesses Thursday evening when they entertained the Blue Bonnet club members and husbands with a five table 42 party at the Hale home 617 N. Burlington.

After the games the hostess served a salad refreshment plate to the guests including Messrs and Mesdames O. L. Kelley, O. C. Arthur, G. H. Snider, W. S. Campbell, P. C. Nichols, M. H. Brannen, E. S. Lee, and Mesdames Kate Morris, Emma Lee, E. C. McGee, W. C. Gruben, and hosts, E. L. Caraway and Dr. B. F. Hale.

MRS. L. E. STANDIFER IS HOSTESS AT BRIDGE LUNCHEON

The L. E. Standifer home was the scene of a gala day Friday when Mrs. Standifer entertained from 1 o'clock til 3:30 with a three table bridge luncheon as a courtesy to a group of former associates and friends of Turkey.

Tulips and other spring flowers as house decorations was an added note of beauty to the reception room and party appointments.

High score favor went to Mrs. Clayton Horn and second high to Mrs. Tom Salem.

Other guests were Mesdames Don Jones, W. Eddins, Lee Bardy, Bill Hardcastle and Laurence Hedvick, of Turkey; Ty Allen, Burford Johnston and Crit McDonald, city.

FFA Chapter Has Meeting Monday

Regular meeting of the Spur Chapter of the F. F. A. met Monday morning in the vocational agriculture room.

Meeting was opened in regular form. Plans for a Father-Son banquet were discussed. Chapter conducting teams were chosen to compete in the district area for leadership at Lubbock May 4.

The team voted to have a barbecue at the stadium Wednesday night, May 1. Robert A. Manire, State Director of Vocational Agriculture will be the principal speaker on this occasion.

Meeting was closed in usual form. About forty members were present.

Mrs. P. A. Clemmons and daughter, Miss Robbie, visited in Dallas the first of the week.

The first oil well completed in Texas was in 1866 near Oil Spring in Nacogdoches County.

Patton Springs School News Notes

First Grade—Sally Jackson
Each pupil of this room has completed a health booklet. The pupils are proud of their booklets and have them on display on the bulletin board.

We have been working in our flower bed this week. We planted some seed and set out some plants and are anxious to see them begin to grow. We are planning a study of wild flowers in the near future.

First Grade—Helen Porter
The first grade boys and girls decided on Wednesday of this week that warm spring was here to stay and they transplanted flowers from their hotbed in the schoolroom to the outdoor flower bed. Old man winter returned for an unwelcome visit Thursday night and with his icy fingers turned the flowers black. But these boys and girls have already made plans to bring more seed and replant the bed next week.

Second Grade—Jack Powell
The children in the Second Grade have been enjoying the Story Telling Hour each Wednesday at 9:45 that comes over station KFYO. Wednesday, 10th a story was given on Why the Dandelion is a Child's Flower.

This week we began a new campaign for clean hands and teeth which we will continue over four weeks at which time a prize will be awarded the one or ones receiving the greatest number of marks. Those in the lead this week are Drueline Byrd, Evelyn Gage, Elsie Havens, Alvis Lee, and Wanda Fay Rasberry.

After the severe cold spell Thursday night Dee Baxter found a Monarch Butterfly on the playground that was frozen. He brought it in and placed it near the fire, hoping it would revive. The entire

class was sorry it didn't. Friday we were pleased to have Little Delwan Hughes visit with us. We always enjoy having visitors with us.

Reading and Art—Fay Robinson
Various kinds of flowers were planted this week by the 5th grade in their flower garden. Continuing this interest, pressed flowers and leaves formed the subject matter for spatter painting in the art classes.

The 7th grade reading class has spent the last few weeks reading of the various industries in the world that grow out of natural resources — mining, fishing, farming, ranching, etc.

Members of the class are working out decorative wall hangings using as their subjects the material gathered in class.

Social Studies—Bess Thurman
The seventh grade civics class attended court in Dickens Wednesday. The class has been studying the Judicial Branch of our state government and this field trip proved to be a worthwhile event.

The sixth and seventh grades worked in the flower beds this past week. Both beds are planted now and everyone is awaiting the day when the first plant sprouts.

Seventh Grade—Stetson
COURT OF HONOR

Patton Springs Boy Scout Troop No. 84 will hold a Court of Honor May 14, 1940, 8:00 p. m., in the gym. The Court of Honor will be held for advancement and for new Scouts.

SCOUT CIRCUS
There will be a Scout Circus in Lubbock, Texas Tech Stadium, at 8:00 p. m., May 3, 1940.

The Patton Springs Scouts are in four of the 15 events. The advance sale of tickets are 25c and are now on sale at the schoolhouse. Box office tickets are 35c.

Speech-Band-History—Paul Pattillo

The Junior Class gave "No Bride for the Groom," a three-act comedy. A good crowd was there and everyone seemed to enjoy themselves. Members of the cast were: Helen Kelly, Melvin Hamm, Ouida Armstrong, Lee Robinson, David Robinson, Goldie Lee Smiley, W. T. Newberry, Bobbie Randolph, Addie Lee Kissinger, Betty Jo Glazner, and Lou Wanna Dunlap, and Louis Rigby. The proceeds from the play will be used to help defray expenses of Jr.-Sr. Banquet.

Homemaking—Fay Armstrong

This week the Homemaking girls worked hard preparing for the Father - Son Banquet which was held Wednesday night. The following girls selected as Farmerettes by the FFA boys served the banquet:

Tommie Bridge, Oletha Cates, Ila Mae Hodgins, Pauline Ford, Johnnie Ruth Belsher, Jean Byars, Melba Robinett, Adaline Byars, Goldie Lee Smiley, and Ouida Armstrong. They

wore blue skirts and blouses trimmed with gold buttons and belts, carrying out the FFA colors.

Voc. Ag.—Manuel W. Ayers

Forty-six Future Farmer members, their fathers and special invited guests enjoyed the Annual FFA Father & Son Banquet held in the Patton Springs School Auditorium Wednesday night, April 10.

Mr. J. D. Strickland, assisted professor of Animal Husbandry at Texas Tech was the main speaker and his address was greatly enjoyed and appreciated.

Miss Faye Armstrong and Mr. M. L. Kelly were awarded an honorary degree into the local F.F.A. organization.

The Crosbyton District F.F.A. one-act play and news writing contests were held at McAdoo Saturday, April 13th. Patton Springs played first in the one-act play contest. The cast of "The Tater Project" was as follows: Gilbert Ragland, Norris Kissinger, Morris Hicks, Robert McSpadden, Joe Raymond Goss and Sidney Baxter. This cast will compete in the Area Leadership Contest at Lubbock, May 4.

W. T. Newberry won 3rd place in the news writing contest.

English—Mrs. Paul W. Pattillo

Della Dean BaxtDer, Junior of Patton Springs High School won 3rd place in the District Ready Writers contest at Lubbock the past week end. She is following in the footsteps of her sister, Lizzie Lou Baxter Clements, who went to the State Meet in the same event in 1935.

Commercial—Mr. Sullivan

Melba Starrett won second place in the district typing contest at Lubbock, April 13th. She will go to Canyon Friday evening where she will spend the night and then type Saturday morning in the Regional contest at West Texas State Teachers College. The three highest individual typists in this contest will go to Austin for a state typing contest on May 7.

The typing contest is an individual contest from the time the contest leaves the county division and we feel especially proud of Melba in defeating some of the larger schools of Lubbock, Plainview and others, representing 17 counties in this part of the state. We feel that she at least has an equal chance to win at Canyon.

COMMERCIAL TRIP

Plans for a 750 mile commercial trip is progressing nicely. We have appointments with business concerns and places of interest in Fort Worth, Dallas, Denton, and Glinesville, Texas. The trip is scheduled to leave on Thursday, April 25.

Mrs. R. E. Dickson and Billy Hilly motored to Fort Worth Friday to return Miss Lillian Grace Dickson, student in T. C. U. to her home here for a week end visit. Miss Nancy Sugart of Handley and a student also in T. C. U. accompanied them to Spur for a week end visit in the Dickson home; another distinguished guest in the Dickson home was their son, R. E., Jr., Secretary of the Snyder Chamber of Commerce.

Mr. and Mrs. J. M. Owens and daughter-in-law of the Guitar Ranch were among the business visitors in the city Saturday.

The cost of State government in Texas in 1924 was \$50,519,819. By 1938 it had more than trebled, being \$157,747,878.

The manufacture of petroleum products from Texas oil constitutes 41 per cent of all the manufacturing in Texas.

Eighty per cent of all the crude oil produced in Texas is refined in Texas. Less than three per cent of the cotton produced in Texas is processed in Texas and none of the wool or mohair.

Nearly one-third of all the oil produced in Texas comes from old pumping or stripper wells.

The town of Kilgore showed a population increase of more than 1,000 per cent within eight years after discovery of oil in East Texas. Nine other East Texas cities showed an average population increase of 180 per cent.

CHEVROLET'S Exclusive VACUUM-POWER SHIFT

easiest of all gearshifts to operate...

80% Automatic... Only 20% Driver Effort!

because **ITS ACTION IS EASIEST!**

Tests prove Chevrolet's to be the easiest steering column gearshift to operate. Compared with the two cars next in sales Chevrolet requires only 2.8 ft.-lb. effort, Car B 8.5, Car C 14.8.

because **ITS LEVER AND ITS "THROW" ARE SHORTER**

Chevrolet's lever and its travel or "throw" are the shortest, and that means the quickest shift. Length of Throw: Chevrolet, 4 1/4"; Car B, 7 1/2"; Car C, 10 3/4".

because **IT'S EFFORTLESS IN TRAFFIC**

Stop and Go—Red and Green—Halt! Start! That's traffic. And that's where Chevrolet's easy shifting is appreciated. Vacuum does 80% of the work; only 20% is done by the driver. No tugging, no shoving!

"CHEVROLET'S FIRST AGAIN!"

Eye It... Try It... Buy It

The 1940 Chevrolet gives higher quality at low cost!... Low Prices... Low Operating Costs... Low Upkeep.

FAMOUS SINCE 1880

FEELS BETTER TODAY THAN IN YEARS SINCE TAKING HERBTX

Claysville Man Had Nervous Indigestion, Suffered from Gas, Sour Stomach, Cramps and Heavy Feeling. Was Billious, Constipated and Dizzy. Says Herbtex Is Wonderful.

"Before I started using Herbtex I suffered for years owing to the condition of my stomach, liver and bowels," says Mr. W. H. Kerns, of Claysville, Pa.

"My stomach had gone from bad to worse and it got so that there was hardly a thing I could eat that wouldn't cause me a lot of trouble. Why, I would hardly finish a meal but what I would be taken with sharp attacks of indigestion or heart burn, and everything in my stomach would feel like a lump of lead. Constipation troubled me almost constantly, and my liver was so sluggish that I often felt bilious and sort of washed out. My sleep was not at all refreshing, my food never seemed to taste right.

"My nerves were shattered and I often had dizzy spells that almost laid me out.

"I had tried so many different medicines without getting any better that I had almost given up hope of getting well again, but a friend of mine told me that I ought to try Herbtex as it seemed to be helping everybody, so I got a supply of Herbtex, even though I was a bit skeptical at first. Within a few days

I commenced to feel better and by the end of the third week I was feeling like my real self. Now I have a good appetite and the fine

MR. W. H. KERNS

part of it all is that everything I eat agrees with my stomach and I never suffer from the gas, cramps or sourness.

"The constipation has been overcome, my nerves have calmed down, I haven't had a dizzy feeling in weeks and my strength has been restored. I'm happy to relate my experience with Herbtex hoping it will be read by others who suffer like I did and that they will also try Herbtex."

SPECIAL OFFER: regular price of Herbtex is \$1.25, send only \$1.00 Money Order, Cash or Check to Herbtex Co., Dept. Tx20, Wheeling, W. Va., and a package of Herbtex (over a two weeks supply) will be sent you postage paid.

Do You Know Texas?

A reader of this newspaper can get the answer to any question of fact by writing to A. Garland Adair, Curator of Patriotic Exhibits, Texas Memorial Museum, Box 1770 University Station, Austin, Texas.

Q. What is the oldest grant in the General Land Office? T. P.

A. According to Bascom Giles, present Commissioner, the oldest grant is that of the Queretaro Missions at San Antonio—Concepcion, Espada and San Juan—to certain Indian tribes "reduced to a Christian and civilized community," by the Viceroy of Mexico on October 4, 1730. The captain of the military post at San Antonio on March 5, 1731, put the chiefs of the tribes in possession of their land, taking each by the hand, leading him about the circumference of the location, and having him pull up grass, throw stones, and perform all the other acts of true possession.

Q. What was the Archives War? C. C.

A. In 1842, President Houston instructed Col. Thos. Wm. Ward, the peppy Commissioner of the Land Office, to remove "the archives and government stores" to Washington on the Brazos. In a confidential letter, he said: "They are certainly in a very precarious and unsafe situation. What the Mexican or Indian enemy might not do, I am led to believe by various threats that have reached my ears, might be accomplished by the irresponsible, unprincipled and lawless among our own citizens. I am told that their destruction by fire has been frequently denounced by some of those who oppose their removal. Such an event would produce not only incalculable but irreparable injury to the people of Texas. . . . Certain indignant citizens of Austin did not share the President's opinion. They gathered at Col. Ward's house and fired 'a Howitzer loaded with grape' into it, with the cry of 'Blow the old house to pieces!' While the archives were being slipped out in the custody of two clerks, their wagon was stopped and the records stolen and taken to a house on Pecan (now 6th) Street. While this was going on, other residents of Austin were kept from boredom by an Indian attack."

Q. What is the Texas Historical Association? When was it founded? By Whom? For what purpose? What are the requirements for membership?

A. The Texas State Historical Association was founded at Austin in 1897 for the purpose of collecting and preserving sound historical information about Texas. The founders were Dr. George P. Garrison, John H. Reagan, Gov. F. R. Lubbock, Gov. O. M. Roberts and John S. (Rip) Ford. The Association has always had a distinguished membership composed of people interested in Texas history. Since its foundation it has published The Southwestern Historical Quarterly, a journal that ranks high in quality and scholarship. Dr. Walter Prescott Webb states "Membership is open to those interested in preserving Texas history. Applicants are recommended by the Executive Council and voted on by the Association at the annual meeting. Headquarters are at Austin."

Q. What are Junior Historians? When was this organization founded?

A. The Junior Historians are Texas High School boys and girls who are members of a chapter of the Junior Division of the Texas State Historical Association. A chapter may be formed by ten members in an accredited high school. A charter is issued by the Texas State Historical Association. The Junior Historians devote themselves to the collection and preservation of historical material about their own county and community.

Q. What is the question most often asked by visitors to the Spanish Archives in the General Land Office?

A. Whether the records of Spanish grants in those Archives are not merely copies of the original titles? They are not copies but, in almost every case, the original titles.

Q. What is to be done with the Confederate Home of Texas at Austin when all old Confederates have passed "over the river to rest under the shade?"

A. Early in 1939 Senator Houghton Brownlee introduced a bill dedicating the use of the Confederate

JOHN GARNER LEADS PRESIDENTIAL RACE

Texas' distinguished favorite son—John N. Garner, the only Democrat to have announced unqualifiedly that he is a presidential candidate—is today the leading choice of his Party to succeed to the Presidency.

JOHN N. GARNER

Patriotic Texans will attend their own precinct conventions May 4 to record their support of their noted fellow Texan.

Uniformly popular in all sections of the country and among all classes of people, Vice President Garner is esteemed for his sound common sense, practical liberalism, and long experience in governmental affairs. Political observers in Washington agree that these attributes, together with the fact that his sturdy log-cabin Americanism is the nation's best safeguard against involvement in war, are responsible for his popularity among the rank and file of the people.

His name has been submitted directly to voters in a number of state primaries, in accordance with his democratic philosophy that "the people should decide." In announcing his candidacy last December, Mr. Garner said: "I will accept the nomination for President. I will make no effort to control any delegates. The people should decide. The candidate should be selected at primaries and conventions as provided by law and I sincerely trust that all Democrats will participate in them."

Dickens PTA Delegate To Lamesa

Mrs. Cecil Meadors was the Dickens P.T.A. delegate to the district convention in Lamesa.

The organization is expecting to profit from the helpful information Mrs. Meador received.

All the Dickens School posters that were sent for the convention exhibits received recognition.

I. Blue ribbon winners are: First Grade—Melba Jo Williams and Bonnie Hughes; Second Grade—Laverne Hosh; Third Grade—Hubert Hawley, Tommy Alldredge, Don Edwards and Melvin Varnell.

II. Red ribbons winners are: Third Grade—Jewel Noland and Audrey Powers; Fourth Grade—Billy Byers Sharp; Fifth Grade—Lois Estelle Meadors and Jean Ousley; Seventh Grade—Minnie Mae Collins.

III. White ribbon winners: Fourth Grade—Bobby Murphree; Fifth Grade—Horace Poteet; Sixth Grade—Arnel Rhea Cumbie; Seventh Grade—Betty Jean Alldredge.

The poster of H. L. Futch and Geralddean received recognition but failed to be returned.

Mrs. Meadors said that she was very proud of Dickens' poster exhibit.

Wants Longer Closed Season On Fishing

Resolutions urging the enacting of laws which would make possible closed seasons on fishing in Texas and on several other matters of vital importance to sportsmen of Texas were adopted at a meeting of the Fort Worth Anglers Club recently. The Club is believed to be the largest in Texas and has a membership of more than 700 sportsmen.

The club went on record as urging that there be a three-month closed season on all fresh water fish in Texas, the season to be from February 15 to May 15. (The closed season is now March 1 to May 1.) The club would have all commercial fishing banned in the fresh waters of Texas, would reduce the creel limit on all game fish and would have anti-pollution laws enacted which would provide adequate means of enforcement.

Mrs. A. M. Hoover and daughters, Robbie and Norma Bell, were visiting friends and acquaintances in Lubbock Saturday.

Mrs. Ronald Smallwood, who has been spending an extended visit in Spur at the Spur Inn the guest of her mother, Mrs. Stella Winston, left Sunday returning to Fort Worth.

Texas produces two-fifths of all the petroleum produced in the United States.

Home of Texas to the soldiers and sailors of all wars. The Bill unanimously passed the Senate and went through the house with only three dissenters.

West Texas C. of C. Convention At Big Spring, May 16-18

The 22nd annual convention of the West Texas Chamber of Commerce, May 16-17-18, marks a break with precedent.

Heretofore the convention dates have been at the first of the week. The 1940 convention, in fact, was originally set for Monday-Tuesday-Wednesday in the week of May 13-18th, but last week it was announced the big show would be held on Thursday, Friday and Saturday of that same week.

Reason: the convention theme, the "American Way of Life," to be dramatized in a great All-Youth Parade set for 2:00 o'clock Friday afternoon May 17th. Heads of boy and girl organizations of the territory met with the convention committee in Big Spring and asked for the change in dates. Youths in large numbers can come and participate in the convention at the end of the week. Another factor—very potent—was that Boy Scouts of Buffalo Trail were anxious to combine their annual Roundup with the WTCC convention, and this would not have been possible with a first-of-the-week setting. Big Spring is always the host city to the Scouts' Roundup, to be held this year on Friday and Saturday, May 17-18, the last two days of the convention.

Besides the Boy Scouts, marchers in the All-Youth Parade will include 4-H Club boys and girls, Future Farmers of America units, Girl Reserves, Girl Scouts and Campfire Girls—and all the convention bands. The marchers will carry banners affirming the priceless heritage and blessing of American citizenship against the bloody background of Europe. The parade will end at the Big Spring Municipal Auditorium, with an address on the American way of life by a nationally known speaker.

More than half the counties of Texas, or 147 out of the State's 254, now produce oil or gas. In 100 more, oil or gas exploration is now under way making a total of 247 out of 254 counties with oil or gas activity.

Your Cold Cough Goes Quick When You Get Mentho-Mulsion

Most coughs spread infection for thirty feet, which is one reason why colds quickly spread to every member of the family and through entire office organizations.

Mentho-Mulsion contains seven soothing, healing oils and unguents that relieve that stuffed-up feeling and stops coughing within a few seconds. Mentho-Mulsion also contains vitamins A and D to build up cold resistance, and genuine beechwood creosote for penetration. Its base of genuine California fig syrup gives Mentho-Mulsion a taste you will like and makes it cling to your membranes as its soothing, healing

ingredients act quicker, better. If Mentho-Mulsion does not stop your coughing at once, and get you entirely over your cold cough quicker than any medicine you every tried, ask for your money back.

A well known druggist's wife recently stated: "I took Mentho-Mulsion for a bad cold cough, and my cough disappeared so quickly we now keep Mentho-Mulsion at home all the time ready to take at the first sign of a cold or cough."

Mentho-Mulsion is endorsed by your neighbors and guaranteed by leading druggists everywhere.

Planting 20,000 Quail In Texas During 1940

Practically all of the 20,000 quail which the Texas Game, Fish and Oyster Commission will distribute this year have been planted in practically every section of the state, it is announced by the executive secretary of the Game Department. The birds are obtained from Mexico where they are trapped and are shipped to sportsmen and other persons interested enough in restocking their places with quail to pay half of the cost of the birds.

The policy of distributing quail on this basis has been followed by the Texas Department for several years. In addition, the Department is planting several thousand birds this year on quail restoration areas which are being set up in various parts of the state with the aid of federal Pittman-Robertson funds. More than fifty of these areas have already been established by the Division of Wildlife Restoration of the state game department and as many more will be completed by the end of the year.

Many of the quail demonstration areas need not be restocked due to the fact there are a small number of birds there. Improving of the cover and food supply is expected to produce sufficient birds on these areas to stock considerable countryside.

Many Quail Shipped

Mexican quail, which are used by several states for restocking purposes, are moving through Texas now. It is estimated by the Uvalde-News that more than 100,000 will be sent through the ports of Laredo, Del Rio and Eagle Pass. Of this number the Texas Game Department gets 20,000 and was able to purchase them, by obtaining bids, at the lowest price in history of game

distribution. The birds were purchased for 69 cents each by Texas. Other states are paying as much as \$1.30 per bird.

Trapping quail in Mexico is an interesting process. A V-shaped brush fence not over a foot high is constructed, with the point running into a woven wire funnel some ten feet long. Quail herders, upon discovering birds, walk slowly toward them, herding the birds inside the brush enclosure. The birds follow the brush until they come to the narrow opening in the wire trap and walk in. They are then caught and placed in crates to be transported to the United States. Its a simple process, but tens of thousands of quail are captured in Mexico each year.

H. C. Parson and son, Tom, progressive farmers of the Kalgary community were business visitors in Spur Saturday.

Texas has more than 90,000 producing oil wells. Last year each well averaged less than 15 barrels a day.

Dickens Seniors To Present "Lena Rivers" April 23

Do you remember curling up in your armchair and alternately laughing and crying over the experiences of "Lena Rivers" the very first time you read Mary J. Holmes' celebrated novel? And do you remember how you wished it would never end and that you could go on basking in the charm that only "Lena Rivers" can shed? Did you ever think then that you would have the opportunity of seeing this same "Lena Rivers" in a modern version of this great masterpiece performed for your benefit right before your very eyes?

Yes, that opportunity is now at hand! The Senior Class of Dickens has just announced that "Lena Rivers" will be given at the Dickens High School Auditorium on April 23, Tuesday night, at 8:00 o'clock and rehearsals have started under the able direction of Miss Lois Mae Speer.

Audiences all over the world have been unanimous in stating that "Lena Rivers" is the best play they have ever seen. So get your tickets early, for to miss this grand play would be a misfortune indeed. The tickets are 15c for children and 25c for adults. Don't forget the date, Tuesday night, April 23rd, and be on hand to participate in an evening of sheer delight.

Cast of Characters

Lena Rivers—our adorable heroine—Mary Lee Harkey
 Granny Nichols—her beloved grandmother—Winona Reynolds
 John Livingstone—Lena's uncle—Worth Green
 Mrs. Livingstone—his wife, who has social ambitions—Anne Murphy
 Caroline Livingstone—who is an echo of her mother—Jane Murphy
 Anna Livingstone—her sister, warm hearted and sincere—Vivian Baker
 John Junior—who is addicted to slang—Joe Ousley
 Frank Graham—a Southern gentleman—Wayne Ogle
 Mrs. Graham—his jealous wife—Eloise Sharp
 Durward Belmont—her son by a former marriage—A. P. Joyner
 Malcolm Everett—a tutor in the Livingstone home—Allan Deaton, Jr.
 Aunt Milly—a colored servant—Ernestine Holly
 Old Caesar—a colored man servant who is always "fixin' to do"—T. W. Dodson.

Qualifications For Golf Tournament Closes Today

Forty-two players have already turned in their qualifying scores for the tournament playoff which begins April 20 and closes on April 28. There still is time for any player whether a member of the club or not to enter the tournament by paying an entrance fee of fifty cents and turning in a qualifying score for 18 holes to Spencer Campbell or C. E. Fisher by 6:00 p. m. today.

A beef barbecue with all the trimmings will be held the night of April 30 for all contestants and their wives.

The local golf course has undergone a thorough reconditioning of greens, fairways, traps, and tee boxes, including a new tee box made of celotex similar to that used on many leading courses of the state. The Espuela golf course is one of the finest and sportiest sand green courses in this section and all people interested in golf should be proud to be a member of the club. Plans are being made to hold several tournaments during the year and those interested should become members as soon as possible to be come acquainted with the course and members of the club.

RED MUD HAS SINGING AND CHURCH SERVICES SUNDAY

Sunday, April 14th was a red letter day at Red Mud when the entire community turned out for an all day preaching and song services.

At the morning service the Rev. C. V. Allen brought the message and spoke again in the afternoon. The Rev. J. H. Miles, Pastor of Spur Church of Christ Church made a talk during the afternoon. The services were devoted principally to singing.

One of the feature numbers of the days program was the basket dinner served at the noon hour. The entire community experienced a spiritual uplift and a most pleasant day spent together.

Mr. and Mrs. C. R. Gollihar, of McAdoo, and son, Charles, student in Texas Tech, Lubbock, and Miss Jeanne, teacher in the local public school returned Sunday from a week end visit with relatives and friends in Fort Worth.

23 YEARS AGO

Taken from the files of The Texas Spur, published 23 years ago this week. Ovan McClure, Editor and publisher.

Thursday and Friday nights, April 5th and 6th, the closing exercises of the Dickens High School were had in the school auditorium in Dickens.

Thursday night the following program of music and expression was rendered:

Piano duet, "Wind and Tide March," by Selma Gipson and Gladys Stafford.

Piano Solo, "Blinking Moon," by Mildred Gipson.

Reading, "Mean Little Torment," by Foy Gipson.

Reading, "Biddy's Trials Among the Yankees," by Lois Blair.

Piano solo, "Second Mazurka," by Gladys Stafford.

Piano duet, "March Hongroise," by Misses Shepherd and Annie Cathey.

Play, "The Book Agent," the characters being represented by Burl Lisenby as the book agent, Cecil Meadors as the farmer, Lois Blair as his daughter, and Annie Cathey as the old maid.

Diplomas were presented to Misses Annie Cathey, Lois Blair, Effie Shields, and Carlos Medlin and Bryan Speer.

Jesse Fletcher came in Monday from his farm home six miles east of Spur.

Lee Cathey has made application, we are informed, to join the Texas Ranger force for immediate service in this warring time.

Joe Bell left Wednesday night to spend the week end with his sister, Mrs. C. W. Barrett of Stamford.

Mrs. W. E. Moore and daughter, Mrs. Bill Swain, were weekend guests of their mother and grandmother, Mrs. M. W. Chapman.

Mr. and Mrs. Jack McClung and baby of San Saba, arrived in Spur Sunday morning to visit her parents, Mr. and Mrs. E. S. McArthur and family. Mr. McClung returned Sunday night leaving Mrs. McClung and baby to spend a week or ten days visit.

Mrs. Bill Swain returned Monday to her home in Sweetwater, while her mother, Mrs. Moore remained over for a few days visit with her sisters, Mesdames Dewey Johnson and family of near Crosbyton and Eric Ousley and family of Dickens.

Milk For Your Home Use

(From County Agent's Office)

Do you have an ample supply of milk and butter for your table? Whole sweet milk, clabber, and butte milk properly preserved furnishes a variety of ideal drinks for any meal. Good milk is palatable and is rich in food materials which are necessary for the proper development and maintenance of the body. Rich cream is delightful in coffee and on cereals and when whipped adds much to the attractiveness of many dese ts. Milk may be used in many cooked foods as bread, cakes, candy, cream gravy and many others. Butter increases the palatability of hot bread or toast and is exceptionally good for shortening. An ample supply of good milk and butter will cut the grocery bill and improve the quality of the meals.

Two good milk cows will furnish a sufficient amount of milk and milk products for the average family and supply enough skimmed and sour milk for the farm flock of chickens, as well. Eight acres of cultivated land will normally grow a sufficient amount of feed for these cows. Using your feed in this manner will make those eight acres yield the highest returns on your farm.

IN APPRECIATION—

To our buddies and friends in Spur and surrounding area who have been so loyal and attentive in your efforts to smooth the hard places and help us to bear our crosses of affliction during this recent illness and period of nursing, we wish to extend to you our heartfelt thanks and deepest appreciation.

We are in Amarillo at the Veterans Hospital and while eddyng the time away will miss your company and visits.

Sincerely,
 Mr. and Mrs. Austin Bell

Mr. and Mrs. T. W. Woodson and son-in-law and daughter, Mr. and Mrs. Jesse Books, of Girard, spent a brief visit with her sisters, Mesdames T. C. Ensey and W. C. Gruben while in Spur on business Monday.

VISIT RICKLES HERE
 Mr. and Mrs. M. L. Rickles had as guests from Saturday to Tuesday his brother-in-law and sister, Mr. and Mrs. Eugene West of El Paso, Texas.

Sunday Mr. and Mrs. Rickles, his sister and Mr. West went to Amarillo to visit another brother, W. A. Rickles who is ill and in the North West Texas Hospital at that place.

W. A. Rickles, 60, superintendent of the Matadors, at Channing, 70 miles southwest of Amarillo, suffered a stroke of paralysis on April 3 from which he rallied and was thought to be getting along nicely when on the 10th he had a second stroke and at this time little hope is held for his recovery.

Mr. and Mrs. West left Spur Tuesday morning for Coleman where they will visit Mr. and Mrs. Adrain

Rickles and sons, Ja Don and Ja Wan.

HELPFUL

(By JAMES FOX)

HELPPFUL—rendering aid or assistance; remedial—Webster.

When you help a person, that makes him feel good toward you and you also feel good about it too.

If a player does not help his team mates, most likely the game will be lost. If he does not help, he is likely to be thrown off the team and the other players would not like him very much.

So make your motto: "Help some one each day." You will have a lot of friends if you help them.

O. B. Ratliff attended to business in Aspermont Tuesday.

The Texas Spur is equipped to do all classes of Job Printing at prices in keeping with sound business principals.

We have the machinery and as capable printers as can be found. Why not give us a trial.
