

Mrs. Dora Odeneal Passed Away Sunday

Funeral rites for Mrs. Dora Hay Odeneal, 82, were read by Minister M. M. Young, Monday, October 21 at five p. m. at the Church of Christ. Dora Hay was born October 25, 1857 at Burnt Prairie, Ill. At the age of ten, she moved with her parents, Samuel R. and Mary Hay, to Sherman, Texas, where at the age of twelve, she affiliated with the Church of Christ.

She attended Ad-Ran College at Thorp Springs.

At the age of twenty-two, she was married in Granbury, Texas, to A. T. Odeneal, postmaster and jeweler of that place. In 1911 Mr. and Mrs. Odeneal moved their family to Spur where they established a business and home.

Mr. Odeneal preceded her in death January 18, 1914. Two daughters, Mrs. Dora Boothe and Hallie Odeneal also preceded her in death.

During the past six years, Mrs. Odeneal had spent a portion of the time with her daughter, Mrs. J. V. McCormick of Robstown, but had retained her home and church affiliation here.

Mrs. Odeneal was 82 years, 11 months, and 25 days of age when death occurred at her home in Spur, Sunday, October 20. She was the mother of four daughters, two of whom preceded her in death.

Survivors are: Mrs. J. E. Reams, of Plainview; Mrs. J. V. McCormick, Robstown; and Mrs. Gussie Odeneal, widow of a step-son; twenty-three grandchildren, and eighteen great-grandchildren.

Grandsons acting as pallbearers were: Sid, Lynn, Charles and John Reams, Robert and Eugene McCormick, Walter Berry, and Julian Boothe.

Flower bearers were granddaughters: Lois, Alva Lee, Katherine, and Mary Reams, Louise Berry, and Mary Dickinson.

The body was held until Monday awaiting the arrival of a grandson, Larry Boothe, from California. Interment was made in Spur Cemetery in the family burial plot, beside the graves of her husband and youngest daughter, Mrs. Dora Boothe.

Out-of-town relatives here for the funeral were: Mrs. J. V. McCormick, Robert McCormick, Robstown; Eugene McCormick, Kingsville; Mr. and Mrs. J. E. Reams and children, Katherine, Lois, Mary, Fannie, Sidney, Mr. and Mrs. L. H. Reams, of Plainview; Charlie and Johnnie Reams, of Dallas; Mrs. Gussie Odeneal, Dallas; Mrs. Grover Dickinson and children, of Clovis, New Mexico; Mr. and Mrs. Walter Berry and children of Overton; Mrs. Lola McCormick and daughters, Miss Katherine McCormick, Mrs. Elizabeth Cox, and Mrs. Gene Chandler, of Littlefield; Larry Boothe, of March Field, California.

Red Cross Board Of Directors Met Saturday

The Board of Directors of the Dickens County Chapter of the American Red Cross met recently in the City Library. The members of this Board are, George S. Link, Oscar Kelley, Morris Golding, Dodge Starcher, George Gabriel, Ned Hogan, Joe Long, Neal Chastain, Edwin H. Boedeker, Mrs. T. H. Blackwell, Mrs. Kate Senning, Clyde Walthall, and Carl Arthur. A few of the foregoing were elected for the first time to this Board and to date news has not been received as to whether they will serve, however it is hoped they will.

The following local roll call chairmen for their immediate districts were re-elected: Fred Arrington for Dickens, Mrs. Carl Randolph for Afton, Mrs. Ben Eldridge for McAdoo and, as co-chairman, H. U. Butts, Mr. Clyde Walthall, who has served so acceptably in the past, was re-elected General Roll Call Chairman for the county of Dickens. Mr. Oscar Kelley, who too has been so efficient, as Chairman for the County of Dickens, resigned; Rev. John C. Ramsay was elected in his place. Mrs. Kate Senning who for years has held most agreeably the post of Home Service Secretary was re-elected to the same position. Carl Arthur was re-elected Treasurer.

A letter from Mrs. Helen S. Lauenstein representing the headquarters of the Mid Western Branch Office of the American Red Cross was read. In the letter it was stated that C. Howard Hill of the field staff will arrive soon in Spur from St. Louis to consult the executives of the Chapter of Dickens County. Mr. Ramsay, the new Chairman for Dickens County (announces that he is hereby giving notice to every name in the above to be in readiness to attend a last moment's notice meeting at a time most convenient to Mr. Hill.

Mr. Hill is traveling and fitting in his valuable time according to the emergencies of his territory so the meeting will have to be called after the arrival of Mr. Hill. Besides it should be of utmost importance to know that the Annual Roll Call for the American Red Cross will take place here as it is done nationally between November 11th and 30th. As Red Cross needs grow daily more pressing in the light of the blackening war clouds all over the world every effort will be made to give this cause the public's most earnest consideration.

Three Spur Youths Enlist In Army

An announcement from the Army Recruiting Station at Lubbock, this week, lists three Spur youths who have enlisted in the past few days:

George Taylor, in Quartermaster Corps, to be stationed at Ft. Bliss, Texas.

Aubrey J. Johnson, Engineer, to be stationed at Fort Sam Houston.

Billy W. Harris, Engineer, to be stationed at Fort Sam Houston.

Crosby County Local Board Moved To Ralls

Headquarters of Local Board No. 1 of Crosby County has been officially moved from Crosbyton to Ralls, according to a report from P. B. Ralls, Chairman.

Mr. Ralls states that due to prior press dispatches and because of the change, some confusion is arising and causing delay in the board receiving its mail and registration cards from other counties.

1,143 Registered In Dickens County To Date

Dickens county registered 1,143 men on October 16, over 900 residents of the county, the remaining 200-odd, giving their permanent address in cities not in Dickens county. A complete list of registrants of this county begins on page four.

In the Nation, approximately 17,000,000 registered, 800,000 of which will begin training soon after the first number of the lottery is drawn on October 29. It is estimated that it will take twelve hours for the drawing, all numbers being drawn and recorded in the order in which they are drawn. Men with corresponding numbers will be subject to call in the order that the numbers are drawn; for example if your number should be 486, and 486 was the third number drawn then you would be among the third group called, men holding numbers corresponding to the first two numbers would be called before you.

Rev. and Mrs. J. V. Bilberry, Pioneer Baptist Preacher And Wife, Celebrate 60th Wedding Anniversary, Oct. 20

Rev. J. V. Bilberry, over 80, and his bride of 79 summers, celebrated their 60th wedding anniversary, Sunday, October 20, at their home in east Spur.

While Rev. and Mrs. Bilberry were conducting and attending services at the Bethel Baptist Church, their near by neighbors came in to assist their daughters and grand-daughters prepare the anniversary feast. An improvised table was placed on the front lawn to accommodate the large number of relatives and friends present at the dinner hour.

Five of their six children were present to do honor to their parents. Those present were: L. S. Bilberry and family, of Memphis, Texas, E. J. Bilberry and family of Spur, Mrs.

Spur Bulldogs To Play Lockney There Friday

The Spur Bulldogs meet Lockney Friday on their home field for another conference game.

Both teams have the same standing in the conference, one lost and one won. Neither team is out of the running but the game tomorrow will probably decide which team drops out of the running bracket.

According to reports the teams are well matched, and the game promises to be a hotly contested one, with both teams fighting for a possible chance at the championship.

55 Water Facilities Projects In Kent And Dickens Co.

The Soil Conservation Service, United States Department of Agriculture, continues to install all types of Water Facilities which provide means of obtaining water for farm families who have been unable to provide this needed service otherwise. Funds to finance these projects are provided by the Farm Security Administration, United States Department of Agriculture, at Spur, Texas.

All engineering and supervising of construction is furnished by trained men of the Soil Conservation Service, thereby guaranteeing the proper type of this service and without cost to the farmer.

These water facilities include such projects as wells, windmills, overhead tanks, earthen tanks, pipes to houses and gardens, etc.

A recent change in policy has enabled the Farm Security Administration and Soil Conservation Service to guarantee usable water and if no such water is obtained there is no cost to the borrower.

For further information apply at the Soil Conservation Service office, County Agent, County Home Demonstration Agents, Agriculture Teachers, or the Farm Security Administration office at Spur, Texas.

Spur Teachers Have 100% Membership In State As'n.

The Spur Schools have a 100% membership in the State Teachers Association, according to information given by Superintendent O. C. Thomas. This organization is doing invaluable work in the state school system, in the research field and in classroom instruction, and Spur is supporting this educational progress one hundred percent.

Annual convention of the State Teachers Association is to be held at Ft. Worth this year, November 21, 22, 23. A West Texan, Dr. Irvin, Superintendent of Lubbock school, will be a candidate for the presidency of the organization.

The Spur schools are to be congratulated for their unanimous support.

Spur Defeats Ralls 13-6 Here Friday Night

Spur won a conference tilt with Ralls last Friday night at Chas. A. Jones Memorial stadium. Winning of this game puts the Bulldogs in a tie with Lockney for fourth place standing in the conference.

The first period of the game was marked with penalties and fumbles for both teams; ended scoreless.

Second quarter was more settled, each striving to count but the half was near completion before a score was made. Ralls, well into Spur territory, made the first count by completing a pass. Try for the extra point was unsuccessful.

The Bulldogs took the offensive in the third but were held scoreless, the Jackrabbits holding their lead 6-0.

Last quarter of the game was definitely Spur's, chalking up all of their 13 points in those precious few minutes. Midway of the quarter found the Bulldogs deep in Rabbit Land, where Adecock passed to Harrell and completed over the goal line. Extra point put Spur ahead by one point. The second play after the kickoff, Ball intercepted a Ralls pass on their 35 and ran it to the 4, from where concentrated line plays gained another 6 points. Final score being, Spur 13, Ralls 6.

Services Held For Mrs. Edgar Carlisle Tuesday

Funeral services were held for Mrs. Edgar Carlisle at Spur Cemetery Tuesday at 3:30 p. m. Rev. R. C. Brown conducted the service.

Mrs. Carlisle had been ill for several years before death, which occurred early Tuesday morning at the home in Duck Creek.

Nannie Mitchell was born in Lampasas County, September 25, 1886. She moved with her family to Motley county, where she was married to Edgar Carlisle at Matador, Texas, May 3, 1905. One child, who died in infancy, was born to this union.

In 1910 Mr. and Mrs. Carlisle moved to Dickens county, living at Afton for about three years, then moved to Girard for a few years before settling in Duck Creek community.

Mrs. Carlisle was converted and affiliated with the Church of Christ in 1930.

Surviving are the husband, Edgar Carlisle; and two brothers, Marion Mitchell of Lamesa, and Matt Mitchell of Roswell, N. M.

Pallbearers were: Emmett Hagins, Walter Driggers, Omer Higgins, Fred T. Raney, Vernon Gregory, and J. T. Carlisle.

Flowerbearers were: Mrs. Orville Boothe, Minnie Mae Higgins, Mrs. Lillian Arnold, and Miss Frankie Johnson.

Relatives here from out of town were Mr. and Mrs. John Carlisle, Mr. and Mrs. John H. Carlisle, Mr. and Mrs. Omer Higgins, and Frank Higgins, Lubbock; Mr. and Mrs. Matt Mitchell, Mrs. Brubagh, Roswell, N. M.; Mr. and Mrs. Marion Mitchell, Lamesa; Mrs. Alma Mitchell, Littlefield, and W. A. Carlisle, of San Angelo.

Dr. McLaughlin To Speak Here Tonight

The Well known missionary to Haikow, China, Dr. W. C. McLaughlin, will arrive Thursday afternoon and will speak on the war torn condition of that great country Thursday night at 7:30 at the Presbyterian Church, Spur. Dr. McLaughlin has been a marked missionary for twenty-five years under the employ of the Southern Presbyterian church. His field has been in the direct path of the Japanese invasion and at least eight separate times his field has been held and retaken by different Japanese and Chinese forces. Much in the path of war has been destroyed both in hospitals, and other mission properties, such as churches, schools, homes and other sections of mission compounds. The Southern Presbyterian church has had more hospitals in China than in any other of her mission fields.

Doctor McLaughlin states that never in the one hundred years history of Protestant Christian missions in China has there been such a general acceptance of Christ on the part of the native resident of China. He has some very interesting experiences to relate. He was the center of missionary attraction at the recent meeting of the Synod of Texas at Kilgore, Texas.

Accompanying Doctor McLaughlin will be his wife, who will also speak, and Dr. J. H. Patterson, Chairman of the important committee of Foreign Missions for Fort Worth Presbytery and Pastor of Westminster Presbyterian Church, Fort Worth. Dr. Patterson has just returned from a meeting of the Executives of our work in the Foreign Mission office of the Church in Nashville, Tenn.

Anyone interested in the recent affairs in China should not fail to avail themselves of this special opportunity to learn at first hand what is transforming in the new order of the Orient. The Christian people of all churches will be welcome. A liberal offering is expected for this great cause at the close of the service.

Mr. and Mrs. A. W. Watson were here Wednesday from the farm home east of town.

Social Happenings

Mrs. Clifford Cummings Honored With Shower

One of the lovely social affairs of the week was that of Wednesday night, October 16th when Mrs. F. F. Henry and co-hostess Mrs. Woodrow Haney entertained with a miscellaneous shower at the Henry home, honoring Mrs. Clifford Cummings, the former Miss Hazel Hughes, a recent bride.

Mrs. Cummings, a daughter of Mr. and Mrs. D. W. Hughes, of Afton, has been making her home in Lubbock, and where she and Mr. Cummings will make their home.

The reception rooms were decorated with dahlias grown by Mrs. Will Smiley in her flower garden and other autumn flowers.

Refreshments of fruit punch and cakes decorated in pink and white were served.

Those attending and sending gifts were:

Mr. and Mrs. W. F. Clements, Mr. E. Debkins, Joyce and Carmen, Mr. and Mrs. Bill Stafford, Mrs. Pleas Curd, Mr. and Mrs. L. D. Norris, Mr. and Mrs. Skinny Yeates, Mr. and Mrs. Vance Hughes, Mr. and Mrs. Herman Henry, Mr. and Mrs. Chester Cosdin, Mr. and Mrs. Joe Rose and Glenn, Mr. and Mrs. Bill Legion, Eastland, Mr. and Mrs. Leonard Clements, Woodrow Haney, Mr. and Mrs. Vurl Hinson, Mr. and Mrs. C. E. Goodwin, Mr. and Mrs. Alonzo Mayfield and Lorette, Mr. and Mrs. Homer Hughes, Mr. and Mrs. T. B. Yeates, Mr. and Mrs. J. S. Smith, Mr. and Mrs. Dean Glazner, F. F. Henry, Mrs. J. A. 1933 Study Club Met Tuesday With Mrs. C. S. Thompson

Mrs. C. S. Thompson was hostess to the 1933 Study Club on Tuesday, October 15. The Hallowe'en motif was carried out.

Mrs. O. C. Arthur conducted a Hallowe'en Program. Each member answered roll call by telling a Hallowe'en experience.

Mrs. J. L. Koonsman related "The Origin of Hallowe'en," and "The Legend of Sleepy Hollow" was given by Mrs. E. H. Boedeker.

Following the program, the leader directed a short session of "Fun and Frolic."

Refreshments of pumpkin pie, topped with whipped cream, and coffee were served to Mesdames C. H. McCully, Coy McMahan, O. C. Arthur, Geo. Gabriel, M. L. Steele, E. H. Boedeker, Thurmond Moore, J. L. Koonsman, J. C. Payne, J. W. Carlisle, J. C. Ramsey, J. H. Miles, and the hostess.

Mrs. F. E. Allen, of west of the city, was visiting here Monday and while in town came by and handed us a dollar for the paper, for which she has our sincere appreciation.

Daughters of 1933 Study Club Celebrate Sixth Anniversary

The Daughters of the 1933 Study Club celebrated their Sixth Anniversary October 15, with a banquet in the Home Economics Laboratory of the high school, having as guests their adopted mothers of the 1933 Study Club.

The mothers were received by the officers of the Junior Club and its sponsor, Mrs. Hub Swan, as they came into the living room. The room was decorated in green and white, the club colors, and on the table was a beautiful white cake with the words "6th Anniversary of Daughters of '33 Club" in green. Each girl escorted her adopted mother into the beautifully decorated dining room. A toast was given by Belva Swan, president of the Junior Club, and leader of the evening was LaVoris Lee.

Roll call was answered with a tribute to the mother. A history of the club since its organization in 1934, was given by Belva Swan. Jean Engleman sang several songs, accompanied at the piano by Melba Lewis. La Vorise Lee conducted a Questionaire which was very interesting.

The menu consisted of: Fruit cocktail, green pea salad, baked chicken and dressing, giblet gravy, potatoes, hot rolls, butter, ice cream, cake and coffee.

The enchanting smiles of these little meat pies weave a magic spell over all Hallowe'en guests. Why, even you will be fascinated by the funny little faces—some laughing, some crying and some fairly shouting "Come on and eat me."

Meat pies such as these are ideal for children's party. They are easy for a child to handle good for him to eat and, of course, definitely appealing.

They're easy to make, too—here's how you do it:

Individual Meat Pies
2 cups cooked diced beef, veal or lamb
1 onion, sliced
3 tablespoons fat
1 can vegetable soup
1 teaspoon Worcestershire sauce
1 teaspoon salt
½ teaspoon pepper
½ cup water

Methodist Pastors And Wives Met Tuesday In Stamford

Rev. T. M. Johnston, District Superintendent of the Stamford district called all pastors and their wives together for a district meeting at St. John's Methodist Church in Stamford last Tuesday, October 22.

Bishop Ivan Lee Holt, of Dallas,

MEAT IN THE HALLOWE'EN MOTIF

Brown the diced meat and the sliced onion in the hot fat. Add soup, seasonings and water. Cover. Simmer for 10 minutes. Fill small casseroles with the meat. Cover with pastry which has been cut to fit the top of the casserole. Cut jack-o-lantern faces to the pastry before it is put on the casserole. Be sure to cut the eyes, nose and mouth large enough to allow for expansion during baking. Bake the pies in a moderately hot oven (400 degrees F.) for 15 minutes.

The quantities given in this recipe will serve six. It may be increased in direct proportion to the number of people to be served.

Continue Hallowe'en Idea
Hallowe'en is one of the most delightful occasions for a party. There are so many clever ways

of decorating the table and so many foods that fit right in with the scheme of things.

Accessories for Accent
The big grinning jack-o-lantern for the centerpiece may be "a la the novelty store" or direct from the cornfield. Real ears of corn give you the makings of the candlesticks in the picture, but big red apples or small acorn squash would serve as well.

Children particularly like Hallowe'en parties, and Hallowe'en parties are made to order for children. Although even grown-ups often get a big kick out of all the folderol, it's still most exciting for Susie and Jack, who with a nary a care for sophistication, are thoroughly entranced by mystic potions, goblins, black cats—and jack-o-lanterns. So let's have a party.

guests of Rev. and Mrs. Johnston at lunch in the church basement.

Rev. and Mrs. J. E. Harrell, Rev. and Mrs. Wendell Burba, and Rev. Lance Hurst attended from Spur. Rev. Hurst passed the District Committee on Admissions and was recommended to the Annual Conference Committee on Admissions on Trial. He is to receive an appointment on trial at the Annual Conference, which opens at Pampa, November 15.

Army Volunteers Given Specialized Training

The United States Army is still accepting Volunteers and the opportunities offered at this time are splendid. Now, more so than ever before, specialized schooling is given every man. Also the number of years service that a man has is no longer the yard stick for promotion.

The strength of the Army has been doubled since May of 1940 and many of these men are wearing the chevrons of Corporals and Sergeants, and earning the added pay. If they can't you?

With the approach of the vast training program now seems to be the logical time to volunteer. You can receive your training now and be in line for a promotion to place you in position to train others.

Army Recruiting Stations are located in Lubbock, Amarillo, Pampa, Plainview, and Childress.

Vacancies now exist in the Quartermaster Corps, Cavalry, and Infantry. Others will probably be available in the next few days. Don't delay, enlist today.

Texan Family Wins National Honor

HERE'S the happiest family in the entire United States. They're (left to right) John Leathers, 19; Margaret Jean Leathers, 16; and Mr. and Mrs. D. E. Leathers. The Leatherses own and farm a 200-acre homestead at Clarendon, Donley County, in the famed Panhandle cattle country of Texas. Last May they won the Fort Worth Star-Telegram's newspaper contest to pick the Typical American family of West Texas and were given a week's entertainment on the New York World's Fairgrounds. The Ford Motor Company provided them a car and chauffeur for the round trip, and at the Fair, in all, 43 Typical American families were similarly selected in various parts of the country and brought to the Fair by the Ford Motor Company at the rate of two families a week. In mid-October a board of judges named by seven New York newspapers picked a Super-Typical American family, and the Leatherses were it. The Ford Motor Company then telegraphed them to fly to the Fair on October 22 as the Company's guests. And at the

seven-acre Ford Motor pavilion, largest attended of any industrial exhibit both in 1939 and 1940, a splendid gift awaited them. It was a shining 1941 harbor grey Super Deluxe Fordor Ford V-8 sedan, equipped with radio and white wall tires—Ford's present of a Typical American car. Not only were the Leatherses to help close up the big Fair on October 27, but as the Ford Motor Company's guests were to visit President Roosevelt at the White House, and see Ford's mammoth plant at Dearborn, Michigan, and wonderful Greenfield Village. D. E. Leathers' ranch is just a mile from the spot where he was born, 39 years ago. John Leathers, almost six feet tall, is a 4-H Club leader. His steer, Willie, was judged best of all the entries from 32 counties. Vivacious Margaret Jean writes music, and one of her piano compositions was published when she was only 14. This photo was taken at the Ford pavilion last May, when the Leatherses tried out the powerful new lightweight Ford tractor.

Methodist Home-Coming Is Being Well Attended

The Home-Coming in session at the Methodist church this week is being well attended.

Dr. E. E. White will preach Thursday night.

Church Night services with a history of the Church, testimonies of early incidents, special musical numbers, worship program and social events will be directed by Geo. S. Link, Sr. Friday night.

Rev. W. B. Vaughn, of Matador, will preach Saturday night and Rev. E. L. Yates, Sunday morning. The "Round-up" annex was built, and much yard improvement made from 1933-36, while Bro. Yates was here.

Rev. Harrell will preach the closing sermon of the Home-Coming Sunday night. Special music is arranged for all services, and a register, containing the names of all attending, will be kept as a permanent record.

Everybody is invited to attend.

Misses Orand, of Spring Creek, were shopping and visiting in Spur Saturday.

Bankers Roundup And Barbecue Thursday In McArthur Pasture

The annual Bankers Round-up and barbecue picnic was held at the old Red Mud line camp in the Tom McArthur pasture, Thursday evening, October 17, with Mr. and Mrs. Tom McArthur and directors and officers of the Spur Security Bank as co-hosts. Directors and officers present were: Mr. and Mrs. Geo. S. Link, Sr., Mr. and Mrs. W. F. Godfrey, W. T. Andrews, vice-pres., and Mrs. Andrews; cashier E. S. Lee and Mrs. Lee and daughters, and employees: Mr. and Mrs. Foy Vernon and sons, Mr. and Mrs. Hobert Lewis and children, Mr. and Mrs. Weldon Grimes, Mr. and Mrs. Pen Shugart, Miss Ann Lee, Carl Arthur, and Darwin Sprouls.

Chief cooks who prepared the barbecue and coffee and served the food were: Bill Putman, Geo. S. Link, M. C. Golding, W. R. Lewis, and M. L. Rickels. Pies, cakes, and salads were furnished by the ladies.

Out-of-town guests were: B. L. James, vice-pres., and Flemming Ellis, cashier of the F. & M. Bank, Abilene; Roy Riddle, vice-pres. of First National, Lubbock, and Mrs. Riddle; Attorney and Mrs. Henry Andrews, of Stamford.

A grand total of eighty-three registered.

Entertainment consisted of short talks by visitors and old timers of this area, outdoor games, and singing of appropriate songs. Mrs. F. R. Harrington, local pioneer woman and first mistress of the old line camp, having lived there forty years

ago with her late husband and their young children, related some of her early day experiences.

Mr. and Mrs. Dan Peak, of Girard, brought their young daughter to the Nichols Sanitarium Monday evening for treatment of a broken shoulder, received in a fall from a wagon.

Mr. and Mrs. Britt McDaniel and Mr. and Mrs. Durwood Pickens, of near Girard were in Spur Tuesday to pay last respects to Mrs. Carlisle.

W. L. Garner, editor of the Aspermont Star, was visiting with friends and transacting business in Spur the first of this week.

CARD OF THANKS

We wish to take this method of thanking the many friends and neighbors for the kindness shown us during the illness and death of our loved one. We have no words to express our gratitude to the doctors and nurses who worked so faithfully, the people who gave their time and labor, those who sent flowers, and all of the other thoughtful friends who made his last days more comfortable or happy. May God's richest blessings be upon you all is our prayer.

WINNERS CHOSEN IN NATION-WIDE COMPETITION

Lowell Thomas, pioneer news commentator, is the first sponsored radio personality to combine sound broadcasting and television.

ELEVEN high school boys today are sitting on top of the world. They have just received word from David Sarnoff, President of the Radio Corporation of America, that they are the preliminary winners in the \$4000 Opportunity Scholarship competition sponsored by that company.

The boys were selected from 2500 entrants in every State and Territory as being "most likely to succeed" in careers as radio scientists. Although the rules of the competition, offered to more than 17,000 high schools, specified ten preliminary winners, a tie for tenth place made it necessary to include one more boy in the list.

The future scientists, who have just been graduated from their high schools, will be brought to New York and Camden, N. J. in August for an entire month of inspection and study of RCA's engineering, laboratory and manufacturing facilities. During that period they will be under the eyes of the Judges, who are outstanding radio engineers. On September 1st, one of the eleven boys will be selected as the final winner, and he will be awarded the \$4000 tuition and maintenance scholarship in electrical and radio engineering at a college selected by the boy himself from a list of approved institutions. Each of the other ten boys will receive a cash award of \$100 in addition to the trip.

Restrictions in the competition were severe. Only those boys of high scholastic standing were permitted to enter. An unusually difficult examination in physics, mathematics and radio principles, prepared by Columbia University department heads and well-known radio engineers, was given to these students, and in addition a searching inquiry was made as to their characters and personalities. The Judging Board, composed of chief engineers and laboratory scientists of RCA companies, used all of this data in selecting the preliminary winners.

The young men who will receive the free trip to the East for final competition for the scholarship are in such widely scattered States as California, Pennsylvania, New Mexico and South Dakota. The complete list includes David S. Colburn, Fresno, California; Joseph Collins, Washington, D. C.; John DeWolf, Wayne, Pennsylvania; William C. Jakes, Jr., Evanston, Illinois; Gordon W. McClure, Oak Park, Illinois; John Moll, Wauseon, Ohio; Richard K. Moore, Kirkwood, Missouri; Francois N. Palmatier, Port Edwards, Wisconsin; Floyd D. Raasch, Watertown, South Dakota; George F. Smith, Roswell, New Mexico; and George W. Swenson, Houghton, Michigan.

DO YOU KNOW—

That the heels now worn on shoes are said to have had their origin in Persia, where they took the form of flat wood sandals worn to raise and protect the feet from the hot sand. Years later they were introduced into Venice by jealous husbands who reasoned that their ladies thus equipped would not venture far from home.

The Long Wait At Burlington

By IRVIN S. COBB

INCLUDED in my list of acquaintances is a gentleman who promotes sporting events. Originally he promoted foot-races, later he conducted balloon ascensions and parachute drops at county fairs and carnivals. Still later, keeping abreast of the march of progress, he turned

aviator himself and bought an early model aeroplane with which, in the period when flying was more of a novelty than it is at present, he gave exhibitions aloft.

The members of a Catholic congregation in a suburb of New York City were striving to raise funds for a new rectory. In pursuance of this ambition they rented an old driving-park and gave a fair which lasted for an entire week. For the crowning attraction on the final afternoon my friend was engaged to make a flight.

Now, the weather was lowering and the winds were capricious. Feeling a natural reluctance to trusting himself aloft under such circumstances, the performer had recourse to an expedient he had employed on similar occasions in other parts of the country. He spared for time in the hope that darkness would come and so save him from taking the risk. He tinkered with his engine. He fiddled with the plane. He unscrewed this bolt and he screwed up that one.

The assembled crowd, which was large, grew impatient over the delay. Finally the parish priest, who was acting as master of ceremonies, felt it incumbent upon himself to urge that the hired entertainer make good on his contract. He approached the aeronaut and said to him:

"My son, can't you go ahead and give us the exhibition you promised us and for which we have already paid you in advance? These people have already been waiting more than an hour and a half for you to go up."

"Father," said my friend, "there's a bunch of folks out in Burlington, Iowa, that have been waiting more'n eighteen months for me to go up."

Simple Changes Provide Light Conditioned Living

Secret of This Cheery Living Room Is Sight-Saving Light. It Comes Mainly from Old Lamps and a Ceiling Fixture Equipped with New Accessories Introduced Recently by Lighting Experts.

By Jean Prentice

SCIENCE, having discovered that eyes are less apt to strain under good lighting than under poor, is now making it easy for every family to improve its lighting.

Experts and designers in the lighting field have worked out ways to make over older lamps and fixtures so that even the home of very modest means can be light conditioned. In the room shown here two old-type lamps at the davenport were made over to give better lighting and the old-style ceiling fixture to produce new indirect lighting. From a room haphazardly lighted a change was quickly and inexpensively made to illumination that meets the engineers' standards.

Typical of ingenious light-improving gadgets designed is a round metal reflector plate which slips read-

ily into an old-style bridge lamp. This disk plus a new silvered-bowl light bulb provide excellent indirect lighting.

Many other make-over lighting items are now appearing on the electrical counters in stores everywhere. What looks like mixing bowls with a hole in the bottom are really translucent diffusing bowls which can be screwed into most older lamps. They convert harsh raw light into soft illumination.

Such a bowl was installed in each of the two lamps at the davenport shown here. A 100-watt light bulb was added in each. White-lined shades were used to reflect a maximum amount of light. Uncomfortable glare was eliminated. The lighting is well distributed. It is ample for easy seeing.

Because a pianist needs especially good light to read small music notes

without eyestrain, a new scientifically approved lamp with 100-200-300-watt bulb was placed in this room by the "upright."

The old-style ceiling fixture had been both a decorative and lighting problem, as it is in many homes. But new attractive indirect lighting was secured in a jiffy with metal and plastic shades and silvered-bowl bulbs.

Lighting specialists have devised neat ways to improve almost all types of old fixtures until new ones can be purchased. For the single ceiling socket or drop cord so prevalent in many homes, there are new indirect lighting adaptors that can be easily screwed into the socket.

In fact the woman who decides to make over her lighting for the longer evenings ahead will find any number of new inexpensive ideas to help her brighten the corners

How One Woman Lost 20 Pounds of FAT

Lost Her Prominent Hips
 Lost Her Double Chin
 Lost Her Sluggishness

Gained a More Shapely Figure and the Increase in Physical Vigor and Vivaciousness Which So Often Comes With Excess Fat Reduction.

Thousands of women are getting fat and losing their appeal just because they do not know what to do. Why not be smart—do what thousands of women have done to get off pounds of unwanted fat. Take a half teaspoonful of Kruschen in a glass of hot water first thing every morning to gently activate liver, bowels and kidneys—cut down your caloric intake—eat wisely and satisfyingly—there need never be a hungry moment!

Keep this plan up for 30 days. Then weigh yourself and see if you haven't lost pounds of ugly fat. Just see if this doesn't prove to be the surprise of your life and make you feel like shouting the good news to other fat people. And best of all a jar of Kruschen that will last you for 4 weeks costs but little. If not joyfully satisfied—money back.

Behind The Scenes In American Business

By
JOHN CRADDOCK

NEW YORK, Oct. 21—BUSINESS—for the first time in many weeks the business spotlight is turned away from defense and armaments, as "auto show season takes center stage. The auto people seem to have a never-ending ability to come up with the changes, developments, refinements and sales technique necessary to keep demand for new models at a constantly rising rate. That seems to be especially true this year, when the natural appeal of new models is fortified by the economic argument for getting a new car—namely, that a new model bought now is likely to remain "young" longer than ever before. That, of course, is because the defense effort is likely to make such demands on the industry that changes in the 1942, and possibly even 1943, models will be relatively slight. The show season has brought a terrific rush of new-car sales. Production is running better than 100,000 a week, for the final quarter to surpass the record high of 1,162,348 cars turned out in the last three months of 1939.

DEFENSE—Welcome news last week to military men who have been voicing the crying need for airplanes for U. S. defense, was the announcement by Edward R. Stettinius, Jr.,

member of the National Defense Commission, that plans are under way to step up production of aluminum, vital aircraft metal, sufficiently to meet the defense program, as well as present civilian needs. Expressing gratification at the cooperation Army, Navy and Defense Commission have received from the aluminum industry, he revealed that proposed increases would bring the nation's capacity to 700,000,000 lbs. annually by July, 1942—compared to 325,000,000 pounds in 1939. Behind the news, indication of the kind of cooperation of which he spoke was the statement by President Roy A. Hunt of Aluminum Company of America, that this company would itself finance expansions totaling \$150,000,000 for defense requirements, expanding far more rapidly for this purpose than it would for normal growth.

BITS O' BUSINESS—Plant expansion is naturally booming in defense industries, but not doing badly in other lines, viz.: In last few weeks announcements of expansion appropriations have included Continental Can, \$25,000,000; Sherwin-Williams, \$5,000,000; Connecticut Power, \$4,000,000; Nebraska Consolidated Mills, \$500,000; Mathieson

A Patriotic Scheme

Red, white and blue is the theme of Rita Johnson's three-piece suit. The navy skirt is generously flared and has interesting peg-top pockets at each side. Topping the skirt is a white bell-hop jacket accented by military gold buttons in a double row at the front, and repeated on the sleeves. The ensemble is completed with a navy and white breton, white shoes and red bag.

Alkali, \$400,000 . . . Bike's Peak: Last year 1,252,029 bicycles were built in this country—a new all-time high, about 100,000 above the previous record, which was set 'way back in 1899 B. A. (Before Automobiles) . . . The Great Lakes ore fleet, for the second consecutive month, has operated at 100 per cent of capacity—first time since August

of 1937 . . . Television industry is hopeful that the FCC will, shortly after the turn of the year, sanction commercial television broadcasts, and so permit large-scale promotion and production of sets . . . Everybody's doing it note: In two states, Connecticut and Ohio, records indicate that 90 per cent of all men between 25 and 34 years of age have auto driving licenses.

EYE-WITNESS REPORT—A glimpse of the inner drama in the Far East crisis is found in the travel "log" of C. V. Whitney, Pan-American Airways board chairman just returned from a 20,000-mile aerial survey of the critical region . . . "Every day in Batavia," Whitney wrote of the Dutch East Indian capital, "you could see the little yellow men of the Japanese delegation driving about with solemn faces. I looked in on the opening session of the Dutch-Japanese conference which ultimately will shake up the map of the Pacific. The Dutch sat along one side of the huge room, the Japanese on the other. At the moment I looked in there was a death-like silence, just two rows of grim faces watching each other like the sparing vanguard of combat." Whitney reported on the situation in the South Pacific to President Roosevelt. A few days later new conflict was barely averted when the Dutch yielded to Japanese pressure by agreeing to feed the hungry maw of Japan's war machine with 14,000,000 barrels of oil a year—about 20 per cent of Nippon's requirements.

THINGS TO WATCH FOR—Newest thing in juke boxes is a "talking" model—in which your nickel-in-the-slot gets you a phone connection with a central station whereupon you tell the sweet-voiced operator what swing tune or ballad you want, and it is forthwith piped into the cafe, or whatever . . . automatic window-lift in one of the new cars; hydraulic power raises or lowers the window at the press of a button . . . Now you can buy, of all things, dog food, in glass containers said to be just as nifty as the celebrated cheese glasses for re-use as orange or tomato-juice tumblers . . . And here's something to listen for: a typically timely tune from Tin Pan Alley, "Is It Love Or Is It Con-scription?" . . . A new ethyl plastic, transparent, that can be drawn like

metal to form rigid boxes without seams or reinforcements . . . another and brand-new, molding plastic material is coffee grounds, up to now a terrific waste item in hotels and restaurants . . . A new auto radio turned on or off, and tunable, by the driver's foot.

American Boy Is Companion To Thousands

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a systematic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys' clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 25c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign and Canadian rates 50c a year extra. To subscribe simply send your name address, and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging headache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

Rev. And Mrs. J. V. Bilberry, Honored By W. M. U.

Sunday afternoon at 3:00 p. m., a church reception, sponsored by the W. M. U., to pay tribute to their pastor and his wife upon the occasion of the 60th wedding anniversary of the Bilberys, was held at the Bethel Baptist Church.

The reception was opened with song and prayer, followed by speeches of tribute to this pioneer pastor and church organizer. Rev. Markham delivered the message, and after the spiritual feast, the honor guests were presented with a shower of material gifts, coming from both individuals and from churches, which he had either organized, or served as pastor. The churches represented were: Croton, Midway, Pansey, Red Mud, Highway, Dickens, Friendship, Afton, and Kalgary.

Mr. and Mrs. Bilberry were married October 20, 1880 at the home of the bride's parents, in Lampass county. They soon moved to San Saba county, locating on the Colorado River at Red Bluff Crossing; two years later they moved to Mason county, and in 1897 they decided to "go west". They first settled in Stephens county, and in '99 came to Dickens county, where, except for six years in Arkansas, with frequent visits back here, and two years in New Mexico, they have lived for 41 years. Rev. Bilberry states that he has organized most of the Baptist churches between Stamford and Lubbock, including: Sagerton, Peacock, Old Glory, Girard, and the ones listed above, during his forty-one years in West Texas.

ALL DAY SINGING AND BASKET DINNER AT AFTON

An all day singing and basket dinner will be held at the Afton Baptist Church, Sunday, October 27. All singers are cordially invited to come and bring their song books.
