## Cub Pack Meeting Friday Evening

The September Pack meeting of Cub Pack 50 is called for next Friday, September 26, at East Ward school auditorium at 7 p. m. Every Cub, every parent of Cubs, every committee member, old and new Den Mothers, and everyone interested in Cubbing is most cordially invited. A full attendance is desired. It is highly important that organization plans be completed.

J. C. Ramsay, Assistant Cub Master.

## Changes Made in Clerk's Offices

Mrs. Nettie Littlefield has accepted a position in the district and county clerks office left vacant by the resignation of Mrs. Mike Harkney. Mr. and Mrs. Harkey have moved to Abilene where he has a position with an oil company.

Mr. Ousley considers himself very fortunate in being able to secure the services of Mrs. Littlefield, who is very familiar and efficient in the office, having been clerk herself for a number of years.

## Expect Rush for Drivers Licenses

Nearly half the people in Texas will start a stampede for new drivers licenses October 1.

There's really no need to get in a hurry about it, State Police Director Homer Garrison explains. From October 1 until December 31, old licenses numbered from 1 to 450,000 will be renewed.

From January 1, 1942, until March 31, those numbered from 450,001 to 900,000 will be renewed.

Those numbered from 900,001 to 1,350,000 will be renewed between April 1 and June 30.

Any license numbered from 1,350,001 upward will be renewed between July 1 and November 1.

Here's the procedure for getting your new license:

Obtain an application form from any highway patrolman or drivers license examiner or by writing directly to the department of public safety in Austin. The forms also will be available from police and sheriff departments, banks and other public places.

Either print in ink or use a typewriter to fill out the application, enclose a 50 cent money order or cashier's check with it, and mail it directly to the Department of Public Safety, Austin. The new license, good for two years, will be mailed to you from Austin.

Persons renewing licenses will not have to take an examination unless they have a bad record of traffic violations or collisions. But if you fail to renew your license in the stipulated time, you will be liable both to arrest for driving without a license and an examination.

## Mrs. Ben Worswick Suffers Hip Injury

Mrs. Ben Worswick, of Dickens, was taken to Abilene Saturday for treatment of a broken hip, received in a fall at her home Friday night. Mrs. Worswick was brought to Nichols Sanitarium for X-ray Saturday and later taken to Abilene in a Chandler ambulance for attention of specialists. Reports were that she would probably be able to return home some time this week.

## JOE WOLFE RETURNS FROM VACATION

Joe Wolfe, Spur nightwatchman, returned last week and resumed his duties here the first of this week after a two weeks vacation and visit with relatives in Arkansas and East Texas.

Joe visited a sister, Mrs. Mary Shuler, of Pike, Arkansas, whom he had not seen in the past 38 years. A brother who lives at Purcell, Oklahoma, also unseen for 38 years, was unable to meet Joe and Mrs. Shuler at Pike.

Mr. Wolfe visited his children, Floyd Wolfe and Mrs. V. J. Carter, at Winnsboro, Texas and Walter Scott at Graham and other relatives in Dallas, Stephenville, Hico and other points in East and Central Texas.

E. L. Smith, former nightwatchman, took over the night duties during Joe's absence.

## CARL PENINGERS VISITING HERE

Mrs. and Mrs. Carl Peninger, of San Diego, California, arrived in Spur Monday for a two weeks visit with her parents, Mr. and Mrs. L. C. Ponder, of two miles east of town.

Mr. and Mrs. Peninger will visit other relatives and friends in South and East Texas and Oklahoma before returning to their home in San Diego.

## At Panhandle South Plains Fair Rodeo

Plenty of action and thrills are in store for rodeo fans during the 28th annual Panhandle South Plains Fair at Lubbock, October 6 to 11. Six big all-star programs are scheduled, one each night before the large

grandstand. Shown above is a larrupin' cowboy on the hurricane deck of "Hellsinki," one of the many tough broncs that will be in the ring. A full slate of bronc busting, steer riding, roping and bulldogging is on tap.

## Added Emphasis Placed on Farm Terracing

Terrace your land now and pay later when you get your AAA payment is the advice Texas farmers will have available under the farm program in 1942.

With the program placing still greater emphasis on soil building practices in 1942, terracing has been added to the conservation materials and services program to enable farmers to terrace their land. Fred Rennels, assistant administrative officer of the AAA in Texas, has announced.

This phase of the AAA program, designed to assist cooperating farmers in carrying out more soil building practices, already makes it possible for them to obtain phosphate, Austrian winter peas and vetch during the planting season and the cost of materials are being deducted from the AAA payments. Similar arrangements may be made in those counties which adopt the terracing program, Rennels explained.

County AAA committees, in counties where there is sufficient demand for the terracing program, will let bids on a 100-foot basis to contractors who will be paid by the AAA after the terraces are completed, the AAA official said.

Since the expanding conservation materials and services program throughout the nation may result in difficulties in securing necessary seeds and supplies, terracing is being added to help farmers make the maximum use of the AAA's soil building assistance. Future payments no doubt will be contingent upon carrying out more soil building practices, Rennels said.

Under this program, farmers may use 70 per cent of their total farm payments for terracing.

## Connally to Be Speaker at Texas State Fair

With plans virtually complete for National Defense Day at the State Fair of Texas on Sunday, October 12, more than 100,000 persons are expected to hear the stirring address of Senator Tom Connally of Texas.

As chairman of the powerful foreign relations committee of the United States senate, Senator Connally is expertly qualified to deliver an address befitting the occasion, intended and destined to be the greatest patriotic gathering ever held in the Southwest.

R. L. Thomas, general chairman for the event announced that National Defense Day at the fair has been planned to "foster unity among the people of Texas and to bring this state solidly back of President Roosevelt in his administration of foreign affairs. Since the president issued his 'shoot first' order, we believe that our boys who are on the firing line deserve the full support and backing of the people of Texas."

Governor Coke R. Stevenson will introduce Senator Connally at ceremonies scheduled to begin in the state fair's huge Cotton Bowl at 3 p. m. The 45,000 seats of the Cotton Bowl are expected to be filled for the address while loud speakers, distributed over the fair grounds, will bring the talk to 100,000 or more others. Radio will carry the address throughout the state and Southwest.

## KIMMELS RETURN TO DICKENS COUNTY

W. A. Kimmel and family returned to Dickens county the past week from Gustine, Texas, where they had made their home the past year. The Texas Spur joins their many friends in welcoming the Kimmels back to their old home.

## SERVICES TO BE HELD AT EPISCOPAL CHURCH

Rev. John W. Winslow, of Lubbock will fill the pulpit at the Episcopal Church in Spur Sunday, September 28 at 3:30. The public is extended a cordial invitation to attend.

## Five Selectees Called For October

Five selectees from Dickens county will leave Spur Thursday, October 16, for Fort Bliss, Texas, where they will be inducted into the army. Selectees called are: William Preston Ballard, William McAdoo Park, Edward Garvin Dillion, Doyle Truman Fry and Otha Truitt Smith.

## Aid to Dependent Children Program

The state department of public welfare announced last week it could start accepting application for aid to dependent children at its local offices throughout the state, beginning Friday, September 19. Although this date represents the opening of the program, it is not mandatory that all applications apply in September 19, as arrangements will be made to accept applications on subsequent intake days, which will be announced for each locality.

Parents or relatives of dependent children should call at the state department's local office in the county in which they reside and talk with the worker who will be prepared to explain the eligibility requirements and assist in filing the application. It will not be necessary that the children be brought to the office as the local worker will later make a visit to the home at which time the children may be seen.

For a child to be eligible for aid to dependent children under the laws of Texas, the child:

- (1) Must be a citizen of the United States.
- (2) Must have resided in Texas at least one year preceding the date of application; or must have been born within the state within one year preceding the date of application provided the child's mother had resided in Texas at least one year preceding the child's birth.
- (3) Must be under the age of fourteen.
- (4) Must be deprived of parental support, or care, by reason of one of the following factors: (a) death of parent, (b) continued absence from home on the part of the parent, (c) physical or mental incapacity of a parent.
- (5) Must be living with his father, mother, grandfather, grandmother, brother, sister, step-father, step-mother, step-brother, step-sister, uncle or aunt in a place of residence maintained by one or more relatives as his or her home.
- (6) Must be in need. This is defined as not having sufficient income or other resources to provide a reasonable subsistence compatible with health and decency.

The department called particular attention to item 4 in explaining that the program was not designed to provide for all needy children but only those whose need is due to their being deprived of parental care and support by virtue of one or more of the specified reasons.

Death of a parent is interpreted literally, except that it cannot be said that a child is deprived of parental support if the surviving parent has re-married and the child has one natural parent and one step-parent.

Continued absence from home is interpreted to include absence that might be due to imprisonment, desertion or abandonment, or divorce.

The physical or mental incapacity of a parent is interpreted to mean an incapacity that restricts the occupational activity of a parent to such an extent that the parent is unable to provide support. The parent's conditions must be of such chronic nature that it can reasonably be anticipated to incapacitate the parent for a period of at least six months.

The constitution of Texas, article III, section 51D, restricts payments in such a way that no more than \$16 can be given for one child in an eligible family, and no more than \$24 can be given for two or more children in an eligible family. The constitutional amendment also restricts the total expenditures of state funds for the ADC program to no more than \$1,500,000 yearly, which means that the total amount available, including federal matching funds, cannot exceed \$3,000,000 yearly.

## Cong. Mahon Back In Washington

George Mahon, congressman from this district, was back in his Washington office this week after having spent three weeks visiting in various portions of his district.

Early last week while en route to Washington, he visited army maneuvers in Louisiana where a half million soldiers are engaged in mock warfare for the purpose of increasing the efficiency of our armed forces. Mahon reported that he saw a few of the enlisted men from the 19th Texas district.

In commenting on the maneuvers, Mahon said that the West Texas boys were measuring up to their full responsibility. "It is not a pleasant task for the boys to face the severe hardships occasioned by the maneuvers," he said, "but I can testify from observation that the boys can really take it. The thing that impressed me most was the physical toughness and the high moral quality of the men. The modern youth does not lack the physical stamina and the hardihood of his predecessors."

"The soldiers are the ones, and about the only ones, who are making real sacrifices for national defense. They deserve 100 per cent cooperation from labor and capital and from the people generally."

Mahon is a member of the war department appropriation committee and he visited the maneuvers in company with army officials and other committee members.

## Rotary Clubs Buying Defense Bonds

September 16, 1941.  
Dear Fellow Editor:  
The Rotary Clubs of the 127th district are defense bond minded, according to Cal Farley, district governor, Amarillo.

Mr. Farley reports that in addition to the district itself buying bonds that the treasurers of 32 clubs have yielded funds for purchase of U. S. Defense Saving Bonds.

In addition, almost every club in the district and scores of Rotarians have contributed personally and as clubs to the British Relief Fund sponsored by Rotary International. Gifts to this fund are sent to Rotarians in England many of whom have suffered great loss and privations. It has also been the policy of Rotary International to render aid to Rotarians in other countries engaged in the conflict, although Germany and Italy have banned Rotary Clubs both in their own and in the conquered countries.

Sincerely,  
John McCarty,  
Editor News-Globe.

## HASKELL DEFEATS SPUR HIGH ELEVEN

The Spur Bulldogs lost their second game 18-0, here Friday night to the Haskell Indians.

The Indians scored once in each of the first three periods, which indicates that the game was a hard fought one despite the one-sidedness of the score. Most of the Bulldogs are new at the game and are not playing so badly for first year men.

## Defense Bond Quiz

Q. How do I get the highest return on my investment in Defense Saving Bonds?

A. By holding each bond for its full term of years you will secure the full maturity value. A Defense Savings Bond of series E increases in value 33 1-3 per cent if held for 10 years.

Q. Is the government concerned over whether I buy my Defense Savings Stamps at post office, banks, savings and loan institutions, retail stores, or elsewhere?

A. No. The government is interested in having as many persons as possible take a hand in the national defense program. Toward that end the treasury is making Bonds and Stamps available for purchase in the largest number of places possible.

Note—To buy Defense Bonds and Stamps, go to the nearest post office, bank or savings and loan association or write to the Treasurer of the United States, Washington, D. C. for a mailorder form.

## McMeans-Donahoo Wedding Saturday

Miss Zena McMeans and Nelson T. Donahoo were united in marriage Saturday, September 20 at the home of Rev. R. C. Brown, who read the ceremony in the presence of a few friends.

Mrs. Donahoo is the daughter of Mr. and Mrs. T. B. McMeans, of Rule. She is a graduate of Rule High School, an accomplished and very popular young lady.

Mr. Donahoo is a graduate of Brownwood High School and for the past two years has been employed as bookkeeper for the Texas State Experiment Station here.

The Texas Spur joins the many friends of Mr. and Mrs. Donahoo in offering congratulations and wishing them many long years of happily married life.

## Double Wedding for Popular Couples

Miss Nona Coral Smith became the bride of Billie Sparks, and Miss Dorothy Louise Vaden was married to Billie Joe Thomson Wednesday, September 18, in a double ceremony at the home of Rev. Reese in Childress. The couples were attended by a few close friends.

Mrs. Sparks is the daughter of Mrs. Eva George, of Highway, and a graduate of Spur High School. She is an accomplished young lady and very popular.

Mr. Sparks is the son of Mr. and Mrs. J. E. Sparks, of Highway. He was graduated from Spur High School, valedictorian of the class of 1939 and made an enviable record on the football team. Soon after graduation he enlisted with the army air corps and is now stationed at San Angelo.

Mrs. Thomas is the daughter of Mr. and Mrs. H. G. Vaden, of Paducah, and a graduate of the high school at that place.

Mr. Thomson is the son of Mr. and Mrs. S. E. Thomson, of Paducah. He also enlisted in the air corps soon after finishing high school and is in the same squadron with Sparks at San Angelo.

After a brief honeymoon the grooms returned to their stations at San Angelo, the brides continuing to make their homes at Spur and Paducah for the present.

Mr. and Mrs. W. C. Gruben and Matthews, went to Lubbock Sunday where Mrs. Gruben underwent an examination and will be in the West Texas Hospital for several days for medical attention.

Mrs. C. W. Barrett of Stamford spent from Friday to Tuesday in Spur the guest of her parents, Mr. and Mrs. Will Bell.

Miss Dorothy Young was the guest of Mr. and Mrs. H. B. Thompson of Chillicothe over the week-end.

"THIS BOOK ISN'T WORTH READING  
... tear down the Library!"

One bad book doesn't make it a bad library. You wouldn't destroy the library to get rid of a few bad books.

A similar situation holds in the beer industry. The vast majority of beer retailers operate clean, decent law-abiding establishments. Now and then an occasional "black sheep" retailer turns up who violates the law or permits anti-social conditions.

The Beer Industry is now actively working to eliminate such retailers. We want to protect your right to drink good beer and our right to make it.

We also want to protect the economic

benefits of beer. Right here in Texas, beer provides employment for 31,165 persons, supports an annual payroll of \$22,076,182 and contributed \$2,273,968.64 last year in state taxes.

This state, too, has an important stake in Beer's purchases from more than 100 industries supplying the brewing industry with materials, equipment and services.

You, too, can help the cause of moderation by (1) patronizing only the reputable places where beer is sold, and (2) reporting any law violation you may observe to the duly constituted authorities.

Next Monday the Woman's Auxiliary meets for a special meeting at 4 p. m. at the Manse. This is called "Loyalty Meeting."

Everybody is cordially invited.

**Loyalty Meeting At Manse.**

The Woman's Auxiliary of the Presbyterian Church is staging a loyalty meeting at the manse on next Monday night at 8 o'clock. Every woman in the church is asked to bring her husband.

The topic is "Loyalty to Christ and His Church." After a brief introduction an elder of the church will speak on the subject "Back to Our Promises." This will be followed by two talks to be given by a man and his wife on the subject "Backing Our Promises with Our Lives."

This will be followed by a talk from the pastor entitled "Backed by His Promises."

A special feature which will conclude the meeting will be the social time that will follow the more serious part.

It is sincerely hoped that a goodly number will be present. This is the week preceding the Annual Rally Day set for Sunday, October 5th.

**PRESBYTERIAN WOMAN'S AUXILIARY TO MEET**

The Woman's Auxiliary is having a special meeting Monday at 8 p. m. at the manse. The subject is Loyalty. The members are asked to bring their husbands.

Mrs. Jerry McKenna left Monday morning to return to her home in Kansas City, Missouri, after a two weeks visit with her daughter Mr. and Mrs. R. C. Brown and Betty Lynn.

**W. S. C. S. Met Monday at Church.**

The Woman's Society of Christian Service met Monday, September 22, in the basement of the Methodist Church. President Mrs. C. H. McCully called the meeting to order and the minutes were read and approved. The new study books were given to those present. Mrs. George S. Link, Sr., gave a most interesting lesson on the Book of Luke. Mrs. H. L. Thurston led the prayer.

Those present were: Mesdames George S. Link, Sr., Clark Lewis, Henry Simmons, Leland Wilson, W. F. Gilbert, H. L. Thurston, D. P. Condit, C. H. McCully, Carlisle, W. S. Campbell and Miss Etta Fite.

All members are urged to be present at the next meeting, Monday, September 29, for the celebration of the first anniversary of the new W. S. C. S. A love offering will be sponsored.

**A Message of Appreciation**

We can find no words to express our appreciation and love for our many friends who have in so many, many ways helped us to bear this greatest sorrow that can come to a home, the losing of our precious daughter and sister. We think this poem comes nearer to our hearts in expressing our appreciation of our friends than anything we could say:

**Friendship**

They come, they go; we part,  
And there the contest ends;  
Save for the ones who really care,  
Our joys increase, our sorrows share;  
And these we call our friends.

Oft when life's deep solitude  
Brings out our human needs,  
We take our friendship rosary  
And count its precious beads,  
One by one, they walk with us  
To lend a helping hand—  
These friends apart from all the rest,  
The ones who understand.

**Save Leaves and Straw They are Valuable**

Don't burn leaves and straw, for when decayed they form humus. And, says M. K. Thornton, extension agricultural chemist for A. & M. College, humus in the garden helps keep moisture in the ground, and in turn helps to prevent dry weather injury.

If you are fortunate enough still to have leaves around, save them. They help to build the garden soil. Rake them when they are wet into broad, flat-topped piles in a remote corner of the garden and allow them to decay. If raked dry, wet them as they are piled. The leaves may require a year to decay properly.

To hasten the decaying process, add to 20 pounds of dry leaves, or to 40 pounds of wet, one and one half pounds of a mixture of five pounds of ammonium sulphate, four pounds of ground limestone and four pounds of superphosphate.

An alternative choice, use one and one half pounds of a mixture of four pounds of synanamid and four pounds of superphosphate. But do not mix either preparation until ready to use it.

Instead of these, the leaf hoarder may use two pounds of a mixture comprising five pounds of nitrate of soda, four pounds of superphosphate, two pounds of ground limestone, or one and one half pounds of hydrated lime.

Later, woodashes may be spindled over the pile at the rate of a half pound of the original dry leaves.

**Duck Creek H. D. C. Meets With Mrs. Driggers**

The Duck Creek home demonstration club met with Mrs. W. J. Driggers September 22.

The club sang, "Work for the Night is Coming."

Many very interesting happenings was told when each member present answered the roll call with "Do you remember when?"

Mrs. Vernon Gregory discussed and demonstrated inexpensive gifts from your home. She made a canister set by painting different sizes of cans and decorating with flowers. She made a very attractive range set by painting small mayonnaise jars and a small can and decorating them with small ships. She showed us how jars of jelly and can foods can be wrapped to make attractive gifts. She had a display of many other gifts that can be made that were not expensive.

Mrs. Lance Smith discussed consumer buying of can foods. And Mrs. C. R. Bennett discussed consumer buying of sheets, pillow cases, table linens and towels.

A game was directed by the hostess.

The next meeting will be with Miss Mary Pearl Hagins, October 12.

Refreshments were served to Mesdames C. R. Bennett, W. A. Webb, Samantha Smith, Vernon Gregory, Lance Smith, Lela Little, Miss Mary Pearl Hagins and the hostess.

**South Plain Fair Offers Big Prizes**

Very substantial premium increases, amounting in one division to 66 2-3 per cent, have been announced for the dairy cattle department at the 28th annual Panhandle South Plains Fair at Lubbock October 6 to 11, and it is anticipated that the best showing of dairy cattle in the fair's history will result.

Highest percentage of increase in premiums is in the Holstein division, where place premiums have been stepped up from three to four. Last year's postings offered only first, second and third places of \$7.50, \$5, and \$2.50, whereas this year there are four places of \$10, \$7.50, \$5 and \$2.50. There were eighteen competitive classifications in the Holstein division last year in addition to senior, junior and grand champion and these remain the same.

The Jersey division contains the same five places as last year, but premiums have been increased more than 39 per cent. Premiums for the 1941 fair will be \$12.50, \$10, \$7.50 and \$2.50, as compared with a top of \$10 and a \$2 fifth place last year. The Jersey division will offer 20 competitive classifications in addition to junior, senior and grand champion.

Premiums in the dual-purpose (Shorthorn) cattle division and in the swine department, will be the same as last year. Three places of \$7.50, \$5 and \$2.50 are offered in the Poland China, Durco and Hampshire divisions of swine. Chester Whites and Spotted Poland Chinas drew \$5.

Inquiries from breeders and exhibitors in various parts of the country particularly regarding dairy cattle, have been received at fair headquarters and officials anticipate a fine showing by many of the better known breeders.

Also much interest is the announcement that a Pattern, or model exhibit of many classes, types and breeds of livestock will be placed by Texas Tech College on a strictly non-competitive basis, under supervision of W. L. Stangel, head of the animal husbandry department. This showing will be two-fold in purpose—first to exhibit individuals from the college herds, but primarily for the educational value on preparation and exhibitions of show animals. Included will be horses, mules, jacks and jennets; Aberdeen-Angus and Hereford cattle of the beef type, Jerseys, Holsteins and Guernseys of the dairy type; Durco, Hampshire and Poland China in swine; Hampshire, Rombouillet and Southdown in the sheep, and Angora goats.

## Famous Outlaw Horses for Fair At Lubbock

Offering \$2,700 to \$3,000 in cash prizes for contestants and one of the most ambitious programs in history for the spectators, a rodeo which will be a nightly grandstand feature at the 28th annual Panhandle South Plains Fair at Lubbock October 6 to 11 will bring close to 200 of the nation's roughest and toughest animals and some of the topnotch cowgoy performers for entertainment of an anticipated record attendants.

Fair officials this week announced approval of contracts for the animals, more than 100 head of which will come from the famous Butler Bros., ranch at Elk City, Oklahoma, origin of much of the livestock used in rodeos at the Madison Square Garden shows at New York. The announcement has been received with widespread approval by prospective contestants and the public in general.

All contests will be judged under rules of the Cowboy Turtle Association, and events will be open to members of the association and to all amateurs in good standing. Black balled "Turtles" will be barred from competition under a specific rule. Contest entries must be on file before 5 p. m., on October 5, day preceding opening of the fair, and these must be accompanied by entry fees, which are \$10 for calf roping and \$7.50 for each of the other events.

## Rate Reduction for Stock Shippers

According to information from Washington, railroads have granted a rate reduction designed to benefit livestock shippers. The rate concession, which became operative August 1, is experimental for one year. Sale-in-transit privileges will be accorded of stocker and feeder animals at the central markets at the through 85 per cent stocker and feeder rates from origin to destination.

The rate adjustment is important to Texas cattlemen because this state is the largest shipper of livestock in the United States, said Paul G. Haines of the A. & M. College extension service.

"The privilege of sale in transit means that when a shipper finds a more favorable market during transit he can unload his cattle and sell them without rate penalty," Haines said. "This does not mean elimination of certain rate differentials affecting the southwest, but it is a step in the right direction."

The railroads announced that continuation of the new schedule would depend upon whether increased traffic justified it.

## McAdoo Defeats Roaring Springs

The McAdoo football squad, under the able direction of Coach George Archer, has started another very successful season. McAdoo defeated the Roaring Springs six 47 to 21 last Friday at McAdoo.

McAdoo scores by periods were: First period—Neff on running play, Neff to McWilliams, Rose passed to McWilliams. Rose kicked goal, Rose passed to Neff—total 21 points.

Second period—Rose passed to Allen, McWilliams lateral to Allen,—total 12 points.

Third period—Rose on running play, Rose scored on punt, Rose passed to McWilliams, conversion—total 13 points.

Last period—Rose passed to Allen—6 points.

Roaring Springs made all three of their scores in the third period; two on intercepted passes and the third on a running play.

McAdoo team includes: Bill Davis, Roscoe McWilliams, Nathan Pipkin, Austin Rose, Jr., Noble Neff, Roy Allen, Butler, Edinburgh, J. Robertson, Rigsby, Brownlow, and L. McWilliams, B. Robertson.

Roaring Springs team: Williams, Roberts, Dillard, Harmon, Swim and Thacker.

McAdoo plays Dickens at McAdoo, Friday afternoon at 2:00 o'clock. Everybody is invited to see the action of these two teams.
