WADING UP AND DOWN MAIN STREET

BY WADE SCOTT

Boy Howdy! It feels good to be back on the streets again, after being couped up at home for a week with the flu, two boys and a dog.

J. D. McCain, local pop corn merchant, invites the person who catches his turkey Wednesday to bring his family to see a movie at the Palace Theatre as his guests.

Ted Pace, Mayor John Pope of Overton, and Gene Oliver of Longview, East Texas Nimrods, are combing the prairies hereabouts for "Bobs and Blues." Ted Pace, brother-in-law of Raul English, is the Ford dealer in Overton and has promised Raul a new Mercury soon. (I hope they leave a few birds for us!)

Jack and Dorothy Christian attended the Aggie-Longhorn game Thursday at College Station. Jack said the game was a thriller out that the best team lost—(naturally). They had as house and hunting guests this week L. M. Green, Gentry Worley and Dick Folkes, Texaco big shots from Dallas; C. D. Hall of Lubbock; A. B. Chapman, Texaco Co. dealer from Sherman and R. B. Leach of Abilene. The party had good shooting and returned home well pleased.

Deacon Hull, Carl Proctor and Tom Milam went over to Lubbock Monday to see O. B. Ratliff.

Little Miss SUE HULL, a mighty nice young lady, is among those who have been confined to her room this week with the flu. We sympathize with you, Susie!

Called up the English domicile and a deep, manly voice answered. It was really Lena Belle who dolefully said "I've got it!" We feel that this epidemic has gone too far. Somebody should put a stop to it!

The out-of-town nimrods are here thick as hair on a dog's back. Spur Inn had all rooms filled and running over and had seven bedded down in the dining room. THE SPUR INN COFFEE SHOP is now open! This is especially good news for the Rotary Club. No more paper sack lunches, hooray! The Chamber of Commerce Directors met at Spur Inn Thursday night and Ed Slough really served a nice dinner to them.

JOE JEFFERS is "back in the saddle again." He's opened the HILL TOP Drive-in and is dispensing good food in pleasant surroundings. The Younger Set started singing "That's For Me" and are very happy to be able to patronize the Hilltop again. Even we with the long, gray beards are too.

JOE BAILEY has moved up town from "Juarez." Joe is now employed at Tom Jones Drug Store.

GEORGE A. SESSUM, District representative for Veterans' Administration with offices in Lubbock, was a visitor in Spur Tuesday. George urges all veterans with problems of any nature to contact EVERETT MARTIN, local service officer here or write or visit him in Lubbock.

BURLEIGH GRIMES, O. L. EN ARTHUR and BURFORD JOHNSON really earned their pay this week. They did a fine job of moving the post office to its new location with very little interruption of the mail service.

Our son JOE REID came home Tuesday night and said he wished we had some chickens. When asked why he said "Well, GLENN GLASS said he was going home and practice all afternoon catching his mother's hens so he could catch a turkey Wednesday afternoon."

NOTICE!
Local merchants are urged to decorate their windows in Xmas motif BEFORE Wednesday, Dec. 12th. Prizes to be awarded for the best windows will be judged Turkey Day, Dec. 12!

Spur Inn Dining Room and Coffee Shop Is Now Open

New Equipment Added; Leased By Ed Slough

The Spur Inn Dining Room and Coffee Shop is open again, from 6:00 a.m. to 10:00 p.m., and is being operated by Ed Slough who leased the property recently. Mr. Slough and Oscar Killian, owner of the Inn, have both been busy overseeing installing of new equipment in the dining room and kitchen.

"We feel that opening of the dining room will fill a need in Spur for additional catering facilities, and we hope to fill this need adequately and satisfactorily to the pleasure of our customers," said Mr. Slough. "We intend to serve special Sunday dinners, and to serve only the best meats which money can buy at all times."

Mr. Slough, recently discharged from the army, was attached to Mess Personnel at the Don Hotel St. Petersburg, Florida, serving as head of the Butcher Department during his 18 months of army service. The Don Hotel was taken over by the Army for a convalescent hospital. Much valuable experience in food preparation was acquired by Mr. Slough in this capacity.

Barrett Sons Are Released From Armed Forces

Two sons of Mr. and Mrs. L. R. Barrett have recently been released from service and have returned to their respective homes. Horton Barrett received his discharge Tuesday at San Diego upon his return from service with the Navy in the Philippines. He joined his wife and son at their home in Santa Fe and will pay a visit to his parents here Friday.

Captain Clinton D. Barrett was released from service with the Arm Air Forces Training Command recently, and has returned to his home in Victoria to begin his practice as a veterinarian. He has bought property there and is converting it into an up-to-date Veterinarian Hospital.

O.P.A. Offices Will Close For Two Holidays

According to instructions received from the District Office of Price Administration, Fort Worth, Texas the War Price and Rationing Board Offices in Spur, Gutherie, Matador, Jayton and Aspermont will be closed on Monday, December 24th and on Monday, December 31st. The offices will be open on Saturday, December 29th and on Saturday, January 5th to compensate.

Capt. Nichols Enjoys Turkey Dinner at Home

Thanksgiving dinner at the P. C. Nichols' was delayed until Sunday so that Captain John L. Nichols, who has recently returned to the States from Tokyo, could be present. Captain Nichols had been overseas for the past two years and three months.

Other members of the family who were present were: Pike C. Nichols Jr., and his family of Houston; Mr. and Mrs. E. W. Compere of Abilene; B. R. Blankenship and son Benny of Abilene; Bob and Ed Compere of Weslaco, Texas. Mr. Compere is a brother of Mrs. Nichols.

SGT. JOE STANLEY IS EXPECTED HOME

Mr. and Mrs. O. D. Stanley of the Espuela community received a letter from their son, Sgt. Joe Stanley, that he expects to be home by the middle of December and with a discharge. Sgt. Stanley is a member of 101st Airborne Division and is also a member of the 101st Airborne football team. Stanley has served in the European theater since October of 1944. He has received two Purple Hearts for wounds he got in the invasion of Bastogne and other battles he took part in.

Public Asked To Observe Parking Limit By Mayor

The City Council has passed an Ordinance creating a limit of 10 minutes on parking space in front of the Post Office at its new location. The 10 minute zone is being designated by painting the curb and Mayor L. E. Lee asks the cooperation of everyone in observing this parking ordinance. "Everyone is a patron of the Post Office," said Mayor Lee, "and will appreciate availability of parking space to run in for the mail."

Funeral Services Held Tuesday For Mrs. L. Rankin

Came to Spur As Bride in 1913

Mrs. Clyde Mae Rankin, age 52, who had been a resident of Spur since 1913, was buried Tuesday in the Spur Cemetery, following funeral services for her at the Baptist Church with the Rev. Gilbert and Rev. Arnold officiating. Mrs. Rankin was the wife of L. L. Rankin.

Mr. and Mrs. Crawford and daughter "Sandy" are new members of the Methodist Church in Spur, having joined the church Sunday by letter from Mineral Wells.

HAZELWOOD HOME

John Hazelwood recently returned home after receiving release from the army at Camp Breckenridge, Ky. As a sergeant in the 35th Division, John saw action in the European Theatre during the last six months of his army service.

Lt. and Mrs. Gordon Muth and son arrived Friday morning from El Paso where he has been stationed. Lt. Muth is a pilot on a C-47 and left Saturday to report to his new station at Colorado Springs, Colo. Mrs. Muth and son will remain in Spur until January and will join Lt. Muth in Colorado.

Christmas Program Featuring Carols To Be Presented

Musical By Band Girls December 13 at Gymnasium

Twenty-eight girls of the Spur High School Band will present a Christmas program at the high school gymnasium Thursday night December 13, beginning promptly at 7:30 p.m.

This program is divided into two parts. The first part will be devoted to the singing of the old, old Christmas carols. Some of the oldest carols that we have have no history. They give us the expressions of happiness of forgotten people. Carols became popular through mystery plays which depicted scenes from the Bible. A few of these scenes will be presented on the stage. For a good many years groups of people went from house to house singing these carols. The puritans forbade the singing of these lovely songs; but anything so loved by the people could never die. The carols became popular in the nineteenth century, and the custom of community singing of these carols has become very popular.

The second part of the program will be devoted to the singing of the classic and semi-classic music. Such well known songs as Ave Maria, The Lost Chord and Neopolitan Nights will be sung in three-part harmony.

This program is under the direction of R. M. Pullis, and with the cooperation that he is receiving from the school and his students this musicale is expected to be one of the best of the year. There will be no admission and the public is cordially invited to attend.

Wilson Justice, local manager, and Bill Glenn, assistant manager and salesman, of the Kimball-McNeill Grocery, will be transferred to another house operated by the company.

Mr. Mathis, who will continue to call here, has been a salesman for some time with the Walker-Smith Grocery Co. which operated 16 wholesale houses in Texas before selling out recently to the Kimball-McNeill Grocery Co.

Margaret Worthy Is New Public Welfare Worker

Miss Margaret Worthy recently arrived in Spur to take up her duties as Field Worker with the State Department of Public Welfare here. She replaces Mr. A. C. Halsell who has resigned the position to devote his full time to religious work.

Miss Worthy was transferred here from the Department of Public Welfare in Ft. Worth. She is a native of Roscoe, a graduate of the University of Texas and taught school for several years before going into Welfare work.

HARMONY CLUB DELEGATES

The Harmony Club of Spur sent four delegates to the District Convention of Federated Music Clubs held in Amarillo Thursday and Friday. Mrs. George Gabriel, Mrs. W. T. Andrews, Mrs. J. H. Bowman and Mrs. J. E. Berry were those attending as delegates.

Post Office Moves To New Location, 419 Burlington

The Post Office of Spur, Texas was moved December 1 to its new location at 419 Burlington St., building formerly occupied by the Nichols General Hospital.

The Post Office Department authorized the moving of the Post Office at the expiration of the lease contracted on the Stovall Building on West Harris, which location has housed the Post Office for the last several years.

The Post Office has occupied four different buildings since the town of Spur was organized in 1909. The first location was a building below that now occupied by the Safeway Store. The second location was in the Ritter Building on East Harris until 1939 when the office was transferred into the Stovall Building.

A permanent lease on the new location, building owned by O. C. Arthur, Postmaster, has been secured "We hope to stay here until we get a nice, new Federal building," Mr. Arthur stated.

Mark Alvin Edgar Dies in Veteran's Hospital in N. M.

Funeral Services Held in Spur

Mark Alvin Edgar, son of Mr. and Mrs. Will Edgar, who served four years in the army before being discharged in June of this year, died November 29 in Veteran's Hospital in Albuquerque, N. M. of pulmonary tuberculosis.

The deceased had been suffering with the disease which caused his death when sent home from overseas. He wore the Asiatic-Pacific, Good Conduct, American Defense with two bronze stars, Ribbons and two overseas chevrons. He was given a medical discharge from the service and entered the Albuquerque Veteran's Hospital.

Reverend Van Zandt conducted funeral services for Mark Alvin at the Methodist church Sunday, at 3:00 p.m. Pall bearers were Ed Slough, Paul Stanford, Rupert Stanford, Alvis Bilberry, Olan Powell and O. H. Thompson. Flower girls were Edith Stanford and Mattie Beth Stanford.

Mark Alvin Edgar is survived by his father and mother and four sisters: Mrs. L. J. Varnell of Afton; Mrs. O. V. Crafton of Spur; Mrs. C. C. Farrer of Modesto California; and Mrs. O. H. Thompson of Lubbock; and one brother, Grady Edgar of Vallejo, California.

Chandler Funeral Home was in charge of arrangements.

Spur's First Turkey Day Attracts Large Crowd

TWENTY-SEVEN MORE TURKEYS BE GIVEN AWAY NEXT WEDNESDAY; CHORUS SING CHRISTMAS CAROLS

Show Windows Will Be Judged and Prizes Given For Best Ones; Santa Claus Be Here December 21st With Free Candy for Kids

Next Wednesday, December 12, twenty-seven more fine turkeys will be sent soaring out over the crowds to be grabbed by those lucky enough to be in the right spots at the right time. They will be released on that day from four different places up and down main street.

A chorus of young ladies from the Spur High School Band will sing Christmas Carols before the event, and arrangements have been made with Santa Claus to speak a few words to the children over short wave radio from the North Pole.

Show windows which have been decorated for Christmas will be judged and prizes given for the most attractive windows.

H. M. Christian, Chairman, J. D. McCain, Wade Scott and Foster Cook, members of the Christmas program committee, are expecting an even larger crowd to be in town on this date.

Bond Rally Will Close Victory Drive Saturday

W. T. Andrews, Chairman of the bond drive committee, announces that Saturday afternoon around 2:00 o'clock, a Bond Rally will be held on main street of Spur with hopes of raising all or some part of the remaining \$55,000 quota of "E" Bonds. A total of \$35,000 "E" Bonds have been sold to date. A guest speaker is being secured for the Bond Rally.

All of Texas, the state which has gone over the top on every other bond drive, has lagged behind in supporting the Victory Bond Drive. Texas this week was still at the bottom of the heap! Response in Spur is parallel to that of the entire state, and in spite of the efforts of the Bond Committee in the county, only a small part of the quota has been subscribed.

Jakie P. Draper Home From India; Goes to France

Mr. and Mrs. Gray Draper received a wire Thursday from their son, Jakie Paul, who is in the Merchant Marines, stating that he had arrived in New York Monday from Karachi, India, after a forty three day voyage on a troop ship bringing 2,054 troops home. He also stated he'd leave the following Saturday for France.

Ruben Draper, another son of Mr. and Mrs. Draper, has recently received his discharge and is back at his pre-war position with the Economy Auto Stores at Denton, Texas.

Pioneer of New Mexico Dies; Was Father Spur Girl

Funeral services were held Tuesday at 10:30 in Clovis, N. M. for William Henry Ward, a pioneer of New Mexico, and father of Miss Minnie Ola Ward, employee of Spur Security Bank.

Miss Ward was notified of the sudden death of her 66-year-old father, who was stricken with heart failure at his home in St. Vrain, N. M. He is survived by his wife and seven children.

DEMPSEY SIMMS JR. RECEIVES DISCHARGE

Pvt. Dempsey Simms Jr., is at his home in Afton following his recent honorable discharge from the army received at Camp Swift. Dempsey was in the army for a year and during that time was stationed at Camp Hood.

Mrs. Clarence Foreman and children and Mrs. Alton Foreman spent the weekend as guests of Mrs. J. H. Hadberger in Lubbock.

Schools let out and the children came—the mamas came and the papas came; grandparents, too, were here on Main street Wednesday at 3:00 o'clock when the Christmas program committee turned loose those big, fat Christmas gobblers donated by merchants of Spur, from the third story of the Campbell building.

Most of the turkeys seemed to prefer a path through the air toward the Safeway Store, Proctor's and Swartz Bros. (You'd think a gobbler wouldn't be so interested in the latest in canned goods and finery). One fellow was almost bagged right under the window from which it was tossed by the whole thing and who disdained to do anything except fall straight down. One gray-haired lady had her hair combed by a turkey whose feet raked her head, sailing on to be caught by someone else. The next turkey flew straight toward the lady, however, and this time, she cabbagged on to it with a vengeance. One young man standing on a roof was looking the other way when a bird skidded down his back to be caught by his companion of the roof. The young man seemed to be using very expressive language at his failure to grab the turkey.

It was thought by the program committee that the turkeys couldn't fly very far Wednesday because their wings had been tied up until just before they were released. Next week, however, the turkeys will be all limbered up when they are turned loose, the committee stated.

According to Warren C. Hultgren, Hardin Simmons student and pastor of Swenson Baptist Church, Swenson, Texas, "Hardin Simmons University student here has captured the spirit of post-war reconstruction and enlargement as few other educational institutions in the country." November 20 marked the kick-off of the Greater Hardin Simmons Development Program.

Two substantial gifts of \$25,000 each were announced as the high light of the chapel program. The student goal for the campaign is \$21,000. With money secured, construction will begin immediately on the Sanderfer Memorial Building in the center of the campus; two new dormitories, a student Union Building and reconditioning of all present buildings.

Swenson Baptist Pastor Is Active Simmons Student

Mr. Hultgren is President of the Junior class, President of Oratory and Debating Council, member Life Service Band, BSA Science Club, Who's Who of American Universities and Colleges, and a group captain for the Greater Hardin-Simmons Development Program.

F. Z. Degraffenreid, of the Merchants Truck lines, is a brother-in-law to our very good friend, Bill Cummins of Italy, Texas. We just found out that Mrs. Degraffenreid is a sister to Maud Cummins, wife of Bill Cummins, and we want to say right now that there are no better or finer people than the Bill Cummins. Their boy, Ralph Cummins, was a gunner on a B-17 in Italy and Africa and got wounded and his nose and face injured but he is fine now and working for Magnolia Petroleum Co. Their daughter married Staff Sgt. A. W. McCain, whose father ran a filling station right next to our News-Herald building in Italy and we were all good friends.

Mrs. Reece McNeill pays up for the paper for which we thank her very much.

THE TEXAS SPUR, THURSDAY, DECEMBER 6, 1945.

Mrs. Will Watson came in and paid up for The Texas Spur to be sent to two of her sisters all next year as a Christmas present. They live at Marquez, Leon county, Texas and are Mrs. Evan Watson and Mrs. Howard Watson. They both married Watson's who are cousins of her husband, Will Watson. They came from down in Leon county but have been here a long time. Leon county is known as the banner black-eyed pea producing county in Texas, and that is one reason why we would not live there. We remember back in the early days of the Extension Service and canning vegetables, black-eyed peas were about the only thing that they had learned to can successfully and we ate more than our share so we do not care for any more black-eyed peas. But Leon county produces watermelons and Navasot Philosophers and thus has become noted for that too. H. B. Fox, while editor of the Centerville News originated the Navasot Philosopher, and was called to New York by "We the People" to broadcast over national radio. Fox later went to Madisonville, and then into the Army. When he got out of the Army he quit the newspaper business and went to farming, and we have about decided he is right. If there is anything that calls for more work than newspapering it is farming (if done right) and we presume Fox's two years in the army made him anxious for real work. As an editor he was a good farmer, and as a farmer he would still be a good editor. He can give advice as usual.

J. M. Hahn of the Hiway community route 1, came in with his son, who has just gotten home from three years in army service, and Mr. Hahn paid up for his paper and for the Lubbock Avalanche for which we thank him a lot. His son spent two years overseas in the Italian theatre of war, and says he intends to go back to New Mexico State college to finish his education. He had three and a half years in that school before he went into the service, lacking only part of a year's work getting his degree. Mr. Hahn has other boys married and a family of their own, who live in various locations. He said he enjoyed the paper very much and complimented us on our efforts. We thank him, and were very glad to get acquainted with him and his son, who is a fine young man, and a very able young fellow.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

Jerry Ensey, one of the partners in the City Drug Store, pays up for his paper and we were made happy again. Those two young fellows, live and progressive, and always for Spur and Spur trade territory. Jerry has lived here all his life. When Jerry put down the cash for the paper he knew he was getting a year's reading pretty cheap, yet he was not specially looking for a bargain. We have been too busy working as a printer in the office to get around and meet the people, but we will finally get organized and get around. When you see a fellow going down the street in a long lope, always in a hurry, that's us. Just stop us and talk if you want to. Say hello, anyway.

Lloyd Roberson of the Roberson Produce stopped our advertising man and handed him the cash to subscribe for this paper and we thank him a lot. Mr. Roberson has had his family and furnishings scattered "here and yonder" he said, but now he is getting them all together here. His family came in this week and we welcome them to Spur. They have four boys and that's almost an Army in itself, but they are lucky at that. Four fine boys is a good contribution to this free America for any man, and we congratulate the Robersons. "We do not have a place to live yet, but we are here and are going to finally get a place," he said.

W. P. Shugart is with the West Gin of Rule-Jayton Cotton Oil Co. and we don't envy him his job. Gin work is all right and an important job, but we will never fool around a gin much as we had experience when a led. We decided it would be easier to run the steam packer box at a gin one fall than it would be to sweat out at a printing office, throw in type and clean up the "type lice" so we got a gin job. About the third day the old wood press "busted" and the lockup bar flew back and hit this printer's devil above the eye and laid us out cold, and thus ended our gin career. We went back to type. Mr. Shugart is no green hand and thus he doesn't have that trouble. He's a good gin man and we are mighty glad to know him.

Mrs. Tol Merriman has lived here sixty years, and of course, would not live any place else. In fact, she has been here longer than the town of Spur. They came here before the town was laid out and established. She likes the paper very much, she says and wants her daughter, Mrs. R. D. Hill, at Knott, Texas to get the paper also, paying up for both of them. Knott, Texas, is down in South edge of Dawson county in a good farming country, but where it gets so muddy you can't step out to the barn to feed the mules when it rains. We were very glad to know Mrs. Merriman, and we invite her back.

Mrs. W. M. Hilley pays up for two years for the home county paper and we thank her very much.

Rev. Raymond Van Zandt, pastor of the Spur Methodist church, did like all good preachers usually do. Came first thing when he landed in Spur and subscribed for the local paper. We were mighty glad to put him on the list because he is "our" preacher. We have a great liking for preachers. Our father was a poor Methodist preacher. But we always enjoy preachers. Of all the professions necessary to human welfare, we consider the preachers one of the top ranking. We like the Baptist, Christian, Church of Christ and all ministers and invite them all to visit us.

W. M. McCombs is back at his old place, and that makes Godfrey and Smart happy. Mr. McCombs is service manager of the Ford house, after returning from 34 months in government work at the Naval Air Base at Corpus Christi. "I am as glad to get back home as the boys are," he said. Mr. Smart said they were glad to have him back because he is one of the best mechanics and service managers in Texas. Mr. McCombs lived here 18 years before he went to Corpus Christi and we are mighty glad to know him. He subscribes for the home county paper and says he likes the Spur very much.

Mrs. J. A. Marsh renews for their paper and for the Lubbock Avalanche for which we thank her very much. We knew a rancher by the name of Marsh down in the Central Texas ranching country, who was a very fine man. Mrs. Marsh says they have no relatives in that area. They have a son, J. A. Marsh Jr., in California, out where the weather is always fair and warm even when so foggy you can't see where you are when you get to Hollywood and Vine, and even when the dew is so heavy it is coming down in sheets and flooding the streets so Bob Burns cannot get into town from his Beverly Hills mayor's office.

Minyard Ensey of Odessa mails in check for the paper and says she wants to get it regularly, and we gladly put her on the list. Odessa has become the oil capital of that area. We will never forget in 1919 we stopped at Odessa one night and put up in the little wood frame hotel there and a sand storm and windstorm came and blew the top off the thing, and we decided then that Odessa would be a good place to be "from," and we left as soon as day light came, and it took us three days hard driving to go to El Paso, because there was no highway then. Odessa is now a modern city with five story hotel and many modern buildings and a big daily newspaper.

Powell Luther of Vesper, Kansas, mails in payment for his paper and we thank him. Kansas is the Sunflower State and the home of the late editor, William Allen White, said to be one of the great editors of modern times. In addition it is the home of Senator Capper, who can make more money out of a farm publication than he can spend in politics.

"Another good man we failed to check on who slipped in and paid for his paper and dodged out, is Wilson Justice. Down in Ellis county at Italy and Forreston, the Justice family is the best, and old timers there. We considered them our very good friends. About a half dozen of them.

J. W. Vickery of Afton, Texas, pays up for The Texas Spur and the Lubbock Avalanche for which we thank him very much. Afton is another fine little town which we expect to visit some of these days.

Mrs. T. H. Rigby of McAdoo renews for their paper and we thank her very much.

Club Is Being Organized To Provide Recreation and Dramatic Activities

Suggest Winning Name and Win Nice Prizes!

Does the lure of the footlights, the fascination of grease-paint, the excitement of backstage interest you? Would you like to help create and support a lively drama organization for Spur to provide recreation and promote interest in dramatic activities in this and surrounding communities? Membership is now open to such a club, organization of which will be completed at the next meeting on January 15 in the auditorium of East Ward School. All men and women over High School age are eligible.

Think of a name! If you can suggest the winning name for Spur's new Drama Club, you will be given a prize of \$5.00 cash, an honorary membership for one year, and a season ticket to all plays produced by the organization the first year. Send your suggestion to Society Editor, Texas Spur, or come in the office and drop your name in the box. Names which have been suggested already are: "Spur Drama Club," "Spur Players," and "The Play-like People." Suggestions will be accepted until January 1. The winning name will be selected at the January 15 meeting.

Realizing that with more young men and women returning home, Spur would need some added types of wholesome recreation, Miss Regina Lee asked the 20th Century Study Club to help sponsor a drama club to support dramatic activities and give plays. The first meeting to begin organization was attended by twenty-three people Tuesday night at the East Ward School, when a constitution was drawn up and voted upon, with Mrs. O. M. McGinity of the 20th Century Club acting as chairman and Miss Regina Lee acting as secretary. It was decided at that time to keep membership of the organization open for awhile; to assess dues of \$2.00 per year; and to meet on the third Tuesday of each month. A membership of fifty members or more is the goal of the

embryo organization. Officers and executive committee for the club will be elected at the next meeting January 15 at 7:30, and a name from those submitted will be chosen. Those who are interested in becoming members are urged to attend this meeting.

Mr. Foster Cook, Superintendent of Schools, authorized the committee on organization to use the auditorium of East Ward School as a regular meeting place for the club. The committee expressed its gratitude for this and for encouragement given it by Mr. Cook, and voted to hold its regular meetings there.

Daughters of 1933 Club Have Guest Speakers

The Daughters of the 1933 Study Club had for their last meeting two guest speakers who told of interesting sights they had seen during overseas duty. The meeting was held at the home of Ernestine Berry.

Roll call was answered with "Cautions of the Flag." Dot Karr gave the "History and Description of the Flag" and Joyce Williams told the "Proper Uses of the Flag."

Sgt. Larry Boothe, home-town boy recently back from overseas, gave a very interesting discussion of places he has been and things he has seen within the last several years in service.

Mr. Jones of Lubbock was also a guest of the club who told of his experiences while serving in the Army Air Corps.

Refreshments of spiced hot tea, cake and ice cream were served. The next meeting will be in the home of Mrs. C. H. McCully, and the roll call will be "My Favorite Poem."

Mrs. Golding is Hostess Thursday To Bridge Club

Mrs. M. C. Golding was hostess last week to the Thursday Bridge Luncheon Club. Lunch was served to Mesdames Fred Jennings, W. T. Andrews, C. H. Elliott, Eric Swenson, Horace Hodges and one guest, Mrs. Riley Wooten.

Mrs. Alexander Is Complimented With Farewell Party

Bridge for Six Tables at Home Of Mrs. Proctor

Other hostesses were Mrs. T. E. Milam, Mrs. L. D. Ratliff, Mrs. A. C. Hull and Mrs. E. D. Engleman.

Colorful decorations carried out the Christmas motif in Mrs. Proctor's home.

Favors on the refreshment plates were miniature pine cones tied with red ribbon. Sandwiches, marshmallow fruit roll with whipped cream, olives and coffee were served to the following guests:

Mesdames: Nell Davis, M. C. Golding, Miss Julia Mae Hickman, F. W. Jennings, Ann McClure, Henry Alexander, Raul English, Bynum Britton, Neal Chastain, Jack Christian, Wade Scott, Horace Hodges, Truman Green, Lynn Busbee, Harvey Holly, Lee Snodgrass, Clyde Bingham, Cash Wileman of Stamford, Thomas Johnston, Walter Labay, Burford Johnson and W. Spur Has the Only Federated Junior Club in District

Daughters of the 1933 Study Club Active Group

The Daughters of the 1933 Study Club is the only active federated junior club in the seventh district of Federated Study Clubs.

The object of the club's organization may be inferred from the club motto: "Because I am young, O God, let me have faith in all mankind and in this turbulent world that constantly hums of its distress. Please help me find a place that will belong to me alone where I may work and gain myself respect. Help me to plan my life that I may claim my righteous birthright of a home and family of my own. And teach me always to be pure of heart that I may keep my head above the swirling littleness of human nature. Keep my judgment just; my mind clear; my heart true; and my conscience free. Because I am young; Oh God, I trust in Thee."

In February of 1934, 13 girls met in the home of Mrs. Charlie Powell and organized this club. Charter members were Joyce McCully, Margaret M. Weaver, Ruby Cowan, Doris Neaves, Lanelle Fallis, Jerry L. Willard, Mary Jo Collier, Marion Hale, Elizabeth Powell, Helen Tollar, Lillian G. Dickson, Belva Swan and Mae B. Johnson.

First officers of the club were: Margaret M. Weaver, president; Joyce McCully, first vice-president; Jerry L. Willard, 2nd vice president; Mary Jo Collier, secretary; Helen Lollar, corresponding secretary; Ruby Cowan, treasurer; and Lillian Dickson, reporter.

Past sponsors of the club include: Mmes. Charlie Powell, C.

MARGIE

By M. M. George

I know a girl named Margie,
 She's as cute as can be.
 She has pretty brown eyes and
 hair,
 That anyone can see!

Now—all the boys like Margie,
 And I can certainly see why,
 'Cause they just look at her
 And sigh and sigh;

Of course I like Margie,
 An' I'd do anything for her—
 Even for her—I'd die;
 Don'tcha wish I would?
 For her I guess I should!

BOOKS FOR THOUGHT

By Merlyn M. George
 Books are interesting to read,
 And from them you learn
 Such interesting things—
 Like history, geography and
 such,
 That from—
 Knowledge brings.

I would like to be a book,
 In some child's hands.
 So I could bring them knowledge
 Maybe of desert sands!

Of ocean journeys,
 Of far and wide—
 The country in bloom
 And ocean tides.

Jokes and Jeers

Morris Collett and Pinie Dupree have made up since their little quarrel.

Coquease Thompson sure looks lovingly at Donald Hill at times. Carolyn Hays seems to be able to keep her story about not having a boy friend.

Clyde, who called you "glamor boy?" Could it be some cute girl? Too bad, Elbert, Gracie just doesn't seem to come to school often enough.

I would be ashamed of myself, Lanoy. Trying to steal Elbert's girlfriend.

Donnie Smith has finally found another boyfriend. A new seventh grader!

Bobbie Walsworth and B. J. Whitner have been going steady (Until their little quarrel they had not long ago.)

Mary Ann Hightower must have lost Mack Driggers.

Dwayne Durham and Thelma Hodges would make a cute couple.

Where is Darwin, Margie. I don't see you together anymore. Oscar doesn't know it but Joyce Daughtry certainly likes him.

It's too bad Lena Ruth isn't closer to Bill Fry.

Jean Whitner had a little boy, who was green around the gills, and everywhere that Jen went, He followed at her heels. (Wayne Smith)

Charles Lee hasn't been at school lately. He must be "love-sick."

Don Condron and Jane Karr are sweet on each other.

Ella Mae Copeland and Jackie Cloud are stuck on each other.

Elbert Hurst objects to the Constitution. (Freedom of the press.)

Charles Lewis is sick about the Preacher of the Methodist church leaving. (He liked his daughter.)

Joan Hagins and Betty Baker are been arguing over Donald Hill.

Neil can't get a girl friend. There are all his enemies. Isn't that right girls?

"Your poster's cute and so are you," said someone to Robbie Gibson. Who was it, Robbie?

Who is the mysterious cutie John E. has been seen with?

Who was the cute red head Don Thompson was at the show with?

Coquease, what were you doing in the drugstore Saturday?

Dausne Durham had had one of the three high school beauties in is mind. Guess who?

Betty Baker and Robert Stewart seem to be mad again.

Don Gannon and Ada Lou Chablise just can't keep away from each other.

Beverly Woods has been hearing from John Glover.

Joe Bell and Waynell McCarty seem to have a "love call."

Margie Campbell and Darwin seem to have a personal liking for each other.

B. J. Whitner and Bobbie Jo Walsworth still like each other.

Oscar Killian has been getting secret calls from Joyce Daughtry.

Floyd Arnold seems to like Pauline McKinney very much.

Toby Collett and Pinie Lou Dupree are all split up (sniff).

Don Condron and Jane Karr must not be on speaking terms.

Donie Smith still likes Joe Bailey.

Mrs. Kelley: Charles, do you know the question?

Charles: Yes, I know the question but I don't know the answer.

Mack Driggers and Mary Hightower make a cute couple.

"Dinner is served," announced Mrs. Floy Watson, president of the Soldier Mound HD Club to club members and guests Thursday evening when the group met in the Hobert Lewis home for their annual Thanksgiving dinner.

Plates filled with chicken, dressing and all the trimmings were served on an Irish linen lace covered table, with a centerpiece of pyreantha, fall leaves and crystal candle holders with lighted white tapers.

Games of 42 were enjoyed after the feast. Those present were the Floy Watsons, John Astons, David McAters, Floyd Barnetts, Ollie Hindmans, Hade Condrons, Dee McArthurs, John Bachmans, Hobert Lewises, and Mrs. Agnes Marrs.

N. B. Glass Jr. Is Expected For Visit Here Soon

Mr. and Mrs. N. B. Glass are expecting a visit from their son, N. B. Glass Jr., who called recently from San Pedro, Calif., where he had landed from the South Pacific. He was on his way to his home in Vernon, where he will be with his family awhile before coming to Spur.

N. B. served as EM 1/c in the navy and saw a great deal of

combat duty in the Philippines and the Marianas. When talking to his parents he stated that the typhoon experienced near Okinawa was worse than the battle of Okinawa.

Purpose of 1933 Club to Promote High Standards

Claims More Pastor's Wives Than Any Other Club

With the object to promote public welfare in the home, school, church and community and to raise the standard of home life and the development of historical interest, a group of ladies met in February of 1933 to organize a women's Study Club, which was given the name of the 1933 Study Club.

According to one of the members, the club does not claim to be the outstanding organization of the town, but does claim to have had more minister's wives as members than any other club and to have had more meetings in the county jail (in the lower story) than any other group organized or unorganized.

Charter members present for the first meeting included: Mesdames T. H. Dickey, M. D. Ivey, R. C. Crockett, Ernest George, W. R. Jimison, W. A. Hart, E. C. Johnson, C. H. McCully, V. L. Patterson, Charlie Powell, George Sloan, J. H. Swan and Frank Watson.

First officers of the new club were: Mrs. W. A. Hart, president; Mrs. C. H. McCully, first vice-president; Mrs. J. H. Swan, 2nd vice-president; George Sloan, secretary; Mrs. T. H. Dickey, treasurer and Mrs. R. C. Crockett, reporter.

The 1933 Club was federated in the fall of that year and retains its membership in the federation to date.

The most outstanding project of the 1933 Study Club was the organization of the Daughters of 1933 Study Club in February, 1944. The membership of this organization was composed of daughters of 1933 Club members

and names of those put up by members. This is the only junior study club active at the present time in the entire Seventh District.

In 1936 the conservation chairman sponsored the erection of historical markers of the county, and also the beautifying of the Fireman's Park of Spur.

For two years the club assisted a girl in going to college and helped clothe the less fortunate children in Spur grade schools.

During the war, the club was active in every bond drive, selling and also purchasing bonds, Series E, for the club; and helping the Red Cross drives, sewing and knitting and in sending money to the Greece War Relief. The 1933 Study Club has cooperated with other clubs of the town in supporting the library and recently donated over one hundred books to the library.

In order to furnish entertainment for the wives of men who were overseas, a club was organized and known as the P.O.E., with a membership of more than thirty members.

Past presidents of the club since it was organized are Mesdames W. A. Hart, C. H. McCully, Foy Vernon, Charlie Powell, Jerry Williard, O. C. Arthur, J. H. Swan, J. C. Ramsey, J. L. Koonsman, W. F. Gilbert, O. R. Cloude, Coy McMahan Mrs. George Gabriel is president of the club this year.

H. D. Club Council Met Saturday P. M.

The Dickens County Home Demonstration Council held its first monthly meeting in the REA building Saturday afternoon, Nov. 24. Nine clubs from throughout the county were represented. Sixteen council members and four visitors.

Officers for the new year were elected:

Chairman, Mrs. Pete Gannon. Vice Chairman, Mrs. Bryon Haney; Secretary: Mrs. Arcner Powell; Treasurer: Mrs. Ollie Hindman.

The Council meets every fourth Saturday of the month and visitors are always welcome.

Chaplain Writes Mrs. Birdie Locke About Death Son

Office of the Chaplain Luzon Area Command APO 198, c-o Postmaster San Francisco, California October 29, 1945

Mrs. Bertie E. Locke Box 160, RFD No. 1 Spur, Texas

Dear Mrs. Locke: Kindly permit me, as your son's Chaplain, to express my deepest sympathy to you in your bereavement. It seems much more difficult to lose a loved one now that the wars are ended, and when we all plan on getting back to our homes.

Your beloved son, Pfc. John R. Baker, 38606836, Co. "A", 715 Amph. Trac. Bn., died of a gunshot wound on October 21, 1945, on the way to the hospital. The sorrowful event occurred near the village of Dig Dig, about 12 miles north of San Jose, in Nueva Ecija Province, Luzon, Philippine Islands.

On Thursday, October 25, 1945 at 10 o'clock in the morning, a full military funeral was given your son at the Santa Barbara American Military Cemetery. I conducted the service and performed the committal of the body to the earth. A firing squad of four men saluted your son with three volleys. Following this the bugler softly blew "Taps" over your son's grave. Eighteen representatives of your son's unit were present, one officer and others who wished to pay their final respects to your son, who had a great many friends.

Your son lies in the Santa Babar Cemetery in plot number one, row number 105, grave number 5558. It is beautifully arranged and maintained cemetery, and he is resting with thousands of his comrades in arms.

May the Heavenly Father ease the pain in your heart caused by John's untimely death, and may He grant you a blessed reunion in His heavenly mansions above.

Sincerely yours,

FREEDOM FROM FEAR

We've lived our past, we know 'tis gone,
But treasured memories remain
And brighter grow as time rolls on,
Or we have lived our past in vain.

Nor fettered by the clanking chain
Of evil thoughts and evil deeds,
We shall not fear, tho' tyrants reign,
Our past safeguards our present needs.

And prompted by an honored past,
That bears no crimson mark of Cain
To blunt the sword the righteous wrath,
Let despots heed lest they be slain.

Our strength abides in Him above
Where past and future all are one;
Our shield, His everlasting love
For which he gave His only Son.

And FAITH our sword, when life is done
And Peter checks the records o'er
Of battles lost and battles won,
No christian fears the final score.

Troy Rich Writes Interesting Letter Of Jap Occupation

A letter of much interest concerning the Occupation of Japan was received this week by Mr. and Mrs. E. G. Rich, Route 1, McAdoo from their son, Troy Rich. The letter follows:

Dear Mom and Dad: Now that they have stopped censoring letters I'll try to tell you a little about this place. It only took 11 days for us to come across since it was a non stop trip on the S.S. General Collins. In Tokio Bay I saw several Jap naval ships sunk with just the bow sticking up above the water. There were ships of all kinds anchored in rows. A Jap naval officer came out and guided us to the dock at Yokohama. From there we were taken in trucks to the replacement center.

The houses and country is really queer. I had a big surprise at the people here. They all seem so happy and humble to us. They are working willingly and seem to want to be friendly.

I was surprised at the way the Army had taken over and set up camps in such a short time too. The cities here all have the business sections bombed and burned out. The food is scarce too. I saw two Japs grab food out of our garbage cans and stuff

on it. My buddy looked in one's lunch and he had roasted grasshoppers and rice!

I believe the whole country was in much worse shape than we thought they were before they surrendered. They have small gardens in ever little place they can find. Not a bit of ground is wasted. I haven't seen but very few cars over here. What there are run on coal burners. There are quite a few trains but bicycles are used mostly for individual transportation.

Where I am staying now used to be a machine factory and we really do have good barracks to live in. We get good food including fresh chicken! I would like to go to Tokio to the rodeo tomorrow but I have to haul some rations that are coming in on the train here at Sendai. It is just about a mile from the camp. I better close for now but write often cause mail means a lot!

Love from your son,
Troy Rich

P. S. Tell all my old friends to write me for I have forgotten a lot of their addresses. I have plenty of time to write. Have my address changed on The Texas Spur.

Making Good on "TEXAS BRAGS" "Big Truths From a Big State"

War certainly proved what many outsiders considered just "Texas Brags" were "Texas Truths" after all. Because Texas had what it took to become a powerhouse of war. When the Japs got our natural rubber, Texas became the Butadiene capital of the world. When the army and navy had to train flyers fast, Texas weather provided almost the maximum of flying hours. When the army and navy got hungry, they called for Texas beef.

When the war call went out for cotton and more cotton, Texas was ready with the world's biggest cotton acreage. When the war called for sulphur, Texas provided mountains of it. As the richest oil state, Texas of course led in the production of 100-octane gas for planes as well as countless other war-essential petroleum products. Yes, Texas had what war needed—and beyond that Texas has the rails and docks and ports to ship its products to market everywhere.

HISTORIES OF SPUR STUDY CLUBS SHOW SPLENDID WORK BEING DONE

THE TEXAS SPUR, THURSDAY, DECEMBER 6, 1945.

Study Clubs in Spur have had a great deal of influence in the activities of the entire community by promoting charitable and civic works as well as doing fine work in the developing of fellowship and group cooperation for their participating members in their "quests for wisdom," and their cultural attainments. Science Magazine has pointed out that participation in group activities goes further toward developing those habits and skills that interest and serve other people than any other habit to be possessed. Spur women realize this and keep interest alive in their Study Clubs which absorb and give example to a goodly number of the younger girls as they grow into womanhood.

Spur Study Clubs have interesting histories and these have been compiled to give a glimpse into their activities since their organizations. Oldest among the clubs is the 1917 Study Club, followed by the 20th Century,

Self-Improvement Was Object of 20th Century Club Participation In Civic Works Added to Study

The 20th Century Club was organized October 3, 1925 at the home of Mrs. E. L. Caraway with Mrs. Wright, Texas representative of the 20th Century Self Culture Association of Chicago, presiding. She explained self-improvement study outline of the set of books compiled by Dr. Berle to cover a period of five years. The set of books consisted of ten volumes. Seventeen sets of these books were purchased by the following charter members: Mes-

1931 Study Club, City Federation, 1933 Study Club, Daughters of the 1933, the Harmony Club and the Junior Harmony Club.

James J. H. Busby, W. S. Campbell, E. L. Caraway, E. J. Cowan, Pauline Clemmons, Rob Davis, Berl Hight, W. F. Jennings, Ned Hogan, E. F. Laverty, W. B. Lee, Oran McClure, James B. Reed, Leslie Roberts, W. W. Sample, P. C. Nichols, W. D. Wilson.

First president of the 20th Century Club was Mrs. E. J. Cowan, with Mrs. J. H. Busby first vice president; Mrs. Oran McClure, second vice president; Mrs. W. W. Sample, third vice president; Mrs. Leslie Roberts, secretary; and Mrs. James B. Reed, treasurer.

The purpose of the 20th Century Study Club at first was merely for self improvement, but by the second year, members felt that they would like to do some civic work also. That year they helped the Delphian Club with their library project.

The next year the club decided to take up civic work of their own, so they built trellises at the three entrances of Hill Street Park and planted roses there.

The next two years the club filled in the grounds at Junior High School and planted grass; also started a library at East Ward School. In 1928, the club was federated with the State Federation of Women's Clubs.

From then until we entered the war, the club helped with various things. They contributed to the support of a college girl; books and magazines were distributed by members of the club to all rural schools of the county; funds were contributed to beautify City Park; boxes of toys were sent to crippled children at Marlin Hospital each Christmas; studied Spanish under direction of Mrs. Chas. Bird in cooperation with the good neighbor policy of our national government.

After war was declared the club gave their time to the war effort by buying war bonds; helping with Red Cross Sewing Room; cooperated in sale of waste fat; assisted in keeping Dickens County Library open; sent donations to Cancer Control foundation; helped in organization of Red Cross Nursing Class; helped in Second War Bond Drive, opened the sale of Bonds in May by selling \$24,234.50 in one day; opened the drive in September by selling \$31,000 on the opening day; assisted in other drives by house to house canvas; made scrap books for U.S.O. at Lubbock Base hospital; gave bowls of bulbs to each room at school;

sent story books and picture books to crippled children at Scottish Rite Hospital; made donations to help beautify the grounds at McCloskey Hospital at Temple.

The 20th Century Club began this year with a fine arts program given by Mrs. J. R. McNeill III, Miss Huddleston of Crosbyton and Miss Regina Lee of Spur. Guests were the other study clubs of Spur. Mrs. Jack Rector is president this year and the project of her administration is the sponsoring of a drama club in Spur.

Past presidents of the club since its organization are: Mesdames E. J. Cowan, J. H. Busby, W. S. Campbell, W. W. Sample, J. M. Foster, E. S. Lee, A. M. Walker, P. C. Nichols, E. L. Caraway, P. B. Crockett, G. J. Lane, T. H. Blackwell, L. D. Ratliff, O. C. Thomas, O. M. McGinity, George S. Link, O. B. Ratliff and Mrs. Jack Rector.

Mrs. A. M. Walker has served two terms as Penny Art Chairman and two terms as Child Welfare Chairman in the State Federation.

Mrs. Cowan claims the distinction of being the most dignified president of the club. She says as long as the 20th Century Study Club shall live, never will meetings be conducted with more decorum than that first year when the newness and glamour of being a club woman was taken very seriously.

Mrs. J. M. Foster is said to be the hardest working president. Having taught at Junior High School and having so many children sick from wading through water to get into the school, she saw a great need. The club raised \$300.00 that year and filled in the grounds and set them with grass. Mrs. Foster was re-elected president the next year. Under her direction, a library was started at East Ward. A play and a May Day Fete was given to raise money for this project.

A great spirit of working together for the good of many has characterized the 20th Century Club. This, along with a congenial membership, has made the work of the club effective and pleasant.

enjoyed by the many who had the pleasure of attending. The club sold tags and collected \$100 with which to buy musical instruments and music to send to wounded soldiers in convalescent hospitals. Another project of the club during its first year was to give a tea for all the Study Clubs in Spur and securing musical artists from Lubbock as entertainers on the program.

Charter members of the club were Mesdames P. C. Nichols, O. B. Ratliff, W. D. Starcher, W. F. Turner, W. B. Francis, W. T. Andrews, J. H. Bowman, Winston Brummett, Neal A. Chastain, Herman Coe, Nell Davis, R. E. Dickson, A. G. Dunwoody, Fred Hile, Marion Jordan, Joe Long, Agnes Marrs, J. E. Berry, George Gabriel, Mr. and Mrs. James B. Reed and Mr. and Mrs. Ned Baird. Rev. and Mrs. Howard Hollowell and Rev. Herman Coe were elected as honorary members.

JUNIOR HARMONY CLUB

The Junior Harmony Club of Spur was organized last summer by Mrs. Ned Baird, Mrs. George Gabriel, Mrs. J. H. Bowman and Mrs. J. E. Berry. The young ladies have already a fine organization into which they put much interest, enthusiasm and talent.

First officers include: Ann Hull, president; Jean Arthur, vice-president; Bert Dunwoody, recording secretary; Norma Sechrist, corresponding secretary; Tillie Hill, treasurer; Creola Rector, parliamentary; Dot Hines, reporter; Jane Brannen, counselor; Ernestine Berry, pianist; Mary Olive Marrs, choral director; with Mrs. Raul English and Mrs. W. B. Francis acting as sponsors for the year.

Charter members other than the officers are: Jean Collier, Juanelle DeGraffenreid, Jackie Ted Jones, Virginia McNeill, Jean Ousley, Betty Sechrist, Susie Sullivan, Joyce Williams, Donnie Gene Wright and Bobbie Dean Morrow.

Much Is Done By Harmony Club To Promote Music Organized Young Ladies Into Junior Harmony Club

Several years ago, an attempt was made to organize a Harmony Club in Spur but due to various things, interest waned and a successful organization was not completed. In the summer of 1944, music lovers of Spur were gathered together and the Harmony Club got off to a fine start.

With its purpose to promote the love and appreciation of good music, the Harmony Club elected the following officers for its first year: Mrs. George Gabriel, president; Mrs. Herman Coe, vice-president; Mrs. Joe Long, Recording secretary; Mrs. Marion Jordan, corresponding secretary; Mrs. O. B. Ratliff, treasurer; Mrs. Neil Davis, parliamentary; Mrs. W. D. Starcher, counselor; Mrs. Ned Baird, choral director.

Under the administration of Mrs. Gabriel and her officers, much enthusiasm in Harmony Club work was stimulated. During that year the club gave a beautiful Easter Cantata at the Baptist church which was greatly

PEARL HARBOR DAY

Sure, we've won the War— BUT THE COST GOES ON!

18 30 540

IT WILL COST MILLIONS TO BRING OUR ARMIES BACK and it's just as expensive as it was taking them over. Meanwhile, thousands of our men who stay behind in occupied territory must receive their pay, be clothed, housed and fed at Uncle Sam's expense.

WE OWE THEM A RETURN TRIP TICKET TO HEALTH. Today, the rehabilitation and care of over 300,000 wounded are among America's gravest peacetime problems. This obligation is one which every American can now share in—by investing in the Great Victory Loan.

America Must Take Care of Her Own In the Great Victory Loan!

It's too much to expect that the cost of a war which lasted many years can just stop overnight. Although the fighting is over the paying has to go on for some time to come. So once more it's ALL TOGETHER in America's Great Victory Loan. Start off your own peace and prosperity—and your country's—right by investing in the biggest quota of bonds you've ever bought.

UNCLE SAM MUST STILL PAY FOR THESE. Although America had already started to cut down on production of various kinds of war materials, the swift ending of the war left many planes, tanks, battleships, guns, made at the last minute, still to be paid for.

First Study Club Organized Here In 1917 War Days

Club Maintained Library Here For 20 Years

Women's clubs have been called the "Middle-aged Woman's University." The term was used originally as a sarcastic criticism, but it is a good description of the average woman's club although membership includes all ages from juniors to women in their eighties.

It is said that Mrs. Jennie Croly, a well-known journalist, asked permission to attend a dinner in honor of Charles Dickens on April 18, 1868. She was refused the right to attend because she was a woman. Two days later the first woman's club in America, the Sorosis Club of New York City, was formed.

Women's clubs supplement the education women receive in their schools and universities and fit them for better citizenship. With this in mind, in 1917, the first Study Club in Spur was organized in the home of Mrs. W. H. Putman with fourteen ladies present.

The original name was "The Spur Delphian Chapter," auxiliary to the National Delphian Society.

The first president was Mrs. Will Perry and the first secretary, Mrs. W. F. Godfrey.

Charter members were Mesdames: R. C. Forbis, Sol Davis, Hill Perry, E. C. Edmonds, Kate Sennings, W. F. Andrews, W. F. Godfrey, W. H. Putman, Earl Sennings, W. E. Putman, Ernest L. Adams, Sam Clemmons, W. D. Wilson, G. M. Williams, Charles Whitner and Oran McClure.

Early years of the club were spent in study of courses prepared by the National Society and familiarizing the members with the trend of club work followed by clubs at that time.

On January 18, 1921, the club voted to establish a small library for Spur. The small beginning

was with a few books and a borrowed bookcase which were placed in the director's room of the Spur National Bank.

In October, 1921, the Spur Delphian Library was introduced to the city of Spur at a reception held at the Methodist church by Mrs. E. L. Adams, president; Mrs. E. C. Edmonds, secretary and Miss Creola Richborough, guest reader.

For more than twenty years, the Delphian club maintained the library through membership fees, art exhibits, teas, bakery sales, 42 and bridge tournaments, carnival booths and plays. All money received from these events was spent for books. Membership cards for the library were sold for \$1.50 per year. For years the library was kept open on Saturdays only, with members serving alphabetically as librarians. Later Mrs. Laura Grantham was secured as regular librarian and she was followed by Mrs. Helen Williams.

As the library work became too much to be handled by a small club, it was given to the County to serve as a City-County library. Mr. Oscar Kelley, County Superintendent, handled this work in a splendid manner until the war withdrew government appropriations for libraries, and again it was necessary to find a new sponsor. The City Federation of Women's Clubs is now handling the library very efficiently.

On October 6, 1930, the name was changed to the 1917 Study Club.

Club members were actively engaged during World War I and World War II in selling bonds and other work they were asked to do. Through the years, the club has sponsored yard improvement, growing of flowers and clean-up campaigns. To these civic projects, cash prizes have been contributed to stimulate interest. Last year, the club purchased a \$100.00 Bond for the club.

Several art exhibits have been brought to Spur by the 1917 Club which also presented Mrs. J. H. Clay, local artist, in an exhibit of her work.

Donations have been made regularly to the cancer fund, crippled children fund. Vegetables were canned and sent to Europe.

In May, 1940, the National Golden Jubilee of Federated Clubs was celebrated in the home of Mrs. W. F. Godfrey attended by members and guests.

Six members of the 1917 Study Club were presented with the National Pioneer Club Woman's medal, presented to those who had been members of a federated club for twenty years or more. Those receiving this honor were Mesdames Sol Davis, R. C. Forbis, W. F. Godfrey, M. H. Brannen, George Williams and E. L. Adams.

Women who have served as past presidents of the club are: Mesdames L. H. Perry, Sol Davis, E. C. Edmonds, E. L. Adams, George M. Williams, W. E. Putman, W. D. Wilson, W. T. Andrews, M. H. Brannen, Luther Jones, W. C. Gruben, G. R. Elkins, W. F. Godfrey, E. F. Laverty, Henry Gruben, Clark Forbis and C. H. Elliott.

Mrs. Clyde Bingham is president this year and other officers are: Mrs. Nell Davis, secretary; Mrs. J. H. Bowman, treasurer.

Currently active members are: Mesdames E. L. Adams, Ned Bird, J. E. Berry, Clyde Bingham, J. H. Bowman, Ted R. Brannen, C. B. Chandler, Nell Davis, R. E. Dickson, C. H. Elliott, Clark Forbis, E. D. Higgins, Fred C. Hoile, Horace Hodges, Tom Jones, P. H. Miller, Tom Johnson and Miss

Young Married Women Found Time For Club

1931 Club Has Done Good Work Since It Began

"She darned, she made and she mended, She knew how to bake and brew—"

She sang while she washed up the dishes, And yet, was a club woman, too."

In January, 1931, fifteen women met in the home of Mrs. Jack Rector for the purpose of organizing a club for young married women who were not at that time engaged in study club work. Calling the club the 1931 Study Club, and using "Knowledge is the key," as their motto, an organization was begun with the following officers elected:

Mrs. Jack Rector, president; Mrs. H. P. Schrimsher, vice-president; Mrs. James Reed, corresponding sec.; Mrs. F. G. Collier, recording sec.; Mrs. Gene Taylor, Reporter.

Charter members were: Mesdames Dewy Grandberry, Sam Z. Hill, C. B. Jones, Leo Klingman, Frank Laverty, Bill McAlpine, E. A. Russell, Jimmy Sample, Homer Schrimsher, Gene Taylor, Webber Williams and Dan Zachery.

"Bill" Bell, as the fellow about town refer to Mr. Bell of Bell's Cafe, has been here a long time in the cafe business. He knows it well. In fact he knows the cafe business from A to Z. Recently most of his help was sick and old "Papa" got back in the kitchen and the orders began to "fly" out of there. He was calling on the "help" to get the orders out, and things picked up. But what we started to say is that Mr. Bell has proven most accommodating and courteous. We like him a lot.

MEADOO JUNIOR 4-H CLUB HAS MEETING

Our 4-H club met November 30. We had a demonstration on milking and straining the milk. We learned how to keep the milk and buckets clean. We also had one on keeping the strainer clean. First rinse the bucket with cold water then brush it, then use hot water. Brush again until clean. Then use chlorine disinfectant.—Reporter, Joan Clark

New Book Includes Pioneer Lawyers Dickens County

"The Prairie Dog Lawyer," a recently published book by Charles E. Coombes, is rich and rare Texiana about early lawyers in the 50th Judicial District, composed then of the organized counties of Dickens, Knox, King, Cottle, Motley, Floyd, Crosby, Hale and Lubbock and the unorganized counties of Cochran, Hockley and Lynn.

There is material for many "Western" dramas in the stories of cases, mostly criminal, for civil litigation in the early days had a way of ending in gunplay, as Judge Coombes recalls in his book happenings in the era when the frontier began. Judge Coombes mentions with affection and praise hundreds of lawyers, many now deceased, and recounts for several their outstanding achievements. The book should be classic to the legal profession of Texas and particularly to the West Texas members of the bar.

The mink may be the most popular fur-bearing animal, but we betcha the skunk is the most prominent.
