NUMBER 21

WADING UP AND DOWN MAIN STREET

BY WADE SCOTT

Had a chat with FOSTER COOK, than whom there is no finer Superintendent of Schools in the whole country, and sure enough he got on the CENSUS TAKING again. It seems that if the county doesn't get every single name of every single child between the ages of 6 and 18 in school or not, then the county doesn't get its proper allotment from the state to carry on the school business. Foster says the census taking will continue on through March, and with the cooperation of everyone, will include all the necessary names. In fact, they are going to keep on keeping on until they get them all, this year, he said. It behooves all of us to help the school officials in this matter.

Another thing, the school officials and Bulldog fans are panting about these days is that the hectic housing situation in Spur is keeping COACH O. C. WARDEN cooling his heels over at Clarendon, as far as getting his residence established here is concerned. "Can't anyone help get our fine, new coach, a veteran too, a place to hang his hat, in Spur?" is the current cry.

In deference to the Spring Revival now in progress at the First Baptist Church, the JUNIORS are postponing their class play, "Nothing to Lose," which had been scheduled for this Thursday, until the night of March 28. The FRESHMEN also, so as not to conflict with the revival meeting, have postponed their Freshman party from Friday, March 22, to Friday, March 29th. The Junior class hopes to present their play to a full house on the 28th, promising excellent entertainment for all.

DILLARD WILLIAMS in the Grocery, Market, Feed, and Produce business already, still hasn't a full time job so this week he is doing carpentry work and remodeling his building to take care of the addition of livestock medicines to his merchandise. Dillard was too busy this week to talk advertising, but maybe next week will have more time.

Those of us who have noticed that the City Parks are being all cleaned up and beautified are most grateful to our City Manager, JAMES COWAN, and our mayor, LAWIS LEE. We heard James talking some time ago that beautifying these spots in Spur would be one of the top projects of the city. A. T. WRIGHT, city employee, has been in charge of this work but at present is recovering from an injury sustained recently. James expressed appreciation on behalf of the city to E. W. YEAKLEY, who lives in the Highway addition, and who volunteered his free services about a month ago to clean and keep up the park at the intersection of Harris street and the highway to the Experiment station.

Our sympathy goes to OLEN ARTHUR, who, after going thru the clinic in Lubbock last week, is on a twenty-day diet of nothing but sweet milk and some medicine every two hours prescribed for an ulcerated stomach condition. Olen can look forward to some soft foods later. He says all it takes to make him enjoy that milk is to think how good it would have tasted to our boys who were interned in prison camp during the war.

Get ready for some tall fishing tales when HORACE ("This Is Sammy") HODGES and C. H. WHITE return from that fishing trip they are on this week at Possum Kingdom Dam.

Lake Texhoma, between Texas and Oklahoma, covers 95,000 acres.

MRS. PAT WILLIAMS JOINS HUSBAND IN N. Y.
Mrs. Pat Williams, who has been visiting her parents, Mr. and Mrs. O. C. Arthur, Wednesday flew from Lubbock to New York City, where she and Lt. Williams will make their home while he is stationed there.

Better Water For Spur In Future?

Meeting of Brazos River Board Offers Assistance on Water

Stresses Revival of Interest In Water Projects

"We need water, not to grow, but to stay," was the problem of one delegation presented to the directors of the Brazos River Conservation and Reclamation Board at a meeting in Stamford Friday arranged by them to offer their assistance in municipal water supply problems and irrigation plans for the future in this area.

Mayor A. C. Humphries and Chamber of Commerce secretary, A. C. Bishop, together with a large group of Stamford citizens, were hosts to the gathering in the usual Stamford and West Texas grand manner at the Stamford Inn.

Among the Directors present was Dr. M. H. Brannen, of Spur, member of the Small Dams Committee of the Brazos River Board, who had as his guest at the meeting, Mrs. Wade Scott of the Texas Spur editorial staff. Dr. Brannen was called upon by the chairman of the meeting, Mr. M. E. Daniels of Breckenridge, chairman of the Small Dams Committee of the Brazos River Board, to add to his explanation of the type of assistance the Brazos River Board could offer.

"We of the Brazos River Board are primarily interested in flood control," Dr. Brannen stated, "and problems of municipal supply have been incidental in the past. However, this meeting has been called to tell you that we and the Reclamation Service are more sympathetic now than ever before to such problems, and to advise you where such assistance as you need may be obtained." It was also brought out that only those projects municipally owned and operated were sponsored by the board.

Mr. Daniels introduced Mr. S. V. Spence, member of the State Board of Water Engineers, who stated that he was present on invitation of the governor of Texas in answer to a challenge that something be done for West Texas in the water field. Mr. Spence stated that he was at the service of those communities in need of help, and urged emphatically that they call upon him with their problems. Mr. Spence answered many questions of the different delegations as to their specific problems during the meeting.

Col. Si Freeze, who was in charge of engineering work on the Anson, Albany and Throckmorton dams, was presented to the group by Mr. Daniels. Mr. Freeze stated that the meeting was to revive interest in all water projects in this area, and told of

Shriners Will Be Hosts At Banquet In Spur, March 27

Sixty invitations have been sent out to Shriners and prospective members of the Meskat Temple of the Masonic Lodge to attend a banquet in Spur on March 27, according to Jack Rector, chairman of the Potentate Aide, who is in charge of arrangements for the banquet.

Members of the 1921 Study Club will serve the banquet at the Homemaking department of Spur High school on that date.

CLIFFORD B. JONES HERE FOR BANK MEETING

Mr. Clifford B. Jones of Lubbock, president of the Spur Security Bank, was in Spur Wednesday for the regular monthly meeting of the bank directors. He was accompanied by Mrs. Jones.

Mr. and Mrs. Will Walker of Kermit were in Spur this week. They attended the funeral of Mrs. Greer in Red Mud. Mrs. Walker is the sister of Lloyd Johnson of near Spur.

A BONNET LIKE THE QUEEN'S — Victorian and picturesque is this bonnet in natural straw with a big mauve satin bow under the chin. Susan Douglas, pretty little actress of NBC's "Teentimer's Club," wears it with an expression to match. Straw braid in pale taffy color makes the part that fits down on her head and wiggly little balls of straw tremble and shine on the brim. Sally Victor designed it.

MANY A FUR COAT OF THE FUTURE WILL COME FROM THE FRED HAILE REGISTERED KARAKUL SHEEP PENS

Four Ex-G. I.'s Are Now Employed By The City of Spur

Four ex-service men are now in the employ of the City of Spur. City manager, James H. Cowan, was a major with the Army Corps of Engineers and served in the Fiji Islands, the Solomons, and in Europe.

Glenn Harwell of Girard, recently joined the city staff in the electrical department. Glenn was platoon leader in the 5th Armored Division, winning a battlefield commission of second lieutenant in action against the Germans. He carried the rating of First Lieutenant at the time of his separation.

Horace Puckett, with the water department of the city, was an NCO Tank commander with a Tank Destroyer unit and served in North Africa and Europe.

W. B. Steele, who is now working in the water, gas and electrical departments of the city, served on the "North Carolina" battleship, (referred to as the Showboat) throughout the Pacific. W. B. can convince anyone that the "North Carolina" could have won the war singlehanded.

"Butter Making" Was Topic at Rekamemoh Club the Past Week

Mrs. J. J. Hickman was hostess to the Rekamemoh Club of McAdoo last week, and discussed the subject of "Making Butter at Home."

An interesting demonstration on butter spreads was also given by Mrs. Cecil H. Patrick.

Refreshments were served to the following members: Mmes. W. M. Clark, Lewis Hickman, G. G. Allen, Jim Christopher, Rush McLaughlin, J. J. Hickman, Cecil H. Patrick and Earl Van Meter, Jr.

E. S. Lee, Roy Deaver and M. H. Bragg of Rochester, Texas, spent last week at the Fat Stock Show in Ft. Worth.

Wonder how many of you know that the largest herd of Karakul sheep in the United States, (the kind from which Persian lamb, caracul and broadtail fur coats are made) is the Atkins JJ Ranch just 23 miles from Spur?

And that the Fred C. Hailes have built up a herd of 45 registered Karakul ewes on their Foundation Farm 8 miles north of Spur? The Atkins Ranch has developed a business in the past four years that carries right through to the ultimate consumer, and ladies, you can pick out a luscious, tight-curled fur coat there, on the hoof as it were, and have it made up exactly as you please. The Hailes are not going in for "pelt-producing" on their ranch, but are raising the finest blooded Karakul ewes available, for "breeders".

It is interesting to know that breeders being raised on the Fred Haile Foundation Farm here at Spur will be the grand ancestors of many a beautiful fur coat gracing many a lovely American woman in the future. An orchid to the Hailes for their enterprising entrance into an American industry that is just beginning to make itself felt in the international market.

The Karakul sheep industry, comparatively new in the United States, is fascinating as explained by Mrs. Haile, who is quite an authority on all that goes with raising these hardy creatures. It seems that every Karakul sheep now being raised in the U.S.A. is a descendant of a flock of the late Alex Albright of Dundee, pioneer Texas breeder. His widow, Mrs. Marie Albright, carries on over at Dundee today, and it was from here that Mr. and Mrs. Haile secured their first little flock two years ago. And it was from her also, that the Atkins started their flock and learned a lot of the inside dope on Karakul breeding.

Mrs. Haile explained that the Karakul sheep is one of the hardiest animals in the domestic kingdom and that they eat less than any animal in the world. Their

Interest High In District 8-B Meet at Girard Soon

Schedule Complete For Meet March 28 Through April 27

The schedule has been completed for the district 8-B spring meet to be held at Girard.

The meet will begin with the Declaration and Debate contests on Thursday night, March 28, and will close on April 27, the date of the Playground ball finals. Tennis, Track and Field, and literary events are scheduled for March 29-30, with the second program of speaking events arranged for Friday night, March 29. Volleyball will be played on Thursday, April 4.

There is evidence that this will be one of the best meets ever held in this section of the country. Most schools are entering full teams in both the literary and athletic events and will be trying for the first and second place trophies that will be awarded the all-around champion and runner up school. The schools eligible for the meet in the Grade school High school Junior, and High school senior divisions are: Peacock, Jayton, Girard, Dickens, Patton Springs, McAdoo, Lorenzo, Robertson.

Spur is eligible for the grade school and High school junior divisions only.

There will be an admission charge of 25c for adults at the Thursday and Friday night programs. The proceeds will be used to pay for the trophies and other awards.

Scout Activities In District Gain Post-War Impetus

Boy Scout activities of Spur, Dickens and Matador headlined the week in South Plains Scouting circles.

About 150 Scouts, Cubs and their dads were present Friday night at a father and son banquet at Spur, with Supt. "Red" Williams of Sweetwater as principal speaker.

Also at Spur, registration of the air scout squadron has been completed, with Cecil Fox as squadron leader, and James Fox as squadron pilot. Plans are being drawn to fly the squadron to Camp Tonkawa, and also to take part in the encampment for air squadrons to be held at Perrin Field, Denison in June.

A new troop here, Troop 105, sponsored by the Rotary Club, is to be organized, with Willie McCombs as Scoutmaster.

At a meeting of the Break-Plains district committee at Matador Thursday night, plans for the district were set up, including a swimming meet to be held at Spur on August 21, and a district first aid meet in September; a camporee to be held at Dickens Springs on May 3, and discussion of the long term camp set for June conducted.

Troop 36 of Spur helped organize a senior scout outfit for Dickens, with Wallace Barnett as advisor, and plans were outlined by the group to attend the senior scout bivouac to be held at Camp Tonkawa near Buffalo Gap April 12, 13 and 14. This is for senior scout units from five West Texas councils.

Tie-In Sales

Information reaching the Area Price Control Board indicates that a few retailers are requiring the purchasers of certain articles to purchase in addition other articles with a single price made to cover both items.

Tie-in sales are violations of OPA regulations. A purchaser may not be required to purchase tie-in merchandise of any kind.

Any violation of the tie-in sales clause should be reported to your Area Price Control Board at once.

ASKS RE-ELECTION—Judge Alton B. Chapman, war-time judge of the 110th judicial district, composed of Dickens, Floyd, Motley and Briscoe counties, and a prominent figure in Texas judicial circles, asks the people of the district to re-elect him to this office upon his record. He is a Spur and Dickens county product, having lived here most of his life.

One of County's Earliest Settlers Buried Last Week

Funeral Services Held in Red Mud for Mrs. J. I. Greer

Mrs. J. I. Greer, 91, a resident of Dickens county for over half a century, was laid to rest March 13, in the Tap cemetery in the Red Mud community, following funeral services for her at the Red Top Baptist church there.

Reverend L. S. Berry was the officiating minister in charge of the services.

Pall bearers were B. A. Smith, Pony Smith, Roy D. Greer, Floyd Murray, Leon Greer and Cecil Estep.

Honorary pallbearers were Forrest Martin, Donnie Pace, Leslie Estep, Tom Williams, Henry Slack, Warroll Williams, Buran Jones and Eldridge McClain.

Flower girls were Mrs. B. A. Smith, Mrs. Pony Smith, Mrs. Floyd Murray, Mrs. Roy D. Greer, Mrs. Cecil Estep, Joyce Nell Johnson.

Mrs. J. I. Greer was born on February 23, 1855 in Mississippi. She was the widow of J. I. Greer, who was one of the earliest settlers of Dickens county, moving here 53 years ago. He was a former Texas Ranger.

Survivors are one brother, H. G. Thomas of Carlsbad, N. M.; one sister, Millie Locklear, San Saba, Texas; three daughters, Mammie A. Ward of Tiger, Arizona, Mrs. E. M. Cox of Lubbock, and Mrs. N. M. Smith of Spur; and five sons, W. H. Greer of El Cajon, Calif.; Tom I. Greer of Brawley, Calif.; Willard I. Greer of Ramona, Calif.; Robert A. Greer and R. D. Greer, both of Spur; nineteen grandchildren, nineteen great grandchildren and one great-great-grandchild.

Interment was in the McAdoo cemetery with Campbell's Funeral Home of Spur in charge.

Sister of Mrs. F. C. Haile Has New Book Published

"The Modern Pioneers" by Mrs. Rolfe Wagner of McAllen, Texas, who is a sister of Mrs. Fred C. Haile of Spur, will be presented among the spring publications of a Dallas publishing house. Mrs. Wagner, who writes short stories under the pen name of Mij Yrral, has written in "The Modern Pioneers" the life-story of herself and her husband, a Church of Christ Minister. The book will retail for \$3.00.

Mr. and Mrs. L. A. Mullins, Mr. and Mrs. Raydell Mullins of Duncan Flat were shopping in Spur Tuesday.

Mr. and Mrs. Oscar McGinty and children went to Lubbock Sunday to see Mrs. Donaldson, a relative of Mr. McGinty, who is in the hospital there.

May Be Next Big Improvement Project Undertaken by City

City Manager Is Hopeful Water Can Be Much Improved

A project being planned for the future by the City of Spur, according to James H. Cowan, City Manager, may make possible a water supply here which will be seventy-five percent less hard, and chemically superior, to that now obtainable.

Mr. Cowan, avoiding technical terms as much as possible, explained that all water in this section of Texas is hard, but that it may be possible to locate wells considerably less hard than those now in use here. Services of the U. S. Geological Survey will be secured, Mr. Cowan said, to determine if such locations can be found near enough to be practical.

If practical use of this knowledge, along with other considerations including costs, can be worked out to the advantage of the community, a campaign for "better water for Spur" will be considered as the next big project of the city when the paving program and other matters now before them are taken care of.

"I am very hopeful that the quality of the water in Spur can be improved at a cost not prohibitive," Mr. Cowan said, "but it is a project which we cannot go into fully until probably next year."

Funeral Services Held in McAdoo for Mrs. Sarah Earley

Minister H. L. Dennis conducted funeral services Tuesday afternoon at 4:30 p. m. for Mrs. Sarah Catherine Earley, 79, at the Christian Church of McAdoo.

Sarah Catherine Earley was the mother of Jim Earley and Bonnie Earley of McAdoo. She died on March 18, 1946, in the town where she had lived for the past 26 years. She was born on December 7, 1867, in Grayson county, Texas, moving to Dickens county in 1920.

She was converted early in life to the Christian Church faith.

Pallbearers were: Russell Edinburg, N. L. Fox, H. U. Butts, Ben Eldridge, Mack Brantley, D. D. Potts. Flowerbearers were: Doris Jeanne Potts, Betty Fox, Billie Nichols, Elna Jeanne Eldridge, Bobby Fox, Wilma Buckner, Dorothy Pullen, Anita Allen, Bennie Finny, Dessie Mae Wallace, Sybil Brantley, Eugenia Butler and Maude Zorne.

Survivors are her children, Edwin Earley of California; Jim Earley of McAdoo; Bonnie Earley of McAdoo; Ormal Cooper of Grand Junction, Colo. W. B. Earley, another son, preceded her in death.

Interment was in the McAdoo cemetery with Campbell's Funeral Home of Spur in charge.

Veterinarian Will Be in Spur To Vaccinate Dogs

The City of Spur will receive a shipment of dog tags during the first part of April so that dog owners may comply with the city ordinance concerning dogs which is to be enforced in Spur in the future. The city will also have a licensed veterinarian in Spur to administer vaccine to the dogs before they are tagged.

Mrs. Martin Neeb and Mr. Edwin Baum, of Cross Plains, Texas are guests in the home of their sister, Mrs. Anna B. McClure, awaiting Mrs. McClure's arrival here from New Orleans, La., where she has recently been under the care of specialists. Tentative plans for Mrs. McClure's return home have been made for Friday.

S. C. Thomas, who left Spur
three years ago and moved to
Whitair on the plains, has returned
to Spur and came in to see
us last week and start the Texas
Spur coming again. He came to
Dickens county in 1912 from
Russells county and says this is a
fine farming country. In subscrib-
ing for the paper he says he has
to keep up with the news. We
thank Mr. Thomas for calling and
enjoyed our visit with him very
much.

I. M. Allen was a visitor at the
Texas Spur office the past week
and renewed his subscription. Mr.
Allen is an old settler here, hav-
ing come to Spur 41 years ago
and saw this country grow from
a cattle country to a great agricul-
tural district. He says he has
seen many up and down since
he has been here. Here's hoping
he sees more ups than down from
now on.

When we came West the peo-
ple told us that this county out
here would raise anything when
they got rain but they seldom got
enough. Since we have been here
we have been blessed with about
three good showers. Back in Ark-
ansas last year we had about sev-
enty inches of rain and about all
we could grow with that kind of
water was mosquitoes. They were
not quite as big as Bob Burns
said they were, but they were big
enough for me.

We had a pleasant talk with
Mrs. I. E. Abernathy Friday. She
said she noticed where the Texas
Spur had changed owners and
wanted to be sure her two daugh-
ters, one in California and one in
Colorado, would continue receiv-
ing the paper. We can assure Mrs.
Abernathy that her daughters and
all of the other good readers that
they will continue to receive their
paper as heretofore.

We, the Gray family, have met
and talked with a number of you
fine Texans the past week and we
have enjoyed our visit with ev-
eryone of you. When it is con-
venient, come in and see us. We
will be glad to see all of you and
talk with you. Also if you know
any news, be sure to call in. Our
phone number will be the same,
128.

PROMOTED TO SERGEANT
Sgt. Alva Earl Smith, son of
Mr. and Mrs. Alva E. Smith of
Spur, was recently promoted to
Staff Sergeant. He is a mechan-
ic in the Motor pool at Oaluu,
Hawaii.

Mrs. M. A. Tarpley returned
to her home at Peacock, Texas,
Monday after spending a few
days here with her daughter and
family, Mr. and Mrs. F. Z. De-
Graffenreid.

VISITING PARENTS — Dupree
Allen, Chief Storekeeper, in the
U. S. Navy, is visiting his par-
ents, Mr. and Mrs. C. V. Allen,
and his wife, Mrs. Dupree Allen,
of Ralls. Dupree is attached to the
staff of Florida Group, 16th Fleet
U. S. Atlantic Fleet, located at
Green Cove Springs, Fla. Dupree
re-enlisted March 7, 1946, for two
years post-war service, to be sta-
tioned for the full time at Green
Cove Springs, Fla. He arrived in
Ralls March 14, and will leave
March 27. He and Mrs. Allen are
enjoying his visit, and as she is
to join him in Florida when school
is out, they have been visiting
relatives and arranging about
their home in Ralls and other
matters connected with their two
years stay in Florida. Dupree
finished six years of enlisted ser-
vice March 8 on account of which
he has been able to re-enlist with
assignment to this permanent base
where they decommission Naval
ships that are taken out of active
service. He is in charge of a large
Airplane hangar, two hundred feet
square, which has been con-
verted into a warehouse and a
ten acre plot in which millions of
dollars worth of materials are
kept and from which they are re-
quisitioned. He handles all the
preserving materials for decom-
missioning of the ships. He has
direction of the work of three
second class storekeepers, seven
third class storekeepers and sev-
enty enlisted men.

FROM ITALY, TEXAS
Mrs. Bill Cummins of Italy,
Texas, arrived here Sunday to
spend a few days visit with her
sister and family, Mr and Mrs.
F. Z. DeGraffenreid. Mrs. De-
Graffenreid has returned to her
home from the Nichols General
Hospital where she spent several
days for medical attention and is
doing nicely. The Cummins have
lived at Italy for many years, are
not only well known, but among
the finest of that county. We
knew them there and were very
happy to have them visit Spur.
They have a son who served in
Africa and was wounded there,
and one daughter who married a
fine young man in the service
who was reared at Italy.

Mr. and Mrs. F. F. Henry of the Duncan Flat community, who represent one of the best families in Dickens county, being among the early settlers that have helped develop and make our county what it is today, were among the many shoppers on the streets of Spur Monday. Fred was having a good time, standing around on the streets talking to the boys, while Lillie was very busy attending to the business.

Livestock Markets Visited By Local Rancher Last Week

Fred C. Haile, rancher and stock farmer of Spur, spent last week in Dallas and Fort Worth where he attended the Fat Stock Show and livestock markets. Mr. Haile said that everything coming in to the markets there, as well as livestock markets in Lubbock, is underweight stuff. Only small calves and hogs from 75 to 150 pounds, a few sheep and lambs, are being marketed at this time. None of the livestock has been fed out, which points to the current shortage of feed. Since combine maize, which is raised in large quantities in this area, is selling at \$3.00 per hundred, stockmen are not feeding out their stock, and are selling, at low prices, underweight stock, Mr. Haile remarked. Mr. Haile has nine registered sows on his Foundation Farm which are beginning to farrow this week. He expects above 90 pigs to be farrowed. He plans to keep his herd, having around 45 acres in alfalfa which will provide pasturage the year round.

Bride-To-Be Given Birthday Dinner at Dickson Home

Mrs. Vernon Giliuson, nee Miss Joyce McCully, was honored last week before her marriage with a birthday dinner at the home of Mrs. R. E. Dickson by hostesses, Mrs. W. P. Foster, Jr., Mrs. William Hilley, Mrs. Pat Williams, Mrs. Bill Caraway, Jr., and Miss Margaret May Weaver.

A color scheme of white, complementing the honoree as a bride-to-be, was used in floral decorations of sprays of pear blossoms and white tapers on the tables.

Dinner was served buffet style to the following guests: Mrs. C. H. McCully, Mrs. Clarence Foreman, Mrs. R. E. Dickson, Miss Regina Lee, Mrs. Billie D. Bell, Mrs. J. B. Morrison, Miss Jessie Morrison, Mrs. Ray Dickson Jr., Mrs. W. B. Francis and Mrs. John A. Moore Jr.

The honoree was presented with a pair of white kid gloves and white linen handkerchief from the hostesses.

CARD OF THANKS

We wish to take this opportunity of thanking everyone for being so thoughtful and kind to help during the illness of our beloved wife and mother, Mrs. J. A. Legg. We also want to express our sincere thanks for the nice floral offering and food which was sent.

A Hobby Show, featuring the pet collections of the participants, was given last week from 4:30 until 5:30 by the third year homemaking class of Spur High School.

Inez Penn won first place with her collection of souvenirs, match folders and picture post cards. Margie Brasher won second place with a scrap book of hair from friends and class mates.

Third place went to Autry Nell Dyess who displayed a collection of silk handkerchieves from foreign countries.

Other exhibits included keys, scrap books, candle holders, foreign money, statuettes of music composers, match folders, paper dolls, horses. Those participating in the show were Bonnie Beth Henry, Ruth Henderson, Wanda Russell, Autry Nell Dyess, Margie Brasher, Inez Penn, Jamie Nell Simmons, Patsy Hyatt, Peggy Jean Rogers, Jean Bilberry, Maude Brown, Lorene Beadle, Mrs. Everett McArthur and Mrs. Joe Jeffers.

Refreshments of butter sandwiches, potato chips, pecans, candy and punch were served to 23 guests.

Mrs. A. C. Halsell returned Sunday from Denton where she visited her daughters, Molcie Lou and Agatha Sue, who are students in Texas State College for Women. She also attended the college Redbud Festival which is given each year at the time of the blossoming of the Redbud shrub which grows so prolifically on the campus.

TWILIGHT WEDDING AT METHODIST CHURCH SUNDAY NIGHT UNITES MISS JOYCE M'CULLY AND CAPT. GILIUSON

Beautiful Double Ring Ceremony Is Read by Rev. Harrel

In a very beautiful and impressive candle-lit twilight wedding, Miss Joyce McCully, the youngest daughter of Mr. and Mrs. C. H. McCully of Spur, was united in marriage to Captain Vernon C. Giliuson, only son of Mr. and Mrs. E. C. Giliuson, of Duluth, Minnesota, Sunday evening at 8 o'clock at the First Methodist Church here. Reverend J. E. Harrell of Tullia, solemnized the double ring ceremony.

The bride was given in marriage by her father before an altar banked with greenery, embellished with floral arrangements of white stock and flanked with tall candelabra holding white tapers. The middle aisles of the church were decorated with large pink satin bows centered with nosegays of pink carnations on blue net frills.

Before and during the entrance of the wedding party, Mrs. Van Zandt, accompanied by Miss Ernestine Berry, sang "I Love Thee," and "Because." The entrance of the bride was proclaimed by Lohengrin's Wedding March, by Wagner, played by Miss Berry.

The wedding-gown of the bride was a lovely model of brocaded white satin with a high neckline bound by marquisette and satin scroll-work, and a trailing half-train. Her veil was caught by a heart-shaped halo of brocaded satin. She carried a white Bible adorned with an orchid with white satin streamers. Included in the traditional something old, something new, something borrowed and something blue, was a string of pearls borrowed by the bride from the maid of honor, and a pin worn in the center of the halo which had belonged to the bride's great-grandmother.

The groom, a Captain in the Marines, wore full dress uniform. He was attended by Harry Soladay, his best man.

Mrs. Clarence Foreman, sister of the bride, was matron of honor and like the bridesmaids, was attired in a basque dress of pink taffeta with full net skirt and a sweetheart neckline. Bridesmaids were Mrs. Harry Soladay, sister of the bride, and Mrs. William Hilley. These three carried nosegays of blue sweet peas.

Miss Jean Engleman of Dallas was maid of honor, and was attired in a blue taffeta and net frock and carried a nosegay of red roses.

Flowergirls were Barbara Nell and Joann Foreman, nieces of the bride. Barbara Nell's floor-length frock was a pink net with a full skirt, and Joann's was of the same model in blue. They carried nosegays of contrasting pink and blue sweet peas.

Ushers were Clarence Foreman, Norton Barrett and Alton Foreman.

The bride attended school here, graduating from Spur High school. She is a graduate of McMurry college in Abilene, where she was prominent in campus and extra-curricular activities, and was a member of T. I. P., a social club. After graduation she taught school in Lamesa, Texas, and in Camp LeJeune, North Carolina, where she became acquainted with her husband. Until last summer she was a hostess for American Airlines, at which time she returned to Spur and was employed by the Experiment Station until March 1 of this year.

Captain Giliuson is a graduate of the University of Minnesota, and a member of the Marine

Reception at Home of Bride's Parents Follows Wedding

A reception immediately after the wedding Sunday night was given in honor of Mr. and Mrs. Vernon C. Giliuson at the home of Mr. and Mrs. C. H. McCully, parents of the bride, attended by seventy-five friends and relatives of the young couple, including Mr. and Mrs. E. C. Giliuson, parents of the groom.

The bride and groom cut the three-tiered wedding cake, ornamented with a tiny bride, and groom in Marine uniform, with silver knives tied with white satin streamers. Lime punch was served with the cake. Table decorations included large square pink and white candles and white floral sprays.

Among out-of-town guests at the wedding and reception were Mr. and Mrs. W. H. Hardberger, Lubbock; Mr. and Mrs. W. H. Miles of Dallas; Mrs. Annie Miller of Dallas; Miss Jean Engleman daughter of Mr. and Mrs. E. D. Engleman of Spur, employed as an Airhostess of Braniff Airlines at Dallas; Mr. and Mrs. E. C. Giliuson of Duluth, Minn.; Mr. and Mrs. Harry Soladay of Lubbock; Mrs. John Wiles of Carlsbad, N. M. Guests from Matador, Texas, included Mrs. U. L. Wiley, Mrs. H. H. Sweitzer and daughter, Frances, Mr. Burk Sweitzer, Mrs. Maggie Hamilton Cooper and Mrs. Fred Bourland.

Foreman Home Is Scene of Rehearsal Dinner Saturday

Mr. and Mrs. Clarence Foreman entertained members of the McCully-Giliuson wedding party with a rehearsal dinner Saturday night at 7 o'clock.

Dinner was served buffet style, and the guests found their places at tables decorated with sprays of white pear blossoms and candles. After dinner the wedding party left for the Methodist Church for the wedding rehearsal.

Pre-Wedding Gift Tea Honors Joyce McCully, Bride

A pre-wedding gift tea Friday from 5 to 7 honored Mrs. Vernon Giliuson, who was Miss Joyce McCully, before her marriage Sunday night. The home of Mrs. Raymond Van Zandt, one of the hostesses, was the scene of the show.

Other hostesses for the affair were Mrs. Ed Engleman, Mrs. James B. Reed, Mrs. J. A. Koon, Mrs. Lura Glasgow, Mrs. Walter Carlisle, Mrs. W. F. Gilbert, Mrs. George S. Link, Mrs. E. S. Lee, Mrs. Kate Morris and Mrs. Lawie Lee.

In the receiving line were Mrs. Van Zandt, the then Miss McCully, Mrs. C. H. McCully and Mrs. E. C. Giliuson. Mrs. Van Zandt's corsage was red carnations, and that of the honoree was of red roses. Mrs. McCully wore an iris corsage, and Mrs. Giliuson, pink carnations.

Mrs. Harris Soladay presided at the guest book, and Mrs. Geo. S. Link poured. Table decorations were of ivy and japonica, flanked with white tapers, and these were carried out as room decorations also.

One hundred and forty-eight gifts were displayed during the afternoon by Mrs. Lura Glasgow. Miss Ernestine Berry and Mrs. William Hilley furnished piano music during the afternoon.

Refreshments of sandwiches, which carried out the bride's colors of pink, blue and white, cookies and coffee were served.

Corps, stationed at present at Camp LeJeune, North Carolina.

The young couple left immediately after the wedding reception for a two-week honeymoon in Ruidosa, N. M., after which they will spend two weeks visiting his parents and friends in Duluth, Minnesota, before reporting back for duty.

The bride's going away suit was of aqua wool with black accessories.

DOG ORDINANCE

An amendment to the ordinance providing for a tax on dogs, etc. passed and approved by the Board of Commissioners of the City of Spur on the 12th day of March, 1930, in order to provide for the vaccination of dogs for rabies.

BE IT ORDAINED by the Board of Commissioners of the City of Spur, Texas:

Section 1. All dogs within the corporate limits of the City of Spur shall be vaccinated for rabies. A vaccination is considered under the terms of this ordinance to be effective for a period of one year only.

Section 2. Prior to the issuance of a dog tag, a vaccination certificate from an authority approved by the City Council, for said dog shall be presented to the proper City of Spur authority issuing said tag.

Section 3. If impounded any dog not vaccinated shall not be released until said dog is vaccinated or until arrangements for the vaccination of said dog are made satisfactory to the City of Spur authorities entrusted with the enforcement of said dog ordinance.

Section 4. That from and after the passage of this ordinance, it shall be unlawful for any person who has not had his or her dog vaccinated as herein described, to keep said dog within the corporate limits of the City of Spur, and that any person violating the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by fine in any sum not exceeding One Hundred (\$100.00) Dollars.

Passed and approved, this the 4th day of March, 1946.

APPROVED:
L. E. LEE, Mayor. (Seal)

George S. Link Speaks to Rotary Club On Aviation

At the regular meeting of the Rotary club Thursday at the Spur Inn, George S. Link, a leading aviation enthusiast of Spur, and principal speaker for the day, proclaimed that "aviation is here to stay", while discussing his topic of "Aviation in Spur".

He told automobile dealers that they might as well start "moving over" as he did 40 years ago when the "horseless carriage", (catching Bryant-Link Co. heavily stocked with buggies and wagons) proved to be not a passing fad but the beginning of one of the greatest industries in the U.S.A.

Mr. Link outlined future expectations of the "air age", specially concerning aviation in Spur and Spur's airport.

Luke Crawford was presented as a new member of the club. Clyde Walthall was welcomed back as a Rotary member.

LET'S WORK FOR INDUSTRIAL PEACE

Men want to work.
 Management wants to produce.
 The public wants to buy.
 The country wants prosperity.
 Yet good times have been held up by an agony of strikes.
 Strikes breed bitterness . . . hunger . . . and economic stagnation.
 For the sake of our country, let's change this! Change it fast. Time is running out!
 Let's work out a way to get — and keep — industrial peace and prosperity.

THE FIRST STEP

Isn't a sound national labor policy . . . one that treats workers and management exactly alike and above all one that is fair to the public . . . the first step toward that peace?

Sincerely believing this to be so, we offer this program for peace and production and prosperity:

1. Make employers and unions equal in responsibility under the law.
2. Let Congress set the rules for genuine collective bargaining, free from coercion and violence, and then let government enforce these rules with strict impartiality.
3. Provide safeguards for the public against strikes or boycotts arising from disputes between unions.
4. Insure against strikes until all orderly procedures for settling disputes have been exhausted.

Your representatives in Congress have the power to establish this pattern for an enduring and a fair labor peace. Let them know how you feel about it. Urge them to act promptly on legislation to include these four points.

Time alone won't bring industrial peace. Doing nothing won't bring it. Positive action is the only way. For your own sake and for the future of our country, let your voice be heard!

FREE! A timely, authoritative booklet entitled "The Public and Industrial Peace," gives full details of this program, including specific suggestions for legislation. It is a useful handbook for every citizen, program chairman, or group leader. A postcard brings it. Address: National Association of Manufacturers, 14 West 49th Street, New York 20, N. Y.

How would you CHART YOUR COURSE?

Pictured here are the records of four "life lines" of our business—four things which largely control the destiny of any business, whether it be a farm, a factory or a store. They are Wages, Materials Costs, Prices, and Profits. Suppose these were pictures of what is going on in your own affairs. How would you chart your future course from these facts?

What about wages?

Wages have risen steadily for five years. Before the strike which began on January 21 in ten of our plants and which has choked off nearly all farm machinery production, earnings of employees of these plants averaged \$1.15 1/2 an hour, not including any overtime. The Union demanded a 34 cents per hour increase and a Government board has now recommended a general increase of 18 cents an hour, which would make average earnings \$1.33 1/2 an hour. Weekly average would be \$53.40.

What about materials?

No one seems to know how high materials costs will go. The Government has increased steel prices as much as \$12.00 a ton, with an average increase for all grades of 8.2%. Steel is the most important material we buy, but prices on other materials are also increasing.

What about prices?

There has been no general increase in our prices since they were frozen by the Government in early 1942. Since then a few small increases have been allowed where particularly important machines were substantially changed in design.

What about profits?

Risk is part of the American profit and loss system, so we do not, of course, ask either our customers or the Government to guarantee that we can be certain of profits each year. The chart tells the story of our profits during the war. Although Harvester produced more goods than ever before, it had no desire to get rich out of war, so our rate of profit has steadily gone down. What our 1946 profit will be is extremely uncertain.

What is the next step?

As you can see, our present situation is that with frozen prices and declining profits, we are asked to pay higher materials costs and to make the biggest wage increase in the history of the Company. Can we do this?

Wages and materials consume all but a few cents of every dollar we take in. If our prices continue frozen, and cost of wages and

Paducah Will Have Annual Horse-Colt Show on March 30

Paducah' fourth annual Cattle-King Horse and Colt Show will be held Saturday, March 30th.

This event is growing in scope and color, according to co-chairmen Wylie Boyle and Representative Hubert Lee, and this year's performance is predicted to exceed all previous records.

The event will include six classes of colts to be judged, a parade open to anyone on horseback or in a horse-drawn vehicle, children's saddle horse class, ladies' saddle horse class, men's saddle horse class, a cutting horse contest.

Registration of colts and contestants in the arena events must be made before 10 o'clock on the morning of the show.

Entries must be made with the secretary of the show, Miss Grace Jones of Paducah, either by mail, telephone, or in person. Early registration is urged.

This newest of all farm telephone service, using electric power lines instead of regular telephone lines to talk over, is now being given field tests by the Bell Telephone Laboratories and the Rural Electrification Administration.

Power-line carrier telephones will not be ready for general use until numerous tests are completed. When available, they'll go a long way in speeding the extension and improvement of rural telephone service.

SHEEP---

purpose on their Foundation Farm is to cull all but the finest type of ewe and buck to keep their flock blood-lines in the very highest bracket, and to sell them for breeding purposes. They take pelts of those lambs which do not come up to the flock requirements and a funny thing is that for pelt purposes, a weaking lamb often produces the finest type of Persian lamb pelt with a tighter and more lustrous curl.

For pelts, the lambs are killed when very young. Broadtail pelts are taken from unborn lambs or from those born naturally immediately after birth. After one week of the lamb's life, the karakul curl is weaker and within a month it has become wool. The sheep remains black for about six months, but as it becomes adult, the wool becomes longer and a full-grown buck or ewe has white, gray or brownish fleeces. Blue gray is most preferred. A white or gray ewe will give birth to a lamb as black as the ace of spades.

The wool clip from Karakul sheep is especially popular with rug makers, who like its elasticity and it is also used in automobile upholstery.

Karakuls weigh ten pounds more than the white breeds of the same age. They better endure heat and cold. During summers they get fat on mesquite beans, and after frost they eat the leaves. They are not as susceptible to stomach worms as other breeds, Mrs. Haile said.

The sheep must be fed supplemental rations in cold weather. They must be rounded up several times a year for docking, shearing and tagging. They must be drenched once a year to check parasites. And lambing time is a period of frenzy.

Karakul pelts are worth about \$22 each, and a good registered ewe from \$50, registered buck from \$350.00. Mrs. Haile said she believed they paid off at about 20% on the investment.

Very rare (about 22 out of a 1000 pelts) is the brown Persian lamb, and as all you ladies know, whoever is the proud possessor of a brown Persian lamb coat, really HAS something. On the Atkins ranch they are trying to determine which bucks produce the brown kakacul, but haven't succeeded so far, it was said.

WATER---

the exploration work being done by the Reclamation Service on the Double Mountain Fork of the Brazos River between Spur and Stamford. He pointed out that analysis of the water for the last three years of the Double Mountain Fork had proved that it would be usable for human consumption if the proposed Basken Dam is built—not to include water from Salt Fork located just above. If plans go through on construction of this dam, which will span the river six miles south of Rule, water for municipal use would be available to Aspermont, Stamford and other communities in that vicinity.

Col. Freeze also brought out that the Reclamation Service is primarily interested in irrigation, and that the proposed dam would irrigate around 30,000 acres in that vicinity. He stressed that municipal water supplies should be brought to their attention by those with problems.

N. E. Springer of Aspermont, the town so short of water that it pays 1c a gallon for water shipped in for drinking purpose, made the statement that "we need water, not to grow, but to stay," pointing out that lack of water was a bottle-neck which must be overcome or the town is doomed. A large committee met with Col. Freeze to formulate plans to create a water district there immediately.

C. J. Dalton of Roby, speaking for Fisher county, outlined their need for water, saying they did not have even beer to drink. He reported that an engineer had been employed and had found a site on the Clear Fork of the Brazos for a dam which could supply water of sufficient quality and quantity to serve Roby, Rotan, Sylvester and McCauley. Mr. Moffett of the Sylvester delegation said they also paid 1c a gallon for water and must have a water supply.

The meeting was deeply appreciated by the different delegations as being a step forward in solving problems of flood control, irrigation and municipal supply in this area.

Those communities represented at the meeting were: Spur, Aspermont, Rotan, Roby, Sylvester, Haskell, and Stamford.

We once knew a man who placed a quart of liquor by his bed each night as he retired, and when he couldn't sleep he would pour himself a drink. He said that it never did put him to sleep but it made him satisfied to stay awake.
