## TO ELIMINATE EXPLOSION HAZARDS

### HURST CAFE DESTROYED BY EXPLOSION AND FIRE MONDAY

#### Cause Of Fire Butane Explosion Says Inspector

The Hurst Cafe was completely destroyed by flames that swept the building following an explosion early Monday night. Carl C. Hurst, owner of the cafe was severely burned about the face and hands by flames from the explosion. C. T. Cline, Safety Engineer of the Gas-Utilities division of the State Railroad Commission made an inspection of the building Monday night and Tuesday morning and stated that the cause of the fire was a butane gas explosion.

Mr. Hurst was given treatment at the Nichols General Hospital here and his condition this morning was reported as about the same. He suffered first to third degree burns about the face and right hand, and second to third degree burns on the left hand.

Mr. Hurst was removed this morning from the Nichols General hospital to the Veterans hospital at Amarillo, where he will receive further treatment. The Spur volunteer fire department responded to the alarm and brought the blaze under control before it could spread to adjoining buildings. Considerable smoke filled the streets throughout the business district.

### Court House Active As New Officials Take Over Jobs

There has been considerable activity around the Dickens County court house this week. New County Officials took office Wednesday of last week and old officials have been completing their work.

Since January 1 there have been three new cars registered in the county. Annual registration for 1947 will not start until March 1 and car owners are asked to not request special numbers as the registration office will not be able to comply with the requests.

Miss Lena Dell Arthur, daughter of Mr. and Mrs. E. V. Arthur, who resides north of Dickens, has accepted a position in the office of Mr. Robert Williams, County School Superintendent.

Roy Ward has been re-appointed Janitor of the Dickens county court house.

Refreshments will be served following the program.

### Officers To Be Elected For Spur Red Cross Chapter

Election of officers for the Spur chapter of the American Red Cross will be held in the basement of the Methodist church on Monday night at 7:30, it was announced this week by H. M. Christian, chairman.

Members of the local Red Cross chapter are those who have contributed time or money to the Red Cross during the past year and all are urged to participate in the election of officers for the coming year, Mr. Christian stated. Serman Lee serves the Spur chapter as Secretary-Treasurer.

### Clearance Sale Starts Friday At Milams Store

Milam's 5c to \$1.00 store here is conducting a January clearance sale, starting Friday morning at 9:00 o'clock, Mr. Milam, owner announced this week.

The Milam store has recently undergone a program of redecoration and new "shams" and glass have been installed throughout the store. The outlay of glass fixtures consists of three thousand twenty-one pieces of glass for counters, and more than eleven hundred white counter shams. The remodeling gives the store an attractive appearance to compare with similar stores of the larger cities.

Some time ago an additional stockroom was constructed at the back of the store and installation of complete new fixtures tailored to the building. The front of the building was also remodeled some time ago.

### JAYTON COUPLE CELEBRATES GOLDEN WEDDING ANNIVERSARY

#### Mr. and Mrs. Parks Joined By Friends In 50th Anniversary

Mr. and Mrs. H. J. Parks of Jayton who have lived in Dickens county since 1918, celebrated their 50th wedding anniversary on December 23rd at their home in Jayton. The children were present, coming from various points in Texas, New Mexico and California.

Mr. and Mrs. Parks came to Dickens County from Austin in the year 1918 and resided here until 1943 when they moved to Jayton.

Children present for the anniversary included Pat Parks and family of Dallas, Garland Parks and family of Spur, Martin Parks and family of San Leandro, California and Rev. Bill Parks and family of Roswell, N. M. There were eight grandchildren and two great grandchildren present. Others attending were Mr. and Mrs. Luther Hindman of Spur, Harold Weaver of Corpus Christi and Mr. and Mrs. Cagle and son of Jayton.

Mr. and Mrs. Parks are well known throughout the Spur community having lived here for many years and they have received compliments from numerous friends upon their Golden

### OKLAHOMA-BIG BEND HIGHWAY DISCUSSED AT POST MEETING

#### "Broadway To The Big Bend" Would Cross County

Enthusiastic interest was shown in the proposed highway from Oklahoma City to the Big Bend of Texas at a meeting of county officials and interested men from counties all along the route recently held in Post. W. H. Hindman, retiring county commissioner, E. J. Offield, Arner Watson, county commissioner and H. B. Woods represented Dickens county at the meeting.

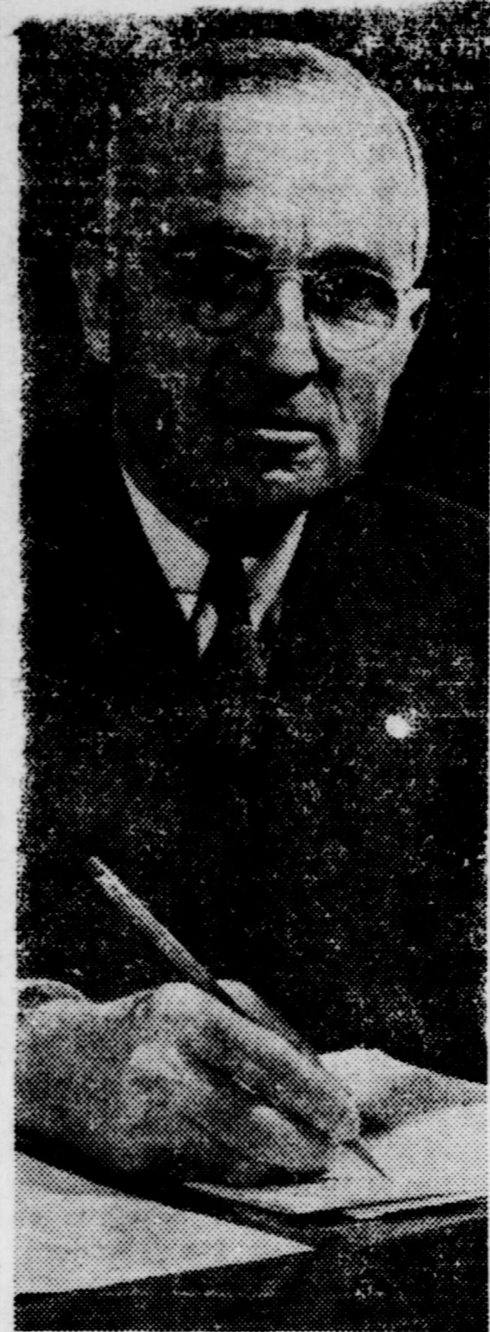

Representatives from nearly every county from Oklahoma City to the Big Bend area attended the meeting to discuss the proposed highway and to lay plans for work on the project. The highway has been discussed with the State Highway Departments of

both Texas and Oklahoma, according to reports and both states are interested in the highway that would flow thousands of tourists from the north to the Big Bend National Park and would also furnish needed road facilities to counties along its route. Dickens county has sought a highway to the southwest for many years, and the proposed highway would solve the county's needs for such a road, according to county officials.

The Highway, if constructed, will be named the "Broadway to the Big Bend," and will follow a course from the north-east to the southwest and as proposed would enter Dickens county near the northeast corner and will leave the county into Garza county near the southwest corner at a point near Kalgary road. The road likely would run through or near both Dickens and Spur.

Efforts to secure the highway are being put forth by county officials and business men of Dickens county as well as officials and business men from other counties all along the route.

Another meeting is expected to be called in the near future for further discussions on the proposed highway. The time and place of the meeting has not yet been announced, but county officials and business men of the county will likely attend to give their support of the project.

### INSPECTION MADE OF GAS INSTALLATIONS IN BUILDINGS HERE

#### State Inspector In Drive To Eliminate Explosion Hazards

A thorough inspection of gas installations and equipment of business buildings, schools and churches was made this week in Spur by C. T. Cline, Safety Engineer of the Gas-Utilities Division of the Texas Railroad Commission. The inspection started

Tuesday afternoon and was continued through today. "The purpose of the inspection is to eliminate fire hazards from faulty equipment and installations and to prevent further improper installations." Mr. Cline stated in an interview with a Texas Spur reporter.

In the inspection, numerous incorrectly installed systems were found in buildings of the city and work is being pushed to correct the hazards.

Fines of \$25 were imposed on three men here for having installed gas equipment without first having obtained a license from the State Railroad Commission, Mr. Cline stated. Some of these men have already stood examinations and have made application to the Railroad Commission for licenses, he added.

"Some of the most common hazards for fire and explosions in residents and businesses include, (1) The use of rubber hose and connections, (2) Pipes running beneath buildings and within walls not properly ventilated, and (3) Water heaters, floor furnaces and gas refrigerators not approved for liquified gases," the inspector stated.

"I don't think that anyone would intentionally tolerate faulty equipment in homes or businesses once they realize the hazards," he said. "The state requires that anyone engaged in the construction repair or installation of piping or appliances must first stand an examination, conducted by state examiners, proving that he has a working knowledge of the characteristics of butane and propane gas. He must secure a license from the Texas Railroad Commission and have sufficient insurance to cover all of his operations before he can legally work on gas installations and appliances." Mr. Cline emphasized.

The inspector urged that anyone having gas installed or work done on gas installations or equipment to require a workman to first show his license authorizing him to perform such work.

Firms now possessing proper Railroad Commission licenses for work on Butane gas installations include Garner Appliance, Consumers Gas Company, Frances Butane company and the city

### 6,688 Bales Of Cotton Ginned In County Of 1946 Crop

The tabulation of card reports from Department of Commerce, Bureau of the Census shows that 6,788 bales of cotton were ginned in Dickens county, from the crop of 1946 prior to December 23 as compared with 12,139 bales ginned to December 13, 1946.

Kent county shows 1,749 bales of cotton ginned for the same period for 1946, compared with 4,749 for 1945.

### To Aid Farmers With Income Tax Returns

The Dickens County Farm Bureau will have a representative available in Spur at the Co-Op Gin on January 11, 14 and 15th to assist in filing income tax returns for members. The representative will also be at the Co-Op gin at Afton on January 10 and 13th.

The service is being offered without cost to farm bureau members, it was stated.

### Spencer Campbell Attends Chicago Furniture Market

Spencer Campbell, associated with his father in the Campbell Furniture Company here, is attending furniture market in Chicago this week.

Mr. Campbell left Spur Saturday night and flew from Lubbock Sunday morning and arrived in the windy city Sunday evening. He is attending market this week, purchasing for the local concern and is expected to arrive back in Spur this afternoon or Friday.

### Ratliff-Conner Law Offices Moved To New Location

The law offices of the Ratliff and Conner law firm of Spur have been moved to the new location, back of the Spur Security Bank in the building formerly occupied by the Swenson Land and Cattle Company, the firm announced this week.

The offices include several private offices, reception room and library. The ground floor location was secured primarily for the convenience of customers who found it difficult to ascend a flight of stairs, Mr. Ratliff and Mr. Conner stated.

### Spur Girl Scout Association Formed

Tuesday night a group of men and women representing all the civic and study clubs, with other interested persons organized a Girl Scout Association, to promote, develop and maintain an organization for all girls from the ages of 7 to 18 whose parents desire to have them to become members.

Sylvan Golding presided over the meeting and was aided in presenting details of organization by Miss Ida Mae McClure, the Area Executive for thirteen counties, comprising Dickens, King, Motley, Knox, Cottle, Foard, Hall, Childress, Donley, Collinsworth, Hardeman and Wheeler. The new organization voted to become a part of this area and secure help from it.

Miss Margaret Elliott, chairman of a Steering Committee presented a slate of officers that was unanimously elected. President, D. J. Dyess; 1st vice-president, Mrs. Joe Long; 2nd vice-president, Mrs. Jack Rector; Secretary, Mrs. Leland Wilson; Treasurer, Sylvan Golding; Registrar, Mrs. Clyde Bingham; Finance Chairman, O. L. Kelley.

Three Brownie and Girl Scout Troops have been organized under the leadership of Mrs. Rex Carlisle, Mrs. E.B. Henshaw, Mrs. V. N. Senn, Mrs. D. C. McAteer, Mrs. R. D. English, Mrs. Leon Reagan, Mrs. H. L. Miller, and Mrs. F. A. Phifer. Other troops for older intermediates and for High school girls will be organized in the near future.

Miss McClure will return to Spur on February 6, give further training to the troop leaders and to meet with the newly elected officers.

### HIGH SCHOOL BASKETBALL TEAM WILL PLAY FLOYDADA FRIDAY

#### Spur Cagers To Floydada For District Opener

The Spur high school cagers will journey to Floydada Friday night for the first district basketball game of the season. The game will start at 7:30 in the Floydada gym and a large crowd of fans from Spur are expected to accompany the locals on the trip to Floydada.

Coach Sam Hawkes has had his lads under strenuous training this week, getting the boys in top shape for the opening district game. Some of the boys that are promising to furnish plenty of competition for the opponents

include Dean Wright who plays center and is both fast and accurate; Homer Wilson is showing up well playing center and Wayne McCarty is another center that will be among the outstanding players. Billy Dyess and Joe Max Barkley, guards, are exhibiting unusual talent on the court this year and will also furnish plenty of competition.

The Spur cagers will play the Paducah teams here Tuesday night at 7:30 in a conference game. The boys have a game matched and the girls team will also probably play. The Paducah team is said to be fast "on the court and will furnish some competition for the locals.

### SPUR AIRPORT UNDER NEW MANAGEMENT; TO START TRAINING

#### Increased Interest In Aviation Here And Over Nation

Tom Doss and W. M. Doss have purchased the operator's lease of the Spur Municipal airport from the former operators C. H. Elliott and A. O. Williams. The new airport operators have taken charge of the field and are now offering service to local and transient aircraft. Both Tom and W.M. came to Spur from Oklahoma City.

The operators of the field plan to offer flight training as well as mechanical service to airplane owners and a training program under the G. I. Bill of rights is contemplated in the near future, it was announced. Plans are now being worked out for required

facilities for the school. Under such a program, veterans may obtain flight training without cost, the expense being paid by the U. S. Government under the G. I. Bill.

Airplanes to be used in training and charter service include an Interstate Cadet, Luscombe, Aerona trainer, Cub Cruiser and a Stearman. All are two place ships except the Cub Cruiser which is a three passenger airplane. The airport operators plan to purchase other new airplanes in the near future, according to the new operators.

Interest in aviation has shown an astounding increase throughout the nation since the end of the war and this interest is evident in Spur. There are a number (Continued on Page 2)

### Garner Purchases War Surplus Materials

FORT WORTH (Special) —  
E. M. Garner, of Spur, this week  
was listed among the veterans of  
World War II who purchased sur-  
plus flight clothes offered in a  
fixed price sale conducted by the  
Fort Worth regional office of  
War Assets Administration.

Garner purchased five winter  
type flying jackets, three for \$4.70  
each and two at \$4.06 each, and  
30 pairs of winter type flying  
trousers at \$2.50 a pair. The  
flight clothes, recently declared  
surplus to the needs of the arm-  
ed forces, were located at Ama-  
rillo Army Air Field.

### Social Security Representative To Be Here January 16

Elliott Adams, manager of the  
Lubbock office of the Social Se-  
curity Administration, will be in  
Spur, Thursday, January 16, 1947  
at 9:00 a. m. at the Post Office  
for the purpose of assisting per-  
sons who have questions regard-  
ing Social Security; discussing  
possible benefits and taking  
claims from persons who seem  
to be entitled to benefits; and  
taking applications for Social Se-  
curity Account Number cards.

High school boys and girls who  
have been working in business or  
industrial jobs and who have re-  
turned to school are urged to  
take care of their Social Security  
account number cards. Students  
will need their cards again when  
they take other jobs during holi-  
days, during next vacation and  
throughout life. The card is the  
key to an insurance policy with  
Uncle Sam, and only one number  
should be used by every worker  
throughout life. Wage credits,  
on which future benefits will be  
based, are posted to each work-  
er's individual ledger sheet un-  
der both his name and number  
since many people may have the  
same name but not two can have  
the same social security number.  
More than one number may cause  
some loss of the wage credits.

### Soil Conservation Program For 1947 Completed Here

Joe M. Rose, Chairman of the  
Dickens County Agricultural Con-  
servation Committee, announces  
that his office has completed  
plans for the 1947 Soil Conser-  
vation Program, and will begin  
immediately to issue eligible  
practice approvals on request.

"The 1947 payments," he said,  
are being offered for very much  
the soil-building and conserving  
practices as have been encourag-  
ed in the past, including new  
terracing, water reservoirs, con-  
tour listing and farming, live-  
stock wells on native pasture, and  
various other crop and pasture  
practices." "We wish to caution  
farmers," he continued, "that  
program funds are strictly bud-  
geted, and no payment for any  
practice may be made unless ap-  
plication for funds is made at the  
county office before the practice  
is started. Due to rigid controls  
on program funds, no exceptions  
to this requirement can be made,  
and we are making every effort  
to see that no producer starts  
carrying out a practice for which  
he expects payment, before he  
has secured the required prior  
approval."

"Contour listing and farming,"  
Mr. Rose said, "have been the  
practices most widely carried  
out in the county, and since the  
season for beginning these prac-  
tices is not far off, we are trying  
to acquaint farmers with the  
need for securing prior approval  
right away. Moreover, the 1947  
regulations on these two practices  
are more rigid than before; to  
qualify for contour practices on  
unterraced land, the producer  
will have to have new guide lines  
run in 1948, and will be required  
to present written evidence that  
the new lines have been run, or  
old lines rechecked, before prior  
approval will be granted. Also,  
contour farming without terraces  
will not be approved for land  
with more than 3 c-o slope."

"Publicity on the Program," he  
added, "will be kept current  
throughout the year as nearly as  
possible, and individual program  
hand books will be mailed to all  
operators in the near future. The

ber of private fliers here who  
own airplanes and others who  
have expressed an interest in  
learning to fly. Spur has a fine  
airport for a town of its size and  
this is an established fact among  
fliers throughout the country. At  
a recent meeting of the National  
Aeronautical Association in Lub-  
bock, several speakers made re-  
ference to the local airport facili-  
ties as a model for the small  
town airport.

The field here has nice run-  
ways and hangars and other fac-  
ilities are under construction.  
Completion of present hangars  
has been retarded due to scarc-  
ity of materials, but work should  
be completed in the near future  
to give adequate housing for air-  
planes and to offer first class  
service to transient fliers who  
frequently stay here.

Increased interest in aviation  
throughout the country is reflect-  
ed in a statement made by T. P.  
Wright, Civil Aeronautics Admin-  
istrator, in describing 1946 as  
civil aviation's "biggest year" and  
he said that further advances lie  
ahead if industry and govern-  
ment meet their problems.

"All phases of civil aviation  
showed growth even beyond our  
predictions," Wright said in a re-  
view of the year. He noted that:

1. The number of registered  
aircraft increased from 37,789 to  
county office is operating on a  
very restricted budget, and it will  
be necessary for farmers to keep  
posted and help protect their own  
interests under the program."

85,000.  
2. The number of certified pil-  
ots increased from 296,895 to  
400,000, and student pilots from  
77,188 to 170,000.

3. Production of small planes  
increased from 2,047 in 1945 to  
35,000.

4. Airline passengers number-  
ing 13,819,000 were nearly double  
the 1945 total, and passengers on  
American international routes ex-  
ceeded 1,000,000 for the first  
time.

5. The airline safety level was  
the highest ever.

6. More than 3,000 new non-  
scheduled passenger and cargo  
businesses applied for operating  
certificates.

Sue Hull, younger daughter of  
Mr. and Mrs. A. C. Hull spent  
a few days during the holidays at  
the Pitchfork Ranch as a guest of  
the grandchildren of Mr. and Mrs.  
D. Burns.

Supper guests at the Dillard  
Williams home last Thursday  
night were: Mr. and Mrs. Bryan  
Bailey and family of Sweeney,  
Mr. and Mrs. Johnny Cooper and  
family of Houston, Mr. and Mrs.  
P. W. Bailey and son, Paul War-  
ren of Spur. After a delicious  
supper games of dominoes were  
played.

Guy Madison and Dorothy McGuire face the future severely and with confidence in RKO's dramatic story, "Till The End Of Time."

**War Heroes' Rehabilitation Topic In "Till The End Of Time"**

The rehabilitation of three honorably discharged war heroes furnishes the theme of RKO Radio's dramatic romance, "Till the End of Time," starring Dorothy McGuire, Guy Madison, Robert Mitchum and Bill Williams.

Madison, as a lad who joined the Marines straight from school,

finds himself at odds with his doting parents and their well-laid plans for him. They cannot understand that he needs a little time to accustom himself to being a civilian. Love at first sight results from his meeting with a young widow, played by Miss McGuire, who, with infinite patience, helps him solve his difficulties.

out a care in the world, receives a bitter lesson before he returns

Mitchum, an ex-cowboy without his cowpunching, while Williams, an ex-pugilist, presents the greatest problem, for he has lost both his legs in action, and thinks he has nothing to live for until his two friends rally round and give him new hope.

Miss McGuire is a revelation in her first glamorous role, and Madison gives evidence of outstanding histrionic ability. Edward Dmytryk directed this screen version of Niven Busch's best-selling novel, They Dream of Home, and Dore Schary produced.

**Quotes On Cotton**

**LARGEST INCREASE**—"The largest acreage increase over 1946 of any commodity is suggested for cotton in 1947. The goal is predicated upon the need for approximately 12 million bales of cotton."—U. S. DEPARTMENT OF AGRICULTURE.

**NO HAND LABOR**—"B. F. Morrow of Kiowa County has grown 229 acres of cotton this year, producing and harvesting it without any hand labor. The mechanical picker is just one step in his mechanized program, although he estimates that he saved \$3,480 last season by using this machine."—"OKLAHOMA EXTENSION NEWS."

**YOUNG AND VIGOROUS**—"Study, education and research by agricultural colleges and extension services have proved that King Cotton is still young and vigorous, and capable of contributing much to a stable, prosperous southern economy."—TENNESSEE COAL, IRON & RAILROAD CO.

**CASH IN ON COTTON**—"Many farms will find that a well-planned crop and livestock program that includes larger production of cotton on land that is best suited for this crop offers a real opportunity to cash in on cotton in 1947."—Educational Service, National Cottonseed Products Assn.

**BEST FOR NATION**—"If the South farms in direct competition with other regions, we shall have surpluses of products which others need cotton. As far as other nations do not need as much the nation as a whole is concerned, it is best for the South to produce normal crops of cotton and continue to sell in the export market."—Dallas, Texas, "Times-Herald."

Stephen Barclay and Lester Ball left Sunday morning to return to Las Vegas, New Mexico where they will resume their studies at Highlands University, after spending the Christmas holidays here with their parents.

**Markets Slow During Holidays**

Holiday dullness held both trade and offerings of southwest farm products at low levels during Christmas week, reports the Production and Marketing Administration. Price trends were strong on cotton and most livestock, slightly lower on eggs and grains, very weak on citrus, and about steady for other products.

Important factor in continued strength on cotton is the comparatively small supply in this country although world supplies of foreign cottons are record high. Sales in ten designated markets totaled 103,334 bales compared with 208,800 in the previous week and 66,200 a year ago. Friday's spot prices for middling 15-16 inch were 33.10 cents a pound in Dallas, 33.05 New Orleans.

Wools went through one of the quietest periods of the year as fast mills preferred to withhold purchases until after inventories are taken. Only small weight of revalued wools sold. Fair sales of the lower grades of mohair brought improved prices.

A let-up in demand following the holidays weakened the egg market. Current receipts on Friday brought 37 to 40 cents a dozen in Dallas, 40 to 42 Fort Worth, and 36 to 38 Denver. Interest shifted from turkeys to chickens, and fair receipts of hens and fryers found good demand at steady prices.

Seasonally light livestock receipts kept the trend steady to strong except for some weakness on cattle. Early week gains on hogs were maintained to the close at Texas points, but were partially lost in Oklahoma City, Denver and Wichita, although all markets closed \$1 to \$1.50 higher than a week earlier. On Friday, good and choice medium weights were quoted at \$21.50 per hundred pounds in Fort Worth, \$21 in San Antonio, \$21.75 Oklahoma City, \$21.75 Denver, and \$21.35 to \$21.60 Wichita. About the only changes in southwest sheep and lambs were in Denver and Wichita where gains of 25 to 50 cents were reported. Cattle prices had weak spots on steers, cows and bulls in San Antonio, and stockers and heifers in Denver, and on stockers and feeders in Wichita. These were offset to some extent by strength on calves at Texas markets and unevenly higher prices on all classes at Oklahoma City.

**New Kaiser Car On Display Here For First Time**

New, advanced body lines, unprecedented seating width and increased visibility are features of the new 1947 Kaiser Special automobile now on public display here for the first time, by the Tri-County Motor Company.

Careful attention to the factors which provide passenger safety and comfort has been given in designing the automobile, a product of Kaiser-Frazer Corp. The new 100-horsepower car is a full-size, six-passenger automobile with a wheel base of 123 1-2 inches.

A major achievement in passenger comfort has been gained in the new automobile by location of the rear seat well forward of the rear axle and wheel housings, so that all passengers are seated in the best riding positions. The advanced location of the rear seat provides greater space in the rear luggage compartment, and has made possible unsurpassed width of seat cushions, 62 inches both front and rear.

Increased visibility has been provided by moving the front pillar posts back, increasing the angle of 765-square-inch windshield, and providing greater side vision for the driver. Exceptional rear vision is provided, too, by the 44-inch wide rear window.

Mechanical features include an all-steel body with safety glass throughout, and a rigid box-type frame, large self-centering brakes and extra wide wheel rims which provide steering safety and stability on turns at high speeds. Longer-stroked shock absorbers have been incorporated into the chassis design for riding comfort and to enable the driver to maintain perfect control. Independent front wheel suspension is effected through helical springs, while semi-elliptic springs, rubber mounted with rubber inserts between the leaves, are used in the rear.

Exterior door handles are of a new type which operate by gentle pressure on a "trigger" concealed in the inside curve of each handle. The handles are designed so that there are no open ends to catch in clothing.

Interior appointments are featured by push-button door latches, an attractively designed instrument panel and deep cushion seats.

With an overall length of 203 inches, the Kaiser Special has a silhouette of only 64 1-2 inches and is 72 7-8 inches wide at its widest point. The front and rear treads are 58 and 60 inches, respectively, and the tire size, 15 x 6.50.

The engine, developed by Continental Motors in cooperation with Kaiser-Frazer engineers, is of L-head design and has a bore of 3 5-16 inches and stroke of 4 3-8 inches. Ideal for today's improved gasolines, the compression ratio is 7.3:1. Other power features include aluminum alloy pistons, a forged counterweighted crankshaft with four main bearings, rubber engine mountings and automatic choke.

**RAYBURN DEMOCRATIC LEADER; TRUMAN GAINS PRESTIGE BY FIRM STAND AS CONGRESS OPENS**

By George Mahon

This is being written on the opening day of the new Congress. Joe Martin, Republican from Massachusetts, this afternoon took the oath of office as Speaker of the 80th Congress, carrying this position of power and responsibility to the Republican Party for the first time in 16 years and to New England for the first time in 21 years.

Joe Martin is 62 years of age, a newspaper publisher and a bachelor. He is not a brilliant man, but he is an agreeable, friendly sort of person who is well liked and respected by the House Membership.

While the Democrats realized they lacked the votes to re-elect a Democrat as Speaker, Sam Rayburn of Texas was nominated. The vote was 244 to 182 in favor of Mr. Martin. However, Mr. Rayburn was elected by the Democratic Caucus as the Democratic Leader in the House.

Mr. Rayburn had said that he would not accept the leadership and had promised his support to John McCormack of Boston, Massachusetts. Texas Members felt that it would be a severe loss to Texas and to the South if Mr. Rayburn should refuse the leadership, particularly if the job should go to someone who had no firsthand knowledge of Southern problems of agriculture and industry. Democratic Members from other states were unanimously for Mr. Rayburn but sharply divided as to anybody else. Mr. Rayburn finally consented to take the job and was elected without a dissenting vote.

It is generally agreed in Washington by both Republicans and Democrats that President Truman has taken on additional stature and prestige in recent weeks by reason of his refusal to accept dictation from John L. Lewis and by the issuance of directives designed to place the Country on a peace-time basis.

The 21 Members of the House from Texas have met and organized for the new session of Congress. I was elected to serve as Chairman for the next two

years. A new Member, Winyate Lucas of the Fort Worth District, was elected Secretary of the Texas Delegation.

Mrs. E. L. Smith who has been quite ill at her home since Christmas day was carried to Aspermont in the Campbell ambulance Tuesday of last week, to the home of a daughter, Mrs. H. V. Link. Mrs. Smith is reported to be quite a lot better at this time.

### Eurena Hoover-J. C. Morin United In Yuletide Wedding

The Methodist Church was the setting of the Yuletide wedding ceremony uniting Miss Eurena Hoover, daughter of Mr. and Mrs. A. M. Hoover and J. C. Morin, son of Mrs. Maggie Lewis of Ava, Missouri.

The Rev. Raymond Van Zandt officiated. The altar banked with ferns, was decorated with baskets of pink gladioli, with candlelight lending a soft glow throughout the ceremony.

Miss Ernestine Berry played "Always," "Night and Day," and "I Love You Truly" for the wedding music.

The bride given in marriage by her father, was lovely in a winter white suit with black accessories. She carried a Colonial bouquet of white gladioli.

Mr. and Mrs. J. D. Dunaway were the only attendants. Mrs. Dunaway, sister of the bride, wore a suit of sky blue with black accessories. Her corsage was of pink carnations.

A reception was held immediately following the ceremony at the home of the bride's parents. Mrs. Pot Fletcher, sister of the bride, poured and Mrs. Elmer Cross served the cake. The wedding cake was a three tiered cake in white, with rosettes of pink and topped with a miniature bride and groom.

The couple are at home at 727 Porter street, in Fort Worth.

### Mrs. W. T. Andrews Luncheon Hostess

The spacious home of Mrs. W. T. Andrews was the setting for the Thursday Luncheon Club last Thursday when they met for their regular luncheon and games of bridge. The entertainment rooms were artistically decorated with Jasmine.

A most delicious luncheon was served to two guests and six club members. Miss Julia May Hickman received a deck of Congress playing cards for high score award for guests.

Those enjoying this occasion were Mesdames; Tom Jones, C.H. Elliott, M.C. Golding, F.W. Jennings, Eric Swenson club members, and Mrs. Tom Johnston and Miss Julia May Hickman were guests.

Mr. and Mrs. F. D. Culberth, Sr., and son, Tommy, Mrs. Juanita Culberth and daughter, Rita Carroll and Mr. and Mrs. F. D. ### Junior Harmony Club Complimented With Formal Dance

Members of the Junior Harmony Club were complimented by their sponsors with a formal dance recently in the home of Mrs. W. B. Francis, Jr. She was assisted in the entertainment by Mrs. E. D. Engleman and Mr. and Mrs. W. M. Hilley.

Balloons on long streamers were the main decoration with clever dance programs, fashioned from lace paper doilies. Candle light from red candles added a mellow glow to the entertainment rooms.

Sandwiches, cookies and punch were served to the following guests:

Virginia McNeill, Joe Max Barclay, Creola Rector, JuRon Rickels, Ann Hull, Ju Don Rickels, Juanelle DeGraffenreid, Dennis Bingham, Ernestine Berry, James

Robert Sharp, Margaret Hensley, Billy Scott, Juanice Jones, Virgil Elliott, Julia Ann Pendleton, Wayne McCarty, Virginia Ruth Shugart, Neal A. Chastain, Jr., Mary Ann Lisle, Donna Gene Wright, Joe Biff Grace, Gene McCombs, Deane Wright, Pike Dobbins, George Walker, and Alfred Walker.

Miss Jane Godfrey, daughter of Mr. and Mrs. W. F. Godfrey who has been working on her Masters degree at a school in Tenn., has accepted a place in the El Paso schools in the Homemaking division.

Robert Reynolds of Dickens spent several days during the holidays in Fort Worth.

Mrs. A. L. Dempsey, teacher at the T-Bar school at O'Donnell was at home in Croton during the holidays.

### Workers Conference At Girard Baptist Church Jan. 21

The Stonewall Baptist Association will hold a workers' conference at the Girard Baptist church on Tuesday, January 21 according to an announcement made this week by Rev. M. L. Porter. The theme for the meeting will be "Evangelism," Rev. Porter stated. The meeting is being held one week later this month in order to not conflict with the Dallas evangelistic conference January 13-15.

The program for the conference follows:

Morning session; 10:00, Devotional, Eugene Upshaw, Aspermont; 10:05, "The objective of the simultaneous Evangelistic Crusade, Rev. M. L. Porter, Peacock; 10:45, Religious Census, Rev. W. C. Hultgren, Swenson; 11:00, Prayer, J. M. Johnson, Jayton; 11:15, Announcements and Offering; 11:20, Special Music, Girard; 11:25, Sermon, Rev. J. Henry Littleton, Abilene; 12:00, Lunch.

Afternoon Session; 1:30, WMU and Board Meeting; 2:00, Fellowship, Rev. R. L. Porter, Girard; 2:20, Report on the Co-operative Program; 2:30, Inspiration Sermon, Dr. John D. Simon, Jayton; 3:00, Adjourn.

### Exchange Club Enjoys Christmas Entertainment

Mrs. Odis Cash was a most gracious hostess when she entertained the Exchange Club in her home during the Yule Season with a Christmas party.

The entertainment rooms were beautifully decorated carrying out the Christmas theme. A point-setta centered the table, with the traditional Christmas tree the main decoration.

Each guest answered roll call by telling an interesting story about Christmas, after which club members received gifts from around the Christmas tree and children present received bags of fruits and nuts and small toys.

Sandwiches, cookies and coffee were served to the following, Mesdames Buck Carlisle, C. O. Fox, L. R. Barrett, Floyd Smith, R. L. Benson, B. T. Moore, C. V. Allen, K. T. Lofton, Ben Perry, Wray Carlisle and the hostess, Mrs. Cash.

### "Jam Session" Compliments Amarillo Guest

Miss Creola Rector complimented Miss Julia Ann Pendleton house guest of Mrs. John King, Jr., during the holidays with a "Coke" party in the home of her parents, Mr. and Mrs. Jack Rector.

The house was decorated with Christmas greens and other Yuletide decorations.

Guests enjoying a real "jam session" and Christmas goodies, were the guest of honor and Misses Virginia McNeill, Ann Hull, Mary Ann Lisle, Donna Jean Wright, Ernestine Berry, Juanice Jones, Juanelle DeGraffenreid, and the hostess, Creola Rector.

Jane Brannen, Bob Weaver, George Walker and Billy Ray Barrett left Sunday morning to return to Austin where Jane, Bob and George are attending the University of Texas. Billy Ray will visit for awhile in Austin before returning to his home in Spur.

I Give You Texas

By Boyce House

What in the world has happened to rhubarb? I just happened to remember that I can't remember when I've seen any, it's been so long.

And gooseberries? Don't tell me that the poor, starving Yugoslavians just must have American rhubarb and gooseberries!

A man was making a political speech when someone hissed. The speaker said, "There are just three things that hiss: a goose, a snake and a fool. Come forward and be identified."

Randy Moore, former big league baseball star, is at the head of a big industry at Omaha, Texas—a nursery. He has 500 acres in peaches and some of the trees are over 25 years old. He says a peach tree will live forever if proper care is taken so that new limbs will grow.

Moore goes in for terracing, fertilizer and chemicals to combat insects and plant disease. Last season, as an experiment, he planted a valley in lespedeza and produced 8,000 bales of hay.

He is fond of fishing and has a lake on the place and is building a clubhouse and boathouse.

The new Governor and the new Lieutenant Governor ran on almost identical platforms:

- Redistricting;
- A square deal for veterans;
- Improved farm-to-market roads;
- Full payment of pensions;
- First-class University for negroes;
- Increased pay to teachers;
- And no new or increased taxes.

### Van Zandt Home Scene Of Yule Tide Coffee

Complimenting the Methodist Young people who were home from college for the Christmas holidays, Rev. and Mrs. Van Zandt, assisted by Mrs. Jack Rector and Mrs. Malcom Brannen entertained in the Methodist parsonage with a coffee at 9 o'clock Sunday morning, December 22.

Yule appointments accented the entertainment rooms with the entrance doorway being outlined with colorful Christmas greeting cards, they were also hung from the mantel adding to the yuletide setting furnished by the lighted tree.

The table was covered with a Madeira cloth and centered with miniature carolers on a snow covered landscape.

Students from Texas Technological college at Lubbock were, Bill Laine, Sherian Campbell and Roland Hairgrove; from McMurry Autrey Nell Dyess and Ned Blackwell; from T. S. C. W., Jackie Rector; from A & M. Tom Lane Jones; from University of Texas Jane Brannen, Bonnie Campbell, teacher of the group and former student of Texas Tech and Southwestern University, was also present.

Friendly Folks KEEP PORCH LIGHTS BURNING

It's Safer TOO!

Look up and down any street tonight—many of the most attractive homes in daytime are now dark and uninviting after nightfall.

Turn on the porch light and even the most modest homes stand out as the most charming and gracious in the neighborhood. Where the light is burning you feel that a cordial greeting awaits, that hospitable folks are inside, and that friends are always welcome.

Maybe you haven't been conscious of the friendly significance of that beckoning light. Drive out tonight and feel the difference when you pass the lighted homes.

For one month—two hours nightly—you display this outdoor sign of friendship for about the price of one-half pack of cigarettes. Surprisingly cheap, isn't it?

### Carl Proctor To Dallas To Attend S.W.M.A.C. There

Carl Proctor left Sunday for Dallas where he will attend the Southwest Men's Apparel Convention being held there this week and to buy new Spring merchandise for Proctor's.

In keeping with the Proctor policy, Carl hopes to buy the latest, as well as high class merchandise that this store has formerly stocked and hopes to be able to stock many of the items that have been on the "scarce" list for many months.

Mr. Proctor will return to Spur Friday.

### Mrs. Forest Edwards Undergoes Operation

Mrs. Forest Edwards of Dickens was taken to the West Texas Hospital in Lubbock Thursday of last week. She underwent a major operation Friday.

According to reports, Mrs. Edwards' condition is improving nicely at this time.

### Commissioners Court

The Dickens County Commissioners' Court will meet in regular monthly session at the County court house in Dickens Monday, January 13, for the first official meeting of the new body. Officers were sworn in at a meeting held January 1. Judge A. C. Sharp will preside.

### Fine Arts Program Discussed By City Federation

The City Federation met Tuesday, January 7 at the Round-up of the Methodist church.

The Fine Arts program was discussed and all clubs voted to sponsor a concert Friday night, January 10, at the Baptist church. A chamber Orchestra from North Texas State Teachers College at Denton, conducted by Silvio Scionti will present the concert.

The president, Mrs. Ray Dickson, Jr., appointed the following committees.

Ticket Sales Committee; Mesdames J. E. Berry, J. H. Bowman, Robert Simmons, Adrian Rickels

and T. H. Blackwell. Room Arrangement Committee; Mesdames Jack Reator, T. P. Johnston, John King, Jr., C. H. McCully and E.D. Engleman. Church Arrangement Committee; Mesdames, Clyde Bingham, C. F. Cook, Bob Conner, B. F. Hale and Miss Bonnie Campbell. Receiving and Program Committee, All Junior Girls Clubs and officers of the City Federation.

An announcement was made that the Girl Scouts have been re-organized and would like the support of all city clubs.
